What is a Consolidated Course?

- A "master" course to:
 - Share common data to multiple courses
 - Preserve data across semesters

myCuesta

Pros and Cons

PROS

- Enter data once
- Data carries over semesters
- No work order to transfer data
- Easy multi-course announcements & e-mail

CONS

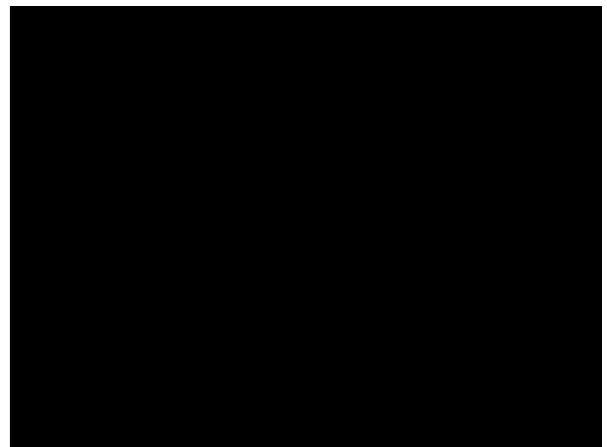

- CC news absent from course homepages
- CC photos/links unavailable for course homepages
- Data separation confusing
- Course Edit button missing

myCuesta

Demo

- Create Consolidated Course
- Add/remove courses
- Posting to Consolidated Course
- Switching between CC and courses
- Deleting Consolidated Course

myCuesta

Alternative to Consolidated Course

- Keep data on Word Document
- Copy & paste to rebuild data
