Welcome to the San Luis Obispo County Community College District/Cuesta College. I am pleased to recognize the passion and commitment displayed by our students as they pursue their educational goals; and I am equally pleased to recognize the commitment to excellence and student success by our faculty, staff, and administrators.

Cuesta College is the starting point for those who are beginning their journey toward a degree/certificate; prepare for a transfer to a university, train for a new career path, or a waypoint for those desiring to improve career skills or looking to change direction. The opportunities are vast in a welcoming environment and location conducive to advanced learning and success.

The College has an internationally recognized and award winning Career Technical Education Program, and our transfer students consistently out-perform traditional junior-level students in the University of California and California State University Systems. The Registered Nursing (RN) program has been educating top quality, entry-level nursing students since 1969. The first-time pass rate on the national licensure exam (NCLEX-RN) has been above the 90th percentile for the past ten years, with a stellar 100 percent first-time pass rate for the 2014 and 2015 graduating classes; one of only fourteen of the 147 California colleges and universities offering nursing programs to do so.

Browse our website and discover the opportunities that await you in our online catalog, or visit one of our campuses and discover how Cuesta College can help you pursue your dreams and achieve your goals.

Cuesta College- “Thousands of Success Stories.”

COLLEGE HISTORY

The original junior or community college in San Luis Obispo County was initiated as a postgraduate division of San Luis Obispo High School in 1916 and remained in operation until the United States entered into World War I. In 1936, the San Luis Obispo High School District again formed a junior college, which remained in operation until June 1959.

During the 1964-65 college year, the San Luis Obispo County Junior College District offered a limited evening division program with 463 students registering for the fall semester and 696 enrolling for the spring semester. Temporary quarters were established at Camp San Luis Obispo, a California National Guard facility located halfway between San Luis Obispo and Morro Bay. Classes and offices were situated in refurbished barracks, recreation rooms, and mess halls.

Despite the District's modest beginnings, 917 day students and 991 evening students were enrolled in classes by the fall of 1965. Evening division classes also were conducted at three other locations in the county - Arroyo Grande, Atascadero, and Paso Robles. On October 4, 1965, the Board of Trustees of the San Luis Obispo County Junior College District named the new college “Cuesta College.” In 1971, the “junior” college district was renamed to “community college.”

In 1970, ground was broken for the college's first permanent buildings, located on a 150-acre campus west of Camp San Luis Obispo. During the following 40 years, classroom buildings, a library, observatory, student center, art and music lab building, art gallery, high tech learning center, children's center, performing arts center, and office spaces were constructed on the San Luis Obispo campus.

In fall 1998, the District opened the North County Campus on the 105-acre site in Paso Robles. The campus, built almost exclusively with private gift support, has grown from 1,200 students the first semester to 2,236 day and evening students in fall 2014. In the summer of 2005, the first permanent building opened to students: The Fox Family Building. This building houses Allied Health, Math, and Science. The college broke ground for a second permanent building in spring 2010: The North County Campus Learning Resource Center. The Learning Resource Center was completed in fall 2011 and began serving students in spring 2012. The building was named in honor of donors Dale and Mary Schwartz and dedicated on May 24, 2012.

The South County Center is an off-campus evening instructional site at Arroyo Grande High School, provided in cooperation with the Lucia Mar Unified School District. During the spring 2016 semester, over 522 evening students were served at this site.

Cuesta College now serves approximately 10,000 students at all college locations. The college has become a center for community use by individuals, families, and community groups on an extended-day and year-round basis.

In 2013, Cuesta College rolled out the “Cuesta College Promise,” a scholarship for all newly graduated San Luis Obispo County high school students, providing a fee-free fall semester Cuesta to newly graduated San Luis Obispo County high school students. The scholarship is the result of a nearly $8 million private donation that was endowed by the Cuesta College Foundation. In 2014, the scholarship was extended to include the spring semester. In its inaugural year, approximately 650 students enrolled at Cuesta College using the Promise Scholarship.

On November 4, 2014, the voters of San Luis Obispo County passed Measure L, a $275 million general obligation bond to improve Cuesta College. With 62 percent voter approval, Measure L addresses longstanding facility, infrastructure and technology needs.

College Mission
Cuesta College is an inclusive institution that inspires a diverse student population to achieve their educational goals.

We effectively support students in their efforts to improve foundational skills, transfer to four-year institutions, earn certificates or associate degrees, and advance in the workforce.

Through dynamic and challenging learning opportunities, Cuesta College improves lives by promoting cultural, intellectual, and professional growth. We prepare students to become engaged citizens in our increasingly complex communities and world.

Vision
Cuesta College is dedicated to accessible, high-quality education for the support and enhancement of student success, professional development, and the community we serve.

Values
Access - Success - Excellence

San Luis Obispo Community College District
Code of Ethics
The commitment of faculty, staff, and students to ethical conduct that recognizes the value and dignity of each individual informs the mission, vision, and values of the San Luis Obispo County Community College District/Cuesta College. Faculty and staff are also guided by the standards and principles established by their respective professional associations and organizations. All employees and Board members are expected to uphold rules of conduct defined
and established by federal and state law and exhibit behavior that promotes the following principles:

**Integrity:** To demonstrate professional trustworthiness and resist pressures to deviate from professional ethical behavior.

**Civility:** To ensure an honest and supportive climate that promotes the mission of the institution; accept and recognize the benefit of dissenting viewpoints, and recognize that civil behavior is both an individual and a collective responsibility.

**Respect:** To accept individual responsibility to establish a climate of mutual respect for the rights, views, and freedoms of others.

**Fairness:** To treat each other fairly by making decisions and taking actions only after carefully and objectively weighing all information available.

**Confidentiality:** To respect and abide by all pertinent privacy laws and regulations, and maintain the privacy of information that is acquired during the course of our work and do not use confidential information for personal gain.

District/College Planning Documents
The San Luis Obispo County Community College District
uses an integrated planning model that is driven by the
District Mission Statement. It involves long-term planning
facilitated through the Educational and Facilities Master Plans.

The integrated planning model involves various compo-
nents, which include a strategic plan and operational plans,
resource allocation, implementation, annual program and
plan effectiveness assessment, institutional program plan-
ning and review, and data analysis. Information may be
found on the following online pages:

INSTITUTIONAL STUDENT LEARNING OUTCOMES (ILO)
The combined statements are the expected student learning outcomes for Cuesta College students graduating with A.A. or A.S. degrees. These students will be able to demonstrate the knowledge, skills, and attitudes contained within all of the six ILO areas based on General Education and discipline-specific courses at the lower division level. In addition, it is expected that all students who attend Cuesta College will be exposed to at least one ILO as a result of their overall experiences with any aspect of the college, including courses, programs, and student services.

Step 8 - Pay Fees

Student Success and Support Program
In September 2012, Governor Brown signed the Student Success Act of 2012 (Senate Bill 1456) into law. Now known as the Student Success and Support Program, California Community Colleges are required to provide students with core matriculation services. New students receive enrollment priority based on the completion of these core matriculation components: assessment, orientation, and an abbreviated student education plan. New, non-exempt students are expected to complete these activities. It is recommended that students meet regularly with an academic counselor and take advantage of other academic resources. Students are also directed to develop a comprehensive student education plan upon completing 15 credits, as well as to define their education goal and course of study. Students with an associate degree or higher may be exempt from some of these requirements. These core services are designed to help students successfully meet their college goals. In addition all students should attend classes, complete assigned coursework, and maintain progress toward their college goals.

APPLY FOR ADMISSION

Para información sobre Admisiones comuníquese con la Oficina de Admisiones de Cuesta College, (805) 546-3140 ó vea la pagina

http://www.cuesta.edu/students/servs_classes/admrreg/apply_espanol.html.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Apply for Admission, Who May Attend, Residency, International Students, Enrichment Students, Veterans, Allied Health Programs and Information in Spanish all can be found at: http://www.cuesta.edu/apply

Application

All students must complete and sign an official Cuesta College Admission Application (online with electronic signature or in print) to be admitted to the college. All information provided by the applicant on the admission application must be true and accurate as required by law. Students who are enrolling at Cuesta College for the first-time and former students returning after an absence of a semester or more (not including summer) must submit an application available online at cuesta.edu/apply.

Applications are available beginning:

- November 1 for Fall Semester
- April 1 for Summer Session
- October 1 for Spring Semester

STEP 2
FINANCIAL AID

Fill out the FAFSA online (http://fafsa.ed.gov)

- Make sure you have tax information for the preceding year ready. If possible, use the IRS Data Retrieval Tool to transfer data from the IRS directly into your application.
- If you are a dependent student, one of your parents must sign the FAFSA.
- Be sure to enter Cuesta’s Federal School Code (001192) in the school data section.
- Allow for one week for your application information to arrive at the schools you listed on the FAFSA.
- Apply before March 2 if you want to apply for a Cal Grant or Cuesta Scholarship.
- If you or your family need help filing the FAFSA, contact the Financial Aid Office for assistance.

Submit a GPA Verification form to the California Student Aid Commission (if necessary)

- New applicants for Cal Grants—including entering freshman—must submit some form of GPA verification to CSAC and complete a FAFSA by March 2.
- If you have completed 24 degree applicable units at Cuesta, our Admissions and Records office will submit your GPA verification electronically by the March 2 and September 2 deadlines every year.
  
  Transfer students with units at other California community colleges need to:

  1. Provide official academic transcripts to Cuesta College’s Admissions and Records office at least two weeks prior to the GPA submission deadline; AND

  2. Turn in a GPA verification form to the Admissions and Records office so that we can electronically submit your GPA data to CSAC (see link below)

- If none of the situations above apply to you, you can
have your GPA verified by a college where you have completed 24 degree applicable units or by your high school (if you have not completed 24 degree applicable units at a college).

- Here are links to the GPA verification forms:
  GPA verification Form: http://www.csac.ca.gov/pubs/forms/grnt_frm/gpafind.pdf
  Non-SSN GPA Verification Form: http://www.csac.ca.gov/pubs/forms/grnt Frm/non_ssn_gpaform.pdf

Apply for the Cuesta Scholarship Program and any outside scholarships (http://cuesta.academicworks.com)

- Cuesta Scholarship applications are due March 2 of every year
- Outside scholarships have varying due dates and eligibility criteria, so do your research into scholarships early!

Complete any paperwork required by the Cuesta College Financial Aid office

- Make sure you read and accept the terms and conditions in your myCuesta portal.
- Check your financial aid status on the myCuesta portal to see if our office is requesting any additional documentation. The “student requirements” page will contain links to the forms that we require from you.
- If you want to apply for a student loan and you are a first time borrower, you must complete an online student loan workshop.
- Turn any requested documents into the Financial Aid office as soon as possible. Do not wait until the semester has started or your aid will be significantly delayed!
- Once you have submitted all of the requested forms, your file will be reviewed within 4-8 weeks.
- If you need any assistance with completing your application, please contact the Financial Aid office at (805) 546-3143 or e-mail us at finaid@cuesta.edu

Choose a distribution option through the my Cuesta Card website (https://mycuestacard.higheroneaccount.com/)

- An access card is sent to all students in a green envelope—don’t throw it away!
- Activate your card by entering the numbers on the website, then choose one of the following disbursement options:
  - Have your funds transferred to your personal checking/savings account;
  - Have a paper check sent to your address on file with Cuesta College; or
  - Open an account with Higher One and have funds transferred in automatically.
- If you do not activate the card and choose an option, your funds will be delayed by at least three weeks.
- Replacement cards can be ordered from the Cashier’s Office.

STEP 3
SUBMIT TRANSCRIPTS

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Submitting transcripts to Cuesta or how to order transcripts along with FAQs to help answer basic questions can be found at: http://www.cuesta.edu/student/aboutacad/records/index.html
- Academic policies relating to renewal, academic standing, adding courses, admissions, repeat, drop, FERPA, enrollment verification, Cal Grant GPA verification all can be found at: http://www.cuesta.edu/student/servs_classes/admrreg(records/index.html

Official transcripts from all other institutions must be submitted to the Cuesta College Records Office prior to enrollment. Lower division (freshman/sophomore level) coursework from regionally-accredited colleges and universities will be evaluated and may be transferred to Cuesta College to meet certificate requirements, degree requirements, and requirements for transfer certification. If non-native credits are from a college or university on the quarter system, these credits will be converted to semester credits (quarter credits/1.5=semester credits).

Non-native coursework will be evaluated based on regional accreditation standards using the grades received at that institution. Cuesta College considers a grade of C- as substandard and eligible for repetition.

Official (sealed) copies of transcripts from colleges, universities and high schools attended should be submitted to:

Cuesta College Records Office
PO Box 8106
San Luis Obispo, CA 93403-8106

Transcripts should be submitted ahead of registration, in time for academic advising and prerequisite clearance. Final official transcripts, showing all coursework and grades received, must be received before GE certifications and degree and certificate evaluations may be completed. Transcripts are evaluated based on the AACRAO guidelines for regionally-accredited post-secondary institutions.

Upon application for the associate degree or transfer certification, non-native coursework credits will be included and reviewed with the Cuesta College student record. Applications for the associate degree and transfer certification are available in the Admissions and Records Office or website at http://cuesta.edu/student/servs_classes/adminreg/.

Transcripts submitted to Cuesta College become the property of Cuesta College and will not be released to students, other colleges, or agencies. Plan to request a personal copy from your former college or university if you need one for your records.
STEP 4  
ASSESSMENT

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Test preparation resources, including sample questions and tutorials, are available to all students on the Assessment Services website: http://www.cuesta.edu/student/getstarted/assessment_testing/resources.html
- Students may also request to take the Cuesta College assessment test remotely. For more information, email assessment@cuesta.edu.

Assessment placement results assist students with appropriate course selection and may be used to satisfy mandatory course prerequisites. The math, English, and English as a Second Language (ESL) assessments are computerized and untimed. They are given free of cost.

Assessment tests for math, English, and ESL are offered on a walk-in basis. Please visit our Assessment Services website to view available test dates and locations. Bring photo identification and your Cuesta student number with you on the day of the test. Prior to taking the assessment test, you must be a current Cuesta student or have submitted a Cuesta College admission application, and know your Cuesta student ID#. Prepare for the assessment tests by viewing the resources and study materials on the Assessment Services website.

First-Time College Student: First-time college students are expected to complete their English, ESL or math assessment tests prior to registering for courses. Placement levels are determined based upon assessment test results AND prior academic history. Final official high school transcripts should be submitted to the Cuesta College Records Office along with the transcripts from any other colleges attended.

Disability Student Accommodation: Special accommodations are given to students with verified disabilities according to California Education Code Title 5 regulations. Accommodations are made on an individual basis and must be made prior to testing through the Disabled Students Programs and Services Office. For more information, call Disabled Student Programs and Services (DSPS) at (805) 546-3148 (SLO campus) or (805) 591-6215 (NC campus) or visit the DSPS Office on either campus. In order to receive examination accommodations for assessment testing as a qualified DSPS student, prior verification of disability is required.

In addition, students may place into math, English or English as a Second Language courses in the following ways:

- Completion of college coursework with a “C” or better in math and English and submittal of a Prerequisite Clearance Request Form A along with a transcript.
- Placement test results from another California Community College, and submittal of assessment scores (math assessment scores are only valid for 18 months), along with a Test Score Clearance Form.
- If you have met one of the following criteria and have submitted verification:

MATH
1. Earned “Standard Exceeded” status on the California Assessment of Student Performance and Progress (CAASPP) score report;
2. Passed the AP Calculus AB exam or AP Statistics exam with a score of three or above

ENGLISH
1. Earned “Standard Exceeded” status on the California Assessment of Student Performance and Progress (CAASPP) score report (must be within 18 months);
2. Passed the AP English Language or Literature Composition Exam with a score of three or above

Test scores may be faxed to (805) 546-3982 or mailed to the Cuesta College Assessment Office, PO Box 8106, San Luis Obispo, CA 93403-8106.

STEP 5  
PREREQUISITES/   
COREQUISITES

Prerequisites, corequisites, and advisories are intended to enhance a student’s chance of success in a desired course. If a student does not meet prerequisites or corequisites for a course, as listed in the class schedule, the student may not be allowed to enroll or remain enrolled in that course. Successful completion of a prerequisite or corequisite course is achieved by a final course grade of “C” or better.

Cuesta students enrolled in prerequisite courses at the time of registration for the upcoming term will be allowed to enroll in the next level course without knowing the final grade in their current course. A grade of “C” or better must be earned in the prerequisite course to meet the prerequisite requirement. Students that do not successfully complete prerequisite courses will be administratively dropped from the higher level course once grades are final and have been posted.

