- documenting relevant program changes, trends, and plans for the upcoming year
- identifying program needs, if any, that will become part of the program's resource plan

Note: Degrees and/or certificates for the same program may be consolidated into one APPW.

This APPW encompasses the following degrees and/or certificates:

GRAPHICS CERTIFICATE OF ACHIEVEMENT

GENERAL PROGRAM UPDATE

Describe significant changes, if any, to program mission, purpose or direction. *If there are not any, indicate: NONE.*

Since the last report, Graphic Design is work to keep enhancing our class contents and experience, upgrade our equipment and knowledge to serve our student needs.

Cuesta Graphic Design (CTE) has grown dramatically with support from Dean John Cascamo and Dean Madeline Medeiros Taylor. After getting support for an upgraded Printer, We can print higher quality student works for them to create a solid portfolio work in large scale. During this academic year, with new \$64,000 fundings directly from the CTE program, we can now focus to build a professional grade studio experiences for a student to learn VR and AR content making software and gain experience that the industry demand.

We hosted two Graphic Design Advisory Board in meetings in Spring 2018 and Spring 2019 and both meetings were very productive on topic about new lighter certificates on Motion design and UX design. Based on the most recent research, the whole industry tends to hire more UX/UI designer with strong Graphic Design background, we have been work very hard to improve our syllabus and software to close to current trending.

We are proud that we are the very few community colleges to offer real-world UX/UI design content that really can help a student to create a more competitive portfolio. With approve equipment plan from the Advisory Board, we believed our next move to VR/AR contents will ultimately make us a leading multi-discipline community college design program choice for local, national and international students.

The current Graphics Certificate of Achievement includes Art 220: FUNDAMENTALS OF 2-D DESIGN, Art 255: FOUNDATION OF DIGITAL GRAPHIC ART, Art 256: FOUNDATION OF DIGITAL IMAGING ART, Art 258: FOUNDATION OF DIGITAL LAYOUT DESIGN, Art 259: FOUNDATION OF WEB AND UX DESIGN and Art 266: GRAPHIC DESIGN I, ART 267: GRAPHIC DESIGN II and ART 268 DIGITAL TYPOGRAPHY ART. Art 220 are fundamental courses in our studio art degrees and are extremely popular GE for non-art majors. For data analysis we choose to exclude Art 220 and use all courses in the graphics area except Art 253: Digital Art (a course for studio art majors).

The data is based on the following graphics courses:

Art 255: Illustrator, Art 256: Photoshop, Art 258: InDesign Art 259: UX/UX Design, Art 265 Motion, 266: Graphic Design, 267: Graphic Design II, Art 268: Typography.
Also due-enrollment, ART 255, ART 256 and ART 258

Enrollment in graphics courses increased 109.5% from the last APPW year in as we have good enrollment in our face-to-face graphics courses and duo-enrollment courses.

Also, courses with zero class limits are excluded from this measure.

Graphic student demand increased from last APPW 78.57% to this year 132.72%. Our class start more attractive to students and last update with four new computer did make us be able to hold more students. We are planning more promotion and new class time to attractive more students to increase and keep the higher fill rate.

2019 INSTRUCTIONAL ANNUAL PROGRAM PLANNING WORKSHEET

Successful completion rates for graphics face to face courses are increasing. Thanks to enhanced class contents and teaching methods, and adopted new technology such as live collaboration document, our students are more engaged in the classroom which increased the success rate. In face to face class, we provide more one-on-one meeting to create studio-like environment to help student gain confidence and produce a stronger portfolio. It is natural to learn and experience graphic design in the studio. We will continue develop more modules for our face-to-face class.

Success rates for DE graphics courses (Art 255 which primarily focuses on Illustrator and Art 256 which primarily focuses on Photoshop) are significantly lower for DE courses. After dialogue and survey with DE instructor. We start to offer open lab time in SLO campus to DE students.

Completion the Graphics certificate stable in 2015-2016 and because we changed to a Certificate of Achievement with 24 credits to complete in 2016-2017, only one student was awarded the certificate and other are still working on the new certificate. We don't have student pursue the certificate this year. Our student tends to continues to get BA as more student want to completed and get a better design jobs.

We are still on planning stage in two small corticates in Web and UX design and Motion Design in an effort to increase the programs awards and better serve our students.
