COLLEGE HISTORY

The original junior/community college in San Luis Obispo County was initiated as a postgraduate division of San Luis Obispo High School in 1916 and remained in operation until the United States entered into World War I. In 1936, the San Luis Obispo High School District again formed a junior college, which remained in operation until June 1959.

During the 1964-65 college year, the San Luis Obispo County Junior College District offered a limited evening division program with 463 students registering for the fall semester and 696 enrolling for the spring semester. Temporary quarters were established at Camp San Luis Obispo, a California National Guard facility located halfway between San Luis Obispo and Morro Bay. Classes and offices were situated in refurbished barracks, recreation rooms, and mess halls.

Despite the District’s modest beginnings, 917 day students and 991 evening students were enrolled in classes by the fall of 1965. Evening division classes also were conducted at three other locations in the county - Arroyo Grande, Atascadero, and Paso Robles. On October 4, 1965, the Board of Trustees of the San Luis Obispo County Junior College District named the new college “Cuesta College.” In 1971, the “junior” college district was renamed to “community college.”

In 1970, ground was broken for the college’s first permanent buildings, located on the 150-acre campus west of Camp San Luis Obispo. During the following 40 years, classroom buildings, a library, observatory, student center, art and music lab building, art gallery, high tech learning center, children’s center, performing arts center, and office spaces were constructed on the San Luis Obispo Campus. In the fall of 2016, approximately 7,012 students were served on the San Luis Obispo Campus.

In the fall of 1998, the District opened the North County Campus on a 105-acre site in Paso Robles. The campus, built almost exclusively with private gift support, has grown from 1,200 students the first semester to 3,071 students in fall 2016. In the summer of 2005, the first permanent building opened to students: The Fox Family Building. This building houses Allied Health, Math, and Science. The college broke ground for a second permanent building in spring 2010: The North County Campus Learning Resource Center. The Learning Resource Center was completed in fall 2011 and began serving students in spring 2012. The building was named in honor of donors Dale and Mary Schwartz and dedicated on May 24, 2012.

The South County Center is an off-campus evening instructional site at Arroyo Grande High School, provided in cooperation with the Lucia Mar Unified School District. During the fall 2016 semester, 808 students were served at this site. In the spring of 2016, the college brought back its free Emeritus College non-credit courses for adults, providing a free source for lifelong learning, vocational education, and cultural development for adult community members.

In 2013, Cuesta College rolled out the Cuesta College Promise, a scholarship program that provided all newly graduated San Luis Obispo County high school students a fee-free first year (consecutive fall and spring semesters). In June 2018, Cuesta College announced the expansion of the program to include a second year of fee-free education for students who have completed more than 50 percent of units attempted and have earned a grade point average of 2.0 or higher during their first year under the Promise Program. Since its inception, the Cuesta Promise has cultivated access by providing over 4800 (Promise first-year) and nearly 400 (Promise second-year) San Luis Obispo students with augmented financial aid.

In November, 2014, San Luis Obispo County residents passed Measure L, a $275 million general obligation bond to address longstanding facility, infrastructure, and technology needs at Cuesta College. New construction under the first bond issuance resulted in the completion of the San Luis Obispo Campus Instructional Building (Frank R. Martinez Building – fall 2017), and the North County Campus Center - spring 2018. New construction under the second bond issuance includes the San Luis Obispo Campus Data Center, completed in fall 2019, and the North County Campus Early Childhood Education Center, to be completed in spring 2020. A full renovation and replacement of the aquatics/pool area was completed in summer 2019.

Cuesta College maintains various official designations, including as a Hispanic Serving Institution, allowing the college to apply for grants that expand educational opportunities for Latino/a students, and as a Military Friendly® School, recognizing the college’s efforts to support military students.

College Mission

Cuesta College is an inclusive institution that inspires a diverse student population to achieve their educational goals.

We effectively support students in their efforts to improve foundational skills, earn certificates or associate degrees, transfer to four-year institutions, and advance in the workforce.

Through innovative and challenging learning opportunities, Cuesta College enhances lives by promoting cultural, intellectual, personal, and professional growth. We prepare students to become engaged citizens in our increasingly complex communities and world.

Vision

Cuesta College is dedicated to accessible, high-quality education for the support and enhancement of student success, professional development, and the community we serve.

Values

Access - Success - Excellence

San Luis Obispo County Community College District Code of Ethics

The commitment of faculty, staff, and students to ethical conduct that recognizes the value and dignity of each individual informs the mission, vision, and values of the San Luis Obispo County Community College District/Cuesta College. Faculty and staff are also guided by the standards and principles established by their respective professional associations and organizations. All employees and Board members are expected to uphold rules of conduct defined and established by federal and state law and exhibit behavior that promotes the following principles:

Integrity: To demonstrate professional trustworthiness and resist pressures to deviate from professional ethical behavior.

Civility: To ensure an honest and supportive climate that promotes the mission of the institution; accept and recognize the benefit of dissenting viewpoints, and recognize that civil behavior is both an individual and a collective responsibility.
Respect: To accept individual responsibility to establish a climate of mutual respect for the rights, views, and freedoms of others.

Fairness: To treat each other fairly by making decisions and taking actions only after carefully and objectively weighing all information available.

Confidentiality: To respect and abide by all pertinent privacy laws and regulations, and maintain the privacy of information that is acquired during the course of our work and do not use confidential information for personal use.

STUDENT EQUITY AND ACHIEVEMENT PROGRAM

In September 2012, Governor Brown signed the Student Success Act of 2012 (Senate Bill 1456) into law. The Student Success and Support Program, now known as the Student Equity and Achievement Program, requires all California Community Colleges to provide students with core matriculation services. It is recommended that students meet regularly with an academic counselor and take advantage of college resources. In addition, students are directed to develop a comprehensive student education plan upon completion of 15 degree-applicable credits and to define their education goal and course of study. Students should also attend classes regularly and complete assigned coursework to maintain progress toward their educational goals. Students with an associate degree or higher may be exempt from some of these requirements.

MANDATORY CORE SERVICES

Evidence-based practices and research demonstrate that students who participate in orientation, placement, and academic advising benefit from a stronger foundation and are more likely to persist and flourish in college. All new non-exempt students entering Cuesta College are required to complete these core matriculation services: orientation, placement, and the development of a student education plan. Refer to the Cuesta College website and your student category for more information on these core services.

ENROLLMENT SERVICES (ADMISSIONS AND RECORDS)

Para información sobre Admisiones comuníquese con la Oficina de Admisiones de Cuesta College, (805) 546-3140 ó vea la pagina

Resources available online, for the convenience of our students including those attending via distance education, are available on the Enrollment Services (Admissions and Records) website. https://cuesta.edu/student/studentservices/admrreg/index.html

Eligibility

The college admits students who meet the following requirements and who are capable of benefitting from the instruction offered:

• Any person over the age of 18, or a person under the age of 18 possessing a high school diploma or its equivalent. A copy of the certification (California State Proficiency Exam or GED) is required if under 18 years of age.
• Students 18 years of age or older without a high school diploma, or equivalent, are eligible for provisional admission to Cuesta College.
• Applicants under the age of 18 who are currently enrolled in grades 9-12, are eligible to apply for admission to attend Cuesta College as “enrichment students,” with an approved Permit to Enroll in specified advanced scholastic or vocational coursework at Cuesta College. Dual Enrollment students are referred to as “Enrichment” students.
• International students who have met the International Admission Requirements and have been issued an F-1 or M-1 Visa.

An exception to the college admission policy may be made for a pupil currently enrolled in grades 6-8 who has been certified as “highly gifted” by their school district. “Highly gifted pupil” means a gifted and talented pupil who has achieved a measured intelligence quotient of 150 or more points on an assessment of intelligence administered by qualified personnel or has demonstrated extraordinary aptitude and achievement in language arts, mathematics, science, or other academic subjects, as evaluated and confirmed by both the pupil’s teacher and principal. Highly gifted pupils shall generally constitute not more than one percent of the K-12 pupil population. (Reference Administrative Procedure 5011)

Students under the age of 18 without a high school diploma, or equivalent, who are not currently enrolled in a secondary institution, are not eligible for admission to Cuesta College. A denied applicant may make an appeal to the Superintendent/President, or designee.

Application

All students must complete and sign an official Cuesta College Admission Application (online with electronic signature or in print) to be admitted to the college. All information provided by the applicant on the admission application must be true and accurate as required by law. Students who are enrolling at Cuesta College for the first-time and students returning after an absence of a semester or more (not including summer) must submit an application available online at https://home.cccapply.org.

Applications are available beginning:

• October 1 for Fall Semester
• April 1 for Summer Session
• October 1 for Spring Semester

Residency Requirements

Admission of each student includes the determination of California State residency based on California Education Code 68017 and Title 5, Sections 54000-54072. A student who believes that their residency status is incorrect may challenge the non-resident status by completing the Statement of Legal Residence form and submitting it to Enrollment Services for review.

Resident Student: A resident student is one who has been a legal resident in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll, and who demonstrates the intent to remain a permanent California resident.

Students determined to be California residents are charged the California State Enrollment fee as set by the California Community College Chancellor’s office. (Education Code 68017)

Non-Resident Student: A non-resident student is one who has not had a legal residence in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll. Students determined to be non-residents are charged the non-resident tuition in addition to the resident enrollment fee.

A non-resident student may be eligible for an approved non-resident tuition exemption when the appropriate documentation is presented to Enrollment Services. Exemption to non-resident tuition exists when the appropriate documentation is presented for any one of the following:

AB540 Nonresident Tuition Exemption

Under Senate Bill 68, a student (other than a non-immigrant alien) is exempt from paying nonresident tuition at the California Community Colleges if the student meets all of the following four requirements, as applicable:

SECTION 1B: PAGE 1 cuesta.edu 03/2020
Requirement 1: Attendance at California schools.

This requirement may be met in either of the following two ways:

- Total attendance (or attainment of credits earned) in California high schools, California high schools established by the State Board of Education, California adult schools (established by a county office of education, a unified school district or high school district, or the Department of Corrections and Rehabilitation), campuses of the California Community Colleges, or a combination of these; or
- Three or more years of full-time California high school coursework, and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.

Full-time attendance at:

California community college means either 12 units of credit per semester (or quarter equivalent per year) or a minimum of 420 class hours per year (or semester or quarter equivalent per year) in non-credit courses authorized by Education Code section 84757. Attendance in credit courses at a California community college counted towards this requirement shall not exceed a total of two years of full-time attendance.

California adult school means a minimum of 420 class hours of attendance for each school year in classes or courses authorized by Education Code section 41976, or Penal Codes sections 2053 or 2054.2.

Requirement 2: Completion of a course of study.

This requirement may be met in any of the following ways:

- Graduation from a California high school or equivalent.¹
- Attainment of an associate degree from a California community college.
- Fulfillment of the minimum transfer requirements established for the University of California or the California State University for students transferring from a California community college.

Requirement 3: Registration.

 Requires registration as an entering student at, or current enrollment at, an accredited institution of higher education in California.

Requirement 4: Affidavit of student without lawful immigration status.

Students without lawful immigration status must file an affidavit with their college or university stating that the student has either filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

The exemption is not available for students who are absent from California, and are taking distance education classes from California community colleges.

¹ Under Senate Bill 68, a “non-immigrant alien” within the meaning 8 U.S.C. § 1101(a)(15) is not entitled to claim the exemption. These provisions identify a number of categories of visitors to the United States who have a form of temporary lawful status, but do not intend to establish residency.

² Within the meaning of paragraph (15) of subsection (a) of Section 1101 of the United States Code.

³ California General Educational Development (GED), High School Equivalency Test (HiSET), Test Assessing Secondary Completion (TASC), and California High School Proficiency Examination (CHSPE).

Other Nonresident Exemptions

- Full-time credentialed employee of a California public school enrolling in college for purposes of fulfilling credential-related requirements;
- Seasonal agricultural worker for at least a total of two months of each of the past two years;
- Full-time employee, or spouse, or dependent of a fulltime employee of any of the following college/universities: California Community Colleges, California State University, University of California, or Maritime Academy.
- Applicants, under the age of 19, who have lived under the direct care and control of an adult, other than a parent for two years immediately preceding the resident determination date; and such adult has for the year immediately preceding the residence determination date, had California residence.
- A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)] shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students. The requirements on the VACA Act are listed under the Veterans category. (Education Code 68130.5)

Programs with Additional Admission Requirements

Admission to impacted specialized programs may require the completion of a program admission application and Chancellor’s recommended and Board-approved admission requirements. Current program admission requirements are published by the respective program and made available on the Cuesta website. The Admission criteria, process and application for specialized programs are valid for the current application cycle only.

Dual Enrollment Students (Enrichment)

An eligible enrichment student must possess an approved Permit to Enroll to enroll in specified advanced scholastic or vocational courses. Cuesta College has defined advanced scholastic or vocational coursework as work that is transferable to a four-year institution and/or meets vocational degree or certificate requirements. The Permit to Enroll must be completed by the student’s current school Principal, or approved designee, identifying the specific course, or courses. The Permit to Enroll is approved by the student’s parent, or legal guardian, and by the student. The Permit to Enroll is then submitted to the Cuesta Registration Office for processing. Enrichment Students, grades 9-12, may enroll in Cuesta College courses on a space available basis and will be required to meet all of the following enrollment requirements:

- Demonstrate the ability to benefit from advanced scholastic or vocational coursework as determined by the student’s principal, or designee;
- Satisfactorily meet all course prerequisites;
- Meet the age requirement of any age-restricted courses, posted on the Cuesta web site, for which the student seeks to enroll, or successfully petition for authorization to enroll;
- May enroll in up to a maximum of eleven point nine (11.999) approved credits during the fall and spring semesters and a maximum of nine (9.9) approved credits during summer session;
- Enrichment students are prohibited from auditing courses;
Enrichment students are prohibited from enrolling in Kinesiology activity courses.

Cuesta College waives the enrollment and student representation fee for Enrichment students. Students classified as “non-residents” of California who meets all requirements of Administrative Procedures 5011, shall be exempt from paying nonresident tuition including the California resident enrollment fee. All other fees will be assessed. This exception does not apply to F1/M1 Student Visas. Students receiving this exemption do not receive resident status for the purpose of tuition or financial aid. Students should finalize their residency status in California.

**Age Restricted Course Appeal Process:**
An Enrichment student who does not meet the age requirement of an age restricted course may petition to enroll in the course. The petition must be completed by the student and submitted to the relevant division for approval. The instructor and division Chair signatures are required for approval. Denial of a petition is final.

**International Students**
International students must complete the International Admission Application, and the Cuesta College online admission application to receive a form I-20. A $100 processing fee must accompany the International Student Application. This fee is subject to change pending Board of Trustee’s approval. The student may then apply to his or her embassy to obtain the F-1 visa to study at Cuesta College.

Applications periods are:
- **Spring Term:** October 1 – December 1
- **Summer Session:** April 1 – May 1
- **Fall Term:** January 1 – July 1

International students must meet the following requirements before an I-20 can be issued:
- Certificate of Financial Responsibility providing evidence of ability to pay ability to pay nonresident fees and has sufficient financial resources for personal care, housing, and educational costs for the duration of their studies at Cuesta College to maintain a minimum of 12 credits a semester;
- Proof of English proficiency through 1) Test of English as a Foreign Language (TOEFL iBT) or 2) International Language Testing System (IELTS)
  - TOEFL required minimum Internet based score of 61, computer based score of 173 or paper based minimum of 500;
  - IELTS required minimum overall band score of 6 on the Academic Exam;
- Official Transcripts: Students must provide certified transcripts of academic records achieved during all prior high school or college attendance. Official college/university transcripts must be submitted as a Comprehensive Report in original, unopened envelope translated (if applicable) and evaluated in English from ACEI or NACES (National Association of Credential Evaluation Services) member.
- Tuberculosis Clearance Certification which includes a certificate of negative skin test or chest x-ray for tuberculosis completed within one year;
- Copy of valid passport.

F-1 students currently attending another accredited post secondary institution in the United States may apply to transfer their I-20 to Cuesta College. Transfer students must complete the following:
- Submit a Cuesta College Admission Application.
- Submit an International Student Application.
- Submit a copy of your I-20.
- Submit a copy of your F1 Visa.
- Submit an official letter from the school that issued your I-20:
  - √ Verifying you are in good academic standing
  - √ Authorizing attendance at Cuesta College
- International students, who have been issued an I-20 and have received an F-1 Visa to study at Cuesta College, must attend an in-person international student orientation by the first week of classes.
- Students, who received an I-20 to attend Cuesta College, but never enroll in the term, will be reported to US Immigration and Customs, within 30 days of the start of term. This reporting invalidates their I-20 and F-1 Visa. Students who are “no-shows” must reapply to Cuesta College.

Note: Cuesta College reserves the right to deny admission to an international student who is not in good academic standing at their current institution.

**ASSESSMENT/PLACEMENT**

What is Placement?
English and math placement assists students with appropriate course selection and may be used to satisfy mandatory course prerequisites. First-time college students are expected to participate in the placement process prior to registering for courses. Final official high school transcripts should be submitted to the Cuesta College Records Office along with the transcripts from any other colleges attended.

**AB 705 and AB 1805**
Two new assembly bills relating to assessment and placement were recently passed. These bills, AB 705 and AB 1805, highlight evidence suggesting that community colleges are placing too many students into remediation and significantly more students would complete transfer requirements in English and math if enrolled directly in these courses. Because of this, students must be given access and informed of their rights to access transfer-level coursework in English and math. In addition, placement methods must include one or more of the following: high school coursework, high school grades, and high school grade point average (GPA). Cuesta College uses all of the above measures to place students.

**English and Math Placement**
In accordance with AB 705 and AB 1805 regulations, students can do one of the following to place into an English or math course:
• New! Complete the Online Orientation – now incorporates English and math placement

• Pass the AP Language or Literature Composition Exam or the AP Calculus or Statistics exam with a score of 3 or above

• Earn a “C” or better grade in an English or Math course taken at another college or university AND submit a copy of college/university transcript

For more information on these placement options, visit: https://cuesta.edu/student/studentservices/assessment

**English as a Second Language Placement**

For information regarding English as a Second Language (ESL) placement, please visit: https://www.cuesta.edu/admissionsaid/apply/esl/english/index.html

Special accommodations are given to students with verified disabilities according to California Education Code Title 5 regulations. Accommodations are made on an individual basis and must be made prior to ESL testing through the Disabled Students Programs and Services Office. For more information, call Disabled Student Programs and Services (DSPS) at (805) 546-3148 (SLO campus) or (805) 591-6215 (NC campus) or visit the DSPS office on either campus. In order to receive examination accommodations for assessment testing as a qualified DSPS student, prior verification of disability is required.

Eligibility rules for intercollegiate competition are prescribed by the Constitution of the Community College League of California and its California Community College Athlete Association (CCCAA). In order to participate in intercollegiate sports, the student:

• Must be registered for classes including athletic course no later than one month after the beginning of the semester;

• Must be enrolled in and regularly attending 12 credits or more;

• After the first season of competition, must complete 24 semester credits or 36 quarter credits before the second season of competition in any one sport, including credits earned during the first season of competition;

• Once a student becomes an athlete, he/she must maintain a 2.0 GPA and pass at least 6 units in the preceding term in which the student is enrolled as a full-time student to be eligible for additional seasons of sports;

• Must have a Student Educational Plan (SEP) on file.

These regulations are subject to change by conference officials and by the Community College League of California.

Athletic eligibility is determined in the Enrollment Services (Admissions and Records) Office. Questions may be referred to the Director of Enrollment Services (Admissions and Records) or the Vice President of Student Services (or designee).

Cuesta College Athletics offers a Program Assisting Student-Athlete Success (PASS), which provides confidential, professional, and voluntary assistance to support students in dealing with issues that may be adversely affecting their academic, athletic, or personal performance. Educational programs are provided to offer preventive information, to assist in identifying problems, and to promote the general well-being of student athletes. Appropriate referrals for assistance will be made to campus and community resources.

The PASS program consists of six components:

• Academic Advisement
• Academic Status
• Learning Assistance
• Student Athlete Success Class
• Scholarship Recognition
• Personal Development

Athletes who intend to transfer and compete at a four-year college or university should consult Counseling Services regarding eligibility, degree, and transfer requirements.

Cuesta College Bookstore operates as a service to Cuesta College students and the community by making available books and instructional supplies required for course work. In addition, the store maintains a wide selection of college supplies, clothing, and other merchandise that contribute to the general educational experience of the student.

The Cuesta Bookstore is a self-service operation open at posted hours. Textbooks go on sale the first day of registration for the following term. Personal checks, VISA, Discover, or Mastercard are accepted for payment with photo identification. Books may be purchased on-line at http://bookstore.cuesta.org.

Refunds and exchanges are limited to one week from the start of the fall and spring semester, and one week from the start of summer session. The store buys back used textbooks year round. Other services include textbook rentals, school rings, nursing pins, graduation caps and gowns, and college insignia items.
BUSINESS &
ENTREPRENEURSHIP
CENTER
(Services to Business and Industry)
Location: SLO campus, Building 6800, (805) 546-3188.

The Business & Entrepreneurship Center (BEC) program works with private, public and nonprofit resources to build strong, sustainable and successful businesses. The result is wealth creation, job creation and retention and better economic health in California.

By partnering with local, well-respected business growth organizations and community colleges, the BEC and the entrepreneurs they serve can tap into an abundance of resources and the know how already in place, thereby enhancing the long-term growth and viability of these companies. The BEC program supports local economic development corporations, chambers of commerce, community-based business outreach centers and other community-based organizations whose primary mission is to assist small businesses.

The BEC Primary Objectives Include:

Conduct community research; create targeted special projects and services that address the unique needs of the region. The BEC will collect and analyze community data and evaluate the economic needs of the region.

Target existing business clients and/or industry sectors most likely to create economic impacts and retain jobs. Clients and/or industry sectors should also have the potential to achieve significant increases in sales investment, and to boost regional economic wealth.

The BEC will provide fee based-technical assistance (i.e. advanced business consulting services) to regional businesses, industry sectors, city & state agencies, and chambers of commerce thereby, to promote and support growth of the regional economy. Areas of expertise include:

- Marketing Strategies
- Marketing Research
- Strategic Planning
- Growth and Investment Strategies
- Access to Capital
- Financial Analysis
- Operations Analysis
- Operations Management & Improvement
- Customer Service
- E-Commerce
- Economic Research and Analysis
- Business and Contract Law
- International Trade

The Director of Business & Entrepreneurship Center at Cuesta also serves as the Deputy Sector Navigator (DSN) for the Small Business Sector in the South Central Region. The role of the DSN for the Small Business sector, is to create alignment around workforce training and career pathways and coordinate the delivery of training programs in their local area and throughout the region. As the regional liaison, the DSN for the Small Business Sector will communicate sector related best practices to the region, promote sector related careers to K-14, identify new courses in entrepreneurship and/or stackable credentials, and foster faculty professional development.
CALWORKS

The Cuesta College CalWORKs program provides support, services, and resources to CalWORKs recipients to gain self-sufficiency through education and work experience. To qualify, students must be receiving cash aid for themselves, not just their children. Students will receive priority registration, job placement, and academic, personal and career counseling.

Students must meet the following criteria in order to be eligible for CalWORKs services:

- The participant/student and at least one dependent must be currently receiving cash aid (CalWORKs/TANF) from the Department of Social Services (DSS). Student may be receiving cash aid and expecting a child or receiving cash aid with a child receiving SSI.
- Enrolled or planning to enroll in Cuesta College classes for the current or following semester.
- Cal-Learn participant attending college as part of Cal-Learn activities.

CalWORKs offers a variety of services to assist students in achieving their educational and employment goals with a focus on transitioning off cash aid to long-term financial self-sufficiency.

- Guidance applying to Cuesta College, completing financial aid paperwork, and registering for classes
- Coordination with Social Services for educational supplies and supportive services
- Assistance meeting Welfare-to-Work (WTW) or Self-Initiated (SIP) plan requirements
- Case management
- Advocacy and education about Rights and Responsibilities
- Access to Priority Registration
- Academic and career counseling
- Development of a resume and a job search portfolio
- Employment to meet required work activities through work study or job placement
- Open computer lab with printing and copying
- Referrals to additional supportive services, on or off campus
- Academic success coaching and in house tutoring

CAMPUS POLICE

The Mission of the Cuesta College Police Department is to assist the education process by providing a safe and secure learning environment for students, staff, faculty, and visiting members of the community through education, safety, and service.

We offer a wide range of everyday services in addition to law enforcement responsibilities. These services include:

- Parking permits and campus information
- Escorts
- Stranded motorist assistance
- Medical response
- Crime prevention information
- Campus Safety presentations
- Fingerprint services
- Lost and Found property
- Building unlocks

In cases of emergency, we provide immediate response as well as situational warnings and updates through the MY ALERT notification system. This service is for all students, staff, and the community. To sign up for the service, go to MyCuesta and look for the MY ALERT logo. We also provide Early Warning notices of any criminal assaults or other acts that could pose an immediate threat to anyone on campus.

Please feel free to contact the Cuesta College Police Department for additional information or assistance by calling (805) 546-3205 or by emailing us at ccpd@cuesta.edu.

Each October 1st, the Cuesta College Police Department is required to publish an Annual Security Report in compliance with federal law and the Jeanne Clery Act. This report details the prior three years of reportable crime statistics on all Cuesta College properties, as well as important campus safety information, crime reporting procedures, and information about the Cuesta College Police Department and our available safety services. To access this report, please visit the following website: https://www.cuesta.edu/about/depts/publicsafety/clery_act.html

CAREER CONNECTIONS
(Employment Services & Job Placement)

Career Connections provides a centralized location where students can identify and receive information about available jobs and internships in the community as well as access to job search resources available at Cuesta College. These services include postings of job openings at local businesses as well as interviews and formal or informal meetings with local businesses.

Career Connections also offers students access to practical workplace experience that relates to their educational and career goals. A variety of workshops and orientations are provided throughout the year, as well as online resources and an annual job fair open to students and the community.

Career Connections also provides a centralized location for local businesses to post job openings, conduct interviews, and meet with students on a formal or informal basis.

CHILDREN’S CENTERS

The Cuesta College Children’s Centers programs are laboratory schools that support students in many fields of study and offer hands-on experience in early learning classrooms. Cuesta College has two children’s lab programs, at the San Luis Obispo campus, and at the North County campus in Paso Robles. These programs are licensed, planned, facilitated, and operated by Early Childhood Education professionals.

Our Early Care and Education programs are open Monday – Friday, 7:30 am – 5:15 pm (5:00 pm for Toddlers) with an evening preschool program from 3:30-9:00 pm available at our SLO center. We follow the campus academic calendar, closed for national holidays, campus holidays, and during semester breaks. We are licensed for children from 18 months to five years of age.

We have an ongoing wait list that families may sign up for when their child is 6 months old. Each semester we re-enroll current families then begin to fill spaces from the waitlist. Waitlist families will be called in order of priority.

Priority for Enrolling:

1. Pell Eligible Student - CCAMPIS Participant (Full Time, ¾, Part Time)
2. Full Time Day Student
3. Part Time/Online Student
4. Faculty and Staff
5. Community at Large
6. To inquire about the children’s programs and to add your child to our waiting list, please visit our website at https://www.cuesta.edu/student/resources/childrenscenter/index.html. In addition to our waiting list you will find information about our philosophy, fees and policies.

Enrollment Process (for families already on the waitlist):

1. Tour the Center, Meet the Classroom Teacher and read Parent Handbook
2. Fill out Contract, Pay Enrollment Fee and Pick Up Enrollment Packet
3. Turn in Completed Enrollment Packet and Participate in New Family Orientation
4. Confirm Start Date with Director and Teacher

The Cuesta College Children’s Programs are fee based (check the website for fee plans). We offer financial assistance through the CCAMPIS grant, that is awarded to PELL eligible students. Additional assistance may be available through the Community Action Partnership of San Luis Obispo (CAPSLO) Child Care Resource Connection. For more information please call CCRC and ask about the subsidized child care program. (805) 541-2272.
In addition to the Children’s Lab School, CAPSLO operates Head Start (serving children ages 3-5) and Early Head Start (serving children ages 6 weeks to 3 years) Programs at the San Luis Obispo campus. To find out about hours of operation, eligibility and the waiting lists for these programs, please call CAPSLO at (805) 544-4355, or call these programs directly. For the Early Head Start program (805) 546-3100, extension 2642, and for the Head Start Program (805) 546-3100, extension 2638.

COMMUNITY PROGRAMS

Location: SLO campus, Building 4700, (805) 546-3132

Cuesta College Community Programs provides a comprehensive source for lifelong learning, career education, recreation opportunities, and cultural development in a friendly, accessible environment for people of all ages and interests. For more information call (805) 546-3132, FAX (805) 546-3107, or visit https://www.cuesta.edu/communityprograms.

Cuesta’s community education, special events, recreation programs and aquatics classes serve four essential functions in the college district:

- To contribute to the cultural, intellectual, recreational, and social life of the residents of the District, and to offer training for workforce improvement.
- To develop leadership and provide educational services which utilize special skills, interests, and knowledge of college faculty and other professional community instructors.
- To be a center of community life by scheduling college facilities and services on an extended and year-round basis for individuals, families, and community groups.
- To collaborate with community groups, county organizations, and businesses in developing programs and educational services for comprehensive coverage of the district.

COOPERATIVE EDUCATION WORK EXPERIENCE

Cooperative Work Experience provides students the opportunity to earn credits for working, either in a general job or one related to their major/career path. This program allows students to apply knowledge and skills gained in college courses to an actual work setting as well as acquire and affirm critical employability and workplace competency skills. Faculty Advisors guide students in accomplishing specific, measurable, and attainable job objectives with the purpose of becoming productive employees and gaining career awareness. For more information about Work Experience and program requirements, call (805) 546-3252.

COOPERATIVE AGENCIES AND RESOURCES FOR EDUCATION (CARE)

Location: SLO campus, The CaFE Center, Room 3142, (805) 546-3144. North County Campus Center, CaFE Programs, N1000/N1100, 2nd Floor, (805) 591-6214.

Cooperative Agencies Resources for Education (CARE) is a state-funded program to assist students 18 years or older who are single head of households. You must be accepted into the EOPS program, receive cash aid from the Department of Social Services, and have at least one child. Once accepted into the program you will be eligible for grant monies to help cover child care and transportation costs.

CARE Eligibility:

- Apply for financial aid and be accepted in the EOPS program
- Must be currently receiving TANF (Temporary Aid to Needy Families)
- Must be at least 18 years old and a single head of household

CARE Services:

- Academic and personal counseling to develop coping strategies to meet the added demands of school and home
- Invitations to workshops which address the specific concern and issues that affect single parents
- Grant aid monies to help cover child care and transportation costs

Cooperative Agencies and Resources for Education (CARE), administered by EOPS, helps single CalWORKs/Temporary Assistance for Needy Families (TANF) parents by providing support activities related to parenting and student success. Services include referrals to support services, a child care/transportation grant, and workshops for single parents.

COUNSELING SERVICES

Location: SLO campus, Library Building 3100, Room 3131, 1st floor, Windows 7 & 8; (805) 546-3138. North County Campus Center, N1000/N1100, 2nd floor, (805) 591-6225. South County Center 900 Wing, Room 913, Arroyo Grande High School, (805) 474-3913.

The Counseling Department provides counseling instruction, and services that assist individuals in attaining their educational, occupational, personal, and life goals. As an integral part of the educational community, they advocate for diversity of culture and learning. The Counseling Department promotes the emotional well being of the Cuesta community by fostering a nurturing environment where all feel connected, engaged, and valued.

Counselors are master’s level professionals who are trained to provide personal, academic, and career counseling services. Counselors assist students in determining, analyzing, and understanding their interests, aptitudes, abilities, limitations, and opportunities. Counselors are also skilled in providing personal counseling assistance to students as it relates to achieving their educational objectives.
Counselors can help you with:

• Academic degree planning
• Academic probation and dismissal
• Academic problems
• Career planning and exploration
• College assessment and placement
• Community referrals
• Course selection
• Crisis Intervention
• Development of a Student Education Plan (SEP)
• Graduation requirements
• Information about programs offered at Cuesta College
• Schedule changes
• Study and note-taking strategies
• Strategies for managing stress, anxiety and depression
• Test anxiety & time management
• Transfer planning

Counselors are available to meet with students by appointment or on a walk-in basis.

Counseling Appointments:
During a counseling appointment, students may identify their educational goals and develop long term academic comprehensive plan. Students are expected to complete a comprehensive SEP upon completion of 15 credits.

Counseling appointments and information are offered in the following modalities:

Scheduled Appointments:
To make an appointment, call or stop by the Counseling Office located on the campus (San Luis Obispo, North County Campus or South County Center) where you want your appointment to take place:

Appointments are scheduled one to three weeks in advance. Please call to verify daily hours.

The best time to schedule an appointment is mid-semester (September/October for Fall; February/March for Spring)

*If you have transcripts from other colleges, please make sure that the Enrollment Services (Admissions and Records) Office has received OFFICIAL copies before you schedule a counseling appointment. AP Math and/or English scores are also required (scores of 3 or higher) before an appointment will be made.

Walk-In Counseling:
Walk-in counseling is limited to 15 minute appointments (offered on a first-come, first-served basis) and is appropriate for:

• Referral to campus and community services
• Short term academic planning
• Informational quick questions
• Emergency problem solving

NOTE: Evaluation of transcripts from other colleges will require an appointment.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

Hybrid Appointments (Phone & email)

* You must complete a FERPA form BEFORE scheduling a hybrid appointment

eAdvising: e-mail a Counselor your brief questions

Orientations:
MANDATORY Online Orientation
The Cuesta College online orientation is designed to help students get off to a good start, learn about the requirements for a certificate, Associate Degree, and transferability, as well as policies and procedures of the college. New students are expected to complete the online orientation which walks them through choosing their classes, building their schedule, managing their time and registering for classes according to their educational pathway. Within the online orientation, students will complete an abbreviated Student Education Plan (SEP). Visit https://cuesta.edu/student/studentservices/orientation/index.html for more information.

OPTIONAL In-person myCuesta Orientation
myCuesta Orientations are offered during the summer months and are facilitated by Cuesta College counselors. These sessions are available to answer students questions and to help them select classes for their first semester at Cuesta. Please call the Cuesta College at (805) 546-3952 for dates and to reserve a spot. Sessions fill quickly.

English as a Second Language (ESL)
Application/Evaluation/Orientation/Registration
New students in the English as a Second Language (ESL) program must take the ESL assessment. Students will receive their evaluation results and class recommendations immediately after taking the tests. Visit the assessment testing calendar for upcoming test dates or call (805) 546-3941 (SLO) or (805) 591-6273 (NCC).
CUESTA PROMISE

What is the Cuesta College Promise?

The Promise is a scholarship program available to all San Luis Obispo County high school graduates. Beginning in the Fall of 2018, the Promise offers all local graduates - who come straight to Cuesta following their graduation - two years of attendance fee-free (two consecutive fall and spring semesters).

What fees does the Promise pay for?

The Promise covers these costs for the fall and spring semesters:

- Enrollment ($46 per unit)
- Health ($19)
- ASCC Student ID Card ($10)
- Student Center ($10)
- Student Rep ($1)
- Course Materials Fees (fees indicated in the course description on Class Finder; does not include books or items the instructor requires in his/her syllabus)

The Promise will pay for all unit fees, whether a student is full or part-time.

How do I qualify for the Promise?

All graduates from San Luis Obispo County high schools, who earned their diplomas between the dates of July 1, 2019 – June 30, 2020, including students who receive their GED or are home-schooled, must attend Cuesta College’s Fall 2020 semester. Qualifying students must follow the application process and deadlines below:

1. Submit your Cuesta College Fall 2020 admissions application: October 1, 2019 - June 1, 2020
2. Submit your scholarship application (Apply by priority deadline, March 2, 2020 to be considered for additional scholarships): October 1, 2019 - June 1, 2020
3. Complete the FAFSA or the Dream Act application: October 1, 2019 - June 1, 2020
4. Complete the Cuesta College online orientation: March 1, 2020 - June 1, 2020
5. Register for your classes: April 2020 - June 1, 2020
6. The Promise is yours! Check your email for announcements and updates

What if I want to take a break and not attend the second consecutive year at Cuesta, can I still get the second year free when I decide to come back later?

No, you must return to Cuesta for the next consecutive year in order to qualify for the second-year fee-free.

What happens if I miss the deadlines?

You won’t be eligible for the Promise Scholarship.

I’m not a senior this school year. Will I be able to get the Promise in the future?

Yes! The Cuesta College Foundation has established an ongoing fund so that the Promise will be around for future generations of SLO County high school students. Just remember: after you graduate, you must attend Cuesta College the Fall semester immediately following your commencement to obtain the Promise Scholarship.

Do I qualify for the Cuesta Promise Scholarship if I earned a GED, graduated from a home school or passed the CHSPE between July 1, 2019 and June 30, 2020?

Yes. If you are a San Luis Obispo County resident and earned your GED, graduated from a home school or received your CHSPE results between July 1, 2019 and June 30, 2020, and you indicated this on your Cuesta College admissions application, you qualify for the Promise.

What if I received the Promise in the Fall – do I need to do anything extra to get it in the Spring?

No. Just register for classes and your fees will be paid.

What if I received the Promise for Fall 2019 and Spring 2020 – do I need to do anything extra to get it for Fall 2019 and Spring 2020?

You will need to meet the following academic requirements to qualify for year two fee-free:

- Complete more than 50% of the units attempted in the Fall 2019 and Spring 2020 semesters
- Earn a Grade Point Average (GPA) of 2.00 or higher during the Fall 2019 and Spring 2020 semesters
- FAFSA or Dream Act by August 1, 2021.

If you meet these requirements, simply register for classes and your fees will be paid.

What should I do if I don’t see my high school listed on the Cuesta College admissions application?

If you do not see your high school on the Cuesta College admissions application, please email promise@cuesta.edu to ensure that your high school or home school qualifies for the Cuesta Promise Scholarship and find out if you will need to submit a Promise Appeal.

What should I do if I am being charged out of state tuition?

Double-check that your residency status is correct with Enrollment Services. If it is not, then you may need to fill out a Statement of Legal Residence or California Nonresident Tuition Exemption request. More information available at www.cuesta.edu/student/studentservices/admrreg.

How do I check the status of my Promise application?

You can check the status of your Promise application in the same place you check your financial aid status. http://www.cuesta.edu/student/documents/financial_aid/FA_Status_Checklist.pdf

Once I’ve completed all the requirements, when will I be awarded the Promise?

Cuesta begins awarding the Promise each year in May. When you’ve been awarded, you will receive an email in your myCuesta email account and be mailed a congratulatory letter to your home address. You can also double check your account balance in myCuesta to see if the fees have been paid!

(Find it in myCuesta: Student Tab > Direct Links to Registration Services > “Pay Fees/View Account”)

What if I think I’ve done all of the requirements, but I don’t see the Promise on my student account?

Double-check that you have completed all of the requirements and allowed enough time for those changes to be processed. If you still don’t see the Promise on your student account, please email promise@cuesta.edu for assistance.
DISABLED STUDENT PROGRAMS
AND SERVICES (DSPS)

Location: SLO campus, Building 3300 (1st floor), (805) 546-3148. North County campus, Building N3200/3100, Room N3121 (1st floor), (805) 591-6215. South County Center at Arroyo Grande High School, (805) 546-3148

Note: South County or distance education students should contact the San Luis Obispo DSPS Office for assistance. Services are available by appointment at the South County Center and via phone or video conferencing for distance education students. Parking in handicapped parking spaces requires a state issued placard through the Department of Motor Vehicles.

Disabled Student Programs and Services (DSPS) provides academic accommodations and services for students with disabilities in compliance with State and Federal legislation including Section 504 and 5-8 of the Rehabilitation Act of 1973, and the Americans with Disability Act Amendments Act (ADAAA) and California Education Code Title 5. Students who have a verified disability qualify for academic accommodations and services through the Disabled Student Program and Services (DSPS) department. Student participation in the DSPS program is voluntary. Academic accommodations and services are designed to support students that are enrolled in the achievement of their academic and vocational goals. DSPS advocates and facilitates equal educational opportunities through appropriate support services, curricula, instruction and policies. DSPS works to eliminate discrimination against students with disabilities and to promote their independence, growth, productivity and equality.

DSPS Application Process:
1. Complete online application for services:
   - DSPS Application for Services: https://www.cuesta.edu/student/services/dsp/dsp_application.html

2. Have a licensed professional complete the Verification of Disability Form: https://www.cuesta.edu/student/documents/dsp_docs/VOD_updated_11-2018.pdf and upload with your application or upload other appropriate documentation with your application.

NOTE: If you are an incoming High School Student, please submit your most recent Individualized Education Plan (I.E.P.) or 504 along with your Psych Ed Evaluation or Triennial Report.

A Disability Specialist will review your application for DSPS Services along with your disability documentation to determine eligibility for services. A letter regarding your eligibility will be sent to you via your my.cuesta.edu email address.

DSPS Services:
Support services are specialized services available to students with disabilities and are in addition to the regular services provided to all students. Such services enable students to participate in activities, programs, and classes offered by the college. Please note, all accommodations are individualized and must be supported by documentation. The following are examples of our most common accommodations and not necessarily those every student receives. Services may include, but are not limited to priority registration, assistive technology and alternate media, sign language interpreters and listening devices for students who are deaf or hard of hearing, peer note takers, test taking accommodations, digital recorders, use of specialized equipment and adaptive devices and counselor to discuss your disability-related classroom needs.

Extended Opportunity Program and Services (EOPS) is a California state-funded program that provides an accessible and rewarding college experience to low-income students facing social, economic, and educational disadvantages. The program was established in 1969 by the California Legislature with the goal to provide access and educational equity for community college students.

To qualify, a student must:
- Be a California resident or Dream Act Student;
- Qualify for the California College Promise Grant (CCPG);
- Be enrolled as full-time student at Cuesta;
- Have completed less than 70 units of college work;
- Be educationally disadvantaged, as determined by the EOPS criteria.

Services available for eligible students:
- Career, academic and personal counseling
- A book voucher to help with the cost of textbooks
- EOPS/CARE lending library
- Priority registration
- Registration assistance
- Assistance with completing financial aid applications
- Workshops
- Referrals to tutorial services and community resources
- Network with four-year institutions
- Annual social activities
FINANCIAL AID

Asistencia Financiera Se habla Español: (805) 546-3100 ext. 2322 o (805) 591-6202.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- **FAFSA application**: at: www.fafsa.gov
- **Financial aid orientation**: https://launch.comevo.com/cuesta-fa
- **Financial aid application process**: https://www.cuesta.edu/student/studentservices/finaid/appprocess/index.html
- **Check your financial aid status at your myCuesta portal**: https://login.cuesta.edu
- **US Department of Education**: https://studentaid.gov
- **Cost of attendance estimates**: https://www.cuesta.edu/student/resources/cashier/cost_of_attendance.html

Financial aid programs are available to help students who might otherwise be unable to complete their education. Students may apply for financial aid in the form of grants, fee waivers, student loans, work study and scholarships.

To maximize the financial aid that you will receive at Cuesta, please follow these steps:

1. **Fill out the FAFSA online** (https://studentaid.gov/h/apply-for-aid/fafsa)
   - Make sure you have tax information for the preceding year ready. If possible, use the IRS Data Retrieval Tool to transfer data from the IRS directly into your application.
   - If you are a dependent student, one of your parents must sign the FAFSA.
   - Be sure to enter Cuesta’s Federal School Code (001192) in the school data section.
   - Allow for one week for your application information to arrive at the schools you listed on the FAFSA.
   - Apply before March 2 if you want to apply for a Cal Grant or Cuesta Scholarship.
   - If you or your family need help filing the FAFSA, contact the Financial Aid Office for assistance.

