COLLEGE HISTORY

The original junior/community college in San Luis Obispo County was initiated as a postgraduate division of San Luis Obispo High School in 1916 and remained in operation until the United States entered into World War I. In 1936, the San Luis Obispo High School District again formed a junior college, which remained in operation until June 1959.

On April 16, 1963, San Luis Obispo County voters approved the formation of a countywide junior college district, serving seven public high school districts. The newly-formed San Luis Obispo County Junior College District served the Arroyo Grande Union High School District, Atascadero Union High School District, Coast Joint Union High School District, Paso Robles Joint Union High School District, San Luis Obispo Union High School District, Shandon Joint Union School District and Templeton Union High School District.

During the 1964-65 college year, the San Luis Obispo County Junior College District offered a limited evening division program with 463 students registering for the fall semester and 696 enrolling for the spring semester. Temporary quarters were established at Camp San Luis Obispo, a California National Guard facility located halfway between San Luis Obispo and Morro Bay. Classes and offices were situated in refurbished barracks, recreation rooms, and mess halls.

Despite the District's modest beginnings, 917 day students and 991 evening students were enrolled in classes by the fall of 1965. Evening division classes also were conducted at three other locations in the county - Arroyo Grande, Atascadero, and Paso Robles. On October 4, 1965, the Board of Trustees of the San Luis Obispo County Junior College District named the new college "Cuesta College." In 1971, the "junior" college district was renamed to "community college."

In 1970, ground was broken for the college's first permanent buildings, located on the 150-acre campus west of Camp San Luis Obispo. During the following 40 years, classroom buildings, a library, observatory, student center, art and music lab building, art gallery, high tech learning center, children's center, performing arts center, and office spaces were constructed on the San Luis Obispo Campus. In the fall of 2016, approximately 7,012 students were served on the San Luis Obispo Campus.

In the fall of 1998, the District opened the North County Campus on a 105-acre site in Paso Robles. The campus, built almost exclusively with private gift support, has grown from 1,200 students the first semester to 3,071 students in fall 2016. In the summer of 2005, the first permanent building opened to students: The Fox Family Building. This building houses Allied Health, Math, and Science. The college broke ground for a second permanent building in spring 2010: The North County Campus Learning Resource Center. The Learning Resource Center was completed in fall 2011 and began serving students in spring 2012. The building was named in honor of donors Dale and Mary Schwartz and dedicated on May 24, 2012.

The South County Center is an off-campus evening instructional site at Arroyo Grande High School, provided in cooperation with the Lucia Mar Unified School District. During the fall 2016 semester, 808 students were served at this site. In the spring of 2016, the college brought back its free Emeritus College non-credit courses for adults, providing a free source for lifelong learning, vocational education, and cultural development for adult community members.

In 2013, Cuesta College rolled out the Cuesta College Promise, a scholarship program that provided all newly graduated San Luis Obispo County high school students a fee-free first year (consecutive fall and spring semesters). In June 2018, Cuesta College announced the expansion of the program to include a second year of fee-free education for

students who have completed more than 50 percent of units attempted and have earned a grade point average of 2.0 or higher during their first year under the Promise Program. Since its inception, the Cuesta Promise has cultivated access by providing over 4800 (Promise first-year) and nearly 400 (Promise second-year) San Luis Obispo students with augmented financial aid.

In November, 2014, San Luis Obispo County residents passed Measure L, a \$275 million general obligation bond to address longstanding facility, infrastructure, and technology needs at Cuesta College. New construction under the first bond issuance resulted in the completion the San Luis Obispo Campus Instructional Building (Frank R. Martinez Building – fall 2017), and the North County Campus Center - spring 2018. New construction under the second bond issuance includes the San Luis Obispo Campus Data Center, completed in fall 2019, and the North County Campus Early Childhood Education Center, to be completed in spring 2020. A full renovation and replacement of the aquatics/pool area was completed in summer 2019.

Cuesta College maintains various official designations, including as a Hispanic Serving Institution, allowing the college to apply for grants that expand educational opportunities for Latino/a students, and as a Military Friendly® School, recognizing the college's efforts to support military students.

SECTION 1B

STUDENT SUPPORT SERVICES AND SPECIAL PROGRAMS

STUDENT EQUITY AND ACHIEVEMENT PROGRAM

In September 2012, Governor Brown signed the Student Success Act of 2012 (Senate Bill 1456) into law. The Student Success and Support Program, now known as the Student Equity and Achievement Program, requires all California Community Colleges to provide students with core matriculation services. It is recommended that students meet regularly with an academic counselor and take advantage of college resources. In addition, students are directed to develop a comprehensive student education plan upon completion of 15 degree-applicable credits and to define their education goal and course of study. Students should also attend classes regularly and complete assigned coursework to maintain progress toward their educational goals. Students with an associate degree or higher may be exempt from some of these requirements.

MANDATORY CORE SERVICES

Evidence-based practices and research demonstrate that students who participate in orientation, placement, and academic advising benefit from a stronger foundation and are more likely to persist and flourish in college. All new non-exempt students entering Cuesta College are required to complete these core matriculation services: orientation, placement, and the development of a student education plan. Refer to the Cuesta College website and your student category for more information on these core services.

ENROLLMENT SERVICES (ADMISSIONS AND RECORDS)

Para información sobre Admisiones comuníquese con la Oficina de Admisiones de Cuesta College, (805) 546-3140 ó vea la pagina

Resources available online, for the convenience of our students including those attending via distance education, are available on the Enrollment Services (Admissions and Records) website.

Eligibility

The college admits students who meet the following requirements and who are capable of benefitting from the instruction offered:

- Any person over the age of 18, or a person under the age of 18 possessing a high school diploma or its equivalent. A copy of the certification (California State Proficiency Exam or GED) is required if under 18 years of age.
- Students 18 years of age or older without a high school diploma, or equivalent, are eligible for provisional admission to Cuesta College.
- Applicants under the age of 18 who are currently enrolled in grades 9-12, are eligible to apply for admission to attend Cuesta College as "enrichment students," with an approved Permit to Enroll in specified advanced scholastic or vocational coursework at Cuesta College. Dual Enrollment students are referred to as "Enrichment" students.
- International students who have met the International Admission Requirements and have been issued an F-1 or M-1 Visa.

An exception to the college admission policy may be made for a pupil currently enrolled in grades 6-8 who has been certified as "highly gifted" by their school district. "Highly gifted pupil" means a gifted

and talented pupil who has achieved a measured intelligence quotient of 150 or more points on an assessment of intelligence administered by qualified personnel or has demonstrated extraordinary aptitude and achievement in language arts, mathematics, science, or other academic subjects, as evaluated and confirmed by both the pupil's teacher and principal. Highly gifted pupils shall generally constitute not more than one percent of the K-12 pupil population. (Reference Administrative Procedure 5011)

Students under the age of 18 without a high school diploma, or equivalent, who are not currently enrolled in a secondary institution, are not eligible for admission to Cuesta College. A denied applicant may make an appeal to the Superintendent/President, or designee.

Application

All students must complete and sign an official Cuesta College Admission Application (online with electronic signature or in print) to be admitted to the college. All information provided by the applicant on the admission application must be true and accurate as required by law. Students who are enrolling at Cuesta College for the first-time and students returning after an absence of a semester or more (not including summer) must submit an application available online at <https://home.cccapply.org>.

Applications are available beginning:

- October 1 for Fall Semester
- April 1 for Summer Session
- October 1 for Spring Semester

Residency Requirements

Admission of each student includes the determination of California State residency based on California Education Code 68017 and Title 5, Sections 54000-54072. A student who believes that their residency status is incorrect may challenge the non-resident status by completing the Statement of Legal Residence form and submitting it to Enrollment Services for review.

Resident Student: A resident student is one who has been a legal resident in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll, and who demonstrates the intent to remain a permanent California resident.

Students determined to be California residents are charged the California State Enrollment fee as set by the California Community College Chancellor's office. (Education Code 68017)

The Admission criteria, process and application for specialized programs are valid for the current application cycle only.

Dual Enrollment Students (Enrichment)

An eligible enrichment student must possess an approved Permit to Enroll to enroll in specified advanced scholastic or vocational courses. Cuesta College has defined advanced scholastic or vocational coursework as work that is transferable to a four-year institution and/or meets vocational degree or certificate requirements. The Permit to Enroll must be completed by the student's current school Principal, or approved designee, identifying the specific course, or courses. The Permit to Enroll is approved by the student's parent, or legal guardian, and by the student. The Permit to Enroll is then submitted to the Cuesta Registration Office for processing. Enrichment Students, grades 9-12, may enroll in Cuesta College courses on a space available basis and will be required to meet all of the following enrollment requirements:

- Demonstrate the ability to benefit from advanced scholastic or vocational coursework as determined by the student's principal, or designee;

- Enrichment students are prohibited from auditing courses;

Cuesta College waives the enrollment and student representation fee for Enrichment students. Students classified as “non-residents” of California who meets all requirements of Administrative Procedures 5011, shall be exempt from paying nonresident tuition including the California resident enrollment fee. All other fees will be assessed. This exception does not apply to F1/M1 Student Visas. Students receiving this exemption do not receive resident status for the purpose of tuition or financial aid. Students should finalize their residency status in California.

Age Restricted Course Appeal Process:

An Enrichment student who does not meet the age requirement of an age restricted course may petition to enroll in the course. The petition must be completed by the student and submitted to the relevant division for approval. The instructor and division Chair signatures are required for approval. Denial of a petition is final.

ASSESSMENT/PLACEMENT

What is Placement?

English and math placement assists students with appropriate course selection and may be used to satisfy mandatory course prerequisites. First-time college students are expected to participate in the placement process prior to registering for courses. Final official high school transcripts should be submitted to the Cuesta College Records Office along with the transcripts from any other colleges attended.

AB 705 and AB 1805

Two new assembly bills relating to assessment and placement were recently passed. These bills, AB 705 and AB 1805, highlight evidence suggesting that community colleges are placing too many students into remediation and significantly more students would complete transfer requirements in English and math if enrolled directly in these courses. Because of this, students must be given access and informed of their rights to access transfer-level coursework in English and math. In addition, placement methods must include one or more of the following: high school coursework, high school grades, and high school grade point average (GPA). Cuesta College uses all of the above measures to place students.

Financial aid programs are available to help students who might otherwise be unable to complete their education. Students may apply for financial aid in the form of grants, fee waivers, student loans, work study and scholarships.

To maximize the financial aid that you will receive at Cuesta, please follow these steps:

1. Fill out the FAFSA online (<https://studentaid.gov/h/apply-for-aid/fafsa>)

- Make sure you have tax information for the preceding year ready. If possible, use the IRS Data Retrieval Tool to transfer data from the IRS directly into your application.
- If you are a dependent student, one of your parents must sign the FAFSA.
- Be sure to enter Cuesta's Federal School Code (001192) in the school data section.
- Allow for one week for your application information to arrive at the schools you listed on the FAFSA.
- Apply before March 2 if you want to apply for a Cal Grant or Cuesta Scholarship.
- If you or your family need help filing the FAFSA, contact the Financial Aid Office for assistance.

2. Submit a GPA Verification form to the California Student Aid Commission (if necessary)

- New applicants for Cal Grants-including entering freshman-must submit some form of GPA verification to CSAC and complete a FAFSA by March 2.
- If you have completed 24 degree applicable units at Cuesta, our Enrollment Services (Admissions and Records) office will submit your GPA verification electronically by the March 2 and September 2 deadlines every year.

Transfer students with units at other California community colleges need to:

1. Provide official academic transcripts to Cuesta College's Enrollment Services (Admissions and Records) office at least two weeks prior to the GPA submission deadline; AND
2. Turn in a GPA verification form to the Enrollment Services

(Admissions and Records) office so that we can electronically submit your GPA data to CSAC (see link below)

- If none of the situations above apply to you, you can have your GPA verified by a college where you have completed 24 degree applicable units or by your high school (if you have not completed 24 degree applicable units at a college).

3. Apply for the Cuesta Scholarship Program and any outside scholarships (<https://cuesta.academicworks.com/>)

- Cuesta Scholarship applications are due March 2 of every year
- Outside scholarships have varying due dates and eligibility criteria, so do your research into scholarships early!

4. Complete any documents required by the Cuesta College Financial Aid office

- Make sure you read, review and complete the terms and conditions in your myCuesta portal.
 - Check your financial aid status on the myCuesta portal to see if our office is requesting any additional documentation. The "student requirements" page will contain links to the forms that we require from you.
 - If you want to apply for a student loan and you are a first time borrower, you must complete an online student loan workshop.
 - Turn any requested documents into the Financial Aid office as soon as possible. Do not wait until the semester has started or your aid will be significantly delayed!
 - Once you have submitted all requested documents, your file will be reviewed within 1-3weeks.
 - If you need any assistance with completing your application, please contact the Financial Aid office at (805) 546-3143 or e-mail us at finaid@cuesta.edu
- ## 5. Choose a disbursement option ("refund preference" through the BankMobile website (<http://bankmobiledisbursements.com/refundchoices/>))
- This choice determines how excess funds (e.g. financial aid, reimbursement for previous payment, etc.) will be sent to you.

FINANCIAL AID POLICIES

Congress has established policies and procedures that are used throughout the nation in determining a student's ability to pay for college. The basis of these policies is the belief that students and their families have the primary responsibility for meeting educational costs. The amount of the contribution expected from students is determined by careful analysis of the family's financial strength, taking into consideration a number of factors, including adjusted gross income, family size, the number of dependents attending college, allowable expenses, and assets.

DEPENDENCY STATUS

Dependent students are required to provide data for both themselves and their parents, while independent students are required to provide data for themselves and their spouses (if married).

In order to be considered an independent student, a student must:

- Be at least 24 years old or turn 24 during the first portion of the academic year;
- Be married on the day you file your FAFSA;
- Be a parent and be able to financially support your child;
- Have dependents other than your spouse who live with you and who receive more than half their support from you at the time you apply;
- Be an orphan (both parents have deceased);
- Be (or were until age 18) a ward or dependent of the court;
- Be currently serving on active duty in the U.S. Armed Forces for purposes other than training;
- Be a veteran of the U.S. Armed Forces;
- Be a foster child or in foster home sometime after the age of 13;
- Be an emancipated child as determined by a court judge; OR
- Be homeless or at risk of homelessness as determined by the director of a HUD approved homeless shelter, transitional program, or high school liaison.

If none of the above criteria apply to the student, then the student is considered to be a dependent student—even if the student can claim themselves on their taxes.

In unusual circumstances—such as abandonment, parent's incarceration, or an abusive family environment—the Financial Aid Office has the authority, through Section 480(d)(7) of the Higher Education Act, to change a student's status from dependent to independent. If you feel your circumstances warrant a change in dependency status, please contact the Financial Aid Office for more information.

FAFSA

Cuesta recommends use of the Free Application for Federal Student Aid (FAFSA). This single application allows aid administrators to determine your eligibility to receive the Board of Governor's fee waiver, Pell Grant, Supplemental Educational Opportunity Grants, Federal Work Study, Cal Grants, Direct Loans, and many scholarships.

A separate FAFSA must be filled out for each academic year. The application is made available online (<https://studentaid.gov/h/apply-for-aid/fafsa>) starting on October 1st of each year.

CALIFORNIA STUDENT AID PROGRAMS

The California College Promise Grant (CCPG)

The CCPG (formerly known as the "BOG Fee Waiver") waives enrollment fees for California residents who are eligible under one of the following methods:

Method A

A student is eligible under Method A if they:

- Received TANF, CalWORKs, SSI, or General Assistance payments in the last two years (2018 or 2019 for the academic year 2020-2021);
- Are a dependent student and one of their parents received such assistance;
- Are determined to be an unaccompanied youth who is homeless or at risk of being homeless;

- Have certification from the California Department of Veterans Affairs or the National Guard Adjutant General stating that the student is eligible for the waiver;
- Are a recipient—or the child of a recipient—of the Congressional Medal of Honor;
- Are a dependent of a victim of the September 11, 2001 terrorist attack; OR
- Are a dependent of deceased law enforcement or fire suppression personnel who were killed in the line of duty.

Method B

Eligibility is based on household size and total family income (adjusted gross income plus all other untaxed income).

Family Income Standards for 2019-2020	
Family Size	Base Year Income
1	\$18,735
2	\$25,365
3	\$31,995
4	\$38,625
5	\$45,255
6	\$51,885
7	\$58,515
8	\$65,145
Each Additional Family Member	\$6,630

Method C

A student is eligible under Method C if the student has completed a FAFSA or California Dream Act Application for the correct academic year and they are determined to have a financial need of \$1,104 or greater. Financial need is determined by subtracting the estimated family contribution from the student's cost of attendance budget.

