

Sample 2 year Degree Plan for:

Biology Associate in Science for Transfer

- In order to complete an Associate's Degree in two years, an average of 15.0 credits must be completed each semester.
- The number of credits and courses noted on this plan per term may not be appropriate for all students, depending on personal circumstances. Students may consider extending this to a 3 year plan and/or taking courses during the summer session.
- This sample course plan is designed for students who are eligible to take ENGL 201A and transfer level math in their first semester.
- Students should meet with a counselor to discuss if additional course requirements are needed for a particular CSU campus, **especially for Cal Poly SLO.**
- Refer to **assist.org** for campus specific major requirements.
- This sample plan incorporates the IGETC -STEM general education pattern. The CSUGE - STEM pattern is an alternative option.
- If a GE course is specified amongst the list of primary courses rather than noted as Area 1, 2, 3, 4, 5 its selection is a suggested "best choice" for the noted major.
- This sample plan includes the most frequently chosen courses for this major but other course choices may exist. To view all course options for this major refer to the Transfer Degrees on the Cuesta website.

There may be alternative course options for completing this degree which may require more than 60 units; see a counselor for details.

Fall Semester One			Spring Semester One		
Course	Credits	Degree Requirement Satisfied	Course	Credits	Degree Requirement Satisfied
BIO 201A	5.0	Major & GE Area 5B/5C~	BIO 201B	5.0	Major & GE Area 5B/5C
MATH 247	4.0	Major & GE Area 2	Math 265A*	5.0	Major & GE Area 2
ENGL 201A	4.0	GE Area 1A	PHYS 205B	4.0	Major & GE Area 5A/5C
PHYS 205A	4.0	Major & GE Area 5A/5C			
Total Credits	17.0		Total Credits	14.0	

*Enrollment in Math 265A assumes placement/clearance of prerequisite

Fall Semester Two			Spring Semester Two		
Course	Credits	Degree Requirement Satisfied	Course	Credits	Degree Requirement Satisfied
CHEM 201A	5.0	MAJOR & GE AREA 5A/5C	CHEM 201B	5.0	MAJOR & GE Area 5A/5C
COMM 210	3.0	GE Area 1C	MUS 237	3.0	GE Area 3A
HIST 207A	3.0	GE Area 3B & AI	SOC 201A	3.0	GE Area 4
ENGL 201B/C	4.0	GE Area 1B	POLS 202	3.0	GE Area 4 & AI
Total Credits	15.0		Total Credits	14.0	
			Total Credits 60.0