2. **Submit a GPA Verification form** to the California Student Aid Commission (if necessary)
   - New applicants for Cal Grants—including entering freshman—must submit some form of GPA verification to CSAC and complete a FAFSA by March 2.
   - If you have completed 24 degree applicable units at Cuesta, our Enrollment Services (Admissions and Records) office will submit your GPA verification electronically by the March 2 and September 2 deadlines every year.

   Transfer students with units at other California community colleges need to:
   1. Provide official academic transcripts to Cuesta College’s Enrollment Services (Admissions and Records) office at least two weeks prior to the GPA submission deadline; AND
   2. Turn in a GPA verification form to the Enrollment Services office so that we can electronically submit your GPA data to CSAC (see link below)

   - If none of the situations above apply to you, you can have your GPA verified by a college where you have completed 24 degree applicable units or by your high school (if you have not completed 24 degree applicable units at a college).

3. **Apply for the Cuesta Scholarship Program** and any outside scholarships (https://cuesta.academicworks.com/)
   - Cuesta Scholarship applications are due March 2 of every year
   - Outside scholarships have varying due dates and eligibility criteria, so do your research into scholarships early!

4. **Complete any documents** required by the Cuesta College Financial Aid office
   - Make sure you read, review and complete the terms and conditions in your myCuesta portal.
   - Check your financial aid status on the myCuesta portal to see if our office is requesting any additional documentation. The “student requirements” page will contain links to the forms that we require from you.
   - If you want to apply for a student loan and you are a first time borrower, you must complete an online student loan workshop.
   - Turn any requested documents into the Financial Aid office as soon as possible. Do not wait until the semester has started or your aid will be significantly delayed!
   - Once you have submitted all requested documents, your file will be reviewed within 1-3 weeks.
   - If you need any assistance with completing your application, please contact the Financial Aid office at (805) 546-3143 or e-mail us at finaid@cuesta.edu

5. **Choose a disbursement option** (“refund preference” through the BankMobile website (http://bankmobiledisbursements.com/refundchoices/)
   - This choice determines how excess funds (e.g. financial aid, reimbursement for previous payment, etc.) will be sent to you.

FINANCIAL AID POLICIES

Congress has established policies and procedures that are used throughout the nation in determining a student’s ability to pay for college. The basis of these policies is the belief that students and their families have the primary responsibility for meeting educational costs. The amount of the contribution expected from students is determined by careful analysis of the family’s financial strength, taking into consideration a number of factors, including adjusted gross income, family size, the number of dependents attending college, allowable expenses, and assets.
**DEPENDENCY STATUS**
Dependent students are required to provide data for both themselves and their parents, while independent students are required to provide data for themselves and their spouses (if married).

In order to be considered an independent student, a student must:

- Be at least 24 years old or turn 24 during the first portion of the academic year;
- Be married on the day you file your FAFSA;
- Be a parent and be able to financially support your child;
- Have dependents other than your spouse who live with you and who receive more than half their support from you at the time you apply;
- Be an orphan (both parents have deceased);
- Be (or were until age 18) a ward or dependent of the court;
- Be currently serving on active duty in the U.S. Armed Forces for purposes other than training;
- Be a veteran of the U.S. Armed Forces;
- Be a foster child or in foster home sometime after the age of 13;
- Be an emancipated child as determined by a court judge; OR
- Be homeless or at risk of homelessness as determined by the director of a HUD approved homeless shelter, transitional program, or high school liaison.

If none of the above criteria apply to the student, then the student is considered to be a dependent student—even if the student can claim themselves on their taxes.

In unusual circumstances—such as abandonment, parent’s incarceration, or an abusive family environment—the Financial Aid Office has the authority, through Section 480(d)(7) of the Higher Education Act, to change a student’s status from dependent to independent. If you feel your circumstances warrant a change in dependency status, please contact the Financial Aid Office for more information.

**FAFSA**
Cuesta recommends use of the Free Application for Federal Student Aid (FAFSA). This single application allows aid administrators to determine your eligibility to receive the Board of Governor’s fee waiver, Pell Grant, Supplemental Educational Opportunity Grants, Federal Work Study, Cal Grants, Direct Loans, and many scholarships.

A separate FAFSA must be filled out for each academic year. The application is made available online (https://studentaid.gov/h/apply-for-aid/afasa) starting on October 1st of each year.

**CALIFORNIA STUDENT AID PROGRAMS**

**The California College Promise Grant (CCPG)**
The CCPG (formerly known as the “Bog Fee Waiver”) waives enrollment fees for California residents who are eligible under one of the following methods:

**Method A**
A student is eligible under Method A if they:

- Received TANF, CalWORKs, SSI, or General Assistance payments in the last two years (2018 or 2019 for the academic year 2020-2021);
- Are a dependent student and one of their parents received such assistance;
- Are determined to be an unaccompanied youth who is homeless or at risk of being homeless;
- Have certification from the California Department of Veterans Affairs or the National Guard Adjutant General stating that the student is eligible for the waiver;
- Are a recipient—or the child of a recipient—of the Congressional Medal of Honor;
- Are a dependent of a victim of the September 11, 2001 terrorist attack; OR
- Are a dependent of deceased law enforcement or fire suppression personnel who were killed in the line of duty.

**Method B**
Eligibility is based on household size and total family income (adjusted gross income plus all other untaxed income).

**Method C**
A student is eligible under Method C if the student has completed a FAFSA or California Dream Act Application for the correct academic year and they are determined to have a financial need of $1,104 or greater. Financial need is determined by subtracting the estimated family contribution from the student’s cost of attendance budget.

**Loss of CCPG Eligibility**
If you have been on either academic or progress probation for two consecutive terms, you will lose your eligibility to receive the CCPG. You will be able to regain eligibility by:

- Improving your GPA/course completion in order to meet academic and progress standards;
- Not attending Cuesta College for two consecutive primary terms (Fall & Spring or Spring & Fall); OR
- Filing a successful appeal due to extenuating circumstances.

**NOTE:** Foster youth and former foster youth (age 24 years and younger) are not subject to loss of the CCPG under these regulations.

**Cal Grants**
The Cal Grant program is designed to help low-income California residents with the costs of pursuing undergraduate education at California institutions. There are two programs that are available to Cuesta College students: Cal Grant B and Cal Grant C.

- Cal Grant B provides a living allowance (and sometimes tuition/fee assistance) for low-income/disadvantaged students with high potential.
- Cal Grant C assists vocational students with tuition and training costs. Students must be enrolled in an eligible vocational program at Cuesta College from four to twenty-four months in length.
In order to apply for a Cal Grant, students must complete the FAFSA or California Dream Act Application for the upcoming year by March 2.

California Chafee Grants for Foster Youth (https://chafee.csac.ca.gov)

Chafee grants provide up to $5,000 a year to youth who are or were in the foster care system.

To qualify, a student must be a current or former foster youth who has not reached his/her 26th birthday as of July 1 of the award year. Additionally, the court must have established the student's dependency status between the ages of 16 and 18.

To apply, complete both the FAFSA and the online California Chafee Grant Application available at https://chafee.csac.ca.gov/

AB-540 Students

Students who have AB-540 status are eligible for a number of financial aid programs that are ordinarily restricted to California residents:

- California College Promise Grant (CCPG)
- Cal Grant B Community College Transfer Entitlement Award
- Cal Grant C
- Extended Opportunities Programs and Services (EOPS)

To apply for these programs, students must complete the following:

- Submit the California Dream Act Applicati (https://dream.csac.ca.gov/) by March 2.
- Submit the non-SSN GPA verification form to the California Student Aid Commission (if necessary) by March 2.
- Complete the EOPS application. (For application and deadline information, contact the EOPS office at 546-3144)

INSTITUTIONAL AID

In addition to government funding, Cuesta College offers two institutional sources of financial aid: the Cuesta College Scholarship program and the ASCC Book Loan program.

Cuesta College Scholarship Program (https://cuesta.academicworks.com/users/sign_in)

This program, made available through private donors, offers over 200 scholarships to current Cuesta students and incoming freshmen. Each scholarship has its own set of eligibility requirements, but students only have to fill out one application.

To apply for the Cuesta College Scholarships, please complete both the FAFSA and the online scholarship application prior to March 2 of the award year.

ASCC Emergency Book Loan

The Associated Students of Cuesta College created this program to assist students who have not yet received financial aid but need to purchase books. Vouchers are used in the bookstore to cover up to $300 of textbooks. This program opens the week prior to the Fall and Spring terms and closes at the end of the first week of classes.

In order to be eligible for an emergency book loan, a student must:

- Be enrolled in at least six units
- Submit a FAFSA
- Purchase an ASCC ID card for the current term
- Have the means to repay the loan without using financial aid to do so

To apply, please contact the Financial Aid office in the week prior to the Fall or Spring term.

FEDERAL STUDENT AID PROGRAMS

General Eligibility Requirements

In order to receive federal student aid under any of the programs listed below, a student MUST:

1. Be a U.S. citizen or an eligible noncitizen;
2. Have a valid Social Security Number;
3. Have a high school diploma or a General Education Development (GED) certificate (if you are a home school graduate, contact the financial aid office);
4. Enroll in an aid-eligible program as a regular student seeking an associate degree, transfer degree, or certificate;
5. Register with the Selective Service* (if male);
6. Make satisfactory academic progress (see our SAP policy below);
7. Not be in default or delinquency on federal education loans, or owe any federal grant money to any institution;
8. Not be ineligible due to convictions for any offense involving the possession or sale of illegal drugs while receiving Title IV federal financial aid;

*All male U.S. citizens (and eligible noncitizens) between the ages of 18 and 26 must register with the Selective Service.

Federal Pell Grant

The Federal Pell Grant program provides aid to eligible students with financial need to cover educational expenses. The amount that one receives is based primarily on the student's expected family contribution and the number of units in which the student is enrolled. For the 2019-20 award year, the maximum annual Federal Pell Grant award is $6195. Under the new “year-round Pell” initiative, additional funds may be available in summer on a case-by-case basis.

<table>

<td>Half time (6 – 8.5 units)</td>
<td>$3048</td>
</tr>
<tr>
<td>Less than half time (less than 6 units)</td>
<td>$1524</td>
</tr>
</tbody>
</table>

A student is only eligible to receive Pell Grant for the equivalent of 12 semesters at full-time enrollment status, regardless of the dollar amount of those awards.

NOTE: Pell Grants do not require repayment as long as the student remains in the same number of units that they were at the time of the first disbursement of the year. However, students that drop classes after the time of the first disbursement may be required to pay back the difference between the amount that they were paid and the amount for which they qualify after reducing their number of units.

Federal Supplemental Educational Opportunity Grant (SEOG)

Limited funding is awarded to Pell Grant recipients with the highest need.
Federal Work Study (FWS)
Federal work study awards allow students to find jobs on campus and in the community that are paid out of a fund. Students must meet all of the eligibility requirements for federal student aid and be enrolled in at least six units (as locally required for student employment during primary terms by administrative procedure 7201.1).

The William D. Ford Federal Direct Loan Program
This government program offers low-interest loans to eligible students who are enrolled in at least six units. There are two types of student loans: subsidized and unsubsidized.

Subsidized Direct Loan
The federal government subsidizes (pays) any interest that student loans accrue while the students are still enrolled in school at least half-time.

Unsubsidized Direct Loan
Students are required to pay the interest while they are in school. Interest payments may be deferred while the student is in school, but the accrued interest will be capitalized.

Interest rates and loan origination fees are not published in this catalog as they are subject to change after the date the catalog will be published. Although the interest rate varies from year-to-year, the loan will be fixed at that rate once it has been originated. For the latest information on interest rates, visit this webpage: https://studentaid.gov/understand-aid/types/loans/interest-rates

Repayment begins six months after students graduate, withdraw from school, or drop below half-time enrollment status.

New legislation limits eligibility for Direct Subsidized Loans to 150 percent of the length of the student's academic program for new borrowers beginning on or after July 1, 2013. The 150 percent change means students in a two-year program will be eligible to receive subsidized student loans for the equivalent of three years. Note that the federal subsidy can be lost in some cases where a student moves from a longer academic program to a shorter academic program.

First-time borrowers are required to complete the online Student Loan Workshop as part of their entrance counseling.

Federal Direct Parental Loans (PLUS)
Parents of dependent students may apply for a Direct PLUS Loan to help pay their children's education expenses as long as certain eligibility requirements are met.

For more information, please visit: https://studentaid.gov/understand-aid/types/loans/plus

SATISFACTORY ACADEMIC PROGRESS (SAP)
Cuesta College has recently revised its Satisfactory Academic Progress (SAP) Policy to promote the academic planning and success of its students with financial need. In order to receive federal financial aid, students must make satisfactory academic progress as defined in this policy. The Financial Aid Office checks your progress using the standards detailed below at the end of each term. It is your responsibility to meet these standards.

Note: All periods of enrollment will be evaluated regardless of whether or not financial aid was received. Additionally, federal regulations require that any courses excluded from GPA by an academic renewal process must be included in the SAP review.

ATTEMPTED UNITS AND COMPLETION RATE
For the purposes of SAP calculations, attempted units include all units in which a student has enrolled regardless of whether or not they finished the class or received a grade for their work. Courses that are dropped prior to the census date will not be included, but any course that receives a grade of W or FW will be included in the calculation.

In order to retain eligibility for financial aid, a student must complete 67% of their overall attempted units.

aid being revised and/or reinstated. If a student wishes to contest a
appeal, a student must:
1. Complete all of the steps indicated in the instructions for the
correct academic year and term;
2. Attach a personal statement that explains the reasons for the
student's inability to meet SAP standards and how that situation
has been resolved;
3. Provide official documentation (third-party confirmation of
the situation, ideally from a professional source like a doctor,
counselor, instructor, etc.) of any circumstances mentioned in
the personal statement;
4. Attach a student attendance and progress report, if appeal is
submitted after certain points in the term (see instructions for
details).

Appeals must be complete and submitted by the end of the term in
which you are appealing for. Appeals that arrive after a term has been
completed will be considered for the upcoming term only. We cannot
review retroactive appeals.

SAP "RESET" POLICY
Students who have changed their major or program of study are able
to have their SAP eligibility re-calculated solely on the basis of grades
and units that are applicable to their current program. A student may
receive such a “reset” only once during their time at Cuesta. A “reset”
is not guaranteed. Students still need to complete the new program
within a reasonable amount of time for federal funding. The maximum
timeframe at Cuesta to complete a degree and receive financial aid is
132 units.

However, students that have been accepted into certain programs
may be eligible for an additional reset. In order to receive an additional
"reset", a student must file a SAP appeal and be enrolled in a program
that satisfies the following conditions:
1. The program has its own admissions process separate from that
used by Cuesta College at large.
2. Students in the program progress through a set of mandatory
coursework across multiple terms.

Examples of programs that would currently qualify for a “reset”:
Registered Nursing, Licensed Vocational Nursing, and Psychiatric
Technician.

Once an additional “reset” has been granted, no further resets will be
allowed.

COURSE REPETITION
For financial aid purposes, courses may be repeated consistent with
district academic standards, as identified in the college catalog.
Eligible for federal student aid? | Eligible for BOG fee waiver? | Description / Notes
---|---|---
Satisfactory (SAT) | Yes | Yes | Student is meeting all SAP standards.
Warning | Yes | Yes | Student failed to meet one or more of the SAP standards. Students only receive one warning term. If students fail to meet all SAP standards by the end of their warning term, they will be placed on suspension.
Suspension (UNSAT) | No | Yes | Student has failed to meet SAP standards for two consecutive terms. Students on financial aid suspension may regain eligibility for financial aid by:
1. Filing a successful SAP appeal if there are extenuating circumstances; OR
2. Attending classes without financial aid until they meet all SAP standards. This method is known as “reinstatement.”
Probation (PLAN) | Yes | Yes | Student has submitted a SAP appeal which was subsequently approved. Student must adhere strictly to the following rules or they will be disqualified:
1. Pass all attempted classes. No W, F, NC, FW or incomplete grades are allowed.
2. Earn a GPA better than 2.0 for the term.
3. Only take courses that count towards the student’s declared goal (as indicated in the myCuesta Pathway application, excluding unnecessary electives if student has attempted excessive units).
Students on probation status who follow the above rules will have their eligibility extended at subsequent reviews in the same academic year.
Students on probation status who do NOT follow the above rules will be disqualified from receiving federal financial aid at Cuesta and will not have any subsequent appeals approved unless catastrophic circumstances can be documented.
Students must file a new appeal every academic year regardless of any prior appeal approvals.
Disqualified (DISQ) | No | Yes | Student was on probation, but did not adhere to the rules listed above. Student may not appeal again unless the probation plan was not met due to catastrophic circumstances (death in family, hospitalization, incarceration, etc.) that can be documented by the student.
Student may receive financial aid in the future if they work on their own to meet all SAP standards (reinstatement).

However, all repeated units will count toward Maximum Time Frame. Students may receive financial aid for repeat course work which they have previously passed only once.

There is an exception for courses which require repeats. Students taking a required repeat course should work with the Financial Aid Office to ensure those credits are counted appropriately for financial aid eligibility. Students may need to provide documentation regarding the requirement to repeat.

FINANCIAL AID ELIGIBILITY FOR REMEDIAL AND ESL COURSEWORK
Students are allowed to receive financial aid for remedial units if the remedial classes are a prerequisite for entrance into a regular college program. Financial aid cannot be received for more than 30 attempted units of remedial classes. Remedial units must be taken in recommended sequence.

ESL coursework must be part of an eligible program of study to receive financial aid. ESL coursework is not an approved program in itself. A student enrolled in ESL classes, who is not in an eligible program of study, is not eligible for federal student aid.

| Evaluation of ESL Coursework in a SAP Review |
|-----------------------------|-----------------------------|-----------------------------|
| | Quantitative (67% completion rate, cumulative) | All ESL courses are included in the determination of whether students meet this standard. |
| Maximum Time Frame (Total attempted units) | No ESL courses are counted towards the maximum time frame standard. |

TRANSFER CREDITS
All transfer credits that Cuesta evaluators have determined will count toward the student’s current program will also be included in the calculation of overall attempted and completed hours. They will not be included in the calculation of overall GPA.

ROUNING
At Cuesta we do round up in our SAP calculations, if your completion rate is .6665, it will round up to 67%.

FEDERAL RETURN OF TITLE IV FUNDS POLICY
Title IV (federal student aid) recipients who withdraw completely before completing 60% of the term for which the student has been charged will be required to return a portion of the Title IV funds they received. The return amount will be calculated using the number of days the student attended in the given term and the total number of days in the given term.
Cuesta College is committed to creating a safe and inclusive space for all students to learn and for all staff to work. Cuesta embraces and celebrates diversity and the belief that every individual on our campus contributes to our community.

Cuesta College offers a variety of resources to ensure that all members of the college community are valued and served with dignity and respect, regardless of sexual orientation or gender identity. As a certified Hispanic-serving institution, our LGBTQIAP+ resources also aim to support the needs of the Latinx community.

LIBRARIES

The Cuesta College Libraries support the educational programs of the college. Books, periodical subscriptions and audiovisual materials are closely coordinated with curriculum offerings. Holdings include general education and career and technical education materials, and other resources for updating and increasing skills and knowledge.

Comparable services are provided to distance education students and students at off-site locations. The library's catalog and periodical databases are online, and accessible around the clock to all students with Internet access. An increasing portion of the library collections, including e-books, streaming videos, and virtually all journal content, is digital and available online.

To assist students and community residents with their informational and research needs, librarians are available at the Reference desk and via telephone, email, and live chat whenever the library is open. College librarians hold advanced degrees and as part of the college faculty teach research and information literacy skills and help students locate the best resources for their educational needs.

Library facilities include areas for studying, photocopying, computer use, viewing audio/visual materials, and library instruction. Comfortable surroundings invite collaborative and group study; browsing, reading and viewing materials; and provide a quiet place for contemplation and learning.

To borrow library materials, students must show photo identification. Community residents must show a current I.D. with local street address to use a courtesy library card.

Open computer labs on the San Luis Obispo and the North County campuses are provided for academic use. Workstations are equipped with most software taught at Cuesta so that students can work on class projects outside of scheduled lecture and lab times for their courses. There is a general use lab on the San Luis Obispo and North County campuses in each Library. Smaller and more specialized labs are also available on a more limited basis.

MONARCH CENTER / CENTROS MONARCA

The Monarch Center provides a welcoming and safe place where undocumented students and their families can gather and feel safe, valued and supported. The center facilitates access to Cuesta’s programs and services as well as local and State resources to assure the personal and academic success of the undocumented students and
their families. The Monarch Centers are a place where diversity and all cultures are embraced and celebrated.

CONTINUING EDUCATION
NONCREDIT COURSES (ADULT EDUCATION)

Cuesta College's Continuing Education Program offers students of all ages access to a variety of noncredit courses and certificates that can assist them in reaching their educational, personal, and professional goals. Noncredit courses provide students with lifelong learning, basic skills, and college and career readiness.

To make the classes and programs more accessible, classes are offered throughout the district at all three campuses, as well as communities throughout the county.

The classes may vary in length and time to meet the needs of diverse students. Although some classes are tailored for a specific student constituency, all classes are open to the public. There are no repeatability restrictions on noncredit courses. No enrollment fees are charged for the noncredit classes. A materials fee may apply. Students who take classes on the San Luis Obispo or North County campus will be required to purchase a parking permit.

Noncredit courses and certificates of completion and competency are offered in Adult Basic Education, English as a Second Language, Vocational English as a Second Language, Career Technical Education, and Workforce Preparation and community, life and work skills for adults with disabilities.

Student Services
Admissions and Registration
For Noncredit-Adult Education offerings, admission and registration is completed with noncredit support staff. Students may register for most courses at any time during the semester, on a space available basis. However, enrollment in ESL and/or Adult Basic Education courses REQUIRE assessment and orientation prior to registration. For more information, contact (805) 591-6273.

Assessment
Basic Skills and ESL students must be assessed prior to enrollment. Placement testing is offered year-round. Multilingual assistance is available. For more information, contact (805) 591-6273.

Adult Basic Education students are assessed prior to enrolling in courses. Additional assessments are available for specific needs. Basic skills assessment services include testing for academic skills levels, learning strengths, and career goals. For more information, contact (805) 591-6273.

Orientation
Basic Skills, ESL, and Workforce Preparation students must attend an orientation session prior to registration.

Counseling and Advisement
Educational advisement services for noncredit students are available throughout the semester through the Continuing Education Office. The Noncredit Program provides counselors and educational advisors to serve noncredit students. Noncredit student support services include development of Student Educational and Career Plans, identification of personal, academic, and career goals, career skill practice and resources, transitioning to credit programs, and assessment of special needs. For more information, contact (805) 591-6273.

Fees and Expenses
There is no tuition for noncredit courses. However, all students who park on the Cuesta College campus must have a valid, current parking permit. Students parking permits may be purchased at the Public Safety Office. One-day parking permits may be purchased at various parking lots on campus. Books and supplies needed for a class are the responsibility of the student.

ONLINE SERVICES AND DISTANCE EDUCATION

Distance Education courses are those in which the instructor and student are separated and interact through the assistance of communication technology. They are offered as “fully online” (with no required on-campus sessions), “hybrid” (51% or more online) or “blended” (less than 51% online). The full definition of Distance Education, and the means by which the college verifies student identity in distance education courses, is contained in the district’s Administrative Procedure 4105 (https://www.boarddocs.com/ca/cuesta/Board.nsf/goto?open&id=ADLRG-96DE548). Courses offered through Cuesta College’s Distance Education program are equivalent to the classroom-based version in course content, textbooks, required assignments, exams, study time, etc. The only difference is the method in which the course is delivered.

Students in Distance Education courses are able to access support services such as counseling, tutoring, technology help desk, and library services remotely.

PREREQUISITES/CO-REQUISITES

Prerequisites, co-requisites, and advisories are intended to enhance a student's chance of success in a desired course. If a student does not meet prerequisites or co-requisites for a course, as listed in the class schedule, the student may not be allowed to enroll or remain enrolled in that course. Successful completion of a prerequisite or co-requisite course is achieved by a final course grade of "C" or better.

Current Cuesta Students

Cuesta students enrolled in prerequisite courses at the time of registration for the upcoming term will be allowed to enroll in the next level course without knowing the final grade in their current course. A grade of "C" or better must be earned in the prerequisite course to meet the prerequisite requirement. Students that do not successfully complete prerequisite courses will be administratively dropped from the higher level course once grades are final and have been posted.

Transfer Students

Coursework from another college must be completed and the student needs to have earned a grade of "C" or better before the course can be used to clear a prerequisite requirement. Students must submit a Prerequisite Clearance Form which can be found below. Official transcripts need to already be on file at Cuesta or submitted with your request.

Prerequisite Clearance Forms:
FORM A: Prerequisite Clearance and/or English, English as a Second Language, and/or Math Placement Request can be used to clear prerequisite requirements with coursework completed at an institution other than Cuesta.

FORM B: Prerequisite/Co-Requisite Course Challenge can be used to clear prerequisites that have been met through means other than
Prior Prerequisite/Co-requisite Clearance Required Before Enrolling in:

Examples of when to submit FORM B:

- Student has knowledge or ability to succeed in the course despite not meeting the prerequisite such as assessment placement, knowledge, certification, licensing, work experience, or other criteria presented by the student that satisfy the prerequisite.
- The prerequisite is discriminatory or applied in a discriminatory manner.
- The Prerequisite approval is in violation of Title 5 regulations or Cuesta College District Policy.
- The prerequisite course has not been made “reasonably available” as defined by Cuesta College.

FORM C: Physics Prerequisite Evaluation Form can be used to determine if a physics course taken at another college meets a physics prerequisite requirement at Cuesta. Student is responsible for attaining the appropriate signatures from the Physical Science Department Chair before prerequisite clearances can be processed.

How to Submit Completed Prerequisite Forms:

FORM B/C - Submit in one of the following ways:
- Scan and email to prerequisites@cuesta.edu
- Fax to Prerequisites Office at (805)546-3905
- Mail to Cuesta College Admissions & Records, P.O. Box 8106, San Luis Obispo, CA 93403-8106.
- Hand deliver to Admissions & Records Office in the Student Services Building on San Luis Obispo Campus (Building 3100) or the Campus Center on the North County Campus (2nd Floor, Building N1000/N1100).

- Student Life and Leadership Activities Calendar
- Housing Resource Information
- ASCC Agendas and Minutes
- Voter Registration

Student Life and Leadership may be found at https://www.cuesta.edu/student/campuslife/studentlife/index.html.

The purpose of the Student Life & Leadership program is to assist the student population in the development of programs that serve and actively involve a wide range of students. Opportunities for personal growth are extended to students through leadership courses and programs, clubs and organizations, and campus events produced by the students themselves.

Student Life and Leadership coordinates campus programs and services which include:
- Associated Students of Cuesta College (Student Government)
- Housing Resource Information
- Student Photo ID
- ASCC Social Club
- Clubs and Organizations
- Cultural Center
- Food Bank Distribution
- Food Pantry

Student Activities
Cuesta College’s student government develops a broad spectrum of activities, programs, and services for the student body. Its goals are to provide social contact, entertainment, and leadership opportunities for the campus community. Extracurricular activities foster a sense of unity among individuals, as well as among student groups pursuing specialized interests.

The complete planning and production of various events provide excellent experience for student leaders and enjoyable activities for all. Lectures, film series, forums, bands, community awareness programs, and seasonal and special events are all within the scope of student government sponsorship.

The broad array of student activities involves the educational experience of all members of the Associated Students of Cuesta College. Students plan and develop them and, by taking an active role, experience a personal satisfaction and growth beyond their academic pursuits.

An activities calendar may be found at: https://cuesta.edu/student/campuslife/studentlife/sllcalendar/index.html/?i=1

Associated Students of Cuesta College
The Associated Students of Cuesta College (ASCC) operates under regulations authorized in the California Education Code and in the policies of the Cuesta College Board of Trustees. The ASCC is the college’s official student government organization.

The ASCC is established to promote the general welfare of Cuesta College students; to guarantee equality of opportunity among students; to offer an experience in practice of the American democratic government; and to encourage student participation in, planning for, and involvement in a comprehensive program of student activities. It offers students opportunities to participate in social and cultural events, to share in governance activities, to interact with professionals, and to create and administer their own organizations and programs.
Student Organizations
The college and the ASCC grant recognition to campus organizations including honor societies, service and religious organizations, those with an ethnic/multicultural focus, and departmental and special interest groups. The varied types of clubs not only offer an opportunity for social life but also make a fine contribution to the development of student leadership. Membership and active participation in a reasonable number of these organizations are strongly recommended by the college.

STUDENT SUCCESS CENTERS

The Cuesta College Student Success Centers strive to:

• Promote the academic skills, learning strategies, and attitudes necessary for student success in all disciplines.
• Create a responsive, accessible, and learner-centered space for students to attain independent learning and achieve their personal, educational, and vocational goals.
• Support the instructional objectives of faculty by advancing the Student Success Centers as curricular extensions of the classroom.
• Enhance collaboration with the college community regarding the short- and long-term goals of the Student Success Centers.

This mission is fulfilled by offering the following learning and teaching assistance to students and faculty.

MATH TUTORING provides drop-in assistance to students needing help in MATH 003-MATH 265B. Computer access is available for students to work on Mediated Math, Minitab, StatsCrunch, Geometer's SketchPad, Derive, and other software. Located in Student Success Centers, Building 3300/3400 upstairs next to Library and downstairs Room 3304 (SLO) and Building N3129A (NCC). Stats Lab located in Rm 3301 (SLO). Please check the Student Success Centers’ website for full tutorial support schedules.

TUTORIAL SERVICES provides free drop-in/embedded tutoring in most academic subjects. Peer tutors are instructor recommended, have received a “B” or better in the courses they tutor and complete a tutor-training class during their first semester as a tutor. Tutors are trained to help students develop long-term learning strategies that facilitate independent learning. Tutoring is available in the Student Success Centers. For more information please visit: https://www.cuesta.edu/student/resources/ssc/index.html.

WRITING CENTER provides free writing assistance to students on a drop-in basis and is available to all students. Students meet with a peer tutor to have specific questions answered regarding structure and content. The Writing Centers are located inside the Student Success Centers at both campuses (Room 3304 at SLO and Room N3129 at NCC). Please check the Student Success Centers’ website for full tutorial support schedules.

NET TUTOR online tutorial support is now available to Cuesta students 24/7. Students may access online tutorial support in the following areas: Accounting, Anatomy and Physiology, Biology, Business, Chemistry, Criminal Justice, Economics, English, History, Math (all levels), Nursing, Physics, Political Science, Psychology, Spanish, and Statistics. Accessing Net Tutor is easy! To get started all you need is your myCuesta username and password. Please visit the Student Success Centers’ website to enter the Net Tutor portal, or click on the following link: https://www.cuesta.edu/student/resources/ssc/onlinetutoring.html

ACADEMIC SUCCESS COACHES support students individually and in small groups to develop the study skills, strategies, and mindset to become strong, independent, resource aware learners that are well adjusted to the rigors of college level academics. Topics addressed include: Time Management and Procrastination, Planning and Organization, Study Techniques for Memory, Focus and Concentration, Reading Comprehension, Use of Textbook Resources, Test-Taking Strategies, Research and Essays, Communicating with Faculty, Connecting with Student Services, and Healthy vs. Maladaptive Coping Strategies.

Using a strengths based approach, coaches address challenges as they arise for students and model critical thinking and proactive problem solving focused on the development of a growth mindset and the confidence to take accountability for learning and life success. Please visit the Student Success Centers website for more details.

TRANSFER SERVICES
The Transfer/Career Center has a wide variety of resources available to university bound students including college and university information, college search materials, major and career books, and study abroad brochures and catalogs. The center maintains information about university transfer requirements, the university application process, articulation agreements and transfer admission guarantee programs. In addition, the center provides internet access with links to assist students completing online admissions applications and researching colleges.

Appointments to meet with a counselor can be made three weeks in advance beginning the first working day of the week. Please call to verify daily hours.

Transfer/Career Center staff serve as liaisons to colleges and universities and advocate for students in the admission process. Center staff also coordinate university representative visits in which university outreach staff come to campus to meet with Cuesta College students individually.

Transfer Admission Guarantee (TAG programs) are commitments that selected colleges and universities make to Cuesta College students who meet specific credit, GPA, and course requirements. A TAG serves as a contract between the student and college or university. Students who have completed a TAG and have met contractual requirements are guaranteed admission.

Cuesta college now has transfer admission guarantees with the following universities:

• UC Santa Cruz
• UC Riverside
• UC Santa Barbara
• UC Davis
• UC Irvine
• UC Merced
• Arizona State University
• Columbia College
• Chapman University
• University of La Verne

Associate Degrees for Transfer (ADT). Please see Section 2A for information about ADTs.

Career Services
Career services are available to assist students in exploring and
clarifying their career goals, researching occupational fields, and making their educational plans accordingly. Students may make arrangements with Transfer/Career Services to attend a Career Workshop and use online resources to obtain information about specific occupations.

Transferring to California Polytechnic State University
Because admission to Cal Poly is highly competitive; it is strongly recommended that students work closely with a Cuesta College counselor to ensure they are well-prepared for Cal Poly's transfer selection process. Cal Poly's Transfer Selection Criteria vary by major and include completion of major-related and general education coursework, grades, and extracurricular activities and work experience. Students applying as upper-division transfers that have completed all required/desired coursework and have maintained a high GPA typically are more competitive in Cal Poly's transfer selection process. The Cal Poly Admissions website provides comprehensive information on their transfer selection process.

ASSIST
ASSIST (Articulation Subsystem Stimulating Inter-institutional Student Transfer) is a student-transfer information system available at www.assist.org. ASSIST displays reports describing how courses completed at a California Community College will be applied to an undergraduate degree at a California State University or University of California campus. As the official repository of articulation for California's public colleges and universities, ASSIST provides the most accurate and up-to-date information available about student transfer within the state of California. Students who are planning to transfer to a California State University or a University of California campus are encouraged to utilize ASSIST information (in consultation with a counselor) for important information about the transfer and articulation process.

Student Right To Know
In five decades of service to the community, Cuesta College has helped thousands of students reach a wide variety of educational goals, including improved foundational skills, transfer to a four-year institution, earned certificates or associate degrees and advancement in the work force.

In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Luis Obispo County Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2014, a cohort of all certificate, degree, and transfer students who have completed 60 semester units are evaluated. The cohort is maintained during the tracking period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cuesta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a completer is a student who attained a certificate or degree or became 'transfer prepared' during the three-year period from fall 2014 to spring 2017. The completion rate for Cuesta College's 2014-2017 cohort is 32.69%.

Based upon the cohort defined above, students who have completed 60 transferable units with a GPA of 2.0 or better are considered "transfer prepared." Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming "transfer prepared" during a five-semester period from spring 2015 to spring 2017 are transfer students. The transfer rate for Cuesta College's 2015-2017 cohort is 6.88%.

VETERANS’ SERVICES

Location: SLO campus, Veterans Resource Center, Building 3100, Room 3174, (805) 546-3142. North County Campus Center, N1000/N1100, Room N1008, (805) 591-6242.

Website: https://www.cuesta.edu/student/studentservices/veterans/index.html

Montgomery G.I. Bill® Education Benefits
Cuesta College is approved by the Veterans Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant’s eligibility for educational assistance.

All persons receiving educational benefits must personally contact the Veterans Coordinator after enrollment every semester to continue benefits. In addition, a Student Educational plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration
As our way of saying thanks for serving our country, Veterans receive priority registration. New students to Cuesta College must meet the requirements of a new matriculated student as defined in the enrollment priority section. Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserved, for any academic term attended at one of the California State University, California Community College, or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

Military Credit
Veterans can receive credit up to 12 credits for education experience in the Armed Services. For more information please refer to this website: http://www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx or see the Veterans’ Resource Center.

Possession of a DD214 will be substituted for Cuesta’s graduation requirements in Health Education and Diversity, for students pursuing a Cuesta Associate of Arts or Associate of Science (local) degree. In addition, as determined by the California State University (CSU), possession of a DD214 will be substituted for the CSU General Education Area E “Lifelong Learning and Self Development” requirement, for CSU transfer bound veterans. Veterans are given the choice to either apply their DD214 in satisfaction of these areas, or to complete an approved course for the area, based on personal preference.

Disabled Veterans
Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through Cuesta College Disabled
Students Programs and Services.

Veterans’ Dependents – War Orphans – Missing In Action – Prisoners Of War
Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability
The veteran/dependent student assumes full liability for any overpayment of veterans education allowance benefits.

The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant.

FAILURE TO TAKE THE PROPER CLASSES CAN RESULT IN THE REDUCTION OR TERMINATION OF BENEFITS.

Veteran/Dependent Student Academic Standing
Students will not be certified for enrollment if placed on Academic or Progress Dismissal status. If you have previously been placed on Academic Probation and have a grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Progress Probation and have 50% or more enrollment grades of “W”, “I”, or “NP” recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Tuition Policy
For Post 9/11 GI Bill® (Ch 33) students and VA Vocational Rehabilitation and Employment (Ch 31) students, our tuition policy complies with 38 USC 3679(e) which means Post 9/11 and Vocational Rehabilitation and Employment students will not be charged or otherwise penalized due to a delay in VA tuition and fee payments. For eligibility consideration, a Post 9/11 GI Bill student must submit a VA Certificate of Eligibility (COE) and a Vocational Rehabilitation Student must provide a VAF 28-1905 form. All persons seeking enrollment must meet the general admissions policies. Those seeking to use VA Education Benefits must submit all prior transcripts for a transfer evaluation and submit one of the following: 22-1990, 22-1995, 22-5490, or a 22-5495 to the VA.

Please Note: GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at https://www.benefits.va.gov/gibill/

Tutorial Services
Tutorial services are available to all veterans who meet established VA criteria.

Transcripts
All official transcripts of prior college work and military schools must be on file in the Records Office before registering for classes. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veterans’ Resource Center for necessary forms.

Credits Required for Entitlement of Benefits
The following number of credits is required each semester to certify students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans’ Resource Center for more information.

Veterans Access, Choice, and Accountability Act of 2014
(Choice Act)
A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)]) as stated in parts 1-4 of this bulleted item shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students.

1. A Veteran who lives in California (regardless of his/her formal state of residence) and enrolls in Cuesta College within three years of discharge from a period of active duty service of 90 days or more.

2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor’s discharge from a period of active duty service of 90 days or more.

3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member’s death in the line of duty following a period of active duty service of 90 days or more.

4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain “covered individual” status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC 568075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be “covered individuals” per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California. Eligibility determination is subject to the “Certificate of Eligibility” (COE) of the veteran or eligible dependent (who is made eligible through the Transfer of Entitlement [TOE] to basic educational assistance under Chapters 30 and 33 of Title 38, U.S.C.). The DD214, Certificate of Release or Discharge from Active Duty, of the qualifying individual may also be of assistance in confirming “covered individual” status as it shows the effective date of the veteran’s discharge from active service.

Withdrawal/Change of Classes
Veterans are required to notify the campus Veterans’ Resource Center when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification and will be considered a fraud with the Department of Veterans Affairs.
Students are held individually responsible for the information contained in the Cuesta College Catalog and in the Student Code of Conduct. Failure to read and comply with college Policies, Rules, and Regulations will not exempt students from whatever penalties they may incur.

The college reserves the right to make changes, additions and/or deletions to the Policies, Rules, and Regulations during the school year when deemed necessary by action of the administration and/or Board of Trustees.

BP 4030 ACADEMIC FREEDOM

References: Title 5 Section 51023, ACCJC Accreditation Standard I.C.7 ACCJC Eligibility Requirements 13 and 20, Ed Code 70902, AAUP 1940 Statement of Principles on Academic Freedom and Tenure

I. General Support of Academic Freedom

Cuesta College protects the academic freedom of students, staff, managers, and faculty; no limitations shall be placed upon the study, investigation, presentation, or interpretation of ideas. Cuesta College values the expression of a wide range of viewpoints and promotes creativity and innovation among its students, staff, managers, and faculty.

The current national standard for the definition of academic freedom was published by the American Association of University Professors (AAUP) in the 1940 Statement of Principles on Academic Freedom and Tenure, which was endorsed by the Academic Senate for California Community Colleges in 1996:

Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher or the institution as a whole. The common good depends upon the free search for truth and its free exposition. Academic freedom is essential to these purposes and applies to both teaching and research.

Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning.

Cuesta College upholds the following elements of academic freedom:

- the obligation of academics to ask difficult and meaningful questions and to pursue those inquiries wherever they may lead;
- the open and free exchange of ideas to support academic critical inquiry; and
- the protection of those who discuss, present, and research ideas that may be seen as controversial, obscene, unpopular, or challenging.

II. Specific Support of Faculty's Academic Freedom

Cuesta College shall support and protect every faculty member’s academic freedom from any adverse action or censorship. Cuesta College shall support and protect each faculty member’s academic freedom within, but not limited to, the following areas:

- College-wide Curriculum
  - Freedom to develop curriculum and instructional methods for academic programs and courses—including, but not limited to, course descriptions, course outlines, course goals, course objectives, and course standards—in accordance with college procedures that have been mutually agreed upon by the Governing Board and the Academic Senate and conform with state requirements and existing articulation agreements with other higher learning institutions.
  - Course Content
    - Freedom to select all content for their individual courses—including, but not limited to, texts, materials, labs, discussion topics, technology, videos, and assignments. Faculty will base their decisions on their professional training, expertise, and pedagogical practices. The approved Course Outline of Record, as developed from mutually agreed upon standards, shall provide the individual faculty with requirements and guidelines for each specific course.
  - Grades
    - Freedom to design assessment tools and methods, assess student performance, and serve as the final authority for the assignment of grades.
  - Research
    - Freedom to explore all avenues of scholarship, research, publication, and academic and/or creative expression within the classroom, college, and larger community, without institutional discipline or restraint.
  - Participatory Governance
    - Freedom to participate effectively in collegial and divisional governance.
    - Freedom to question and challenge, without fear of censorship or discipline, actions and ideas originating from within the institution.
  - Public Speech and Membership in Organizations
    - Freedom to speak or write publicly — free of censorship or subsequent discipline by the college — as a citizen on matters of public concern.
    - Freedom to associate with individuals or groups of one’s choice without fear of censorship or discipline.
  - Technology
    - Freedom to elect to what extent technology will be used to support achievement of course objectives.
  - Intellectual Property
    - Freedom to maintain ownership over creative, artistic, and research works, including, but not limited to, texts, materials, labs, discussion topics, and assignments. Cuesta College has commissioned a faculty member or members to produce a work for which said faculty specifically agree to relinquish intellectual property rights.
    - Freedom to maintain ownership over all academic work, including, but not limited to, items such as syllabi, assignments, exams, lectures, and content within learning management systems, unless Cuesta College has commissioned a faculty member or members to produce a work for which said faculty specifically agree to relinquish intellectual property rights.
  - Nota bene: Faculty in non-instructional positions have the same rights of academic freedom as instructional faculty.

