

## 16 Week Calendar Steering Committee Notes: Agenda 14

### **Meeting #13 Notes**

Update provided on memorandum of request submitted to CCCCCO. Dr. Stearns responded to a request from the Chancellor's Office for the schedule to be presented in a lecture and lab units format. This was created using the hours data on the scheduling grid.

Unanswered questions:

- Intersession
- Summer length
- 175 instructional days

Discussion of campus community input. Starting points identified:

- Instructional Cabinet
- SSSP Leadership
- Open Forum

### **Agenda #14**

CCCCCO Update

Discussion of campus engagement

Consideration of subgroups for next phase

Parking Lot