Transfer Students
In order to use prerequisite coursework completed at another college, students must submit a Prerequisite Clearance Request Form A along with an official transcript prior to registering for classes. Prerequisite Clearance Request forms can be found at the Counseling Department, or on the prerequisite website: http://www.cuesta.edu/student/getstarted/prerequisites

Submit forms in one of the following ways:

- Hand deliver: to the Counseling Department in the Student Services building (SLO Student Services Center, Building 3100) or North County Campus Building N3000.
• FAX: to Prerequisite Analyst at (805) 546-3113.

• Mail to: Cuesta College Assessment Office - Attention: Prerequisites, P.O. Box 8106, San Luis Obispo, CA 93403-8106. If students would like to use official transcripts that were already sent to Cuesta, please note that it may take up to two weeks for official transcripts to be received and processed by Cuesta’s Records Office. For most immediate clearance, please include a copy of your transcript with your clearance request.

FORM A – Prerequisite Clearance Request: to be used to clear prerequisites with coursework completed at an institution other than Cuesta.

FORM B – Prerequisite Challenge: to be used to clear prerequisites that have been met through means other than course completion (previous knowledge, work experience, licensing). Student is responsible for providing evidence to support the claim and must get signatures from the appropriate department chair before prerequisite clearances can be processed.

A student may petition to challenge a prerequisite or corequisite based on one or more of the following:

• Student has the knowledge or ability to succeed in the course despite not meeting the prerequisite (e.g. student has prior course work, assessment levels, certification, license or work experience that satisfied the prerequisite, or by other criteria presented by the student).
• The prerequisite is discriminatory or applied in a discriminatory manner.
• The prerequisite approval is in violation of Title 5 regulations or Cuesta College District Policy.
• The prerequisite course has not been made reasonably available (“reasonably available” as defined by the College).

FORM C – Prerequisite Clearance Request for Physics: to be used for Physics prerequisites completed at an institution other than Cuesta. Student is responsible for attaining the appropriate signatures from the Physical Science department chairperson before prerequisite clearances can be processed.

Prior Pre/Corequisite Clearance Required Before Enrolling in:

STEP 6
ORIENTATION/ COUNSELING

Counseling
Counselors are master’s level professionals who are trained to provide personal, academic, and career counseling services. Counselors are available to meet with students by appointment or on a walk-in basis.

Counselors can help you with:
• Completion of prerequisite clearance forms
• Student Education Plan (SEP)
• Academic degree planning
• Transfer planning
• Information about programs offered at Cuesta College
• Assistance with Course Selection
• Schedule changes
• Graduation requirements
• College placement tests
• Academic probation and dismissal
• Test anxiety
• Study and note-taking strategies
• Time management
• Academic problems
• Strategies for managing stress, anxiety, and depression
• Crisis intervention
• Community referrals
• Career planning and exploration

Resources available online, for the convenience of our students including those attending via distance education, are the following:
• Website
• Smart Q&A
• Phone/email appointments
• E-Counseling
• Online orientation
• myCuesta Counseling Channel Announcements

Walk-in counseling is limited to 15 minutes and is appropriate for:
• Referral to campus and community services
• Short-term academic planning
• Informational quick questions
• Emergency problem solving

Please note: Evaluation of transcripts from other college or Student Education Plans cannot be completed at walk-in.

Counseling Appointments:
During a counseling appointment, students may identify their educational goals and develop a long-term academic comprehensive plan.

Come in or call the Counseling Office where you’d like to have your counseling appointment (San Luis Obispo Campus, North County Campus, or South County Center)

• Appointments are available:
  San Luis Obispo Campus, M-Th, 8:30am-6pm and F, 10:30am-3pm
  North County Campus, M-Th, hours vary
  South County Center, T & W, 4:30pm-6:30pm
  when classes are in session
• Beginning the first working day of the week appointments are scheduled for the following week (ONLY ONE WEEK IN ADVANCE)
• By phone for distance education students

The best time to schedule an appointment is mid-semester (September/October for fall; February/March for spring)

Orientation and Abbreviated Student Educational Plan
The Cuesta College new student orientation is designed to help students get off to a good start, learn about the requirements for a certificate, Associate Degree, and transfer, as well as policies and procedures of the college. New students are expected to complete the online orientation and abbreviated Student Education Plan prior to registering for courses.

Once an application has been submitted and confirmation has been received, the online orientation is available to all Cuesta College students by logging into my.Cuesta.edu. The online orientation allows students to choose their goal (AA, CSU, or UC) and proceed on the appropriate path to accomplish their goal.

myCuesta Follow-up Orientation
The myCuesta Follow-up Orientation is facilitated by a Cuesta College counselor after students have completed the online orientation and are held during the summer months. Please call the Cuesta College Assessment office at (805) 546-3951 for dates and to reserve a spot. Sessions fill quickly.

• Local High School Outreach: Cuesta counselor liaisons to high schools are provided to support the enrollment of local students at Cuesta College.

Specialized and Targeted Follow-up Orientation and Counseling
Counselors also provide specialized and targeted counseling for the following groups of students:
• CalWORKS: Academic and personal counseling for qualified students
• Career Technical Education: Academic and personal counseling for qualified students
• Extended Opportunity Programs and Services (EOPS): Academic and personal counseling for qualified students
• Disabled Student Programs and Services (DSPS): Academic and personal counseling for qualified students
• International Students: Cuesta College enthusiastically welcomes international students from around the world. The international student counselor provides academic counseling and assists the student with paperwork required for change of status, practical training, extension of stay, reinstatement to student status, and transfer to other institutions of learning
• Reentry Students: The Reentry Program is designed to be a support system for students 25 and older, returning to school after an absence of five or more years
• Student Athletes: Academic and personal counseling for participating students
• AB540 Students: Academic and personal counseling for qualified students
• Foster Youth: Academic and personal counseling for qualified students
• Veterans: Academic and personal counseling for qualified students

Comprehensive Student Educational Plan (SEP)
During a counseling appointment, students may identify their educational goals and develop a long-term academic comprehensive plan. Students are expected to complete a comprehensive SEP upon completion of 15 credits. Prior to making an appointment with a counselor, verify that all official academic transcripts have been received by Cuesta.

Transfer Information (www.assist.org)
ASSIST is an online course planning system developed for prospective community college transfer students. ASSIST provides information about the applicability of community college courses toward UC and CSU General Education and major preparation requirements.

Contact the Transfer Center at (805) 546-3162 for assistance concerning articulation or major requirements

English as a Second Language (ESL)
Application/Evaluation/Orientation/Registration
New students in the English as a Second Language (ESL) program must take the ESL assessment. Students will receive their evaluation results and class recommendations immediately after taking the tests.

Visit the assessment testing calendar for upcoming test dates or call (805) 546-3941 (SLO) or (805) 591-6209 (NCC).

STEP 7
REGISTRATION

Resources available online, for the convenience of our students including those attending via distance education, are the following:
• Our registration page helps the student login to the myCuesta web portal with instructions on how to complete the online orientation and steps on how to add/drop your classes. http://www.cuesta.edu/student/getstarted/register. The website describes how the waitlist works, what’s new in registration, where can you register, and what does the registration error mean. We also provide when online registration is available with other forms and policies to refer for assistance.

• Registration forms and explanations of each form can be found at this page: http://www.cuesta.edu/student/getstarted/register/reg_forms/index.html.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide priority registration for students on the basis of need are set forth in Administrative Procedures 5055 and listed under Enrollment Priority under the College Policies, Rules, and Regulations section of this catalog. Visit the Cuesta web site for priority registration dates at: http://cuesta.edu/student/getstarted/register.

Students add and drop classes online through myCuesta web portal at https://my.cuesta.edu. All students are assigned a myCuesta username and temporary password that is emailed to your personal email account from the Admissions Office once an admission application is processed. Login information can also be accessed at the “Student Username and Temporary Password” link on the myCuesta login page.

Course Add and Drop Policy
It is the student’s responsibility to add and drop courses by the deadlines posted on the Cuesta web site, in the online Class Finder, and the enrolled student’s myCuesta Class Schedule/Receipt. Summer session classes are considered short term courses for add and drop deadlines.

Adding Courses
Students may add classes online by the add deadline, which is the day prior to the census date. The census date is the date course enrollment is reported to the State for apportionment funding. Once a course begins, only the instructor may authorize enrollment by issuing the student an add code if there are seats available in the course at the first class meeting. Add codes must be entered by the student online in myCuesta within the add deadline to officially enroll in a course.

To add a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to “Register Add/Drop Classes” and enter the 5-digit course reference number (CRN) for the course by clicking
“Submit Changes.” The student may enter the 4-digit add code in the box provided and click “Validate” to register after the course begins within the add deadline. Students may also add classes in-person at a registration center and must provide photo identification.

- **Full-term course add deadline:** The day prior to the posted census date, which is the end of the 2nd week of the term.
- **Short-term or Summer course add deadline:** Within 20% of the course or the day prior to the posted census date.

**Readmit**
A student who was inadvertently dropped by an instructor may be allowed to be readmitted/re-added beyond the normal add deadline with instructor approval. The deadline to be readmitted is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Readmit Cards are available at any registration center.

**Transfer**
Instructor or department-arranged transfers will be allowed beyond the normal add deadline for students transferring from one course reference number (CRN) to another of the exact same course or to a lower or higher level class in established prerequisite levels of the same discipline. The deadline to be transferred is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Transfer Cards are available at any registration center and require both instructors’ signatures of approval.

Registration fees for the original CRN to be dropped will be credited while fees associated for the course to be added will be assessed to the student’s account.

**Dropping Courses**
To drop a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to “Register Add/Drop Classes” and use the drop-down menu beside the course to select the drop option then click “Submit Changes.” Students may also drop classes in-person at a registration center and must provide photo identification.

**Dropping Course for a Full Refund**
Students must drop a course by the Sunday before the start of the term or prior to the first class meeting of a short term or Summer course to receive a full refund of fees, less a $10.00 processing fee. A written request for a refund must be submitted to the Cashier’s Office by the end of the 4th week of the term or by the end of the following week after a short-term or Summer course ends. No notation (grade or symbol) will be posted on the student’s academic record when a course is dropped within refund deadlines. **Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.**

**Dropping Course for a Partial Refund**
The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student’s myCuesta Class Schedule/Receipt. The deadline is calculated as within 10% of a short-term course or the end of the 2nd week (Sunday) for a full-term course.

A partial refund is the enrollment fee, less a $10.00 processing fee. The student is responsible for paying all other registration fees associated with a course. See the Fees section of the schedule for more information. A written request for a refund must be submitted to the Cashier’s Office by the end of the 4th week of the term or by the end of the following week after a short-term course ends (includes summer course.) No notation (grade or symbol) will be posted on the student’s academic record when a course is dropped within refund deadlines.

**Dropping a Course without a W for Withdrawal**
No notation (grade or symbol) will be posted on a student’s academic record if a course is dropped by the last day to drop without a “W” which is the end of the second week of the term for a full-term course or within 20% of a short-term or Summer course. The last day to drop without a “W” deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student’s myCuesta Class Schedule/Receipt.

- Students who drop all courses and receive no academic grade or symbol (“W”) in a term will not be eligible for priority registration as a continuing student in the next term.

**Dropping Courses with a W for Withdrawal**
Students may drop or withdrawal from a course through the end of the 12th week (Sunday) for a full-term course or within 60% or a short term or Summer course and receive a “W” for withdrawal symbol on their academic record. The last day to drop with a “W” deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student’s myCuesta Class Schedule/Receipt.

- **A student may earn a no more than a maximum of three (3) withdrawals (“W” symbol) in a non-repeatable course.**

**Administrative Withdrawal/Cancelled Classes**
Students will be notified by phone, myCuesta email and/or mail if administratively dropped or if a class has been cancelled by action of the college. It is the student’s responsibility to submit a refund request form to the Cashier’s Office.

**Petitions**
Forms and petitions are available online at http://cuesta.edu/student/getstarted/register/reg_forms/ or at any registration center. All registration forms require the student’s signature, identification, and may require additional approval from a college official before the student is allowed to enroll.

**Pass/No Pass (P/NP) Grading Option**
For courses identified as a grading option of GP in the
online Class Finder or Cuesta College Catalog, the student may change the grading option from a letter grade to Pass/No Pass grading (P/NP) within the first 20 percent of the course. Refer to the course listing for the Pass/No Pass grading policy. Students are encouraged to consult Counseling staff if they have questions regarding graded courses for degree and transfer requirements.

Credit Overload
A Credit Overload petition is to receive permission to enroll in more than 19 credits in the fall or spring term or in more than 9 credits in the summer. Approval from a Cuesta counselor is required.

Schedule Conflict
A student may not enroll in two or more sections of the same credit course during the same term unless the length of the course provides that the student is not enrolled in more than one section at any given time.

A student may not enroll in two or more courses where the meeting times for the courses overlap, unless:

- The student petitions to enroll in two overlapping sections upon approval by both instructors.
- The student provides a sound justification, other than scheduling convenience, of the need for an overlapping schedule.
- An appropriate district official, Academic Affairs Dean and Director of Admissions & Records, approves the schedule.
- The student makes up the overlapping hours at some other time during the same week under the supervision of the instructor of the course. Appropriate supervision by the instructor of the course is documented describing how the student will make up missed hours at some other time during the same week.
- Students needing additional instruction in the subject matter while enrolled in a course may be referred for individualized tutoring pursuant to section 58170 or supplemental learning assistance pursuant to sections 58172 and 58164.

Registration Centers
Adds and drops by registered students will be processed at the locations below. South County Center at Arroyo Grande High School is closed during the summer and term breaks.

North County Campus Student Services
Building N3000, (805) 591-6225

San Luis Obispo Campus Student Services
Building 3100, Student Service Center, (805) 546-3955

South County Center
Arroyo Grande High School, (805) 474-3913

Waitlist
When priority registration begins for a term, students will have the opportunity to enroll, via the myCuesta web portal, in an available waitlist seat for a closed class.

Students must meet all registration requirements for the course, including prerequisites and corequisites, prior to registering for a waitlist seat. If a student drops and a seat opens, the first waitlisted student will be notified via their myCuesta Student email account and will have 24 hours to register for the class. If you do not register before the notification period expires, you will be removed from the waitlist. Students should monitor their myCuesta student email twice daily, morning and evening. It is the student’s responsibility to register once notified and pay applicable fees owed.

Waitlist Restrictions
Students will be blocked from enrolling in a waitlist seat under the following conditions:

- The student is enrolled in another section of the same course or enrolled in another waitlist seat for the same course.
- The class conflicts in time with other classes already on the student’s schedule, which includes other wait-listed classes.
- The student has a hold.
- The student has not met prerequisite or co-requisite requirements. Courses with “Department Approval” such as PSYT, LVN, EMS that have special admission requirements.
- Cross-listed (CL) courses, such as mediated Math courses.
- The student has exceeded the repeat limits for the course. This includes work-in-progress which occurs if the student is already enrolled in the course in the prior term (spring for summer registration; summer for fall registration) and has not received a final grade.
- The class is not approved on a Permit to Enroll form for an Enrichment student.
- All waitlist seats are filled.

Auditing
- The Admissions and Records Office will not under any circumstances certify completion of any course attended by audit, nor will the District provide any transcripts, letters, records or any other documentation of attendance in a course undertaken on an audit basis. Students who audits does not earn units, credits or grades.
- The District will provide students who are otherwise qualified to enroll in credit courses an opportunity to audit specific credit courses.
- Auditing enrollment is permitted on a space available basis, on courses on the approved auditable list, and at the discretion of the instructor in accordance with departmental procedure.
- Admission application is not required. Enrichment students may not audit courses.
- Auditing may be requested after the late application period is over by obtaining an Audit Enrollment Form from the Cashier’s Office, acquiring the instructor’s,
Dean of Academic Affairs and Vice President of Academic Affairs approval to audit the course, and paying the audit enrollment fee at the Cashier’s Office.

- Priority in class enrollment shall be given to students enrolled in the course for credit.
- Auditors who are not currently enrolled must register by the normal procedure and pay a non-refundable fee of $15.00 per semester unit.
- Auditors enrolled in less than 10 units must pay a non-refundable fee of $15.00 per unit.
- Auditors who are currently enrolled in 10 or more semester units for credit may audit up to three semester units at no cost. An audit fee of $15.00 will be charged for each additional semester unit audited above three.
- Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive credit. A student is not permitted to change his/her enrollment from credit to audit.
- There is currently no limit set on the number of courses a student may audit.

**STEP 8 PAY FEES**

**Schedule of Fees Payable at Registration (per term)**

Credit (enrollment) fees are subject to change by the California State Legislature. If fees are increased for this term, additional charges will be added to each student’s account that must be paid before grades will be released. For tax purposes, students are responsible for retaining receipts as a record of fees paid.