III. Specific Support of Students’ Academic Freedom

Cuesta College shall support and protect every student’s academic freedom from any adverse action or censorship. Cuesta College shall support and protect each student’s academic freedom within, but not
limited to, the following areas:

- **Academic Ideas and Practices**
  - Freedom to explore all relevant avenues of scholarship, research, publication, and academic and/or creative expression within classes, the college, and larger community, without institutional discipline or restraint, as long as the exploration of said academic ideas and practices does not violate Cuesta College's Standards of Conduct.

- **Grades**
  - Freedom to exercise the right to be graded fairly and have a clear pathway toward a grade appeal.

- **Public Speech and Membership in Organizations**
  - Freedom to speak or write publicly—free of censorship or subsequent discipline by the college—as a citizen on matters of public concern.
  - Freedom to associate with individuals or groups of one's choice without fear of censorship or discipline.
  - Freedom to participate effectively in student leadership.
  - Freedom to question and challenge, without fear of censorship or discipline, actions and ideas originating from within the institution.

- **Intellectual Property**
  - Freedom to maintain ownership over creative, artistic, research, and academic works, including, but not limited to, written, graphic, photographic, video, and musical pieces, among others, unless Cuesta College has commissioned a student or students to produce a work for which said student or students specifically agree to relinquish intellectual property rights.

**ACADEMIC PROBATION AND DISMISSAL**

Students who earn unsatisfactory grades may jeopardize their enrollment and registration priority at Cuesta College. Academic achievement is monitored during the fall/spring semesters. A student is placed on academic probation at the end of a semester if the student's grade point average is less than 2.0, or "C average," on a four-point scale.

A student who earns less than a 2.0 GPA for two consecutive semesters is subject to dismissal from the college. For the purpose of this section, semesters are considered consecutive on the basis of the student's pattern of enrollment. For example, a student earning less than a 2.0 in fall 2017 and fall 2018 would be subject to dismissal if the student did not attend Cuesta during spring 2017. Dismissed students are not allowed to attend the subsequent semester.

Students are notified of their academic probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester.

Students on academic probation are required to participate in academic follow-up services designed to help students persist and succeed in their courses. Students on academic probation will be notified of required academic follow-up activities.

Students on progress dismissal must attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students who do not attend a reinstatement workshop will be blocked from enrolling and must "sit out" the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses. Reinstatement, or "sitting out" a semester, does not change the student's academic standing. Once a student's semester GPA is 2.0 (C) or higher the student will be removed from Academic Dismissal.

**PROGRESS PROBATION AND DISMISSAL**

Students who fail to complete courses in which they enroll may jeopardize their ability to enroll and their registration priority at Cuesta College. Academic progress is monitored during the fall/spring semesters. A student who has enrolled in a total of 12 or more credits at Cuesta College is placed on progress probation at the end of a semester if the percentage of all Cuesta College credits in which a student has enrolled, for which entries of "W," "I," and "NP" are recorded, reaches or exceeds 50 percent.

A student placed on progress probation for the third consecutive semester or session is subject to dismissal from the college.

Students are notified of their progress probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester.

Students on progress probation are required to participate in academic follow-up services designed to help students persist and succeed in their courses. Students on progress probation will be notified of required academic follow-up activities.

Students on progress dismissal must attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students who do not attend a reinstatement workshop will be blocked from enrolling and must "sit out" the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses. Reinstatement, or "sitting out" a semester, does not change the student's academic standing. A student on progress dismissal shall be removed from Academic Dismissal.

**ACADEMIC RENEWAL WITHOUT COURSE REPETITION**

Previously recorded substandard academic work may be disregarded in the calculation of a student's grade point average if the work is not reflective of the student's present scholastic level of performance.

1. Academic renewal may be applied to two distinct semesters/sessions of work and is a one-time irreversible option.

2. Academic renewal cannot be used to disregard prior academic credit or course work which has been applied toward an associate degree or certificate earned at Cuesta College.

3. For any semester/session in which course work is to be disregarded, substandard academic work in that semester/session will be disregarded, excluding satisfactory academic work.

4. If grade alleviation has already been applied two times for a course included in the requested semester/session to be disregarded, the course will not be eligible for academic renewal without repetition and will remain on the academic record. No more than two substandard grades may be alleviated from the calculation of the student's grade point average for a
The student must submit official (sealed) transcripts from all colleges or universities where course work was completed.

5. A period of at least one year must have elapsed since the completion of the work to be alleviated.

6. To alleviate course work, the student must have:
   a. Completed a minimum of 12 semester credits since the semester(s) to be alleviated with at least a 3.0 grade point average; or
   b. Completed 18 semester credits since the semester(s) to be alleviated with at least a 2.5 grade point average; or
   c. Completed 24 semester credits since the semester(s) to be alleviated with at least a 2.0 grade point average.

7. Recalculation of the grade point average will be used toward qualification for graduation with honors.

8. Academic standing for the semester/session(s) will be adjusted.

9. Permanent academic records will be annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic history.

The student initiates the request by filing a Petition for Academic Renewal without Course Repetition in Counseling Services. The petition must be signed by the student and counselor.

- The student must submit official (sealed) transcripts from all accredited colleges or universities where course work was completed.
- The Director of Enrollment Services (Admissions and Records) will make the final determination for academic renewal without course repetition.
- If academic renewal requirements are met, eligible courses will be alleviated from the student's permanent record.
- Calculation of the student's grade point average begins following the end of the first term being alleviated under academic renewal.

Alleviated course work will be annotated on the student's transcript with an "E" for exclusion with a notation of "Academic Renewal" and the substandard grade will be excluded from the student's grade point average calculation.

ATTENDANCE

Normal progress and successful completion of scholastic work depends upon regular attendance. Students are expected to attend all classes and laboratories for which they are registered. Instructors set an attendance policy for each class, and it is the student's responsibility to know and comply with each one. Instructors may drop a student from a class for infractions of the attendance policy. (To assure a seat in the class, students are advised to attend the first class session.)

It is the student's responsibility to officially withdraw from a course which the student is no longer attending. Failure to officially withdraw from a class may result in an "F" (failing) grade.

OPEN ENROLLMENT

All courses of the District shall be open to enrollment in accordance with Board Policy 5052 and a priority system consistent with AP 5055 titled Enrollment Priorities. Enrollment may be limited to students meeting properly validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the college matriculation process or appropriate college division.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the District, except as provided for in AP 5055 titled Enrollment Priorities except courses under Nursing and Allied Health programs, Dual Enrollment - CCAP Program courses offered at a high school site and for classes offered to inmates in city and county jail, or state or federal correctional facility that restrict enrollment.

Students are not required to participate in any pre-registration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in AP 5055 titled Enrollment Priorities and where enrollment is restricted for Nursing and Allied Health programs, Dual Enrollment - CCAP Program courses offered at a high school site during regular school day, and for classes offered to inmates in city and county jail, or state or federal correctional facility.

A student may challenge an enrollment limitation on any of the following grounds:

- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The District is not following its enrollment procedures;
- The basis for the limitation does not in fact exist.

A student may challenge an enrollment limitation by following Administrative Procedure 5055.

COURSE LOAD

A full-time student is a student who is enrolled in a minimum of 12 credits per semester/session. Students enrolled in fewer than 12 credits are considered to be less than full-time. Students are limited to a maximum of 19 credits during the fall and spring semesters (nine credits during the summer session), including both day and evening classes. To take more than the maximum number of credits, a student must have an outstanding academic record and must obtain approval from a counselor before registering.

COURSE REPETITION POLICY

Repeatable Course

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

- The student may petition to enroll in two sections of the same repeatable course if the length of the course is such that a student may enroll in two or more sections of the same course during the same period without being enrolled in more than one section at any given time.
- A student may repeat a course designated as a repeatable course including variable credit open-entry/open-exit courses up to the maximum number of allowed repetitions for that course.
- No more than two substandard grades may be alleviated within the allowable repeat limits for a repeatable course. If a course is repeated two or more times, the first two substandard grades will be excluded in calculating the student's GPA.
- Course repetition will not be allowed in a repeatable activity course beyond the maximum number of allowed repetitions for the course, which may be no more than three (3) semester/sessions.

Non-Repeatable Course

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

- Substandard Grade - a grade of "D+," "D," "D-," "F," "NP," or "NC."
• A student will be permitted to retake a non-repeatable course in which a substandard grade or “W” was earned one time without a petition.

• If a student has earned a second substandard grade or “W” in a course, the student must agree and sign a Third Enrollment Agreement to be released to register for the third repetition of a course.

• Each non-repeatable course in which a substandard grade has been earned may be repeated two times only for grade alleviation unless such repetition is provided by District policy. The repeated course must contain the equivalent credit value or higher. The previous grade and credit will be disregarded in calculation of the student’s grade point average even if the previous grade was higher.

• Satisfactory Grade – a grade of “A,” “A-,” “B+,” “B,” “B-,” “C+,” “C,” “P” or “CR.”

• A course in which a satisfactory grade was received may not be repeated unless such repetition is provided for in the official course description or by District policy.

Limitations on Withdrawal (“W” symbol)
Each non-repeatable course in which a “W” has been earned may be repeated for a maximum of two times. The student may earn no more than three (3) withdrawals in the same course.

• Military withdrawals (“MW”) do not count against the “W” withdrawal limit.

• A student who has previously earned a maximum of three (3) withdrawals for a course that has a petition approved to repeat may only earn a satisfactory or substandard grade for the course. The student may not earn an additional “W” symbol unless the student demonstrates extenuating circumstances to justify an additional withdrawal for the course.

Petition to Repeat
Students may submit a “Petition to Repeat a Course” under certain circumstances as provided by Title V, California Code of Regulations and Cuesta College Board Policy. Petition approvals are reviewed by the Office of Admissions & Records, the North County Campus Dean, or designee.

Significant Lapse in Time: A student may petition to repeat a course, one time, and if no less than 36 months have elapsed, where a satisfactory grade of “C” or better was earned if:

• The District has established a recency prerequisite for a course or program;

• Another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course. Repetition may be allowed where less than 36 months have elapsed if the student documents that repetition is necessary for the student’s transfer to the institute of higher education.

• When a course is repeated pursuant to this section, the previous grade and credit will be disregarded in computing the student’s grade point average.

Disabled Student Accommodation
A student may repeat a special class for students with disabilities any number of times as required as a disability-related accommodation under the following circumstances:

• When the student’s continuing success in other general and/or special classes is dependent on additional repetitions of a specific special class; or

• When additional repetitions of a specific special class are essential to completing a student’s preparation for enrollment into other regular or special classes; or

• When the student has a student educational plan which involves a goal other than completion of the special class in question and repetition of the course will further achieve that goal.

• The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Legally Mandated Training
A student may repeat a course any number of times as required to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

• The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Significant Changes of Industry or Licensure Standards
A student may repeat a course any number of times as a result of a significant change in industry or licensure standards such that repetition of the course is necessary for employment or licensure.

• The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Extenuating Circumstance – Prior Substandard Grades
A student may petition to repeat a course, one time, based on extenuating circumstances in a prior enrollment in which three (3) substandard grades have been earned. Extenuating circumstances are cases of documented, verifiable circumstances beyond the student’s control.

• The previous grade and credit will be disregarded in computing the student’s grade point average if either a substandard or satisfactory grade is earned.

Extenuating Circumstance – Prior Satisfactory Grade
A student may petition to repeat a course, one time, based on extenuating circumstances in a prior enrollment in which a satisfactory grade has been earned. Extenuating circumstances are cases of documented, verifiable circumstances beyond the student’s control.

• The previous grade and credit will not be included in computing the student’s grade point average each time the course is taken.

EDUCATION TAX CREDIT INFORMATION
An Education Tax Credit benefit is available to Cuesta students who enrolled in credit courses and were charged eligible fees. In compliance with the Taxpayer Relief Act (TRA) of 1997, Cuesta College will provide a 1098T form to eligible students enrolled in a given calendar year (spring, summer, and fall). The 1098T form reports eligible fees charged within the given calendar year.

Eligible fees include: Enrollment Fee, Student Center Fee, Non-Resident Fee, and Material Fee. A 1098T will not be produced for students whose eligible fees were waived or who received financial aid in an amount greater than eligible charges. Each January, 1098T forms are mailed to the students’ permanent addresses on file with Cuesta at that time.

Students are encouraged to keep payment receipts to confirm the amount of fees paid during each calendar year, regardless of the term of enrollment.

If you have questions about the TRA’s Hope Tax Credit and Lifelong Learning Credit:
Consult your tax preparer

ENROLLMENT PRIORITIES

All courses of the District shall be open to enrollment to all eligible students, subject to an established enrollment priority. Enrollment also may be limited to students meeting properly validated prerequisites and co-requisites, or due to other, practical considerations.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide enrollment priority for students on the basis of need are established.

Annually, each program or group granting enrollment priority will establish and publish a process to review and evaluate their program participant’s “level of need” that grants program eligibility for enrollment priority.

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to reward students who make progress toward their educational goals.

New students who have completed college orientation, assessment and developed education plans as well as continuing students in good academic standing who have not exceeded 100 credits (not including credits in non-degree applicable courses, basic skills and English as a Second Language) will now have priority over students who do not meet these criteria. Active military and veterans, current and former foster youth, CalWORKS or Tribal TANF recipients, followed by students in Extended Opportunity Programs and Services (EOPS) and Disabled Students Programs and Services (DSPS) will continue to have first priority for registration if they meet the same criteria listed above.

The regulations, unanimously approved by the board of governors, was implemented in the fall of 2014. We encourage students on probation to seek help to improve their academic standing. Students nearing 100 credits should carefully plan their remaining courses with an academic counselor.

Enrollment Priority Groups are defined below. Students will continue to have access to register after their priority date.

- **PRIORITY 1 (State Mandated CCCCO Programs):** Continuing students, with the exception of eligible Foster Youth, in this group must be in good academic standing as defined with less than 100 Cuesta College degree applicable credits. New first-time and returning students in this group must meet the requirements of a new matriculated student as defined and with less than 100 Cuesta College degree applicable credits. Dual Enrollment Students are not eligible, except noted.
  - Any member or former member of the Armed Forces of the United States, who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserve, for any academic term attended at one of the California State University, California Community Colleges or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.
- Foster youth and former foster youth, whose dependency was established or continued by the court on or after the youth’s 16th birthday and who is no older than 25 years of age at the commencement of the academic year. This includes foster youth who are enrolled as Dual Enrollment (Enrichment) students, as established by Education Code 66025.9. This category retains eligibility for priority enrollment regardless of their academic standing. Priority administration expires on January 1, 2020.
- Homeless youth includes a student under 25 years of age, who has been verified (defined in subsection (2) of Section 726 of the federal McKinney-Vento Homeless Assistance Act) at any time during the 24 months immediately preceding the receipt of application for admission for a period of up to six years or until the age of 25, whichever comes first. Priority administration expires on January 1, 2020.
- California Work Opportunity and Responsibility to Kids (CalWORKS) or Tribal TANF recipients, as established by Education Code 66025.92.
- Disabled Student Programs & Services (DSPS) students as established in Education Code 66025.91.
- Extended Opportunity Programs and Services (EOPS) recipients as established in Education Code section 66025.91.

- **PRIORITY 2 (Special Programs):** Continuing students in this group must be in good academic standing as defined, with less than 100 Cuesta College degree applicable credits. New first-time and returning students in this group must meet the requirements of a new matriculated student as defined and with less than 100 Cuesta College degree applicable credits. Dual Enrollment Students are not eligible.

Students must meet specific program eligibility criteria as determined by each program.

- Degree/Transfer applicants must be a Continuing Student with 12 credits completed in residency; who will be completing their remaining AA, AS, Transfer (AA-T and AS-T) degree or transfer certification requirements within one semester at Cuesta,
- Intercollegiate Athletes, new first-time/transfer incoming athletes who will be participating in sports will be eligible for priority regardless of their sport term not to exceed 3 years,
- Disabled Student Programs & Services (DSPS) Notetakers,
- Re-entry Program participants,
- iZoom Program participants,
- Facilitated Assisted Learning (FAL) facilitators,
- Associated Students of Cuesta College Leaders,
- Student employees, staff and faculty pursuing Professional Growth, and dependent children up to the age of 25 (with the exception of Dual Enrollment Students), spouses, and domestic partners of faculty or staff.

- **PRIORITY 3 (Continuing Students):** Continuing Cuesta College students in good academic standing as defined, with priority based on the total number of course credits completed at Cuesta College AND have completed a comprehensive Student Education-
al Plan (SEP), except for 3.4 priority group. Dual Enrollment Students are not eligible.

Credit increments:

- 3.1. Equal to or greater than 48.0 credits and less than 100.0 credits
- 3.2. Equal to or greater than 24.0 credits and less than 48.0 credits
- 3.3. Equal to or greater than 15.0 credits and less than 24.0 credits
- 3.4. Less than 15.0 credits

**PRIORITY 4 (New Students):** New students who meet the definition of a New Matriculated Student **AND** have attended designated orientation program (Cougar Welcome Day). Fall Registration ONLY. Dual Enrollment Students are not eligible.

**PRIORITY 5 (New Students):** New students who apply and meet the requirements of a new matriculated student as defined and did **not** attend designated orientation program (Cougar Welcome Day). Dual Enrollment Students are not eligible.

**PRIORITY 6 (All Students):** All first-time, returning, transfer students who apply for admissions. Continuing students who have not completed a comprehensive Student Educational Plan **OR** have earned 100 or more credits **OR** were on academic standing probation for two consecutive terms are eligible to enroll. Dual Enrollment Students are not eligible.

**PRIORITY 7 (Dual Enrollment):** Dual Enrollment Students (Enrichment and CCAP) concurrently enrolled in grades 6-12 (Enrichment) and 9-12 (CCAP), who have completed the admission application, permit to enroll, and have met all course prerequisites, are eligible to enroll.

**Enrollment Limitations**

A student’s ability to enroll in a course may be limited or restricted. Refer to Administrative Procedures 5075 - [https://www.boarddocs.com/ca/cuesta/Board.nsf/Public/](https://www.boarddocs.com/ca/cuesta/Board.nsf/Public/)

- **CONTINUING/RETURNING STUDENTS:** A continuing or returning student will lose enrollment priority if he/she earns 100 or more credits at Cuesta College or if he/she are on academic or progress probation for two consecutive terms.

For purposes of this section a unit is earned when a student receives a grade of A, B, C, D or P as defined in BP and AP 4230 titled Grading and Academic Record Symbols. This 100-unit limit does not include units for non-degree applicable English as a Second Language or basic skills courses as defined by Academic Affairs, or students enrolled in high unit majors or programs as designated by the Curriculum Committee and Academic Affairs.

The District shall notify students who are placed on academic or progress probation, of the potential for loss of enrollment priority. The District shall notify the student that a second consecutive term on academic or progress probation will result in the loss of priority registration as long as the student remains on probation. The District shall notify students or who have earned 75 percent or more of the unit limit, that enrollment priority will be lost when the student reaches the unit limit.

Students who lose their priority due to enrollment limitations will be able to register after Priority 5.

**Appeal of Loss of Enrollment Priority Procedures**

- Students may petition to have their enrollment priority reinstated based on the following reasons:
  - Extenuating Circumstances (verified cases of accidents, illnesses, or other circumstances beyond the control of the student)
  - Students with disabilities who applied for but did not receive reasonable accommodations in a timely manner.
  - Students who demonstrate significant satisfactory academic improvement by earning at least 2.50 GPA in at least 6 academic credits in a subsequent term, but whose term GPA is not high enough to move the student into good standing.
  - Students who are in high credit programs and are following a current education plan.
  - Students in good standing (over 100 credits) and within 12 credits of completing their degree.

Enrollment Priority Appeal forms are available online, and at all Cuesta College sites. Appeals are to be submitted to the Office of Admissions & Records. Extenuating circumstances must be documented. Enrollment Priority students whose appeal is approved will be reinstated to their previous priority status for one semester.

Any student who is a member of an active or reserve military service and who receives orders compelling a withdrawal from courses may request to be reinstated to their previous priority status upon their return.

**Definition of student enrollment statuses:**

- A **New Matriculated Student** is one who has completed orientation, assessment, and developed a student education plan (abbreviated or comprehensive).
- A **Student in Good Academic Standing** is one who is not on academic or progress probation for two consecutive terms.
- A **Student in High Credit Program** is a program that has more than 38 credits in the major coursework and following a current education plan.
- A **Continuing Student** excludes Dual Enrollment (Enrichment - Non-CCAP and College and Career Access Pathways - CCAP), is one who was enrolled during the immediately preceding semester and received at least one letter grade or “W.” A student registered during the semester, who did not complete a course with a letter grade or “W” forfeits continuing student status.
- A **First-Time Student** is one who never attended a post-secondary education prior to the application term.
- A **Returning Student** is one who attended Cuesta in the past, but was not enrolled in the term prior to the application term.
- A **Re-Entry Student** is one who is at least 25 years of age and has not attended a college or university within the past 5 years.
- A **First-Time Transfer Student** is one who is enrolling at Cuesta for the first time after attending another post-secondary institution.
- A **Dual Enrollment Student (Enrichment and CCAP)** is one who currently enrolled in grades 6-12 (Enrichment) and 9-12 (CCAP), and is eligible to attend Cuesta College by recommendation of their

Fee Descriptions
Enrollment Fee
Enrollment fees are charged per unit of enrollment credit and are set by the State of California. These fees are subject to change. If you need help paying this fee, you may qualify for a Board of Governor’s Fee Waiver (BOGW). An application is available in the Financial Aid Office or you may complete the free application for Federal Student Aid (FAFSA) application online. Completed BOGW applications and documents of income sources must be submitted to the Financial Aid Office before you register for fall/spring semesters or summer session. Refer to the Financial Aid section for BOGW eligibility requirements. You must reapply each year for consideration.

Non-Resident Tuition
The cost of tuition for international and out-of-state students is in addition to the enrollment fee. If you have questions about residency status, please contact the Admissions Office for assistance.

Health Fee
In accordance with the California Education Code and District policy, Cuesta College has a mandatory health fee. Students, excluding those with the exceptions listed, are required to pay the Health fee each term regardless of the number of credits they are taking. This fee is nonrefundable once the semester or session begins and is subject to change per local Board action. The health fee is not an eligible tax credit fee.

Health Fee Exemptions: (Education Code Section 76355)
- Students enrolled in non-credit courses.
- Students who are taking classes only at the South County Center (Arroyo Grande High School) and off-campus sites.
- Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization to the Student Accounts/Cashier's Office.
- Any student who is attending Cuesta under an approved Apprenticeship Program.

Student Center Fee
The Student Center fee is designated for the sole purpose of supporting the Student Center and is charged to all students taking classes at the San Luis Obispo Campus. The fee, which is not to exceed $10.00 per academic year, is based upon the number of credits taken during this period at the rate of $1.00 per credit. An academic year consists of fall and spring semesters.

The following are examples of Student Center fee calculation for a student taking classes on the San Luis Obispo Campus and at another Cuesta College site for one academic year:

FALL SEMESTER
7 credits at San Luis Obispo Campus $7.00*
3 credits at North County Campus $0.00
Total $7.00

SPRING SEMESTER
3 credits at San Luis Obispo Campus $3.00**
4 credits at North County Campus $9.00
Total $3.00

*$7.00 paid in Fall + $3.00 paid in Spring = $10.00 fee paid in full for academic year.
**Fee partially paid for year

This fee is nonrefundable unless the student drops the associated San Luis Obispo campus class on or before the Sunday prior to the start of the semester/session for a full-term course or before the first class meeting for a short-term course.

Student Center Fee Exemptions
The Student Center fee shall not apply to:
- A student enrolled in non-credit courses.
- A student who is a recipient of the benefits under the TANF (Temporary Aid to Needy Families) program, the Supplemental Security Income/State Supplementary Program, or the General Assistance program. To have the fee waived, a student must provide documen-
Students enrolled in courses at North County or South County only.

**Student Representation Fee**

A vote of the students during the spring 2002 semester authorized the collection of a mandatory $1.00 student representation fee from every credit student each semester. Cuesta College waives the Student Representation Fee for Enrichment students and non-credit courses. Monies collected are used by the student government to advocate and lobby for student legislative issues such as eliminating fee hikes, and increasing state funding for community colleges. Other uses include leadership training, meeting with other student leaders and elected officials, and necessary supplies to support students in their advocacy and lobbying efforts.

The fee is charged during the registration process. A student may refuse to pay the fee for religious, political, financial, or moral reasons. Students must sign a waiver prior to registration. The fee is nonrefundable once the semester begins. The student representation fee is not an eligible tax credit fee. Forms are available in the Enrollment Services (Admissions and Records) Office, Cashier’s Office and at the Student Life and Leadership Office at all campus locations.

The form is also available on the Web at www.cuesta.edu/student/documents/admissions_records/regfeewaiver.pdf for students to print and complete. The form may be submitted to the Student Accounts/Cashier Office.

Cuesta College waives the Student Representation fee for Enrichment students and Non-Credit courses.

Associated Student Governments are allowed to implement the student representation fee according to Education Code 76080.5. This per-semester fee can be utilized by the ASCC to fund only those purposes listed above.

**NOTE:** The student representation fee may not be used to support individual candidates or campaigns.

For further information, please contact your ASCC Representative at the San Luis Obispo Campus Student Center, Building 5300.

**ASCC Student ID Card Fee**

The Student ID Card provides a college picture ID for use in campus labs, the library, the bookstore, and other locations on campus. The fee helps fund student jobs, student activities, critical campus programs and services, as well as providing discounts within the community. For more information on ASCC Student ID Card benefits, please visit our website http://cuesta.edu/student/campuslife/studentlife/studentid.html. This optional fee is nonrefundable/nonreversible once the semester or session begins. The ASCC Student ID card is to be purchased/renewed each semester, even if a student has already had her or his picture taken. The ASCC card fee is not an eligible tax credit fee.

If the ASCC Student ID card is lost, stolen, or mutilated, the student will be provided, free of charge, one replacement during the student’s Cuesta career. For any additional cards there is a $2 replacement fee. Contact the Student Life and Leadership Office at (805) 546-3289 for picture ID dates, times, and information.

**Parking Fee**

Parking permits required for all vehicles parked on all campus property or roadways. Daily permits are $3 each.

Semester permits per vehicle are:

</tbody>
</table>

To purchase a parking permit, this can be done at either campuses during registration or when the semester/session begins. This fee is nonrefundable once the semester or session begins. The parking permit fee is not an eligible tax credit fee.

For a copy of the College parking regulations, contact the San Luis Obispo Campus Public Safety Office at (805) 546-3205, or the North County Campus Public Safety Office at (805) 591-6205, or go to http://www.cuesta.edu/about/depts/publicsafety/index.html.

**Material Fees**

Credit and noncredit courses with mandatory material fees are identified in the class schedule, class finder and college catalog. Materials fees are charged at the time of registration. Materials fees for classes dropped prior to the start of the semester/session are automatically credited or reversed to student accounts. See the Cashier’s Office for help with materials fees for classes dropped within the two-week drop deadlines for Spring/Fall semesters and within the ten percent deadline for Summer Session.

**Fee Payments**

Students may pay fees, clear incurred debts (with the exception of library fines and parking citations), purchase parking permits or a Regional Transit Authority (RTA) 31-day bus pass, obtain and file refund forms, and handle other situations as they pertain to student accounts at the Cashier’s Office.

**Registration Fee Payment Policy**

Fees are due at the time of registration and may be paid immediately by credit or debit card online. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines. **Students will NOT be dropped from classes for unpaid fees.** Fee payment receipts should be saved for education tax credit filing.

**Online**

Credit card and debit card payments (VISA, MasterCard, Discover or American Express) are only accepted online through student myCuesta accounts. A convenience fee of $2 is charged for each credit/debit transaction.

**Mail-in**

Please include the student ID number with all mailed payments. Make checks payable to Cuesta College.

Address payments of check or money order to:

Cuesta Cashier’s Office, PO Box 8106, San Luis Obispo, CA 93403.

A $25.00 service fee is charged for all checks returned for insufficient funds, stop payments, etc.
In-Person
Payments by cash, check or money order can be made at the Cashier's Offices at either

- San Luis Obispo campus, Building 3100, Student Service Center, (805) 546-3949
- North County campus, Building N1000/N1100, Campus Center, (805) 591-6217

Secure payment drop boxes are also available and located outside of the Cashier's Offices for payments made after office hours.

Any unpaid fees will result in a hold placed on the student’s records blocking access to future registration, grades, transcripts, diplomas, and will limit access to certain campus services. **Students will NOT be dropped for unpaid fees.**

Students, who remain enrolled after the refund deadline, are financially responsible for payment of fees even if they drop the class or are dropped by the instructor after the refund deadline. **It is the student’s responsibility to drop and add classes.**

Refunds for Dropped Courses
Students must submit a written request for a refund to the Cashier. Students may request a form from the Cashier, print an online form, or submit a letter outlining the request and postmarked by the appropriate date listed below. A $10.00 processing fee is assessed on enrollment refunds initiated by students. A full refund includes enrollment, non-resident, health, ASCC Student ID Card, Student Center and student representation fee, material, and parking fees (parking permit must be returned in usable condition). Partial refunds include only enrollment and non-resident fees.

Credit balances for dropped courses may remain on the student accounts to be applied to future balances or refunded. Credit enrolled students will receive a myCuesta Card by mail. Students will need the myCuesta Card to receive financial aid or dropped class refunds. Students need to be sure to keep their addresses updated through their online myCuesta account and watch the mail for the bright green myCuesta Card envelope. See the Cuesta website for more information about the myCuesta Card.

Full Refund
Students must drop a course by the Sunday before the start of the semester/session to receive a full refund of fees, less a $10.00 processing fee (only refunds which include the enrollment fee are charged the processing fee). A written request for a refund must be submitted to the Cashier’s Office by the end of the second week of Summer Session and by the end of the fourth week for Fall/Spring semesters.

Partial Refund
The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student’s myCuesta Class Schedule/Receipt. A written request for a refund must be submitted to the Cashier’s Office by the end of the second week of Summer Session and by the end of the fourth week for the Fall/Spring semesters.

Military Withdrawal
Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. The student must verify such orders with the Office of Enrollment Services (Admissions and Records) at the time of the withdrawal. Students withdrawing under this college policy will receive a grade of “MW” for each course from which they withdraw and shall be entitled to a full refund of all enrollment fees paid to the college unless academic credit has been awarded.

Administrative Withdrawal/Cancelled Courses
Full refunds will be authorized for students who are withdrawn from courses by action of the College. If the course is cancelled, the associated course fees will be credited to the student’s account. The credit will be applied to any other fees owed by the student. If there is credit balance on the student’s account, the credit will remain on the student’s account unless a written request for a refund is submitted by the student to the Cashier’s Office. Automatic refunds will not be generated.

Overpayments (excess fee payments)
If a student overpays registration fees, the amount of the overpayment will be credited to the student’s account. The credit may be applied to any additional registration fees incurred.

NOTE: Dropped courses will not generate an overpayment refund. Please refer to “Refunds for Dropped Courses.”

FERPA
The Family Education Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. An “eligible student” under FERPA is a student who enters a postsecondary institution at any age.

Right to Inspect and Review Records
Section 99.10 of FERPA grants students the right to inspect and review their education records within 45 days after the day a request for access is submitted. A student should submit a written request to the Director of Enrollment Services (Admissions and Records) that identifies the record(s) the student wishes to inspect. The Director of Enrollment Services (Admissions and Records) will make arrangements for access and notify the student of the time and place where the records may be inspected. If the education records are not maintained by the Enrollment Services (Admissions and Records) Office, the Director shall advise the student of the correct official to whom the request should be addressed.

Directory Information
FERPA provides students the right to provide written consent before the San Luis Obispo Community College District discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

In completing the admission application, students are provided the opportunity to request their directory information be maintained as confidential. Students may also submit a written request to the Enrollment Services (Admissions and Records) Office at any time to become effective within 5 to 10 working days.

The District has designated the following information as directory information:

- Student’s name
- myCuesta student email address
- Photograph
- Major of study/program
- Degrees/Certificates and awards received by students (including honors, scholarship awards, athletics awards)

Continued
• Dates of attendance
• Level of enrollment (number of credits)
• Student participation in officially-recognized activities and sports including weight, height, and high school of graduation of athletic team members
• The most recent educational agency or institution attended
• Student ID number used to communicate in electronic systems but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user’s identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user’s identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

Disclosure of Education Records

FERPA permits the disclosure of Personally Identifiable Information from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student for the following conditions:

• To school officials with legitimate educational interests;
  A school official is a person employed by the San Luis Obispo Community College District in an administrative, supervisory, academic, research, or support staff position, including law enforcement unit personnel and health staff. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. A District official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the District. (§99.31(a)(1)) Cuesta College has designated AcademicWorks, Inc., Instructure/Canvas, Maxient, National Student Clearinghouse, Rave, and Regroup as a District official.

• To a person serving on the board of trustees;

• To a student serving on an official committee, such as a disciplinary or grievance committee. (99.31(a)(1))

• To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (99.31(a)(2))

• To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the District’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (99.31(a)(3) and 99.35)

• In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (99.31(a)(4))

• To organizations conducting studies for, or on behalf of, the District, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

• To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

• To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))

• To appropriate officials in connection with a health or safety emergency. (§99.31(a)(10))

• Information to the District has designated as “directory information.” (§99.31(a)(11))

• To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))

• To the general public, the final results of a disciplinary proceeding, if the District determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the District’s rules or policies with respect to the allegation made against him or her. (99.31(a)(14))

• To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the District, governing the use or possession of alcohol or a controlled substance if the District determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

Right to Request Amendment of Student Records

Student have the right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the District to amend a record should write the District official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the District decides not to amend the record as requested, the District will notify the student in writing of the decision and the student’s rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing as provided by Education Code Section 72322.

Right to File a Complaint with the Department of Education

Cuesta College students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

NOTE: A “D” grade is considered passing; however, some courses require grades of “C” or better to be a passing grade.

Non-Evaluative Symbols:

I  Incomplete – Incomplete academic work for unforeseeable emergency and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. The “I” symbol shall not be used in calculating units attempted nor for grade points. The condition for removal of the “I” shall be stated by the instructor in a written incomplete contract. The incomplete contract shall contain the conditions for removal of the “I” and the grade assigned in lieu of its removal. A copy of the incomplete contract must be given to the student with a copy submitted to the Admissions & Records Office. The contract remains on file until the assigned work has been completed and evaluated, or until the time limit for the completing the work has passed. The student must meet the conditions of the incomplete contract before the end of the following regular semester or it the “I” will be changed to an F (Failing) and posted as the final grade for the term. The student does not re-enroll in the course for the next semester/session and earns the grade for the term originally enrolled. Students may appeal for an extension of time due to extenuating circumstances to the instructor and the office of Enrollment Services (Admissions and Records).

IP  In Progress – The “IP” symbol shall be used to denote that the class extends beyond the normal end of an academic term. “IP” shall not be used in calculating grade point average. The “IP” symbol shall remain on the student’s permanent record in order to satisfy enrollment documentation. Upon completion of the course, the appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student’s record for the term in which the course is completed. If a student enrolled in an open-entry open-exit course is assigned an “IP” at the end of the semester/session and does not re-enroll in that course during the subsequent term, the appropriate faculty will assign an evaluative symbol (grade).

W  Withdrawal – The “W” symbol is assigned when a student officially withdraws after the census date and between the beginning of the third and end of the twelfth week of instruction for full-semester courses. For courses less than 18-weeks in length, withdrawal must be made during the first 80 percent of the course. Students who withdraw prior to the third week of instruction (census date) for full-semester courses or within 20 percent of a short course, shall have no notation (“W” or any other) on their record. The record of a student who remains in class beyond the twelfth week or 60 percent of a short-term course must reflect a symbol other than a “W”.

RD  Report Delayed – This symbol is assigned by the Director of Enrollment Services (Admissions and Records) only. It is assigned when there is a delay in reporting grades due to circumstances beyond the control of the student. This is a temporary notation and is not used in calculating GPA.

MW  Military Withdrawal – The “MW” symbol is assigned when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, an “MW” may be assigned at any time for dropping classes. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Noncredit Grading Indicators:

P  Pass. Student has successfully mastered this course’s competencies and is ready to move onto the next level.

SP  Satisfactory Progress. Student made some progress, but has not mastered the course competencies and is recommended to repeat the same level class again.

NP  No Pass. Student has been enrolled long enough to be evaluated but has not been passing course objectives and is recommended to repeat the same level class again.

UG  Ungradable. Student is a late enrollee or has not attended enough hours to be evaluated at this time.

Grade Changes
The instructor of the course shall determine the grade to be awarded to each student.
The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence on the part of the instructor.

Mistake - may include, but is not limited to errors made by an instructor in calculating a student's grade and clerical errors.

Fraud - may include, but is not limited to, inaccurate recording or change of a grade by any person who gains access to grade records without authorization.

Bad Faith - may include, but is not limited to, a lack of honesty and trust; intent to deceive.

Incompetence - may include, but is not limited to, the instructor not possessing and demonstrating the necessary ability and skill to fulfill the instructor's duties and responsibilities set forth in job descriptions, course outlines, District policies, procedures, and regulations, and applicable laws.

The removal or change of an incorrect grade from a student's record shall be done pursuant to Education Code Section 76224, 76232 and Board Policy 5530 Student Grievance Procedure.

In the case of fraud, bad faith, or incompetence, the final determination concerning removal or change of grade will be made by the Vice President of Student Services and College Centers or his/her designee.

In all cases, the instructor who first awarded the grade will be given written notice of the change.

In the case of a change of grade decision, the Division Chair will consult with faculty within the discipline of the instructor who first awarded the grade to review student material and determine the final grade the student will earn.

Course Grades
Grades are available for viewing within Cuesta College's student portal, myCuesta, two weeks after the last day of the fall/spring semesters and one week after the last day of summer session. Grades are not sent to students.

Pass/No Pass
A student may select "pass/no pass" (formerly credit/no credit) through the fourth week of instruction for 18-week courses or, if the course is less than 18 weeks in duration, within the first 20 percent of the course. Students may change back to a letter grade prior to the fourth week or 20 percent deadline. After the fourth week or 20 percent deadline, students may not reverse their pass/no pass grading decision.

- Some general education, degree and certificate course work must be taken for a grade. Consult a counselor or program description. No more than 12 credits of "pass/no pass" may be applied toward the Associate in Arts or Associate in Science degree or a Certificate unless indicated by Curriculum. For Associate in Transfer (ADT) degrees, P/NP is allowed.

- Courses listed in the schedule as "pass/no pass" grading option may be taken only once for "pass/no pass." The student may, however, repeat the course for a letter grade.

- Students shall receive a "P" (pass) if, at the end of the semester, a grade of "C" (2.0) or better is earned. The "P" shall, when recorded, add credits completed but shall have no effect on the grade point average.

- Students performing unsatisfactorily (at least less than C/2.0) shall receive a "NP" (no pass) which, when recorded, will not increase credits completed and will not be used to calculate the grade point average. However, credits attempted for which an "NP" is recorded shall be considered in academic progress calculations to determine probation and dismissal status.

- Students may only select one course per semester on the "pass/no pass" option. Some courses are graded only on a "pass/no pass" basis. Enrollment in these courses will not affect the student's right to select one additional class within the guidelines listed above.

- Students repeating a course in which a substandard grade was earned may not request a repeat discount if the pass/no pass grading option was selected for the second attempt.

ACADEMIC HONESTY
Academic Honesty is essential to the academic community. Students expect that Cuesta College faculty be fair, truthful, and trustworthy. Faculty expect that Cuesta College students share these same values. Students who violate these principles by cheating, plagiarizing, or acting in other academically dishonest ways are subject to disciplinary procedures. Below are some examples of academically dishonest behavior. If you are unclear about a specific situation, ask your instructor.

Examples of Academic Dishonesty:
- Copying from another student's exam
- Giving answers during a test to another student
- Using notes or electronic devices during an exam when prohibited
- Taking a test for someone else
- Submitting another student's work as your own, e.g. copying a computer file that contains another student's own work
- Knowingly allowing another student to copy/use your computer file(s) as his or her own work
- Completing an assignment for another student
- Plagiarizing or "kidnapping" other people's thoughts, words, speeches or artistic works by not acknowledging them through proper documentation

At the discretion of the instructor, students caught being academically dishonest may receive a failing grade on the assignments in question, be dropped from the class, or be failed in the course. If the student wishes to contest the instructor's consequential actions for Academic Dishonesty, it is recommended that the student follow the Academic Student Complaint Process: (https://www.cuesta.edu/about/leadership/vpss/StudentComplaintProcess.html). Beyond this, the student may be subject to disciplinary action as determined by the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee. It is recommended that the faculty member report any acts of academic dishonesty to the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee.

Student Responsibility:
All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in a manner compatible with the Student Code of Conduct and Academic Honesty Regulations, and the Computer and Network Use Policy. Specific rules, regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, Sections 66300, 66301, 76030 - 76038), are located in the Cuesta College catalog and as posted on the Cuesta College website. Each student has the responsibility to be aware of college regulations.
COMPUTER AND NETWORK USE POLICY
Students agree to abide by the Cuesta’s Computer And Network Use Board Policy 3720 and Administrative Procedure 3720.

LIBRARY FINES
Cuesta College may withold grades and diplomas from any student who fails to return books or materials to the library when due, has lost or damaged any books or materials or has not paid charges for late, lost or damaged materials.

Students shall have their records released when they:
• Return books or materials
• Pay charges for books or library materials.

MAINTENANCE ALLOWANCE FOR STUDENTS
Students attending Cuesta College from Modoc and specific areas of Mono counties are eligible for a maintenance allowance if they maintain a permanent address in either county and all requirements are met. For information about eligibility requirements, contact the Cuesta College Registration Office at (805) 546-3100, Ext. 2325.

Standard Catalog Requirements (formerly Accreditation Standard II.B.2.c)
The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.
The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Superintendent/President shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding discrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he/she is perceived to have one or more of the foregoing characteristics, or because of his/her association with a person or group with one or more of these actual or perceived characteristics.

REGISTRATION POLICY
To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide priority registration for students on the basis of need are set forth in Administrative Procedures 5055 and listed under Enrollment Priority under the College Policies, Rules, and Regulations section of this catalog. Visit the Cuesta web site for priority registration dates.

Students add and drop classes online through myCuesta web portal at https://my.cuesta.edu. All students are assigned a myCuesta username and temporary password that is emailed to your personal email account from Enrollment Services once an admission application is processed. Login information can also be accessed at the "Student Username and Temporary Password" link on the myCuesta login page.

Course Add and Drop Policy
It is the student's responsibility to add and drop courses by the deadlines posted on the Cuesta web site, in the online Class Finder, and the student's myCuesta Class Schedule/Receipt. Summer session classes are considered short term courses for add and drop deadlines.

Adding Courses
Students may add classes online by the add deadline, which is the day prior to the census date. The census date is the date course enrollment is reported to the State for apportionment funding. Once a course begins, only the instructor may authorize enrollment by issuing the student an add code if there are seats available in the course at the first class meeting. Add codes must be entered by the student online in myCuesta within the add deadline to officially enroll in a course.

To add a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and enter the 5-digit course reference number (CRN) for the course by clicking "Submit Changes." The student may enter the 6-character add code in the box provided and click "Validate" to register after the course begins within the add deadline. Students may also add classes in-person at a registration center and must provide photo identification.

• Full-term course add deadline: The day prior to the posted census date, which is the end of the 2nd week of the fall/spring semesters.
• Short-term or Summer Session course add deadline: Within 20% of the course or the day prior to the posted census date.

