

## Nursing Enrollment Growth

### Budget

- \$120,967

### Funding Source

- California Community Colleges Chancellor's Office (CCCCO)

### Contacts

- Project Director: Beth Johnson
- Budget Analyst: Jennifer Madrid

### Timeline

- 07/01/2022-06/30/2023

### Summary of Activities

- Grant funding supports multiple efforts to increase enrollment and success rate for nursing students.
- Supports continued enrollment of 20 students above baseline
- Funds implementation of the statewide cut score for diagnostic assessment testing and provides support for applicants scoring below the cut score.
- Funds support services for enrolled students
- Provides professional development opportunities for nursing faculty
- Promote NCLEX success for student who complete the nursing program

### Highlights & Accomplishments

- Funded a portion of the full-time Nursing Success Specialist
- Provided access to online library database for students and faculty.
- 184 students out of 191 passed assessment testing in previous grant cycle. All students that received remediation passed.
- 82 students completed the nursing program and took the NCLEX exam, with a 97.6% pass rate in the previous grant cycle. Top 10 pass rate in the state.
