

# WHAT IS THE PURPOSE OF THE STUDENT CODE OF CONDUCT?

The California Education Code requires every community college governing board to adopt specific rules and guidelines that students should abide by.

The purpose of the Student Code of Conduct is to provide clear expectations and standards for student behavior at Cuesta College. This can help create a safe learning environment for students, staff, faculty, and any other Cuesta employee.

Students at any District facility, event, or in any District provided service whether remotely or in person are expected to follow all California State laws and all Federal laws which pertain to behavior on a college campus. AP 5500 Standards of Student Conduct represent reasonable standards of conduct for students and shall be followed at all times while on District property, online, or attending District related activities.

Conduct that is determined to impair, interfere with, or obstruct the opportunities of others to learn or that disrupts the mission, processes, or orderly business functions of the College will be deemed misconduct and shall be subject to appropriate disciplinary action.

# CONDUCT REPORTING OUTCOMES

1. **Administrative Process** - When a Student Code of Conduct Report is filed against a student, they will be contacted through the Office of the Assistant Superintendent/Vice President of Student Success and Support Programs (SSSP). This notice will include the specific Code of Conduct the student allegedly violated, statement of the facts supporting the accusation and the ability to meet with the Vice President of SSSP
2. **Disciplinary Conference Meeting** - The student will have the ability to respond to the allegations made by the Complainant when meeting with the Vice President of SSSP or a designee. Failure to respond to the allegations as requested, the respondent forfeits the right to due process
3. **Determination and Sanction** - The Vice President of SSSP or designee will issue a written notice of the decision to the student after the meeting has occurred. This decision could include one or more sanctions, which can range from warning, suspension, and/or expulsion (with the Board of Trustees approval). If student declines/ignores the meeting, this could impact the decision-making regarding sanction(s) issued and a notice will still be sent to the student.
4. **Appeal Procedures** - The student has the ability to appeal suspension or expulsion sanctions only.