Readmit
A student who was inadvertently dropped by an instructor may be allowed to be readmitted/re-added beyond the normal add deadline with instructor approval. The deadline to be readmitted is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Readmit Cards are available at any registration center.

Transfer
Instructor or department-arranged transfers will be allowed beyond the normal add deadline for students transferring from one course reference number (CRN) to another of the exact same scheduled course or to a lower or higher level class in established prerequisite
Dropping Courses
To drop a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to “Register Add/Drop Classes” and use the drop-down menu beside the course to select the drop option then click “Submit Changes.” Students may also drop classes in-person at a registration center and must provide photo identification.

Dropping Course for a Full Refund
Students must drop a course by the Sunday before the start of the semester or prior to the first class meeting of a short term or Summer course to receive a full refund of fees, less a $10.00 processing fee. A written request for a refund must be submitted to the Cashier’s Office by the end of the 4th week of the semester or by the end of the following week after a short-term or Summer course ends. No notation (grade or symbol) will be posted on the student’s academic record when a course is dropped within refund deadlines. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.

Dropping Course for a Partial Refund
The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on the student’s myCuesta Class Schedule/Receipt. The deadline is calculated as within 10% of a short-term course or the end of the second week (Sunday) for a full-term course.

A partial refund is the enrollment fee, less a $10.00 processing fee. The student is responsible for paying all other registration fees associated with a course. See the Fees section of the schedule for more information. A written request for a refund must be submitted to the Cashier’s Office by the end of the 4th week of the semester or by the end of the following week after a short-term course ends (includes summer course.) No notation (grade or symbol) will be posted on the student’s academic record when a course is dropped within refund deadlines.

Dropping a Course without a W for Withdrawal
No notation (grade or symbol) will be posted on a student’s academic record if a course is dropped by the last day to drop without a “W” which is the end of the second week of the semester for a full-term course or within 20% of a short-term or Summer course. The last day to drop without a “W” deadline is posted in the online Class Finder by clicking on the CRN and appears on the student’s myCuesta Class Schedule/Receipt.

- Students who drop all courses and receive no academic grade or symbol (“W”) in a semester/session will not be eligible for priority registration as a continuing student in the next semester/session.

Dropping Courses with a W for Withdrawal
Students may drop or withdrawal from a course through the end of the 12th week (Sunday) for a full-term course or within 60% or a short term or Summer course and receive a “W” for withdrawal symbol on their academic record. The last day to drop with a “W” deadline is posted in the online Class Finder by clicking on the CRN and appears on the student’s myCuesta Class Schedule/Receipt.

- A student may earn a no more than a maximum of three (3) withdrawals ("W" symbol) in a non-repeatable course.

Dropping Courses with an EW for Excused Withdrawal
An Excused Withdrawal (EW) may be granted when a student must withdraw from one or more courses due to extenuating circumstances beyond the control of the student that affect the student’s ability to complete the course(s).

An EW may be granted upon receipt of verifiable documentation supporting the request. An EW is acceptable when a student withdraws from a course(s) due to reasons beyond their control, which include but are not limited to, the following:

- Job transfer outside the geographical region;
- Illness in the family where the student is the primary caregiver;
- An incarcerated student in a California State Prison or County Jail is released from custody or involuntarily transferred before the end of the term (In the case of an incarcerated student, an excused withdrawal cannot be applied if the failure to complete the course(s) was the result of a student’s behavioral violation or if the student requested and was granted a mid-semester transfer);
- The student is the subject of an immigration action;
- Death of an immediate family member;
- Chronic or acute illness;
- Verifiable accidents; or
- Natural disasters directly affecting the student.

Students may request an EW at any time during the semester and no later than 280 calendar days after posted grade was assigned. The EW shall not be counted in (1) progress probation and dismissal calculations, and (2) will not count against the permitted number of withdrawals or enrollment attempts in a given course. As a result, students with an Excused Withdrawal (EW) may repeat the course(s) from which they have withdrawn.

The financial aid of a student may be affected depending on individual circumstance. A student should consult with the financial aid staff regarding any impact. Student fees will not be refunded.

Administrative Withdrawal/Cancelled Classes
Students will be notified by phone, myCuesta email and/or mail if administratively dropped or if a class has been cancelled by action of the college. It is the student’s responsibility to submit a refund request form to the Cashier’s Office.

Petitions
Forms and petitions are available online or at any registration center. All registration forms require the student’s signature, identification, and may require additional approval from a college official before the student is allowed to enroll.

Pass/No Pass (P/NP) Grading Option
For courses identified as a grading option of GP in the online Class Finder or Cuesta College Catalog, the student may change the grading option from a letter grade to Pass/No Pass grading (P/NP) within the first 20 percent of the course. Refer to the course listing for the Pass/No Pass grading policy. Students are encouraged to consult Counseling staff if they have questions regarding graded courses for
Credit Overload
A Credit Overload petition is to receive permission to enroll in more than 19 credits in the fall or spring semester or in more than 9 credits in the summer. Approval from a Cuesta counselor is required. Dual enrollment students are excluded.

Schedule Conflict
A student may not enroll in two or more sections of the same credit course during the same semester/session unless the length of the course provides that the student is not enrolled in more than one section at any given time.

A student may not enroll in two or more courses where the meeting times for the courses overlap, unless:

- The student petitions to enroll in two overlapping sections upon approval by both instructors.
- The student provides a sound justification, other than scheduling convenience, of the need for an overlapping schedule.
- An appropriate district official, Academic Affairs Dean and Office of Enrollment Services approves the schedule.
- The student makes up the overlapping hours at some other time during the same week under the supervision of the instructor of the course. Appropriate supervision by the instructor of the course is documented describing how the student will make up missed hours at some other time during the same week.
- Students needing additional instruction in the subject matter while enrolled in a course may be referred for individualized tutoring pursuant to section 58170 or supplemental learning assistance pursuant to sections 58172 and 58164.

Registration Centers
Adds and drops by registered students will be processed at the locations below. South County Center at Arroyo Grande High School is closed during the summer and semester breaks.

North County Campus Student Services
Building N1000/N1100, (805) 591-6225

San Luis Obispo Campus Student Services
Building 3100, Student Service Center, (805) 546-3955

South County Center
Arroyo Grande High School, (805) 474-3913

Waitlist
When priority registration begins for a semester/session, students will have the opportunity to enroll, via the myCuesta web portal, in an available waitlist seat for a closed class. Students must meet all registration requirements for the course, including prerequisites and corequisites, prior to registering for a waitlist seat. If a student drops and a seat opens, the first waitlisted student will be notified via their myCuesta Student email account and will have 24 hours to register for the class. If you do not register before the notification period expires, you will be removed from the waitlist. Students should monitor their myCuesta student email twice daily, morning and evening. It is the student’s responsibility to register once notified and pay applicable fees owed.

Waitlist Restrictions
Students will be blocked from enrolling in a waitlist seat under the following conditions:

- The student is enrolled in another section of the same course or enrolled in another waitlist seat for the same course.
- The class conflicts in time with other classes already on the student’s schedule, which includes other waitlisted classes.
- The student has a hold.
- The student has not met prerequisite or co-requisite requirements.
- Cross-listed (CL) courses, such as mediated Math courses.
- The student has exceeded the repeat limits for the course. This includes work-in-progress which occurs if the student is already enrolled in the course in the prior term (spring for summer registration; summer for fall registration) and has not received a final grade.
- The class is not approved on a Permit to Enroll form for an Enrichment student.
- All waitlist seats are filled.

Auditing
- The Enrollment Services (Admissions and Records) Office will not under any circumstances certify completion of any course attended by audit, nor will the District provide any transcripts, letters, records or any other documentation of attendance in a course undertaken on an audit basis. Students who audits does not earn units, credits or grades.
- The District will provide students who are otherwise qualified to enroll in credit courses an opportunity to audit specific credit courses.
- Auditing enrollment is permitted on a space available basis, refer to the division office for the auditable list, and at the discretion of the instructor in according with departmental procedure.
- Admission application is not required. Enrichment students may not audit courses.
- Auditing may be requested after the late application period is over by obtaining an Audit Enrollment Form from the Cashier’s Office, acquiring the instructor’s, Dean of Academic Affairs and Vice President of Academic Affairs approval to audit the course, and paying the audit enrollment fee at the Cashier’s Office.
- Priority in class enrollment shall be given to students enrolled in the course for academic credit.
- Auditors who are not currently enrolled must register by the normal procedure and pay a non-refundable fee of $15.00 per credit semester/session.
- Auditors enrolled in less than 10 credits must pay a non-refundable fee of $15.00 per credits.
- Auditors who are currently enrolled in 10 or more semester credits may audit up to three semester credits at no cost. An audit fee of $15.00 will be charged for each additional semester/session credit audited above three.
- Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive academic credit. A student is not permitted to change his/her enrollment from academic credit to audit.
- There is currently no limit set on the number of courses a student may audit.
REMEDIAL COURSE WORK LIMITATION
A student who has completed 30 credits of remedial course work, but who has not attained full eligibility for college-level work, shall be referred for further remedial work to appropriate adult noncredit education services provided by a college, adult school, community-based organization, or other appropriate local provider.

Remedial course work refers to non-degree applicable basic skills courses, the purpose of which is to prepare students for successful completion of associate degrees, transfer, or certificate courses. These courses are specifically designed to meet the needs of underprepared students so that the quality and rigor of the associate degree curriculum is protected.

A waiver of the limitation on remedial course work may be provided to any student who shows significant measurable progress toward the development of skills appropriate to the student's enrollment in college-level courses. Measurable progress is defined by transcripts, pre- and post-test measures, demonstrated progress toward an educational goal sustaining progress of education or social goals and objectives as documented in a Student Educational Plan (SEP). If a waiver is granted, its duration should not exceed one academic year and would normally be of one semester's duration.

Students enrolled in one or more courses of English as a Second Language (ESL) or students identified by the district as having a learning disability are exempt from the 30-semester-credit limitation (Title 5 California Code of Regulations, Section 55035).

ACADEMIC HONORS & SERVICE RECOGNITION

Academic Honor List
Students who enroll and complete 12 or more credits and earn a 3.25 grade point average with no grade lower than a "C" will be placed on the Academic Honor List. The student's academic record at Cuesta College will be annotated to reflect this achievement. The achievement is posted under the qualifying semester on the student's academic transcript.

Students in the Registered Nursing Program may make the Academic Honor List using the criteria listed above; however, due to the number of contact hours in this program, an R.N. student will be considered when enrolled in 11 or more credits.

Graduating With Honors
Students who meet the requirements for graduation with a cumulative grade point average of 3.5 to 3.74 qualify for honors recognition.

The graduation grade point average is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a green cord.

Graduating With High Honors
Students who meet the requirements for graduation with a cumulative grade point average of 3.75 to 4.0 qualify for high honors recognition.

The GPA calculation for honors designation for commencement purposes only is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a white cord.

Alpha Gamma Sigma (AGS) Honor Society
Alpha Gamma Sigma (AGS) is a state-wide community college student honor society with the purpose of fostering, promoting, maintaining, and recognizing scholarship. In addition, AGS members develop character and civic responsibility through service to AGS, the college, and the community. The Gamma chapter at Cuesta College provides its membership scholarship opportunities, social activities, and leadership-building skills. Membership is based on grade point average. More information may be obtained from the Student Life and Leadership Office. Recognition of AGS membership is posted on Cuesta transcripts. Students with AGS membership are recognized at commencement with a gold cord.

ASCC Student Leaders Recognition
The ASCC Student Leaders are recognized for the service they perform in fulfilling their duties, including regional and state student senate participation. The requirement for student leadership official recognition is that students must hold office a "full semester" (excluding summer session), which is monitored by the Faculty Advisor of ASCC. More information may be obtained from the Student Life and Leadership Office. Recognition of ASCC Student Leaders is posted on the academic transcripts.

BP/AP 3440 SERVICE ANIMALS
San Luis Obispo County Community College District Board Policy BP 3440 and Administrative Procedure AP 3440 states the District's regulations regarding the use of service animals on District property. The purpose of this policy and administrative procedure is to prevent discrimination on the basis of disability, and to allow an individual with a disability to use a service animal or miniature horse in District facilities and on District campuses in compliance with state and federal law.

For the complete Board Policy, see http://go.boarddocs.com/ca/cuesta/Board.nsf/goto?open&id=ACWQB668547B.

Education Code Sections 67382, 67385, 67385.7, and 67386;
20 U.S. Code Section 1092(f);
34 Code of Regulations Section 668.46(b)(11)

Cuesta College is committed to maintaining a safe campus, a campus free of violence and the threat of violence. All persons who come onto the campus or onto any facility maintained by the college are expected to treat others with respect and consideration.

Any assaults, including, but not limited to, sexual assault, rape, domestic violence, dating violence, or stalking, as defined by California law or in District policy, whether committed by an employee, student, or
member of the public, is a violation of District policies and regulations if the assault took place on District property, on an off-campus site or facility maintained by the District; on grounds or facilities maintained by an affiliated student organization; or at a District-sponsored activity on non-District property, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures.

Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity and provided comprehensive assistance.

The Superintendent/President shall establish administrative procedures that ensure that students, faculty, and staff who are victims of sexual and other assaults receive appropriate information and treatment, and that educational information about preventing and reporting sexual violence is provided and publicized as required by law.

Title IX, Education Amendments of 1972; Title 5 Sections 59320 et seq.;
Title VII of the Civil Rights Act of 1964, 42 U.S. Code Annotated Section 2000e

The District is committed to providing an academic and work environment free of unlawful harassment. This procedure defines sexual harassment and other forms of harassment on campus, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student within the District.

This procedure and the related policy protects students and employees in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities, a District bus, or at a class or training program sponsored by the District at another location.

Definitions

General Harassment: Harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation of any person, military and veteran status, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment shall be found where, in aggregate, the incidents are sufficiently pervasive, persistent, or severe that a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with his or her ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

Verbal: Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person's race gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation; or sexist, patronizing or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation or other protected status.

Physical: Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

Visual or Written: The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions.

Environmental: A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his/her immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

Sexual Harassment: In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

• submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress;
• submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
• the conduct has the purpose or effect of having a negative impact
upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment (as more fully described below); or

• submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

This definition encompasses two kinds of sexual harassment:

“Quid pro quo” sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual’s willingness to engage in or tolerate unwanted sexual conduct.

“Hostile environment” sexual harassment occurs when unwelcome conduct based on a person’s gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single or isolated incident of sexual harassment may be sufficient to create a hostile environment if it is severe, i.e. a sexual assault.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

Consensual Relationships

Romantic or sexual relationships between supervisors and employees or between administrators, faculty, or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty or staff member must evaluate the student’s or employee’s work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

Academic Freedom

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws.

BP 3570 SMOKING AND TOBACCO USE
ON CAMPUS
Reference: Gov Code Section 7597.1

The San Luis Obispo County Community College District (District) is committed to providing a safe and healthy learning and working environment. To support this commitment, the District prohibits smoking and the use of any form of tobacco product on all District property and locations where the District provides services.

To enforce smoking and tobacco control procedures, the District authorizes the Superintendent/President to:

• Set enforcement standards for all District sites and campuses.
• Direct the posting of signs stating its tobacco use policy on campus.
• Inform employees and students of the tobacco use policy and enforcement measures.

AP 3570 SMOKING AND TOBACCO USE

I. Introduction

The San Luis Obispo Community College District (District) recognizes the overwhelming scientific evidence assembled by the U.S. Surgeon General, Centers for Disease Control, Environmental Protection Agency, and World Health Organization, which demonstrates that tobacco is a profound agent of deadly diseases, responsible for millions of deaths worldwide each year, both to tobacco users and non-users. Tobacco use is inconsistent with a culture of wellness. While acknowledging the hazards of smoking, the District has, more importantly, dedicated itself to providing safe, healthy, comfortable, and productive learning environments throughout its campuses for visitors, employees and students. Accordingly, pursuant to Board Policy 3570, Smoking and Tobacco Use, the District issues this Smoking- and Tobacco-Free Policy, effective January 1, 2019.

The success of this policy will depend on the thoughtfulness, consideration, and cooperation of tobacco users and non-tobacco users. It is the responsibility of all members of the District community to comply with this policy as well as all other District policies. Members of our various campus communities are empowered and expected to professionally and respectfully inform others about the policy in an ongoing effort to enhance awareness and encourage compliance. Furthermore, employees and student leaders are expected to serve as role models for the entire campus community. Violations of this policy will be handled in a manner that is consistent with all District policies and procedures. Smoking waste management products, such as ashtrays, shall be removed from all campus premises within a reasonable time frame.

II. Definitions

A. Smoking—inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe or other lighted or heated tobacco or plant product intended for inhalation, whether natural or synthetic, in any manner or in any form. “Smoking” includes the use of electronic cigarettes and other electronic smoking devices which create an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking in this policy.

B. Tobacco product—means any of the following:

1. A product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to: cigarettes, cigars, hookah-smoked products, clove cigarettes, bidis, kreteks, electronic cigarettes, smokeless tobacco, and snus.
2. An electronic device that delivers nicotine or other vaporized liquids to the person inhaling form the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah.

3. Any component, part, or accessory of a tobacco product, whether or not sold separately.

Note: This definition does not include any product that has been approved by the U.S. Food and Drug Administration for sale as a tobacco use cessation product or for other therapeutic purposes where the product is marketed and sold solely for such an approved purpose.

C. Tobacco Company – is defined as a company that produces and/or markets branded tobacco products, including any subsidiaries, but not including parent companies which engage in business.

III. Smoking and Tobacco-Free Policy

A. Smoking and use of tobacco is prohibited by all persons:
   1. In and/or around all campus buildings, facilities or property owned or leased by the District;
   2. In vehicles that are the property of, or leased by the District; and
   3. On all District property and grounds, including parking lots.

B. The sale or free distribution of tobacco products, including merchandise on campus or at District events is prohibited.

C. District campus organizations, and student organizations are prohibited from accepting money or gifts from tobacco companies including:
   1. Parties sponsored by tobacco companies and allowing them to distribute free, reduced-price, or fully priced tobacco products (t-shirts, hats, etc.) on campus; and
   2. All tobacco advertising, such as billboards and signs on property owned and operated by the District.

D. Tobacco advertisements are prohibited in college-run publications and on grounds or facilities, including athletic facilities, owned or operated by the District.

E. The District will provide information on free and accessible tobacco treatment resources on campus.
   1. These tobacco treatment resource programs shall be publicized regularly in student and staff publications, posted in academic buildings and athletic facilities, via Human Resources and the Student Health Center (or alternative appropriate means deemed necessary).
   2. District Human Resources and respective campus Student Health Center Departments will house all present and future cessation tobacco use information. Either of the foregoing can be contacted for more information regarding on and off campus cessation programs and services.

F. Any person observed littering (such as throwing a cigarette on the ground) will be issued a citation, consistent with California Penal Code § 374.4

IV. Enforcement

The Cuesta College Police Department shall enforce the smoking and tobacco use policy. College Police may warn or cite any person who is in violation of this policy. Visitor violators are subject to stay-away orders.

College Police, depending on the circumstances of the violation, may report students who violate this policy to the appropriate administrator for disciplinary proceedings under Education Code § 76033(e).

Additional sanctions may also be implemented through other administrative means, such as the Student Code of Conduct or District Board Policies and Administrative Procedures.

Any person who desires to register a complaint hereunder may initiate enforcement consideration with the Cuesta College Police Department.

SOLOMON AMENDMENT

The 1996 Solomon Amendment is the common name of 10 U.S.C. § 983, a United States federal law that allows the Secretary of Defense to deny federal grants (including research grants) to institutions of higher education if they prohibit or prevent ROTC or military recruitment on campus or release of enrolled student recruiting information.

Student Recruiting Information

The Solomon Amendment allows the Department of Defense Military Services entities, to obtain certain information about currently enrolled full-time students, ages 17 and over, once per term. A full-time student is enrolled in 12 or more credits in a term.

The information is limited to:

- Student Name
- Addresses
- Phone numbers
- Age
- Level of Education
- Degree program currently enrolled
- Degrees received for recent graduates
- Educational institution last enrolled
- Exemptions to Request

Procedure for Releasing Information to Military Recruiter

1) Request letter must be on the Military Services standard letterhead and cite the relevant legal authority under the Solomon Amendment. In addition, the scope of the request must specifically ask for the aforementioned Student Recruiting Information.

2) Military recruiters may request student recruitment information of full-time students once each term for the following Military Services, including their Reserve or National Guard components:

- Army
- Navy
- Marine Corps
- Air Force
- Coast Guard

3) Validation of the request will be made to ensure the request is submitted from one who is legally authorized and to clarify the scope
of the request if needed. Upon validation, a request will be processed beginning the third week of a term, after the deadline to enroll in full-term courses when students establish full-time enrollment in 12 or more credits.

4) Submit requests either

**SPEECH, TIME, PLACE, AND MANNER**

Board Policy 3900 (References: Education Code Sections 66301 and 76120).

The District is committed to providing a healthy, safe, and productive environment in which academic success and the pursuit of knowledge are priorities. The District recognizes that freedom of expression and public assembly are fundamental rights of all persons as stated in the Constitutions of the United States and the State of California and are essential components of this educational process.

Students, employees, and members of the public shall be free to exercise their rights of free expression, subject to the requirements of this policy, Administrative Procedures, Education Code Sections 66301 and 76120, and governing law.

The District shall not restrict free expression in “areas generally available to students and the community, defined as grassy areas, walkways or other similar common areas”. This definition governs the phrase “areas generally available to students and the community” as it is used in Board Policy/Administrative Procedure 3900.

The District reserves the right to designate areas as non-public forums as necessary to prevent the substantial disruption of the orderly operation of the college. Areas of the district that are non-public forums specifically include campus offices, classrooms, labs, gym, theatres, auditoriums, warehouses, maintenance yards, and any other area not specified above. Areas not generally available to the public may be designated as a temporary public forum at the discretion of the President/Superintendent.

Speech that is obscene, libelous or slanderous according to current legal standards, or which so incites others as to create a clear and present danger of the commission of unlawful acts on District property or the violation of District policies or procedures, or the substantial disruption of the orderly operation of the District shall be prohibited.

Nothing in this policy shall prohibit the regulation of hate violence directed at members of the District community in a manner that denies their full participation in the educational process (Education Code Section 66301(e)), so long as the regulation conforms to the requirements of the First Amendment to the United States Constitution, and of Section 2 of Article 1 of the California Constitution.

**STUDENT CODE OF CONDUCT**

Board Policy 5500

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in an acceptable manner compatible with the Student Code of Conduct and Academic Standards, and the Computer and Network Use Policy. Specific rules and regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, sections 66300, 66301, 76030-76038), are provided in this section. Each student has the responsibility to be aware of college regulations.

**Scope of Application**

The rules apply to all actions of students of the District on District property and at all activities sponsored by the District or registered student organizations, whether occurring on or off the campuses or other instructional sites. Pursuant to Education Code Section 76034, no student shall be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance. Student conduct occurring off campus and not part of a District activity will subject the student to the District’s jurisdiction, standards of student conduct and student discipline process if the student’s off-campus conduct is sufficiently related to college attendance, i.e., disruption of the work and discipline of the college has actually occurred from the student’s off-campus conduct, or facts exist that reasonably lead to a conclusion by District officials that disruption on campus will soon follow the student’s off-campus conduct. In addition, a student’s conduct off campus may in certain circumstances by outside the jurisdiction of the District for purposes of the District’s discipline process, yet results in adverse action within the student’s pre-professional academic program if such program has requirements imposed by law as condition to admission to the profession for which the academic program is preparing the student, e.g. nursing.

The following conduct shall constitute good cause for discipline, including, but not limited to, the removal, suspension or expulsion of a student:

Violation of District policies, procedures, or regulations.

1. Failure to comply with directions of District officials acting in the performance of their duties; disrupting, obstructing, or interfering with instructional, administrative, disciplinary, or other functions or activities of the District.

2. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.

3. Unauthorized use of a personal electronic device in an instructional or testing environment (such as smart watch, cell phone or tablet).

4. Dishonesty, forgery, alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.

5. Cauising, attempting to cause, or threatening to cause physical injury to another person.

6. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, which is concurred in by the college president.

7. Unlawful possession, use, sale, offer to sell or purchase, or furnish-
10. Engaging in expression which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.

11. Unauthorized possession or use of any personal property or equipment of the District.

12. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen District property or private property on campus.

13. Willful or persistent smoking (including electronic cigarette devices) in any area where smoking has been prohibited by law or by regulation of the college or the District.

14. Committing sexual harassment as defined by law or by District policies and procedures.

15. Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.

16. Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying; “bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

a. Placing a reasonable student or students in fear of harm to that student’s or students’ person or property;

b. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health;

c. Causing a reasonable student to experience substantial interference with his or her academic performance;

d. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the District.

17. Engaging in intimidating or bullying against District personnel through words or actions. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.

18. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.

19. Lewd, indecent, or obscene conduct on District-owned or controlled property or at District-sponsored or supervised functions.

20. Engaging in expression which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.

21. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

22. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

23. Unauthorized entry upon or use of District facilities.

24. Sexual Assault, defined as actual or attempted sexual contact with another person without that person’s consent, regardless of the victim’s affiliation with the community college, including, but not limited to the following:

a. Intentional touching of another person’s intimate parts without that person’s consent or other intentional sexual contact with another person without that person’s consent.

b. Coercing, forcing, or attempting to coerce or force a person to touch another person’s intimate parts without that person’s consent.

c. Rape, which includes penetration, no matter how slight, without the person’s consent of either of the following:

1. The vagina or anus of a person by any body part of another person or by an object.

2. The mouth of a person by the sex organ of another person.

25. Sexual exploitation, defined as a person taking sexual advantage of another person for the benefit of anyone other than that person without that person’s consent, regardless of the victim’s affiliation with the community college, including, but not limited to, any of the following:

a. Prostituting another person.

b. Recording images, including video or photograph, or audio of another person’s sexual activity, intimate body parts, or nakedness without that person’s consent.

c. Distributing images including video or photograph, or audio of another person’s sexual activity, intimate body parts, or nakedness, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to the disclosure and objected to the disclosure.

d. Viewing another person’s sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person’s consent, and for the purpose of arousing or gratifying sexual desire.

26. Any act which is defined as a felony, misdemeanor or infraction under the laws of the State of California.

Non-students or persons not affiliated with the college who interfere, obstruct, interrupt, or detract from the operation of the college or the promotion of its educational or community objectives are subject to criminal action under the State of California Penal Code, Section 602.10.

Cuesta College Campus Police Administrator or designee have the authority to withdraw of consent for all individuals to remain on any of the San Luis Obispo County Community College District campuses or District property under the State of California Penal Code, Section 626.4(a).
AUTHORITY OF INSTRUCTOR
The Board of Trustees shall establish rules and regulations for student conduct while on campus and/or engaged in any college-sponsored activity.

The Vice President of Student Services and College Centers or designee shall be responsible for enforcing rules and regulations and administering the disciplinary functions for all activities of students at times and places when students are under the District's jurisdiction; however, an individual instructor is given the power to remove a student from his or her class for good cause for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the Vice President of Student Services and College Centers for appropriate action.

During the period of removal, a student shall not be returned to the class from which he or she was removed without the concurrence of the instructor of the class.

STUDENTS IN THE ASSOCIATE DEGREE NURSING PROGRAM CODE OF CONDUCT
The Board of Trustees determines that the following policies govern the participation of alcohol- or drug-impaired students in the Associate Degree Nursing Program.

1. The nursing program, in addition to offering an academic program, includes clinical course work. The safety of patients under the care of student nurses must be assured. The instructor and the Director of Nursing Programs may take immediate corrective action to remove a student impaired by alcoholism or drug abuse from the clinical program if the student demonstrates by his/her conduct and performance in the clinical setting that he/she is a danger to the health and safety of patients under his/her care.

2. After evaluation and due process, students considered by the Director of Nursing Programs to be impaired by drugs or alcohol will be allowed to continue their studies, including clinical course work. The safety of patients under the care of student nurses must be assured. The instructor and the Director of Nursing Programs to be impaired by drugs or alcohol will be allowed to continue their studies, including clinical course work, as long as they are adhering to the provisions of a contract between the college and the student for the student's retention.

3. Information on the student's condition is confidential and will not be disclosed except when necessary to protect the safety of patients under the care of student nurses.

4. An individual contract of retention will be developed by the student, rehabilitation therapist, and the Director of Nursing and shall specify:
   a. That the student must participate in an approved drug or alcohol treatment and rehabilitation program for the duration of his/her nursing program studies.
   b. That evidence of satisfactory attendance and progress will be provided to the college on a regularly scheduled basis.
   c. That the student will consent to periodic random drug screening as part of the treatment and rehabilitation program.
   d. That the impaired student will give all medications under direct supervision and that the student will not have access to keys to medications.
   e. That if the student fails to adhere to the conditions of the contract for retention, the same procedure will be followed as with any other student on probation; the circumstances of the violation will be reviewed by the nursing faculty as a whole; and recommendations for the retention or dismissal will be made to the Director of Nursing Programs, who will then make the decision after advising the Vice President of Student Services and College Centers.

5. Information on the student's dismissal from the nursing program will be reported to the Board of Registered Nursing when such information is requested by the Board of Registered Nursing.

STUDENT DISCIPLINE
Administrative Procedure 5520

The purpose of this procedure is to provide a prompt and equitable means to address violations of the Standards of Student Conduct, which guarantees to the student or students involved the due process rights required by state law. This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by the District or other agencies.

These Administrative Procedures are specifically not intended to infringe in any way on the rights of students to engage in free expression as protected by the state and federal constitutions, and by Education Code Section 76120, and will not be used to punish expression that is protected.

Definitions: District – The San Luis Obispo County Community College District.

Student – Any person actively enrolled as a student at any site or in any program offered by the District.

Instructor – Any academic employee of the District in whose class a student subject to discipline is enrolled, or counselor who is providing or has provided services to the student, or other academic employee who has responsibility for the student's educational program or has provided services to the student.

Short-term Suspension – Exclusion of the student by the Superintendent/President or designee for good cause from one or more classes for a period of up to ten consecutive days of instruction.

Long-term Suspension – Exclusion of the student by the Superintendent/President or designee for good cause from one or more classes for the remainder of the school term, or from all classes and activities of the college for one or more terms which duration shall be specified in the suspension order.

Expulsion – Permanent exclusion of the student from the District for good cause when other means of correction fail to bring about proper conduct, or when the presence of the student causes a continuing danger to the physical safety of the student or others. An order of expulsion may also provide a date for when the student may apply for reenrollment. The Board of Trustees may also impose a suspended expulsion, on such terms as the Board of Trustees may determine appropriate.

Removal from class – Exclusion of the student by an instructor from his or her class for the day of the removal and the next class meeting.

Written or Verbal Reprimand – An admonition to the student to cease and desist from conduct determined to violate the Standards of Student Conduct. Written reprimands shall be come part of a student's record at the District for disciplinary reporting purposes and may be removed one year from the date of the incident, if there are no further reported incidents during that one year time period. A verbal reprimand will not become a part of a student's record; however it may be retained by the Assistant Superintendent/Vice President Student Services and College Centers or designee's office for purposes of disciplinary tracking.

Withdrawal of Consent to Remain on Campus – Withdrawal of consent by the Director of Police and College Safety Services, also serving as the Chief of Police for the District, or designee, for any
person to remain on campus in accordance with California Penal Code Section 626.4 where the Director of Police and College Safety Services or designee, has reasonable cause to believe that such person has willfully disrupted the orderly operation of the campus.

**Day** – Days during which the District is in session and regular classes are held, excluding Saturdays and Sundays.

**Process: Short-term Suspensions, Long-term Suspensions, and Expulsions:** Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply:

- **Notice** – The Assistant Superintendent/Vice President Student Services and College Centers or designee will provide the student with written notice of the conduct warranting the discipline. The written notice will include the following:
  - the specific section of the Standards of Student Conduct that the student is accused of violating
  - a statement of the facts supporting the accusation
  - the right of the student to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee to discuss the accusation, to provide additional information not previously considered, and to state why the proposed disciplinary action should not be imposed. The student may respond in writing
  - the disciplinary action that is being considered.

- **Time Limits** – The notice must be provided to the student within 20 days of the date on which the conduct took place; in the case of continuous, repeated or ongoing conduct, or where an investigation of allegations is to be conducted, the notice must be provided within 15 days of the date on which either the conduct occurred which led to the decision to take disciplinary action, or within 10 days of completion of an administrative determination based on an investigation.

- **Meeting** – If the student chooses to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the meeting may occur no sooner than one day after the notice is provided, but no later than 15 days after the notice is provided. At the meeting, the student must again be given, orally or in writing, the facts on which the notice is based. The student must be given an opportunity to respond verbally or in writing to the accusation, and to state why the proposed disciplinary action should not be imposed. The Assistant Superintendent/Vice President Student Services and College Centers or designee will discuss the disciplinary action being considered. If the proposed disciplinary action is long-term suspension or expulsion, the Vice President of Student Services and College Centers or designee may deem it appropriate or necessary to impose a short-term suspension prior to the disciplinary hearing. The Vice President Student Services and College Centers or designee may impose reasonable conditions for student’s continued enrollment and/or re-enrollment.

- **Expulsion** – Within 10 days after the meeting described above, the Superintendent/President or designee, shall, pursuant to a recommendation from the Assistant Superintendent/Vice President Student Services and College Centers or designee, decide whether to impose a short-term suspension, whether to impose some lesser disciplinary action, whether to impose conditions for continued enrollment, or whether to dismiss the matter. Written notice of the Superintendent/President, or designee’s decision shall be provided to the student. Where the Superintendent/President, or designee, determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/or sent as a confidential email attachment. In all cases, the District will send notice to the student by certified mail to last address the student has on file with the District. The notice shall include the reported facts of the allegations that support the disciplinary action, the length of time of the suspension, or the nature of the lesser disciplinary action. The Superintendent/President, or designee’s decision on a short-term suspension shall be final.

**Short-term Suspension** – Within 10 days after the meeting described above, the Superintendent/President, or designee, shall, pursuant to a recommendation from the Assistant Superintendent/Vice President Student Services and College Centers, or designee, decide whether to impose a short-term suspension, whether to impose some lesser disciplinary action, whether to impose conditions for continued enrollment, or whether to dismiss the matter. Written notice of the Superintendent/President, or designee’s decision shall be provided to the student. Where the Superintendent/President, or designee, determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/or sent as a confidential email attachment. In all cases, the District will send notice to the student by certified mail to last address the student has on file with the District. The notice shall include the reported facts of the allegations that support the disciplinary action, the length of time of the suspension, or the nature of the lesser disciplinary action. The Superintendent/President, or designee’s decision on a short-term suspension shall be final.

**Long-term Suspension** – Within 10 days after the meeting described above, the Superintendent/President or designee, shall, pursuant to a recommendation from the Assistant Superintendent/Vice President Student Services and College Centers or designee, decide whether to impose a long-term suspension. Written notice of the Superintendent/President or designee’s decision shall be provided to the student. The notice shall include the reported facts of the allegations that support the disciplinary action, the length of time of the suspension. Where the Superintendent/President or designee determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/or sent as a confidential email attachment. In all cases, the District will send notice to the student by certified mail to last address the student has on file with the District. The notice shall include the right of the student to request a formal hearing before a long-term suspension is imposed, and a copy of the policy describing the procedures for a hearing.

If the student fails to respond within 5 days after receipt of the Superintendent/President or designee’s decision or declines a formal hearing, the Superintendent/President or designee’s decision on a long-term suspension shall be final.

- **Meeting** – If the student chooses to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the meeting may occur no sooner than one day after the notice is provided, but no later than 15 days after the notice is provided. At the meeting, the student must again be given, orally or in writing, the facts on which the notice is based. The student must be given an opportunity to respond verbally or in writing to the accusation, and to state why the proposed disciplinary action should not be imposed. The Assistant Superintendent/Vice President Student Services and College Centers or designee will discuss the disciplinary action being considered. If the proposed disciplinary action is long-term suspension or expulsion, the Vice President of Student Services and College Centers or designee may deem it appropriate or necessary to impose a short-term suspension prior to the disciplinary hearing. The Vice President Student Services and College Centers or designee may impose reasonable conditions for student’s continued enrollment and/or re-enrollment. Conditions may include required participation in District student support services such as academic counseling or mental health counseling, or private off-campus services such as drug treatment programs.

If the student declines to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the proposed disciplinary action will be imposed. The Assistant Superintendent/Vice President Student Services and College Centers or designee’s disciplinary action decision will be final. Written notice of the decision shall be provided to the student. The notice shall include the reported facts of the allegations that support the disciplinary action, and the fact that the allegations were uncontradicted by the student by declining a meeting, or failing to respond to the Assistant Superintendent/Vice President Student Services and College Centers or designee, within the 15 days after initial notice was provided.
hearing, the Superintendent/President or designee's decision on expulsion shall be final.

Hearing Procedures – Request for Hearing: Within 5 days after receipt of the Superintendent/President or designee's decision regarding a long-term suspension, or expulsion, the student may request a formal hearing. The request must be made to the Superintendent/President or designee and must be submitted in writing.

This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by the District or other agencies.

Schedule of Hearing – The formal hearing shall be held within 20 days after a formal request for hearing is received.

The District reserves the right for the Board of Trustees to hear the matters itself or to use the services of a Hearing Officer in lieu of a Hearing Panel.

Hearing Panel – The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member and one student.

The Superintendent/President or designee, the president of the Academic Senate, and the president of the Associated Student Organization shall each, at the beginning of the academic year, establish a list of at least five persons from each group who will serve on student disciplinary hearing panels. The Superintendent/President or designee shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

Hearing Panel Chair – The Superintendent/President or designee shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

Conduct of the Hearing:

The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins, as well as any other supporting documentation previously provided to the student.

The facts supporting the accusation shall be presented by a college representative who shall be the Assistant Superintendent/Vice President Student Services and College Centers or designee.

The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unable to be physically present, thus unavailable to testify. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. Hearsay evidence may be considered by the panel, and given the weight to which it is entitled. The college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.

The student may represent himself/herself, and may also have the right to be represented by a person of his/her choice. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. If the student is represented by an attorney; the college representative may be assisted by an attorney. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential.

In a closed hearing, witnesses, with the exception of the accused student and the college representative, shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. The hearing shall be recorded by the District. The official recording shall be the only recording made.

No witness who refuses to be recorded may be permitted to give oral or written testimony. A witness who refuses to be recorded is not considered to be unavailable, and may not be permitted to give written testimony. In the event the recording is by audio recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. If the District requests that the audio recording is to be transcribed, the student shall be provided with a copy of the transcription.

Within 15 days following the close of the hearing, the hearing panel shall prepare and send to the Superintendent/President, or designee, a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matters outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

Superintendent/President's Decision:

Long-term Suspension – Within 10 days following receipt of the hearing panel's recommended decision, the Superintendent/President or designee shall render a final written decision. The Superintendent/President or designee may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the Superintendent/President or designee modifies or rejects the hearing panel's decision, the Superintendent/President shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Superintendent/President or designee shall be final.

Expulsion – Within 10 days following receipt of the hearing panel's recommended decision, the Superintendent/President or designee shall render written recommended decision to the Board of Trustees. The Superintendent/President or designee may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the Superintendent/President or designee modifies or rejects the hearing panel's decision, he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The Superintendent/President or designee's decision shall be forwarded to the Board of
**Board of Trustees Decision:** The Board of Trustees shall consider any recommendation from the Superintendent/President or designee for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures (Education Code Section 72122).

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board’s meeting. The student may, within forty-eight hours after receipt of the notice, request a copy of the disciplinary hearing recording. If the recording was an audio recording, the District will request that the recording be professionally transcribed and the student shall be provided with a copy of the transcription.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the Superintendent/President or designee or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

**Authority for Immediate Removal:**

**Immediate Interim Suspension (Education Code Section 66017):** The Superintendent/President or designee may order immediate suspension of a student where he/she concludes that immediate suspension is required to protect lives or property or to ensure the maintenance of order. The Assistant Superintendent/Vice President Student Services and College Centers or designee will provide the student with written notice of the conduct warranting the immediate interim suspension. The written notice will include the following:

- the day and time of the reported incident
- the specific section of the Standards of Student Conduct that the student is accused of violating
- a statement of the facts supporting the accusation
- the definition of immediate interim suspension
- the disciplinary action that is being considered beyond the immediate interim suspension
- the right of the student to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee to discuss the accusation and to provide additional information not previously considered, or to respond in writing.

Where the Superintendent/President or designee determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/or sent as an email attachment. In all cases, the District will send notice to the student by certified mail to his or her last address on file with the District. If the student chooses to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the meeting must occur no sooner than one day after the notice is provided, but no later than 15 days after the notice is provided. At the meeting, the student must again be given, orally or in writing, the facts on which the accusations in the notice are based. The student must be given an opportunity to respond verbally or in writing to the accusations.

If the recommended action is long-term suspension, the student is afforded all rights, as delineated under the long-term suspension section of these procedures. The interim suspension status remains in effect until the outcome of the recommended action is determined.

If the student declines to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the Superintendent/President or designee, shall, pursuant to a recommendation from the Assistant Superintendent/Vice President Student Services and College Centers or designee, impose a long-term suspension. The decision of the Superintendent/President or designee shall be final.

Written notice of the Superintendent/President’s decision shall be provided to the student. The District will send notice to the student by certified mail to last address the student has on file with the District.

**Removal from Class (Education Code Section 76032):** Any instructor may order a student removed from his/her class for the day of the removal and the next class meeting. The instructor shall promptly report the removal to the Superintendent/President and the Assistant Superintendent/Vice President Student Services and College Centers or designee. The Assistant Superintendent/Vice President Student Services and College Centers or designee shall meet with the student and at the request of the student, will arrange for a conference between the student and the instructor regarding the removal. If the instructor or the student requests, the Assistant Superintendent/Vice President Student Services and College Centers or designee, shall attend the conference. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the Assistant Superintendent/Vice President Student Services and College Centers or designee from recommending disciplinary action in accordance with these procedures based on the facts which led to the removal.

**Withdrawal of Consent to Remain on Campus:** The Director of Police and College Safety Services, also serving as the Chief of Police for the District may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he/she must promptly leave or be escorted off campus. If consent is withdrawn by the Director of Police and College Safety Services a written report must be promptly made to the Superintendent/President.

If the person from whom consent has been withdrawn is a student, they may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to immediate interim suspensions.

If the person from whom consent has been withdrawn is not a student, then he/she may submit a written request for a meeting with the Superintendent/President within the period of the withdrawal. The request shall be granted not later than seven days from the date of
In no case shall consent be withdrawn for longer than 14 days from the date upon which consent was initially withdrawn.

Any person to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest (Penal Code Section 626.4).

Time Limits: Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties, and confirmed in writing.

In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten (10) days.

Students have the right to pursue their complaint after completing the above complaint process with the California Community Colleges Chancellor’s Office (CCCCO). CCCCO provides students and others with a method and process outside of the institution that takes, investigates, and responds to complaints regarding the institution. The link to the CCCCO process and form is https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/General-Counsel/Programs/College-District-Discrimination-Appeals. CCCCO has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, Sections 600.9 (b) (3) and 668.43(b).

STUDENT COMPLAINT PROCESS
Students wishing to file a complaint should follow the Student Complaint Process and initiate direct contact with the appropriate individual indicated on the Student Complaint Referral Grid. Please refer to myCuesta website for current referral grid: (https://www.cuesta.edu/about/leadership/vpss/StudentComplaintProcess.html).