**Fee Descriptions**

**Enrollment Fee**

Enrollment fees are charged per unit of enrollment credit and are set by the State of California. These fees are subject to change. If you need help paying this fee, you may qualify for a Board of Governor’s Fee Waiver (BOGW). An application is available in the Financial Aid Office or you may complete the free application for Federal Student Aid (FAFSA) application online. Completed BOGW applications and documents of income sources must be submitted to the Financial Aid Office before your registration materials are submitted. Refer to the Financial Aid section for BOGW eligibility requirements. If you are a new applicant, fill out the BOGW application. You must reapply each year for consideration.

**Non-Resident Tuition**

The cost of tuition for international and out-of-state students is in addition to the enrollment fee. If you have questions about residency status, please contact the Admissions Office for assistance.

**Health Fee**

In accordance with the California Education Code and District policy, Cuesta College has a mandatory health fee. Students, excluding those with the exceptions listed, are required to pay the Health fee each term regardless of the number of credits they are taking. This fee is nonrefundable once the term or session begins and is subject to change per local Board action. The health fee is not an eligible tax credit fee.

Health Fee Exemptions: (Education Code Section 76355)

- Students enrolled in non-credit courses.
- Students who are taking classes only at the South County Center (Arroyo Grande High School) and off-campus sites.
- Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization to the Student Accounts/ Cashier’s Office.
- Any student who is attending Cuesta under an approved Apprenticeship Program.
Student Center Fee

The Student Center fee is designated for the sole purpose of supporting the Student Center and is charged to all students taking classes at the San Luis Obispo Campus. The fee, which is not to exceed $10.00 per academic year, is based upon the number of credits taken during this period at the rate of $1.00 per credit. An academic year consists of fall and spring terms.

The following are examples of Student Center fee calculation for a student taking classes on the San Luis Obispo Campus and at another Cuesta College site for one academic year:

### FALL TERM
- 7 credits at San Luis Obispo Campus: $7.00
- 3 credits at North County Campus: $0.00
- Total: $7.00

### SPRING TERM
- 3 credits at San Luis Obispo Campus: $3.00
- 4 credits at North County Campus: $0.00
- Total: $3.00

*$7.00 paid in Fall + $3.00 paid in Spring = $10.00 fee paid in full for academic year.

**Fee partially paid for year

This fee is nonrefundable unless the student drops the associated San Luis Obispo campus class on or before the Sunday prior to the start of the term/session for a full-term course or before the first class meeting for a short-term course.

Student Center Fee Exemptions

The Student Center fee shall not apply to:

- A student enrolled in non-credit courses.
- A student who is a recipient of the benefits under the TANF (Temporary Aid to Needy Families) program, the Supplemental Security Income/State Supplementary Program, or the General Assistance program. To have the fee waived, a student must provide documentation of participation in these programs through the Financial Aid Office prior to registration.
- Students enrolled in courses at North County or South County only.

Student Representation Fee

A vote of the students during the spring 2002 semester authorized the collection of a mandatory $1.00 student representation fee from every credit student each semester. Cuesta College waives the Student Representation Fee for Enrichment students and non-credit courses. Monies collected are used by the student government to advocate and lobby for student legislative issues such as eliminating fee hikes, and increasing state funding for community colleges. Other uses include leadership training, meeting with other student leaders and elected officials, and necessary supplies to support students in their advocacy and lobbying efforts.

The fee is charged during the registration process. A student may refuse to pay the fee for religious, political, financial, or moral reasons. Students must sign a waiver prior to registration. The fee is nonrefundable once the semester begins. The student representation fee is not an eligible tax credit fee. Forms are available in the Admissions and Records Office, Cashier’s Office and at the Student Life and Leadership Office at all campus locations. The form is also available on the Web at www.cuesta.edu/student/documents/admissions_records/repfeewaiver.pdf for students to print and complete. The form may be submitted to the Admissions and Records Office or faxed to (805) 546-3975.

Cuesta College waives the Student Representation fee for Enrichment students and Non-Credit courses.

Associated Student Governments are allowed to implement the student representation fee according to Education Code 76080.5. This per-semester fee can be utilized by the ASCC to fund only those purposes listed above.

NOTE: The student representation fee may not be used to support individual candidates or campaigns.

For further information, please contact your ASCC Representative at the San Luis Obispo Campus Student Center, Building 5300.

ASCC Student ID Card Fee

The Student ID Card provides a college picture ID for use in campus labs, the library, the bookstore, and other locations on campus. The fee helps fund student jobs, student activities, critical campus programs and services, as well as providing discounts within the community. For more information on ASCC Student ID Card benefits, please visit our website http://cuesta.edu/student/forstudents/studentlife/studentid.html. This optional fee is nonrefundable/nonreversible once the term or session begins. The ASCC Student ID card is to be purchased/renewed each term, even if a student has already had her or his picture taken. The ASCC card fee is not an eligible tax credit fee.

If the ASCC Student ID card is lost, stolen, or mutilated, the student will be provided, free of charge, one replacement during the student’s Cuesta career. For any additional cards there is a $2 replacement fee. Contact the Student Life and Leadership Office at (805) 546-3289 for picture ID dates, times, and information.

Parking Fee

Parking permits required for all vehicles parked on all campus property or roadways.

Term permits per vehicle are:

Registered students may purchase parking permits online through myCuesta/my Web Services. Online permit purchases must be made at the campus police office. This fee is nonrefundable once the term or session begins. The parking permit fee is not an eligible tax credit fee.

For a copy of the College parking regulations, contact the San Luis Obispo Campus Public Safety Office at (805) 546-3205, or the North County Campus Public Safety Office at (805) 591-6205, or go to http://www.cuesta.edu/student/findingway/public_safety.

**Material Fees**
Credit and noncredit courses with mandatory material fees are identified in the class schedule, class finder and college catalog. Materials fees are charged at the time of registration. Materials fees for classes dropped prior to the start of the term are automatically credited or reversed to student accounts. See the Cashier’s Office for help with materials fees for classes dropped within the two-week drop deadlines for Spring/Fall terms and within the ten percent deadline for Summer Session.

**Fee Payments**
Students may pay fees, clear incurred debts (with the exception of library fines and parking citations), purchase parking permits or a Regional Transit Authority (RTA) 31-day bus pass, obtain and file refund forms, and handle other situations as they pertain to student accounts at the Cashier’s Office.

**Registration Fee Payment Policy**
Fees are due at the time of registration and may be paid immediately by credit or debit card online. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines. Students will NOT be dropped from classes for unpaid fees. Fee payment receipts should be saved for education tax credit filing.

**Online**
Credit card and debit card payments (VISA, MasterCard, Discover or American Express) are only accepted online through student myCuesta accounts. A convenience fee of $2 is charged for each credit/debit transaction.

**Mail-in**
Please include the student ID number with all mailed payments. Make checks payable to Cuesta College.

Address payments of check or money order to:
Cuesta Cashier’s Office, PO Box 8106, San Luis Obispo, CA 93403.

A $25.00 service fee is charged for all checks returned for insufficient funds, stop payments, etc.

**In-Person**
Payments by cash, check or money order can be made at the Cashier’s Offices at either
- San Luis Obispo campus, Building 3100, Student Service Center, (805) 546-3849
- North County campus, Building N3000, (805) 591-6217

Secure payment drop boxes are also available and located outside of the Cashier’s Offices for payments made after office hours.

Any unpaid fees will result in a hold placed on the student’s records blocking access to future registration, grades, transcripts, and will limit access to certain campus services. Students will NOT be dropped for unpaid fees.

To retain a seat in the class, students are strongly advised to attend the first class meeting. Students, who remain enrolled after the refund deadline, are financially responsible for payment of fees even if they drop the class or are dropped by the instructor after the refund deadline. It is the student’s responsibility to drop and add classes.

**Refunds for Dropped Courses**
Students must submit a written request for a refund to the Cashier. Students may request a form from the Cashier, print an online form, or submit a letter outlining the request and postmarked by the appropriate date listed below. A $10.00 processing fee is assessed on enrollment refunds initiated by students. A full refund includes enrollment, non-resident, health, ASCC Student ID Card, Student Center and student representation fee, material, and parking fees (parking permit must be returned in usable condition). Partial refunds include only enrollment and non-resident fees.

Credit balances for dropped courses may remain on the student accounts to be applied to future balances or refunded. Credit enrolled students will receive a My Cuesta Card by mail. Students will need the My Cuesta Card to receive financial aid or dropped class refunds. Students need to be sure to keep their addresses updated through their online myCuesta account and watch the mail for the bright green My Cuesta Card envelope. See the Cuesta website for more information about the My Cuesta Card.

**Full Refund**
Students must drop a course by the Sunday before the start of the term to receive a full refund of fees, less a $10.00 processing fee (only refunds which include the enrollment fee are charged the processing fee). A written request for a refund must be submitted to the Cashier’s Office by the end of the second week of Summer Session and by the end of the fourth week for Fall/Spring terms.

**Partial Refund**
The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student’s myCuesta Class Schedule/Receipt. A written request for a refund must be submitted to the Cashier’s Office by the end of the second week of Summer Session and by the end of the fourth week for Fall/Spring terms.

**Military Withdrawal**
Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. The student must verify such orders with registration staff at the time of the withdrawal. Copies of these orders must be submitted by the student to the cashier with a written refund request. Students withdrawing under this college policy will receive a grade of “MW” for each course from which they withdraw and shall be entitled to a full refund of all enrollment fees paid to the college unless academic credit has been awarded.

**Administrative Withdrawal/Cancelled Courses**

Full refunds will be authorized for students who are withdrawn from courses by action of the College. If the course is cancelled, the associated course fees will be credited to the student’s account. The credit will be applied to any other fees owed by the student. If there is credit balance on the student’s account, the credit will remain on the student’s account unless a written request for a refund is submitted by the student to the Cashier’s Office. Automatic refunds will not be generated.

**Overpayments (excess fee payments)**

If a student overpays registration fees, the amount of the overpayment will be credited to the student’s account. The credit may be applied to any additional registration fees incurred.

NOTE: Dropped courses will not generate an overpayment refund. Please refer to “Refunds for Dropped Courses.”

**EDUCATION TAX CREDIT INFORMATION**

An Education Tax Credit benefit is available to Cuesta students who enrolled in credit courses and were charged eligible fees. In compliance with the Taxpayer Relief Act (TRA) of 1997, Cuesta College will provide a 1098T form to eligible students enrolled in a given calendar year (spring, summer, and fall). The 1098T form reports eligible fees charged within the given calendar year.

Eligible fees include: Enrollment Fee, Student Center Fee, Non-Resident Fee, and Material Fee. A 1098T will not be produced for students whose eligible fees were waived or who received financial aid in an amount greater than eligible charges. Each January, 1098T forms are mailed to the students’ permanent addresses on file with Cuesta at that time.

Students are encouraged to keep payment receipts to confirm the amount of fees paid during each calendar year, regardless of the term of enrollment.

If you have questions about the TRA’s Hope Tax Credit and Lifelong Learning Credit:

- Consult your tax preparer

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Apply for Admission, Who May Attend, Residency, International Students, Enrichment Students, Veterans, Allied Health Programs and Information in Spanish all can be found at: http://www.cuesta.edu/apply

Eligibility
The college admits students who meet the following requirements and who are capable of benefitting from the instruction offered:

- Any person over the age of 18, or a person under the age of 18 possessing a high school diploma or its equivalent. A copy of the certification (California State Proficiency Exam or GED) is required if under 18 years of age.

- Students 18 years of age or older without a high school diploma, or equivalent, are eligible for provisional admission to Cuesta College.

- Applicants under the age of 18 who are currently enrolled in grades 9-12, are eligible to apply for admission to attend Cuesta College as “special part-time students,” with an approved Permit to Enroll in specified advanced scholastic or vocational coursework at Cuesta College. Special part-time students are referred to as “Enrichment” students.

- International students who have met the International Admission Requirements and have been issued an F-1 or M-1 Visa.

An exception to the college admission policy may be made for a pupil currently enrolled in grades 6-8 who has been certified as “highly gifted” by their school district. “Highly gifted pupil” means a gifted and talented pupil who has achieved a measured intelligence quotient of 150 or more points on an assessment of intelligence administered by qualified personnel or has demonstrated extraordinary aptitude and achievement in language arts, mathematics, science, or other academic subjects, as evaluated and confirmed by both the pupil’s teacher and principal. Highly gifted pupils shall generally constitute not more than one percent of the K-12 pupil population. (Reference Administrative Procedure 5011)

Students under the age of 18 without a high school diploma, or equivalent, who are not currently enrolled in a secondary institution, are not eligible for admission to Cuesta College. A denied applicant may make an appeal to the Superintendent/President, or designee.

Application
All students must complete and sign an official Cuesta College Admission Application (online with electronic signature or in print) to be admitted to the college. All information provided by the applicant on the admission application must be true and accurate as required by law. Students who are enrolling at Cuesta College for the first-time and former students returning after an absence of a semester or more (not including summer) must submit an application available online at cuesta.edu/apply.

Applications are available beginning:

- November 1 for Fall Semester
- April 1 for Summer Session
- October 1 for Spring Semester

Residency Requirements
Admission of each student includes the determination of California State residency based on California Education Code 68017 and Title 5, Sections 54000-54072. A student who believes that their residency status is incorrect may challenge the non-resident status by completing the Statement of Legal Residence form and submitting it to the Admissions Office for review.

Resident Student: A resident student is one who has been a legal resident in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll, and who demonstrates the intent to remain a permanent California resident.

Students determined to be California residents are charged the California State Enrollment fee as set by the California Community College Chancellor’s office. (Education Code 68017)

Non-Resident Student: A non-resident student is one who has not had a legal residence in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll. Students determined to be non-residents are charged the non-resident tuition in addition to the resident enrollment fee.

A non-resident student may be eligible for an approved non-resident tuition exemption when the appropriate documentation is presented to the Admissions staff. Exemption to non-resident tuition exists when documentation is presented for any one of the following:

- Attended a California high school, or high school equivalent, for a minimum of three years or more and earned a California high school diploma, or equivalent; or attained credits earned in California from a California high school equivalent to three or more years of full-time high school coursework and a total of three years or more years of attendance in California elementary schools, California secondary schools, or a combination of those schools;
- Full-time credentialed employee of a California public school enrolling in college for purposes of fulfilling credential-related requirements;
- Seasonal agricultural worker for at least a total of two
meet all of the following enrollment requirements:

- Full-time employee, or spouse, or dependent of a full-time employee of any of the following colleges/universities: California Community Colleges, California State University, University of California, or Maritime Academy.

- Applicants, under the age of 19, who have lived under the direct care and control of an adult, other than a parent for two years immediately preceding the resident determination date; and such adult has for the year immediately preceding the residence determination date, had California residence.

- A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)]) shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students. The requirements on the VACA Act are listed under the Veterans category.

Programs with Additional Admission Requirements
Admission to impacted specialized programs may require the completion of a program admission application and Chancellor’s recommended and Board-approved admission requirements. Current program admission requirements are published by the respective program and made available on the Cuesta website. The Admission criteria, process and application for specialized programs are valid for the current application cycle only.

Special Part-Time Students (Enrichment)
An eligible special part-time student must possess an approved Permit to Enroll to enroll in specified advanced scholastic or vocational courses. Cuesta College has defined advanced scholastic or vocational coursework as work that is transferable to a four-year institution and/or meets vocational degree or certificate requirements. The Permit to Enroll must be completed by the student’s current school Principal, or approved designee, identifying the specific course, or courses. The Permit to Enroll is approved by the student’s parent, or legal guardian, and by the student. The Permit to Enroll is then submitted to the Cuesta Registration Office for processing. Special Part-time Students, grades 9-12, may enroll in Cuesta College courses on a space available basis and will be required to meet all of the following enrollment requirements:

- Demonstrate the ability to benefit from advanced scholastic or vocational coursework as determined by the student’s principal, or designee;
- Satisfactorily meet all course prerequisites;
- Meet the age requirement of any age-restricted courses, posted on the Cuesta web site, for which the student seeks to enroll, or successfully petition for authorization to enroll;
- May enroll in up to a maximum of eleven (11.999) approved semester credits during the fall and spring semesters and a maximum of nine (9.0) approved semester credits during summer session;
- Special Part-time students are prohibited from auditing courses;
- Special Part-time students are prohibited from enrolling in Kinesiology activity courses.

Special part-time students are eligible for an enrollment fee waiver. Students classified as “non-residents” of California who meets all requirements of Administrative Procedures 5011, shall be exempt from paying nonresident tuition including the California resident enrollment fee. All other fees will be assessed. This exception does not apply to F1/M1 Student Visas. Students receiving this exemption do not receive resident status for the purpose of tuition or financial aid. Students should finalize their residency status in California.

