Campus Safety 101

Your safety is our priority!

The Cuesta College Police Department offers many resources for our students, staff, and visitors to have a safe experience on our campuses.

- There are 7 emergency **"blue light" phone towers** on the SLO Campus and 3 at NCC. A single push of the button will connect you to a Campus Police Dispatcher.
- **"My Alert"** is our campus wide emergency messaging system. Make sure your current cell phone number is listed. This system allows us to send out text and email messages to you during emergencies. "My Alert" is accessed through the My Cuesta webpage
- Each classroom is equipped with the **Campus Emergency Light System (CELS).** This multi-color panel is a visual communication method for different emergencies, such as lockdowns or evacuations. Each light panel should have a poster next to it explaining the different light colors. Please take time to read and understand this poster.
- CCPD offers active shooter preparedness training through our **"Campus Safety 101" presentations** to staff and students. This presentation features an interactive discussion, a "Run, Hide, Fight" video, and a chance to talk with your campus police. Ask your instructors or fellow students if your class or group can host a Campus Safety 101 presentation. Available by calling CCPD at: 805-546-3205

Important Parking Rules

- Parking permits are required in all campus parking lots, property, and on all campus roadways.
- Parking enforcement begins on the **1st day of the 2nd week of school** during each semester.
- Student permits and daily permits are not valid in staff parking areas, which are designated by "staff" stenciled on the curb or pavement.
- All parking lots have permit machines that allow you to purchase a one-day parking permit. If a machine is broken, report it to campus police and go to the next available machine for a permit.
- Semester permits must be displayed and fully visible on the passenger side, lower corner of the front windshield, or on an approved hanger from the rear view mirror.
- Vehicles must be parked fully within designated parking spaces. Vehicles over the lines or not in a space are subject to citation.
- Motorcycles must display a permit on the front forks or cowling and must be parked in designated motorcycle parking spaces or on roadways.
- Vehicles must have current registration to park on campus. Expired vehicle registration may result in a citation or the vehicle being towed.

Helpful Campus Safety Tips

- **Add Campus Police phone numbers into your cell phone contacts now,** so you can reach us when you need to.
- Be aware of your surroundings. Avoid "electronic distractions" such as texting while walking.
- Avoid walking on campus alone at night. Call us for an escort or walk with a friend or classmate.
- If you see something, say something. Report suspicious activity to campus police immediately.

Cuesta College is Smoke Free

As of January 01, 2019, Cuesta College is smoke and tobacco free. In accordance with **Board Policy 3570**, smoking, vaping, and the use of any tobacco product is prohibited on any District property and locations where the District provides services. Cuesta also prohibits all cannabis use and possession on campus due to federal law. Would you like more information or resources to quit smoking? Email the Cuesta College Tobacco Free Task Force at: **tobaccofree@cuesta.edu**