Academic complaints; the student should begin by first talking to the instructor about the academic matters including grades and curriculum to attempt resolution. If this is unsuccessful, the student may then proceed with the steps cited in the Student Complaint Referral Grid. The appropriate path is faculty member, Division/Department Chair, area Dean, and finally, the Vice President Academic Affairs.

Non-academic complaints; the student should begin by first talking to the Vice President Student Services or designee about the appropriate steps to take, or the protocol to follow regarding a complaint.

While it is recognized that the grid represents the ideal sequence of opportunities for resolving student complaints, it is understood that when actual situations arise, the parties involved will use their best judgment regarding complaint resolution depending upon the availability of personnel and the immediacy of the problem. The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee, serve as a clearing-house for students dissatisfied with an experience on campus, who may not be knowledgeable about the appropriate steps to take, or the protocol to follow regarding a complaint.

The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center, or designee, will assist the student in following the Student Complaint Process or initiate a referral to the appropriate individual. The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center, or designee, will contact the individual to whom the student is being referred to facilitate resolution.

The student complaint grid indicates the appropriate personnel sequence for who students should contact for informally resolving student complaints. If a student, after completing the Student Complaint Referral Grid steps, is not satisfied with the solution posed through the Student Complaint process, the student has the option of making an appointment with the Resolution Coordinator or designee in the Vice President of Student Services and College Centers office on the San Luis Obispo Campus or the Dean of the North County Campus and South County Center on the North County Campus, to evaluate the next steps which may be the filing of a formal grievance.

A complaint is grievable if it is non-disciplinary and involves the process, application, or interaction of school policy—in other words, how something was done or processed. In general, a complaint is not grievable if it involves the content of existing policy. For specific information regarding the Student Grievance Procedure, refer to Cuesta College Board Policy 5530.

Students have the right to pursue their complaint after completing the above complaint process with the California Community Colleges Chancellor’s Office (CCCCO). CCCCO provides students and others with a method and process outside of the institution that takes, investigates, and responds to complaints regarding the institution. The link to the CCCCO process and form is https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/General-Counsel/Programs/College-District-Discrimination-Appeals. CCCCO has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, Sections 600.9 (b) (3) and 668.43(b).

The District strongly encourages anyone who believes they are being harassed or discriminated against, to file a complaint following the steps in Administrative Procedure 3435 Discrimination and Harassment Investigations.

AP 3435 DISCRIMINATION AND HARASSMENT INVESTIGATIONS
The District strongly encourages anyone who believes they are being harassed or discriminated against, to file a complaint following the steps in Administrative Procedure 3435 Discrimination and Harassment Investigations.

BP 5530 STUDENT GRIEVANCE PROCEDURE
A grievance shall mean a complaint, other than one dealing with civil rights discrimination,* which has been filed by a student or by a student’s designee on his/her behalf. The primary purpose of the following procedure is to secure at the earliest level possible an equitable solution to a complaint.

LEVEL 1. The student should contact in person the Vice President of Student Support (or designee appointed by the Vice President of Student Support) and present his/her complaint. If the grievance is not resolved, the student can submit to the Vice President of Student Support (or designee) a written appeal for further consideration. (Time limit: ten calendar days from the date of appointment with the Vice President of Student Support, or designee.)

LEVEL 2. A Student Appeals Committee, made up of three faculty and three student members jointly appointed by the Vice President of Student Support (or designee), and the ASCC President, then will be convened within ten calendar days after receiving the appeal and will submit its finding to the student in writing within an additional ten days. If the complaint is not resolved, a written appeal can be filed by the student to the Superintendent/President within ten calendar days. When a grievance involves the Vice President of Student Support (or...
designee) (Level 1) and/or the Associated Students Cuesta College (A.S.C.C.) President and the Vice President of Student Support (or designee) (Level 2), those responsibilities listed above for these two positions at Levels 1 and 2 shall be assumed by the Superintendent/President (or designee appointed by the Superintendent/President) of the District.

LEVEL 3. The student will appeal in writing with all supportive evidence to the Superintendent/President (or designee) who will evaluate the evidence and submit his/her finding in writing to the student within ten calendar days after receiving the appeal.

LEVEL 4. A final written appeal may be made to the Board of Trustees within thirty calendar days of the written response of the Superintendent/President (or designee). The decision of the Board will be given within thirty calendar days of the initial meeting at which the complaint is discussed.

*When a student has a complaint which involves (1) sexual harassment, (2) civil rights discrimination on the basis of ethnicity, race, national origin, religious beliefs, age, gender, color, physical or mental disabilities, veteran status, sexual orientation or sexual identity, or marital status, or (3) retaliation for filing a sexual harassment or other unlawful discrimination complaint, referring a matter for investigation, participating in an investigation of a complaint, serving as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of the District's unlawful discrimination policy (Policy 1565), then the matter is to be referred to the Executive Director of Human Resources and Labor Relations as such matters are to be handled pursuant to Policy 1565 (unlawful discrimination) and not as a student grievance.

STUDENT EQUITY AND ACHIEVEMENT PROGRAM
The Student Equity and Achievement Program brings the student and the District into agreement regarding the student's educational goal through the District's established programs, policies, and requirements. The agreement is implemented by means of the student educational plan.

Student Rights and Responsibilities
Each non-exempt student, in entering into a student educational plan, will do all of the following:

- identify an education and career goal;
- identify a course of study;
- participate in the placement process to determine appropriate course recommendations;
- complete orientation;
- participate in the development of a student educational plan;
- complete a student educational plan no later than the term after completing 15 semester credits of degree applicable credit coursework;
- diligently attend class and complete assigned coursework;
- complete courses and maintain progress toward an educational goal.

Exemptions
Students that have completed an associate degree or higher may be exempt from participation in orientation, placement, counseling, advising, or student education plan development. Students exempted from any of the matriculation components are notified in their myCuesta student portal; nonetheless, exempt students are encouraged to participate in these services.

TRANSCRIPTS TO CUESTA COLLEGE
Official transcripts from all other institutions must be submitted to the Cuesta College Records Office prior to enrollment. Lower division (freshman/sophomore level) coursework from regionally-accredited colleges and universities will be evaluated and may be transferred to Cuesta College to meet certificate requirements, degree requirements, and requirements for transfer certification. If non-native credits are from a college or university on the quarter system, these credits will be converted to semester credits (quarter credits/1.5=semester credits).

Non-native coursework will be evaluated based on regional accreditation standards using the grades received at that institution. Cuesta College considers a grade of C- as substandard and eligible for repetition.

Official (sealed) copies of transcripts from colleges, universities and high schools attended should be submitted to:
Cuesta College Records Office
PO Box 8106
San Luis Obispo, CA 93403-8106

Transcripts should be submitted ahead of registration, in time for academic advising and prerequisite clearance. Final official transcripts, showing all coursework and grades received, must be received before GE certifications and degree and certificate evaluations may be completed. Transcripts are evaluated based on the AACRAO guidelines for regionally-accredited post-secondary institutions.

Upon application for the associate degree or transfer certification, non-native coursework credits will be included and reviewed with the Cuesta College student record. Applications for the associate degree and transfer certification are available in the Enrollment Services (Admissions and Records) Office or website.

Transcripts submitted to Cuesta College become the property of Cuesta College and will not be released to students, other colleges, or agencies. Plan to request a personal copy from your former college or university if you need one for your records.

TRANSCRIPTS FROM CUESTA COLLEGE
A written or electronic request by the student is required to release transcripts.

Transcripts ordered electronically will be mailed within 2-4 working days from the date of request in most cases. An electronic notification will inform the student of the status of their transcript order and notify them of any holds. The fee for the electronic transcript request is $6.50 per copy. Transcripts ordered in-person will be mailed within 2-3 weeks and cost $3 per copy after the first two free copies.

Unofficial transcripts are available for viewing and printing through myCuesta on the Cuesta College website. Access to myCuesta requires the student username and password.

Transcripts will not be produced for students who have a hold on their records.
VOTER REGISTRATION

Voter registration forms are available year-round at various campus locations, including the Student Services Building and ASCC Student Government Offices. Students can also register online on the California Secretary of State’s web site at http://registertovote.ca.gov/student.

With the passage of California Senate Bill No. 854-Chapter 481, state-funded higher education institutions - community colleges, California State University system and University of California campuses - are required to allow students to request voter registration materials online through a link in their course registration system. As a result of this legislation, Cuesta students are able to link to the online voter registration application from the myCuesta student portal in the Steps to Success channel. The direct link to the California Secretary of State Web site allows students to complete the voter registration process online as long as they possess a California driver license or identification card number.
DEGREES, CERTIFICATE AND TRANSFER PLANNING
ASSOCIATE DEGREES AND CERTIFICATES

To apply for an associate degree or certificate, complete the Cuesta College Associate Degree Application or the Cuesta College Certificate Application. An official evaluation of your records will be completed to determine if you have met your stated degree or certificate requirements. You may be automatically awarded degrees and/or certificates for which you have met the requirements but have not yet applied. You will be notified when your records have been evaluated.

Degree candidates are encouraged to participate in the Cuesta College Commencement Ceremony which takes place each May on the San Luis Obispo campus. Commencement information is available on the Evaluations Office website, in the Commencement channel in myCuesta student portal or commencement website at http://bit.ly/cuestagrad

CATALOG RIGHTS
Catalog rights allow a student the ability to self-identify a particular catalog year which he or she will fulfill the published requirements for a particular degree or certificate. Catalog rights protect students from being unfairly disadvantaged when degree or certificate patterns change from one catalog year to the next. Thus, students may choose to graduate under catalog requirements in effect during the academic year they first enroll at Cuesta, or, during any preceding catalog year during the time of their continuous enrollment at Cuesta College. Continuous enrollment is defined as enrollment at Cuesta during at least one fall or spring term each academic year. Students who are not enrolled at Cuesta for two regular consecutive semesters (e.g. fall and spring) must follow degree and certificate requirements in effect at the time of their re-enrollment at Cuesta College. Students who are no longer enrolled at Cuesta College, but wish to obtain an active degree or certificate will need to fulfill the current degree/certificate requirements.

REQUISITE CREDIT REQUIREMENTS FOR DEGREE, CERTIFICATE, GE CERTIFICATION AND APPLICATION OF ALTERNATIVE EDUCATION CREDIT

Residency credit does not refer to whether or not a student is a resident of the State of California.

Residency credit is defined as credits earned while in residence at the campus granting the degree, certificate, general education certification, or application of alternative education credit.

Credit that does not satisfy the residency credit requirement:

- Advanced Placement
- Credit-by-Exam
- Military
- Other alternative education credit

Residency credit required for the awarding of Cuesta College degrees, certificates and general education certifications:

- DEGREES - Minimum of 12 semester credits
- CERTIFICATE OF ACHIEVEMENT - Minimum of two of the required courses
- CERTIFICATE OF COMPETENCY - Minimum of one of the required courses
- CERTIFICATE OF COMPLETION - Minimum of one of the required courses
- CERTIFICATE OF SPECIALIZATION - Minimum of one of the required courses
- CSU GENERAL EDUCATION CERTIFICATION - Minimum of one course (at least three semester credits)
- IGETC (Intersegmental General Education Transfer Curriculum) – Minimum of one course (at least three semester credits)

Residency credit required for the application of alternative education credit:

- CREDIT-BY-EXAM - Minimum 12 semester credits with “C” average work
- ADVANCED PLACEMENT - Minimum 12 semester credits
- MILITARY CREDIT - Minimum 12 semester credits of “C” average work

REQUIREMENTS FOR THE ASSOCIATE DEGREE

Graduates from Cuesta College have conferred upon them the degree of Associate in Arts or Associate in Science. Requirements for graduation are prescribed by the Board of Governors of the California Community Colleges and the District Board of Trustees.

Designated Degree Requirements

- 60 semester degree applicable credits overall
- 18 credits of Cuesta general education coursework with a minimum overall GPA of 2.00
- Prescribed coursework in a specific major with grades of “C” or better
- Residency
- Health Education
- Diversity
- English Competency
- Math Competency
- 2.00 GPA overall

A.A., Liberal Arts Requirements

- 60 semester transferable credits overall (CSU or UC)
- lower division coursework only (use of upper division credit is subject to appeal)
• Completion of the CSU GE with an overall minimum GPA of 2.0, or
• Completion of IGETC (minimum grade of “C” required in all coursework), or
• Completion of Cuesta AAGE with a minimum overall GPA of 2.0
• 18 semester credits of coursework in one of the following Areas of Emphasis with grades of “C” or better:
  - Arts and Humanities
  - Science
  - Social and Behavioral Sciences

For Depth, two courses must be from a single discipline
For Breadth, at least three disciplines must be selected

ASSOCIATE DEGREES FOR TRANSFER (ADT)
A Degree with a Guarantee
Cuesta College offers Associate Degrees for Transfer to the CSU. This includes Associate in Arts (AA-T) and Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. Cuesta College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific or campuses, but can make you more competitive.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120 semester credits baccalaureate degree within 60 semester or 90 quarter credits.

To view the most current list of Cuesta College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements:
1. Completion of 60 semester credits or 90 quarter credits that are eligible for transfer to the California State University, including:
2. The California State University General Education Breadth Requirements (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC), and
3. A minimum of 18 semester credits or 27 quarter credits in a major or area of emphasis, as determined by the community college district.
4. A minimum overall grade point average of 2.0 in all CSU-transferable coursework.
5. A “C” or better grade or a “P” grade if the course is taken on a pass/no-pass basis, in all courses required for the major or area of emphasis. External exams such as Advanced Placement, etc. are not subject to this grade restriction.

Per SB 1440 guidelines, students earning Associate Degree for Transfer are exempt from having to satisfy Cuesta’s local general education/graduation requirements.

Consult with the Cuesta College Transfer Center for mandatory application, evaluation and notification deadlines.

Important Information for Transfer-bound Students
Earning an associate degree may not guarantee transfer readiness into a particular CSU or UC campus or major. Consult with an academic counselor for details and a thorough evaluation of your transferable credits, grade point average, and lower division major preparation.

Required Records for Degree Evaluation
Cuesta College incorporates all associate degree applicable coursework from all regionally accredited institutions attended, into overall totals for the degree.

Official transcripts are required from all post secondary institutions attended. Incomplete or missing transcripts and other records will cause the degree to be denied.

Official documentation is required for Advanced Placement scores and other sources of alternative education.

Any foreign credentials must be independently evaluated and the official independent evaluation submitted to the Evaluations Office. Academic Credentials Evaluation Institute, Inc. (ACEI) is the preferred provider for independent evaluation of foreign credentials (http://www.acei1.com), and a “comprehensive” evaluation is required.

CUESTA GENERAL EDUCATION
General education is a cohesive pattern of courses intended to serve three purposes: to strengthen students’ essential intellectual skills; to broadly introduce students to the core concepts and methods of the major disciplines; and to prepare students to lead enriched lives in our multicultural society. General education courses are distinguished from those required for a major or allowed as freely chosen electives. Courses in the general education category are “general” in two senses: independently, they survey the core concepts and methods of the discipline in which they are included; and they point, where possible, to the influences and contributions of the discipline to other disciplines, culture, human history and our quest to understand our universe.

Through this program, students will acquire the ability to think and communicate clearly and effectively both orally and in writing; to use mathematics and other symbolic systems; to understand the modes of inquiry of the major disciplines; to appreciate the structures and processes of the natural environment; to be aware of other cultures and times; to achieve insights by thinking about ethical and social problems; to understand and appreciate the history of U.S. culture and its governing institutions.
OVERARCHING GENERAL EDUCATION OUTCOMES
Upon completion of the general education course pattern, in addition to the area-specific outcomes, students should be able to:

- identify, explain, and analyze the core concepts and methods of the major discipline in which the course is included;
- identify, explain, and analyze the influences and contributions of the specific discipline to other disciplines, cultures, human history, and our quest to understand the universe.
- organize, integrate, and critically analyze information within the course, using these skills to generate and evaluate alternative perspectives; and
- prepare students to live enriched lives in our multicultural society.

AREA A: PHYSICAL AND LIFE SCIENCES
After successfully completing courses in this category, students will:

- demonstrate understanding of the scientific method and its role in research, analyze problems in a structured way, and develop and employ strategies for solutions using scientific principles.
- demonstrate understanding of the empirical bases for current scientific theories, how those theories develop and change, and how they explain the natural world.
- appreciate the influence of scientific knowledge on the development of civilization.

AREA B: SOCIAL AND BEHAVIORAL STUDIES
After successfully completing courses in this category, students will:

- demonstrate understanding of the theories and be able to employ and evaluate the methods of social science inquiry.
- analyze and critically assess ideas about the individual, social groups, institutions and society, as well as their interrelationships, structure and function.
- use this knowledge to develop a capacity for self-understanding and to understand contemporary issues, conflicts, problems and their origins.

AREA C: ARTS AND HUMANITIES
After successfully completing courses in this category, students will:

- recognize the value of the great works of the human imagination in a broad context and understand their contribution to human culture.
- analyze and appraise cultural/artistic achievements in verbal and/or non-verbal forms.

Since language acquisition is a door to understanding the arts and humanities of other cultures, students who acquire second language skills also fulfill the category C requirement.

AREA D: ENGLISH AND MATH COMPETENCY REQUIREMENT
Competency in reading, written expression, and mathematics must be demonstrated. The reading and written expression competency requirement is satisfied by completing English 201A, or an equivalent college level writing course with a grade of “C” or better, from a regionally accredited institution.

The mathematics competency requirement is satisfied by completing Math 126B or 127, or a higher college level mathematics course, with a grade of “C” or better. Equivalent college level mathematics courses completed at regionally accredited colleges and universities are also acceptable.

(Note: Students who have been in attendance at Cuesta or any regionally accredited institution prior to Fall 2009 should see a Cuesta counselor to establish catalog rights regarding competency requirements.)

AREA D1: COMMUNICATIONS IN ENGLISH
After successfully completing this category, students will be able to:

- read and write effective expository and argumentative prose with a focus on inquiry as well as persuasion.
- read critically in order to comprehend the central ideas and rhetorical techniques in the assigned texts.
- demonstrate an ethical use of various rhetorical techniques in their written work.

AREA D2: ANALYTICAL THINKING
After successfully completing this category, students will be able to:

- construct and analyze statements in a formal symbolic system, and understand the relationship between the symbolic system and its various applications in the real world.
- appreciate the strengths and limitations of the system, its logical structure, and its derivation.

AREA E: AMERICAN INSTITUTIONS
After successfully completing courses in this category, students will:

- demonstrate understanding of the impact of social, political, and economic forces in the historical development of the U.S.
- employ interpretative skills to analyze historical causes and effects.
- demonstrate an enhanced understanding of the interrelationship among the branches of our government over time.
- develop an understanding of U.S. cultural and social diversity, and ethnic, gender, and class conflict.

DIVERSITY REQUIREMENT
After successfully completing the requirement, students will be able to:

- identify, assess, and challenge biased assumptions and behaviors of individuals and societal institutions.
- analyze inter-group relations within categories of identity, such as race, ethnicity, gender, religion, sexual orientation, class, ability, nationality, or age.
• examine struggles of non-dominant groups for power, justice, and access to resources.

HEALTH REQUIREMENT
After successfully completing this requirement, students will be able to apply a breadth and depth of knowledge that is inclusive of all the dimensions of health (e.g., spiritual, environmental, social, mental, emotional, and physical). The scope and content of the health education course work in this requirement provides the student with the knowledge and problem solving skills essential to evaluate health literature, analyze personal health risks and promote lifestyle choices. This preparation empowers the student to make relevant choices applicable to their genetic, environmental, and health risk factors that ultimately optimize mind/body/spirit health over a lifetime.

• Describe and discuss content of the major chronic diseases in the United States.

• Evaluate individual risk factors for chronic diseases from a genetic, environmental, and lifestyle perspective.

• Describe and discuss content about communicable diseases/infections (e.g., STI's, Hepatitis C) including symptoms and prevention.

• Analyze the influence of environmental and nutritional concepts on food choices.

• Relate diet, exercise, and stress management to prevention of diseases and psychological well being.

• Develop an appropriate physical fitness program that includes cardiovascular conditioning, muscle strength and endurance training, and flexibility.

• Examine the relationship between values and beliefs and mental health. Utilize this relationship to create effective interpersonal communication in relationships, coping, prevention of addictive behaviors and personal safety.

• Analyze and apply spiritual concepts to improve health and wellness.
Alert! The Fall 2020 Cuesta General Education pattern will be available after May 2020. See a counselor for the ’20-’21 pattern.

CAREER AND VOCATIONAL PROGRAMS

In addition to programs that prepare students for University transfer, Cuesta also offers career and technical programs designed to prepare students for immediate employment in a specific technical or vocational area. These programs range in length from one semester to several years to complete, depending on the area of study. The curriculum for these specialized programs is monitored by an advisory committee, which includes business and industry leaders, as well as Cuesta faculty and staff from the specific occupation or profession. Cuesta’s programs are evaluated and reviewed on a regular basis to make certain that the curriculum is kept up to date with current industry and licensing standards, and to ensure that students are receiving the most relevant training and education available for their chosen field.

Cuesta College offers both Associate Degrees and Certificate Programs with career and vocational emphases:

Associate in Arts and Associate in Science Degrees
Cuesta offers a variety of Associate in Arts and Associate in Science degrees in Technical and vocational subjects. An Associate Degree requires completion of a minimum of 60 semester credits of degree-applicable course work, to include major related course work, general education, and Cuesta graduation requirements in Health Education and Diversity. A minimum 2.0 overall GPA is required, and all courses required for a major must be earned with “C” grades or better. See the “Associate Degrees and Certificates” section of this catalog for additional information.

Certificate of Specialization
A Certificate of Specialization is a course (or group of courses) designed to prepare a student for work in a specific field or profession. Unlike the Associate’s degrees, Certificates of Specialization do not require completion of general education or graduation requirements. Most Certificates of Specialization total 16 semester credits or less. They are awarded to students who have completed the Certificate requirements with a minimum of “C” grade in each course required for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Enrollment Services (Admissions and Records) office.

Certificate of Achievement
A Certificate of Achievement is a group of courses designed to prepare a student for work in a specific field or profession. Unlike the Associate’s degrees, Certificates of Achievement do not require completion of general education or graduation requirements. Certificates of Achievement must total 16 credits or more, and the completed Certificate is posted to the student’s official transcript. They are awarded to students who have completed the Certificate requirements with a minimum of “C” grade in each course required for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Enrollment Services (Admissions and Records) office.

Certificate of Competency
A Certificate of Competency is a course (or group of courses) designed to those students in a recognized career field articulated with degree applicable coursework, completion of an associate degree, or transfer to a baccalaureate institution. Unlike the Associate’s degrees, Certificates of Competency do not require completion of general education or graduation requirements. They are awarded to students who have completed the Certificate based on program requirements for the Certificate who have met Cuesta residency requirements, and who have applied for the Certificate through the Enrollment Services (Admissions and Records) office.

Certificate of Completion
A Certificate of Completion are state-approved non-credit certificates programs of study. Unlike the Associate’s degrees, Certificates of Completion do not require completion of general education or graduation requirements. They are awarded to students who have completed the Certificate based on program requirements for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Enrollment Services (Admissions and Records) office.

EVALUATIONS, SUBSTITUTIONS, WAIVERS AND APPEALS

Degrees and certificates are awarded by the Evaluations Office after a student has applied for the degree or certificate, and after a formal review of the student’s academic records has been made. Students who are planning to earn a degree or certificate should schedule regular appointments with a counselor to make sure that they are taking the right courses to meet their desired educational goal.

In certain circumstances, students may initiate a Substitution or Waiver petition through Counseling Services to request use of other coursework to meet requirements for one of Cuesta’s degrees or certificates. These substitution and/or course waiver petitions must first be reviewed by a counselor, and then are forwarded to the division office for review and decision by the division chair and Academic Affairs dean. If approved, the approval form is submitted to Admissions & Records to retain a formal record of the decision.

In certain extenuating circumstances, students may submit an Evaluations Office “Policy Appeal for Extenuating Circumstances” to the Director of Enrollment Services (Admissions and Records) when they have certain impediments that prevent them from completing all requirements for a degree or certificate, such as all general education coursework, or all graduation requirements. The Director of Enrollment Services (Admissions and Records) has final say in the determination about whether
to grant this appeal. Contact the Evaluations Office at (805) 546-3141 for further information.

CREDIT FOR ALTERNATIVE EDUCATION
Cuesta College affirms that there is merit in awarding college credit for other than the traditional classroom experiences. Therefore, Cuesta College awards credit according to the policies stated below.

Advanced Placement Examination
Cuesta College recognizes the completion of College Board Advanced Placement Exams (AP), authorized by the College Entrance Examination Board (CEEB). Credit is awarded based upon the criteria established by the college. Advanced placement scores may be ordered by calling the College Board at (888) 308-0013.

International Baccalaureate Examinations
Cuesta College recognizes the completion of International Baccalaureate (IB) Exams. Credit is awarded based upon the criteria established by the college.

Credit for Educational Training in the Military
For currently enrolled students, in good standing, who have completed at least 12 semester credits of “C” average work at Cuesta College, the college may grant up to 12 elective semester credits in accordance with the recommendations of the American Council on Education (ACE) for educational training completed in the military service. Educational work completed through the United States Armed Forces Institute (USAFI) will also be accepted with no unit maximum. For more information contact the Veterans Resource Center.

Credit by Examination (Challenge of Courses)
Credit by Examination enables students to use their acquired knowledge, abilities and competencies to challenge certain existing courses for credit.

Petitions for Credit by Examination must be submitted to the Enrollment Services (Admissions and Records) Office no later than the Friday of the fourth week of the fall or spring semester or the Thursday of the second week of summer session.

These requirements must be met in order to qualify for Credit by Examination:

- The course is listed in the current catalog and is included in the current list of courses that may be challenged (available on the Cuesta website).
- The student has completed all prerequisites for the course.
- The student is duly registered, in good standing, and has completed at least 12 semester credits of “C” average work at Cuesta College. The student may not be on academic probation/dismissal or progress/dismissal.

The following restrictions apply per Cuesta College Board Policy 4235:

- A course may be challenged for a letter grade or on a pass/no pass basis if the course has an either/or grade option code.
- A maximum of 15 semester credits may be challenged.
- A course may not be challenged more than once.
- Credits received through a challenge may not be used to satisfy eligibility requirements for athletics, financial aid or veterans benefits.
- For courses that involve a lab, the examination will include a lab portion, studio portfolio evaluation or a similar demonstration of ability.
- Credits received through challenge may not be used to satisfy residency requirements.

For more information, refer to the “Petition for Credit by Examination” form available in the Enrollment Services (Admissions and Records) Office or on our website.

Independent Studies
The option of Independent Study at Cuesta College provides an opportunity for an in-depth study or practicum experience by an individual student in a selected topic under the direction of an instructor. In order to qualify, a student must be in good standing, must be enrolled in another class in addition to the independent study course, and must have completed the prerequisite and preparatory course work. A student may not earn more than two credits for an independent study course in any semester/session. To initiate independent study, a student should confirm through the Enrollment Services (Admissions and Records) Office eligibility to enroll in an independent study course and should contact the appropriate academic division.

Independent Studies follows all policies pertaining to academic credit classes.

CREDITS NOT ACCEPTED TOWARD DEGREES/CERTIFICATES/CERTIFICATIONS

Continuing Education Units (CEU)
Continuing education courses are designed for personal enrichment or job advancement and are not applicable to degrees or certificates.

Non-Degree Applicable Credits
Non-degree applicable college courses are not applied to degrees or certificates. Degree applicability is determined according to the catalog for the semester/session in which course was taken.

Credits from Non-Accredited Institutions
Cuesta College only accepts course work from regionally accredited institutions.

Upper Division Course Work
Upper division courses may be applied to Cuesta College general education area or major and/or elective requirements based on content equivalency to general
education area, major, or elective requirements.
Upper division courses in math or English composition may be used to satisfy competency requirements for the Associate degree.

Policy on the use of upper-division coursework on the IGETC and CSU GE is governed by the University of California and California State University system. Consult the IGETC Standards and CSU Executive Order 1100 for complete details.

Course Work from Religious-Affiliated Institutions
Course work taken from regionally accredited church or religious-affiliated institutions is accepted as long as the course is not specific to the application of a single doctrine.

TRANSFER TO THE CALIFORNIA STATE UNIVERSITY (CSU) SYSTEM

Cuesta College offers lower division (freshman and sophomore) courses to meet both major preparation and general education requirements for students planning to transfer to the California State University (CSU). Students are advised to check with Cuesta College Counseling Services for detailed information about specific campus, major, and general education requirements.

Minimum requirements for transfer as an upper division student to the CSU
- Complete 60 semester (90 quarter) transferable credits.
- Complete at least 30 semester (45 quarter) credits of general education courses with at least “C-” grade or better including:
  - Oral Communication (Area A1 of the CSU GE-Breadth)
  - Written Communications (Area A2 of the CSU GE-Breadth)
  - Critical Thinking (Area A3 of the CSU GE Breadth)
  - Mathematics (Area B4 of the CSU GE-Breadth)
- Attain a grade point average of 2.0 or better (2.40 for non-California residents) in all transferable college units attempted. (Note that a higher GPA is required for most CSU campuses.)
- Stay in good academic standing at the last college or university attended prior to transfer (e.g. eligible to re-enroll at that college or university).

Completion of General Education (CSU GE-Breadth)
The CSU requires completion of 48 lower division credits of general education for graduation, 39 of which may be certified by Cuesta College. Courses taken to fulfill Areas A1, A2, A3, and B4 of the CSU GE pattern must be completed with grades of “C-” or better, to meet minimum CSU admission requirements. It is strongly recommended that students complete all or most of their CSU GE as part of their minimum 60 credits required for transfer. Students who complete the CSU GE pattern prior to transfer will not be held to additional lower division GE requirements after transfer. The CSU also accepts the Intersegmental General Education Transfer Curriculum (IGETC) toward fulfillment of lower division general educations. Click here to view the most current CSU GE pattern:
https://www.cuesta.edu/academics/GeneralEducationPatterns.html

PARTIAL CSU GE CERTIFICATION
It is possible to complete separately any of the Areas or sections (A-E) at Cuesta College and receive partial CSU GE certification in any or several of these areas. If you are not fully certified, it will be necessary for you to complete the remaining areas (and perhaps other areas) after transferring as defined by the catalog of the transfer school.

CSU GE Breadth for STEM Majors within ADTs
Students pursuing Chemistry or Biology ADTs may complete CSU GE Breadth for STEM, deferring one lower-division course in Area 3 and one lower-division course in Area 4 until after transfer. CSU GE Breadth for STEM is applicable only to majors for which the Transfer Model Curriculum specifies. A CCC preparing a CSU GE Breadth for STEM certification as part of an ADT shall ensure that the student has completed the following before transfer:

a. All courses in Areas A, B, and E of the traditional GE curriculum; and
b. One course in Subarea C1 Arts and one course in Subarea C2 Humanities; and
c. Two courses in Area D from two different disciplines

6/20/19
CSU TRANSFER CREDITS REQUIRED

39 lower division General Education
+ 21 program preparation (required by many campuses), or CSU transferable electives
= 60 transferable credits (minimum)

Please Note:

- You may transfer up to a total of 70 credits from a Community College.
- 9 credits of upper division General Education will be required at the CSU.
- Areas A1, A2, A3, and B4 are considered the “Golden Four” and must be completed with grades of “C-” or higher. Note: High credit programs (e.g. Engineering) may not need Area A3 “Critical Thinking” prior to transfer.

Specific Campus Requirements

- Foreign Language: Some campuses require foreign language for graduation. Certain programs may have a foreign language requirement. For specific requirements, consult university catalogs or a counselor.
- Multicultural/Ethnic Studies: Many CSU campuses require this for graduation. Some campuses require that the course be upper division.
- Additional campus specific requirements: See counselor.

GENERAL EDUCATION CERTIFICATION

Certification refers to official notification from a community college that a transfer student has completed courses fulfilling CSU lower-division general education requirements. Certification will ensure CSU campus acceptance of courses taken in the specific general education areas in which the coursework is certified.

Full Certification is given to students who have completed all sections of the CSU General Education Pattern. Students must satisfactorily complete at least 39 lower-division credits, distributed as follows:

AREA A: 9 CREDITS: One course from each group: A1, A2, A3

AREA B: 9 CREDITS: One course from B1, B2 and B4. One lab course required: B3 lab must be taken with or subsequent to corresponding course from B1 or B2

AREA C: 9 CREDITS: Three courses to include at least one course from Arts (C1) and one course from Humanities (C2)

AREA D: 9 CREDITS: Three courses must be selected from at least two different disciplines

AREA E: 3 CREDITS: One course Subject Area (partial) Certification can be granted for one or more completed area (A-E), as outlined above, if all sections of the CSU General Education Pattern have not been completed.

US History, Constitution and American Ideals Certification - All campuses require students to complete college-level coursework in US History, American and California Government. This requirement is met by completing HIST 207A or HIST 207B, and, POLS 202.
TRANSFER TO THE UNIVERSITY OF CALIFORNIA (UC) SYSTEM

The University of California gives highest priority to transfer students from the California Community Colleges. Cuesta College students can become eligible for admission to the UC by meeting specific course and GPA requirements, and by meeting with a counselor early to be apprised of specific campus and major requirements and selection criteria.

The requirements described below represent the minimum academic standards students must attain to be eligible for admission to the University. Meeting the minimum requirements does not guarantee admission to the University, nor does it guarantee admission to a particular campus. Admission to the campus and program of choice often requires students to meet more demanding standards. See a counselor for more detail and information.

At UC, a transfer student is defined as a student who has enrolled in at least one regular term (fall, winter, or spring) at a college or university following the summer of his/her high school graduation. Students who meet the university’s definition of a transfer student are held to junior-level transfer admission requirements and not freshmen admission requirements. A student who attends college in a summer term immediately following his/her high school graduation, and/or who has completed college work while in high school is still considered a freshman applicant.

Junior-level Transfer Admission Requirements

The vast majority of transfer students come to the University at the junior level from California community colleges. In order to meet minimum UC eligibility criteria as a junior level transfer, students must fulfill the following criteria:
1. Complete 60 semester (90 quarter) units of UC transferable college credit with a GPA of at least 2.40 (higher for non-residents).
2. Complete either the Intersegmental General Education Transfer Curricula (IGETC) pattern, or, complete the following 7-course pattern, earning a grade of C or better in each course:
   • Two UC transferable college courses (3 semester or 4-5 quarter units each) in English composition.
   • One UC transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning;
   • Four transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

Note that meeting minimum UC admission criteria is often not sufficient preparation to gain admission to most UC campuses.

Preparation for Transfer

1. Meet minimum eligibility for admission (see Admission Requirements listed above).
2. Prepare for upper-division study in the chosen major: transfer students should select a major and take courses that meet major requirements. In most cases, completing at least a portion of the major requirements is essential to gain admission to the major. Major preparation information is available at www.assist.org and Cuesta counselors are available to assist students in how to best prepare for their major.
3. Complete an appropriate set of general education course requirements and electives, as time allows.

Transfer students have two options for fulfilling GE preparation for the UC, depending on the campus and major selected:

• IGETC – accepted by both the UC and CSU, is most helpful for students who know they want to transfer but have not yet decided upon a particular institution, campus or major.

or

• Campus-specific general education requirements of the college or campus they plan to attend. (see assist.org)

The UC Campuses are:
UC Berkeley
UC Davis
UC Irvine
UC Merced
UC Los Angeles
UC Riverside
UC San Diego
UC San Francisco (graduate only)
UC Santa Barbara
UC Santa Cruz

IGETC Certification

For the University of California (UC) and California State University (CSU)

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) with certification will permit a student to transfer to a UC or CSU campus without the need, after transfer, to take additional lower-division general education courses to satisfy campus-specific general education requirements. All courses taken for IGETC must be completed with a grade of “C” or better (or score of 3 or higher on AP tests). Grades of “C-” are not acceptable. The IGETC Certification must be requested by the student; applications are available in the Enrollment Services (Admissions and Records) office. Pre-major courses may also count towards IGETC; see a counselor for details. Cuesta College will “pass along” courses taken from
other colleges and university into the IGETC pattern, as appropriate and based on the policies outlined in the IGETC Standards.

The IGETC is well suited for students planning majors in the Arts, Humanities, or Social and Behavioral Sciences. Students who intend to transfer into majors that require extensive lower-division major preparation, such as engineering and many of the physical and natural sciences, should concentrate on completing the pre-major prerequisites ahead of completion of the IGETC, to be most competitive for admission into these majors.
### Alert! The Fall 2020 IGETC pattern will be available after May 2020. See a counselor for the ‘20-’21 pattern.

WHAT IS THE IGETC?
The Intersegmental General Education Transfer Curriculum (IGETC) is a course pattern available to students enrolled in CA Community Colleges (CCC) which will satisfy the lower-division breadth/general education requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and out-of-state colleges and universities will also accept the IGETC.

IGETC is most useful for students who know they want to transfer to a University but who have not yet decided upon a particular institution (UC, CSU, private, or out-of-state school) or who are undecided on a major. It is also appropriate for students who have already decided to pursue majors offered in the Social Sciences, Humanities, or Arts.

Students who are preparing for high unit majors such as engineering, math, computer science, and physical or life sciences should prioritize completing their major program prerequisites and meeting transfer admission requirements, before focusing on completing the IGETC.

Completion of the IGETC will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) or University of California (UC) campus without the need, after transfer, to take additional lower-division, general education courses. Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion.

In accordance with CSU system policy, students transferring to a CSU with a completed IGETC will still need to complete nine semester units of upper division general education, and may be held to other campus specific graduation requirements outside of general education and major coursework.

Who is Eligible to Complete the IGETC?
The IGETC was developed by the Academic Senates of the CCC, UC and CSU, as a way for first time CCC college students to follow one general education pattern that would be accepted by both the CSU and the UC systems. Students who enroll at a UC or CSU campus, then leave and attend a community college, and subsequently return to a different UC or CSU campus may also use the IGETC.

Who is Not Eligible to Complete IGETC?
Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same UC campus are considered “readmits” by the UC system. Such students cannot use the IGETC. CSU does not have a system-wide policy that addresses this issue. Questions regarding the use of IGETC for a student who has recently been enrolled at a CSU should be directed to the specific campus the student wishes to attend.

Is Completion of the IGETC Required for Admission?
Completion of the IGETC is not a requirement for transfer admission, nor does it guarantee admission into the CSU or UC. It is one of several options for a CCC transfer student to complete general education requirements prior to transfer. However, particularly for non-STEM majors, completing the IGETC may be beneficial to a student’s competitiveness for transfer, and will also facilitate time to graduation after transfer. Consult with a counselor and/or assist.org to determine whether completing the IGETC is a good option for a specific major and/or campus.

What is a Partial Certification of IGETC?
Students who do not finish the IGETC before transferring will be held to the campus specific lower-division general education/ breadth requirements of their university campus. Courses completed at the CCC will be applied to the CSU or UC’s general education pattern as appropriate. CCC’s may grant a “partial certification” of IGETC to students who are missing no more than two courses from the pattern. Students who obtain a partial IGETC certification should work with their transfer institution to determine how the two missing courses will be completed (whether at the university, or the CCC during summer, for example). Students who have been granted partial IGETC certification do not need to return to the community college for a full certification; this process is finalized by the 4-year campus. Consult with a counselor to see if a specific campus accepts partial certification for the intended major.

What is IGETC for STEM?
IGETC for STEM is a separate IGETC track available to students planning a major in science, technology, engineering, or mathematics. IGETC for STEM allows students in these majors to defer some of the humanities and social sciences courses until after transfer.

The IGETC for STEM allows the student to complete up to three courses after transfer. The following IGETC courses need to be completed before transfer:

- All courses in Areas 1 (except 1C for UC-bound students), 2, and 5 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and two courses in Area 4, taken from two different disciplines. The following courses may be deferred until after transfer:
  - One remaining lower-division general education course in Area 3;*
  - One remaining lower-division general education course in Area 4;* and
  - Completion of Area 6A (Language Other Than English) for UC-bound students who have not already satisfied it through proficiency*

*These deferred lower division courses are replaced with calculus and/or science courses required by the major before transfer.

As of March 2017, UC will accept IGETC for STEM only if the student is earning an Associate Degrees for Transfer (ADT) in Biology or Chemistry at a community college, and if the UC major program or college the student is applying to accepts partial IGETC certification.

Minimum Grade Requirement (GPA)
A minimum grade of “C” is required in each college course applied to the IGETC. A “C-” grade is defined as a minimum of 2.0 grade points on a 4.0 scale. A “C-” grade, valued at less
than 2.0 grade points on a 4.0 scale, cannot be used for IGETC certification. Exception: For the UC Language Other Than English (LOTE) requirement, Area 6A, the University of California does not count “minus” or “plus” grades for high school coursework, only the whole grade is used. In other words, a “C−” grade completed in high school is counted as a “C.” The only part of the IGETC that may be satisfied through high school course work is Language Other Than English, Area 6A.

Credit/No Credit-Pass/No Pass
Courses in which a student receives a “Credit/Pass” grade may be applied to IGETC, if the community college’s policy states that a “Credit/Pass” designation is equivalent to a “C” grade (2.0 grade points on a 4.0 scale) or better. It is important to keep in mind that some CSU and UC campuses have limitations on the number of “Credit/No Credit” (“Pass/No Pass”) courses that may be used to transfer or to meet degree requirements. The UC system allows a maximum of 14 semester (21 quarter) units graded “Pass/No Pass” (Credit/No Credit) basis of the 60 UC transferable semester units required for admission.

There is no CSU system-wide policy about unit limitations for “Pass/No Pass” grades. Therefore, each campus has established its own policy on limitations of courses transferred with grades of “Credit/Pass.” The information is updated annually and is available at the CSU Student Academic Support website: [http://www.calstate.edu/ar/counselors.shtml](http://www.calstate.edu/ar/counselors.shtml).

Minimum Unit Value
To be applied to the IGETC, a course must have a minimum unit value of at least 3 semester or 4 quarter units. It is not acceptable to take three 1 unit courses to fulfill a 3 unit requirement because of the lack of depth and scope of 1 unit courses. Exception: 3-quarter unit Math and English courses that have been determined to meet IGETC Area’s 1A or 2 standards may be applied if they are a part of a two term sequence, and if both of the courses have been completed with “C” grade (2.0 on a 4.0 scale) or higher. The course sequence must also meet the rigor of IGETC standards. Consult with a counselor for details.

Use of AP and IB exams
IGETC course credit may be earned for AP test scores of 3, 4 or 5 on Advanced Placement (AP) exams. Similarly, scores of 5, 6 or 7 on select International Baccalaureate (IB) Higher Level exams may also be applied to IGETC, as determined by UC faculty and as outlined in the IGETC Standards, Policies and Procedures Manual. For more information, refer to the AP and IB charts in this catalog, or consult with a counselor.

Which Institution Certifies the IGETC, Partial IGETC or IGETC STEM?
Students who have completed coursework at more than one CCC should have their IGETC certified by the last CCC they attend.

If a student requests an IGETC certification from a CCC that is not the last school of attendance, it is at the discretion of that community college to certify. IGETC certification can be processed by a CCC without regard to current enrollment status or number of units accrued at a particular CCC. The “Full,” “Partial” or “STEM” IGETC Certification is posted to the student’s transcript by the CCC certifying the student.