Loss of CCPG Eligibility

If you have been on either academic or progress probation for two consecutive terms, you will lose your eligibility to receive the CCPG. You will be able to regain eligibility by:

- Improving your GPA / course completion in order to meet academic and progress standards;
- Not attending Cuesta College for two consecutive primary terms (Fall & Spring or Spring & Fall); OR
- Filing a successful appeal due to extenuating circumstances.

NOTE: Foster youth and former foster youth (age 24 years and younger) are not subject to loss of the CCPG under these regulations.

Cal Grants

The Cal Grant program is designed to help low-income California residents with the costs of pursuing undergraduate education at California institutions. There are two programs that are available to Cuesta College students: Cal Grant B and Cal Grant C.

- Cal Grant B provides a living allowance (and sometimes tuition/fee assistance) for low-income/disadvantaged students with high potential.
- Cal Grant C assists vocational students with tuition and training costs. Students must be enrolled in an eligible vocational program at Cuesta College from four to twenty-four months in length.

In order to apply for a Cal Grant, students must complete the FAFSA or California Dream Act Application for the upcoming year by March 2.

California Chafee Grants for Foster Youth (<https://chafee.csac.ca.gov/>)

Chafee grants provide up to \$5,000 a year to youth who are or were in the foster care system.

To qualify, a student must be a current or former foster youth who has not reached his/her 26th birthday as of July 1 of the award year. Additionally, the court must have established the student's dependency status between the ages of 16 and 18.

To apply, complete both the FAFSA and the online California Chafee Grant Application available at <https://chafee.csac.ca.gov/>

AB-540 Students

Students who have AB-540 status are eligible for a number of financial aid programs that are ordinarily restricted to California residents:

- California College Promise Grant (CCPG)
- Cal Grant B Community College Transfer Entitlement Award
- Cal Grant C
- Extended Opportunities Programs and Services (EOPS)

To apply for these programs, students must complete the following:

- Submit the California Dream Act Application (<https://dream.csac.ca.gov/>) by March 2.
- Submit the non-SSN GPA verification form to the California Student Aid Commission (if necessary) by March 2.
- Complete the EOPS application. (For application and deadline information, contact the EOPS office at 546-3144)

INSTITUTIONAL AID

In addition to government funding, Cuesta College offers two institutional sources of financial aid: the Cuesta College Scholarship program and the ASCC Book Loan program.

Cuesta College Scholarship Program (https://cuesta.academicworks.com/users/sign_in)

This program, made available through private donors, offers over 200 scholarships to current Cuesta students and incoming freshmen. Each scholarship has its own set of eligibility requirements, but students only have to fill out one application.

To apply for the Cuesta College Scholarships, please complete both the FAFSA and the online scholarship application prior to March 2 of the award year.

ASCC Emergency Book Loan

The Associated Students of Cuesta College created this program to assist students who have not yet received financial aid but need to purchase books. Vouchers are used in the bookstore to cover up to \$300 of textbooks. This program opens the week prior to the Fall and Spring terms and closes at the end of the first week of classes.

In order to be eligible for an emergency book loan, a student must:

- Be enrolled in at least six units
- Submit a FAFSA
- Purchase an ASCC ID card for the current term
- Have the means to repay the loan without using financial aid to do so

To apply, please contact the Financial Aid office in the week prior to the Fall or Spring term.

FEDERAL STUDENT AID PROGRAMS **General Eligibility Requirements**

In order to receive federal student aid under any of the programs listed below, a student MUST:

1. Be a U.S. citizen or an eligible noncitizen;
2. Have a valid Social Security Number;
3. Have a high school diploma or a General Education Development (GED) certificate (if you are a home school graduate, contact the financial aid office);
4. Enroll in an aid-eligible program as a regular student seeking an associate degree, transfer degree, or certificate;
5. Register with the Selective Service* (if male);
6. Make satisfactory academic progress (see our SAP policy below);
7. Not be in default or delinquency on federal education loans, or owe any federal grant money to any institution;
8. Not be ineligible due to convictions for any offense involving the possession or sale of illegal drugs while receiving Title IV federal financial aid;

*All male U.S. citizens (and eligible noncitizens) between the ages of 18 and 26 must register with the Selective Service.

Federal Pell Grant

The Federal Pell Grant program provides aid to eligible students with financial need to cover educational expenses. The amount that one receives is based primarily on the student's expected family contribution and the number of units in which the student is enrolled. For the 2019-20 award year, the maximum annual Federal Pell Grant award is \$6195. Under the new "year-round Pell" initiative, additional funds may be available in summer on a case-by-case basis.

2019-20 Pell Grant Awards	
Enrollment status	Maximum Pell Grant possible
Full time (12 units or more)	\$6195
Three-quarters time (9 – 11.5 units)	\$4571
Half time (6 – 8.5 units)	\$3048
Less than half time (less than 6 units)	\$1524

A student is only eligible to receive Pell Grant for the equivalent of 12 semesters at full-time enrollment status, regardless of the dollar amount of those awards.

NOTE: Pell Grants do not require repayment as long as the student remains in the same number of units that they were at the time of the first disbursement of the year. However, students that drop classes after the time of the first disbursement may be required to pay back the difference between the amount that they were paid and the amount for which they qualify after reducing their number of units.

Federal Supplemental Educational Opportunity Grant (SEOG)

Limited funding is awarded to Pell Grant recipients with the highest need.

Federal Work Study (FWS)

Federal work study awards allow students to find jobs on campus and in the community that are paid out of a fund. Students must meet all of the eligibility requirements for federal student aid and be enrolled in at least six units (as locally required for student employment during primary terms by administrative procedure 7201.1).

The William D. Ford Federal Direct Loan Program

This government program offers low-interest loans to eligible students who are enrolled in at least six units. There are two types of student loans: subsidized and unsubsidized.

Subsidized Direct Loan

The federal government subsidizes (pays) any interest that student loans accrue while the students are still enrolled in school at least half-time.

Unsubsidized Direct Loan

Students are required to pay the interest while they are in school. Interest payments may be deferred while the student is in school, but the accrued interest will be capitalized.

Interest rates and loan origination fees are not published in this catalog as they are subject to change after the date the catalog will be published. Although the interest rate varies from year-to-year, the loan will be fixed at that rate once it has been originated. For the latest information on interest rates, visit this webpage: <https://studentaid.gov/understand-aid/types/loans/interest-rates>

Repayment begins six months after students graduate, withdraw from school, or drop below half-time enrollment status.

New legislation limits eligibility for Direct Subsidized Loans to 150 percent of the length of the student's academic program for new borrowers beginning on or after July 1, 2013. The 150 percent change means students in a two-year program will be eligible to receive subsidized student loans for the equivalent of three years. Note that the federal subsidy can be lost in some cases where a student moves from a longer academic program to a shorter academic program.

First-time borrowers are required to complete the online Student Loan Workshop as part of their entrance counseling.

Federal Direct Parental Loans (PLUS)

Parents of dependent students may apply for a Direct PLUS Loan to help pay their children's education expenses as long as certain eligibility requirements are met.

For more information, please visit: <https://studentaid.gov/understand-aid/types/loans/plus>

SATISFACTORY ACADEMIC PROGRESS (SAP)

Cuesta College has recently revised its Satisfactory Academic Progress (SAP) Policy to promote the academic planning and success of its students with financial need. In order to receive federal financial aid, students must make satisfactory academic progress as defined in this policy. The Financial Aid Office checks your progress using the standards detailed below at the end of each term. It is your responsibility to meet these standards.

Note: All periods of enrollment will be evaluated regardless of whether or not financial aid was received. Additionally, federal regulations require that any courses excluded from GPA by an academic renewal process must be included in the SAP review.

SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS

A student must maintain ALL of the following standards or they will be ineligible for federal student aid.

Standard	Minimum Requirement for all coursework attempted
Qualitative (GPA)	Cumulative GPA is at least 2.0
Quantitative (completion rate)	Student must pass 67% of units attempted cumulatively.
Maximum Time Frame (attempted units)	Attempted units may not exceed 150% of the number of units required to complete your educational objective

ATTEMPTED UNITS AND COMPLETION RATE

For the purposes of SAP calculations, attempted units include all units in which a student has enrolled regardless of whether or not they finished the class or received a grade for their work. Courses that are dropped prior to the census date will not be included, but any course that receives a grade of W or FW will be included in the calculation.

In order to retain eligibility for financial aid, a student must complete 67% of their overall attempted units.

Examples of how completion rate is calculated	
Student A:	Attended Fall semester. Attempted 12 units, completed 7 units. Completion rate is calculated as $7/12 = 58\%$, student did not meet the 67% requirement.
Student B:	Attended Fall semester. Attempted 12 units, completed 9 units. Completion rate is calculated as $9/12 = 75\%$, student met the 67% requirement.
Student C:	Attended Fall and Spring semesters for two years. Attempted 48 units, completed 34 units. Completion rate is calculated as $34/48 = 71\%$, student met the 67% requirement.
Student D:	Attended Fall and Spring semesters for two years. Attempted 48 units, completed 31 units. Completion rate is calculated as $31/48 = 65\%$, student did not meet the 67% requirement.

Completion Rate Chart Example		
Enrollment status	If you enroll in this many credits...	...you must complete this number of units to meet SAP requirements for term completion rate*:
Full-time	17	12
Full-time	15	11.5
Full-time	13	9
Full-time	12	8.5
¾ time	11	7.5
¾ time	9	6.5
½ time	8	5.5
½ time	7	5
½ time	6	4.5
Less than ½ time	5	3.5
Less than ½ time	3	2.5

*Student must still meet all other SAP requirements, including overall completion rate, to be eligible for federal student aid.

GRADES

Grade symbols of A, B, C, D, or F received at Cuesta College will be used to calculate grade point average (GPA). Courses completed with CR, P, I, NC, NP, W, or WF will NOT be used in calculating a student's GPA, but they will be used in the determination of the other SAP standards.

MAXIMUM TIME FRAME or EXCESSIVE UNITS

If a student attempts more than 150% of the units required to complete the educational goal (degree or certificate) that they have declared to the Enrollment Services (Admissions and Records) office, they are ineligible for federal student aid.

Educational Goal	Units required to complete goal	Maximum units allowed
Associate Degree	88	132
Transfer requirements	88	132
Certificate program*	24	36

*Certain certificate programs (e.g. nursing) require more than 24 units to complete and this higher amount will be used to calculate eligibility in the SAP review process. In some cases, however, an appeal may still be requested in order to document eligibility.

DETERMINING SAP STATUS

The Financial Aid office evaluates SAP at the end of each term to determine students' eligibility for financial aid. Based on their academic performance, a student is placed in one of the following statuses:

APPEAL PROCESS

If students have experienced extenuating circumstances that affected their academic performance, they may submit a SAP appeal to the Financial Aid office. Appeals are evaluated on a case-by-case basis by a team of financial aid professionals with the capacity for professional judgment. There is **no guarantee** that an appeal will result in financial aid being revised and/or reinstated. If a student wishes to contest a

decision made by the Financial Aid Office, they may appeal one more time to the Director of Financial Aid. The determination of the Director of Financial Aid is final.

Appeals may be filed in the following situations:

- Serious illness or accident, death in family, or other family emergency
- Withdrawal for military service
- Other documentable extenuating circumstances

Appeal forms for the current academic year may be requested from the Financial Aid office in person or online (cuesta.verifymyfalsa.com). Appeals may be submitted in-person or via e-mail from the student's Cuesta e-mail address.

To file a successful appeal, a student must:

1. Complete all of the steps indicated in the instructions for the correct academic year and term;
2. Attach a personal statement that explains the reasons for the student's inability to meet SAP standards and how that situation has been resolved;
3. Provide official documentation (third-party confirmation of the situation, ideally from a professional source like a doctor, counselor, instructor, etc.) of any circumstances mentioned in the personal statement;
4. Attach a student attendance and progress report, if appeal is submitted after certain points in the term (see instructions for details).

Appeals must be complete and submitted by the end of the term in which you are appealing for. Appeals that arrive after a term has been completed will be considered for the upcoming term only. We cannot review retroactive appeals.

SAP "RESET" POLICY

Students who have changed their major or program of study are able to have their SAP eligibility re-calculated solely on the basis of grades and units that are applicable to their current program. A student may receive such a "reset" only once during their time at Cuesta. A "reset" is not guaranteed. Students still need to complete the new program withing a reasonable amount of time for federal funding. The maximum timeframe at Cuesta to complete a degree and receive financial aid is 132 units.

However, students that have been accepted into certain programs may be eligible for an additional reset. In order to receive an additional "reset", a student must file a SAP appeal and be enrolled in a program that satisfies the following conditions:

1. The program has its own admissions process separate from that used by Cuesta College at large.
2. Students in the program progress through a set of mandatory coursework across multiple terms.

Examples of programs that would currently qualify for a "reset": Registered Nursing, Licensed Vocational Nursing, and Psychiatric Technician.

Once an additional "reset" has been granted, no further resets will be allowed.

COURSE REPETITION

For financial aid purposes, courses may be repeated consistent with district academic standards, as identified in the college catalog.

	Eligible for federal student aid?	Eligible for BOG fee waiver?	Description / Notes
Satisfactory (SAT)	Yes	Yes	Student is meeting all SAP standards.
Warning	Yes	Yes	Student failed to meet one or more of the SAP standards. Students only receive one warning term. If students fail to meet all SAP standards by the end of their warning term, they will be placed on suspension.
Suspension (UNSAT)	No	Yes	Student has failed to meet SAP standards for two consecutive terms. Students on financial aid suspension may regain eligibility for financial aid by: 1. Filing a successful SAP appeal if there are extenuating circumstances; OR 2. Attending classes without financial aid until they meet all SAP standards. This method is known as "reinstatement."
Probation (PLAN)	Yes	Yes	Student has submitted a SAP appeal which was subsequently approved. Student must adhere strictly to the following rules or they will be disqualified: 1. Pass all attempted classes. No W, F, NC, FW or incomplete grades are allowed. 2. Earn a GPA better than 2.0 for the term. 3. Only take courses that count towards the student's declared goal (as indicated in the myCuesta Pathway application, excluding unnecessary electives if student has attempted excessive units). Students on probation status who follow the above rules will have their eligibility extended at subsequent reviews in the same academic year. Students on probation status who do NOT follow the above rules will be disqualified from receiving federal financial aid at Cuesta and will not have any subsequent appeals approved unless catastrophic circumstances can be documented. Students must file a new appeal every academic year regardless of any prior appeal approvals.
Disqualified (DISQ)	No	Yes	Student was on probation, but did not adhere to the rules listed above. Student may not appeal again unless the probation plan was not met due to catastrophic circumstances (death in family, hospitalization, incarceration, etc.) that can be documented by the student. Student may receive financial aid in the future if they work on their own to meet all SAP standards (reinstatement).

However, all repeated units will count toward Maximum Time Frame. Students may receive financial aid for repeat course work which they have previously passed only once.

There is an exception for courses which require repeats. Students taking a required repeat course should work with the Financial Aid Office to ensure those credits are counted appropriately for financial aid eligibility. Students may need to provide documentation regarding the requirement to repeat.

FINANCIAL AID ELIGIBILITY FOR REMEDIAL AND ESL COURSEWORK

Students are allowed to receive financial aid for remedial units if the remedial classes are a prerequisite for entrance into a regular college program. Financial aid cannot be received for more than 30 attempted units of remedial classes. Remedial units must be taken in recommended sequence.

ESL coursework must be part of an eligible program of study to receive financial aid. ESL coursework is not an approved program in itself. A student enrolled in ESL classes, who is not in an eligible program of study, is not eligible for federal student aid.

Evaluation of ESL Coursework in a SAP Review	
Standard	ESL coursework that will be included in the SAP review
Qualitative (2.0 GPA, cumulative)	ESL courses that are given letter grades (A,B,C,D,F) will be included in the determination of whether students meet this standard.

Evaluation of ESL Coursework in a SAP Review

Quantitative (67% completion rate, cumulative)	All ESL courses are included in the determination of whether students meet this standard.
Maximum Time Frame (Total attempted units)	No ESL courses are counted towards the maximum time frame standard.

TRANSFER CREDITS

All transfer credits that Cuesta evaluators have determined will count toward the student's current program will also be included in the calculation of overall attempted and completed hours. They will not be included in the calculation of overall GPA.