Age Restricted Course Appeal Process:
An Enrichment student who does not meet the age requirement of an age restricted course may petition to enroll in the course. The petition must be completed by the student and submitted to the relevant division for approval. The instructor and division Chair signatures are required for approval. Denial of a petition is final.

International Students
International students must complete the International Admission Application, available online at http://cuesta.edu/student/servs_classes/admrreg/admissions_international-students/index.html, and the Cuesta College online admission application to receive a form I-20. A $100 processing fee must accompany the International Student Application. This fee is subject to change pending Board of Trustee’s approval.

The student may then apply to his or her embassy to obtain the F-1 visa to study at Cuesta College.

Applications periods are:

- Spring Term: October 1 – December 15
- Summer Session: April 1 – May 15
- Fall Term: April 1 – July 15

International students must meet the following requirements before an I-20 can be issued:

- Certificate of Financial Responsibility providing evidence of ability to pay ability to pay nonresident fees and has sufficient financial resources for physical maintenance, housing, and educational costs for the duration of their studies at Cuesta College to maintain a minimum of 12 credits a semester;
- Test of English as a Foreign Language (TOEFL) proof of passing with a score of 500 or higher.
- Transcripts of International Student Academic Records - Transcripts must be translated into English and must bear the school seal and be signed by the registrar or other appropriate official;
- Health Certification and Insurance which includes a certificate of a negative skin test or a chest X-ray for
tuberculosis and certification of current health insurance coverage which covers accident or illness while in the U.S;

• Attend the international student orientation prior to enrolling in courses.

F-1 students currently attending another accredited post secondary institution in the United States may apply to transfer their I-20 to Cuesta College. Transferring F-1 international students will be required to confirm their academic standing and eligibility to transfer prior to acceptance. Cuesta College reserves the right to deny admission to an international student who is not in good academic standing at their current institution.

ATHLETICS

Location: Building 1300, SLO campus; (805) 546-3207.

Cuesta College is a member of the Western State Conference. Other community college conference members include Allan Hancock, Antelope Valley, Bakersfield, Citrus, College of the Canyons, Glendale, Los Angeles Pierce, Los Angeles Valley, Moorpark, Oxnard, Santa Barbara, Santa Monica, Ventura and West Los Angeles.

Eligibility rules for intercollegiate competition are prescribed by the Constitution of the Community College League of California and its California Community College Athlete Association (CCCAA). In order to participate in intercollegiate sports, the student:

• Must be registered for classes including athletic course no later than one month after the beginning of the semester;
• Must be enrolled in and regularly attending 12 credits or more;
• After the first season of competition, must complete 24 semester credits or 38 quarter credits before the second season of competition in any one sport, including credits earned during the first season of competition;
• Once a student becomes an athlete, he/she must maintain a 2.0 GPA and pass at least 6 units in the preceding term in which the student is enrolled as a full-time student to be eligible for additional seasons of sports;
• Must have a Student Educational Plan (SEP) on file.

These regulations are subject to change by conference officials and by the Community College League of California.

Athletic eligibility is determined in the Admissions and Records Office. Questions may be referred to the Director of Admissions and Records or the Vice President of Student Services (or designee).

Cuesta College Athletics offers a Program Assisting Student-Athlete Success (PASS), which provides confidential, professional, and voluntary assistance to support students in dealing with issues that may be adversely affecting their academic, athletic, or personal performance. Educational programs are provided to offer preventive information, to assist in identifying problems, and to promote the general well-being of student athletes. Appropriate referrals for assistance will be made to campus and community resources.

The PASS program consists of six components:

• Academic Advisement
• Academic Status
• Learning Assistance
• Student Athlete Success Class
• Scholarship Recognition
• Personal Development

Athletes who intend to transfer and compete at a four-year college or university should consult Counseling Services regarding eligibility, degree, and transfer requirements.

BOOKSTORE

Location: San Luis Obispo Campus, Building 5200, Room 5200, (805) 546-3206. North County Campus, Building N1000, (805) 591-6206.

Cuesta College operates a bookstore as a service to Cuesta College students and the community by making available books and instructional supplies required for course work. In addition, the store maintains a wide selection of college supplies, clothing, and other merchandise that contribute to the general educational experience of the student.

The Cuesta Bookstore is a self-service operation open at posted hours. Textbooks go on sale the first day of registration for the following term. Personal checks, VISA, Discover, or Mastercard are accepted for payment with photo identification. Books may be purchased on-line at http://bookstore.cuesta.edu.

Refunds and exchanges are limited to one week from the start of the fall and spring semester, and one week from the start of summer session. The store buys back used textbooks year round.

Other services include textbook rentals, school rings, nursing pins, graduation caps and gowns, and college insignia items.
BUSINESS & ENTREPRENEURSHIP CENTER
(Services to Business and Industry)
Location: Building 2800, SLO campus; (805) 546-3188.

The Business & Entrepreneurship Center (BEC) program works with private, public and nonprofit resources to build strong, sustainable and successful businesses. The result is wealth creation, job creation and retention and better economic health in California.

By partnering with local, well-respected business growth organizations and community colleges, the BEC and the entrepreneurs they serve can tap into an abundance of resources and the know how already in place, thereby enhancing the long-term growth and viability of these companies. The BEC program supports local economic development corporations, chambers of commerce, community-based business outreach centers and other community-based organizations whose primary mission is to assist small businesses.

The BEC Primary Objectives Include:

Conduct community research; create targeted special projects and services that address the unique needs of the region. The BEC will collect and analyze community data and evaluate the economic needs of the region.

Target existing business clients and/or industry sectors most likely to create economic impacts and retain jobs. Clients and/or industry sectors should also have the potential to achieve significant increases in sales investment, and to boost regional economic wealth.

The BEC will provide fee based-technical assistance (i.e. advanced business consulting services) to regional businesses, industry sectors, city & state agencies, and chambers of commerce thereby, to promote and support growth of the regional economy. Areas of expertise include:

- Marketing Strategies

The Director of Business & Entrepreneurship Center at Cuesta also serves as the Deputy Sector Navigator (DSN) for the Small Business Sector in the South Central Region. The role of the DSN for the Small Business sector, is to create alignment around workforce training and career pathways and coordinate the delivery of training programs in their local area and throughout the region. As the regional liaison, the DSN for the Small Business Sector will communicate sector related best practices to the region, promote sector related careers to K-14, identify new courses in entrepreneurship and/or stackable credentials, and foster faculty professional development.

The grant award is the result of an ongoing reorganization effort of the state’s Workforce and Economic Development program titled “Doing What Matters for Jobs and the Economy.”

The goals of the “Doing What Matters for Jobs and the Economy” program are to help close the state’s “skills gap” by providing in-demand skills training for employers, creating relevant career pathways and stackable credential programs, promoting student success and ultimately helping more Californians find employment.

The Strategy of the Doing What MATTERS for jobs and the economy is a four-pronged framework to respond to the call of our nation, state, and regions to close the skills gap. The four prongs are:

- Give Priority for jobs and the economy
- Make Room for jobs and the economy
- Promote Student Success
- Innovate for jobs and the economy

CALWORKS
Location: SLO campus, EOPS/CARE/CalWORKs Office, Library Building, Room 3134, (805) 546-3204; North County campus, EOPS/CARE/CalWORKs Office, Room N3024, (805) 591-6214.

The Cuesta College CalWORKs program provides support, services, and resources to CalWORKs recipients to gain self-sufficiency through education and work experience. To qualify, students must be receiving cash aid for themselves, not just their children. Students will receive priority registration, job placement, and academic, personal and career counseling.

Students must meet the following criteria in order to be eligible for CalWORKs services:

- The participant/student and at least one dependent must be currently receiving cash aid (CalWORKs/TANF) from the Department of Social Services (DSS). Student may be receiving cash aid and expecting a child or receiving cash aid with a child receiving SSI.
- Enrolled or planning to enroll in Cuesta College classes for the current or following semester.
• School as a component of the student’s Welfare-to-Work (WTW) Plan, Self-Initiated Participant (SIP) Plan, or WTW Compliance Plan.
• Cal-Learn participant attending college as part of Cal-Learn activities.

CalWORKs offers a variety of services to assist students in achieving their educational and employment goals with a focus on transitioning off cash aid to long-term financial self-sufficiency.
• Assistance meeting Welfare-to-Work (WTW) or Self-Initiated (SIP) plan requirements
• Coordination with Social Services for educational supplies and supportive services
• Case management
• Guidance applying to Cuesta College, completing financial aid paperwork, and registering for classes
• Access to Priority Registration
• Academic and career counseling
• Employment to meet required work activities through work study or job placement
• Open computer lab with printing and copying
• Development of a resume and a job search portfolio
• Referrals to additional supportive services, on or off campus
• Advocacy and education about Rights and Responsibilities
• Academic success coaching and in house tutoring

CAMPUS POLICE

Location: Building 6600, SLO campus; (805) 546-3205.
North County Campus, Building; (805) 591-6205.

The Mission of the Cuesta College Department of Public Safety and Police Department is to assist the education process by providing a safe and secure learning environment for students, staff, faculty, and visiting members of the community.

We offer a wide range of everyday services in addition to law enforcement responsibilities. These services include escort services, stranded motorist assistance, medical aid, crime prevention information and fingerprint services.

In cases of emergency, we provide immediate responses as well as situational warnings and updates through RE-GROUP notification system. This service is for all students, staff, and the community. To sign up for the service, go to http://cuesta.regroup.com and use your MyCuesta login. RE-GROUP subscribers will not receive spam, and subscriber information will not be shared with third party marketers. Standard text message rates apply. For more information, visit our official RE-GROUP page at http://cuesta.edu/student/findingway/public_safety/alerts.html

We provide Early Warning notices of any criminal assaults or other acts that could pose an immediate threat to anyone on campus. Additional information can be found on the MEGAN’S LAW website.

The Department of Public Safety and Police Department is here to serve the needs of Cuesta College. Please feel free to contact us for additional information or assistance by calling (805) 546-3205.

The Clery Act, passed in 1990, is basically a “student’s rights” document that contains important information about emergencies, evacuations, crime definitions and statistics, how to report a crime, steps that can be taken to prevent sexual and physical assaults, what to do if you are sexually assaulted, available services, and other information relating to crime statistics for the college.

The Campus Sexual Violence Elimination Act is a 2013 amendment to the federal Jeanne Clery Act. SaVE was designed by advocates along with victims/survivors and championed by a bi-partisan coalition in Congress as a companion to Title IX that will help bolster the response to and prevention of sexual violence in higher education. It seeks to address the violence women face on campuses. This legislation updated the Jeanne Clery Act and requires colleges and universities, both public and private to create: transparency, accountability, collaboration, guarantees victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community-wide prevention educational programming. For more information on the SaVE Act, contact us at (805) 546-3205 or pick-up a booklet at the Campus Police (6600 Bldg).

To reach the Clery Act information, use the Cuesta College Police Department website at http://cuesta.edu/student/findingway/public_safety/clery_act.html and use the "Clery Act" link.

CAREER CONNECTIONS
(Job Placement)

Location: Career Connections, Student Center, Room 5310, SLO campus; (805) 546-3252. Continuing Education Center, Building N3032, North County Campus, (805) 591-6273

Career Connections provides a centralized location where students can identify and receive information about available full and part-time jobs in the community as well as access to job search resources available at Cuesta College.

In collaboration with ASCC, Student Life and Leadership, Counseling, the Career Transfer Center, and others, Career
Connections offers students access to practical workplace experience that relates to the educational goals and academic achievement of the Cuesta student.

Career Connections also provides a centralized location for local businesses to post job openings, conduct interviews, and meet with students on a formal or informal basis.

**CHILDREN’S CENTERS**

Location: Building 4000, SLO campus; (805) 546-3285. Building N4022/N4036, North County Campus, (805) 591-6292.

The Cuesta College Children’s Centers programs are laboratory schools for Early Childhood Education degree students to complete their teacher training courses. Cuesta College has two children’s lab programs, at the San Luis Obispo campus, and at the North County campus in Paso Robles. These programs are licensed, planned, facilitated, and operated by Early Childhood Education professional staff and administration.

Our children’s enrichment programs are open Monday - Thursday, 7:30 am - 4:30 pm, and Fridays from 7:30 am - 12:30 pm. We follow the campus academic calendar, closed for national holidays, campus holidays, campus board holidays, and during semester breaks. We are licensed for children from 18 months to five years of age with priority for enrollment being student parents attending classes on campus, Cuesta faculty & staff, and then community at large.

Each semester we start a new waiting list for the following semester. At the end of August we begin the wait list for spring semester, and in January we begin the wait list for summer and fall semesters. To inquire about the children’s programs and waiting list for the San Luis Obispo campus, please call (805) 546-3285. For the North County campus, please call (805) 591-6292. You will find fees and more information about our programs at the Cuesta College web site, at the search window type in Children’s Centers or find us in the department directory at the bottom of the page.

The Cuesta College Children’s Programs are fee based (check the web site for fee plans). Many student families have been helped financially through the Community Action Partnership of San Luis Obispo (CAPSLO) Child Care Resource Connection. To find out if you qualify for help with child care fees, please call CCRC and ask about the subsidized child care program. (805) 541-2272.

In addition to the Children’s Lab School, CAPSLO operates Head Start and Early Head Start Programs at the San Luis Obispo campus. To find out about hours of operation, eligibility and the waiting lists for these programs, please call CAPSLO at (805) 544-4355, or call these programs directly. For the Early Head Start program (805) 546-3100, extension 2642, and for the Head Start Program (805- 546-3100, extension 2638.

**COMMUNITY PROGRAMS**

Location: Building 4700, SLO Campus, (805) 546-3252

Cuesta College Community Programs provides a comprehensive source for lifelong learning, career education, recreation opportunities, and cultural development in a friendly, accessible environment for people of all ages. For more information call (805) 546-3252, FAX (805) 546-3107, or visit [http://www.cuesta.edu/communityprograms](http://www.cuesta.edu/communityprograms).

Cuesta’s community education, special events, recreation programs, and aqua fitness classes serve four essential functions in the college district:

- To contribute to the cultural, intellectual, recreational, and social life of the residents of the District, and to offer training for workforce improvement.
- To develop leadership and provide educational services which utilize special skills, interests, and knowledge of college faculty and other professional community instructors.
- To be a center of community life by scheduling college facilities and services on an extended and year-round basis for individuals, families, and community groups.
- To collaborate with community groups, county organizations, and businesses in developing programs and educational services for comprehensive coverage of the district.

**COOPERATIVE EDUCATION WORK EXPERIENCE**

Cooperative Work Experience is a collaborative program between students, community employers, and Cuesta College. This course provides the opportunity to earn credits for working, either in a general capacity or toward a major/career path. Staff advisors guide students in accomplishing specific, measurable, and attainable job objectives, with the purpose of leading to successful outcomes. Students learn practical methods for improving communication, teambuilding, and goal-setting skills. For more information about Work Experience and program requirements, call (805) 546-3100, ext. 2522.

**COOPERATIVE AGENCIES AND RESOURCES FOR EDUCATION (CARE)**

Location: SLO campus, Library Building, Room 3134, (805) 546-3144; North County Campus, Building N3024, (805) 591-6214.

Cooperative Agencies Resources for Education (CARE) is a state-funded program to assist students 18 years or older who are single head of households with child care
expenses. You must be accepted into the EOPS program, receive cash aid from the Department of Social Services, and have a child under the age of 14. Once accepted into the program you will be eligible for grant monies to help cover child care and transportation costs.

**CARE Eligibility:**
- Apply for financial aid and be accepted in the EOPS program
- Must be currently receiving TANF (Temporary Aid to Needy Families)
- Must be at least 18 years old and a single head of household
- Must have at least one child under 14 years old

**CARE Services:**
- Academic and personal counseling to develop coping strategies to meet the added demands of school and home
- Invitations to workshops which address the specific concern and issues that affect single parents
- Grant aid monies to help cover childcare and transportation costs

**Cooperative Agencies and Resources for Education (CARE),** administered by EOPS, helps single CalWORKs/Temporary Assistance for Needy Families (TANF) parents by providing support activities related to parenting and student success. Services include referrals to support services, a child care/transportation grant, and workshops for single parents.

**COUNSELING SERVICES**

**SLO Campus:** Library Building 3100, Room 3131, first floor, Window 7; (805) 546-3138.
**NCC Campus:** Building 3000, Room 3011; (805) 591-6241

The mission of Counseling Services is to help students reach their educational and career goals. The specific goals are to assist students with the effective use of campus learning resources, student services, and educational opportunities. Counselors assist students in determining, analyzing, and understanding their interests, aptitudes, abilities, limitations, and opportunities. Counselors are also skilled in providing personal counseling assistance to students as it relates to achieving their educational objectives.