CSU Graduation Requirement in “U.S. History, Constitution, and American Ideals”
In addition to general education requirements, the CSU system has established a graduation requirement called “U.S. History, Constitution, and American Ideals.” Students can generally satisfy this requirement prior to transfer by completing one course in U.S. History and one course in American Government. Students who are completing the IGETC and who are planning to apply to both a CSU and a UC system should try to complete both a U.S. History and an American Government course as part of their IGETC pattern, to facilitate their time to graduation after transfer to the CSU.

Coursework from another California Community College
IGETC approved courses completed at another CCC will be applied to the IGETC pattern at the CCC the student is currently attending without question. IGETC course approval dates can be verified by consulting the website assist.org. Courses with an IGETC approval date of fall 1991 may be applied to the IGETC if completed prior to fall 1991. Courses approved after fall 1991 may only be applied to the IGETC if completed on or after the approval date.

Courses from Outside of the CA Community Colleges
Appropriate college level general education coursework in the humanities, mathematics, social sciences, and physical and life sciences, completed at United States regionally accredited institutions, will be regularly applied to the IGETC. In consultation with the IGETC Standards, Policies and Procedures Manual, care will be taken to review course outlines for content, prerequisites, texts and unit values. It is the student’s responsibility to supply appropriate course syllabi from an outside institution, when requested by the counselor, for consideration of an IGETC area. Particularly close review will be taken when evaluating non-CCC courses towards fulfillment of IGETC Area 1B, “Critical Thinking and Composition” due to the very specific course content requirements in this area. Very few non-CCC second semester English Composition courses offer a course in Critical Thinking/English Composition that conforms to IGETC guidelines.

Upper division work may also be applied to IGETC areas, in limited circumstances, when appropriate. There is no limitation on the number of courses completed at non-CA community colleges that can be included in the IGETC certification.

International Coursework
Courses completed at institutions outside of the United States may only be applied to IGETC if the international institution also has a United States regional accreditation. No other non-U.S. college coursework may be applied to IGETC, with the exception of international course work used to fulfill Area 6A, “Language Other Than English”; which is a proficiency requirement and which can be validated in several ways. Consult a counselor to determine if non-U.S. coursework is acceptable to fulfill Area 6A. Students with a substantial amount of international coursework completed at a non-United States regionally accredited institution should be encouraged to follow the CSU or UC campus specific general education pattern.
**ADVANCED PLACEMENT POLICY**

College credit is awarded for Advanced Placement (AP) exams passed with scores of 3, 4, or 5. This chart depicts how Advanced Placement exam scores are applied to Cuesta's local General Education requirements, to the CSU General Education pattern, and to the IGETC (UC General Education pattern). It also depicts the total number of transfer units students earn towards Cuesta's AA or AS degrees and CSU and UC BA or BS degrees.

The acceptance of an AP exam in satisfaction of major-specific course work is an individual campus decision, and policy differs from campus to campus. Therefore, transfer-bound students are strongly advised to see a counselor to determine if their AP exam will be accepted in lieu of a college course that is required for their major at their desired transfer institution. Students with AP exam credit should also see a counselor before completing a college course of comparable content, as it may be considered duplication and units may not be granted for both.

Official score reports are required and should be sent to Cuesta's Admissions and Records Office. Information about ordering AP score reports can be found online: [https://apscore.collegeboard.org/scores/score-reporting](https://apscore.collegeboard.org/scores/score-reporting)

CUESTA COLLEGE POLICY FOR INTERNATIONAL BACCALAUREATE (IB) EXAMS

The International Baccalaureate (IB) Organization originated in Switzerland in 1968, with the goal of developing a standardized, academic, and globally minded education for students whose parents were employed in diplomatic organizations around the world. Comprised of programs spanning from grade school through high school, the IB “Diploma Programme” is a two-year program for high school students and includes the following subject areas: Language and Literature, Language Acquisition, Individuals and Societies, Science, Mathematics, and Arts. Students may choose to study a subject at either a Higher Level “HL” designation or a Standard Level “SL” designation. Students may earn either an IB Diploma (successful completion of 3 HL and 3 SL exams), or an IB Certificate in a specific subject area (e.g. “Biology”).

Both the CSU and UC systems award college credit for specific IB exams. The UC system will award 30 quarter (20 semester) units towards transfer admission to students who completes the IB Diploma with a score of 30 or above. Students who do not earn the IB Diploma, but who do earn an IB Certificate with a score of 5, 6, or 7 on a Higher Level exam will receive 8 quarter (5.3 semester units) per Certificate towards UC transfer admission.

The CSU system does not award a designated unit total for the award of an IB Diploma, but does award 6 semester units towards transfer admission for the HL subject certificates noted below, (with the exception of Psychology, which awards 3 semester units). Neither the CSU nor the UC award college credit for SL Certificates. Credit for additional HL subject Certificates not noted below may be granted by an individual CSU, based on campus-specific policy. (See individual CSU campus catalogs or websites for this determination).

Both the CSU and the UC systems have also established system-wide policy to identify when an IB subject Certificate will satisfy a specific California State University General Education (CSU GE), and the Intersegmental General Education Transfer Curriculum (IGETC) subject area. Cuesta College will apply these same IB subject Certificates towards the local AA/AS General Education pattern. This information is noted in the chart below.

The decision about whether a particular IB subject Certificate will substitute for a major-specific course on a particular CSU or UC campus is an individual campus decision. Students with IB exam credit should see a counselor for assistance in determining whether additional IB course or unit credit beyond GE will apply. Students should also see a counselor before completing a college course of comparable content to an IB Certificate, to avoid possible duplication of credit.

Official IB score reports must be on file at Cuesta College before the IB credit is applied to a student's degree pattern in MyCuestaPathways. Direct score reports to Cuesta College Admissions and Records. Score reports can be requested from the IBO site at https://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/

This chart depicts the CLEP subject and exam scores that will satisfy a Cuesta General Education requirement. Exam credit is applied towards an AA/AS General Education subject area only; no course specific articulation exists between Cuesta courses and CLEP exams. This chart also depicts when a CLEP exam is accepted by the CSU (California State University) as applicable to the CSU GE pattern. CSU campuses may also grant additional units for elective credit towards a baccalaureate degree. The CSU CLEP Exam Policy can be found at: [https://www2.calstate.edu/attend/student-services/casper/Pages/external-exam-credit.aspx](https://www2.calstate.edu/attend/student-services/casper/Pages/external-exam-credit.aspx).

The UC (University of California) system does not award transfer or GE subject credit for CLEP exams.

Official CLEP exam score reports are required in order to post appropriate CLEP credit to your myCuestaPathway. Official score reports should be directed to Cuesta’s Admissions and Records [https://www.cuesta.edu/student/student-services/admrreg/index.html](https://www.cuesta.edu/student/student-services/admrreg/index.html) Office. Information about ordering CLEP score reports can be found online: [https://clep.collegeboard.org/earn-college-credit/your-score](https://clep.collegeboard.org/earn-college-credit/your-score).

*For the CSU system, if a student passes more than one CLEP test in the same language other than English (e.g., two exams in Spanish), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered “Level I” and earns six units of baccalaureate credit; the higher score listed for each test is considered “Level II” and earns additional units of credit and placement in CSU GE Area C2.

AGRICULTURE

DESCRIPTION

Agriculture majors are designed for students wishing to explore this diverse industry.

The AS-T in Agriculture Business is designed to prepare students for transfer to a bachelor’s degree program in Agricultural Business or related major at a CSU campus. Agricultural Business graduates at the bachelor’s level are qualified for employment in a variety of jobs, in areas such as marketing of crops and related agricultural production equipment, banking and production loans, food processing, international marketing and agricultural policy.

The AS-T in Agriculture Plant Science is designed to prepare students for transfer to a bachelor’s degree program in Plant Science, Horticulture or related major at a CSU campus. A bachelor’s degree in Plant Science prepares students for a career as a plant scientist, agriculture teacher, biotechnologist, agronomist or crop scientist, turf manager, farm manager, weed scientist, entomologist, nursery and garden specialist, researcher, or landscape manager. Agriculture Mechanics courses provide students with skills and knowledge to enter the mechanized agriculture field. A general agricultural background provides students with entry level employment opportunities and skills along with the ability to transfer to a college or university and continue their studies in a wide variety of agricultural fields.

ASSOCIATE DEGREE FOR TRANSFER AND CERTIFICATE PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs—grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full-and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. ANTHROPOLOGY

DESCRIPTION
Anthropology is an academic discipline that observes, describes and explains human biological and cultural variation. An undergraduate major in Anthropology prepares students for (a) graduate studies and an academic career in Anthropology, (b) graduate studies and an academic career in related disciplines within the humanities and life sciences (e.g., religious studies, biology, sociology), and (c) careers in Applied Anthropology (Contract Archaeology, Medical Anthropology, Forensic Anthropology).

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from
those needed to prepare to transfer. Students who plan to transfer to a
four-year college or university should schedule an appointment with a Cuesta
College counselor to develop a student education plan (SEP) before beginning
their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents,
students and the college. As the cost
of higher education continues to rise
we want you to know that Cuesta
College offers a full array of financial
aid programs—grants, work study,
scholarships, federal loan programs,
and fee waivers. These programs are
available to both full-and part-time
students who are seeking a degree
or certificate. For those who qualify,
financial aid is available to help with
tuition, fees, books and supplies, food,
housing, transportation, and childcare.

CUESTA COLLEGE
Highway 1
San Luis Obispo, California 93403
DESCRIPTION

Architecture is the art and science of designing buildings or, more accurately and broadly, the built environment, which can range from a house addition to a plan for a city. Behind that simple definition, however, lies an enormously diverse profession with many career paths and a variety of roles to play. Then, too, there are a number of paraprofessional jobs within firms or in related fields, offering many other options to those not pursuing a professional university degree.

The architecture program at Cuesta College prepares individuals for challenging careers in the architectural profession and its related design and technical fields. The program offers its students a strong foundation for transferring to upper-division studies in baccalaureate professional degree programs or entering directly into the workforce.

Cuesta's architecture program is an affiliate member of the Association of Collegiate Schools of Architecture (ACSA).

ASSOCIATE DEGREE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

DESCRIPTION
Fine Arts is an academic division focusing on the skills and knowledge for the studio practice and study of art. Art History, the study of visual art from prehistory to the present, places emphasis on the visual language, historical context, cultural values, and technological changes in art and architecture. Professional practices emphasize the curatorial, business, and installation aspects of exhibiting art. Studio courses include drawing, painting, photography, graphic design, printmaking, sculpture and ceramics. An emphasis on portfolio presentation, exhibition preparedness, and a progression of intermediate courses prepares students for vocational opportunities and successful junior level transfer to universities, colleges, and art academies.

Students enrolled in these courses have the opportunity to expand their knowledge relative to auto body technology and develop entry level skills required for employment in the automotive collision and repair service industry. Successful completion of course requirements prepares students for certification as a professional body and collision repair technician offered through I-CAR.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

A noncredit Certificate of Competency means a document confirming that a student enrolled in a noncredit educational program of noncredit courses has demonstrated achievement in a set of competencies that prepares students to progress in a career path or to undertake degree-applicable or non-degree-applicable credit courses.

DESCRIPTION

The Cuesta College Automotive Technology Department (an ASE Education Foundation Certified Program) has served students, the automotive service industry, and the community for over 45 years with course offerings in 17 specialized areas of concentration. Students enrolled in these courses have the opportunity to expand their knowledge relative to automotive technology and develop entry level skills required for employment in the automotive service industry. Successful completion of course requirements prepares students for the examinations required for voluntary certification as a professional technician offered by the National Institute for Automotive Service Excellence (ASE). The course offerings address the areas of concentration needed by a technician to become certified as a "Master Automobile Technician", and "Advanced Level Specialist".

DESCRIPTION
Biology entails the study of the diversity and evolution of life and life processes using the scientific method. The Cuesta College biological sciences program is designed to provide students with an appreciation of the nature, scope and relationships of life forms, as well as an understanding of how biology is applied to medicine, the environment, engineering, and daily life. The program consists of a sequence of courses that prepares students for transfer, field studies, and a variety of career opportunities.

ASSOCIATE DEGREE PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

DESCRIPTION

Business Administration is a broad area encompassing Accounting, Law, Economics, Trade, Financial Markets, Management, Business Communication, Marketing and Entrepreneurship. Study in this area explores the theories, history, principles, practices, ethics and technologies governing contemporary issues in a global business environment. This program is designed to provide a basic overview of all subject matter and is preparatory lower division coursework for a bachelor’s degree in Business.

The Associate in Arts in Business Administration for Transfer Degree is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing this degree (ADT) are guaranteed admission to the CSU system, but not necessarily to a particular campus.

The Career Track degree prepares students for the real world of Business by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields of their choosing. The fields of study include Management, Marketing, Accounting, Small Business or General Business.

The Career Track degree allows students to create a personalized degree based upon core Business classes for all students, but also permits optional coursework in a desired profession, which will enhance the student’s opportunity for employment or improve their chances of advancement in their current vocational field. The Career Track AA is also a great stepping-stone to a four-year degree in Business, or a related field.

DESCRIPTION

The Cuesta College Chemistry Program provides interesting and challenging opportunities for students who seek to learn about the atoms and molecules that comprise the building blocks of our world. The study of chemistry leads to a greater understanding of materials, medicine, engineering, forensics, environmental science, geology, molecular biology, agriculture and other related fields. Popular topics include the chemistry of the environment, batteries, fuels, household substances, polymers, and how chemists make the molecules that we use on a daily basis. The Chemistry Program offers courses in Introductory Chemistry (Chem 200 and Chem 211) for beginning science and nursing and allied health majors; General Chemistry (Chem 201A and 201B) for science and engineering majors; and Organic Chemistry (Chem 212 A and 212B) for science majors and students who intend to earn professional health degrees at medical, pharmacy or veterinary schools. Students can earn an A.S. degree in Chemistry at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must: 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

COLLEGE SUCCESS STUDIES

DESCRIPTION
The mission of CSS is to prepare students for success at Cuesta College. Through the instruction of pre-collegiate, basic skills, and transfer-level coursework emphasizing college readiness, CSS effectively supports students in their efforts to improve foundational and college-readiness skills. CSS courses and curriculum are designed to provide dynamic and challenging learning opportunities that encourage critical and creative thinking strategies. Our courses support students working toward a variety of educational goals, including transferring to four year institutions, earning certificates or associate degrees and advancing in the workforce. Finally, the CSS department plays a vital role in college-wide professional development activities to encourage student success and retention strategies across the curriculum.

The CSS department offers a variety of courses some of which have a distance education option. CSS courses include:

- basic skills reading and writing strategies
- learning skills
- college success
- tutor training
- college success support lab

COMMUNICATION STUDIES

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION
The Communication Studies program compels students to explore the communication theories, strategies, and skills needed to succeed in our complex and diverse world. Courses focus on improving social, cultural, professional, and personal experiences through the understanding and applied practice of communication. Many studies cite “effective communication” as the number one skill in demand in today's workplace. Through the study and practice of communication, students will become more competent communicators in their professional and personal lives. Our Communication Studies transfer degree prepares students for transfer to earn a baccalaureate degree in Communication Studies from a California State University and University of California.

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

DESCRIPTION

Computer Information Systems encompasses the fields of Computer Science and Information Systems. Primary fields of study include software development, programming, and applications. Careers in today’s information systems require knowledge and hands-on experience in microcomputer applications as well as programming. Professionals in the computing field seek to advance the fundamental understanding of how information is processed, as well as the practical design of software and hardware to accomplish specific functions. The Associate in Science degree requirements are designed to satisfy core requirements for many Computer Science and Information Systems transfer patterns. However, students should consult a counselor and especially the catalog of the intended transfer institution for specific transfer requirements in the major. The program in Computer Information Systems offers students an opportunity to earn an associate’s degree as well as coursework in general CIS electives for students in other fields of study campus-wide. The program also offers certificates and courses for high-demand skill areas such as mobile device development.

COMPUTER AND NETWORKING TECHNOLOGY

DESCRIPTION

Computer and Network Technology program builds a solid foundation in computer and networking theory and applications. The training includes basic electronics, network cabling and infrastructure, computer and networking hardware, desktop and server operating systems, wireless configuration and administration and computer and network diagnostic tools. The goal of the degree is to provide broad training that will prepare a student to install, configure, troubleshoot and administrate all types of computer and network hardware and associated operating systems. Each course in the program is aligned with industry certifications including CompTIA A+, Cisco CCNA, Microsoft Desktop and Server Administration, FOA Copper and Fiber Cabling, and CWNA Wireless certifications. The curriculum is primarily designed for students who are seeking entry-level information and communication technology skills for positions such as network administrator, network engineer, network technician, computer technicians, network installer, and help desk technician.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

A noncredit Certificate of Completion means a document confirming that a student has completed a noncredit educational program of noncredit courses that prepares students to progress in a career path or to take degree-applicable credit courses.

DESCRIPTION
The Criminal Justice Program studies the activities and operations of law enforcement agencies, the courts and correctional agencies. The public and social policy implications associated with operating the criminal justice system are also explored. Criminal Justice careers offer individuals a rewarding opportunity to serve the public, safeguard constitutional rights and actively meet the needs of the community. Upon completion of the program, students will be prepared to work in a variety of fields, including law enforcement, investigations, courts, corrections, private security, law and juvenile justice.

ASSOCIATE DEGREE PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. DESCRIPTION
The discipline of theatre arts includes theoretical and practical courses in all aspects of theatre, providing preparation in acting, directing, and technical theatre through productions. The degree program allows for a course of study that expands and increases creativity. It is a meaningful journey of personal discovery and self-expansion. It connects the study of script analysis to creating complex characters or theatrical designs.

In addition, a solid foundation of fundamental skills learned through a variety of performance as well as technical theatre courses will help the student build confidence and emphasize the importance of responsibility, dedication, collaboration and commitment.

Majoring in early childhood education prepares students for careers in a variety of early care and education settings as well as in related fields working with children, birth to age eight, and their families. Our program focuses on child development theory and early childhood education practices, with a particular emphasis on presenting practical information that can be used working with young children. Students will combine learned theories with practice, in actual settings with young children, under the supervision of Cuesta College Lab Teachers.

**EARLY CHILDHOOD TEACHER PATHWAYS**

Early Childhood Teacher Pathways prepare students to work with children from infancy into middle childhood in various learning environments. The Pathways will educate and train students to become effective teachers; provide hands on learning in the classroom; and support students to develop as teaching professionals.

Students who plan to work in the field of Early Childhood Education are advised to pursue a Child Development Permit (CDP). Early Childhood Education Program course work is approved by the California Commission on Teacher Credentialing as meeting the requirements for the CDP Permits. The six levels of Child Development Permits are: Assistant Teacher, Associate Teacher, Teacher, Master Teacher, Site Supervisor, and Program Director. Students completing the core four courses (ECE 201, 202, 203, and 205) will qualify for an Associate Teacher Certificate, through Cuesta College. Students completing the ECE AA or AS-T degrees (coupled with experience in the field) are eligible for the Child Development Permit at the Teacher level.

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

ECONOMICS

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION
The study of economic theory and application allows students to develop their own perspective on causes and solutions to some of the pressing economic topics of society. The Economics Program at Cuesta College will provide students with a principle foundation from which to understand and improve decision-making processes in many aspects of life: as a consumer, an employee, an employer, a voter, a member of the global economy, and other roles.

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

The Cuesta College Education Program supports 5 teacher pathways that include Early Childhood Teachers, Elementary School Teachers, Middle or High School Teachers, Special Education Teachers, and Career Technical Education (CTE) Teachers.

See the Applied Behavioral Science Division webpage for more information about teacher pathways: https://www.cuesta.edu/academics/wed/appliedbehaviorsci/

The Elementary Teacher Education Associate in Arts for Transfer degree prepares students to transfer into a Liberal Studies or a similar elementary teacher preparation major. The degree is designed to meet introductory content area subject matter requirements for a Multiple Subject Teaching Credential since elementary school teachers need to teach many subjects in a self-contained classroom; the Multiple Subject Credential is required to teach at elementary schools. Students who complete the degree will also gain practical experience through classroom observations and interaction with elementary students and faculty. A student may complete the AA-T in Elementary Teacher Education, then the Bachelor's Degree in Liberal Studies or similar major to help prepare for the Multiple Subject Credential Teacher Preparation program.

ELECTRONICS AND ELECTRICAL TECHNOLOGY

DESCRIPTION
Cuesta College is an approved training provider as a general electrician certification training program. Students enrolled in an approved course may register with the Division of Apprenticeship Standards to be eligible to work as an electrician trainee and continue their employment if 150 classroom hours each year are completed until qualified for the certification exam. Students who complete all the mandatory courses are eligible to sit for the certification exam administered by the state of California. Passage of this exam in combination of specific work experience will complete the state electrician certification process.

There is additional paperwork required for the State Electrician Trainee Program. Please contact the Engineering Technology Department for more information at (805) 546-3264.

## FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs—grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full-and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. DESCRIPTION

The Emergency Medical Services Program (EMS) trains students for Emergency Medical Technician (EMT) certification and for Paramedic licensure. Continuing education courses, including an EMT refresher course, are also offered. Students are taught the fundamental principles and skills required to provide emergency medical care for the sick and injured at the scene of an emergency and/or during transport to a healthcare facility. Our training program prepares the graduate to function as a beginning practitioner according to national standards. Hands-on clinical and field internship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

PARAMEDIC PROGRAM ADMISSION REQUIREMENTS

The Paramedic Program prepares graduates to take the Paramedic National Registry Examination (NREMT-P) leading to licensure as a Paramedic. Our goal is to prepare competent entry-level Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician, and/or Emergency Medical Responder levels.

Continued on the next page
Continued from previous page

The Cuesta College Paramedic Program initially became accredited by the Commission on Accreditation of Allied Health Education Programs (CAA-HEP) and earned approval by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEM-SP) on July 25, 2008.

Students interested in applying to the Paramedic Program are strongly urged to consult an academic counselor prior to registering in prerequisite coursework.

All persons who meet Cuesta College’s admission requirements, additional pre-paramedic program admission criteria, and submit a timely paramedic program application are eligible for consideration into the program.

The program starts each January.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at https://www.cuesta.edu/academics/scimath/nah/emsdept/paramedic-info/index.html

DESCRIPTION

Cuesta’s Engineering program provides a foundation of mathematics, chemistry, physics, and engineering courses necessary to transfer to a four-year institution and complete a bachelor’s degree in engineering. Students should consult the institution to which they wish to transfer for specific lower division requirements.

People working in the field of engineering and related technical fields “bridge the gap” between scientific principles and the application of these principles to the needs of society. An engineer uses experience and judgment, as well as advanced training in engineering, science, and mathematics, to formulate ideas and designs, and to determine standards, specifications, work orders and schedules so that projects can be economically beneficial to mankind. Engineering offers diverse and exciting job opportunities for people with mathematical, scientific, and technical skills.

ENGLISH

DESCRIPTION

English is a discipline that trains students to read carefully and imaginatively, ask probing questions about complex material, and then answer those questions in coherent, persuasive prose—a combination of skills vital to any number of careers.

Composition courses in English will provide the necessary skills to complete reading and writing tasks for students headed for the job market and for students transferring to four year institutions. Literature courses will equip students with the skills to engage the great works of the human imagination, reason complexly about those works, and respond in clear, organized, and compelling prose.

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtaining of a minimum grade point average of 2.0.

Cuesta College
Highway 1
San Luis Obispo, California 93403
DESCRIPTION
Cuesta's ESL program provides language development opportunities for students of all English language proficiency levels in our community. We help students improve their English language skills so that they may achieve their personal, academic, and professional goals as well as participate more effectively in their communities.

We offer a range of courses from basic literacy to advanced. Beginning and intermediate level ESL classes offer foundational instruction in English language skills, and the advanced courses prepare students for degree-applicable English, technical education, and other mainstream college coursework. We also offer classes in conversation, grammar and vocational computer skills (VESL).

All of the ESL courses are noncredit and are free for students, and all sites have free childcare.

ESL classes are held at the South County Center at Arroyo Grande High School, the main campus in San Luis Obispo, the North County Campus in Paso Robles, and a number of community sites across the county.

There are several certificates available to our noncredit students. Successful completion of a designated course sequence allows students to earn various certificates.

EVALUATION AND REGISTRATION
New students need to take an ESL evaluation to determine their language level. Call or visit the ESL office for more information.

ENVIRONMENTAL SCIENCES

DESCRIPTION

Environmental Science is the study of the relationships between the geological, biological, chemical, and ecological systems in the Earth's natural environment. Students obtaining the Associate in Science for Transfer (AS-T) in Environmental Sciences will learn the necessary concepts, problem solving skills and analytical thought processes to prepare them for transfer into a university-level major in Environmental Sciences, for entry-level positions in the discipline, or for a greater appreciation of how science is used to study the interactions between human activity and the Earth's systems.

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

GEOLOGY

DESCRIPTION
The Cuesta College Earth and Ocean Science Program involves the study of the solid earth, ocean and atmosphere. It is the branch of science that investigates diverse geologic processes, including rock and mineral formation, tectonic and volcanic processes, and landform and seafloor development. In addition, the examination of the origins and evolution of life through the study of fossils (paleontology) and the assessment of economically important mineral deposits, fossil fuels, and geologic hazards are integral to the discipline. The chemistry and physics of the ocean and atmosphere are examined for their impact on the distribution of marine sediments, ocean circulation, weather and global climate patterns. Specific course topics fulfill the lower division requirements for majors in geology, geophysics, civil engineering, construction management, and environmental science. Students can earn an A.S. degree in Geology at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. HISTORY

DESCRIPTION
History is the study of all human experience. It examines the people, institutions, ideas, and events of the past. The study of history contributes to cultural literacy, global awareness, and develops critical thinking skills, while helping students understand the present. Historical study provides a solid, fundamental preparation for careers in education, government, and business. It also serves as excellent preparation for law school, the diplomatic service, international work, urban affairs, and library science. History is an academic discipline offering both breadth and focus. History graduates will find that their critical and analytical thinking skills prepare them for a wide variety of employment opportunities.

HOSPITALITY

DESCRIPTION

The Associate in Science in Hospitality Management for Transfer degree prepares students for success in a baccalaureate degree in Hospitality Management with the lower-division coursework required to transfer into the CSU system. Students learn about the hospitality field and once earning a bachelor’s degree they can expect to find entry level management employment in the restaurant, lodging, food service, and gaming industries. Employment opportunities also exist within theme parks, recreation industries such as state and national parks, golf clubs, and wineries.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

A noncredit Certificate of Completion means a document confirming that a student has completed a noncredit educational program of noncredit courses that prepares students to progress in a career path or to take degree-applicable credit courses.

DESCRIPTION
The Human Development/Human Services Department offers multiple Associates of Arts degrees within the Social and Applied Behavioral Sciences. The A.A. in Human Development/Human Services is an interdisciplinary degree concentrating in psycho-social development across the life span with emphasis in identity development, the family system, and human services. This A.A. degree prepares students to transfer into a Baccalaureate program, and is also designed to benefit the student who wishes to pursue a paraprofessional career in social work/human services, such as case management, parenting coach/educator, support counseling and crisis management.

The Human Development/Human Services Department also offers an Addiction Treatment Studies Program designed to prepare students for careers in the growing field of drug and alcohol counseling. The Addiction Treatment Studies curriculum is registered with the California Consortium of Addiction Programs and Professionals (CCAPP). Upon satisfactory completion of the required coursework, students earn an Associates of Arts degree or a Certificate of Achievement in Addiction Treatment Studies.

For those students interested in transferring into the CSU system to complete a Baccalaureate degree in Social Work and Human Services (or similar major), our Department offers an Associates in Arts degree in Social Work and Human Services for Transfer degree (AA-T). This area of study emphasizes the application of behavioral sciences within a variety of cultural contexts. As a profession, Social Work and Human Services focuses on methods for helping people from many different social groups to improve the quality of their lives.

Continued on the next page
Lastly, the Human Development/Human Services Department offers a degree in Social Justice Studies. This is an interdisciplinary program with a focus on equity and social change. The Associates in Arts in Social Justice Studies for Transfer (AA-T) degree prepares students for seamless transfer into Ethnic Studies, Gender Studies, Social Justice Studies, and related majors in the CSU system. Students who choose to major in Social Justice Studies and related fields have a wide range of career options: activists, community organizers, public policy analysts, conflict resolution specialists/mediators, NGO workers, human rights groups, political campaigners, workers in environmental organizations, alternative media, human rights groups, political campaigns, religious organizations, international agencies, rights advocates, journalists, lobbyists, and community organizers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

DESCRIPTION

The Journalism Program is for students who want an overview of mass media and practical training in how to report, write, edit and produce multimedia content for publication. Courses emphasize writing for print, broadcast and online publications, as well as using social media and modern technology to communicate with the public. Students who obtain a degree in journalism will have the foundation to pursue careers as writers, editors, photojournalists, designers, multimedia developers and public relations practitioners.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

**DESCRIPTION**

The Kinesiology Program is designed for students wishing to transfer to any four year institution. Courses are designed to provide the opportunity for students to develop a solid academic foundation in the human movement and sciences areas with a focus on career goals such as physical therapy, athletic training, teaching physical education in the K-12 setting, coaching, and health/wellness promotion.

**ASSOCIATE DEGREE FOR TRANSFER AND CERTIFICATE PROGRAMS**

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtaining of a minimum grade point average of 2.0.

**A Certificate Program** is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

LEGAL STUDIES

DESCRIPTION
The Legal Studies Degree Program seeks to introduce the student to the field of legal studies along with its connection to and influence over closely related areas in the social sciences and business. The Legal Studies Degree Program emphasizes not only the nature of law and legal institutions, but the impact law and legal institutions have on politics, government, business, economics, different social groups, and society as a whole.

The Legal Studies Degree Program is designed to be an interdisciplinary program where the student, along with acquiring an introduction to the field of legal studies, may choose between the Legal Studies Business Emphasis Associate of Arts (AA) degree and the Legal Studies Social Science Emphasis Associate of Arts (AA) degree. Required and elective units in either the Business Emphasis path or the Social Science Emphasis path must be successfully completed along with the general education coursework required by Cuesta College in order to receive a Legal Studies AA degree from Cuesta College.

The Legal Studies Degree Program is designed for students wishing to transfer into four-year college degree programs by satisfying lower division requirements for transfer to baccalaureate programs in business administration, business economics, business law, management, managerial economics, pre-law, law and society, legal studies, or political science programs. A legal studies degree is also an excellent first step for students considering law school or other post-baccalaureate programs in the social sciences or business.

ASSOCIATE DEGREE PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. LIBERAL ARTS

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION

The Associate of Arts in Liberal Arts Degree is designed for students who wish to obtain a broad knowledge of liberal arts and sciences plus additional coursework in an “Area of Emphasis.”

Students must complete all of the required courses for one of General Education patterns. Choose either Option I, II, or III listed below for the General Education Pattern related to your educational goal. CSUGE and IGETC patterns are required for students who intend to transfer to four-year universities. Students should consult with a counselor to determine which General Education pattern is best for them.

Complete 18 credits in one “Area of Emphasis” from those outlined below. (Note: Where appropriate, courses in the “area of emphasis” may also be counted for a GE requirement) For ALL OPTIONS: complete necessary Cuesta College graduation and proficiency requirements. (Meet with a Cuesta College counselor) All classes listed below transfer to CSU and/or UC. Courses in BOLD are only transferable to CSU. Refer to www.ASSIST.org for transfer details.

OPTIONS:
I. Cuesta College General Education:
II. CSU GE: Students selecting this option must complete all of the required courses for CSU GE Certification.
III. IGETC: Students selecting this option must complete all of the required courses for IGETC Certification.

AREAS OF EMPHASIS:
For depth, include a minimum of two courses from a single discipline. For breadth, include at least three disciplines in your selection.

Complete Cuesta College graduation requirements

NOTE: Effective Fall 2009, a grade of a “C” or better is required for all courses taken in an area of emphasis, and a minimum overall GPA of 2.00 is required in general education coursework.

ELECTIVE CREDITS: Electives may be necessary to total 60 overall credits required for the degree and must be transferable if choosing the CSU GE or IGETC general education pattern.

ASSOCIATE DEGREE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

ASSOCIATE DEGREE PROGRAM

Liberal Arts: Arts And Humanities — Associate in Arts

The AA in Liberal Arts with an Emphasis in Arts and Humanities is intended for students who are exploring majors or professions that require a broader understanding of the arts and humanities. Courses will be selected from arts and humanities disciplines that emphasize (a) the artistic expression or artistic technique of individuals and cultures, (b) philosophical investigations, (c) the historical contexts for art, literature, thought, and events, or (d) the study of languages.

The Associate of Arts in Liberal Arts Degree is designed for students who wish to obtain a broad knowledge of liberal arts and sciences plus additional coursework in an “Area of Emphasis.”

Complete a minimum of 18 credits from the Area of Emphasis course work listed below.

For depth, complete at least two courses from one single discipline.

For breadth, complete courses from at least three different disciplines.

Courses taken for breadth or depth must carry at least 3 semester credits.

Complete one of the following General Education patterns: Cuesta College AA/AS GE; or CSU GE; or IGETC.

Complete Cuesta College graduation requirements. (Meet with a Cuesta College counselor for details.)

Notes:

Courses listed below may double count towards GE when appropriate.

Additional courses may be required to total 60 credits, as required for the degree.

Effective Fall 2009 a grade of “C” or better is required for all courses taken in an Area of Emphasis.

ASSOCIATE DEGREE PROGRAM

Liberal Arts - Science — Associate in Arts

The AA in Liberal Arts with Emphasis in Science is intended for students who are exploring majors or professions that require a broader understanding of the sciences. The degree requirements are fulfilled by completing courses from an approved list that examine the natural science of the physical universe and its life forms. The courses emphasize a) an understanding of the methods of acquisition and analysis of scientific data, b) quantitative reasoning skills (beyond intermediate algebra level), and c) the significance of scientific knowledge in our increasingly technological society.

A total of 60 credits is required including a minimum of 18 credits in the area of emphasis chosen from the courses approved for the CSU General Education Area B (Scientific Inquiry and Quantitative Reasoning). The area of emphasis includes math, depth, and breadth requirements that are described below. Within the 60 credits, students will also satisfy either the Cuesta College, CSU or IGETC General Education requirements. All mathematics, physical and life science courses approved for this major and categorized below are part of the CSU GE (Areas B1, B2, B4) and IGETC (Areas 2A, 5A, 5B) patterns with the exception of Math 229 and Math 231, which are not UC transferable. Elective credits may be necessary to earn the 60 credits required for the degree.

Math Requirement:

One course will be selected from the Mathematics/ Quantitative Reasoning course list. Courses for this requirement have a minimum of 3 credits each.

Depth Requirement:

Two courses will be selected from EITHER Physical Science OR from Life Science. The two courses must be from the same department (i.e., BIO, CHEM, PHYS, or EOS [EOS = AGPS, GEOG, GEOL, OCEN, METE]). Courses for this requirement have a minimum of 3 credits each.

Breadth Requirement:

For the three courses required to meet the breadth requirement, one must be selected from Physical Science, one must be from Life Science, and one additional course will be selected from either Physical Science or Life Science. These courses are in addition to the math and depth requirement courses. Courses for this requirement have a minimum of 3 credits each.

Liberal Arts: Social And Behavioral Sciences — Associate in Arts

The AA in Liberal Arts with an emphasis in Social and Behavioral Sciences is intended for students who are exploring majors or professions that require a broad understanding of human behavior. Courses in this degree will emphasize one or more of the following: (a) methodologies characteristic of the social or behavioral sciences; (b) the beginnings of human culture; (c) the psychology of human beings; (d) the interaction of human beings in societies and social subgroups; (e) the history of human civilizations or nations; (f) the economic, political, or legal structures of human societies.

Complete a minimum of 18 credits from the Area of Emphasis course work listed below.

For depth, complete at least two courses from one single discipline.

For breadth, complete courses from at least three different disciplines.

Courses taken for breadth or depth must carry at least 3 semester units.

Complete one of the following General Education patterns: Cuesta College AA/AS GE; or CSU GE; or IGETC.

Cuesta College graduation requirements. (Meet with a Cuesta College counselor for details.)

Notes:

Courses listed below may double count towards GE requirements when appropriate.

Additional elective courses may be necessary to total 60 credits, as required for the degree.

Effective Fall 2009, a grade of a “C” or better is required for all courses taken in an area of emphasis.

LIBRARY AND INFORMATION TECHNOLOGY

DESCRIPTION

Cuesta College offers a robust program in Library/Information Technology that has been in existence for more than four decades. The program’s online classes draw students from throughout California. Every course is offered at least once a year, so full-time students can complete the required courses in two semesters, though four semesters is more typical. This program is designed to train students to respond to the changing needs of information management in our society. Wherever there is information there is a need to have someone available to assist in organizing it, managing it, and getting it into the hands of those who need to use the information.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

MATHEMATICS

DESCRIPTION
The Mathematics Program offers a broad curriculum to serve a diverse student population in meeting their educational goals.

We offer a variety of transfer level courses including statistics, mathematics for the humanities, mathematics for elementary school teachers, college algebra, pre-calculus algebra, trigonometry, business calculus, a university-level calculus sequence, and linear analysis with ordinary differential equations. We also offer courses from prealgebra through intermediate algebra for those students who want to improve their foundational skills and earn vocational certificates or associate degrees.

The Mathematics Program is designed to give students the analytical and logical thinking skills necessary for solving problems in a variety of contexts such as science, business, computer programming, social science and engineering.

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

MEDICAL ASSISTING/PHLEBOTOMY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION

The Medical Assisting Program (MAST) prepares students for employment in medical offices and laboratories. Training is offered in front and back medical office management and in phlebotomy.

Medical Assisting training prepares the student for an entry-level position as a medical assistant. Students are taught basic and advanced clinical skills, verbal and written communication skills, medical office management techniques, and essential customer service skills required in professional employment settings. Hands-on externship experience is part of the training.

Phlebotomy training prepares students by teaching skills required for essential blood specimen collection needed to fulfill state phlebotomy certificate requirements for a Certified Phlebotomy Technician (CPT-1). The graduate is prepared for employment in hospitals, independent labs, physicians' offices or public health clinics. Hands-on externship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. MUSIC

DESCRIPTION
The Music Department at Cuesta College offers Associate degrees in Music Performance and Jazz Studies, and a Certificate in Audio Technology. Each of the degrees and the certificate offers students in-depth study, taught in state-of-the-art classroom, studio, and performance facilities. The Department offers a variety of performance ensembles, including classical and jazz ensembles in instrumental and choral areas. Private instruction is available for wind, brass, percussion, vocal, guitar, and piano students. In addition, a transferable set of music theory courses are an integral part of the Performance and Jazz Studies degrees, as well as courses in jazz improvisation, class piano and guitar, and music appreciation.

### Transfer Preparation

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

- CSU System Information: [www2.calstate.edu](http://www2.calstate.edu)

### Financial Aid

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise, we want you to know that Cuesta College offers a full array of financial aid programs—grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full-and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. NURSING, LICENSED VOCATIONAL NURSE

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION
The Cuesta College Licensed Vocational Nursing Program (LVN) is approved by the California Board of Vocational Nursing and Psychiatric Technicians (BVNPT). The purpose of the nursing program is to prepare students for entry level vocational nursing positions in a variety of health care settings. Graduates of this 12-month, fast-track program are eligible to take the National Council for Licensure Examination (NCLEX-VN), and upon successful completion, become licensed as a Licensed Vocational Nurse (LVN) in the State of California.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

DESCRIPTION

The Registered Nursing (RN) Program is approved by the California Board of Registered Nursing (BRN). The purpose of the RN program is to prepare students for entry level registered nursing positions in a variety of healthcare settings. Registered nurses provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their family members. Upon completion of the program, graduates are eligible to take the National Registered Nursing Licensure examination (NCLEX). Hands-on internship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each intraspecific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. DESCRIPTION
The Cuesta College Nutrition program offers students a variety of interesting and challenging courses for students to learn about chemicals and nutrients in food and their effects on the human body and the world. The study of nutritional science contributes to preparing students for careers as nutritionists, registered dietitians (RD), food scientists, or other dietetics professionals. The Associate in Science in Nutrition and Dietetics for Transfer degree (AS-T in Nutrition and Dietetics) prepares students for success in a baccalaureate degree in Nutrition and Dietetics with the lower-division coursework required to transfer into the CSU system. The Cuesta College Nutrition program provides a broad foundation in a practical and personally applicable exposure to a variety of scientific areas of nutrition such as chemistry, biochemistry, microbiology, anatomy, physiology, and biology. Popular topics include microbial pathogens, environmental contaminants, nutrigenomics, macronutrient balance, energy metabolism, obesity, global issues, biochemistry of exercise, and micronutrient and phytochemical utilization. Students in the program learn how the scientific method and process contributes to nutritional requirements and how nutrients function from a cellular to more practical level, and then apply this knowledge to their own health. The program ultimately helps students understand the role of nutrition in disease prevention throughout the lifecycle and as an impact on society as a whole. The Nutrition program offers courses that meet college requirements in GE, a Nutrition Certificate, and Diversity and offers courses in both face-to-face and Distance Education modalities.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

PARALEGAL

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION

The Cuesta College Paralegal Degree Program is designed to provide students with the knowledge and skills needed to become a successful paralegal. A paralegal is a trained specialist who performs a wide variety of legal tasks, including legal research, assisting with clients, assisting with case investigation, assisting with witness preparation, assisting at trial, law office management, and legal document preparation in a variety of legal and business settings.

The Cuesta College Paralegal Degree Program fully complies with the California Business and Professions Code requirements for employment as paralegals and legal document assistants. The Paralegal Program is also designed to help students prepare for NALA (National Association of Legal Assistants) certification and is a first step towards CACPS (Commission for Advanced California Paralegal Specialization) certification as well.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each intraspecific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must (1) complete all courses required for the Certificate with an overall grade point average of 2.0.

PHYSICS

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION

The Cuesta College Physics Program engages students in the study of how the physical world works and why materials and objects behave the way they do. Physics students will learn to deduce the underlying principles and laws of nature, and apply those principles and laws to make estimations and predictions. The Cuesta College Physics Program offers two sequences of courses. Physics 205A and 205B are courses in a general, trigonometry-based physics series designed for students who intend to earn professional post-graduate health degrees at medical, pharmacy, or veterinary schools, in addition to students who enroll in architecture and construction technology undergraduate programs. Physics 208A, 208B and 208C are rigorous courses that utilize differential and integral calculus to prepare students for physics, geophysics, science, and engineering undergraduate major programs. Students can earn an A.S. degree in Physics at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. POLITICAL SCIENCE

DESCRIPTION
Political Science is an academic and research discipline that deals with the theory and practice of politics, and the description and analysis of political systems/processes, political behavior and political actors. Political science is commonly divided into five distinct sub-disciplines which together constitute the field: political theory, comparative politics, public administration, international relations, and public law. The Political Science program provides students with a core curriculum that will prepare them with the knowledge and skills required to succeed in the study of political science. Students will develop skills for critical/analytical thinking, perceptive reading/observation and interpretation, statistics analysis, and civic awareness and participation.

DESCRIPTION

The Psychiatric Technician Program (PSYT) prepares students to utilize the nursing process in the provision of care and treatment to individuals with mental and/or intellectual impairment under the supervision of a physician, psychologist and/or registered nurse. Psychiatric Technicians participate in rehabilitation and treatment programs, assist patients with activities of daily living, and administer medications and treatments. Upon completion of the program students are eligible to take the Psychiatric Technician state licensure exam leading to licensure as a California Psychiatric Technician. The Cuesta Psychiatric Technician courses are taught at the training facilities of the Department of State Hospitals - Atascadero (DSH-A) in Atascadero, CA, located half way between Cuesta’s San Luis Obispo and Paso Robles campuses. Hands-on internship experience is part of the training.