ROUNDING

At Cuesta we do round up in our SAP calculations, if your completion rate is .6665, it will round up to 67%.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

Title IV (federal student aid) recipients who withdraw completely before completing 60% of the term for which the student has been charged will be required to return a portion of the Title IV funds they received. The return amount will be calculated using the number of days the student attended in the given term and the total number of days in the given term.

RETURN OF OVERPAYMENT

Title IV financial aid recipients who withdraw from all classes—or are administratively withdrawn from all classes—may be required to return a portion of the financial aid they received. The Financial Aid office will calculate the percent of financial aid earned and unearned for the given term. Title IV financial aid recipients who receive an overpayment resulting from changes in enrollment, cost of attendance, general eligibility, and additional financial aid award(s) will be required to return funds in the amount necessary to eliminate the overpayment. The student will be notified if they are required to return any Title IV funds. Students that fail to return Title IV funds are ineligible for federal student aid.

ORDER OF RETURN OF TITLE IV FUNDS

All returns will be distributed to the student financial assistance programs in the order below with the following exceptions: Title IV funds required to be returned by the student will not be distributed to a

Federal Direct Loan Program and no returns shall be distributed to the Federal Work Study Program.

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct PLUS Loan
4. Federal Pell Grants
5. Federal SEOG Program
6. Other Title IV Programs
7. Other Federal and State Programs
8. Institutional or Agency Programs

The Dean of Student Services will make available the institutional accreditation documents and the Title IV participation agreement upon student request. The Title IV school code for Cuesta College is 001192.

INSTITUTE FOR PROFESSIONAL DEVELOPMENT

The Institute for Professional Development (IPD) addresses the Cuesta College mission to support workforce preparation and economic growth through assessment, training, coaching, consulting, and facilitation. ONLINE SERVICES AND DISTANCE EDUCATION

Distance Education courses are those in which the instructor and student are separated and interact through the assistance of communication technology. They are offered as "fully online" (with no required on-campus sessions), "hybrid" (51% or more online) or "blended" (less than 51% online). The full definition of Distance Education, and the means by which the college verifies student identity in distance education courses, is contained in the district's Administrative Procedure 4105 (<https://www.boarddocs.com/ca/cuesta/Board.nsf/goto?open&id=ADLRG-96DE548>.)

Courses offered through Cuesta College's Distance Education program are equivalent to the classroom-based version in course content, textbooks, required assignments, exams, study time, etc. The only difference is the method in which the course is delivered.

Students in Distance Education courses are able to access support services such as counseling, tutoring, technology help desk, and library services remotely.

PREREQUISITES/CO-REQUISITES

Prerequisites, co-requisites, and advisories are intended to enhance a student's chance of success in a desired course. If a student does not meet prerequisites or co-requisites for a course, as listed in the class schedule, the student may not be allowed to enroll or remain enrolled in that course. Successful completion of a prerequisite or co-requisite course is achieved by a final course grade of "C" or better.

Current Cuesta Students

Cuesta students enrolled in prerequisite courses at the time of registration for the upcoming term will be allowed to enroll in the next level course without knowing the final grade in their current course. A grade of "C" or better must be earned in the prerequisite course to meet the prerequisite requirement. Students that do not successfully complete prerequisite courses will be administratively dropped from the higher level course once grades are final and have been posted.

Transfer Students

Coursework from another college must be completed and the student needs to have earned a grade of "C" or better before the course can be used to clear a prerequisite requirement. Students must submit a Prerequisite Clearance Form which can be found below. Official transcripts need to already be on file at Cuesta or submitted with your request.

Prerequisite Clearance Forms:

FORM A: Prerequisite Clearance and/or English, English as a Second Language, and/or Math Placement Request can be used to clear prerequisite requirements with coursework completed at an institution other than Cuesta.

FORM B: Prerequisite/Co-Requisite Course Challenge can be used to clear prerequisites that have been met through means other than

course completion such as previous knowledge, work experience, or licensing. The student is responsible for providing evidence to support the claim and must get signatures from the appropriate department chair before prerequisite clearances can be processed.

Examples of when to submit FORM B:

- Student has knowledge or ability to succeed in the course despite not meeting the prerequisite such as assessment placement, knowledge, certification, licensing, work experience, or other criteria presented by the student that satisfy the prerequisite.
- The prerequisite is discriminatory or applied in a discriminatory manner.
- The Prerequisite approval is in violation of Title 5 regulations or Cuesta College District Policy.
- The prerequisite course has not been made “reasonably available” as defined by Cuesta College.

FORM C: Physics Prerequisite Evaluation Form can be used to determine if a physics course taken at another college meets a physics prerequisite requirement at Cuesta. Student is responsible for attaining the appropriate signatures from the Physical Science Department Chair before prerequisite clearances can be processed.

How to Submit Completed Prerequisite Forms:

FORM A - Submit online from Admissions & Records webpage:
<http://bit.ly/cuestaplacement>

FORM B/C - Submit in one of the following ways:

- Scan and email to prerequisites@cuesta.edu
- Fax to Prerequisites Office at (805)546-3905
- Mail to Cuesta College Admissions & Records, P.O. Box 8106, San Luis Obispo, CA 93403-8106.
- Hand deliver to Admissions & Records Office in the Student Services Building on San Luis Obispo Campus (Building 3100) or the Campus Center on the North County Campus (2nd Floor, Building N1000/N1100).

Student Activities

Cuesta College's student government develops a broad spectrum of activities, programs, and services for the student body. Its goals are to provide social contact, entertainment, and leadership opportunities for the campus community. Extracurricular activities foster a sense of unity among individuals, as well as among student groups pursuing specialized interests.

The complete planning and production of various events provide excellent experience for student leaders and enjoyable activities for all. Lectures, film series, forums, bands, community awareness programs, and seasonal and special events are all within the scope of student government sponsorship.

The broad array of student activities involves the educational experience of all members of the Associated Students of Cuesta College. Students plan and develop them and, by taking an active role, experience a personal satisfaction and growth beyond their academic pursuits.

An activities calendar may be found at:

<https://cuesta.edu/student/campuslife/studentlife/sllcalendar/index.html/?i=1>

Associated Students of Cuesta College

The Associated Students of Cuesta College (ASCC) operates under regulations authorized in the California Education Code and in the policies of the Cuesta College Board of Trustees. The ASCC is the college's official student government organization.

The ASCC is established to promote the general welfare of Cuesta College students; to guarantee equality of opportunity among students; to offer an experience in practice of the American democratic government; and to encourage student participation in, planning for, and involvement in a comprehensive program of student activities. It offers students opportunities to participate in social and cultural events, to share in governance activities, to interact with professionals, and to create and administer their own organizations and programs.

Student Organizations

The college and the ASCC grant recognition to campus organizations including honor societies, service and religious organizations, those with an ethnic/multicultural focus, and departmental and special interest groups. The varied types of clubs not only offer an opportunity for social life but also make a fine contribution to the development of student leadership. Membership and active participation in a reasonable number of these organizations are strongly recommended by the college.

Students meet with a peer tutor to have specific questions answered regarding structure and content. The Writing Centers are located inside the Student Success Centers at both campuses (Room 3304 at SLO and Room N3129 at NCC). Please check the Student Success Centers' website for full tutorial support schedules.

NET TUTOR online tutorial support is now available to Cuesta students 24/7. TRANSFER SERVICES

The Transfer/Career Center has a wide variety of resources available to university bound students including college and university information, college search materials, major and career books, and study abroad brochures and catalogs. The center maintains information about university transfer requirements, the university application process, articulation agreements and transfer admission guarantee programs. In addition, the center provides internet access with links to assist students completing online admissions applications and researching colleges.

Appointments to meet with a counselor can be made three weeks in advance beginning the first working day of the week. Please call to verify daily hours.

Transfer/Career Center staff serve as liaisons to colleges and universities and advocate for students in the admission process. Center staff also coordinate university representative visits in which university outreach staff come to campus to meet with Cuesta College students individually.

Transfer Admission Guarantee (TAG programs) are commitments that selected colleges and universities make to Cuesta College students who meet specific credit, GPA, and course requirements. A TAG serves as a contract between the student and college or university. Students who have completed a TAG and have met contractual requirements are guaranteed admission.

Cuesta college now has transfer admission guarantees with the following universities:

- UC Santa Cruz
- UC Riverside
- UC Santa Barbara
- UC Davis
- UC Irvine
- UC Merced
- Arizona State University
- Columbia College
- Chapman University
- University of La Verne

Associate Degrees for Transfer (ADT). Please see Section 2A for information about ADTs.

Career Services

Career services are available to assist students in exploring and

clarifying their career goals, researching occupational fields, and making their educational plans accordingly. Students may make arrangements with Transfer/Career Services to attend a Career Workshop and use online resources to obtain information about specific occupations.

Transferring to California Polytechnic State University

Because admission to Cal Poly is highly competitive; it is strongly recommended that students work closely with a Cuesta College counselor to ensure they are well-prepared for Cal Poly's transfer selection process. Cal Poly's Transfer Selection Criteria vary by major and include completion of major-related and general education coursework, grades, and extracurricular activities and work experience. Students applying as upper-division transfers that have completed all required/desired coursework and have maintained a high GPA typically are more competitive in Cal Poly's transfer selection process. The Cal Poly Admissions website provides comprehensive information on their transfer selection process.

ASSIST

ASSIST (Articulation Subsystem Stimulating Inter-institutional Student Transfer) is a student-transfer information system available at www.assist.org. ASSIST displays reports describing how courses completed at a California Community College will be applied to an undergraduate degree at a California State University or University of California campus. As the official repository of articulation for California's public colleges and universities, ASSIST provides the most accurate and up-to-date information available about student transfer within the state of California. Students who are planning to transfer to a California State University or a University of California campus are encouraged to utilize ASSIST information (in consultation with a counselor) for important information about the transfer and articulation process.

Student Right To Know

In five decades of service to the community, Cuesta College has helped thousands of students reach a wide variety of educational goals, including improved foundational skills, transfer to a four-year institution, earned certificates or associate degrees and advancement in the work force.

In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Luis Obispo County Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2014, a cohort of all certificate, degree, and transfer seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cuesta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a completer is a student who attained a certificate or degree or became 'transfer prepared' during the three-year period from fall 2014 to spring 2017. The completion rate for Cuesta College's 2014-2017 cohort is 32.69%

Based upon the cohort defined above, students who have completed 60 transferable units with a GPA of 2.0 or better are considered "transfer prepared." Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming "transfer prepared" during a five-semester period from spring 2015 to spring 2017 are transfer students. The transfer rate for Cuesta College's 2015-2017 cohort is 6.88%.

Montgomery G.I. Bill® Education Benefits

Cuesta College is approved by the Veterans Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant's eligibility for educational assistance.

Please note: GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

All persons receiving educational benefits must personally contact the Veterans Coordinator after enrollment every semester to continue benefits. In addition, a Student Educational plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration

As our way of saying thanks for serving our country, Veterans receive priority registration. New students to Cuesta College must meet the requirements of a new matriculated student as defined in the enrollment priority section. Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserved, for any academic term attended at one of the California State University, California Community College, or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

Military Credit

Veterans can receive credit up to 12 credits for education experience in the Armed Services. For more information please refer to this website: <http://www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx> or see the Veterans' Resource Center.

Possession of a DD214 will be substituted for Cuesta's graduation requirements in Health Education and Diversity, for students pursuing a Cuesta Associate of Arts or Associate of Science (local) degree. In addition, as determined by the California State University (CSU), possession of a DD214 will be substituted for the CSU General Education Area E "Lifelong Learning and Self Development" requirement, for CSU transfer bound veterans. Veterans are given the choice to either apply their DD214 in satisfaction of these areas, or to complete an approved course for the area, based on personal preference.

Disabled Veterans

Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through Cuesta College Disabled

Students Programs and Services.

Veterans' Dependents – War Orphans – Missing In Action – Prisoners Of War

Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability

The veteran/dependent student assumes full liability for any overpayment of veterans education allowance benefits.

The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant.

FAILURE TO TAKE THE PROPER CLASSES CAN RESULT IN THE REDUCTION OR TERMINATION OF BENEFITS.

Veteran/Dependent Student Academic Standing

Students will not be certified for enrollment if placed on Academic or Progress Dismissal status. If you have previously been placed on Academic Probation and have a grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Progress Probation and have 50% or more enrollment grades of "W", "I", or "NP" recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Tuition Policy

For Post 9/11 GI Bill® (Ch 33) students and VA Vocational Rehabilitation and Employment (Ch 31) students, our tuition policy complies with 38 USC 3679(e) which means Post 9/11 and Vocational Rehabilitation and Employment students will not be charged or otherwise penalized due to a delay in VA tuition and fee payments. For eligibility consideration, a Post 9/11 GI Bill student must submit a VA Certificate of Eligibility (COE) and a Vocational Rehabilitation Student must provide a VAF 28-1905 form. All persons seeking enrollment must meet the general admissions policies. Those seeking to use VA Education Benefits must submit all prior transcripts for a transfer evaluation and submit one of the following a 22-1990, 22-1995, 22-5490, or a 22-5495 to the VA.

Please Note: GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <https://www.benefits.va.gov/gibill/>

Tutorial Services

Tutorial services are available to all veterans who meet established VA criteria.

Transcripts

All official transcripts of prior college work and military schools must be on file in the Records Office before registering for classes. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veterans' Resource Center for necessary forms.

Credits Required for Entitlement of Benefits

The following number of credits is required each semester to certify

students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans' Resource Center for more information.

Veterans Access, Choice, and Accountability Act of 2014

(Choice Act)

A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)]) as stated in parts 1-4 of this bulleted item shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students.

1. A Veteran who lives in California (regardless of his/her formal state of residence) and enrolls in Cuesta College within three years of discharge from a period of active duty service of 90 days or more.
2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor's discharge from a period of active duty service of 90 days or more.
3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member's death in the line of duty following a period of active duty service of 90 days or more.
4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain "covered individual" status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC §68075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be "covered individuals" per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California. Eligibility determination is subject to the "Certificate of Eligibility" (COE) of the veteran or eligible dependent (who is made eligible through the Transfer of Entitlement [TOE] to basic educational assistance under Chapters 30 and 33 of Title 38, U.S.C.). The DD214, Certificate of Release or Discharge from Active Duty, of the qualifying individual may also be of assistance in confirming "covered individual" status as it shows the effective date of the veteran's discharge from active service.

Withdrawal/Change of Classes

Veterans are required to notify the campus Veterans' Resource Center when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification and will be considered a fraud with the Department of Veterans Affairs.

BP 4030 ACADEMIC FREEDOM

References: Title 5 Section 51023, ACCJC Accreditation Standard I.C.7
ACCJC Eligibility Requirements 13 and 20, Ed Code 70902,
AAUP 1940 Statement of Principles on Academic Freedom and Tenure

I. General Support of Academic Freedom

Cuesta College protects the academic freedom of students, staff, managers, and faculty; no limitations shall be placed upon the study, investigation, presentation, or interpretation of ideas. Cuesta College values the expression of a wide range of viewpoints and promotes creativity and innovation among its students, staff, managers, and faculty.

The current national standard for the definition of academic freedom was published by the American Association of University Professors (AAUP) in the 1940 Statement of Principles on Academic Freedom and Tenure, which was endorsed by the Academic Senate for California Community Colleges in 1996:

Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher or the institution as a whole. The common good depends upon the free search for truth and its free exposition. Academic freedom is essential to these purposes and applies to both teaching and research.

Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning.

Cuesta College upholds the following elements of academic freedom:

- the obligation of academics to ask difficult and meaningful questions and to pursue those inquiries wherever they may lead;
- the open and free exchange of ideas to support academic critical inquiry; and
- the protection of those who discuss, present, and research ideas that may be seen as controversial, obscene, unpopular, or challenging.

II. Specific Support of Faculty's Academic Freedom

Cuesta College shall support and protect every faculty member's academic freedom from any adverse action or censorship. Cuesta College shall support and protect each faculty member's academic freedom within, but not limited to, the following areas:

- College-wide Curriculum
 - Freedom to develop curriculum and instructional methods for academic programs and courses—including, but not limited to, course descriptions, course outlines, course goals, course objectives, and course standards—in accordance with college procedures that have been mutually agreed upon by the Governing

Board and the Academic Senate and conform with state requirements and existing articulation agreements with other higher learning institutions.

