SAVE THE DATE!

APRIL 21 | 10 AM - 4 PM

This year's event will raise awareness around Ethnic Studies in the context of nationwide bans on African American Studies and all-ages drag shows. The program features student-led workshops on Ethnic Studies topics, drag performances, student work in Ethnic Studies, and expert speakers.

Event will be hosted on the Cuesta College San Luis Obispo campus with a hybrid (Zoom) participation option.

This event is made possible by the generous support of the Cuesta College Foundation and Diversity Coalition of San Luis Obispo County.
