Copy ("Dub") from VHS to DVD

NOTE: These directions are specific to the JVC DR-MV99 DVD/VHS decks, located in the PDC Media Room (back of room 3143, SLO campus).

1. Launch the appropriate software:

   **Windows**
   
   a. Launch **CyberLink PowerDirector 10**.   
      *The welcome window will appear.*
   
   b. Click **Full Feature Editor**.   
      *The PowerDirector application window will open.*
   
   c. Click **Capture**.   
      *As the video plays, it will appear in this window.*

   **Mac**
   
   • Launch **EyeTV** from the Mac application bar.   
      *The EyeTV display window will appear. As the video plays, it will appear in this window.*

2. Insert a blank DVD disc in the DVD deck and close the disc tray.

3. Insert the VHS video tape you wish to copy into the VCR deck.

4. Select the **VCR** mode by doing one of the following:
   • Press **VCR** on the remote control.
   • Press **DVD/VCR** on the front panel.
5. Position where on the VHS tape you want to start dubbing using the PLAY, FF, REW and PAUSE functions. For best results, pause playback at the point from which you want to record.

6. Press the DUBBING button. The Dubbing menu appears.

7. Use ▲ / ▼ / ◀ / ▶ on the remote to select the desired Rec. Mode (XP, SP, LP or EP).

8. Select Dubbing and then press ENTER or DUBBING to start copying. For more info on Dubbing, see page 39 in the JVC manual, in the back of this binder.

9. To stop dubbing at any other time, press STOP (■). Dubbing will stop automatically when the VHS tape ends.

10. Optional: Edit the DVD, adding titles, chapter markers, etc. See pages 42-49 in the JVC manual.

11. When ready, Finalize the DVD by doing the following:
   a. Select the DVD mode by doing one of the following:
      • Press DVD on the remote control.
      • Press DVD/VCR on the front panel.
   b. Press Home on the DVD Video remote.
      The Setup menu will appear in the display window.
   c. If necessary highlight Start (under Setup) using the arrow keys on the remote.
   d. Press Enter on the DVD Video remote.
   e. Highlight the diskette icon using the up/down arrow keys on the DVD Video remote.
   f. Press the right arrow key once on the DVD Video remote, and then press the up/down arrow keys until Finalize highlighted.
   g. Press Enter on the DVD Video remote. For more info on Finalizing, see pages 23 and 49 in the JVC manual.

12. Remove the VHS tape and the DVD, labeling and storing the DVD for safe keeping.