• Course Content

- Freedom to select all content for their individual courses—including, but not limited to, texts, materials, labs, discussion topics, technology, videos, and assignments. Faculty will base their decisions on their professional training, expertise, and pedagogical practices. The approved Course Outline of Record, as developed from mutually agreed upon standards, shall provide the individual faculty with requirements and guidelines for each specific course.

• Grades

- Freedom to design assessment tools and methods, assess student performance, and serve as the final authority for the assignment of grades.

• Research

- Freedom to explore all avenues of scholarship, research, publication, and academic and/or creative expression within the classroom, college, and larger community, without institutional discipline or restraint.

• Participatory Governance

- Freedom to participate effectively in collegial and divisional governance.
- Freedom to question and challenge, without fear of censorship or discipline, actions and ideas originating from within the institution.

• Public Speech and Membership in Organizations

- Freedom to speak or write publicly — free of censorship or subsequent discipline by the college — as a citizen on matters of public concern.
- Freedom to associate with individuals or groups of one's choice without fear of censorship or discipline.

• Technology

- Freedom to elect to what extent technology will be used to support achievement of course objectives.

• Intellectual Property

- Freedom to maintain ownership over creative, artistic, and research works, including, but not limited to, written, graphic, photographic, video, and musical pieces, among others, even those produced or maintained on Cuesta College equipment, unless Cuesta College has commissioned a faculty member or members to produce a work for which said faculty specifically agree to relinquish intellectual property rights.
- Freedom to maintain ownership over all academic work, including, but not limited to, items such as syllabi, assignments, exams, lectures, and content within learning management systems, unless Cuesta College has commissioned a faculty member or members to produce a work for which said faculty specifically agree to relinquish intellectual property rights.

Nota bene: Faculty in non-instructional positions have the same rights of academic freedom as instructional faculty.

III. Specific Support of Students' Academic Freedom

Cuesta College shall support and protect every student's academic freedom from any adverse action or censorship. Cuesta College shall support and protect each student's academic freedom within, but not

limited to, the following areas:

- Academic Ideas and Practices
 - Freedom to explore all relevant avenues of scholarship, research, publication, and academic and/or creative expression within classes, the college, and larger community, without institutional discipline or restraint, as long as the exploration of said academic ideas and practices does not violate Cuesta College's Standards of Conduct.
- Grades
 - Freedom to exercise the right to be graded fairly and have a clear pathway toward a grade appeal.
- Public Speech and Membership in Organizations
 - Freedom to speak or write publicly—free of censorship or subsequent discipline by the college—as a citizen on matters of public concern.
 - Freedom to associate with individuals or groups of one's choice without fear of censorship or discipline.
 - Freedom to participate effectively in student leadership.
 - Freedom to question and challenge, without fear of censorship or discipline, actions and ideas originating from within the institution.
- Intellectual Property
 - Freedom to maintain ownership over creative, artistic, research, and academic works, including, but not limited to, written, graphic, photographic, video, and musical pieces, among others, unless Cuesta College has commissioned a student or students to produce a work for which said student or students specifically agree to relinquish intellectual property rights.

ACADEMIC PROBATION AND DISMISSAL

Students who earn unsatisfactory grades may jeopardize their enrollment and registration priority at Cuesta College. Academic achievement is monitored during the fall/spring semesters. A student is placed on academic probation at the end of a semester if the student's grade point average is less than 2.0, or "C average," on a four-point scale.

A student who earns less than a 2.0 GPA for two consecutive semesters is subject to dismissal from the college. For the purpose of this section, semesters are considered consecutive on the basis of the student's pattern of enrollment. For example, a student earning less than a 2.0 in fall 2017 and fall 2018 would be subject to dismissal if the student did not attend Cuesta during spring 2017. Dismissed students are not allowed to attend the subsequent semester.

Students are notified of their academic probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester.

Students on academic probation are required to participate in academic follow-up services designed to help students persist and succeed in their courses. Students on academic probation will be notified of required academic follow-up activities. Students on academic dismissal must attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students, who do not attend a reinstatement workshop will be blocked from enrolling and must "sit out" the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses. Reinstatement, or "sitting

out" a semester, does not change the student's academic standing. Once a student's semester GPA is 2.0 (C) or higher the student will be removed from Academic Dismissal.

PROGRESS PROBATION AND DISMISSAL

Students who fail to complete courses in which they enroll may jeopardize their ability to enroll and their registration priority at Cuesta College. Academic progress is monitored during the fall/spring semesters. A student who has enrolled in a total of 12 or more credits at Cuesta College is placed on progress probation at the end of a semester if the percentage of all Cuesta College credits in which a student has enrolled, for which entries of "W," "I," and "NP" are recorded, reaches or exceeds 50 percent.

A student placed on progress probation for the third consecutive semester or session is subject to dismissal from the college.

Students are notified of their progress probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester.

Students on progress probation are required to participate in academic follow-up services designed to help students persist and succeed in their courses. Students on progress probation will be notified of required academic follow-up activities.

Students on progress dismissal must attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students who do not attend a reinstatement workshop will be blocked from enrolling and must "sit out" the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses.

Reinstatement, or "sitting out" a semester, does not change the student's academic standing. A student on progress dismissal shall be removed from probation/dismissal when the percentage of entries of "W," "I," and "NP" recorded drops below 50 percent.

Contact the Office of Enrollment Services (Admissions and Records) or Counseling Services for additional information.

ACADEMIC RENEWAL WITHOUT COURSE REPETITION

Previously recorded substandard academic work may be disregarded in the calculation of a student's grade point average if the work is not reflective of the student's present scholastic level of performance.

1. Academic renewal may be applied to two distinct semesters/sessions of work and is a one-time irreversible option.
2. Academic renewal cannot be used to disregard prior academic credit or course work which has been applied toward an associate degree or certificate earned at Cuesta College.
3. For any semester/session in which course work is to be disregarded, substandard academic work in that semester/session will be disregarded, excluding satisfactory academic work.
4. If grade alleviation has already been applied two times for a course included in the requested semester/session to be disregarded, the course will not be eligible for academic renewal without repetition and will remain on the academic record. No more than two substandard grades may be alleviated from the calculation of the student's grade point average for a

course.

5. A period of at least one year must have elapsed since the completion of the work to be alleviated.
6. To alleviate course work, the student must have:
 - a. Completed a minimum of 12 semester credits since the semester(s) to be alleviated with at least a 3.0 grade point average; or
 - b. Completed 18 semester credits since the semester(s) to be alleviated with at least a 2.5 grade point average; or
 - c. Completed 24 semester credits since the semester(s) to be alleviated with at least a 2.0 grade point average.
7. Recalculation of the grade point average will be used toward qualification for graduation with honors.
8. Academic standing for the semester/session(s) will be adjusted.
9. Permanent academic records will be annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic history.

The student initiates the request by filing a Petition for Academic Renewal without Course Repetition in Counseling Services. The petition must be signed by the student and counselor.

- The student must submit official (sealed) transcripts from all accredited colleges or universities where course work was completed.
- The Director of Enrollment Services (Admissions and Records) will make the final determination for academic renewal without course repetition.
- If academic renewal requirements are met, eligible courses will be alleviated from the student's permanent record.
- Calculation of the student's grade point average begins following the end of the first term being alleviated under academic renewal.

Alleviated course work will be annotated on the student's transcript with an "E" for exclusion with a notation of "Academic Renewal" and the substandard grade will be excluded from the student's grade point average calculation.

ATTENDANCE

Normal progress and successful completion of scholastic work depends upon regular attendance. Students are expected to attend all classes and laboratories for which they are registered. Instructors set an attendance policy for each class, and it is the student's responsibility to know and comply with each one. Instructors may drop a student from a class for infractions of the attendance policy. (To assure a seat in the class, students are advised to attend the first class session.)

It is the student's responsibility to officially withdraw from a course which the student is no longer attending. Failure to officially withdraw from a class may result in an "F" (failing) grade.

OPEN ENROLLMENT

All courses of the District shall be open to enrollment in accordance with Board Policy 5052 and a priority system consistent with AP 5055 titled Enrollment Priorities. Enrollment may be limited to students meeting properly validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the college matriculation process or appropriate college division.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the District, except as provided for in AP 5055 titled Enrollment Priorities except courses under Nursing and Allied Health programs, Dual Enrollment - CCAP Program courses offered at a high school site and for classes offered to inmates in city and county jail, or state or federal correctional facility that restrict enrollment.

Students are not required to participate in any pre-registration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in AP 5055 titled Enrollment Priorities and where enrollment is restricted for Nursing and Allied Health programs, Dual Enrollment - CCAP Program courses offered at a high school site during regular school day, and for classes offered to inmates in city and county jail, or state or federal correctional facility.

A student may challenge an enrollment limitation on any of the following grounds:

- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The District is not following its enrollment procedures;
- The basis for the limitation does not in fact exist.

A student may challenge an enrollment limitation by following Administrative Procedure 5055.

COURSE LOAD

A full-time student is a student who is enrolled in a minimum of 12 credits per semester/session. Students enrolled in fewer than 12 credits are considered to be less than full-time. Students are limited to a maximum of 19 credits during the fall and spring semesters (nine credits during the summer session), including both day and evening classes. To take more than the maximum number of credits, a student must have an outstanding academic record and must obtain approval from a counselor before registering.

COURSE REPETITION POLICY

Repeatable Course

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

- The student may petition to enroll in two sections of the same repeatable course if the length of the course is such that a student may enroll in two or more sections of the same course during the same period without being enrolled in more than one section at any given time.
- A student may repeat a course designated as a repeatable course including variable credit open-entry/open-exit courses up to the maximum number of allowed repetitions for that course.
- No more than two substandard grades may be alleviated within the allowable repeat limits for a repeatable course. If a course is repeated two or more times, the first two substandard grades will be excluded in calculating the student's GPA.
- Course repetition will not be allowed in a repeatable activity course beyond the maximum number of allowed repetitions for the course, which may be no more than three (3) semester/sessions.

Non-Repeatable Course

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

- Substandard Grade - a grade of "D+," "D," "D-," "F," "NP," or "NC."

- A student will be permitted to retake a non-repeatable course in which a substandard grade or “W” was earned one time without a petition.
- If a student has earned a second substandard grade or “W” in a course, the student must agree and sign a Third Enrollment Agreement to be released to register for the third repetition of a course.
- Each non-repeatable course in which a substandard grade has been earned may be repeated two times only for grade alleviation unless such repetition is provided by District policy. The repeated course must contain the equivalent credit value or higher. The previous grade and credit will be disregarded in calculation of the student’s grade point average even if the previous grade was higher.
- Satisfactory Grade – a grade of “A,” “A-,” “B+,” “B,” “B-,” “C+,” “C,” “P,” or “CR.”
- A course in which a satisfactory grade was received may not be repeated unless such repetition is provided for in the official course description or by District policy.

Limitations on Withdrawal (“W” symbol)

Each non-repeatable course in which a “W” has been earned may be repeated for a maximum of two times. The student may earn no more than three (3) withdrawals in the same course.

- Military withdrawals (“MW”) do not count against the “W” withdrawal limit.
- A student who has previously earned a maximum of three (3) withdrawals for a course that has a petition approved to repeat may only earn a satisfactory or substandard grade for the course. The student may not earn an additional “W” symbol unless the student demonstrates extenuating circumstances to justify an additional withdrawal for the course.

Petition to Repeat

Students may submit a “Petition to Repeat a Course” under certain circumstances as provided by Title V, California Code of Regulations and Cuesta College Board Policy. Petition approvals are reviewed by the Office of Admissions & Records, the North County Campus Dean, or designee.

Significant Lapse in Time: A student may petition to repeat a course, one time, and if no less than 36 months have elapsed, where a satisfactory grade of “C” or better was earned if:

- The District has established a recency prerequisite for a course or program;
- Another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course. Repetition may be allowed where less than 36 months have elapsed if the student documents that repetition is necessary for the student’s transfer to the institute of higher education.
- When a course is repeated pursuant to this section, the previous grade and credit will be disregarded in computing the student’s grade point average.

Disabled Student Accommodation

A student may repeat a special class for students with disabilities any number of times as required as a disability-related accommodation under the following circumstances:

- When the student’s continuing success in other general and/or special classes is dependent on additional repetitions of a specific

special class; or

- When additional repetitions of a specific special class are essential to completing a student’s preparation for enrollment into other regular or special classes; or
- When the student has a student educational plan which involves a goal other than completion of the special class in question and repetition of the course will further achieve that goal.
- The previous grade and credit will not be disregarded in computing the student’s grade point average each time the course is taken.

Legally Mandated Training

A student may repeat a course any number of times as required to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

Significant Changes of Industry or Licensure Standards

A student may repeat a course any number of times as a result of a significant change in industry or licensure standards such that repetition of the course is necessary for employment or licensure.

EDUCATION TAX CREDIT INFORMATION

An Education Tax Credit benefit is available to Cuesta students who enrolled in credit courses and were charged eligible fees. In compliance with the Taxpayer Relief Act (TRA) of 1997, Cuesta College will provide a 1098T form to eligible students enrolled in a given calendar year (spring, summer, and fall). The 1098T form reports eligible fees charged within the given calendar year.

Eligible fees include: Enrollment Fee, Student Center Fee, Non-Resident Fee, and Material Fee. A 1098T will not be produced for students whose eligible fees were waived or who received financial aid in an amount greater than eligible charges. Each January, 1098T forms are mailed to the students’ permanent addresses on file with Cuesta at that time.

Students are encouraged to keep payment receipts to confirm the amount of fees paid during each calendar year, regardless of the term of enrollment.

If you have questions about the TRA’s Hope Tax Credit and Lifelong Learning Credit:

- Consult your tax preparer
- Access the IRS website at www.irs.gov.

ENROLLMENT PRIORITIES

All courses of the District shall be open to enrollment to all eligible students, subject to an established enrollment priority. Enrollment also may be limited to students meeting properly validated prerequisites and co-requisites, or due to other, practical considerations.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide enrollment priority for students on the basis of need are established.

Annually, each program or group granting enrollment priority will establish and publish a process to review and evaluate their program participant's "level of need" that grants program eligibility for enrollment priority.

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to reward students who make progress toward their educational goals.

New students who have completed college orientation, assessment and developed education plans as well as continuing students in good academic standing who have not exceeded 100 credits (not including credits in non-degree applicable courses, basic skills and English as a Second Language) will now have priority over students who do not meet these criteria. Active military and veterans, current and former foster youth, CalWORKS or Tribal TANF recipients, followed by students in Extended Opportunity Programs and Services (EOPS) and Disabled Students Programs and Services (DSPS) will continue to have first priority for registration if they meet the same criteria listed above.

The regulations, unanimously approved by the board of governors, was implemented in the fall of 2014. We encourage students on probation to seek help to improve their academic standing. Students nearing 100 credits should carefully plan their remaining courses with an academic counselor.

Enrollment Priority Groups are defined below. Students will continue to have access to register after their priority date.

- **PRIORITY 1 (State Mandated CCCCCO Programs):** Continuing students, with the exception of eligible Foster Youth, in this group must be in good academic standing as defined with less than 100 Cuesta College degree applicable credits. Enrollment Limitations

A student's ability to enroll in a course may be limited or restricted. Refer to Administrative Procedures 5075 - <https://www.boarddocs.com/ca/cuesta/Board.nsf/Public#>

- **CONTINUING/RETURNING STUDENTS:** A continuing or returning student will lose enrollment priority if he/she earns 100 or more credits at Cuesta College or if he/she are on academic or progress probation for two consecutive terms.

For purposes of this section a unit is earned when a student receives a grade of A, B, C, D or P as defined in BP and AP 4230 titled Grading and Academic Record Symbols. This 100-unit limit does not include units for non-degree applicable English as a Second Language or basic skills courses as defined by Academic Affairs, or students enrolled in high unit majors or programs as designated by the Curriculum Committee and Academic Affairs.

The District shall notify students who are placed on academic or progress probation, of the potential for loss of enrollment priority. The District shall notify the student that a second consecutive term on academic or progress probation will result in the loss of priority registration as long as the student remains on probation. The District shall notify students or who have earned 75 percent or more of the unit limit, that enrollment priority will be lost when the student reaches the unit limit.

Students who lose their priority due to enrollment limitations will be able to register after Priority 5.

