

**San Luis Obispo County Community
College District Cuesta College
2024-2025 Committee List**
(Revised 05/21/2024)

Participatory Governance Committee Structure and Descriptions

Central Committees – Central Committees – have final recommendation authority over specified district-wide matters unless otherwise prescribed by educational code, collective bargaining agreements, Board Policy, or other legally binding statutes. College Council and Planning and Budget represent broad perspectives to provide recommendations that support the district’s mission, vision, values, institutional goals and objectives and district-wide operational plans.

Content Committees – are narrowly focused, in terms of content, than central committees. These committees serve to inform the work of central committees by providing their expertise in matters that have district-wide or specific stakeholder impact. Through formal reporting lines, each of these committees informs the work of one or more central committee.

Standing Committees – serve various functions across the district but are most likely to be department of function specific, such as the Cuesta College Scholarship Committee or the Wellness Committee. Standing committees may serve a specialized role in supporting negotiated elements of the Collective Bargaining Agreements, such as the Benefits Committee or the District Calendar Committee or in addressing other institutional functions like employee wellness and professional development. The standing committees report back to their respective constituent groups or departments.

Stakeholder Groups – In addition to serving their collective groups, Stakeholder Group leaders appoint members to serve on content and central committees to represent their respective constituency group. Appointment underscores the important responsibility members have to interface with assigned content and central committees by attending committee meetings and reporting back to their Stakeholder Group. Stakeholder Groups include Academic Senate Council, Associated Students of Cuesta College, Cuesta College Classified United Employees, Cuesta College Federation of Teachers, Cuesta College Management Senate, and Superintendent/President’s Cabinet.

Other Committees

Ad-hoc Subcommittees or Groups – One way to increase the effectiveness of all committees is to assign work to smaller groups composed of committee and/or non-committee members. The larger committee directs these subcommittees/groups which are brought together to focus on determined, time-specific, or ad-hoc tasks.

Task Forces are temporary groups of people formed to carry out a specific task or project, or to solve a problem that requires a multi-disciplinary approach. Task forces will bring people together from across the district and committees to address a specific issue. When the task force work ends, so does the task force.

Committees are encouraged to publish agendas, goals, and minutes on *myCuesta* or *SharePoint*. Email lists for committees are available in Outlook and are maintained as memberships are updated through committee chairs or liaisons.

For information on participatory governance structure, committee relationships, workflow, the decision-making process, roles of faculty, staff and administrators, recommendation authority, and best practices for participatory governance committees, see the San Luis Obispo County Community College District Participatory Governance: Decision-Making and Committee Handbook.