SOCIOLOGY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

DESCRIPTION

Sociology is the study of the human social behavior and its origins, development, organizations, and institutions. The study of human behavior in social context assists students to learn who we are, to get closer to the truth about the social world, and to become aware of ways to achieve desired social ends. Sociology and other liberal arts majors stress the ability to observe, organize and write clearly, as well as the development of skills in the analysis of data and in collaborating with others.

The Associate in Arts in Spanish for Transfer degree (AA-T in Spanish) will help individuals achieve their academic and career goals by providing a comprehensive foundation in the Spanish language in preparation for transfer to baccalaureate programs in the California State University system in Spanish or similar language programs. The Cuesta College AA-T in Spanish degree allows students to successfully complete a two-year degree program while completing the lower-division coursework required to transfer into the CSU system in a baccalaureate degree program in Spanish or a similar major.

ASSOCIATE DEGREE FOR TRANSFER PROGRAMS

Students who complete an Associate Degree for Transfer (ADT) and transfer to a similar major at a CSU are guaranteed a pathway to finish their baccalaureate degrees in 60 semester or 90 quarter units. These degrees require students to meet both of the following requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

DESCRIPTON
The Cuesta College Welding Technology program has a strong history of preparing students for work in industry. Students are afforded the opportunity to obtain Certificates of Specialization, Certificates of Achievement and/or an Associative Science Degree in welding technology. The welding curriculum is well rounded with courses ranging from Basic Welding through Certification, as well as courses in Metallurgy, Blueprint Reading and Welding Power. The shop facility includes twenty multi-process welding stations with current power supply technology. There are a total of six part-time instructors and one full-time instructor. Two instructors are CWI's. Welder qualifications are offered in structural steel and pipe welding to AWS D1.1, ASME Sec IX and API 1104.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each intraspecific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

A noncredit Certificate of Completion means a document confirming that a student has completed a noncredit educational program of noncredit courses that prepares students to progress in a career path or to take degree-applicable credit courses.

COURSES OF INSTRUCTION

In the following list of courses, the credit value of each course in semester credits is indicated by a number in parentheses after the course title.

Course descriptions followed by the notation (Transfer:…) indicate that the course is transferable to the California State University system, to the University of California system, or both. A student should contact a counselor to determine which courses are applicable to the student’s educational objective.

COURSE NUMBERING

000-099 Non-Degree Applicable and Non-Transferable
100-199 Degree Applicable and Non-Transferable
200-299 Degree Applicable and Transferable
400-499 Non-Credit Courses, including Emeritus College
500-599 Non-Credit Courses, including NCTE
600-699 Non-Credit Courses, including NCTE
700-799 Non-Credit Courses, including ESL and Vocational ESL

Special Topics (093/193) These are course offerings designed in specific disciplines to test new curriculum before adopting it as a part of an academic program. Course credit values range from 0.5 to 4.0 credits.

Independent Study (047/147/247) These courses are academic opportunities for students who are capable of independent work and demonstrate the need or desire for additional study, beyond the regular curriculum. These courses are not intended to replace existing courses in the discipline. In this course, students will have a written contract with their instructor for activities such as: preparing problem analysis, engaging in primary research, preparing reports, and meeting with the instructor at specific intervals.

PREREQUISITE, COREQUISITE, ADVISORIES AND LIMITATIONS ON ENROLLMENT

The San Luis Obispo Community College District has adopted a policy in order to provide for the establishing, reviewing and challenging of prerequisites, corequisites, and advisories.

Definitions:

Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Courses used to satisfy a prerequisite must be completed with a grade of “C” or better.

Corequisite means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

Advisory means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Limitations on Enrollment means a condition of enrollment which may include the following:

a. Auditions or tryouts for courses which include public performance and intercollegiate competition, such as a band, orchestra, theater, chorus, and intercollegiate athletics.

REPEATABLE COURSES

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

COURSE FAMILY REPEATS (see chart on the next page)

Enrollment in active participatory courses in physical education, visual arts, or performing arts that are related in content (courses where individual study or group assignments are the means by which learning objectives are obtained) is limited to no more than four times maximum. This limitation applies even if a student receives a substandard grade or “W” during one or more of such a course or petitions for repetition due to extenuating circumstances.

Cuesta identifies the following active participatory course families where enrollment is limited to a maximum of four (4) times within the repeat family group under the following conditions:

• Equivalent courses are counted in the four (4) enrollment maximum.

Example: KINA 246 was formerly PEAC 286 (Yoga) so past earned grades and “W” for PEAC 286 count toward overall 4 enrollment maximum.

• A course that is completed with a passing grade of “C” or higher may not be repeated within the family group.

• A course where a substandard grade or “W” grade is earned may be repeated to earn a passing grade.

  o A student will be blocked from enrolling for a third (3rd) attempt for a single course within a family repeat group if two (2) prior substandard grades are earned. The student will need to submit a Third Enrollment Agreement to be released to enroll for a third (3rd) attempt in the same course.

  o Substandard Grade - a grade of “D+,” “D,” “D-,” “F,” “FW,” “NP,” or “NC.”

• A maximum of three (3) “W” symbols may be earned for a course. A student will be blocked from registering for a course where three prior “W” symbols have been earned for a single course within a family repeat group.

• In-progress courses without a final grade are counted in enrollment of family repeat group.

COURSE MATERIAL FEES

Credit and non-credit courses with mandatory material fees are identified in the college catalog, class schedule, and class finder. Material fees are charged at the time of registration. Materials fees for classes dropped prior to the start of the term are automatically credited or reversed to student accounts. See the Cashier’s Office for help with materials fees for classes dropped within the two-week drop deadlines.

Credit - Degree Applicable
Letter Grade or P/NP
Introduces fundamental operations, rebuilding procedures, and service of torque converters and automotive automatic transmissions. Provides preparation for Automotive Service Excellence Certification.

ATCH 186 CHASSIS AND SUSPENSION SYSTEMS 3.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Presents suspension geometry and design, wheel alignment, active suspension systems, wheel balancing, tires, and steering systems. Provides training toward Automotive Service Excellence Certification.

ATCH 187 AUTOMOTIVE FUEL INJECTION AND TURBOCHARGERS 3.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Presents both mechanical and electrical fuel injection systems for auto- motive gasoline and diesel fuel engines as well as automotive and light truck turbochargers.

ATCH 188 AUTOMOTIVE HEATING AND AIR CONDITIONING 3.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Provides theory and practical application of the function and repair of heating and air conditioning systems as applied to domestic and imported automobiles. Provides training toward Automotive Service Excellence Certification.

ATCH 193 AUTOMOTIVE TECHNOLOGY SPECIAL TOPIC 0.50 to 4.00
0.00 - 0.00 hours per week: (0.00 lecture hours)
Credit - Not Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

ATCH 195 TECHNICAL CAREER PREPARATION IN AUTOMOTIVE 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Overview of automotive careers with focus on preparing for the job market. Includes discussion of career opportunities in the automotive industry, both union and non-union. Focus on providing the tools necessary to target and obtain a position in the automotive industry.

ATCH 252 WORK EXPERIENCE IN AUTOMOTIVE TECHNOLOGY 1.00 to 4.00
0.00 hours per week: (0.00-0.00 lecture hours/0.00-0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Provides opportunities for students in Automotive Technology to acquire and demonstrate employer-desired work habits, attitudes, and skills in the workplace. Employment is related to the student's educational majors and/or career goals. Students may earn a maximum of four credits per semester. Students must work 75 paid work hours or 60 non-paid work hours for each credit earned.

ATCH 255 MODERN DIESEL TECHNOLOGY 4.00
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: ATCH 154, ATCH 158
Covers the task fields required by ASE A9 certification test addressing light diesel technology. This course will cover essential details of fuel delivery, cylinder head, lubrication, cooling, fuel and valvetrain diagnosis and repair. Engine block diagnosis, repair, cleaning. Lubrication and cooling systems diagnosis and repair. Air induction and exhaust systems diagnosis and repair.
Transfer: CSU

ATCH 263 AUTOMOTIVE FUEL SYSTEMS: CARBURETION 3.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Studies automotive fuel systems including filters, tanks, lines, safety equipment, pumps, carburetors, and computer controlled carburetors.
Transfer: CSU

ATCH 264 EMISSION CONTROL/SMOG LICENSE PREPARATION 6.00
(Formerly ATCH 164)
6.00 hours per week: (6.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Covers the rules and regulations governing the Smog Check Program, inspection procedures using the Emissions Inspection System (EIS), and the OBDII inspection system (OIS). Successful completion of ATCH 264 meets a portion of the requirements for technicians seeking a Smog Check Technician License (EO).
Transfer: CSU

ATCH 269 AUTOMOTIVE TECHNOLOGY INTERNSHIP 3.00
6.00 hours per week: (1.50 lecture hours/4.50 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Successful completion of 12 semester credits of ATCH courses with a 3.0 GPA.
Presents lecture and lab instruction centering around the working environment in the automotive repair industry. Students are assigned to a commercial automotive repair facility for their laboratory experience. Lectures cover such topics as work habits, resumes, interviewing, attitude, safety, labor laws, record keeping, and rules and regulations pertinent to the automotive repair industry.
Transfer: CSU

ATCH 280 MANUAL DRIVETRAINS 3.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Presents the fundamental operation, service, diagnosis, and repair of clutch assemblies, manual transmissions and transaxles, rear
wheel drive (RWD) drive shafts and universal joints, front wheel drive (FWD) half-shafts and constant velocity joints, rear axle assemblies and differentials, and drive axle wheel bearings as applied to automobiles and light duty trucks.

**BIO 193  BIOLOGY SPECIAL TOPIC**

0.50 to 4.00

0.00 - 0.00 hours per week: (0.00 lecture hours)
Credit - Degree Applicable
Letter Grade or P/NP

Examines a special topic in the field of study related to the discipline offering this course.

**BIO 201A  BIOLOGY**

5.00

9.00 hours per week: (3.00 lecture hours/6.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Prerequisites: MATH 127 and CHEM 200 or one year of high school chemistry

Presents the philosophy of science, methods of scientific inquiry, and experimental design. The course will also cover principles and applications of prokaryotic and eukaryotic cell structure and function, biological molecules, homeostasis, cell reproduction and its controls, cell metabolism including photosynthesis and respiration, protein synthesis, classical/Mendelian genetics, molecular genetics, cellular communication, and biotechnology.

**BIO 202  GENERAL BOTANY**

5.00

9.00 hours per week: (3.00 lecture hours/6.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP

Prerequisites: Completion of any 3-unit or more college level biology course with a lab with a C grade or better, or completion of high school AP biology with a C grade or better.

Presents a study of structure and function of roots, stems, leaves, flowers, fruits and seeds of the flowering plants. Includes the characteristics, life cycles, classification, evolution and ecology of cyanobacteria, fungi, algae and vascular plants.

Transfer: CSU; UC

**BIO 204  MICROBIOLOGY**

5.00

9.00 hours per week: (3.00 lecture hours/6.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Prerequisites: CHEM 200 with a minimum grade of C or better or equivalent with a grade of C or better

Advisories: BIO 201A

Presents the general facts regarding bacteria and other microbial forms, particularly those that affect general health. Laboratory work includes culture techniques, animal host techniques, and identification of microbes.

Transfer: CSU; UC

**BIO 205  HUMAN ANATOMY**

4.00

8.00 hours per week: (2.00 lecture hours/6.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Introduces the structure and function of the human body. Introduces and integrates cytology, histology, embryology and pathology throughout each organ system. Includes gross and microscopic anatomy of the integumentary, skeletal, muscular, nervous, endocrine, sensory, circulatory, lymphatic, respiratory, digestive, urinary and reproductive organ systems. Lab includes study of preserved specimens, models and charts.

Transfer: CSU; UC

**BIO 206  GENERAL HUMAN PHYSIOLOGY**

5.00

7.00 hours per week: (4.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Prerequisites: CHEM 200 or equivalent with a grade of “C” or better and BIO 205

Advisories: BIO 201A

Presents physiological principles, function, integration, and homeostasis of the human body at the cellular, tissue, organ, organ system and organism levels. Study functions in normal healthy conditions and the mechanisms of disease.

Transfer: CSU; UC

**BIO 209C  COASTAL BIOLOGY FIELD STUDIES**

1.00

3.00 hours per week: (0.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP

Prerequisites: Any 3 unit or greater college level biology course.

Emphasizes observations and techniques used to appreciate and evaluate California’s coastal ecosystems. Camping, food, and other expenses will be the responsibility of the students.

Transfer: CSU; UC

**BIO 209D  DESERT BIOLOGY FIELD STUDIES**

1.00

3.00 hours per week: (0.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP

Prerequisites: Any 3 unit or greater college level biology course.

Presents a field study course on the California deserts. Includes the formation of the deserts and the ecological relationship of...
### BIO 209S  SIERRA BIOLOGY FIELD STUDIES 1.00

| 3.00 hours per week: (0.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

**Prerequisites:** Any 3 unit or greater college level biology course.

Studies Sierra ecosystems with emphasis on riparian and meadow habitats, Alpine and coniferous forest ecology and granite. Practices field study observations and techniques. Camping, food, and other expenses will be the responsibility of students.

**Transfer:** CSU; UC

### BIO 210I  ISLAND BIOLOGY 2.00

| 4.00 hours per week: (1.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

Focuses on ecological and evolutionary history, including colonization and establishment of native plant and animal communities, human impacts, natural history, and preservation and conservation of island ecosystems. Field and lab investigation examines marine algae, plankton, and both marine and terrestrial animal behavior patterns. Hands-on activities involve kayaking, daily snorkeling, laboratory investigation, and hiking. Students will be required to keep a standardized field notebook and complete a scientific investigation project. Students should be prepared for snorkeling, kayaking, and hiking on trails over rugged terrain. This course is taught with an initial online component followed by a week in the field on Catalina Island. Accommodations, food, transportation, and other expenses while arranged are ultimately the responsibility of the students.

### BIO 210M  ENVIRONMENTAL AND APPLIED MICROBIOLOGY 2.00

| 4.00 hours per week: (1.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade Only |

**Advisories:** ENGL 201A with a minimum grade of C or better

Provides an examination of microorganisms in the environment including: occurrence, abundance, and distribution; processes of microbial interaction with the environment; importance to human and animal health and practices of applied environmental microbiology.

**Transfer:** CSU; UC

### BIO 210R  NATURAL HISTORY OF THE COAST RANGES 2.00

| 4.00 hours per week: (1.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

**Advisories:** ENGL 201A

Presents a lecture and field study course on the ecology and natural history of the coast ranges. Includes the study of their geological history, native plant and animal communities, human impacts, and the history and function of the preservation and conservation of ecosystems including the national forest, Bureau of Land Management, and California state parks. A field trip will reinforce and elaborate upon lecture material. Field techniques also will be taught on the field trip. Students will be required to maintain and turn in a standardized field notebook. Camping, food, transportation, and other expenses will be the responsibility of the students. Students should be prepared for camping in a moist, coastal environment and extensive hiking on and off trails from sea level to over 2000 feet over rugged terrain.

| BIO 211  LIFE SCIENCE 3.00 |
| 5.00 hours per week: (2.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

Introduces the non-biology major to the organization and evolution of life and the structure and function of living systems from cells to biomes. Utilizes the lecture and laboratory approach to instruction.

**Transfer:** CSU; UC

### BIO 212  HUMAN BIOLOGY 3.00

| 3.00 hours per week: (3.00 lecture hours/0.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

Introduces fundamental structural and functional concepts of the human body systems, and their disorders and therapies. Designed for non-science majors and pre-allied health/Emergency Medical Services (EMS) students. Provides an appreciation for popular interests such as fitness, immunity, inheritance, and common medical terminology.

**Transfer:** CSU; UC

### BIO 212L  HUMAN BIOLOGY LABORATORY 1.00

| 3.00 hours per week: (0.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

**Prerequisites:** Completion or concurrent enrollment in BIO 212

Provides laboratory instruction to accompany Human Biology (BIO 212), a general education course for non-biology majors and pre-allied health/Emergency Medical Services (EMS) students. Presents an introduction to the biology of the human species, designed to create an awareness and understanding of the human body functions, human's place in nature and the mechanics of human heredity. Includes direct participation in experiments, demonstrations, and discussions. Topics include elements of human anatomy and physiology, nutrition, disease, elements of human heredity and environmental adaptations, and interpretations of relevant current topics in biology.

**Transfer:** CSU; UC

### BIO 213  GENETICS IN SOCIETY 3.00

| 3.00 hours per week: (3.00 lecture hours/0.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

Introduces basic principles of genetics and heredity. Emphasizes current advances in genetics, including stem cell research, cloning, cancer, and genetically modified crops. Investigates the social consequences and ethical implications of biotechnology in medicine and agriculture.

**Transfer:** CSU; UC

### BIO 216  PLANTS & PEOPLE 4.00

| 6.00 hours per week: (3.00 lecture hours/3.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade Only |

Designed for plant enthusiasts who do not have a strong science background. Includes the basic structure, physiology, reproduction, taxonomy, evolution, and ecology of plants. Discusses varied uses of plants by people of different cultures throughout history. Laboratory work includes setting up experiments, growing, and propagating plants. Students will also learn basic gardening techniques and how to design water-efficient sustainable gardens using California native plants.

**Transfer:** CSU; UC

### BIO 220  ENVIRONMENTAL BIOLOGY 3.00

| 3.00 hours per week: (3.00 lecture hours/0.00 lab hours) |
| Credit - Degree Applicable |
| Letter Grade or P/NP |

**Advisories:** ENGL 201A

Introduces the non-science major to the organization and evolution of life and the structure and function of living systems from cells to biomes. Utilizes the lecture and laboratory approach to instruction.
Presents a study of biological concepts, processes, and organismal biology, including scientific methodology, metabolism, genetics, evolution and ecology. These concepts are used to assess environmental issues including human population growth, biodiversity, biological conservation, pollution, and resource and energy use.

Transfer: CSU, UC

**BIO 220L ENVIRONMENTAL BIOLOGY LAB** 1.00
3.00 hours per week: (0.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Completion of or concurrent enrollment in BIO 220.
Advisories: ENGL 007

Presents an optional laboratory course designed to complement BIO 220, Environmental Science. Applies and expands knowledge gained in BIO 220 through field trips, laboratory investigations, and special projects.

Transfer: CSU, UC

**BIO 221 GENERAL ECOLOGY** 4.00
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: MATH 007

Studies plant and animal communities emphasizing the interrelationships of living organisms and their living and non-living environment. The emphasis in lecture is on major principles describing these interrelationships including evolution, energy flow and nutrient cycling via food webs, competition, and predation. The emphasis in the laboratory is on the gathering and interpretation of ecological data in lab and field.

Transfer: CSU, UC

**BIO 222 MARINE BIOLOGY** 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BIO 222

Transfer: CSU, UC

**BIO 222L MARINE BIOLOGY LABORATORY** 1.00
3.00 hours per week: (0.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BIO 222

Presents an applied, optional course designed to augment BIO 222, through laboratory and field investigations.

Transfer: CSU, UC

**BIO 224 PRINCIPLES OF NATURAL HISTORY** 3.00
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP

Presents an ecological approach to the natural history of terrestrial plants and animals in California. Emphasizes classification, relationships to environment, interrelationships, problems of life, economic importance, and field biology techniques.

Transfer: CSU, UC

**BIO 240 BIOLOGY TEACHING ASSISTANT** 0.50 to 2.00
0.50 - 2.00 hours per week: (0.50 - 2.00 lecture hours/0.00 - 0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Instructor approval

Prepares students to facilitate biology courses by developing tutorial skills, understanding of the learning process, and effectiveness as a teaching assistant.

Transfer: CSU

**BIO 241 BIOLOGY LAB ASSISTANT** 0.50 to 2.00
0.50 - 2.00 hours per week: (0.50 - 2.00 lecture hours/0.00 - 0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Instructor approval.

Prepares students to facilitate biology lab courses by developing laboratory, biosafety, and data acquisition skills.

Transfer: CSU

**BIO 242 BIOLOGY RESEARCH ASSISTANT** 0.50 to 2.00
0.50 - 2.00 hours per week: (0.50 - 2.00 lecture hours/0.00 - 0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Instructor approval

Applies principles and methods of biological research.

Transfer: CSU

**BIO 247 INDEPENDENT STUDIES: BIOLOGY** 0.50 to 2.00
1.50 - 6.00 hours per week: (0.00 - 6.00 lecture hours/1.50 - 6.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Completion of or concurrent enrollment in BIO 220.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of biology under the direction of an instructor.

Transfer: CSU

**BUS 130 INTRODUCTION TO E-COMMERCE** 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP

Summarizes online buying, selling, and delivery of products and services for personal and business purposes. Addresses Internet security and privacy issues, including credit card use, analyzes various revenue streams for business opportunities, and evaluates popular shopping cart packages.

**BUS 131 E-COMMERCE: SOCIAL MEDIA MARKETING** 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BUS 243
Advisories: BUS 130

Provides a hands-on introduction to social media marketing, including personal branding, blogs, email campaigns, social network participation, affiliate marketing, search engine optimization (SEO), and search engine marketing (SEM). Explores viral marketing, measurement tools for social media marketing campaigns, and career opportunities.

**BUS 132 E-COMMERCE: INFORMATION PRODUCTS** 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BUS 130 or BUS 243
Advisories: BUS 131

Builds upon the concepts learned in Social Media Marketing, BUS 131, in order to effectively develop a plan to sell digital goods, such as music, information, videos, software, etc., or services, such as consulting, online. Addresses legal issues such as copyrights, taxes, and guarantees, and customer relationship and retention strategies.
### BUS 228 OFFICE TECHNOLOGY AND TELECOMMUNICATIONS 3.00

(Formerly CAOA228)

3.00 hours per week: (3.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Prerequisites: Ability to type 25 words per minute.

Introduces typical office routines and responsibilities; principles, practices, and terminology as applied to most common filing methods; business forms; record keeping; office automation; communication and bank services; telephone procedures; human relations; telecommunications; and job securing processes.

Transfer: CSU

### BUS 229 BUSINESS INTERNSHIP 1.00 to 3.00

(Formerly BUS129)

2.70 - 8.00 hours per week: (0.20 - 0.50 lecture hours/2.50 - 7.50 lab hours)

Credit - Degree Applicable

Letter Grade Only

Prerequisites: 6 units of Business classes

Provides students an opportunity to experience the responsibilities of an employee in a business setting related to their courses of study in business.

### BUS 233 E-COMMERCE: PHYSICAL PRODUCTS 3.00

4.00 hours per week: (4.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Prerequisites: BUS 130 or BUS 243

Advisories: BUS 131

Builds upon the concepts learned in E-Commerce: Social Media Marketing, BUS 131, in order to effectively develop a plan to sell physical products, as well as to conduct business-to-business e-commerce via extranets. Includes order fulfillment, shipping, delivery, reverse logistics, and supply chain management issues.

### BUS 234 E-COMMERCE: ENTREPRENEURSHIP 4.00

4.00 hours per week: (4.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Prerequisites: BUS 248 and either BUS 132 or BUS 133

Advisories: LIBT 207 AND CAOA 269.

Design, develop, test, and implement a virtual “store”. Transfer brick and mortar small business management skills in business planning and operations to an online business. Gain actual experience in e-commerce site design, including working with potential clients, needs analysis, and production strategies.

### BUS 196 WORKPLACE HUMAN RELATIONS 2.00

2.00 hours per week: (2.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade Only

Discusses the process of forming personal attitudes, identifying and changing our personal attitudes, the behavioral aspects of interpersonal relationship and self-esteem are studied. Personal communication skills concepts are discussed. Cultural diversity awareness and increased team building skills are explored.

### BUS 218 BUSINESS LAW 4.00

4.00 hours per week: (4.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Offers legal knowledge concerning business and business relationships with emphasis on the laws of torts, property, contracts, agency, business organizations, and sales. Includes a study of the nature and background of American law, court systems, and court procedures.

Transfer: CSU; UC

C-ID BUS 120 and BUS 125

### BUS 225 INTRODUCTION TO BUSINESS 3.00

3.00 hours per week: (3.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Prerequisites: ENGL 201A

Presents a study of the principles and techniques designed to help students develop and refine written and oral skills for effective business communication. Covers general areas of grammar mechanics and sentence structure. The course emphasizes memos, e-mails, request and response letters, negative response correspondence, and persuasive communication. Includes reports, resumes and cover letters, and oral presentation.

Transfer: CSU

C-ID BUS 115
BUS 247  INDEPENDENT STUDIES: BUSINESS  0.50 to 2.00
1.50 - 6.00 hours per week: (0.00 lecture hours/1.50 - 6.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.
Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of business under the direction of an instructor.
Transfer: CSU

BUS 248  SMALL BUSINESS MANAGEMENT  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Presents the role of small businesses in the free enterprise system.
Discusses numerous aspects of small business ownership. Provides techniques in strategic planning, marketing, and controlling business operations for managers of small firms.
Transfer: CSU

BUS 249  ENTREPRENEURSHIP  4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: MATH 123
Introduces students to the concepts, techniques and requirements for establishing a business from an entrepreneurship viewpoint.
Students will explore the roles that marketing, accounting, law and finance play in starting a business.
Transfer: CSU

BUS 253  WORK EXPERIENCE IN BUSINESS  1.00 to 4.00
0 hours per week: ()
Credit - Degree Applicable
Letter Grade or P/NP
Provides opportunities for students in Business to acquire and demonstrate employer-desired workplace competencies and skills.
Employment is related to the student's educational major and/or career goals. Students may earn a maximum of four credits per semester and a total of 16 Work Experience credits over four semesters. Students must work 75 paid work hours or 60 non-paid work hours for each credit earned. There are required meetings with the Faculty Advisor and workplace supervisor.
Transfer: CSU

BUS 260  INTERNATIONAL BUSINESS  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: BUS 245
Provides an understanding of the cultural dimensions and market forces necessary to conduct business in a global environment.
Examines numerous ethnocentric models of cultural values and behavior plus explores cross-cultural differences between Asia, Latin America, Africa, Middle East, Europe, and the United States in order to develop appropriate strategies for conducting business in a transnational setting. Introduces concepts dealing with Personal Adjustment Skills, Business Effectiveness Skills, ethics abroad, legal situations outside the United States, linguistic variables and operating within a transnational team in order to navigate successfully in the international marketplace.
Transfer: CSU

BUS 283  MANAGEMENT AND SUPERVISION  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Discusses the process of management and how to supervise employees in today's business climate. The behavioral aspects of managing human resources are emphasized with a focus on the current practices of world-class companies.
Transfer: CSU

BUS 285  HUMAN RESOURCE MANAGEMENT  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: BUS 245
Introduces the principles of effective human resource management.
This course examines topics such as recruitment, selection, employee training programs, performance evaluation, compensation, employee relations and workplace health and safety, and the role of government regulations within those areas.

BUS 286  HUMAN RELATIONS  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Introduces students to the basic principles of how to manage employees in various organizational settings such as business, government and the service sector.
Transfer: CSU

BUS 289  RETAIL MANAGEMENT  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: BUS 245
Introduces the principles of retail management including analysis of consumer behavior, retail format and strategy, target market analysis, acquisition and management of merchandise, supplier relationship strategies, pricing and promotional strategies, and inventory control.

CHEMISTRY

CHEM 193  CHEMISTRY SPECIAL TOPIC  0.50 to 4.00
0.00 - 0.00 hours per week: (0.00 lecture hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

CHEM 200  INTRODUCTORY CHEMISTRY  4.00
(Formerly CHEM 210FL)
7.00 hours per week: (4.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 123 or equivalent or MATH 128
Presents an introduction to chemistry and chemical laboratory techniques and methods, including a survey of important chemical principles, and a description of the elements and their compounds. One lab hour per week will utilize Facilitator Assisted Learning to practice problem solving.
Transfer: CSU; UC
C-ID CHEM 101
CHEM 201A GENERAL COLLEGE CHEMISTRY I 5.00
7.00 hours per week: (4.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 200 or One year High School Chemistry or equivalent with a grade of C or better and MATH 127
Presents the first semester of a one-year course intended primarily for science and engineering majors in the fundamental principles of chemistry. Topics covered include kinetic-molecular treatment of gases, atomic structure and the periodic law, thermodynamics, aqueous equilibria, free energy, entropy, electrochemistry, coordination chemistry, nuclear, and organic chemistry. Laboratory work includes a study of precision and accuracy, standard methods of gravimetric and volumetric analysis, and computer acquisition and analysis of data.
Transfer: CSU; UC
C-ID CHEM 110. CHEM 201A+201B = C-ID CHEM 120S

CHEM 201AX APPLIED PROBLEMS FOR GENERAL CHEMISTRY 1.00
(Formerly CHEM 201X)
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Corequisites: CHEM 201A
Supplements Chem 201A to further develop general chemistry skills and conceptual understanding. Provides the opportunity for additional assistance in developing and mastering problem-solving abilities.
Transfer: CSU

CHEM 201B GENERAL COLLEGE CHEMISTRY II 5.00
7.00 hours per week: (4.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 201A
Presents advanced general chemistry topics as a continuation of Chemistry 201A. Topics covered include chemical kinetics, thermodynamics, aqueous equilibria, free energy, entropy, electrochemistry, coordination chemistry, nuclear, and organic chemistry. Laboratory work includes quantitative and qualitative analysis with computer acquisition and analysis of data.
Transfer: CSU; UC
CHEM 201A+201B = C-ID CHEM 120S

CHEM 201BX APPLIED PROBLEMS FOR GENERAL CHEMISTRY II 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Corequisites: CHEM 201B.
Supplements Chem 201B to further develop general chemistry skills and conceptual understanding. Provides the opportunity for additional assistance in developing and mastering problem-solving abilities.
Transfer: CSU

CHEM 201P PREPARATION FOR GENERAL COLLEGE CHEMISTRY 2.00
2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: CHEM 200 with a minimum grade of C or better and MATH 127
Presents problem-solving and fundamental reasoning skills needed for success in CHEM 201A, General College Chemistry I. This course is designed for students who meet Chem 201A prerequisites but need additional preparation prior to enrolling in Chem 201A. Topics include techniques for chemical problem solving, dimensional analysis, unit conversion, chemical nomenclature, fundamentals of chemical reactions, and principles of stoichiometry including mass, mole, and volume calculations.
Transfer: CSU

CHEM 211 INTRODUCTORY ORGANIC/BIOCHEMISTRY 4.00
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 200 or equivalent
Presents a survey of organic and biochemistry. Intended primarily for nursing, allied health, agriculture, and some biology majors. Topics include the classification, structure, and reactions of organic molecules as well as biological chemistry as it applies to living systems. Laboratory topics include separation techniques, characterization of organic molecules, reactions of organic and biological compounds.
Transfer: CSU; UC

CHEM 212A ORGANIC CHEMISTRY I 5.00
9.00 hours per week: (3.00 lecture hours/6.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 201B with a minimum grade of C or better
Presents the first semester of a one-year course in organic chemistry intended primarily for science and preprofessional health majors. The theoretical concepts, structure, nomenclature, and physical properties of hydrocarbons, alkyl halides, and alcohols are studied. Topics include stereochemistry, conformations, MO theory, infrared spectroscopy, as well as nucleophilic substitution, electrophilic addition, elimination, and radical reactions and reaction mechanisms. Laboratory work includes extensive study of organic techniques for separation and identification.

CHEM 212B ORGANIC CHEMISTRY II 5.00
9.00 hours per week: (3.00 lecture hours/6.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 212A
Presents the second semester of a one-year course in organic chemistry. Includes the study of mechanisms and reactions of ethers and epoxides, carbonyl compounds, acid derivatives, and aromatic compounds. Structure elucidation using spectroscopy, multi-step synthesis, and some biochemical applications of organic chemistry will be studied.
CHEM 212A+212B = C-ID CHEM 160S
Transfer: CSU; UC

CHEM 231 BIOCHEMISTRY 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 201A
Advisories: CHEM 201B
Presents a detailed introduction to the principles, concepts and terminology of biochemistry with an emphasis on the structure and function of biological molecules and the role of metabolism in energy production. Topics include the fundamental structures, chemistry, and properties of four groups of biological macromolecules (carbohydrates, lipids, proteins and nucleic acids) and their building blocks. This course will also present protein structure and function, enzyme catalysis, and the details of the central metabolic pathways (e.g., glycolysis, gluconeogenesis, the citric acid cycle, electron transport, and oxidative phosphorylation) including their regulation and integration. Throughout the course the organizing principles of biochemistry and the distinctive characteristics of the living state will be emphasized.

CIS 101  SURVEY OF WEB DESIGN 1.00
(Formerly WEXP146)
2.00 hours per week: (1.00 lecture hours/1.00 lab hours)
Credit - Not Degree Applicable
P/NP Only
Presents a basic overview of web design in a hands-on environment, with an introduction to the knowledge and skills needed for positions in web design.

CIS 154  ESSENTIALS OF MS OUTLOOK 2.00
(Formerly CAOA154)
2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: CIS 210
Introduces the computer user to an electronic desktop information management (DIM) system; a central location from which to create, view, and organize all computer information. Simplifies organizational tasks, journal entries, works with Web addresses by allowing the storage, management and navigation to web sites.

CIS 156  TEST PREP FOR MICROSOFT OFFICE SPECIALIST (MOS) CERTIFICATION 0.50
(Formerly CAOA156)
0.50 hours per week: (0.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Provides students with the opportunity to become a Specialist in the Microsoft office programs (Word, Excel, Powerpoint, Access or Outlook.) Includes unlimited review and practice tests along with test-taking strategies. Upon completion of class, student will be prepared to take MOS certification exams.

CIS 173  ADOBE ACRB D A T 1.50
(Formerly CAOA173)
2.00 hours per week: (1.25 lecture hours/0.75 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Presents primary instruction in the use of Adobe Acrobat Professional. Students learn how to create Adobe PDF files from: Microsoft Office programs, popular authoring programs, image files and Web pages. In addition, students will learn reviewing and commenting on existing PDF files; customizing output quality by compressing and reducing file sizes; adding signatures and security to documents, converting paper forms to interactive online forms; creating multi-media presentations that include sound files. Course also teaches using Adobe Live Cycle Designer to create interactive forms from scratch.

CIS 193  COMPUTER INFORMATION SYSTEMS SPECIAL TOPIC 0.50 to 4.00
1.50 - 12.00 hours per week: (0.00 lecture hours/1.50 - 12.00 lab hours)

6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: CNET 253 and CNET 221

Prepares the student for the Microsoft Server Administration certification in a VMware virtualization environment. The course builds on concepts taught in the Microcomputer Fundamentals and Operating System Concepts courses. Topics include server architecture, RAID controller configuration, server virtualization and server operating system administration, iSCSI SAN configuration for VMware Cold Migration backups, vMotion and High Availability.

CNET 255  COPPER AND FIBER OPTIC CABLING  4.00
(Formerly ETCH255)
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: MATH 133

Addresses topics on industry standard network cabling certification tests. Presents basic concepts in both copper and fiber optic network cabling and its application to network infrastructure. Basic terminology, cable types, wiring structures, installation factors and techniques will be discussed. LAN topologies, wiring technology, management, and standards will be investigated and applied to lab practice. Termination techniques for both multi-category twisted pair and fiber optic connectors will be studied and applied. Testing and troubleshooting of network cabling and terminations using wiremap, performance testers, optical test sets and optical time domain reflectometers will be explored. Certification testing at the end of the course will be offered.

CNET 260  NETWORKING FUNDAMENTALS  2.50
(Formerly CIS260)
3.50 hours per week: (2.00 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CNET 253

Introduces students to the TCP/IP networking protocols, network topologies and media, and internet working devices. Students will use sophisticated network design, configuration, and analysis CAD tools to select different networking media types, implement cabling and wiring connections, and develop IP addressing and subnetting schemes.

Transfer: CSU

CNET 261  ROUTER THEORY AND TECHNOLOGY  2.50
(Formerly CIS261)
3.50 hours per week: (2.00 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CNET 260

Introduces students to dynamic routing and packet switching concepts, routing tables and interface configuration, IPv4 and IPv6 addressing schemes, and network security (IPSec) protocols. Configuration and troubleshooting activities will focus on IPSec (data encryption and security), OSPF (Open Shortest Path First), and EIGRP (Enhanced Interior Gateway Routing Protocol).

Transfer: CSU

CNET 262  LOCAL AREA NETWORKS  2.50
(Formerly CIS262)
3.50 hours per week: (2.00 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CNET 280

Presents Local Area Network architecture and design, including the Spanning-Tree Protocol and Virtual LANs, integration of switched and wireless technology, and wireless security concepts and configuration. This course continues preparation for the Cisco Certified Network Associate (CCNA) Exam.

Transfer: CSU

CNET 263  WIDE AREA NETWORKS  2.50
(Formerly CIS263)
3.50 hours per week: (2.00 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CNET 280

Presents the technology, concepts, and protocols used for interconnecting networks and users through the wide area telecommunications infrastructure. Topics include the Point-to-Point Protocol (PPP), DSL and cable modem connections, Frame Relay, Virtual Private Networks (VPNs), as well as wide area network addressing and security solutions (IPv6 and IPSec). This course completes preparation for the Cisco Certified Network Associate (CCNA) Exam.

Transfer: CSU

CNET 735  COMPUTER SYSTEM SECURITY  0
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Noncredit
Non-Credit Gradeable Course/SP

Conducts a comprehensive examination of the types of attacks launched against networks and computer system. Teaches students how to use network security products, operating system security features, and other hardware/software-based tools to counter these threats.

CONSTRUCTION TECHNOLOGY

CTCH 101  SURVEY OF RESIDENTIAL CONSTRUCTION  1.00
2.00 hours per week: (0.50 lecture hours/1.50 lab hours)
Credit - Not Degree Applicable
P/NP Only
Presents a basic overview of the residential construction industry in a hands-on environment, with an emphasis on the foundational knowledge and skills required for basic entry-level construction trades positions.

CTCH 163  CONSTRUCTION MANAGEMENT  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Presents the principles and practices of construction management for small firms, with emphasis on marketing, cost accounting, job costing, ownership structure, financing, legal requirements, and construction bonding.

CTCH 180A  BUILDING CODE I, ARCHITECTURAL DESIGN PROVISIONS  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: CTCH 250
Introduction to the Building Code, concentrating on the permit process and fundamental architectural design requirements involving occupancies, maximum allowable area, type of construction, proximity to property lines, exiting, fire protection, disabled access, elevators, and construction safety. This course is the first in a series of two which will familiarize the student with building code provisions relating to the design and construction of residential and commercial structures. The emphasis will be on requirements which limit or specify the building space to be created.

CTCH 193  CONSTRUCTION TECHNOLOGY SPECIAL TOPIC  0.50 to 4.00
0.00 - 0.00 hours per week: (0.00 lecture hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

CTCH 200  WORKPLACE SAFETY- OSHA10  0.50
(Formerly CTCH 100)
0.60 hours per week: (0.60 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Provides basic safety and health information and education for the construction industry that fulfills the OSHA10 requirements. Provides training for workers and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards in workplaces in the construction industry. Also provides information regarding workers’ rights, employer responsibilities, and how to file a complaint.

6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Explores the theories and practices of scenery and prop construction and introduces the fundamentals of scenic design. Topics include: construction materials, techniques, design.
Transfer: CSU; UC

**DRA 212 ENTERTAINMENT LIGHTING**
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Explores introductory lighting design concepts and implementation of stage lighting. Topics include control, instrumentation and basic electrical theory. Students will hang, focus and accessorize fixtures for a lighting plot.
Transfer: CSU; UC

**DRA 214 SCRIPT ANALYSIS**
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: ENGL 099
Study a variety of plays and learn how to examine their structure, theme and cultural context. Script analysis is an essential applied skill for actors, designers and directors.
Transfer: CSU

**DRA 216 INTRODUCTION TO THEATRICAL COSTUME CONSTRUCTION**
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Explores the basic areas of costume construction. Topics include fabrics, color, patterns, sewing techniques, costume pieces, and accessories. Period styles, costume analysis, and basic design are also covered. It offers experience in constructing costumes for theatrical productions. Field trips may be required.
Transfer: CSU; UC

**DRA 218 TECHNICAL THEATRE PRACTICUM**
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Offers skill building lab opportunities in lighting, sound, scenery construction, props, and scenic art. Lab sessions are tailored to students’ current area of study. This course may be taken four times for credit.
Transfer: CSU; UC

**DRA 219 TECHNICAL THEATRE PRACTICUM II**
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: DRA 240
Offers instruction and intermediate skill building opportunities in theater technology through participation in production preparation and run crew.
Transfer: CSU; UC

**DRA 220 THEATRICAL DESIGN PRACTICUM**
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: DRA 240
Offers instruction and design opportunities in theatrical lighting, sound, scenery, props or costumes. Projects culminate with a live performance.
Transfer: CSU; UC
DRA 243  TECHNICAL MANAGEMENT PRACTICUM 3.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: DRA 240
Offers instruction and management opportunities in theatrical lighting, scenery, props, costumes or stage management. Projects culminate with a live performance.

3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: MATH 123 with a minimum grade of C or better.
Introduces a broad range of topics in electricity and electronics. Fundamentals of Direct Current (DC) and Alternating Current (AC) circuits as well as applications are presented. Additionally, industry best practices are covered. This course is designed for computer or networking technicians and related disciplines. This course is not intended for electricians or electrician trainee certification.

EET 119  STATE ELECTRICIAN TRAINEE TOPICS  4.00
6.00 hours per week: (2.00 lecture hours/4.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CTCH 250
Introduces basic residential wiring skills. Includes basic electrical theory, installation techniques, basic plan reading, estimating and wiring methods.

EET 169  RESIDENTIAL WIRING  3.00
(Formerly CTCH169)
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: CTCH 250
Introduces basic residential wiring skills. Includes basic electrical theory, installation techniques, basic plan reading, estimating and wiring methods.

EET 181  NATIONAL ELECTRICAL CODE  3.00
(Formerly CTCH181)
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: EET 169
Introduces the use of the National Electrical Code. Promotes an understanding of the electrical code necessary to the installation of such systems and the need to safeguard the public through uniformity and safety in building laws.

EET 183  COMMERCIAL AND INDUSTRIAL WIRING  4.00
(Formerly CTCH183)
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: EET 169 with a minimum grade of C or better and EET 213 with a minimum grade of C or better
Introduces planning, construction, and testing of a typical commercial
electrical installation including: plans and specifications, applicable codes, load calculations, wire sizing, conduit fill analysis and bending, branch circuits, feeders, grounding practices, transient surge suppression, uninterpetable power supply selection and installation techniques.

Additionally studies the responsibilities and knowledge required for professional industrial and commercial electricians working under current state certification requirements including: industrial electrical service power and lighting, feeder bus systems, panel boards, hazardous locations, power factor, ballasts, transformers, switching systems, grounding and bonding, installation techniques, and applying code requirements to all aspects of commercial and industrial wiring systems. Course developed in conjunction with the California Apprenticeship Council’s standards for the State Electrical Certification Examination.

