PLEASE READ THE FOLLOWING INSTRUCTIONS CAREFULLY:
Courses identified as "GP" under grading option in the Cuesta College catalog, class finder, or course outline may be taken for pass/no pass (P/NP) grading. Students are responsible for all assignments and examinations required in the course. The standards of evaluations are identical for all students in the course. A student electing to be evaluated on the "pass/no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course.

- In computing a student’s GPA, grades of P/NP are omitted. However, units attempted for which the symbol “NP” is recorded shall be considered in probation and dismissal procedures. A pass grade is granted for performance that is equivalent to the letter grade of “C” (2.0) or better. A student, who fails to perform satisfactorily, less than “C” (2.0), will be assigned a “no pass” (NP) grade.
- Students may enroll in only one course per semester on a P/NP option.
- No more than 12 units of P/NP may be applied to the Associate in Arts or Associate in Science degree.
- Courses listed in the schedule as P/NP grading option may be taken only once for P/NP. The student may, however, repeat the course for a letter grade.
- Students, who have selected the P/NP grading option, may change back to a letter grade prior to the fourth week of a full-term course or 20% deadline. After the fourth week of a full-term course or 20% deadline, students may not reverse their P/NP grading option.
