				construction taking place as well as the renovation and repair of existing buildings.
				The committee took a brief moment for introductions.
6. Construction Project Update	Reece	15 min	I, D	<p>T. Reece explained that construction drawings were 50% complete for the Instructional Building and the Campus Center. In July, the Department of State Architect (DSA) will review construction drawings for these two buildings. The drawings will be returned to the District in November or December and the District will go out to bid in January or February. Construction on the Campus Center will take approximately 18 months to complete and construction for the Instructional Center will take approximately 16 months.</p> <p>The Aquatics Facilities Project has been revised to repair the 50-meter pool this winter in order to stop the water leaks. A pool replacement is planned for two pools (a 4 ½ therapy pool and a 50-meter pool) in the second bond issuance.</p> <p>Work is currently underway for the Interim Housing Project. There are 22 modular structures to be delivered to both campuses by the end of June. Faculty and staff will be moved and classes will be ready for the fall semester.</p> <p>Instructional Technology: Allocation in the first bond issuance for Instructional Technology is \$1.5 million. The District will be going out soon for an RFQ for Technology Consulting Services to prepare an Information Technology Master Plan.</p> <p>Lastly, the COPS payment has been completed for the First Issuance.</p>
7. Financial Report Update	Green	20 min	I, D	Chris Green explained that the first series of obligation bonds were issued in March 2015 in the amount of \$75 million. The bonds were sold at a premium and generated an additional \$6 million. The premium can only be used for

				<p>limited items and is traditionally used to cover administrative bond costs such as the cost of issuance.</p> <p>He also stated how the District received credit ratings for the bond from Standard & Poors and Moody's. Standard & Poors assigned a AA- rating and Moody's gave a rating of AA2. This is considered a high rating, which in turn means lower interest rates when selling the bond. There will be interest earned on the money, which can be spent on projects.</p> <p>C. Green went through the Quarterly Financial Report ending March 31, 2015. At this date, \$13 million has been expended, \$11 million of which went towards the COPS payment.</p>
8. Review samples of Annual Reports	All	10 min	I, D	<p>C. Green provided examples of the Annual Report to the Board of Trustees from four community colleges: Allan Hancock, Redwoods Community College District, Butte College, and West Valley-Mission. They all differed in style and reports ranged from a four-page typed report with no photos to an elaborate 12-page colored report complete with photos and graphics. The committee favored the report from Redwood City Community College.</p>
