# Clery and Act Crime Reporting Form

Return completed form to [ccpd@cuesta.edu](mailto:ccpd@cuesta.edu)

## Clery Act Crime Statistics

The College District has a responsibility to notify the campus community about any crimes that pose an ongoing or continuing threat to the community, and as such, Campus Security Authorities (CSA's) are required by the Jeanne Clery Act to report crimes immediately to the Campus police. Failure to do so can subject the College District to large fines and penalties up to and including loss of financial aid funding. You should not wait until the end of the year to report these crimes to the Campus police.

CSA's must report Clery reportable crimes to the Campus police by completing the attached form and forwarding the information to the coordinator. If the crime may require a timely warning, notify the Police at (805) 546-3205. If notifying police, you may keep identifying information about the involved parties confidential.

### **What is a CSA?**

The term Campus Security Authority, or CSA, "is a Clery-specific term that encompasses four groups of individuals and organizations associated with an institution."

- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.