Appeal of Loss of Enrollment Priority Procedures

- Students may petition to have their enrollment priority reinstated based on the following reasons:
 - Extenuating Circumstances (verified cases of accidents, illnesses, or other circumstances beyond the control of the student)
 - Students with disabilities who applied for but did not receive reasonable accommodations in a timely manner.
 - Students who demonstrate significant satisfactory academic improvement by earning at least 2.50 GPA in at least 6 academic credits in a subsequent term, but whose term GPA is not high enough to move the student into good standing.
 - Students who are in high credit programs and are following a current education plan.
 - Students in good standing (over 100 credits) and within 12 credits of completing their degree.

Enrollment Priority Appeal forms are available online, and at all Cuesta College sites. Appeals are to be submitted to the Office of Admissions & Records. Extenuating circumstances must be documented. Enrollment Priority students whose appeal is approved will be reinstated to their previous priority status for one semester.

Any student who is a member of an active or reserve military service and who receives orders compelling a withdrawal from courses may request to be reinstated to their previous priority status upon their return.

If you need help paying this fee, you may qualify for a Board of Governor's Fee Waiver (BOGW). An application is available in the Financial Aid Office or you may complete the free application for Federal Student Aid (FAFSA) application online. Completed BOGW applications and documents of income sources must be submitted to the Financial Aid Office before you register for fall/spring semesters or summer session. Refer to the Financial Aid section for BOGW eligibility requirements. You must reapply each year for consideration.

Non-Resident Tuition

The cost of tuition for international and out-of-state students is in

addition to the enrollment fee. If you have questions about residency status, please contact the Admissions Office for assistance.

Health Fee

In accordance with the California Education Code and District policy, Cuesta College has a mandatory health fee. Students, excluding those with the exceptions listed, are required to pay the Health fee each term regardless of the number of credits they are taking. This fee is nonrefundable once the semester or session begins and is subject to change per local Board action. The health fee is not an eligible tax credit fee.

Health Fee Exemptions: (Education Code Section 76355)

- Students enrolled in non-credit courses.
- Students who are taking classes only at the South County Center (Arroyo Grande High School) and off-campus sites.

Student Center Fee

The Student Center fee is designated for the sole purpose of supporting the Student Center and is charged to all students taking classes at the San Luis Obispo Campus. The fee, which is not to exceed \$10.00 per academic year, is based upon the number of credits taken during this period at the rate of \$1.00 per credit. An academic year consists of fall and spring semesters.

The following are examples of Student Center fee calculation for a student taking classes on the San Luis Obispo Campus and at another Cuesta College site for one academic year:

FALL SEMESTER

7 credits at San Luis Obispo Campus	\$7.00*
3 credits at North County Campus	\$0.00
Total	\$7.00

SPRING SEMESTER

3 credits at San Luis Obispo Campus	\$3.00**
4 credits at North County Campus	\$0.00
Total	\$3.00

*\$7.00 paid in Fall + \$3.00 paid in Spring =

\$10.00 fee paid in full for academic year.

**Fee partially paid for year

This fee is nonrefundable unless the student drops the associated San Luis Obispo campus class on or before the Sunday prior to the start of the semester/session for a full-term course or before the first class meeting for a short-term course.

Student Center Fee Exemptions

The Student Center fee shall not apply to:

- A student enrolled in non-credit courses.
- A student who is a recipient of the benefits under the TANF (Temporary Aid to Needy Families) program, the Supplemental Security Income/State Supplementary Program, or the General Assistance program. To have the fee waived, a student must provide documen-

tation of participation in these programs through the Financial Aid Office prior to registration.

- Students enrolled in courses at North County or South County only.

Student Representation Fee

A vote of the students during the spring 2002 semester authorized the collection of a mandatory \$1.00 student representation fee from every credit student each semester. Cuesta College waives the Student Representation Fee for Enrichment students and non-credit courses. Monies collected are used by the student government to advocate and lobby for student legislative issues such as eliminating fee hikes, and increasing state funding for community colleges. Other uses include leadership training, meeting with other student leaders and elected officials, and necessary supplies to support students in their advocacy and lobbying efforts.

The fee is charged during the registration process. A student may refuse to pay the fee for religious, political, financial, or moral reasons. Students must sign a waiver prior to registration. The fee is nonrefundable once the semester begins. The student representation fee is not an eligible tax credit fee. Forms are available in the Enrollment Services (Admissions and Records) Office, Cashier's Office and at the Student Life and Leadership Office at all campus locations.

The form is also available on the Web at www.cuesta.edu/student/documents/admissions_records/repfeewaiver.pdf for students to print and complete. The form may be submitted to the Student Accounts/Cashier Office.

Cuesta College waives the Student Representation fee for Enrichment students and Non-Credit courses.

Associated Student Governments are allowed to implement the student representation fee according to Education Code 76060.5. This per-semester fee can be utilized by the ASCC to fund only those purposes listed above.

NOTE: The student representation fee may not be used to support individual candidates or campaigns.

For further information, please contact your ASCC Representative at the San Luis Obispo Campus Student Center, Building 5300.

ASCC Student ID Card Fee

The Student ID Card provides a college picture ID for use in campus labs, the library, the bookstore, and other locations on campus. The fee helps fund student jobs, student activities, critical campus programs and services, as well as providing discounts within the community. For more information on ASCC Student ID Card benefits, please visit our website <http://cuesta.edu/student/campuslife/studentlife/studentid.html>. This optional fee is nonrefundable/nonreversible once the semester or session begins. The ASCC Student ID card is to be purchased/renewed each semester, even if a student has already had her or his picture taken. The ASCC card fee is not an eligible tax credit fee.

If the ASCC Student ID card is lost, stolen, or mutilated, the student will be provided, free of charge, one replacement during the student's Cuesta career. For any additional cards there is a \$2 replacement fee. Contact the Student Life and Leadership Office at (805) 546-3289 for picture ID dates, times, and information.

Parking Fee

Parking permits required for all vehicles parked on all campus property or roadways. Daily permits are \$3 each.

Material Fees

Credit and noncredit courses with mandatory material fees are identified in the class schedule, class finder and college catalog. Materials fees are charged at the time of registration. Materials fees for classes dropped prior to the start of the semester/session are automatically credited or reversed to student accounts. See the Cashier's Office for help with materials fees for classes dropped within the two-week drop deadlines for Spring/Fall semesters and within the ten percent deadline for Summer Session.

Fee Payments

Students may pay fees, clear incurred debts (with the exception of library fines and parking citations), purchase parking permits or a Regional Transit Authority (RTA) 31-day bus pass, obtain and file refund forms, and handle other situations as they pertain to student accounts at the Cashier's Office.

Registration Fee Payment Policy

Secure payment drop boxes are also available and located outside of the Cashier's Offices for payments made after office hours.

Any unpaid fees will result in a hold placed on the student's records blocking access to future registration, grades, transcripts, diplomas, and will limit access to certain campus services. **Students will NOT be dropped for unpaid fees.**

Students, who remain enrolled after the refund deadline, are financially responsible for payment of fees even if they drop the class or are dropped by the instructor after the refund deadline. **It is the student's responsibility to drop and add classes.**

Refunds for Dropped Courses

Students must submit a written request for a refund to the Cashier. Students may request a form from the Cashier, print an online form, or submit a letter outlining the request and postmarked by the appropriate date listed below. A \$10.00 processing fee is assessed on enrollment refunds initiated by students. A full refund includes enrollment, non-resident, health, ASCC Student ID Card, Student Center and student representation fee, material, and parking fees (parking permit must be returned in usable condition). Partial refunds include only enrollment and non-resident fees.

Credit balances for dropped courses may remain on the student accounts to be applied to future balances or refunded. Credit enrolled students will receive a myCuesta Card by mail. Students will need the myCuesta Card to receive financial aid or dropped class refunds. Students need to be sure to keep their addresses updated through their online myCuesta account and watch the mail for the bright green myCuesta Card envelope. See the Cuesta website for more information about the myCuesta Card.

Full Refund

Students must drop a course by the Sunday before the start of the semester/session to receive a full refund of fees, less a \$10.00 processing fee (only refunds which include the enrollment fee are charged the processing fee). A written request for a refund must be submitted to the Cashier's Office by the end of the second week of Summer Session and by the end of the fourth week for Fall/Spring semesters.

Partial Refund

The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt. A written request for a refund must be submitted to the Cashier's Office by the end of the second week of Summer Session and by the end of the fourth week for the Fall/Spring semesters.

Military Withdrawal

Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. The student must verify such orders with the Office of Enrollment Services (Admissions and

Records) at the time of the withdrawal. Students withdrawing under this college policy will receive a grade of "MW" for each course from which they withdraw and shall be entitled to a full refund of all enrollment fees paid to the college unless academic credit has been awarded.

Administrative Withdrawal/Cancelled Courses

Full refunds will be authorized for students who are withdrawn from courses by action of the College. If the course is cancelled, the associated course fees will be credited to the student's account. The credit will be applied to any other fees owed by the student. If there is credit balance on the student's account, the credit will remain on the student's account unless a written request for a refund is submitted by the student to the Cashier's Office. Automatic refunds will not be generated.

Overpayments (excess fee payments)

If a student overpays registration fees, the amount of the overpayment will be credited to the student's account. The credit may be applied to any additional registration fees incurred.

NOTE: Dropped courses will not generate an overpayment refund. Please refer to "Refunds for Dropped Courses."

FERPA

The Family Education Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. An "eligible student" under FERPA is a student who enters a postsecondary institution at any age.

Right to Inspect and Review Records

Section 99.10 of FERPA grants students the right to inspect and review their education records within 45 days after the day a request for access is submitted. A student should submit a written request to the Director of Enrollment Services (Admissions and Records) that identifies the record(s) the student wishes to inspect. The Director of Enrollment Services (Admissions and Records) will make arrangements for access and notify the student of the time and place where the records may be inspected. If the education records are not maintained by the Enrollment Services (Admissions and Records) Office, the Director shall advise the student of the correct official to whom the request should be addressed.

Directory Information

FERPA provides students the right to provide written consent before the San Luis Obispo Community College District discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

In completing the admission application, students are provided the opportunity to request their directory information be maintained as confidential. Students may also submit a written request to the Enrollment Services (Admissions and Records) Office at any time to become effective within 5 to 10 working days.

The District has designated the following information as directory information:

Right to Request Amendment of Student Records

Students have the right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the District to amend a record should write the District official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the District decides not to amend the record as requested, the District will notify the student in writing of the decision and the student's rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing as provided by Education Code Section 73232.

FINAL EXAMINATIONS

Final examinations will be given in all courses at the end of each semester, short course, or summer session. Dates and times is displayed on the website at <https://cuesta.edu/academics/finalexam/index.html>.

GRADING POLICIES

Grades from a grading scale shall be averaged on the basis of the point equivalencies to determine a student's grade point average using only the following evaluative symbols. The following evaluative and non-evaluative symbols shall be used to denote a student's academic progress. Grade point averages will be determined on the basis of the evaluative grade point equivalencies (based on a 4.0-point scale) using the following evaluative symbols. Effective fall 2008, plus/minus grading was implemented. Per Title 5, C minus is not a valid Community College grade and cannot be used.

Evaluative Symbols:	Grade Points:
A Excellent	4.0
A-	3.7
B+	3.3
B Good	3.0
B-	2.7
C+	2.3
C Satisfactory	2.0
D+	1.3
D Passing (Less than satisfactory)	1.0
D-	0.7
F Failing	0.0
P Pass (At least satisfactory C/2.0) - units awarded not counted in GPA. Equivalent to "CR" symbol defined prior to Fall 2008.	
NP No Pass (Less than satisfactory C/2.0) - units not counted in GPA. Equivalent to "NC" symbol defined prior to Fall 2008.	

NOTE: A "D" grade is considered passing; however, some courses require grades of "C" or better to be a passing grade.

Non-Evaluative Symbols:

- I **Incomplete** – Incomplete academic work for unforeseeable emergency and justifiable reasons at the end of the term may result in an "I" symbol being entered in the student's record. The "I" symbol shall not neither be used in calculating units attempted nor for grade points. The condition for removal of the "I" shall be stated by the instructor in a written incomplete contract. The incomplete contract shall contain the conditions for removal of the "I" and the grade assigned in lieu of its removal. A copy of the incomplete contract must be given to the student with a copy submitted to the Admissions & Records Office. The contract remains on file until the assigned work has been completed and evaluated, or until the time limit for the completing the work has passed. The student must meet the conditions of the incomplete contract before the end of

the following regular semester or if the "I" will be changed to an F (Failing) and posted as the final grade for the term. The student does not re-enroll in the course for the next semester/session and earns the grade for the term originally enrolled. Students may appeal for an extension of time due to extenuating circumstances to the instructor and the office of Enrollment Services (Admissions and Records).

- IP **In Progress** – The "IP" symbol shall be used to denote that the class extends beyond the normal end of an academic term. "IP" shall not be used in calculating grade point average. The "IP" symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. Upon completion of the course, the appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student's record for the term in which the course is completed. If a student enrolled in an open-entry open-exit course is assigned an "IP" at the end of the semester/session and does not re-enroll in that course during the subsequent term, the appropriate faculty will assign an evaluative symbol (grade).
- W **Withdrawal** – The "W" symbol is assigned when a student officially withdraws after the census date and between the beginning of the third and end of the twelfth week of instruction for full-semester courses. For courses less than 18-weeks in length, withdrawal must be made during the first 60 percent of the course. Students who withdraw prior to the third week of instruction (census date) for full-semester courses or within 20 percent of a short course, shall have no notation ("W" or any other) on their record. The record of a student who remains in class beyond the twelfth week or 60 percent of a short-term course must reflect a symbol other than a "W".
- RD **Report Delayed** – This symbol is assigned by the Director of Enrollment Services (Admissions and Records) only. It is assigned when there is a delay in reporting grades due to circumstances beyond the control of the student. This is a temporary notation and is not used in calculating GPA.
- MW **Military Withdrawal** – The "MW" symbol is assigned when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, an "MW" may be assigned at any time for dropping classes. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Noncredit Grading Indicators:

- P Pass. Student has successfully mastered this course's competencies and is ready to move onto the next level.
- SP Satisfactory Progress. Student made some progress, but has not mastered the course competencies and is recommended to repeat the same level class again.
- NP No Pass. Student has been enrolled long enough to be evaluated but has not been passing course objectives and is recommended to repeat the same level class again.
- UG Ungradable. Student is a late enrollee or has not attended enough hours to be evaluated at this time.

Grade Changes

The instructor of the course shall determine the grade to be awarded to each student.

The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence on the part of the instructor.

Mistake - may include, but is not limited to errors made by an instructor in calculating a student's grade and clerical errors.

Fraud - may include, but is not limited to, inaccurate recording or change of a grade by any person who gains access to grade records without authorization.

Bad Faith - may include, but is not limited, to a lack of honesty and trust; intent to deceive.

Incompetence - may include, but is not limited to, the instructor not possessing and demonstrating the necessary ability and skill to fulfill the instructor's duties and responsibilities set forth in job descriptions, course outlines, District policies, procedures, and regulations, and applicable laws.

The removal or change of an incorrect grade from a student's record shall be done pursuant to Education Code Section 76224, 76232 and Board Policy 5530 Student Grievance Procedure.

In the case of fraud, bad faith, or incompetence, the final determination concerning removal or change of grade will be made by the Vice President of Student Services and College Centers or his/her designee.

In all cases, the instructor who first awarded the grade will be given written notice of the change.

In the case of a change of grade decision, the Division Chair will consult with faculty within the discipline of the instructor who first awarded the grade to review student material and determine the final grade the student will earn.

Course Grades

Grades are available for viewing within Cuesta College's student portal, myCuesta, two weeks after the last day of the fall/spring semesters and one week after the last day of summer session. Grades are not sent to students.

Pass/No Pass

A student may select "pass/no pass" (formerly credit/no credit) through the fourth week of instruction for 18-week courses or, if the course is less than 18 weeks in duration, within the first 20 percent of the course. Students may change back to a letter grade prior to the fourth week or 20 percent deadline. After the fourth week or 20 percent deadline, students may not reverse their pass/no pass grading decision.

- Some general education, degree and certificate course work must be taken for a grade. Consult a counselor or program description. No more than 12 credits of "pass/no pass" may be applied toward the Associate in Arts or Associate in Science degree or a Certificate unless indicated by Curriculum. For Associate in Transfer (ADT) degrees, P/NP is allowed.
- Courses listed in the schedule as "pass/no pass" grading option may be taken only once for "pass/no pass." The student may, however, repeat the course for a letter grade.
- Students shall receive a "P" (pass) if, at the end of the semester, a grade of "C" (2.0) or better is earned. The "P" shall, when recorded, add credits completed but shall have no effect on the grade point average.
- Students performing unsatisfactorily (at less than C/2.0) shall receive a "NP" (no pass) which, when recorded, will not increase credits completed and will not be used to calculate the grade point average. However, credits attempted for which an "NP" is recorded

shall be considered in academic progress calculations to determine probation and dismissal status.

