LIFELONG LEARNING IN ACTION
Summer Starts Here at Cuesta College Community Programs!

We cordially invite you and your family to enjoy the exciting new experiences we have in store for you! College for Kids brings your 5-9th grader the joys of wonderment this Summer as we explore an array of subjects including the History of Star Wars, Social Media & Phone-tography, Kids and the Law, Introduction to Musical Theater & Cabaret, On the Reel: Film Studies and The World of Board Games! The choices throughout our College for Kids programming will have them excited, interested and physically active – while we laugh, learn and play!

4th Graders are invited to attend our 4-day camp in a Full or Half Day sessions enjoying the creativity of Life Science Sleuths, Active Afternoon Aerobics and a Good Morning Gathering for team building and ice breakers!

What would Summer be without the Cuesta Pool? Come join us for our newly developed Aqua Pilates Yoga Fusion or Aqua Ai Chi classes, Lap Swimming is offered daily, and why not jump in for some Master’s Water Polo fun!

Youth will have wonderful opportunities to learn how to and improve their swimming safety and techniques while our Gnarly Gnarwhals group will teach you the art of Team Spirit!

It’s a pleasure serving our Central Coast families throughout the year and we hope you can join us.

Matthew, Nanette, Wes, Gaby and Lea!
Location for the Office of Community Programs!

For your registration services we are located in the 4700 building (corner of Cuesta College Rd & Chorro Valley Rd) next to the Cuesta College Children’s Center. 2-20 minute parking spots available for easy walk-in registration!

Daily Parking Permit Machines available in each paved lot!

SUMMER PROGRAMS FOR YOUTH
SAN LUIS OBISPO CAMPUS CLASSES
College for Kids provides an enriching opportunity during the summer for students entering the 5th through 9th grades in the fall of 2016. The varied curriculum is designed to meet the needs of younger students who are eager to explore subjects in a fun and educational environment.

- Students ARE NOT SUPERVISED on campus between classes
- Classes are not remedial in nature. Students with special needs must contact the Community Programs Coordinator before registering for classes at 546-3132
- Classes are scheduled for 50 minutes in an hour block to allow 10 minutes travel time to the next class
- Since rooms are scheduled throughout the campus, please check schedule for room locations. Your students may have a bit of a distance to travel between classes. Additionally, bicycles, skateboards, in-line skates, scooters, and any other human powered mechanical transportation devices are not allowed on campus in accordance with Section 2113 of the State of California Vehicle Code and the policies and regulations of Cuesta College.

**AQUAKINETICS** In the warm pool participants are led through a series of exercises designed to increase range of motion and flexibility. Moderate aerobic exercises are added to our Higher Intensity class to increase cardiovascular fitness. A great class for seniors, people recovering from injuries and/or arthritic conditions who are capable of participating in a fitness program without assistance.

**AQUA AEROBICS** Workout at your own pace and have fun at the same time. Option of low to high intensity aerobic exercises. A great class for adults looking to maintain or jump-start a fitness program.

**AQUA POWER AEROBICS** This fast paced class is designed to combine aerobic conditioning (and calorie burning) with strength training, muscular endurance and flexibility. It is not necessary to get the face or hair wet or to know how to swim to participate in this invigorating workout in the shallow end of the main pool.

**DEEP WATER WORKOUT** This class is a high-powered deep-water workout suitable for all ages and levels of fitness designed to challenge both the cardiovascular and muscular systems. The workouts include lap swimming, water walking, water jogging and invigorating non-impact deep-water exercises. Basic swimming skills are needed. Swim goggles are recommended. All pool equipment is provided. Class is offered in the deep end of the main pool.

14 REGISTER ONLINE: WWW.CUESTA.EDU/COMMUNITYPROGRAMS
SWIM CLASS REGISTRATION: Registration for each session closes at noon on the Wednesday before the session begins so that instructors can be assigned. Classes fill quickly; therefore we suggest you register as early as possible, especially if you are trying to coordinate multiple children at the same time.

Minimum enrollment required in each class and classes are subject to cancellation.