Counselors are available throughout open office hours at the drop-in windows located in Building 3100, Student Service Center, for quick consultations. Counselors provide information about certificate, degree, and transfer requirements, and college policies and procedures. Students should contact Counseling Services Office or the counseling webpage at www.cuesta.edu/student/counseling to schedule private half-hour appointments with counselors. Students should, before the time of their appointments, study this catalog, the catalog of any college or university to which they may seek transfer, and the schedule of classes for the upcoming term at Cuesta.

To obtain the most benefit from the appointment, students need to be able to discuss their long-range educational goals as well as the courses desired in the ensuing term. Students are responsible for making final decisions concerning their college programs.

New students are expected to complete the online orientation and abbreviated student educational plan (SEP) prior to registering for courses. Once an Application for Admissions has been submitted and confirmation has been received, the online orientation is available to all Cuesta College students by logging into my.cuesta.edu. The online orientation allows students to choose their goal (AA, CSU, or UC) and proceed on the appropriate path to accomplish their goal.

In-person myCuesta Monday or Welcome Wednesday follow-up orientations facilitated by Cuesta College counselors, after student have completed the online orientation, are held during the summer months. Please call the Cuesta College Assessment office at (805)546-3951 for dates and to reserve a spot. By the end of the orientation, students will have developed a plan of classes to take their first semester at Cuesta College. All students are encouraged to meet with a counselor for educational and career planning. Counselors help students write individual Student Educational Plans (SEP) that list all the courses needed and in the correct sequence to reach their educational goals.

Appointments to meet with a counselor may be made one week in advance beginning the first working day of the week and are available from 8:30 a.m. to 4:00 p.m. Monday through Thursday and from 10:30 a.m. to 4:00 p.m. on Friday.

**EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)**

Location: SLO campus, Library Building, Room 3134, (805) 546-3144; North County Campus, Building N3024, (805) 591-6214.

**Resources available online, for the convenience of our students including those attending via distance education:**
• EOPS Application Process: [http://www.cuesta.edu/student/servs_classes/eops/eops_application.html](http://www.cuesta.edu/student/servs_classes/eops/eops_application.html)

Extended Opportunity Program and Services (EOPS) is a California state-funded program that provides an accessible and rewarding college experience to low-income students facing social, economic, and educational disadvantages. The program was established in 1969 by the California Legislature with the goal to provide access and educational equity for community college students.

To qualify, a student must:
• Be a California resident or Dream Act Student;
• Qualify for the Board of Governors’ Fee Waiver (BOGW) A or B;
• Be enrolled as full-time student at Cuesta;
• Have completed less than 70 units of college work;
• Be educationally disadvantaged, as determined by the EOPS criteria.

**Services available for eligible students:**
• Career, academic and personal counseling
• A book voucher to help with the cost of textbooks
• EOPS/CARE lending library
• Priority registration
• Registration assistance
• Assistance with completing financial aid applications
• Workshops
• Referrals to tutorial services and community resources
• Network with four-year institutions
• Annual social activities
FINANCIAL AID

Asistencia Financiera Se habla Español: (805) 546-3100 ext. 2322 o (805) 591-6202.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- FAFSA application: at: www.fafsa.gov
- Check your financial aid status at your myCuesta portal: https://my.cuesta.edu/cp/home/displaylogin
- Financial aid TV: http://cuesta.financialaidtv.com/
- US Department of Education: www.studentaid.gov/

Financial aid programs are available to help students who might otherwise be unable to complete their education. Students may apply for financial aid in the form of grants, student loans, work study and scholarships.

Congress has established policies and procedures that are used throughout the nation in determining a student’s ability to pay for college. The basis of these policies is the belief that students and their families have the primary responsibility for meeting educational costs. The amount of the contribution expected from students is determined by careful analysis of the family’s financial strength, taking into consideration a number of factors, including adjusted gross income, family size, the number of dependents attending college, allowable expenses, and assets.

DEPENDENCY STATUS
Dependent students are required to provide data for both themselves and their parents, while independent students are required to provide data for themselves and their spouses (if married).

In order to be considered an independent student, a student must:

- Be at least 24 years old or turn 24 during the first portion of the academic year;
- Be married on the day you file your FAFSA;
- Be a parent and be able to financially support your child;
- Have dependents other than your spouse who live with you and who receive more than half their support from you at the time you apply;
- Be an orphan (both parents have deceased);
- Be (or were until age 18) a ward or dependent of the court;
- Be currently serving on active duty in the U.S. Armed Forces for purposes other than training;
- Be a veteran of the U.S. Armed Forces;
- Be a foster child or in foster home sometime after the age of 13;
- Be an emancipated child as determined by a court judge; OR
- Be homeless or at risk of homelessness as determined by the director of a HUD approved homeless shelter, transitional program, or high school liaison.

If none of the above criteria apply to the student, then the student is considered to be a dependent student—even if the student can claim themselves on their taxes.

In unusual circumstances—such as abandonment, parent’s incarceration, or an abusive family environment—the Financial Aid Office has the authority, through Section 480(d)(7) of the Higher Education Act, to change a student’s status from dependent to independent. If you feel your circumstances warrant a change in dependency status, please contact the Financial Aid Office for more information.

FAFSA
Cuesta recommends use of the Free Application for Federal Student Aid (FAFSA). This single application allows aid administrators to determine your eligibility to receive the Board of Governor’s fee waiver, Pell Grant, Supplemental Educational Opportunity Grants, Federal Work Study, Cal Grants, Direct Loans, and many scholarships.

A separate FAFSA must be filled out for each academic year. The 2016-17 FAFSA is already available and the upcoming year’s application is made available online (www.fafsa.ed.gov) starting on October 1.

CALIFORNIA STUDENT AID PROGRAMS
The Board of Governor’s Fee Waiver (BOGW)

The BOGW waives enrollment fees for California residents who are eligible under one of the following methods:

Method A
A student is eligible under Method A if they:

- Received TANF, CalWORKS, SSI, or General Assistance payments in the last two years (2013 or 2014 for the academic year 2015-2016);
- Are a dependent student and one of their parents received such assistance;
- Have certification from the California Department of Veterans Affairs or the National Guard Adjutant General stating that the student is eligible for the waiver;
- Are a recipient—or the child of a recipient—of the Congressional Medal of Honor;
- Are a dependent of a victim of the September 11, 2001 terrorist attack; OR
- Are a dependent of deceased law enforcement or fire suppression personnel who were killed in the line of duty.
Method B
Eligibility is based on household size and total family income (adjusted gross income plus all other untaxed income).

Family Income Standards for 2016-2017

<table>
<thead>
<tr>
<th>Family Size</th>
<th>2015 Income</th>

Each Additional Family Member $6,240

Method C
A student is eligible under Method C if the student has completed a FAFSA or California Dream Act Application for the correct academic year and they are determined to have a financial need of $1,104 or greater. Financial need is determined by subtracting the estimated family contribution from the student’s cost of attendance budget.

Loss of BOGW Eligibility
If you have been on either academic or progress probation for two consecutive terms, you will lose your eligibility to receive the BOGW. You will be able to regain eligibility by:

- Improving your GPA / Course completion in order to meet academic and progress standards;
- Not attending Cuesta College for two consecutive primary terms (Fall & Spring or Spring & Fall); OR
- Filing a successful appeal due to extenuating circumstances.

NOTE: Foster youth and former foster youth (age 24 years and younger) are not subject to loss of the BOG Fee Waiver under these regulations.

Cal Grants
The Cal Grant program is designed to help low-income California residents with the costs of pursuing undergraduate education at California institutions. There are two programs that are available to Cuesta College students: Cal Grant B and Cal Grant C.

- Cal Grant B provides a living allowance (and sometimes tuition/fee assistance) for low-income/disadvantaged students with high potential.
- Cal Grant C assists vocational students with tuition and training costs. Students must be enrolled in an eligible vocational program at Cuesta College from four to twenty-four months in length.

In order to apply for a Cal Grant, students must complete the FAFSA or California Dream Act Application for the upcoming year by March 2.

California Chafee Grants for Foster Youth (https://www.chafee.csac.ca.gov/)
Chafee grants provide up to $5,000 a year to youth who are or were in the foster care system.

To qualify, a student must be a current or former foster youth who has not reached his/her 22nd birthday as of July 1 of the award year. Additionally, the court must have established the student’s dependency status between the ages of 16 and 18.

To apply, complete both the FAFSA and the online California Chafee Grant Application available at https://www.chafee.csac.ca.gov.

AB-540 Students
Students who have AB-540 status are eligible for a number of financial aid programs that are ordinarily restricted to California residents:

- Board of Governor’s Fee Waiver
- Cal Grant B Community College Transfer Entitlement Award
- Cal Grant C
- Extended Opportunities Programs and Services (EOPS)

To apply for these programs, students must complete the following:

- Submit the non-SSN GPA verification form to the California Student Aid Commission (if necessary) by March 2.
- Complete the EOPS application. (For application and deadline information, contact the EOPS office at 546-3144)

INSTITUTIONAL AID
In addition to government funding, Cuesta College offers two institutional sources of financial aid: the Cuesta College Scholarship program and the ASCC Book Loan program.

Cuesta College Scholarship Program (https://cuesta.academicworks.com/users/sign_in)
This program, made available through private donors, offers over 150 scholarships to current Cuesta students and incoming freshmen. Each scholarship has its own set of eligibility requirements, but most scholarships require an overall GPA of at least 2.0. When deciding who to award, the committee an emphasis on the short answers submitted with the application, but also considers academic performance and financial need.

To apply for the Cuesta College Scholarships, please complete both the FAFSA and the online scholarship application prior to March 2 of the award year.
ASCC Emergency Book Loan
The Associated Students of Cuesta College created this program to assist students who have not yet received financial aid but need to purchase books. Vouchers are used in the bookstore to cover up to $300 of textbooks. This program opens the week prior to the Fall and Spring terms and closes at the end of the first week of classes.

In order to be eligible for an emergency book loan, a student must:

- Be enrolled in at least six units
- Submit a FAFSA
- Purchase an ASCC ID card for the current term
- Have the means to repay the loan without using financial aid to do so

To apply, please contact the Financial Aid office in the week prior to the Fall or Spring term.

FEDERAL STUDENT AID PROGRAMS
General Eligibility Requirements
In order to receive federal student aid under any of the programs listed below, a student MUST:

1. Be a U.S. citizen or an eligible noncitizen;
2. Have a valid Social Security Number;
3. Have a high school diploma or a General Education Development (GED) certificate (if you are a home school graduate, contact the financial aid office);
4. Enroll in an aid-eligible program as a regular student seeking an associate degree, transfer degree, or certificate;
5. Register with the Selective Service* (if male);
6. Make satisfactory academic progress (see our SAP policy below);
7. Not be in default or delinquency on federal education loans, or owe any federal grant money to any institution;
8. Not be ineligible due to convictions for any offense involving the possession or sale of illegal drugs while receiving Title IV federal financial aid;

*All male U.S. citizens (and eligible noncitizens) between the ages of 18 and 26 must register with the Selective Service.

Federal Pell Grant
The Pell Grant program provides aid to eligible students with financial need to cover educational expenses. The amount that one receives is based primarily on the student’s expected family contribution and the number of units in which the student is enrolled. For the 2016-17 Pell Grant award year, the maximum annual Pell Grant award is $5,815.

<table>

<td>Half time (6 – 8.5 units)</td>
<td>2908</td>
</tr>
<tr>
<td>Less than half time (less than 6 units)</td>
<td>1454</td>
</tr>
</tbody>
</table>

A student is only eligible to receive Pell Grant for the equivalent of 12 semesters at full-time enrollment status, regardless of the dollar amount of those awards.

NOTE: Pell Grants do not require repayment as long as the student remains in the same number of units that they were at the time of the first disbursement of the year. However, students that drop classes after the time of the first disbursement may be required to pay back the difference between the amount that they were paid and the amount for which they qualify after reducing their number of units.

Federal Supplemental Educational Opportunity Grant (SEOG)
Limited funding is awarded to Pell Grant recipients with the highest need.

Federal Work Study (FWS)
Federal work study awards allow students to find jobs on campus and in the community that are paid out of a fund. Students must meet all of the eligibility requirements for federal student aid and be enrolled in at least six units.

The William D. Ford Federal Direct Loan Program
This government program offers low-interest loans to eligible students who are enrolled in at least six units. There are two types of student loans: subsidized and unsubsidized.

Subsidized Direct Loan
The federal government subsidizes (pays) any interest that student loans accrue while the students are still enrolled in school at least half-time.

Unsubsidized Direct Loan
Students are required to pay the interest while they are in school. Interest payments may be deferred while the student is in school, but the accrued interest will be capitalized.

Interest rates and loan origination fees are not published in this catalog as they are subject to change after the date the catalog will be published. Although the interest rate varies from year-to-year, the loan will be fixed at that rate once it has been originated. For the latest information on interest rates, visit this webpage: https://studentaid.ed.gov/types/loans/interest-rates.

Repayment begins six months after students graduate, withdraw from school, or drop below half-time enrollment status.

New legislation limits eligibility for Direct Subsidized
Loans to 150 percent of the length of the student’s academic program for new borrowers beginning on or after July 1, 2013. The 150 percent change means students in a two-year program will be eligible to receive subsidized student loans for the equivalent of three years. Note that the federal subsidy can be lost in some cases where a student moves from a longer academic program to a shorter academic program.

First-time borrowers are required to complete the online Student Loan Workshop as part of their entrance counseling.

**Federal Direct Parental Loans (PLUS)**
Parents of dependent students may apply for a Direct PLUS Loan to help pay their children’s education expenses as long as certain eligibility requirements are met.

For more information, please visit: https://studentaid.ed.gov/types/loans/plus
SATISFACTORY ACADEMIC PROGRESS (SAP)
Cuesta College has recently revised its Satisfactory Academic Progress (SAP) Policy to promote the academic planning and success of its students with financial need. In order to receive federal financial aid, students must make satisfactory academic progress as defined in this policy. The Financial Aid Office checks your progress using the standards detailed below at the end of each term. It is your responsibility to meet these standards.

Note: All periods of enrollment will be evaluated regardless of whether or not financial aid was received. Additionally, federal regulations require that any courses excluded from GPA by an academic renewal process must be included in the SAP review.

SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS
A student must maintain ALL of the following standards or they will be ineligible for federal student aid.

<table>
<thead>
<tr>
<th>Standard</th>
<th>Minimum Requirement for all coursework attempted</th>
</tr>
</thead>
<tbody>
<tr>
<td>Qualitative (GPA)</td>
<td>Term GPA is at least 2.0 AND cumulative GPA is at least 2.0</td>
</tr>
<tr>
<td>Quantitative (completion rate)</td>
<td>Student must pass 67% of units attempted each term (and cumulatively).</td>
</tr>
<tr>
<td>Maximum Time Frame (attempted units)</td>
<td>Attempted units may not exceed 150% of the number of units required to complete your educational objective</td>
</tr>
</tbody>
</table>

ATTEMPTED UNITS AND COMPLETION RATE
For the purposes of SAP calculations, attempted units include all units in which a student has enrolled regardless of whether or not they finished the class or received a grade for their work. Courses that are dropped prior to the census date will not be included, but any course that receives a grade of W or FW will be included in the calculation.

In order to retain eligibility for financial aid, a student must complete 67% of the units they attempt in a given term, as well as 67% of their overall attempted units.

Below are some examples of how completion rate is calculated:

<table>

*Student must still meet all other SAP requirements, including overall completion rate, to be eligible for federal student aid.

**GRADES**

Grade symbols of A, B, C, D, or F received at Cuesta College will be used to calculate grade point average (GPA). Courses completed with CR, P, I, NC, NP, W, or WF will NOT be used in calculating a student's GPA, but they will be used in the determination of the other SAP standards.

**MAXIMUM TIME FRAME or EXCESSIVE UNITS**

If a student attempts more than 150% of the units required to complete the educational goal (degree or certificate) that they have declared to the Admissions and Records office, they are ineligible for federal student aid.

<table>
<thead>
<tr>

*Certain certificate programs (e.g. nursing) require more than 24 units to complete and this higher amount will be used to calculate eligibility in the SAP review process. In some cases, however, an appeal may still be requested in order to document eligibility.
DETERMINING SAP STATUS

The Financial Aid office evaluates SAP at the end of each term to determine students’ eligibility for financial aid. Based on their academic performance, a student is placed in one of the following statuses:

<table>
<thead>
<tr>

<tr>
<td></td>
<td></td>
<td></td>
<td>1. Pass all attempted classes. No W, F, NC, FW or incomplete grades are allowed.</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>2. Earn a GPA better than 2.0 for the term.</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>3. Only take courses that count towards the student’s declared goal (as indicated in the myCuesta Pathway application, excluding unnecessary electives if student has attempted excessive units).</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>Students on probation status who follow the above rules will have their eligibility extended at subsequent reviews in the same academic year.</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>Students must file a new appeal every academic year regardless of any prior appeal approvals.</td>
</tr>
</tbody>
</table>

APPEAL PROCESS

If students have experienced extenuating circumstances that affected their academic performance, they may submit a SAP appeal to the Financial Aid office. Appeals are evaluated on a case-by-case basis by a team of financial aid professionals with the capacity for professional judgment. There is no guarantee that an appeal will result in financial aid being revised and/or reinstated. If a student wishes to contest a decision made by the Financial Aid Office, they may appeal one more time to the Director of Financial Aid. The determination of the Director of Financial Aid is final.