- Students may only select one course per semester on the "pass/no pass" option. Some courses are graded only on a "pass/no pass" basis. Enrollment in these courses will not affect the student's right to select one additional class within the guidelines listed above.
- Students repeating a course in which a substandard grade was earned may not request a repeat discount if the pass/no pass grading option was selected for the second attempt.

ACADEMIC HONESTY

Academic Honesty is essential to the academic community. Students expect that Cuesta College faculty be fair, truthful, and trustworthy. Faculty expect that Cuesta College students share these same values. Students who violate these principles by cheating, plagiarizing, or acting in other academically dishonest ways are subject to disciplinary procedures. Below are some examples of academically dishonest behavior. If you are unclear about a specific situation, ask your instructor.

Examples of Academic Dishonesty:

- Copying from another student's exam
- Giving answers during a test to another student
- Using notes or electronic devices during an exam when prohibited
- Taking a test for someone else
- Submitting another student's work as your own, e.g. copying a computer file that contains another student's own work
- Knowingly allowing another student to copy/use your computer file(s) as his or her own work
- Completing an assignment for another student
- Plagiarizing or "kidnapping" other people's thoughts, words, speeches or artistic works by not acknowledging them through proper documentation

At the discretion of the instructor, students caught being academically dishonest may receive a failing grade on the assignments in question, be dropped from the class, or be failed in the course. If the student wishes to contest the instructor's consequential actions for Academic Dishonesty, it is recommended that the student follow the Academic Student Complaint Process: (<https://www.cuesta.edu/about/leadership/vpss/StudentComplaintProcess.html>). Beyond this, the student may be subject to disciplinary action as determined by the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee. It is recommended that the faculty member report any acts of academic dishonesty to the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee.

Student Responsibility:

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in a manner compatible with the Student Code of Conduct and Academic Honesty Regulations, and the Computer and Network Use Policy. Specific rules, regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, Sections 66300, 66301, 76030 - 76038), are located in the Cuesta College catalog and as posted on the Cuesta College website. Each student has the responsibility to be aware of college regulations.

Students shall have their records released when they:

- Return books or materials
- Pay charges for books or library materials.

REGISTRATION POLICY

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide priority registration for students on the basis of need are set forth in Administrative Procedures 5055 and listed under Enrollment Priority under the College Policies, Rules, and Regulations section of this catalog. Visit the Cuesta web site for priority registration dates.

Students add and drop classes online through myCuesta web portal at <https://my.cuesta.edu>. All students are assigned a myCuesta username and temporary password that is emailed to your personal email account from Enrollment Services once an admission application is processed. Login information can also be accessed at the "Student Username and Temporary Password" link on the myCuesta login page.

Course Add and Drop Policy

It is the student's responsibility to add and drop courses by the deadlines posted on the Cuesta web site, in the online Class Finder, and the student's myCuesta Class Schedule/Receipt. Summer session classes are considered short term courses for add and drop deadlines.

Adding Courses

Students may add classes online by the add deadline, which is the day prior to the census date. The census date is the date course enrollment is reported to the State for apportionment funding. Once a course begins, only the instructor may authorize enrollment by issuing the student an add code if there are seats available in the course at the first class meeting. Add codes must be entered by the student online in myCuesta within the add deadline to officially enroll in a course.

To add a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and enter the 5-digit course reference number (CRN) for the course by clicking "Submit Changes." The student may enter the 6-character add code in the box provided and click "Validate" to register after the course begins within the add deadline. Students may also add classes in-person at a registration center and must provide photo identification.

- Full-term course add deadline: The day prior to the posted census date, which is the end of the 2nd week of the fall/spring semesters.
- Short-term or Summer Session course add deadline: Within 20% of the course or the day prior to the posted census date.

Readmit

A student who was inadvertently dropped by an instructor may be allowed to be readmitted/re-added beyond the normal add deadline with instructor approval. The deadline to be readmitted is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Readmit Cards are available at any registration center.

Transfer

Instructor or department-arranged transfers will be allowed beyond the normal add deadline for students transferring from one course reference number (CRN) to another of the exact same scheduled course or to a lower or higher level class in established prerequisite

levels of the same discipline. The deadline to be transferred is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Transfer Cards are available at any registration center and require both instructors' signatures of approval.

Registration fees for the original CRN to be dropped will be credited while fees associated for the course to be added will be assessed to the student's account.

Dropping Courses

To drop a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and use the drop-down menu beside the course to select the drop option then click "Submit Changes." Students may also drop classes in-person at a registration center and must provide photo identification.

Dropping Course for a Full Refund

Students must drop a course by the Sunday before the start of the semester or prior to the first class meeting of a short term or Summer course to receive a full refund of fees, less a \$10.00 processing fee. A written request for a refund must be submitted to the Cashier's Office by the end of the 4th week of the semester or by the end of the following week after a short-term or Summer course ends. No notation (grade or symbol) will be posted on the student's academic record when a course is dropped within refund deadlines. **Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.**

Dropping Course for a Partial Refund

The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on the student's myCuesta Class Schedule/Receipt. The deadline is calculated as within 10% of a short-term course or the end of the 2nd week (Sunday) for a full-term course.

A partial refund is the enrollment fee, less a \$10.00 processing fee. The student is responsible for paying all other registration fees associated with a course. See the Fees section of the schedule for more information. A written request for a refund must be submitted to the Cashier's Office by the end of the 4th week of the semester or by the end of the following week after a short-term course ends (includes summer course.) No notation (grade or symbol) will be posted on the student's academic record when a course is dropped within refund deadlines.

Dropping a Course without a W for Withdrawal

No notation (grade or symbol) will be posted on a student's academic record if a course is dropped by the last day to drop without a "W" which is the end of the second week of the semester for a full-term course or within 20% of a short-term or Summer course. The last day to drop without a "W" deadline is posted in the online Class Finder by clicking on the CRN and appears on the student's myCuesta Class Schedule/Receipt.

- Students who drop all courses and receive no academic grade or symbol ("W") in a semester/session will not be eligible for priority registration as a continuing student in the next semester/session.

Dropping Courses with a W for Withdrawal

Students may drop or withdrawal from a course through the end of the 12th week (Sunday) for a full-term course or within 60% or a short term or Summer course and receive a "W" for withdrawal symbol on their

academic record. The last day to drop with a "W" deadline is posted in the online Class Finder by clicking on the CRN and appears on the student's myCuesta Class Schedule/Receipt.

- A student may earn a no more than a maximum of three (3) withdrawals ("W" symbol) in a non-repeatable course.

Dropping Courses with an EW for Excused Withdrawal

An Excused Withdrawal (EW) may be granted when a student must withdraw from one or more courses due to extenuating circumstances beyond the control of the student that affect the student's ability to complete the course(s).

An EW may be granted upon receipt of verifiable documentation supporting the request. An EW is acceptable when a student withdraws from a course(s) due to reasons beyond their control, which include but are not limited to, the following:

- Job transfer outside the geographical region;
- Illness in the family where the student is the primary caregiver;
- An incarcerated student in a California State Prison or County Jail is released from custody or involuntarily transferred before the end of the term (In the case of an incarcerated student, an excused withdrawal cannot be applied if the failure to complete the course(s) was the result of a student's behavioral violation or if the student requested and was granted a mid-semester transfer);
- The student is the subject of an immigration action;
- Death of an immediate family member;
- Chronic or acute illness;
- Verifiable accidents; or
- Natural disasters directly affecting the student.

Students may request an EW at any time during the semester and no later than 280 calendar days after posted grade was assigned. The EW shall not be counted in (1) progress probation and dismissal calculations, and (2) will not count against the permitted number of withdrawals or enrollment attempts in a given course. As a result, students with an Excused Withdrawal (EW) may repeat the course(s) from which they have withdrawn.

The financial aid of a student may be affected depending on individual circumstance. A student should consult with the financial aid staff regarding any impact. Student fees will not be refunded.

Administrative Withdrawal/Cancelled Classes

Students will be notified by phone, myCuesta email and/or mail if administratively dropped or if a class has been cancelled by action of the college. It is the student's responsibility to submit a refund request form to the Cashier's Office.

Petitions

Forms and petitions are available online or at any registration center. All registration forms require the student's signature, identification, and may require additional approval from a college official before the student is allowed to enroll.

Pass/No Pass (P/NP) Grading Option

For courses identified as a grading option of GP in the online Class Finder or Cuesta College Catalog, the student may change the grading option from a letter grade to Pass/No Pass grading (P/NP) within the first 20 percent of the course. Refer to the course listing for the Pass/No Pass grading policy. Students are encouraged to consult Counseling staff if they have questions regarding graded courses for

degree and transfer requirements.

Credit Overload

A Credit Overload petition is to receive permission to enroll in more than 19 credits in the fall or spring semester or in more than 9 credits in the summer. Approval from a Cuesta counselor is required. Dual Enrollment students are excluded.

Schedule Conflict

A student may not enroll in two or more sections of the same credit course during the same semester/session unless the length of the course provides that the student is not enrolled in more than one section at any given time.

A student may not enroll in two or more courses where the meeting times for the courses overlap, unless:

- The student petitions to enroll in two overlapping sections upon approval by both instructors.
- The student provides a sound justification, other than scheduling convenience, of the need for an overlapping schedule.
- An appropriate district official, Academic Affairs Dean and Office of Enrollment Services approves the schedule.
- The student makes up the overlapping hours at some other time during the same week under the supervision of the instructor of the course. Appropriate supervision by the instructor of the course is documented describing how the student will make up missed hours at some other time during the same week.
- Students needing additional instruction in the subject matter while enrolled in a course may be referred for individualized tutoring pursuant to section 58170 or supplemental learning assistance pursuant to sections 58172 and 58164.

When priority registration begins for a semester/session, students will have the opportunity to enroll, via the myCuesta web portal, in an available waitlist seat for a closed class. Students must meet all registration requirements for the course, including prerequisites and corequisites, prior to registering for a waitlist seat. If a student drops and a seat opens, the first waitlisted student will be notified via their myCuesta Student email account and will have 24 hours to register for the class. If you do not register before the notification period expires, you will be removed from the waitlist. Students should monitor their myCuesta student email twice daily, morning and evening. It is the student's responsibility to register once notified and pay applicable fees owed.

Waitlist Restrictions

Students will be blocked from enrolling in a waitlist seat under the

following conditions:

- The student is enrolled in another section of the same course or enrolled in another waitlist seat for the same course.
- The class conflicts in time with other classes already on the student's schedule, which includes other waitlisted classes.
- The student has a hold.
- The student has not met prerequisite or co-requisite requirements. Courses with "Department Approval" such as PSYT, LVN, EMS that have special admission requirements.
- Cross-listed (CL) courses, such as mediated Math courses.
- The student has exceeded the repeat limits for the course. This includes work-in-progress which occurs if the student is already enrolled in the course in the prior term (spring for summer registration; summer for fall registration) and has not received a final grade.
- The class is not approved on a Permit to Enroll form for an Enrichment student.
- All waitlist seats are filled.

Auditing

- The Enrollment Services (Admissions and Records) Office will not under any circumstances certify completion of any course attended by audit, nor will the District provide any transcripts, letters, records or any other documentation of attendance in a course undertaken on an audit basis. Students who audits does not earn units, credits or grades.

- Admission application is not required. Enrichment students may not audit courses.
- Auditing may be requested after the late application period is over by obtaining an Audit Enrollment Form from the Cashier's Office, acquiring the instructor's, Dean of Academic Affairs and Vice President of Academic Affairs approval to audit the course, and paying the audit enrollment fee at the Cashier's Office.
- Priority in class enrollment shall be given to students enrolled in the course for academic credit.
- Auditors who are not currently enrolled must register by the normal procedure and pay a non-refundable fee of \$15.00 per credit semester/session.
- Auditors enrolled in less than 10 credits must pay a non-refundable fee of \$15.00 per credits.
- Auditors who are currently enrolled in 10 or more semester credits may audit up to three semester credits at no cost. An audit fee of \$15.00 will be charged for each additional semester/session credit audited above three.
- Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive academic credit. A student is not permitted to change his/her enrollment from academic credit to audit.
- There is currently no limit set on the number of courses a student may audit.

REMEDIAL COURSE WORK LIMITATION

A student who has completed 30 credits of remedial course work, but who has not attained full eligibility for college-level work, shall be referred for further remedial work to appropriate adult noncredit education services provided by a college, adult school, community-based organization, or other appropriate local provider.

Remedial course work refers to non-degree applicable basic skills courses, the purpose of which is to prepare students for successful completion of associate degrees, transfer, or certificate courses. These courses are specifically designed to meet the needs of underprepared students so that the quality and rigor of the associate degree curriculum is protected.

A waiver of the limitation on remedial course work may be provided to any student who shows significant measurable progress toward the development of skills appropriate to the student's enrollment in college-level courses. Measurable progress is defined by transcripts, pre- and post-test measures, demonstrated progress toward an educational goal sustaining progress of education or social goals and objectives as documented in a Student Educational Plan (SEP). If a waiver is granted, its duration should not exceed one academic year and would normally be of one semester's duration.

Students enrolled in one or more courses of English as a Second Language (ESL) or students identified by the district as having a learning disability are exempt from the 30-semester-credit limitation (Title 5 California Code of Regulations, Section 55035).

ACADEMIC HONORS & SERVICE RECOGNITION

Academic Honor List

Students who enroll and complete 12 or more credits and earn a 3.25 grade point average with no grade lower than a "C" will be placed on the Academic Honor List. The student's academic record at Cuesta College will be annotated to reflect this achievement. The achievement is posted under the qualifying semester on the student's academic transcript.

Students in the Registered Nursing Program may make the Academic Honor List using the criteria listed above; however, due to the number of contact hours in this program, an R.N. student will be considered when enrolled in 11 or more credits.

Graduating With Honors

Students who meet the requirements for graduation with a cumulative grade point average of 3.5 to 3.74 qualify for honors recognition.

The graduation grade point average is based on all degree applicable coursework completed at all postsecondary institutions through the term degree requirements are completed. This acknowledgment is posted on the student's diploma and on the academic transcript.

The GPA calculation for honors designation *for commencement purposes only* is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a green cord.

Graduating With High Honors

Students who meet the requirements for graduation with a cumulative grade point average of 3.75 to 4.0 qualify for high honors recognition. The graduation grade point average is based on all degree applicable coursework completed at all postsecondary institutions through the term degree requirements are completed. This acknowledgment is

posted on the student's diploma and on the academic transcript.

The GPA calculation for honors designation *for commencement purpose only* is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a white cord.

Alpha Gamma Sigma (AGS) Honor Society

Alpha Gamma Sigma (AGS) is a state-wide community college student honor society with the purpose of fostering, promoting, maintaining, and recognizing scholarship. In addition, AGS members develop character and civic responsibility through service to AGS, the college, and the community. The Gamma chapter at Cuesta College provides its membership scholarship opportunities, social activities, and leadership-building skills. Membership is based on grade point average. More information may be obtained from the Student Life and Leadership Office. Recognition of AGS membership is posted on Cuesta transcripts. Students with AGS membership are recognized at commencement with a gold cord.

ASCC Student Leaders Recognition

The ASCC Student Leaders are recognized for the service they perform in fulfilling their duties, including regional and state student senate participation. The requirement for student leadership official recognition is that students must hold office a "full semester" (excluding summer session), which is monitored by the Faculty Advisor of ASCC. More information may be obtained from the Student Life and Leadership Office. Recognition of ASCC Student Leaders is posted on the academic transcripts.

Title IX, Education Amendments of 1972; Title 5 Sections 59320 et seq.;

Title VII of the Civil Rights Act of 1964, 42 U.S. Code Annotated Section 2000e

The District is committed to providing an academic and work environment free of unlawful harassment. This procedure defines sexual harassment and other forms of harassment on campus, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student within the District.

This procedure and the related policy protects students and employees in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities, a District bus, or at a class or training program sponsored by the District at another location.

Definitions

General Harassment: Harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation of any person, military and veteran status, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment shall be found where, in aggregate, the incidents are sufficiently pervasive, persistent, or severe that a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with his or her ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending

on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

Verbal: Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person's race gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation; or sexist, patronizing or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation or other protected status.

Physical: Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

Visual or Written: The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions.