Please check the class descriptions carefully. If your child is enrolled in the wrong level, you are not guaranteed a spot in that level or the correct level—this is dependent on availability. The Aquatics Coordinator and/or Head Instructor Guard will attempt to re-schedule your child; however all other classes may already be full. Your child’s class is only confirmed with the receipt in hand. Confirmation cannot be given over the telephone. Class schedule subject to change. Pool closures are possible—we do try to avoid this, but because of the tight schedule make ups are not possible. Your class fee reflects this possibility.

Online Registration www.cuesta.edu/communityprograms under Swim Lessons
Fax-in Registration: is accepted with Visa, MasterCard, Discover & American Express Fax to 546-3107.
Walk-In Registration: is accepted at the pool for current sessions only. However, there are no guarantees. The class you request may already be full or not available.

Phone Registration always welcomed

Baby & Me Parent/guardian accompanies child in the water and receives feedback and guidance from an instructor. Class emphasis is on fun and safety. Children ages 6 months to 4 years develop water entry, bubble blowing, front kicking, back floating, underwater exploration and more. Class ratio is 1:10.

Tiny Tot Class for children ages 3 to 4 years of age at any swimming level. Class is tailored to the needs of younger swimmers; children should be willing to participate in a group setting without parent/guardian. Fun and safety are emphasized while children are learning swimming skills. Time will be spent working on floating, kicking, arm and hand movements, and water safety. Class ratio is 1:10.

Level 1 Introduction to Water Skills Must be at least 5 years old to enroll—NO EXCEPTIONS. Class is designed for the swimmer who needs help feeling comfortable in the water. Class time is spent on submerged floating, kicking, opening eyes and exhaling underwater, arm and hand movements, and water safety. Class ratio is 1:3.

Level 2 Fundamental Aquatic Skills Must be at least 5 years old to enroll—NO EXCEPTIONS. Class is designed to give the student success with fundamental skills. Students learn to dive from side, treading water, turning over while floating, swim on front, back and side, and water safety. Class will be held in large pool and students should feel comfortable in deep water. Class ratio is 1:6.

Level 3 Stroke Development Students should feel comfortable in deep water and the large pool. Concentration is on building confidence and the development and refinement of the front and back crawl using rotary breathing. Students will be introduced to butterfly stroke, deep water entry, and a reaching assist along with new safety skills. Prerequisite is a Level 2 card or equivalent skills. Class ratio is 1:7.

Level 4 Stroke Improvement Students must be comfortable in deep water and be able to swim the length of the large pool demonstrating front crawl with side breathing. Emphasis is placed on the refinement and endurance of skills learned in previous levels. Students will learn the breaststroke, elementary backstroke, and sidestroke kick. Students should be prepared to swim several lengths of the pool at each class meeting. Prerequisite is a Level 3 card or equivalent skills. Class ratio is 1:7.

Level 5 Stroke Refinement Concentration is placed on the coordination, refinement and endurance of previously learned strokes. In addition, various dives are introduced along with additional safety skills such as rescue breathing and survival swimming. Students in this class must be able to swim at least two continuous lengths of the pool and be prepared to swim several lengths of the pool each class meeting. Prerequisite is a Level 4 card or equivalent skills. Class ratio is 1:7.

Level 6 Swimming and Skill Proficiency Primary objective is the refinement of all strokes so students swim them with ease, efficiency, power and smoothness over greater distances. Personal water safety, lifeguard readiness, fundamentals of diving and fitness swimmer are other areas covered. Student may swim up to 20 lengths of the pool in one class meeting. Prerequisite is a Level 5 or 6 card or equivalent skills. Class ratio is 1:7.

Private & Semi-Private Swimming Lessons Give your child or yourself the opportunity to learn new skills and/or refine current skills with some special attention. Try a semi-private or private lesson. The instructor to student ratio is 1:1 for private lessons and 1:2 or 1:3 for semi-private lessons. Semi-private lesson participants must be at similar levels and register as a group. These one-week lessons are available only as staffing permits and will be determined by the Aquatics Coordinator. These lessons are 4 days only.