Appeals may be filed in the following situations:

- Serious illness or accident, death in family, or other family emergency
- Withdrawal for military service
- Other documentable extenuating circumstances

Appeal forms for the current academic year may be requested from the Financial Aid office in person or online. Appeals may be submitted in-person or via e-mail from the student’s Cuesta e-mail address. In all cases, the appeal request must be filed by the student prior to the deadline stated on the appeal form.

To file a successful appeal, a student must:

1. Complete all of the steps indicated on the SAP appeal form for the correct academic year and term;
2. Attach a personal statement that explains the reasons for the student’s inability to meet SAP standards and how that situation has been resolved;
3. Provide official documentation (third-party confirmation of the situation, ideally from a professional source like a doctor, counselor, instructor, etc.) of any circumstances mentioned in the personal statement;
4. Attach a student attendance and progress report, if appeal is submitted after certain points in the term (see appeal form for details).
SAP “RESET” POLICY
Students who have changed their major or program of study are able to have their SAP eligibility re-calculated solely on the basis of grades and units that are applicable to their current program. A student may receive such a “reset” only once during their time at Cuesta.

However, students that have been accepted into certain programs may be eligible for an additional reset. In order to receive an additional “reset”, a student must file a SAP appeal and be enrolled in a program that satisfies the following conditions:

1) The program has its own admissions process separate from that used by Cuesta College at large.

2) Students in the program progress through a set of mandatory coursework across multiple terms.

Examples of programs that would currently qualify for a “reset”: Registered Nursing, Licensed Vocational Nursing, and Psychiatric Technician.

Once an additional “reset” has been granted, no further resets will be allowed.

COURSE REPETITION
For financial aid purposes, courses may be repeated consistent with district academic standards, as identified in the college catalog. However, all repeated units will count toward Maximum Time Frame. Students may receive financial aid for repeat course work which they have previously passed only once.

There is an exception for courses which require repeats. Students taking a required repeat course should work with the Financial Aid Office to ensure those credits are counted appropriately for financial aid eligibility. Students may need to provide documentation regarding the requirement to repeat.

FINANCIAL AID ELIGIBILITY FOR REMEDIAL AND ESL COURSEWORK
Students are allowed to receive financial aid for remedial units if the remedial classes are a prerequisite for entrance into a regular college program. Financial aid cannot be received for more than 30 attempted units of remedial classes. Remedial units must be taken in recommended sequence.

ESL coursework must be part of an eligible program of study to receive financial aid. ESL coursework is not an approved program in itself. A student enrolled in ESL classes, who is not in an eligible program of study, is not eligible for federal student aid.

EVALUATION OF ESL COURSEWORK IN A SAP REVIEW

<table>

<tbody>
<tr>
<td>Qualitative (2.0 GPA, term and cumulative)</td>
<td>ESL courses that are given letter grades (A,B,C,D,F) will be included in the determination of whether students meet this standard.</td>

<td>All ESL courses are included in the determination of whether students meet this standard.</td>
</tr>
<tr>
<td>Maximum Time Frame (Total attempted units)</td>
<td>No ESL courses are counted towards the maximum time frame standard.</td>
</tr>
</tbody>
</table>

TRANSFER CREDITS
All transfer credits that Cuesta evaluators have determined will count toward the student’s current program will also be included in the calculation of overall attempted and completed hours. They will not be included in the calculation of overall GPA.

Federal Return of Title IV Funds Policy
Title IV (federal student aid) recipients who withdraw completely before completing 60% of the term for which the student has been charged will be required to return a portion of the Title IV funds they received. The return amount will be calculated using the number of days the student attended in the given term and the total number of days in the given term.

Return of Overpayment
Title IV financial aid recipients who withdraw from all classes—or are administratively withdrawn from all classes—may be required to return a portion of the financial aid they received. The Financial Aid office will calculate the percent of financial aid earned and unearned for the given term. Title IV financial aid recipients who receive an overpayment resulting from changes in enrollment, cost of attendance, general eligibility, and additional financial aid award(s) will be required to return funds in the amount necessary to eliminate the overpayment. The student will be notified if they are required to return any Title IV funds. Students that fail to return Title IV funds are ineligible for federal student aid.

Order of Return of Title IV funds
All returns will be distributed to the student financial assistance programs in the order below with the following exceptions: Title IV funds required to be returned by the student will not be distributed to a

Federal Direct Loan Program and no returns shall be distributed to the Federal Work Study Program.

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct PLUS Loan
4. Federal Pell Grants
5. Federal SEOG Program
6. Other Title IV Programs
7. Other Federal and State Programs
8. Institutional or Agency Programs

The Dean of Student Services will make available the institutional accreditation documents and the Title IV participation agreement upon student request. The Title IV school code for Cuesta College is 001192.

INSTITUTE FOR PROFESSIONAL DEVELOPMENT

The Institute for Professional Development (IPD) addresses the Cuesta College mission to support economic growth through assessment, training, coaching, consulting, and facilitation. Training and support services are offered either on or off campus, with flexible hours, no prerequisites and no grades. Business support is delivered through customized contract training for individual company needs, and one-on-one consulting. IPD a staff of professionals, certified trainers, Cuesta College faculty, and industry specialists. IPD is a fee-based program. Training costs are highly competitive. For more information, contact the Institute for Professional Development, Cuesta College at (805) 546-3180, fax (805) 546-3107.

LIBRARIES

Location: San Luis Obispo Campus, Building 3200, Room 3200, (805) 546-3155. North County Campus, Building N3100, Room N3113, (805) 591-6200, Ext. 4410.

The Cuesta College Libraries support the educational program of the college. Books, periodical subscriptions and audiovisual materials are closely coordinated with curriculum offerings. Holdings include general education and career and technical education materials, and other resources for updating and increasing skills and knowledge.

Comparable services are provided to distance education students and students at off-site locations. The library’s catalog and periodical databases are online, and accessible around the clock to all students with Internet access. An increasing portion of the library collections, including nearly 13,000 e-books and virtually all journal content, is digital and available online. A proxy server enables secure remote access via a student’s myCuesta login.

To assist students and community residents with their informational and research needs, librarians are available at the Reference desk and via telephone, email, and Internet chat whenever the library is open. College librarians hold advanced degrees and as part of the college faculty teach research and information literacy skills and help students locate the best resources for their educational needs.

Library facilities include areas for studying, photocopying, computer use, viewing audio/visual materials, and library instruction. Comfortable surroundings invite leisurely browsing, reading and viewing, and provide a quiet place for contemplation and learning.

To borrow library materials, students must show photo identification. Community residents must show a current I.D. with local street address to use a courtesy library card.

Open computer labs on the San Luis Obispo and the North County campuses are provided for academic use. Workstations are equipped with most software taught at Cuesta so that students can work on class projects outside of scheduled lecture and lab times for their courses. One lab on each campus is adjacent to or in the Library. Smaller and more specialized labs are also available on the San Luis Campus on a more limited basis.

NONCREDIT (ADULT EDUCATION COURSES)

Cuesta College noncredit program offers students access to a variety of no cost courses and certificates that can assist them in reaching their educational, personal, and professional goals. Noncredit courses are intended to provide students with lifelong learning, college transfer, and career preparation opportunities.

To make the classes and programs more accessible, classes are offered throughout the district at all three campuses, as well as K-12 schools throughout the county and in rural communities, libraries, churches, and community centers.

The classes may vary in length and time to meet the needs of diverse students. Although some classes are tailored for a specific student constituency, all classes are open to the public. No enrollment fees are charged for the noncredit classes. Students who take classes on the one of the three Cuesta College campuses will be required to purchase a parking permit.

Noncredit certificates of completion are offered in Adult Basic Education, English as a Second Language, and Vocational English as a Second Language.

Student Services

Admissions and Registration

For Noncredit-Adult Education offerings, admission and registration is completed with noncredit support staff. Students may register for most courses at any time during the semester, on a space available basis. However, enrollment in ESL and/or Adult Basic Education courses REQUIRES assessment and orientation prior to registration. For more information, contact (805) 591-6273.

Assessment

ESL students must be assessed prior to enrollment. Placement testing is offered year-round. Multilingual assistance is available. For more information, contact (805) 591-6273.

Adult Basic Education students are assessed prior to enroll-
ing in courses. Additional assessments are available for specific needs. Basic skills assessment services include testing for academic skills levels, learning strengths, and career goals. For more information, contact (805) 591-6273.

Orientation
ESL and Adult Basic Education students must attend an orientation session prior to registration. Orientation sessions are generally offered immediately after assessment.

Counseling and Advisement
Educational advisement services for noncredit students are available throughout the semester through the Noncredit Adult Basic Education Office. The Noncredit Program provides counselors and educational advisors to serve their students. Assistance to all noncredit students included development of Educational and Career Plans, identification of personal, academic, and career goals, career skill practice and resources, transitioning to credit programs, and assessment of special needs. For more information, contact (805) 591-6273.

Fees and Expenses
There is no tuition for noncredit courses. However, all students who park on the Cuesta College campus must have a valid, current parking permit. Students parking permits may be purchased at the Public Safety Office. One-day parking permits may be purchased at various parking lots on campus. Books and supplies needed for a class are the responsibility of the student.

ONLINE SERVICES AND DISTANCE EDUCATION

Distance Education courses are those in which the instructor and student are separated and interact through the assistance of communication technology. They are offered as “fully online” (with no required on-campus sessions), “hybrid” (51% or more online) or “blended” (less than 51% online). The full definition of Distance Education, and the means by which the college verifies student identity in distance education courses, is contained in the district’s Administrative Procedure 4105 (http://academic.cuesta.org/president/BRDPOLREV08.HTM.)

Courses offered through Cuesta College’s Distance Education program are equivalent to the classroom-based version in course content, textbooks, required assignments, exams, study time, etc. The only difference is the method in which the course is delivered.

Students in Distance Education courses are able to access support services such as counseling, technology help desk, and library services remotely.

STUDENT HEALTH SERVICES

Location: Student Health Center, Building, 3100, Room 3150, SLO campus; (805) 546-3171. Building N3025, North County campus, (805)591-6200 Ext. 4207.

Resources available online, for the convenience of our students including those attending via distance education, may be accessed at http://cuesta.edu/student/servs_classes/healthcntr.

This site includes a link to Student Health101, a monthly online magazine and archives with information on student wellness, alcohol and drug awareness, mental health, fitness, nutrition, aspects of sexual assault awareness and education among other topics important to students.

The Student Health Center, in San Luis Obispo Campus Building 3100, Room 3150 is normally open during the day when classes are in session and is open for limited evening hours. In addition, the college operates a Student Health Center at the North County Campus in Building 3025 with limited hours. For specific information on hours, or to make an appointment, call the San Luis Obispo Campus center at (805) 546-3171, or the North County Campus center at (805) 591-6200, ext. 4207.

The goals of the Student Health Center are to help students achieve and maintain optimal physical, mental and emotional health, and to educate students toward taking responsibility for their own health and wellness. All students who have paid the health fee are eligible to receive free and low cost services provided by an outstanding team of professionals.

**STUDENT LIFE & LEADERSHIP**

**Location:** Student Center, Building 5300, Room 5301, SLO campus; (805) 546-3289.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Student Life and Leadership Activities Calendar
- Campus Tours
- Housing Resource Information
- ASCC Agendas and Minutes
- Voter Registration
- Student Life and Leadership may be found at [http://cuesta.edu/student/forstudents/studentlife](http://cuesta.edu/student/forstudents/studentlife).

The purpose of the Student Life & Leadership program is to assist the student population in the development of programs that serve and actively involve a wide range of students. Opportunities for personal growth are extended to students through leadership courses and programs, clubs and organizations, and campus events produced by the students themselves.

Student Life and Leadership (located in the Student Center) coordinates campus programs and services which include:

- Associated Students of Cuesta College (Student Government)
- Campus Tours*
- Housing Resource Information
- Student Photo ID
- Free Legal Counseling (with valid Student ID Card)*
- ASCC Social Club*
- Clubs and Organizations
- Cultural Center*

* SLO campus only.

**Student Activities**

Cuesta College’s student government develops a broad spectrum of activities, programs, and services for the student body. Its goals are to provide social contact, entertainment, and leadership opportunities for the campus community. Extracurricular activities foster a sense of unity among individuals, as well as among student groups pursuing specialized interests.

The complete planning and production of various events provide excellent experience for student leaders and enjoyable activities for all. Lectures, film series, forums, bands, community awareness programs, and seasonal and special events are all within the scope of student government sponsorship.

The broad array of student activities involves the educational experience of all members of the Associated Students of Cuesta College. Students plan and develop them and, by taking an active role, experience a personal satisfaction and growth beyond their academic pursuits.

An activities calendar may be found at: [cuesta.edu/student/forstudents/studentlife/sll_calendar.html](http://cuesta.edu/student/forstudents/studentlife/sll_calendar.html)

**Associated Students of Cuesta College**

The Associated Students of Cuesta College (ASCC) operates under regulations authorized in the California Education Code and in the policies of the Cuesta College Board of Trustees. The ASCC is the college’s official student government organization.

The ASCC is established to promote the general welfare of Cuesta College students; to guarantee equality of opportunity among students; to offer an experience in practice of the American democratic government; and to encourage student participation in, planning for, and involvement in a comprehensive program of student activities. It offers students opportunities to participate in social and cultural events, to share in governance activities, to interact with professionals, and to create and administer their own organizations and programs.

**Student Organizations**

The college and the ASCC grant recognition to campus organizations including honor societies, service and religious organizations, those with an ethnic/multicultural focus, and departmental and special interest groups. The varied types of clubs not only offer an opportunity for social life but also make a fine contribution to the development of student leadership. Membership and active participation in a reasonable number of these organizations are strongly recommended by the college.

**STUDENT SUCCESS CENTERS**

**Location:** Building, 3300, SLO campus; (805) 546-3100 Ext. 3150. Building N3130, North County campus, (805) 591-6245.

The Cuesta College Student Success Centers strive to:

- Promote the academic skills, learning strategies, and attitudes necessary for student success in all disciplines.
- Create a responsive, accessible, and learner-centered space for students to attain independent learning and achieve their personal, educational, and vocational goals.
- Support the instructional objectives of faculty by advancing the Student Success Centers as curricular extensions of the classroom.
- Enhance collaboration with the college community regarding the short- and long-term goals of the Student Success Centers.
This mission is fulfilled by offering the following learning and teaching assistance to students and faculty and is supported by the Student Development and Success Division.

ACADEMIC SUCCESS WORKSHOPS are offered throughout the year. Sample workshops include test preparation, memory techniques and time management. Workshops are open to all students free of charge. Workshop topics and schedules are posted at the beginning of each semester. Please check the Student Success Centers’ website for more details.

ACADEMIC SUPPORT LAB is available to any Cuesta College student who wishes to improve his/her academic and learning skills. Students may come in for a comprehensive assessment of their learning needs, use particular instructional modules to supplement coursework, and/or improve their basic skills by enrolling in an open-entry computer and audio/video tutorial lab course. Students work independently on one or more of the following skills: grammar, writing, vocabulary, spelling, math, reading, critical thinking, study skills, mathematics, English as a Second Language, keyboarding, and word processing. The PLATO Integrated Learning System software is available in the lab. Students work on mastering individual skills, at the appropriate difficulty level, and at their own pace. Students may also earn .5 or 1.0 credit of credit by signing up for ACSK CSS 025. Report to the lab, located in Building 3300, Monday through Thursday, 8:30 a.m. to 12:30 p.m. to arrange hours.

MATH TUTORING provides drop-in assistance to students needing help in MATH 003 through MATH 265B. Computer access is available for students to work on Mediated Math, Minitab, Geometer’s Sketchpad, Derive, and other software. Located in Student Success Centers, Building 3300, Room 3304 (SLO) and Building N3129A (NCC). Please check the Student Success Centers’ website for full tutorial support schedules.