EET 213 ELECTRONICS FUNDAMENTALS 6.00
(Formerly ETCH213)
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Completion of or concurrent enrollment in MATH 123 or MATH 127.
Introduces a broad range of topics in electricity and electronics. Fundamentals of DC, AC, transistors, and digital logic are all addressed with heavy emphasis on basic concepts. Circuit analysis methods and troubleshooting will be studied using a hands-on approach.
Transfer: CSU

EET 224 INDUSTRIAL ELECTRONICS 4.00
(Formerly ETCH224)
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: EET 216
Course includes basic topics related to industrial electronics. A brief review of analog circuits is expanded upon to develop more advanced circuit concepts. Topics include FET’s, SCR’s, basic components involved in motor control, DC and AC motors, and their controller circuits will be covered. Operational amplifiers will be covered, and their applications to sensor instrumentation. Transducers and applications to various sensors for heat, flow, force, etc. will be developed. Troubleshooting techniques for the above topics will be incorporated with each section.

EET 227 FLUID AND PNEUMATIC TECHNOLOGY 4.00
(Formerly ETCH227)
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: EET 213
Presents basic topics related to fluid and pneumatic systems and devices. Basic physics relating to fluid hydraulics and pneumatics will lead into applied topics such as tanks, pumps, pump filters, accumulators, actuators, valves, compressors, and pressure regulators. Some advanced topics such as physical locomotion as related to horsepower and torque calculations. In depth applications of accumulator circuits, directional control valves, sequencers, pilots and solenoid controlled valves. Application of relay and PLC circuits address in laboratory and field environment.

EMERGENCY MEDICAL SERVICES

EMS 102  EMERGENCY MEDICAL TECHNICIAN-REFRESHER 1.50
1.50 hours per week: (1.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Current CA Emergency Medical Technician certificate or a CA EMT/county EMT certificate that has not been expired for more than 2 years.
Reviews and updates knowledge and skills required to qualify for the State of California Emergency Medical Technician certification. Current CA EMT certification will need to be received in the Nursing/Allied Health Department office in order to register for this course. Repeatable.

EMS 103  HAZARDOUS MATERIALS FIRST RESPONDER OPERATIONAL 1.50
1.50 hours per week: (1.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Focus is safety in hazardous materials response as an emergency responder. After successful completion of this course, the student will receive a California State certificate for Hazardous Materials First Responder “Operational” level. The CA Certification meets the requirements of Title 8 CCR Sec. 5192 (q) and is required by emergency providers. A certification fee is required prior to completion of the course. Repeatable 3 times(s).

EMS 105  PARAMEDIC PREPARATORY 1.50
1.50 hours per week: (1.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: EMS 105 and Current EMT certificate; American Heart Association Healthcare Provider CPR or Red Cross Professional Rescuer card; Must be at least 18 years of age on the first day of class.
Corerequisites: EMS 105L
Introduces the student who may be interested in paramedicine to pre-hospital concepts. Emphasis is on a strong base of EMT skills prior to considering a career in paramedicine. The course is designed to prepare the student for the paramedic training. Topics include anatomy and physiology review, patient assessment, electrocardiology, basic pharmacology and study habits as it applies to paramedic-level training.

EMS 105L  PARAMEDIC PREPARATORY LAB 0.50
1.80 hours per week: (0.00 lecture hours/1.80 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Current county EMT certificate; American Heart Association Healthcare Provider CPR or Red Cross Professional Rescuer card; Must be at least 18 years of age on the first day of class.
Corerequisites: EMS 105
Introduces the student to a ride-a-long experience exposing them to a working Paramedic on 911 systems in the field of EMS. The purpose is to watch how paramedics work with patients, Fire Departments, Police Departments, hospital staff, families and bystanders on scene, and nurses in the convalescent homes and other settings. Also, focuses on observation of how paramedics interact and work while on a call.

EMS 107A  ADVANCED CARDIAC LIFE SUPPORT 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Current CPR for Health Care Providers Certificate AND NRAD 204D or Must be a licensed MD, RN, Physician Assistant or Paramedic with prior ECG knowledge.
Teaches Advanced Cardiac Life Support knowledge and skills necessary to provide the appropriate early treatment for cardiopulmonary arrest. Based on current American Heart Association guidelines.

EMS 107B  PEDIATRIC ADVANCED LIFE SUPPORT 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Current CPR for Health Care Providers Certificate AND NRAD 204D or Must be a licensed MD, RN, Physician Assistant or Paramedic with prior ECG knowledge.
Teaches Pediatric Advanced Life Support knowledge and skills necessary to provide the appropriate early treatment for pediatric emergencies. Based on current American Heart Association guidelines.

EMS 107C  PREHOSPITAL TRAUMA LIFE SUPPORT 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Must be a licensed Emergency Medical Responder; EMT, Paramedic, RN, Physician Assistant, or Physician. Military healthcare providers are also welcomed.
Provides knowledge and skills taught to provide pre-hospital trauma life support appropriate for the care of the trauma patient. National Association of Emergency Medical Technicians based course.

EMS 193  EMERGENCY MEDICAL SERVICES SPECIAL TOPIC 0.50 to 4.00
1.50 -12.00 hours per week: (0.00 lecture hours/1.50 -12.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

EMS 201  EMERGENCY MEDICAL TECHNICIAN 8.50
9.50 hours per week: (8.50 lecture hours/1.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Student must be 18 years of age by the first class meeting. Have a current Healthcare Provider or Professional Rescuer CPR card
Advisories: NRAD 222
Meets the U.S. Department of Transportation Emergency Medical Technician (EMT) National Standard Curriculum and state of CA (Title 22) regulations for students desiring certification as an EMT. State certification as an EMT is mandated as the minimal level of emergency medical training required to work on any ambulance and in most fire departments. Students must be 18 years of age by the first class meeting and are required to bring a valid CA driver’s
### EMS 210  PARAMEDIC THEORY I
(Formerly EMS106)
18.00 hours per week: (16.50 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Admission into Paramedic Program
Apply knowledge of anatomy and physiology relevant to paramedic advanced life support training for emergency medical services. This includes cardiovascular, respiratory, pediatric, OB/GYN, and other emergency medical service training. Providing professional, non-discriminatory care for all people in their time of crisis. Perform as an EMS public servant Paramedic showing competency, ethical, confident entry-level healthcare. This course meets the minimum hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.
Transfer: CSU

### EMS 211  PARAMEDIC THEORY II
(Formerly EMS107)
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: EMS 210
Corequisites: EMS 211L
Apply knowledge of anatomy and physiology relevant to paramedic advanced life support training for emergency medical services. The study of medical diseases and traumatic related injuries for Paramedic training which meets the requirements of the National Standard Curriculum. Includes ACLS, PALS, and PHTLS training and certification. Providing professional, non-discriminatory care for all people in their time of crisis. Perform as an EMS public servant Paramedic showing competency, ethical, confident entry-level healthcare. This course meets the minimum hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.
Transfer: CSU

### EMS 211L  PARAMEDIC SKILLS
1.50
4.50 hours per week: (0.00 lecture hours/4.50 lab hours)
Credit - Degree Applicable
P/NP Only
Corequisites: EMS 211
Apply knowledge of anatomy and physiology relevant to paramedic advanced life support training for emergency medical services. This includes cardiovascular, respiratory, traumatic injuries, pediatric, OB/GYN, and other emergency medical service training. This lab portion provides supervised application of cognitive knowledge and skills in acute patient care.
Transfer: CSU

### EMS 212  PARAMEDIC CLINICAL
(Formerly EMS107L)
12.00 hours per week: (12.00 lecture hours/12.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: EMS 211 and EMS 211L
Corequisites: EMS 213
Provide clinical application of advance life support concepts in acute patient care for the Paramedic Student. Opportunities for increasing skill performance in the clinical (hospital) setting. This course meets the minimum hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.
Transfer: CSU

### EMS 213  PARAMEDIC INTERNSHIP
9.00
27.00 hours per week: (0.00 lecture hours/27.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: EMS 211 and EMS 211L
Corequisites: EMS 212
Provides the internship phase of paramedic training, which allows the student to be assigned to an emergency response vehicle with a field preceptor to establish advanced life support patient care responsibilities. This includes cardiovascular, respiratory, traumatic injuries, pediatric, OB/GYN, and other emergency medical service training. This portion of paramedic training provides supervised application of cognitive knowledge and skills in acute patientcare. EMS 213 meets the minimum hours for required to complete paramedic internship training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.
Transfer: CSU

### EMERITUS COLLEGE

#### ECOL 406  COMPOSING YOUR LIFE STORY
0
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Presents creative approaches to telling your life story. This course engages students in the process of composing meaningful and engaging life stories, including identifying and reflecting on themes, locating records and memory treasures, and writing and other forms of life review. Participants with ongoing memoir writing projects are welcome as well as those who just beginning and would like direction and guidance. Designed for adults over 50. Repeatable.

#### ECOL 408  MUSIC APPRECIATION
0
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Introduces students to many styles and genres of music, including Western music and music of traditions and cultures from around the world. Develops critical listening ability and enriches musical experiences with the study of genres and forms, composers, historical context and influences of a variety of musical selections. Designed for Adults 50+.
Repeatable.

#### ECOL 409  CHORAL ENSEMBLE
0
0.50 - 6.00 hours per week: (0.50 - 6.00 lecture hours/0.50 - 6.00 lab hours)
Noncredit
Non-credit Course
Offers students an opportunity to sing a variety of music styles and improve their choral techniques in a community chorus setting. A performance will conclude the class. This course is designed for adults over 50.
Repeatable.
Presents the pros and cons of wills and trusts, the process of
probate, the types of trusts and of powers of attorney. Students
find out what they need to know to make informed estate-planning
decisions. This course is designed for adults over 50.
Repeatable.

**ECOL 421** GREAT LITERATURE: SELECTED READING
1.50 hours per week: (1.50 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Presents a guided reading of a selected great work of literature such
as Dante’s Inferno or Virgil’s Aeneid or a play by William Shake-
spere. Reading selection changes each session. Discussion of
theme, setting, characterization occurs in class; in addition, students
read aloud portions of the work and learn about the historical and
cultural context of its writing. This course is designed for adults over
50.
Repeatable.

**ECOL 423** ART: WATERCOLOR
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Introduces watercolor fundamentals as well as using and caring for
materials, color mixing and application techniques, design and com-
position, and developing personal creativity. Advanced Approaches
will be introduced as student skills expand. This course is designed
for adults over 50.
Repeatable.

**ECOL 424** ART: PAINTING
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Introduces fundamentals of painting. This includes knowledge and
care of materials, color mixing and characteristics, brush applica-
tions, composing, finishing and evaluation of art of various subjects.
Advanced approaches will be introduced as student skills expand.
This course is designed for adults over 50.
Repeatable.

**ECOL 425** ART APPRECIATION
1.00 - 3.00 hours per week: (1.00 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Presents an historical overview of art in all its dimensions, from pre-
history to the present. This course focuses on the fundamentals and
aesthetics of the visual arts, as well as the major developments that
shaped the evolution of art. Each class will focus on a significant
artist, movement, genre or time period and will explore the history,
culture and humanity present in the art. Designed for adults over 50.
Repeatable.

**ECOL 427** CREATIVE COOKING AND HEALTH EATING
1.00 - 3.00 hours per week: (1.00 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Presents healthful food and cooking choices that maintain optimum
health for active older adults. Students learn basic concepts of nu-
trition as well as how to prepare tasty, flavorful and nutritious meals
using fresh food from local markets. Designed for adults 50+.
Repeatable.
ECOL 429  PHOTOGRAPHY: EQUIPMENT AND TECHNIQUES FOR ADULTS 50+
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Designed for the adult 50+, this class presents camera choices, in particular digital cameras; camera use; photo quality, including setting, composition and light; downloading, storing and sharing images; and documenting life events and travel.
Repeatable.

ECOL 433  SENIOR SEMINAR
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Discover the influences and connections between ideas, values and concepts on a variety of topics in areas such as health, culture, philosophy, psychology, economy, science, history, literature, current events, consumer awareness and finance. In a setting that encourages dialogue and interaction each class presents a specific subject or issue of interest to the older adult.
Repeatable.

ECOL 434  EXPLORATION IN ART
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Encourages art appreciation, self-expression and creativity in a variety of art media. Projects give students experience with different creative traditional and/or nontraditional artistic methods, design techniques, tools and materials. Each class will focus on specific media and projects. Designed for adults 50+.
Repeatable.

ECOL 437  COMMUNITY MUSIC ENSEMBLE
0.50 - 6.00 hours per week: (0.00 - 0.00 lecture hours/0.50 - 6.00 lab hours)
Noncredit
Non-credit Course
Provides a venue for older adults to discover or strengthen their musical creativity, personal instrumental or vocal skill, performance standards, and self-confidence. Students will learn to play their instrument or sing and build or renew a repertoire of compositions and songs while strengthening their ability to express themselves musically. Each section of the course is offered for choral, symphonic, jazz or other ensemble. This course prepares concert performances.
Repeatable.

ECOL 439  COMPUTER BASICS
0.50 - 3.00 hours per week: (0.50 - 3.00 lecture hours/0.00 lab hours)
Noncredit
Non-credit Course
Introduces computer basics including machine functions, keyboard use, fundamental word processing, spreadsheets, presentations, email and web browsing. Designed for the adult 50+.
Repeatable.

ECOL 470  ADAPTED EXERCISE
2.00 hours per week: (0.00 lecture hours/2.00 lab hours)
Noncredit
Non-credit Course
Promotes maintenance of the physical and mental well-being of the older adult, this course is geared to increasing strength, range of motion/flexibility, balance, agility, eye/hand and foot coordination; enhancing the circulatory system; and increasing mental alertness of the older adult. Techniques are adapted to meet the needs of older adults at their various fitness levels and functional capacities.
Repeatable.

ECOL 471  MUSIC ARTS
2.00 hours per week: (0.00 lecture hours/2.00 lab hours)
Noncredit
Non-credit Course
Encourages appreciation of music from different time periods and genres. Through active participation in discussions, musical reminiscence, sing-along and rhythmic activities, the older adult student will engage with variety of music.
Repeatable.

ECOL 472  CREATIVE ARTS
2.00 hours per week: (0.00 lecture hours/2.00 lab hours)
Noncredit
Non-credit Course
Provides physical and mental stimulation through engagement with a variety of art media. Designed for older adults, project encourages expression and appreciation of art through artistic design, artistic methods, techniques, tools and materials. Eye-hand (fine motor) coordination will be utilized to develop, stimulate and enhance psycho-motor, perceptual, and cognitive skills.
Repeatable.

ECOL 473  FUN WITH FOOD
2.00 hours per week: (0.00 lecture hours/2.00 lab hours)
Noncredit
Non-credit Course
Presents a large variety of food topics and activities related to the health and well being of the older adult. Diverse topics of interest such as personal experiences and cultural traditions, nutrition, consumerism, entertaining, and health and safety will be discussed.
Repeatable.

ECOL 474  REMINISCING
2.00 hours per week: (0.00 lecture hours/2.00 lab hours)
Noncredit
Non-credit Course
Presents various topics as a basis for reminiscing about life experiences and for recalling cultural and historical events that marked one’s life.
Repeatable.

ECOL 475  REMINISCING
0.50 to 4.00

ENGR 193  ENGINEERING SPECIAL TOPIC
0.50 - 4.00 hours per week: (0.50 - 4.00 lecture hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

ENGR 200  INTRODUCTION TO ROBOTICS
3.00
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Introduces robotics theory and application using hands-on, real-world projects and applications. Applies the topics of mechanics, electronics, waves and robotics to engineering design solutions.
Transfer: CSU, UC

ENGR 201  PLANE SURVEYING
3.00
(Formerly CTCH201)
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 229 or MATH 231
Advisories: ENGR 226
Introduces the principles and practices of surveying, including the use of the engineer’s tape, level, transit, and total station.
equipment will be used to perform computations for horizontal and vertical distances, profiles, azimuths and bearings, traverse closures, topographic mapping, earthwork and land grading, and horizontal and vertical curves. Introduces maps and land descriptions.

Transfer: CSU; UC

ENGR 202  INTRODUCTION TO CIVIL 3D  2.00
4.00 hours per week: (1.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: ENGR 201, ENGR 225, or ENGR 226

Presents an introduction on drawing civil engineering projects using Autodesk’s Civil 3D software. Covers organizing project data, points, surfaces, road corridors, parcel layouts, grade and volume calculation tasks, and pipe networks.

Transfer: CSU

ENGR 205  SURVEY OF MANUFACTURING  3.00
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP

Introduces manufacturing technology. Topics include basic tool geometry, blueprint reading, shop math, precision measuring tools, coordinate systems and how to safely operate various types of industrial equipment.

Transfer: CSU; UC

ENGR 210  COMPUTATIONAL METHODS FOR ENGINEERS  3.00
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Completion of MATH 265A or higher
Advisories: PHYS 205A or PHYS 208A

Utilizes the MATLAB and Excel environment to provide students with a working knowledge of computer-based problem-solving methods relevant to science and engineering. It introduces the fundamentals of procedural and object-oriented programming, numerical analysis, and data structures. Examples and assignments in the course are drawn from practical applications in engineering, physics, and mathematics.

Transfer: CSU; UC

ENGR 217  CIRCUIT ANALYSIS  4.00
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: PHYS 208B and MATH 287

Analyze and measurement of electrical circuits. Use of analytical techniques based on the application of circuit laws and network theorems. Analysis of DC and AC circuits containing resistors, capacitors, inductors, dependent sources, operational amplifiers, and/or switches. Natural and forced responses of first and second order RLC circuits; the use of phasors; AC power calculations; power transfer; and energy concepts.

Transfer: CSU; UC

C-ID ENGR 260 + 260L

ENGR 225  AUTOCAD  1.00
(Formerly ENGR125)
2.00 hours per week: (0.50 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CIS 210 or basic knowledge of a Windows operating environment

Introduces AutoCAD. Topics include all basic drawing commands, layers, dimensioning, and editing objects. Intended for those students wanting to learn the software and not necessarily how to draw. Ideal for professional engineers and architects or students in architecture or interior design.

Transfer: CSU

ENGR 226  ENGINEERING DRAWING  4.00
6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Introduces engineering drawing using AutoCAD (2D) and Solidworks (3D). Topics include geometric construction, orthographic projection, isometrics, sectionals, auxiliaries, descriptive geometry, fasteners, dimensioning and tolerances, working drawings, and the engineering design process.

Transfer: CSU; UC

ENGR 228  DETAILED DESIGN WITH SOLIDWORKS  3.00
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: ENGR 226 with a minimum grade of C or better

Drawing parts and assemblies with solid modeling using SOLIDWORKS. Techniques of advanced communication including weld symbols, threaded fasteners, dimensioning and tolerancing. Creation of design layouts and part models with varied configurations and dynamic assembly models. Introduction to section mass and inertia properties.

Transfer: CSU

ENGR 246  MATERIALS ENGINEERING  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 201A and MATH 265A
Corequisites: ENGR 246L

Presents the fundamentals of the structure of matter. Introduces physical and mechanical properties of materials including metals, alloys, ceramics, semi-conductors, and polymers. Provides a study of heat treatments, materials selection, corrosion phenomena, and equilibrium phase diagrams.

Transfer: CSU; UC

ENGR 246L  ENGINEERING MATERIALS LAB  1.00
3.00 hours per week: (0.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: CHEM 201A and MATH 265A
Corequisites: ENGR 246

Presents laboratory experiments on the heat treatment and resulting proper ties of metals, effects of cold deformation of metals, brittle-ductile fracture behavior, equilibrium phase relationships, corrosion, mechanical behavior of polymers, as well as properties of semiconductor devices.

Transfer: CSU; UC

ENGR 247  INDEPENDENT STUDIES: ENGINEERING  0.50 to 2.00
1.50 - 6.00 hours per week: (0.00 lecture hours/1.50 - 6.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: The student must have completed preparatory course work in the technical field in which the study is to be undertaken.

Provides an opportunity for in-depth study or practicum experience by an individual student in a selected topic in the engineering area with support and direction from an instructor.

Transfer: CSU

ENGR 248  INTRODUCTION TO ENGINEERING  2.00
4.00 hours per week: (1.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Explores the branches of engineering, the functions of an engineer, and the industries in which engineers work. Explains the engineering education pathways and explores effective strategies for students to reach their full academic potential. Presents an introduction to the methods and tools of engineering problem solving.
and design including the interface of the engineer with society and engineering ethics. Develops communication skills pertinent to the engineering profession. Explores various topics in how things work.

ENGR 250 ENGINEERING STATICS 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: PHYS 209A and MATH 265B
Analyzes forces on structures in equilibrium, properties of forces, moments, couples and resultant, conditions for equilibrium, friction, centroids, and area moments of inertia. Introduces mathematical modeling and problem-solving utilizing vector mathematics.

ENGR 251 ENGINEERING DYNAMICS 3.00
3.00 hours per week: (3.00 lecture hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: ENGR 250: ENGINEERING STATICS
Analyze the fundamentals of kinematics and kinetics of particles and rigid bodies. Topics include kinematics of particle motion; Newton's second law, work-energy and momentum methods; kinematics of planar motions of rigid bodies; work-energy and momentum principles for rigid body motion.

ENGR 252A STRENGTH OF MATERIALS I 2.00
2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: ENGR 250
Studies stresses, strains, and deformations associated with axial, torsional, and flexural loading of bars, shafts, and beams. Includes analysis of elementary determinate and indeterminate mechanical and structural systems.

ENGR 252B STRENGTH OF MATERIALS II 2.00
2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: ENGR 252A
Studies stress and strain transformations, analysis of beam deflection and rotation, indeterminate beams, and column buckling. Prerequisite: ENGR 252A.

ENGR 290L INTRODUCTION TO COMPOSITE MATERIALS MANUFACTURING AND MACHINING 1.50
5.00 hours per week: (0.00 lecture hours/5.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Introduces AutoCAD. Topics include all basic drawing commands, layers, dimensioning, and editing objects. Intended for those students wanting to learn the software and not necessarily how to draw. Ideal for professional engineers and architects or students in architecture or interior design.

ENGL 099 BASIC READING AND WRITING 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Not Degree Applicable
Letter Grade or P/NP
Prerequisites: Appropriate placement.
Provides a basic course in paragraph and essay composition with students reading and writing both in class and out of class. Provides limited introduction to employment of sentence variety and recognition of some essential grammar and punctuation errors and rules. Emphasizes the process approach to reading and writing.

ENGL 101 SUPPORT FOR ENGLISH COMPOSITION 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Corequisites: ENGL 100A
Supports and develops the skills necessary to be successful in English 101A. Students will enhance their reading and writing skills through the practice of active reading, critical thinking, drafting, revising, and editing argumentative essays.

ENGL 156 COLLEGE READING AND WRITING 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Not Degree Applicable
Letter Grade or P/NP
Prerequisites: Appropriate Placement or ENGL 099 or ESL 099E
Provides a basic course in college reading and writing with individual attention to sentence structure, paragraph and essay structure, grammar, and critical thinking skills.

ENGL 180 INTRODUCTION TO ENGLISH COMPOSITION 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Not Degree Applicable
Letter Grade Only
Prerequisites: Appropriate Placement
Provides an accelerated alternative to the English 099 and English 156 sequence that focuses on development of reading, writing, and critical thinking skills necessary in college-level composition, with individual attention to paragraph and essay structure, sentence structure, grammar, and punctuation.

ENGL 193 ENGLISH SPECIAL TOPICS 0.50 to 4.00
1.50 -12.00 hours per week: (0.00 lecture hours/1.50 -12.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Repeatable.

ENGL 201A ENGLISH COMPOSITION 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Appropriate Placement or ENGL 180 or equivalent
Provides a study of and practice in the use of language and writing of argumentative/analytical essays and research papers.

Advisories: CIS 210 or basic knowledge of a Windows operating environment.
Non-credit Course
Transfer: CSU; UC
C-ID ENGL 110

**ENGL 212A AMERICAN LITERATURE** 3.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: ENGL 210A or higher

The study of major American writers from the Civil War up through contemporary times. Includes writers such as Twain, Howells, Crane, London, Hemingway, Steinbeck, Faulkner, Wright, Dos Passos, Frost, Pound, Eliot, Stevens, Cummings, O’Neill, Tennessee Williams, Arthur Miller, O’Connor, Alice Walker, Berryman, Lowell, Sexton and Plath.
Transfer: CSU; UC

GEOG 230 INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS 3.00
5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Introduces the concepts, techniques, and tools of a Geographic Information Systems (GIS), including data acquisition, management, manipulation, spatial analysis, and cartographic output. Emphasizes training in the use of technology and software in order to provide students with skills and a conceptual base on which they can build further expertise in GIS. Includes exercises using GIS as a tool for solving real-world problems across a wide spectrum of disciplines. Focuses on development of spatial reasoning skills with applications in fields such as natural hazards, environmental assessment, and resource management.

### GEOL 193 GEOLOGY SPECIAL TOPIC
0.50 to 4.00
*0.00 - 0.00 hours per week: (0.00 lecture hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

### GEOL 195C GEOLOGIC FIELD TECHNIQUES
1.00
*0 hours per week: (0.50 lecture hours/2.22 lab hours)*
Credit - Degree Applicable
Letter Grade Only
Investigate methods of field geologic mapping and data acquisition.

### GEOL 195D FIELD STUDIES IN GLOBAL WARMING
1.00
*2.33 hours per week: (0.33 lecture hours/2.00 lab hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: ENGL 201A
Explores the principles of global warming as it relates to environmental changes. Data will be gathered on decreases in glacier size, increases in desert size, and changes in the health of coral reefs.

### GEOL 210 PHYSICAL GEOLOGY
4.00
*6.00 hours per week: (3.00 lecture hours/3.00 lab hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: MATH 123
Introduces the principles of geology with emphasis on Earth processes. Explores the evidence for the internal structure and origin of the Earth and the processes that change and shape it. Laboratory component focuses on the identification of rocks and minerals, topographic and geographic interpretation to understand the work of water, wind, ice and gravity and the effects of tectonic and volcanic activity.

### GEOL 212 ENVIRONMENTAL GEOLOGY
3.00
*2.00 hours per week: (3.00 lecture hours/0.00 lab hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Studies aspects of geology as they relate to human interaction with the environment. Addresses relevant geological aspects of the environment and the problems caused by humans as they use the earth and its resources. Investigates geological processes including earthquakes, volcanoes, mass movements, floods, groundwater and climate change. Emphasis on geological viewpoints concerning waste disposal, pollution, energy resources, and mining. Lectures include strategies for mitigating these issues.
Transfer: CSU; UC

### GEOL 220 GEOLOGY OF CALIFORNIA
3.00
*3.00 hours per week: (3.00 lecture hours/0.00 lab hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Introduces the principles of geology and the tectonic/geologic evolution of California. Emphasizes the processes responsible for shaping the environment including seismology, and volcanology, the fossil record, and the mineral/energy resources of the state.
Transfer: CSU; UC

### GEOL 231 ADVANCED GEOGRAPHIC INFORMATION SYSTEMS
3.00
*(Formerly GEOL226)*
*5.00 hours per week: (2.00 lecture hours/3.00 lab hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: GEOL 230 or concurrent enrollment or GEOG 230 or concurrent enrollment
Introduces students to problem-solving and decision making using spatial analysis techniques, applicable to a range of disciplines. Directed at developing more advanced analysis tools in GIS software including but not limited to network analysis, geodatabases, and overlay analysis. Reinforces replication of methods and results through graphical scripting tools. Culminates in independent research project to apply skills and build a map portfolio.
Transfer: CSU

### GEOL 232 WEB APPLICATIONS IN GEOGRAPHIC INFORMATION SYSTEMS
3.00
*5.00 hours per week: (2.00 lecture hours/3.00 lab hours)*
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: GEOL 230 (formerly GEOL225) or GEOG 230
Introduces the design and development, publishing, and maintenance of basic geospatial web services and applications. Includes

2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: LVN 102B
Corequisites: LVN 103 and LVN 103B
Applies nursing concepts through theory and demonstration of advanced vocational nursing skills based on scientific principles. Planning & implementing patient care for patients in the community and psychiatric setting. Emphasis is placed on the unique needs of the mental health and community based patient with multiple health care needs. NCLEX preparedness is also presented.

LVN 103B  CLINICAL II: MENTAL HEALTH, TEAM LEADING, PRECEPTORSHIP  3.00
9.00 hours per week: (0.00 lecture hours/9.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: LVN 102B
Corequisites: LVN 103 and LVN 103A
Prepares students to make the transition from student vocational nurse to entry-level practice. The principles learned in co-requisites and previous theory and skills level courses are applied to care of patients in skilled nursing settings. Students are challenged with more complicated patients in a variety of settings, including caring for the patient with mental health priorities. This course also includes a 108 hour preceptorship component at the end of the semester.

LVN 104  BASIC INTRAVENOUS THERAPY, BLOOD ADMINISTRATION, AND PHLEBOTOMY  1.50
1.50 hours per week: (1.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: LVN 103B or May have current and active LVN license from the Board of Vocational Nursing and Psychiatric Technicians of the State of California.
Corequisites: LVN 104L Prepares the Licensed Vocational Nurse who has successfully completed LVN 103B or its equivalent to initiate intravenous therapy, phlebotomy, and blood product transfusion. This course prepares the LVN for certification that meets standards of the California State Board of Vocational Nurses and Psychiatric Technicians.

LVN 104L  BASIC INTRAVENOUS THERAPY, BLOOD ADMINISTRATION AND PHLEBOTOMY LAB  0.50
1.50 hours per week: (0.00 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: LVN 103B or May have current and active LVN license from the Board of Vocational Nursing and Psychiatric Technicians of the State of California.
Corequisites: LVN 104 Prepares students to perform venipuncture and initiate and monitor administration of IV fluid, blood and blood products, and withdraw venous blood for diagnostic purposes. (Formerly part of LVN104 as one class)

LVN 193  LVN SPECIAL TOPICS  0.50 to 4.00
1.50 -12.00 hours per week: (0.00 lecture hours/1.50 -12.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.
MATH 126B TWO-SEMESTER INTERMEDIATE ALGEBRA- PART 2 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 126A

MATH 127 INTERMEDIATE ALGEBRA 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 123, MATH 122 or equivalent with a grade of C or better.

MATH 128 APPLIED BEGINNING AND INTERMEDIATE ALGEBRA 6.00
6.00 hours per week: (6.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 007

MATH 147S STATISTICS SUPPORT 1.00
1.00 hours per week: (1.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only

MATH 193 MATH SPECIAL TOPIC 0.50 to 4.00
0.00 - 0.00 hours per week: (0.00 lecture hours)
Credit - Degree Applicable
Letter Grade or P/NP

MATH 220 MATHEMATICS FOR ELEMENTARY SCHOOL TEACHERS 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 127 with a minimum grade of C or better or MATH 128 with a minimum grade of C or better or MATH 126B with a minimum grade of C or better or two years of high school math and appropriate placement.

MATH 229 TRIGONOMETRY 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or MATH 126B and geometry or equivalent courses with a grade of C or better
Advisories: MATH 242

MATH 230 COLLEGE MATHEMATICS FOR THE HUMANITIES 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

MATH 231 TRIGONOMETRY WITH GEOMETRIC FOUNDATIONS 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127, MATH 126B or MATH 128 or equivalent with a grade of C or better

MATH 232 COLLEGE ALGEBRA 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

MATH 242 INTRODUCTION TO APPLIED STATISTICS 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127, MATH 126B, or MATH 128 or equivalent with a grade of C or better

MATH 243 DISCRETE MATHEMATICS 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 229 or MATH 242

MATH 247 INTRODUCTION TO INTEGRATED MATHEMATICS 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 127 or MATH 126B or equivalent with a grade of C or better
Advisories: MATH 242

MATH 250 MATH FOR ELEMENTARY SCHOOL TEACHERS 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Suggested - MATH 127 or MATH 126B or MATH 128 or equivalent with a grade of C or better

MATH 251 MATH FOR ELEMENTARY SCHOOL TEACHERS II 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 with a minimum grade of C or better or MATH 128 with a minimum grade of C or better or MATH 126B with a minimum grade of C or better or two years of high school math and appropriate placement.
MATH 265A  CALCULUS I 5.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or MATH 126B or MATH 128 or equivalent with a minimum grade of C or better
 Presents an introduction to the study of basic descriptive and inferential statistical methods, with an emphasis on applications, to prepare students for work in the disciplines of psychology, sociology, education, life sciences, and applied science.

Transfer: CSU; UC
C-ID MATH 220. MATH 265A + MATH 265B = MATH 900S

MATH 265B  CALCULUS II 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 265A
 Presents a continuing study on integration, some first and second order differential equations, infinite sequences and series, Taylor series, parameterized curves, polar curves, and their applications. Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC
C-ID MATH 220. MATH 265A + MATH 265B = MATH 900S

MATH 287  ORDINARY DIFFERENTIAL EQUATIONS AND LINEAR ALGEBRA 5.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 265B
 Presents a study of separable and linear ordinary differential equations with selected applications; numerical and analytical solutions; second order differential equations; Laplace transforms. Delves into Linear Algebra with a study of vectors in n-space, matrices, linear transformations, eigenvalues, eigenvectors, diagonalization; applies linear algebra in the study of systems of linear differential equations.

Transfer: CSU; UC
C-ID MATH 220

MATH 326  INTRODUCTION TO APPLIED STATISTICS 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or MATH 126B or MATH 128 or equivalent with a minimum grade of C or better
 Presents the study of vectors, differentiation and integration of multi-variable functions, parametric curves in two and three dimensions, optimization, line integrals, and the calculus of vector fields. Specific topics include vector functions, partial derivatives, surfaces, parametric equations, multiple integrals (with rectangular, polar, cylindrical, and spherical coordinates), and vector calculus (including line integrals, flux integrals, Greens Theorem, the Divergence Theorem, and Stokes Theorem). Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC
C-ID MATH 220

MATH 242  PRECALCULUS ALGEBRA 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or MATH 126B or equivalent with a grade of C or better
 Presents a study of precalculus algebra and analytic geometry. Covers such topics as algebraic equations and inequalities, functions and graphs, zeros of functions, polynomial functions, rational functions, exponential and logarithmic functions, parametric equations, conic sections, systems of equations and inequalities, matrices, determinants, sequences and series. The course is designed to prepare the student for calculus.

Transfer: CSU; UC
C-ID MATH 151. MATH 229 + MATH 242 = MATH 955. MATH 231 + MATH 242 = MATH 955

MATH 247  INTRODUCTION TO STATISTICS 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 126B or MATH 127 or MATH 128
 Presents a study of basic descriptive and inferential statistics with applications using data from a broad range of disciplines and use of technology for statistical analysis.

Transfer: CSU; UC
C-ID MATH 110

MATH 255  CALCULUS FOR BUSINESS AND MANAGEMENT 3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 242 or MATH 232 with a minimum grade of C or better
 Presents a study of analytic geometry, limits, continuity, the calculus of algebraic, trigonometric, exponential and logarithmic functions as well as applications of the derivative and integral. Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC
C-ID MATH 140

MATH 265A  CALCULUS I 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 242 and MATH 229 or MATH 231 or equivalent with a grade of C or better
 Presents a study of analytic geometry, limits, continuity, the calculus of algebraic, trigonometric, exponential and logarithmic functions as well as applications of the derivative and integral. Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC
C-ID MATH 210. MATH 265A + MATH 265B = MATH 900S

MATH 265B  CALCULUS II 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 265A
 Presents a continuing study on integration, some first and second order differential equations, infinite sequences and series, Taylor series, parameterized curves, polar curves, and their applications. Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC

MATH 703  ARITHMETIC 0
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Noncredit
Non-Credit Gradeable Course/SP
 Provides a review of the basic skills of arithmetic. Designed as a transitional course for students who have either not taken a mathematics course for a considerable period of time or who have been in a tutorial program. This course is organized in a regular classroom setting to prepare students for a pre-algebra course. Repeatable.

MATH 707  PREALGEBRA 0
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Noncredit
Non-Credit Gradeable Course/SP
 Provides a review of the basic skills of arithmetic. Designed as a transitional course for students who have either not taken a mathematics course for a considerable period of time or who have been in a tutorial program. This course is organized in a regular classroom setting to prepare students for a pre-algebra course. Repeatable.
MEDICAL ASSISTING

MAST 109 PHLEBOTOMY 2.50
2.78 hours per week: (2.78 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Student must be 18 years of age by the first class meeting. Proof of high school or equivalent education.
Corequisites: MAST 109L and Health Care Provider CPR
Advisories: NRAD 222
Designed to prepare the student in essential blood specimen collecting skills to fulfill CA State phlebotomy certificate requirements. Student is required to bring a valid CA driver’s license or CA photo ID card to the first class meeting to show proof of age. Must be 18 years or older to be certified.

MAST 109L PHLEBOTOMY EXTERNSHIP 1.00
3.00 hours per week: (0.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Student must be 18 years of age by the first class meeting.
Corequisites: MAST 109
Advisories: NRAD 222
Provide students the opportunity of an externship to apply knowledge and skills to an acute and/or ambulatory care laboratory setting.

MAST 110 MEDICAL ASSISTING BASICS 2.00
2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Introduces the medical assisting role and responsibilities, professionalism, and medical terminology. Concepts of anatomy, physiology, and computer basics are presented to facilitate entry level medical assisting practice.

MAST 111 MEDICAL ASSISTING FAST TRACK 11.00
11.33 hours per week: (11.33 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MAST 110 or Concurrent enrollment in MAST 110; Student must be 18 years of age by the first class meeting
Corequisites: MAST 111L and Current Health Care Provider CPR and Standard First Aid
Advisories: NRAD 222
Prepares the student for entry level employment as a medical assistant and approved state or national certification exam. Must be 18 years or older to be certified.

MAST 111L MEDICAL ASSISTING FAST TRACK LAB 1.00
3.78 hours per week: (3.78 lecture hours/0.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: Student must be 18 yrs of age by the first class meeting.
Corequisites: MAST 111 and Current Health Care Provider CPR and Standard First Aid
Advisories: NRAD 222
Provides the opportunity to apply theory during skills lab practice and externship. Placement in a community front and back office site helps the student perform various skills, communications techniques and professionalism under the direction of a preceptor. This experience provides marketability for employment as a medical assistant and approved state or national certification exam. Must be 18 years or older to be certified.

MAST 193 MEDICAL ASSISTING SPECIAL TOPIC 0.50 to 4.00
1.50 -12.00 hours per week: (0.00 lecture hours/1.50 -12.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

METEOROLOGY

METE 193 METEOROLOGY SPECIAL TOPIC 0.50 to 4.00
1.50 -12.00 hours per week: (0.00 - 0.00 lecture hours/1.50 -12.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

MUSIC

MUS 193 MUSIC SPECIAL TOPIC 0.50 to 4.00
0.00 - 0.00 hours per week: (0.00 lecture hours)
Credit - Degree Applicable
Letter Grade or P/NP
Examines a special topic in the field of study related to the discipline offering this course.

MUS 193E CHORAL ENSEMBLE TOUR 3.00
(Formerly OCEN212)
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 123
Introduces the fundamentals of meteorology, including the nature and origin of the atmosphere. Topics include atmospheric circulation, humidity, cloud formation, precipitation, storm growth, cyclone development, climates of the earth, and global climate change.
Transfer: CSU; UC
C-ID GEOG 130

MUS 201 FUNDAMENTALS OF MUSIC (MUSIC THEORY I) 3.00
(Formerly MUS239)
9.00 hours per week: (0.00 lecture hours/9.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 123
Studies, rehearses, and performs jazz and vocal chamber literature of French and American cultures. Nine performances in France, and two local performances (pre-tour and post-tour) will be a large part of the class.
Transfer: CSU; UC

Practice and study vocal jazz literature and techniques. Introduce vocal jazz improvisation and vocal jazz harmonies.

Transfer: CSU; UC

MUS 224B  INTERMEDIATE VOCAL JAZZ WORKSHOP  2.00
4.00 hours per week: (1.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Audition or consent of instructor

Practice and study vocal jazz literature and performance techniques. Develop and expand vocal jazz improvisation jazz harmonic skills. Learn how to lead your own band.

Transfer: CSU; UC

MUS 225  WIND ENSEMBLE  2.00
4.00 hours per week: (1.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Audition or consent of director.

Studies, rehearses, and performs of wind band literature, with an emphasis on the development of skills needed to perform within an ensemble. Different literature will be studied each semester. Choice of ensemble is based on each student's identified major instrument. Limited to those students who have had experience with wind and percussion instruments.

Repeatable 3 time(s).
Transfer: CSU; UC
C-ID MUS 180

MUS 227  CHAMBER MUSIC ENSEMBLE  1.00 to 3.00
3.00 - 9.00 hours per week: (0.00 - 0.00 lecture hours/3.00 - 9.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Audition or consent of instructor.

Studies, rehearses, and performs chamber music (small ensemble) literature, with an emphasis on the development of skills needed to perform within an ensemble. Different literature will be studied each semester.

Repeatable 3 time(s).
Transfer: CSU; UC
C-ID MUS 180

MUS 228  MIXED CHORUS  1.00 to 3.00
3.00 - 9.00 hours per week: (0.00 lecture hours/3.00 - 9.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Audition or consent of instructor
Advisories: Knowledge of music notation

Presents the study and performance of appropriate choral literature selected from the wide variety of historic eras and musical styles from the 16th Century to the present. Public performance required.

Repeatable 3 time(s).
Transfer: CSU; UC
C-ID MUS 180

4.00 hours per week: (1.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: Audition or consent of instructor
Advisories: Previous choral experience

Studies, rehearses, and public performs madrigals and vocal chamber literature of all cultures and time periods. Frequent performances on and off campus will be a large part of the class with different music each semester.

Repeatable 3 time(s).
Transfer: CSU; UC
C-ID MUS 180

MUS 231  JAZZ ENSEMBLE (BIG BAND)  1.50 to 3.00
2.50 - 5.00 hours per week: (1.00 - 2.00 lecture hours/1.50 - 3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Ability to play an instrument and sight read. Audition or consent of instructor.

Provides for study, rehearsal, and public performance of big band literature. This course has an emphasis on the development of skills needed to perform this music in an ensemble. Attendance at scheduled performances is required.

Repeatable 3 time(s).
Transfer: CSU; UC
C-ID MUS 180

MUS 232  BEGINNING JAZZ IMPROVISATION  2.00
3.00 hours per week: (1.50 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: MUS 201

Introduces students to the skills and principles of Jazz Improvisation. Includes a basic study of scales, chords and the transcription process.

Transfer: CSU; UC

MUS 232A  CONCERT JAZZ ENSEMBLE  1.50 to 3.00
2.50 - 5.00 hours per week: (1.00 - 2.00 lecture hours/1.50 - 3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

CUESTA COLLEGE FOUNDATION

Since 1973, the foundation has worked with generous donors to support student access and success at Cuesta College. Each year, the foundation raises millions of dollars on behalf of the college for programs, capital needs, scholarships and grants.

Because of our generous donors, over seven hundred fifty dollars of scholarships are available for students annually, including the Cuesta College Promise, which provides the first two years of college fee-free to new San Luis Obispo County high school graduates. For more information about applying for scholarships offered by the foundation, see the Financial Aid section of this catalog.

The foundation is led by a board of directors, representing volunteer community members from across San Luis Obispo County. Additional information about the foundation's programs and ways to give can be found on the website: https://www.cuesta.edu/about/foundation/ or by calling (805) 546-3279.

MISSION

The Cuesta College Foundation ensures the greatest educational opportunities for student access and success by:

- Providing the highest level of support and philanthropic opportunities
- Serving as a liaison between the college and the community
- Enhancing the college's visibility and stature
- Advocating for community colleges
- Fostering a creative and rewarding environment for students, faculty, staff and volunteers