Environmental: A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his/her immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

Sexual Harassment: In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

- submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress;
- submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- the conduct has the purpose or effect of having a negative impact

upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment (as more fully described below); or

- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

This definition encompasses two kinds of sexual harassment:

"Quid pro quo" sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.

"Hostile environment" sexual harassment occurs when unwelcome conduct based on a person's gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single or isolated incident of sexual harassment may be sufficient to create a hostile environment if it is severe, i.e. a sexual assault.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

Consensual Relationships

Romantic or sexual relationships between supervisors and employees or between administrators, faculty, or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty or staff member must evaluate the student's or employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

Academic Freedom

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws.

BP 3570 SMOKING AND TOBACCO USE ON CAMPUS

Reference: Gov Code Section 7597.1

The San Luis Obispo County Community College District (District) is committed to providing a safe and healthy learning and working environment. To support this commitment, the District prohibits smoking and the use of any form of tobacco product on all District property and locations where the District provides services.

To enforce smoking and tobacco control procedures, the District authorizes the Superintendent/President to:

- Set enforcement standards for all District sites and campuses.
- Direct the posting of signs stating its tobacco use policy on campus.
- Inform employees and students of the tobacco use policy and enforcement measures.

AP 3570 SMOKING AND TOBACCO USE

I. Introduction

The San Luis Obispo Community College District (District) recognizes the overwhelming scientific evidence assembled by the U.S. Surgeon General, Centers for Disease Control, Environmental Protection Agency, and World Health Organization, which demonstrates that tobacco is a profound agent of deadly diseases, responsible for millions of deaths worldwide each year, both to tobacco users and non-users. Tobacco use is inconsistent with a culture of wellness. While acknowledging the hazards of smoking, the District has, more importantly, dedicated itself to providing safe, healthy, comfortable, and productive learning environments throughout its campuses for visitors, employees and students. Accordingly, pursuant to Board Policy 3570, Smoking and Tobacco Use, the District issues this Smoking- and Tobacco-Free Policy, effective January 1, 2019.

The success of this policy will depend on the thoughtfulness, consideration, and cooperation of tobacco users and non-tobacco users. It is the responsibility of all members of the District community to comply with this policy as well as all other District policies. Members of our various campus communities are empowered and expected to professionally and respectfully inform others about the policy in an ongoing effort to enhance awareness and encourage compliance. Furthermore, employees and student leaders are expected to serve as role models for the entire campus community. Violations of this policy will be handled in a manner that is consistent with all District policies and procedures. Smoking waste management products, such as ashtrays, shall be removed from all campus premises within a reasonable time frame.

II. Definitions

A. Smoking—inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe or other lighted or heated tobacco or plant product intended for inhalation, whether natural or synthetic, in any manner or in any form. "Smoking" includes the use of electronic cigarettes and other electronic smoking devices which create an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking in this policy.

B. Tobacco product—means any of the following:

1. A product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to: cigarettes, cigars, hookah-smoked products, clove cigarettes, bidis, kreteks, electronic cigarettes, smokeless tobacco, and snus.

2. An electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah.
3. Any component, part, or accessory of a tobacco product, whether or not sold separately.

Note: This definition does not include any product that has been approved by the U.S. Food and Drug Administration for sale as a tobacco use cessation product or for other therapeutic purposes where the product is marketed and sold solely for such an approved purpose.

C. Tobacco Company – is defined as a company that produces and/or markets branded tobacco products, including any subsidiaries, but not including parent companies which engage in business.

III. Smoking and Tobacco-Free Policy

A. Smoking and use of tobacco is prohibited by all persons:

1. In and/or around all campus buildings, facilities or property owned or leased by the District;
2. In vehicles that are the property of, or leased by the District; and
3. On all District property and grounds, including parking lots.

B. The sale or free distribution of tobacco products, including merchandise on campus or at District events is prohibited.

C. District campus organizations, and student organizations are prohibited from accepting money or gifts from tobacco companies including:

1. Parties sponsored by tobacco companies and allowing them to distribute free, reduced-price, or fully priced tobacco products (T-shirts, hats, etc.) on campus; and
2. All tobacco advertising, such as billboards and signs on property owned and operated by the District.

D. Tobacco advertisements are prohibited in college-run publications and on grounds or facilities, including athletic facilities, owned or operated by the District.

E. The District will provide information on free and accessible tobacco treatment resources on campus.

1. These tobacco treatment resource programs shall be publicized regularly in student and staff publications, posted in academic buildings and athletic facilities, via Human Resources and the Student Health Center (or alternative appropriate means deemed necessary).
2. District Human Resources and respective campus Student Health Center Departments will house all present and future cessation tobacco use information. Either of the foregoing can be contacted for more information regarding on and off campus cessation programs and services.

F. Any person observed littering (such as throwing a cigarette on the ground) will be issued a citation, consistent with California Penal Code § 374.4

IV. Enforcement

The Cuesta College Police Department shall enforce the smoking and tobacco use policy. College Police may warn or cite any person who is in violation of this policy. Visitor violators are subject to stay-away orders.

College Police, depending on the circumstances of the violation, may report students who violate this policy to the appropriate administrator for disciplinary proceedings under Education Code § 76033(e).

Additional sanctions may also be implemented through other administrative means, such as the Student Code of Conduct or District Board Policies and Administrative Procedures.

Any person who desires to register a complaint hereunder may initiate enforcement consideration with the Cuesta College Police Department.

SOLOMON AMENDMENT

The 1996 Solomon Amendment is the common name of 10 U.S.C. § 983, a United States federal law that allows the Secretary of Defense to deny federal grants (including research grants) to institutions of higher education if they prohibit or prevent ROTC or military recruitment on campus or release of enrolled student recruiting information.

Student Recruiting Information

The Solomon Amendment allows the Department of Defense Military Services entities, to obtain certain information about currently enrolled full-time students, ages 17 and over, once per term. A full-time student is enrolled in 12 or more credits in a term.

The information is limited to:

- Student Name
- Addresses
- Phone numbers
- Age
- Level of Education
- Degree program currently enrolled
- Degrees received for recent graduates
- Educational institution last enrolled
- Exemptions to Request

The Solomon Amendment requires educational institutions to disclose student recruiting information in its possession. In addition, the Solomon Amendment does recognize student rights under FERPA to withhold disclosure of Directory Information. Students can request that Cuesta withhold Directory Information by submitting a Change of Information form to a Registration Center, with photo ID.

Procedure for Releasing Information to Military Recruiter

1) Request letter must be on the Military Services standard letterhead and cite the relevant legal authority under the Solomon Amendment. In addition, the scope of the request must specifically ask for the aforementioned Student Recruiting Information.

2) Military recruiters may request student recruitment information of full-time students once each term for the following Military Services, including their Reserve or National Guard components:

- Army
- Navy
- Marine Corps
- Air Force
- Coast Guard

3) Validation of the request will be made to ensure the request is submitted from one who is legally authorized and to clarify the scope

of the request if needed. Upon validation, a request will be processed beginning the third week of a term, after the deadline to enroll in full-term courses when students establish full-time enrollment in 12 or more credits.

4) Submit requests either

SPEECH, TIME, PLACE, AND MANNER

Board Policy 3900 (References: Education Code Sections 66301 and 76120).

The District is committed to providing a healthy, safe, and productive environment in which academic success and the pursuit of knowledge are priorities. The District recognizes that freedom of expression and public assembly are fundamental rights of all persons as stated in the Constitutions of the United States and the State of California and are essential components of this educational process.

Students, employees, and members of the public shall be free to exercise their rights of free expression, subject to the requirements of this policy, Administrative Procedures, Education Code Sections 66301 and 76120, and governing law.

The District shall not restrict free expression in “areas generally available to students and the community, defined as grassy areas, walkways or other similar common areas”. This definition governs the phrase “areas generally available to students and the community” as it is used in Board Policy/Administrative Procedure 3900.

The District reserves the right to designate areas as non- public forums as necessary to prevent the substantial disruption of the orderly operation of the college. Areas of the district that are non-public forums specifically include campus offices, classrooms, labs, gym, theatres, auditoriums, warehouses, maintenance yards, and any other area not specified above. Areas not generally available to the public may be designated as a temporary public forum at the discretion of the President/Superintendent.

Speech that is obscene, libelous or slanderous according to current legal standards, or which so incites others as to create a clear and present danger of the commission of unlawful acts on District property or the violation of District policies or procedures, or the substantial disruption of the orderly operation of the District shall be prohibited.

Nothing in this policy shall prohibit the regulation of hate violence directed at members of the District community in a manner that denies their full participation in the educational process (Education Code Section 66301(e)), so long as the regulation conforms to the requirements of the First Amendment to the United States Constitution, and of Section 2 of Article 1 of the California Constitution.

STUDENT CODE OF CONDUCT

Board Policy 5500

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in an acceptable manner compatible with the Student Code of Conduct and Academic Standards, and the Computer and Network Use Policy. Specific rules and regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, sections 66300, 66301, 76030-76038), are provided in this section. Each student has the responsibility to be aware of college regulations.

Scope of Application

The rules apply to all actions of students of the District on District property and at all activities sponsored by the District or registered student organizations, whether occurring on or off the campuses or other instructional sites. Pursuant to Education Code Section 76034, no student shall be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance. Student conduct occurring off campus and not part of a District activity will subject the student to the District’s jurisdiction, standards of student conduct and student discipline process if the student’s off-campus conduct is sufficiently related to college attendance, i.e., disruption of the work and discipline of the college has actually occurred from the student’s off-campus conduct, or facts exist that reasonably lead to a conclusion by District officials that disruption on campus will soon follow the student’s off-campus conduct. In addition, a student’s conduct off campus may in certain circumstances be outside the jurisdiction of the District for purposes of the District’s discipline process, yet results in adverse action within the student’s pre-professional academic program if such program has requirements imposed by law as condition to admission to the profession for which the academic program is preparing the student, e.g. nursing.

The following conduct shall constitute good cause for discipline, including, but not limited to, the removal, suspension or expulsion of a student:

Violation of District policies, procedures, or regulations.

7. Unlawful possession, use, sale, offer to sell or purchase, or furnish-

- ing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

 19. Lewd, indecent, or obscene conduct on District-owned or controlled property or at District-sponsored or supervised functions.

 21. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
 22.  2. The mouth of a person by the sex organ of another person.
 25. Sexual exploitation, defined as a person taking sexual advantage of another person for the benefit of anyone other than that person without that person's consent, regardless of the victim's affiliation with the community college, including, but not limited to, any of the following:

The instructor shall immediately report the removal to the Vice President of Student Services and College Centers for appropriate action.

During the period of removal, a student shall not be returned to the class from which he or she was removed without the concurrence of the instructor of the class.

STUDENTS IN THE ASSOCIATE DEGREE NURSING PROGRAM CODE OF CONDUCT

The Board of Trustees determines that the following policies govern the participation of alcohol- or drug-impaired students in the Associate Degree Nursing Program.

1. The nursing program, in addition to offering an academic program, includes clinical course work. The safety of patients under the care of student nurses must be assured. The instructor and the Director of Nursing Programs may take immediate corrective action to remove a student impaired by alcoholism or drug abuse from the clinical program if the student demonstrates by his/her conduct and performance in the clinical setting that he/she is a danger to the health and safety of patients under his/her care.
2. 3. Information on the student's condition is confidential and will not be disclosed except when necessary to protect the safety of patients under the care of student nurses.
4. An individual contract of retention will be developed by the student, rehabilitation therapist, and the Director of Nursing and shall specify:

 - d. That the impaired student will give all medications under direct supervision and that the student will not have access to keys to medications.
 - e. That if the student fails to adhere to the conditions of the contract for retention, the same procedure will be followed as with any other student on probation; the circumstances of the violation will be reviewed by the nursing faculty as a whole; and recommendations for the retention or dismissal will be made to the Director of Nursing Programs, who will then make the decision after advising the Vice President of Student Services and College Centers.

5. Information on the student's dismissal from the nursing program will be reported to the Board of Registered Nursing when such information is requested by the Board of Registered Nursing.

Expulsion – Permanent exclusion of the student from the District for good cause when other means of correction fail to bring about proper conduct, or when the presence of the student causes a continuing danger to the physical safety of the student or others. An order of expulsion may also provide a date for when the student may apply for reenrollment. The Board of Trustees may also impose a suspended expulsion, on such terms as the Board of Trustees may determine appropriate.

Removal from class – Exclusion of the student by an instructor from his or her class for the day of the removal and the next class meeting.

Written or Verbal Reprimand – An admonition to the student to cease and desist from conduct determined to violate the Standards of Student Conduct. Written reprimands shall become part of a student's record at the District for disciplinary reporting purposes and may be removed one year from the date of the incident, if there are no further reported incidents during that one year time period. A verbal reprimand will not become a part of a student's record; however it may be retained by the Assistant Superintendent/Vice President Student Services and College Centers or designee's office for purposes of disciplinary tracking.

Withdrawal of Consent to Remain on Campus – Withdrawal of consent by the Director of Police and College Safety Services, also serving as the Chief of Police for the District, or designee, for any

person to remain on campus in accordance with California Penal Code Section 626.4 where the Director of Police and College Safety Services or designee, has reasonable cause to believe that such person has will- fully disrupted the orderly operation of the campus.

Day – Days during which the District is in session and regular classes are held, excluding Saturdays and Sundays.

Process: Short-term Suspensions, Long-term Suspensions, and Expulsions: Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply:

- **Notice** – The Assistant Superintendent/Vice President Student Services and College Centers or designee will provide the student with written notice of the conduct warranting the discipline. The written notice will include the following:
 - the specific section of the Standards of Student Con- duct that the student is accused of violating
 - a statement of the facts supporting the accusation
 - the right of the student to meet with the Assistant Superintendent/ Vice President Student Services and College Centers or designee to discuss the accusation, to provide additional information not previously considered, and to state why the proposed disciplinary action should not be imposed. The student may respond in writing
 - the disciplinary action that is being considered.
- **Time Limits** – The notice must be provided to the student within 20 days of the date on which the conduct took place; in the case of continuous, repeated or ongoing conduct, or where an investigation of allegations is to be conducted, the notice must be provided within 15 days of the date on which either the conduct occurred which led to the decision to take disciplinary action, or within 10 days of completion of an administrative determination based on an investigation.
- **Meeting** – If the student chooses to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the meeting may occur no sooner than one day after the notice is provided, but no later than 15 days after the notice is provided. At the meeting, the student must again be given, orally or in writing, the facts on which the in the notice are based. The student must be given an opportunity to respond verbally or in writing to the accusation, and to state why the proposed disciplinary action should not be imposed. The Assistant Superintendent/Vice President Student Services and College Centers or designee will discuss the disciplinary action being considered. If the proposed disciplinary action is long-term suspension or expulsion, the Vice President of Student Services and College Centers or designee may deem it appropriate or necessary to impose a short-term suspension prior to the disciplinary hearing. The Vice President Student Services and College Centers or designee may impose reasonable conditions for student's continued enrollment and/or re-enrollment. Conditions may include required participation in District student support services such as academic counseling or mental health counseling, or private off-campus services such as drug treatment programs.

If the student declines to meet with the Assistant Superintendent/ Vice President Student Services and College Centers or designee, the proposed disciplinary action will be imposed. The Assistant Superintendent/Vice President Stu- dent Services and College Centers or designee's disciplinary action decision will be final. Written notice of the decision shall be provided to the student. The notice shall include the reported facts of the allegations that support the disciplinary action, and the fact that the allegations were

uncontradicted by the student by declining a meeting, or failing to respond to the Assistant Superintendent/Vice President Student Services and College Centers or designee, within the 15 days after initial notice was provided.

Short-term Suspension – Within 10 days after the meeting described above, the Superintendent/President, or designee, shall, pursuant to a recommendation from the Assistant Superintendent/ Vice President Student Services and College Centers, or designee, decide whether to impose a short- term suspension, whether to impose some lesser disciplinary action, whether to impose conditions for continued enrollment, or whether to dismiss the matter. Written notice of the Superintendent/President, or designee's, decision shall be provided to the student. Where the Superintendent/ President, or designee, determines that immediate notification if his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/ or sent as a confidential email attachment. In all cases, the District will send notice to the student by certified mail to last address the student has on file with the District. The notice shall include the reported facts of the allegations that support the disciplinary action, the length of time of the suspension, or the nature of the lesser disciplinary action. The Superintendent/President, or designee's, decision on a short-term suspension shall be final.