TUTORIAL SERVICES provides free individual, small group and drop-in tutoring in most academic subjects. Peer tutors are instructor recommended, have received a “B” or better in the courses they tutor and complete a tutor-training class during their first semester as a tutor. Tutors are trained to help students develop long-term learning strategies that facilitate independent learning. Tutoring is available in the Student Success Centers. For more information please visit: http://www.cuesta.edu/student/servs_classes/ssc/

WRITING CENTER provides writing assistance to students on a drop-in basis and is available to all students. Students meet with a peer tutor to have specific questions answered regarding structure and content. Papers are NOT proofread. The Writing Centers are located inside the Student Success Centers at both campuses. Please check the Student Success Centers’ website for full tutorial support schedules.

NET TUTOR online tutorial support is now available to Cuesta students 24/7. Students may access online tutorial support in the following areas: Accounting, Anatomy and Physiology, Biology, Business, Chemistry, Criminal Justice, Economics, English, History, Math (all levels), Nursing, Physics, Political Science, Psychology, Spanish, and Statistics. Accessing Net Tutor is easy! To get started all you need is your myCuesta username and password. Please visit the Student Success Centers’ website to enter the Net Tutor portal, or click on the following link: http://www.cuesta.edu/student/servs_classes/ssc/tutorial_services/online_tutor.html.

TRANSFER SERVICES

The Transfer/Career Center has a wide variety of resources available to university bound students including college and university catalogs and information, college search materials, major and career books, and study abroad brochures and catalogs. The center maintains information about university transfer requirements, the university application process, articulation agreements and transfer admission guarantee programs. In addition, the center provides internet access with links to assist students completing online admissions applications and researching colleges.

Appointments to meet with a counselor can be made one week in advance beginning the first working day of the week and are available from 8:30 a.m. to 4:00 p.m. Monday through Thursday and from 10:30 a.m. to 4:00 p.m. on Friday.

Transfer/Career Center staff serve as liaisons to colleges and universities and advocate for students in the admission process. Center staff also coordinate university representative visits in which university outreach staff come to campus to meet with Cuesta College students individually.

Transfer Admission Guarantee (TAG programs) are commitments that selected colleges and universities make to Cuesta College students who meet specific credit, GPA, and course requirements. A TAG serves as a contract between the student and college or university. Students who have completed a TAG and have met contractual requirements are guaranteed admission.

Cuesta college now has transfer admission guarantees with the following universities:

- UC Santa Cruz
- UC Riverside
- UC Santa Barbara
- UC Davis
- UC Irvine
- UC Merced
- Columbia College
- Chapman University
- University of La Verne
- National University

Associate Degrees for Transfer (ADT). Please see page 70 for information about ADTs.
Career Services

Career services are available to assist students in exploring and clarifying their career goals, researching occupational fields, and making their educational plans accordingly. Students may make arrangements with Transfer/Career Services to attend a Career Workshop and use the Eureka Career Information System to obtain information about specific occupations.

Student wishing to do in-depth career assessment and planning are encouraged to take COUN 254, Career Exploration.

Transferring to California Polytechnic State University

Because admission to Cal Poly is highly competitive; it is strongly recommended that students work closely with a Cuesta College counselor to ensure they are well-prepared for Cal Poly’s transfer selection process. Cal Poly’s Transfer Selection Criteria vary by major and include completion of major-related and general education coursework, grades, and extracurricular activities and work experience. Students applying as upper-division transfers that have completed all required/desired coursework and have maintained a high GPA typically are more competitive in Cal Poly’s transfer selection process. The Cal Poly Admissions website provides comprehensive information on their transfer selection process.

ASSIST

ASSIST (Articulation Subsystem Stimulating Inter-institutional Student Transfer) is a student-transfer information system available at www.assist.org. ASSIST displays reports describing how courses completed at a California community college will be applied to an undergraduate degree at a California State University or University of California campus. As the official repository of articulation for California’s public colleges and universities, ASSIST provides the most accurate and up-to-date information available about student transfer within the state of California. Students who are planning to transfer to a California State University or a University of California campus are encouraged to utilize ASSIST information (in consultation with a counselor) for important information about the transfer and articulation process.

Student Right To Know

In five decades of service to the community, Cuesta College has helped thousands of students reach a wide variety of educational goals, including improved foundational skills, transfer to a four-year institution, earned certificates or associate degrees and advancement in the work force. In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Luis Obispo County Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2009, a cohort of all certificate, degree, and transfer seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cuesta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a completer is a student who attained a certificate or degree or became ‘transfer prepared’ during the three-year period from fall 2009 to spring 2012. The completion rate for Cuesta College’s 2009-2012 cohort is 30.74%.

Based upon the cohort defined above, students who have completed 60 transferrable units with a GPA of 2.0 or better are considered “transfer prepared.” Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming “transfer prepared” during a five-semester period from spring 2010 to spring 2012 are transfer students. The transfer rate for Cuesta College’s 2009-2012 cohort is 19.98%.

VETERANS’ SERVICES

Location: Veterans Resource Center, Building 3100, Room 3174, SLO campus; (805) 546-3142. North County Campus, Building N3200/3100, Room 3121.

Montgomery G.I. Bill Education Benefits

Cuesta College is approved by the Veterans Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant’s eligibility for educational assistance.

All persons receiving educational benefits must personally contact the Veterans Coordinator after enrollment every semester to continue benefits. In addition, a Student Educational plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration

As our way of saying thanks for serving our country, Veterans receive priority registration. New students to Cuesta College must meet the requirements of a new matriculated student as defined in the enrollment priority section. Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserved, for any academic term attended at one of the California State University, California Community College, or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

Military Credit

Veterans can receive credit up to 12 credits for education experience in the Armed Services. For more information please refer to this website: www.militaryguides.acenet.edu or see the Veterans’ Resource Center.
Disability Veterans
Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through Cuesta College Disabled Students Programs and Services.

Veterans’ Dependents – War Orphans – Missing In Action – Prisoners Of War
Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability
The veteran/dependent student assumes full liability for any overpayment of veterans education allowance benefits. The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant. FAILURE TO TAKE THE PROPER CLASSES CAN RESULT IN THE REDUCTION OR TERMINATION OF BENEFITS.

Veteran/Dependent Student Academic Standing
Students will not be certified for enrollment if placed on Academic or Progress Dismissal status. If you have previously been placed on Academic Probation and have a grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Progress Probation and have 50% or more enrollment grades of “W”, “I”, or “NP” recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Tutorial Services
Tutorial services are available to all veterans who meet established VA criteria.

Transcripts
All official transcripts of prior college work and military schools must be on file in the Records Office before registering for classes. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veterans’ Resource Center for necessary forms.

Credits Required for Entitlement of Benefits
The following number of credits is required each semester to certify students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans’ Resource Center for more information.

Veterans Access, Choice, and Accountability Act of 2014 (Choice Act)
A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)] as stated in parts 1-4 of this bulleted item shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students.

1. A Veteran who lives in California (regardless of his/her formal state of residence) and enrolls in Cuesta College within three years of discharge from a period of active duty service of 90 days or more.

2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor’s discharge from a period of active duty service of 90 days or more.

3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member’s death in the line of duty following a period of active duty service of 90 days or more.

4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain “covered individual” status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC §68075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be “covered individuals” per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California. Eligibility determination is subject to the “Certificate of Eligibility” (COE) of the veteran or eligible dependent (who is made eligible through the Transfer of Entitlement (TOE) to basic educational assistance under Chapters 30 and 33 of Title 38, U.S.C.). The DD214, Certificate of Release or Discharge from Active Duty, of the qualifying individual may also be of assistance in confirming “covered individual” status as it shows the effective date of the veteran’s discharge from active service.
Withdrawal/Change of Classes
Veterans are required to notify the campus Veterans’ Resource Center when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification and will be considered a fraud with the Department of Veterans Affairs.

Veterans Access, Choice, and Accountability Act of 2014 (Choice Act)
A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)] as stated in parts 1-4 of this bulleted item shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students.

1. A Veteran who lives in California (regardless of his/her formal state of residence) and enrolls in Cuesta College within three years of discharge from a period of active duty service of 90 days or more.

2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor’s discharge from a period of active duty service of 90 days or more.

3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member’s death in the line of duty following a period of active duty service of 90 days or more.

4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain “covered individual” status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC §68075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be “covered individuals” per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California. COLLEGE POLICIES, RULES AND REGULATIONS
Students are held individually responsible for the information contained in the Cuesta College Catalog and in the Student Code of Conduct. Failure to read and comply with college Policies, Rules, and Regulations will not exempt students from whatever penalties they may incur.

The college reserves the right to make changes, additions and/or deletions to the Policies, Rules, and Regulations during the school year when deemed necessary by action of the administration and/or Board of Trustees.

**Academic Probation and Dismissal**

Students who earn unsatisfactory grades may jeopardize their enrollment and registration priority at Cuesta College. Academic achievement is monitored during the fall and spring semesters and summer session. A student is placed on academic probation at the end of a semester/session if the student’s grade point average is less than 2.0, or “C average,” on a four-point scale.

A student who earns less than a 2.0 GPA for two consecutive semesters or sessions is subject to dismissal from the college. For the purpose of this section, semesters are considered consecutive on the basis of the student’s pattern of enrollment. For example, a student earning less than a 2.0 in fall 2013 and fall 2014 would be subject to dismissal if the student did not attend Cuesta during spring 2014. Dismissed students are not allowed to attend the subsequent semester or session.

Students are notified of their academic probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester/session.

Students on academic probation are required to participate in academic follow-up services designed to help students persist and succeed in their courses. Students on academic dismissal must attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students who do not attend a reinstatement workshop will be blocked from enrolling and must “sit out” the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses.

Reinstatement, or “sit out” a semester, does not change the student’s academic standing. A student on progress dismissal shall be removed from probation/dismissal when the percentage of entries of “W”, “I”, and “NP” recorded drops below 50 percent.

Contact the Office of the Director of Admissions and Records or Director of Counseling for additional information.

**Academic Renewal without Course Repetition**

Previously recorded substandard academic work may be disregarded in the calculation of a student’s grade point average if the work is not reflective of the student’s present scholastic level of performance.

1. Academic renewal may be applied to two distinct terms/sessions of work and is a one-time irreversible option.

2. Academic renewal cannot be used to disregard prior academic credit or course work which has been applied toward an associate degree or certificate earned at Cuesta College.

3. For any term/session in which course work is to be disregarded, substandard academic work in that term/session will be disregarded, excluding satisfactory academic work.

4. If grade alleviation has already been applied two times for a course included in the requested term/session to be disregarded, the course will not be eligible for academic renewal without repetition and will remain on the academic record. No more than two substandard grades may be alleviated from the calculation of the student’s grade point average for a course.

5. A period of at least two years must have elapsed since the completion of the work to be alleviated.
6. To alleviate course work, the student must have:
   a. Completed a minimum of 15 semester credits since the term(s) to be alleviated with at least a 3.0 grade point average; or
   b. Completed 30 semester credits since the term(s) to be alleviated with at least a 2.5 grade point average; or
   c. Completed 45 semester credits since the term(s) to be alleviated with at least a 2.0 grade point average.
7. Recalculation of the grade point average will be used toward qualification for graduation with honors.
8. Academic standing for the term/session(s) will be adjusted.
9. Permanent academic records will be annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic history.

The student initiates the request by filing a Petition for Academic Renewal without Course Repetition in Counseling Services. The petition must be signed by the student and counselor.

- The student must submit official (sealed) transcripts from all accredited colleges or universities where course work was completed.
- The Director of Counseling will make the final determination for academic renewal without course repetition.
- The petition is forwarded to the Admissions & Records Office for a college evaluator to review all evidence pertaining to the student’s petition for academic renewal without course repetition.
- If academic renewal requirements are met, eligible courses will be alleviated from the student’s permanent record.
- Calculation of the student’s grade point average begins following the end of the first term being alleviated under academic renewal.

Alleviated course work will be annotated on the student’s transcript with an “E” for exclusion with a notation of “Academic Renewal” and the substandard grade will be excluded from the student’s grade point average calculation.

Open Enrollment
All courses of the District shall be open to enrollment in accordance with Board Policy 5052 and a priority system consistent with AP 5055 titled Enrollment Priorities. Enrollment may be limited to students meeting properly validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the college matriculation process or appropriate college division.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the District, except as provided for in AP 5055 titled Enrollment Priorities except courses under Nursing and Allied Health programs, Dual Enrollment courses offered at a high school site and for classes offered to inmates in city and county jail, or state or federal correctional facility that restrict enrollment.

Students are not required to participate in any pre-registration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in AP 5055 titled Enrollment Priorities and where enrollment is restricted for Nursing and Allied Health programs, Dual Enrollment courses offered at a high school site during regular school day, and for classes offered to inmates in city and county jail, or state or federal correctional facility.

A student may challenge an enrollment limitation on any of the following grounds:
- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The District is not following its enrollment procedures;
- The basis for the limitation does not in fact exist.

A student may challenge an enrollment limitation by following Administrative Procedure 5055.

Course Load
A full-time student is a student who is enrolled in a minimum of 12 credits per semester/session. Students enrolled in fewer than 12 credits are considered to be less than full-time. Students are limited to a maximum of 19 credits during the fall and spring semesters (nine credits during the summer session), including both day and evening classes. To take more than the maximum number of credits, a student must have an outstanding academic record and must obtain approval from a counselor before registering.

Course Repetition Policy
Repeatable Course
A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

- The student may petition to enroll in two sections of the same repeatable course if the length of the course is such that a student may enroll in two or more sections of the same course during the same period without being enrolled in more than one section at any given time.
• A student may repeat a course designated as a repeatable course including variable credit open-entry/open-exit courses up to the maximum number of allowed repetitions for that course.

• No more than two substandard grades may be alleviated within the allowable repeat limits for a repeatable course. If a course is repeated two or more times, the first two substandard grades will be excluded in calculating the student’s GPA.

• Course repetition will not be allowed in a repeatable activity course beyond the maximum number of allowed repetitions for the course, which may be no more than three (3) terms/sessions.

Non-Repeatable Course
A non-repeatable course is a course in the college catalog that is not identified as repeatable.

• Substandard Grade - a grade of “D+,” “D,” “D-,” “F,” “FW,” “NP,” or “NC.”

• A student will be permitted to retake a non-repeatable course in which a substandard grade or “W” was earned one time without a petition.

• If a student has earned a second substandard grade or “W” in a course, the student must agree and sign a Third Enrollment Agreement to be released to register for the third repetition of a course.

• Each non-repeatable course in which a substandard grade has been earned may be repeated two times only for grade alleviation unless such repetition is provided by District policy. The repeated course must contain the equivalent credit value or higher. The previous grade and credit will be disregarded in calculation of the student’s grade point average even if the previous grade was higher.

• Satisfactory Grade – a grade of “A,” “A-,” “B+,” “B,” “B-,” “C+,” “C,” “P,” or “CR.”

• A course in which a satisfactory grade was received may not be repeated unless such repetition is provided for in the official course description or by District policy.

Limitations on Withdrawal (“W” symbol)
Each non-repeatable course in which a “W” has been earned may be repeated for a maximum of two times. The student may earn no more than three (3) withdrawals in the same course.

• Military withdrawals (“MW”) do not count against the “W” withdrawal limit.

• A student who has previously earned a maximum of three (3) withdrawals for a course that has a petition approved to repeat may only earn a satisfactory or substandard grade for the course. The student may not earn an additional “W” symbol unless the student demonstrates extenuating circumstances to justify an additional withdrawal for the course.

Petition to Repeat
Students may submit a “Petition to Repeat a Course” under certain circumstances as provided by Title V, California Code of Regulations and Cuesta College Board Policy. Petition approvals are reviewed by the Director of Admissions & Records, the North County Campus Dean, or designee.

Significant Lapse in Time: A student may petition to repeat a course, one time, and if no less than 36 months have elapsed, where a satisfactory grade of “C” or better was earned if:

• The District has established a recency prerequisite for a course or program;

• Another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course. Repetition may be allowed where less than 36 months have elapsed if the student documents that repetition is necessary for the student’s transfer to the institute of higher education.

• When a course is repeated pursuant to this section, the previous grade and credit will be disregarded in computing the student’s grade point average.

Disabled Student Accommodation
A student may repeat a special class for students with disabilities any number of times as required as a disability-related accommodation under the following circumstances:

• When the student’s continuing success in other general and/or special classes is dependent on additional repetitions of a specific special class;

• When additional repetitions of a specific special class are essential to completing a student’s preparation for enrollment into other regular or special classes;

• When the student has a student educational plan which involves a goal other than completion of the special class in question and repetition of the course will further achieve that goal.

• The previous grade and credit will not be disregarded in computing the student’s grade point average each time the course is taken.

Legally Mandated Training
A student may repeat a course any number of times as required to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

• The previous grade and credit will not be disregarded in computing the student’s grade point average each time the course is taken.