Long-term Suspension – Within 10 days after the meeting described above, the Superintendent/President or designee, shall, pursuant to a recommendation from the Assistant Superintendent/ Vice President Student Services and College Centers or designee, decide whether to impose a long-term suspension. Written notice of the Superintendent/President or designee's decision shall be provided to the student. The notice shall include the reported facts of the allegations that support the disciplinary action, the length of time of the suspension. Where the Superintendent/President or designee determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/or sent as a confidential email attachment. In all cases, the District will send notice to the student by certified mail to last address the student has on file with the District. The notice shall include the right of the student to request a formal hearing before a long-term suspension is imposed, and a copy of the policy describing the procedures for a hearing.

If the student fails to respond within 5 days after receipt of the Superintendent/President or designee's decision or declines a formal hearing, the Superintendent/President or designee's decision on a long-term suspension shall be final.

Expulsion – Within 10 days after the meeting described above, the Superintendent/President or designee, shall, pursuant to a recommendation from the Assistant Superintendent/Vice President Student Services and College Centers or designee, decide whether to recommend expulsion to the Board of Trustees. Written notice of the Superintendent/ President or designee's decision shall be provided to the student. The notice shall include the reported facts of the allegations that support the disciplinary action and the length of time of the expulsion. Where the Superintendent/President or designee determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the campus police and/or sent as a confidential email attachment. In all cases, the District will send notice to the student by certified mail to last address the student has on file with the District. The notice shall include the right of the student to request a formal hearing before expulsion is imposed, and a copy of the policy describing the procedures for a hearing.

If the student fails to respond within 5 days after receipt of the Superintendent/President or designee's decision or declines a formal

hearing, the Superintendent/President or designee's decision on expulsion shall be final.

Hearing Procedures – Request for Hearing: Within 5 days after receipt of the Superintendent/President or designee's decision regarding a long-term suspension, or expulsion, the student may request a formal hearing. The request must be made to the Superintendent/President or designee and must be submitted in writing.

This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by the District or other agencies.

Schedule of Hearing – The formal hearing shall be held within 20 days after a formal request for hearing is received.

The District reserves the right for the Board of Trustees to hear the matters itself or to use the services of a Hearing Officer in lieu of a Hearing Panel.

Hearing Panel – The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member and one student.

The Superintendent/President or designee, the president of the Academic Senate, and the president of the Associated Student Organization shall each, at the beginning of the academic year, establish a list of at least five persons from each group who will serve on student disciplinary hearing panels. The Superintendent/President or designee shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

Hearing Panel Chair – The Superintendent/President or designee shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

Conduct of the Hearing:

The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins, as well as any other supporting documentation previously provided to the student.

The facts supporting the accusation shall be presented by a college representative who shall be the Assistant

Superintendent/Vice President Student Services and College Centers or designee.

The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unable to be physically present, thus unavailable to testify. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. Hearsay evidence may be considered by the panel, and given the weight to which it is entitled. The college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.

The student may represent himself/herself, and may also have the right to be represented by a person of his/her choice. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. If the student is represented by an attorney; the college representative may be assisted by an attorney. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential.

In a closed hearing, witnesses, with the exception of the accused student and the college representative, shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. The hearing shall be recorded by the District. The official recording shall be the only recording made. No witness who refuses to be recorded may be permitted to give oral or written testimony. A witness who refuses to be recorded is not considered to be unavailable, and may not be permitted to give written testimony. In the event the recording is by audio recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. If the District requests that the audio recording is to be transcribed, the student shall be provided with a copy of the transcription.

Within 15 days following the close of the hearing, the hearing panel shall prepare and send to the Superintendent/President, or designee, a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

Superintendent/President's Decision:

Long-term Suspension – Within 10 days following receipt of the hearing panel's recommended decision, the Superintendent/President or designee shall render a final written decision. The Superintendent/President or designee may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the Superintendent/President or designee modifies or rejects the hearing panel's decision, the Superintendent/President shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Superintendent/President or designee shall be final.

Expulsion – Within 10 days following receipt of the hearing panel's recommended decision, the Superintendent/President or designee shall render written recommended decision to the Board of Trustees. The Superintendent/President or designee may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the Superintendent/President or designee modifies or rejects the hearing panel's decision; he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The Superintendent/President or designee's decision shall be forwarded to the Board of

Trustees.

Board of Trustees Decision: The Board of Trustees shall consider any recommendation from the Superintendent/ President or designee for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures (Education Code Section 72122).

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting. The student may, within forty-eight hours after receipt of the notice, request a copy of the disciplinary hearing recording. If the recording was an audio recording, the District will request that the recording be professionally transcribed and the student shall be provided with a copy of the transcription.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the Superintendent/President or designee or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

Authority for Immediate Removal:

Immediate Interim Suspension (Education Code Section 66017):

The Superintendent/President or designee may order immediate suspension of a student where he/she concludes that immediate suspension is required to protect lives or property or to ensure the maintenance of order. The Assistant Superintendent/Vice President Student Services and College Centers or designee will provide the student with written notice of the conduct warranting the immediate interim suspension. The written notice will include the following:

- the day and time of the reported incident
- the specific section of the Standards of Student Conduct that the student is accused of violating
- a statement of the facts supporting the accusation
- the definition of immediate interim suspension
- the disciplinary action that is being considered beyond the immediate interim suspension
- the right of the student to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee to discuss the accusation and to provide additional information not previously considered, or to respond in writing.

Where the Superintendent/President or designee determines that immediate notification of his or her decision is appropriate, the notice may be hand delivered by the Cuesta College Campus Police and/

or sent as an email attachment. In all cases, the District will send notice to the student by certified mail to his or her last address on file with the District. If the student chooses to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the meeting must occur no sooner than one day after the notice is provided, but no later than 15 days after the notice is provided. At the meeting, the student must again be given, orally or in writing, the facts on which the accusations in the notice are based. The student must be given an opportunity to respond verbally or in writing to the accusations.

If the recommended action is long-term suspension, the student is afforded all rights, as delineated under the long-term suspension section of these procedures. The interim suspension status remains in effect until the outcome of the recommended action is determined.

If the student declines to meet with the Assistant Superintendent/Vice President Student Services and College Centers or designee, the Superintendent/President or designee, shall, pursuant to a recommendation from the Assistant Superintendent/Vice President Student Services and College Centers or designee, impose a long-term suspension. The decision of the Superintendent/President or designee shall be final.

Written notice of the Superintendent/President's decision shall be provided to the student. The District will send notice to the student by certified mail to last address the student has on file with the District.

Removal from Class (Education Code Section 76032): Any instructor may order a student removed from his/her class for the day of the removal and the next class meeting. The instructor shall promptly report the removal to the Superintendent/President and the Assistant Superintendent/Vice President Student Services and College Centers or designee. The Assistant Superintendent/Vice President Student Services and College Centers or designee shall meet with the student and at the request of the student, will arrange for a conference between the student and the instructor regarding the removal. If the instructor or the student requests, the Assistant Superintendent/Vice President Student Services and College Centers or designee, shall attend the conference. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the Assistant Superintendent/Vice President Student Services and College Centers or designee from recommending disciplinary action in accordance with these procedures based on the facts which led to the removal.

Withdrawal of Consent to Remain on Campus: The Director of Police and College Safety Services, also serving as the Chief of Police for the District may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he/she must promptly leave or be escorted off campus. If consent is withdrawn by the Director of Police and College Safety Services a written report must be promptly made to the Superintendent/President.

If the person from whom consent has been withdrawn is a student, they may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to immediate interim suspensions.

If the person from whom consent has been withdrawn is not a student, then he/she may submit a written request for a meeting with the Superintendent/President within the period of the withdrawal. The request shall be granted not later than seven days from the date of

receipt of the request.

In no case shall consent be withdrawn for longer than 14 days from the date upon which consent was initially withdrawn.

Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest (Penal Code Section 626.4).

Time Limits: Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties, and confirmed in writing.

In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten (10) days.

Students have the right to pursue their complaint after completing the above complaint process with the California Community Colleges Chancellor's Office (CCCCO). CCCCCO provides students and others with a method and process outside of the institution that takes, investigates, and responds to complaints regarding the institution. The link to the CCCCCO process and form is <https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/General-Counsel/Programs/College-District-Discrimination-Appeals>. CCCCCO has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, Sections 600.9 (b) (3) and 668.43(b).

STUDENT COMPLAINT PROCESS

Students wishing to file a complaint should follow the Student Complaint Process and initiate direct contact with the appropriate individual indicated on the Student Complaint Referral Grid. Please refer to myCuesta website for current referral grid: (<https://www.cuesta.edu/about/leadership/vpss/StudentComplaintProcess.html>).

Academic complaints; the student should begin by first talking to the instructor about the academic matters including grades and curriculum to attempt resolution. If this is unsuccessful, the student may then proceed with the steps cited in the Student Complaint Referral Grid. The appropriate path is faculty member, Division/Department Chair, area Dean and finally, the Vice President Academic Affairs.

Non-academic complaints; the student should begin by first talking to the Vice President Student Services or designee about the appropriate steps to take, or the protocol to follow regarding a complaint.

While it is recognized that the grid represents the ideal sequence of opportunities for resolving student complaints, it is understood that when actual situations arise, the parties involved will use their best judgment regarding complaint resolution depending upon the availability of personnel and the immediacy of the problem. The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee, serve as a clearing-house for students dissatisfied with an experience on campus, who may not be knowledgeable about the appropriate steps to take, or the protocol to follow regarding a complaint.

The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center, or designee, may assist the student in following the Student Complaint Process or initiate a referral to the appropriate individual. The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center, or designee, will contact the individual to

whom the student is being referred to facilitate resolution.

The student complaint grid indicates the appropriate personnel sequence for who students should contact for informally resolving student complaints. If a student, after completing the Student Complaint Referral Grid steps, is not satisfied with the solution posed through the Student Complaint process, the student has the option of making an appointment with the Resolution Coordinator or designee in the Vice President of Student Services and College Centers office on the San Luis Obispo Campus or the Dean of the North County Campus and South County Center on the North County Campus, to evaluate the next steps which may be the filing of a formal grievance.

A complaint is grievable if it is non-disciplinary and involves the process, application, or interaction of school policy—in other words, how something was done or processed. In general, a complaint is not grievable if it involves the content of existing policy. For specific information regarding the Student Grievance Procedure, refer to Cuesta College Board Policy 5530.

Students have the right to pursue their complaint after completing the above complaint process with the California Community Colleges Chancellor's Office (CCCCO). CCCCCO provides students and others with a method and process outside of the institution that takes, investigates, and responds to complaints regarding the institution. BP 5530 STUDENT GRIEVANCE PROCEDURE

A grievance shall mean a complaint, other than one dealing with civil rights discrimination,* which has been filed by a student or by a student's designee on his/her behalf. The primary purpose of the following procedure is to secure at the earliest level possible an equitable solution to a complaint.

LEVEL 1. The student should contact in person the Vice President of Student Support (or designee appointed by the Vice President of Student Support) and present his/her complaint. If the grievance is not resolved, the student can submit to the Vice President of Student Support (or designee) a written appeal for further consideration. (Time limit: ten calendar days from the date of appointment with the Vice President of Student Support, or designee.)

LEVEL 2. A Student Appeals Committee, made up of three faculty and three student members jointly appointed by the Vice President of Student Support (or designee), and the ASCC President, then will be convened within ten calendar days after receiving the appeal and will submit its finding to the student in writing within an additional ten days. If the complaint is not resolved, a written appeal can be filed by the student to the Superintendent/President within ten calendar days. When a grievance involves the Vice President of Student Support (or

designee) (Level 1) and/or the Associated Students Cuesta College (A.S.C.C.) President and the Vice President of Student Support (or designee) (Level 2), those responsibilities listed above for these two positions at Levels 1 and 2 shall be assumed by the Superintendent/President (or designee appointed by the Superintendent/President) of the District.

LEVEL 3. The student will appeal in writing with all supportive evidence to the Superintendent/ President (or designee) who will evaluate the evidence and submit his/her finding in writing to the student within ten calendar days after receiving the appeal.

LEVEL 4. A final written appeal may be made to the Board of Trustees within thirty calendar days of the written response of the Superintendent/President (or designee). The decision of the Board will be given within thirty calendar days of the initial meeting at which the complaint is discussed.

*When a student has a complaint which involves (1) sexual harassment, (2) civil rights discrimination on the basis of ethnicity, race, national origin, religious beliefs, age, gender, color, physical or mental disabilities, veteran status, sexual orientation or sexual identity, or marital status, or (3) retaliation for filing a sexual harassment or other unlawful discrimination complaint, referring a matter for investigation, participating in an investigation of a complaint, serving as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of the District's unlawful discrimination policy (Policy 1565), then the matter is to be referred to the Executive Director of Human Resources and Labor Relations as such matters are to be handled pursuant to Policy 1565 (unlawful discrimination) and not as a student grievance.

STUDENT EQUITY AND ACHIEVEMENT PROGRAM

The Student Equity and Achievement Program brings the student and the District into agreement regarding the student's educational goal through the District's established programs, policies, and requirements. The agreement is implemented by means of the student educational plan.

Student Rights and Responsibilities

Each non-exempt student, in entering into a student educational plan, will do all of the following:

- identify an education and career goal;
- identify a course of study;
- participate in the placement process to determine appropriate course recommendations;
- complete orientation;
- participate in the development of a student educational plan;
- complete a student educational plan no later than the term after completing 15 semester credits of degree applicable credit coursework;
- diligently attend class and complete assigned coursework;
- complete courses and maintain progress toward an educational goal.

Exemptions

Students that have completed an associate degree or higher may be exempt from participation in orientation, placement, counseling, advising, or student education plan development. Students exempted from any of the matriculation components are notified in their myCuesta student portal; nonetheless, exempt students are encouraged to participate in these services.

TRANSCRIPTS TO CUESTA COLLEGE

Official transcripts from all other institutions must be submitted to the Cuesta College Records Office prior to enrollment. Lower division (freshman/sophomore level) coursework from regionally-accredited colleges and universities will be evaluated and may be transferred to Cuesta College to meet certificate requirements, degree requirements, and requirements for transfer certification. If non-native credits are from a college or university on the quarter system, these credits will be converted to semester credits (quarter credits/1.5=semester credits).

Non-native coursework will be evaluated based on regional accreditation standards using the grades received at that institution. Cuesta College considers a grade of C- as substandard and eligible for repetition.

Official (sealed) copies of transcripts from colleges, universities and high schools attended should be submitted to:

Cuesta College Records Office
PO Box 8106
San Luis Obispo, CA 93403-8106

Transcripts should be submitted ahead of registration, in time for academic advising and prerequisite clearance. Final official transcripts, showing all coursework and grades received, must be received before GE certifications and degree and certificate evaluations may be completed. Transcripts are evaluated based on the AACRAO guidelines for regionally-accredited post-secondary institutions.

Upon application for the associate degree or transfer certification, non-native coursework credits will be included and reviewed with the Cuesta College student record. Applications for the associate degree and transfer certification are available in the Enrollment Services (Admissions and Records) Office or website.

Transcripts submitted to Cuesta College become the property of Cuesta College and will not be released to students, other colleges, or agencies. Plan to request a personal copy from your former college or university if you need one for your records.

TRANSCRIPTS FROM CUESTA COLLEGE

A written or electronic request by the student is required to release transcripts.

Transcripts ordered electronically will be mailed within 2-4 working days from the date of request in most cases. An electronic notification will inform the student of the status of their transcript order and notify them of any holds. The fee for the electronic transcript request is \$6.50 per copy. Transcripts ordered in-person will be mailed within 2-3 weeks and cost \$3 per copy after the first two free copies.

Unofficial transcripts are available for viewing and printing through myCuesta on the Cuesta College website. Access to myCuesta requires the student username and password.

Transcripts will not be produced for students who have a hold on their records.

VOTER REGISTRATION

Voter registration forms are available year-round at various campus locations, including the Student Services Building and ASCC Student Government Offices. Students can also register online on the California Secretary of State's web site at <http://registertovote.ca.gov/student>.

With the passage of California Senate Bill No. 854-Chapter 481, state-funded higher education institutions - community colleges, California State University system and University of California campuses - are required to allow students to request voter registration materials online through a link in their course registration system. As a result of this

legislation, Cuesta students are able to link to the online voter registration application from the myCuesta student portal in the Steps to Success channel. The direct link to the California Secretary of State Web site allows students to complete the voter registration process online as long as they possess a California driver license or identification card number.