Significant Changes of Industry or Licensure Standards
A student may repeat a course any number of times as a result of a significant change in industry or licensure standards such that repetition of the course is necessary for employment or licensure.

• The previous grade and credit will not be disregarded in computing the student’s grade point average each time the course is taken.

Extenuating Circumstance – Prior Substandard Grades
A student may petition to repeat a course, one time, based on extenuating circumstances in a prior enrollment in which three (3) substandard grades have been earned.
Extenuating circumstances are cases of documented, verifiable circumstances beyond the student’s control.

- The previous grade and credit will be disregarded in computing the student’s grade point average if either a substandard or satisfactory grade is earned.

**Extenuating Circumstance – Prior Satisfactory Grade**
A student may petition to repeat a course, one time, based on extenuating circumstances in a prior enrollment in which a satisfactory grade has been earned. Extenuating circumstances are cases of documented, verifiable circumstances beyond the student’s control.

- The previous grade and credit will not be included in computing the student’s grade point average each time the course is taken.

**Enrollment Priorities**
All courses of the District shall be open to enrollment to all eligible students, subject to an established enrollment priority. Enrollment also may be limited to students meeting properly validated prerequisites and co-requisites, or due to other, practical considerations.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide enrollment priority for students on the basis of need are established.

Annually, each program or group granting enrollment priority will establish and publish a process to review and evaluate their program participant’s “level of need” that grants program eligibility for enrollment priority.

**Effective Fall 2014.**
The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to reward students who make progress toward their educational goals.

New students who have completed college orientation, assessment and developed education plans as well as continuing students in good academic standing who have not exceeded 100 credits (not including credits in non-degree applicable courses, basic skills and English as a Second Language) will now have priority over students who do not meet these criteria. Active military and veterans, current and former foster youth, CalWORKS, followed by students in Extended Opportunity Programs and Services (EOPS) and Disabled Students Programs and Services (DSPS) will continue to have first priority for registration if they meet the same criteria listed above.

The regulations, unanimously approved by the board of governors, will be implemented in the fall of 2014. We encourage students on probation to seek help to improve their academic standing. Students nearing 100 credits should carefully plan their remaining courses.

Enrollment Priority Groups are defined below. Students will continue to have access to register after their priority date.

- **A New Matriculated Student** is one who has completed orientation, assessment and developed a student education plan (Abbreviated or Comprehensive).

- **A Student in Good Academic Standing** is one who is not on academic or progress probation for two current consecutive primary terms.

- **A Student in High Credit Program** is a program that has more than 38 credits in the major coursework and following a current education plan.

- **A Continuing Student**, excludes special part-time (enrichment and dual enrollment) is one who was enrolled during the immediately preceding semester and received at least one letter grade or “W.” A student registered during the semester, who did not complete a course with a letter grade or “W” forfeits continuing student status.

- **A First-time Student** is one in a post-secondary education prior to the application term.

- **A Returning Student** is one who attended Cuesta in the past, but was not enrolled in the term prior to the application term.

- **A Re-Entry Student** is one who is at least 25 years of age and has not attended a college or university within the past 5 years.

- **A First-Time Transfer Student** is one who is enrolling at Cuesta for the first time after attending another post-secondary institution.

- **A Special Part-time Student (Enrichment Student and Dual Enrollment)** is one who is currently enrolled in grades 6-12, and eligible to attend Cuesta College by recommendation of their Principal. (BP 5055, BP 5010, AP 5011).

**PRIORITY 1:** Continuing students, with the exception of eligible foster youth, in this group must be in good academic standing as defined with less than 100 Cuesta College degree applicable credits. New first-time students in this group must meet the requirements of a new matriculated student as defined. Special Part-time Students are not eligible, except noted.

Credit increments:

- 5.1. Equal to or greater than 48.0 credits and less than 100.0 credits
- 5.2. Equal to or greater than 24.0 credits and less than 48 credits
- 5.3. Equal to or greater than 12.0 credits and less than 24.0 credits
- 5.4. Less than 12.0 credits

- **PRIORITY 6:** First-time, returning, and transfer students who apply and meet the requirements of a new matriculated student as defined. Special Part-time Students are not eligible.

- **PRIORITY 7:** First-time, returning, and transfer students who apply for admission and are not eligible for priorities 1-6. Special Part-time Students are not eligible.

- **PRIORITY 8:** Continuing or returning students who have earned 100 or more credits at Cuesta College and/or are on academic or progress probation for two consecutive terms. Special Part-time Students are not eligible.

- **PRIORITY 9:** Special Part-Time Students (Enrichment) concurrently enrolled in grades 9-12, who have completed the admission application, permit to enroll, and have met all course prerequisites, are eligible to enroll during this time.

**Enrollment Limitations**

A student’s ability to enroll in a course may be limited or restricted. Refer to Administrative Procedures 5075 - http://academic.cuesta.edu/president/2008BP/BP5000/AP%205075_Add-Drop.pdf

- CONTINUING/RETURNING STUDENTS: A continuing or returning student will lose enrollment priority if he/she earns 100 or more credits at Cuesta College (not including non-degree applicable courses, basic skills and ESL) or if he/she are on academic or progress probation for two current consecutive primary terms. Students who lose their priority due to enrollment limitations will be able to register after Priority 7.

**Appeal Policy Procedures**

- Students may petition to have their enrollment priority changed based on the following reasons:
  - Extenuating Circumstances (verified cases of accidents, illnesses, or other circumstances beyond the control of the student)
  - Students with disabilities who applied for but did not receive reasonable accommodations in a timely manner.
  - Students who demonstrate significant satisfactory academic improvement by earning at least 2.50 GPA in at least 6 academic credits in a subsequent term, but whose term GPA is not high enough to move the student into good standing.
  - Students who are in high credit programs and are following a current education plan.

Enrollment Priority Appeal forms are available online, and at all Cuesta College sites. Appeals are to be submitted to the Director of Admissions & Records. Extenuating circumstances must be documented. Enrollment Priority students whose appeal is approved will be reinstated to their previ-
The District has designated the following information as confidential. Students may also provide the opportunity to request their directory information be maintained as confidential. Students may also submit a written request to the Admissions and Records Office at any time to become effective within 5 to 10 work days after the day a request for access is submitted. A student should submit a written request to the Director of Admissions and Records that identifies the record(s) the student wishes to inspect. The Director of Admissions and Records will make arrangements for access and notify the student of the time and place where the records may be inspected. If the education records are not maintained by the Admissions and Records Office, the Director shall advise the student of the correct official to whom the request should be addressed.

Right to Inspect and Review Records
Section 99.10 of FERPA grants students the right to inspect and review their education records within 45 days after the day a request for access is submitted. A student who enters a postsecondary institution at any age. The District discloses personally identifiable information (PII) to postsecondary institutions in connection with the student's enrollment or transfer. The most recent educational agency or institution attended, the date of attendance, or the student's enrollment status is shared with the postsecondary institution.

Disclosure of Education Records
FERPA permits the disclosure of Personally Identifiable Information from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, FERPA regulations require the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student for the following conditions:

- To school officials with legitimate educational interests; A school official is a person employed by the San Luis Obispo Community College District in an administrative, supervisory, academic, research, or support staff position, including law enforcement unit personnel and health staff. A school official also may include a volunteer or contractor outside of the District who performs an institutional service or function for which the District would otherwise use its own employees and who is under the direct control of the District with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another District official in performing his or her tasks. A District official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the District. (§99.31(a)(1))

- To a person serving on the board of trustees;

- To a student serving on an official committee, such as a disciplinary or grievance committee. (99.31(a)(1))

- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer. (99.31(a)(2))

- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the District’s State-supported education programs. Disclosures under this provision may be made in connection with an audit or evaluation of Federal or State-supported education programs, systems but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user’s identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

- A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.
or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (99.31(a)(4))

- To organizations conducting studies for, or on behalf of, the District, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))

- To appropriate officials in connection with a health or safety emergency. (§99.31(a)(10))

- Information to the District has designated as “directory information.” (§99.31(a)(11))

- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))

- To the general public, the final results of a disciplinary proceeding, if the District determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the District’s rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))

- To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the District, governing the use or possession of alcohol or a controlled substance if the District determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

**Right to Request Amendment of Student Records**

Students have the right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the District to amend a record should write the District official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the District decides not to amend the record as requested, the District will notify the student in writing of the decision and the student’s rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing as provided by Education Code Section 73232.

**Right to File a Complaint with the Department of Education**

Cuesta College students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202
Phone (800) 872-5327

**Final Examinations**

Final examinations will be given in all courses at the end of each semester, short course, or summer session. Dates and times are listed in the schedule of classes and on the Cuesta College website.

**Grading Policies**

No notation (“W” or other) shall be made on the academic record of a student who withdraws during the first two weeks of a full semester course or within 20 percent of a short course, including a summer course.

Courses shall be graded using the grading symbols established by Title 5. Effective fall 2008, faculty may use the following evaluative letter-grading symbols:

Military Withdrawal – The “MW” symbol is assigned when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, an “MW” may be assigned at any time after the twelfth week deadline for dropping classes. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Grade Changes
The instructor of the course shall determine the grade to be awarded to each student.

The determination of the student’s grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence on the part of the instructor.

Mistake - may include, but is not limited to errors made by an instructor in calculating a student’s grade and clerical errors.

Fraud - may include, but is not limited to, inaccurate recording or change of a grade by any person who gains access to grade records without authorization.

Bad Faith - may include, but is not limited, to a lack of honesty and trust; intent to deceive.

Incompetence - may include, but is not limited to, the instructor not possessing and demonstrating the necessary ability and skill to fulfill the instructor’s duties and responsibilities set forth in job descriptions, course outlines, District policies, procedures, and regulations, and applicable laws.

The removal or change of an incorrect grade from a student’s record shall be done pursuant to Education Code Section 76224, 76232 and Board Policy 6205 Student Grievance Procedure.

In the case of fraud, bad faith, or incompetence, the final determination concerning removal or change of grade will be made by the Vice President of Student Services and College Centers or his/her designee.

In all cases, the instructor who first awarded the grade will be given written notice of the change.

In the case of a change of grade decision, the Division Chair will consult with faculty within the discipline of the instructor who first awarded the grade to review student material and determine the final grade the student will earn.

Course Grades
Grades are available for viewing within Cuesta College’s student portal, myCuesta, four weeks after the last day of the term. Grades are not sent to students.

Pass/No Pass
A student may select “pass/no pass” (formerly credit/no credit) through the fourth week of instruction for 18-week courses or, if the course is less than 18 weeks in duration, within the first 20 percent of the course. Students may change back to a letter grade prior to the fourth week or 20 percent deadline. After the fourth week or 20 percent deadline, students may not reverse their pass/no pass grading decision.

Some general education, degree and certificate course work must be taken for a grade. Consult a counselor or program description. No more than 12 credits of “pass/no pass” may be applied toward the Associate in Arts or Associate in Science degree or a Certificate unless indicated by Curriculum. For Associate in Transfer
(ADT) degrees, P/NP is allowed.

- Courses listed in the schedule as “pass/no pass” grading option may be taken only once for “pass/no pass.” The student may, however, repeat the course for a letter grade.

- Students shall receive a “P” (pass) if, at the end of the semester, a grade of “C” (2.0) or better is earned. The “P” shall, when recorded, add credits completed but shall have no effect on the grade point average.

- Students performing unsatisfactorily (at less than C/2.0) shall receive a “NP” (no pass) which, when recorded, will not increase credits completed and will not be used to calculate the grade point average. However, credits attempted for which an “NP” is recorded shall be considered in academic progress calculations to determine probation and dismissal status.

- Students may only select one course per semester on the “pass/no pass” option. Some courses are graded only on a “pass/no pass” basis. Enrollment in these courses will not affect the student’s right to select one additional class within the guidelines listed above.

- Students repeating a course in which a substandard grade was earned may not request a repeat discount if the pass/no pass grading option was selected for the second attempt.

Academic Honesty

Academic Honesty is essential to the academic community. Students expect that Cuesta College faculty be fair, truthful, and trustworthy. Faculty expect that Cuesta College students share these same values. Students who violate these principles by cheating, plagiarizing, or acting in other academically dishonest ways are subject to disciplinary procedures. Below are some examples of academically dishonest behavior. If you are unclear about a specific situation, ask your instructor.

Examples of Academic Dishonesty:

- Copying from another student’s exam
- Giving answers during a test to another student
- Using notes or electronic devices during an exam when prohibited
- Taking a test for someone else
- Submitting another student’s work as your own, e.g. copying a computer file that contains another student’s own work
- Knowingly allowing another student to copy/use your computer file(s) as his or her own work
- Completing an assignment for another student
- Plagiarizing or “kidnapping” other people’s thoughts, words, speeches or artistic works by not acknowledging them through proper documentation

At the discretion of the instructor, students caught being academically dishonest may receive a failing grade on the assignments in question, be dropped from the class, or be failed in the course. If the student wishes to contest the instructor’s consequential actions for Academic Dishonesty, it is recommended that the student follow the Academic Student Complaint Process: [http://www.cuesta.edu/aboutcc/planning/vpss/StudentComplaintProcess.html]

Beyond this, the student may be subject to disciplinary action as determined by the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee. It is recommended that the faculty member report any acts of academic dishonesty to the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee.

Student Responsibility:

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in a manner compatible with the Student Code of Conduct and Academic Honesty Regulations, and the Student Computer Technology Access Agreement. Specific rules, regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, Sections 66300, 66301, 76030 - 76038), are located in the Cuesta College catalog and as posted on the Cuesta College website. Each student has the responsibility to be aware of college regulations.

STUDENT COMPUTER TECHNOLOGY ACCESS AGREEMENT

This is to communicate what other users, instructors, and the District expects of students when using college computer technology and facilities. Failure to conform to these stipulations can result in disciplinary action. Violations of regulations in the use of computer technology will be addressed in accordance with the college Academic Honesty and Student Code of Conduct Policies, available for reference in the college catalog or by requesting copies from Student Services.

Computer technology and facilities are provided for the purpose of completing academic requirements.

A. Students may use the technology and facilities to:

1. Complete course assignments;
2. Conduct academic research;
3. Communicate with faculty and students.

B. User Responsibilities include, but are not limited to:

1. Using only their own designated ID, passwords/PIN, and accounts, and keeping IDs, passwords/PIN, and account information confidential. It is recommended that users change their passwords/PIN periodically;
2. Using software and electronic materials, including shareware, in accordance with copyright, trademark, and licensing agreements and restrictions;
3. Accurately identifying and representing themselves in electronic messages, files, and transactions;
4. Saving all work on removable storage media and not on the hard drive unless instructed to do so by the instructor;
5. Asking appropriate Cuesta College personnel for assistance if unfamiliar with the operating system.

C. Prohibitions include, but are not limited to:

1. Damaging equipment, data, software, software protection, encryption or restriction on applications and files; including, introducing invasive or destructive programs (such as viruses, worms, and Trojan horses);
2. Disrupting or unauthorized use of accounts, access codes, passwords, or identification numbers;
3. Impeding or disrupting the use of computer technology and communications resources by game playing, sending an excessive or unreasonable number of messages, sending messages of unreasonable size (with large attachments); making or printing excessive copies of documents, files, data, or programs;
4. Violating copyrights, trademarks, and/or license agreements;
5. Accessing, using or copying another user’s account, ID number, password, electronic files, data, or e-mail without prior authorization; or allowing such use by others;
6. Using District computer technology and communications resources in any unlawful manner including fraudulent, threatening, libelous, obscene, or harassing communications; procuring, or distributing obscene or pornographic material;
7. Circumventing or attempting to circumvent local, network, or remote security measures;
8. Altering or attempting to alter system software;
9. Altering or attempting to alter system hardware;
10. Modifying or attempting to crash or hack into computer technology or communications resources;
11. Accessing or attempting to access restricted portions of any operating system or security software unless authorized to do so;
12. Installing or removing software;
13. Using computer technology and/or communications resources for private commercial or other personal purposes;
14. Copying software that has not been placed in the public domain and distributed as freeware; inspecting, changing, altering, copying, or distributing proprietary data programs, files, disks, or software without authorization;
15. Falsely identifying and/or representing one’s self in the use of computer technology and communications resources.

The District may access, review, copy and disclose information entered or retained in computer technology and communications resources.

Library Fines
Cuesta College may withhold grades, transcripts, diplomas, and registration privileges from any student who fails to return books or materials to the library when due, has lost or damaged any books or materials or has not paid charges for late, lost or damaged materials.

Students shall have their records released when they:

- Return books or materials
- Pay charges for books or library materials.

Maintenance Allowance for Students
Students attending Cuesta College from Modoc and specific areas of Mono counties are eligible for a maintenance allowance if they maintain a permanent address in either county and all requirements are met. For information about eligibility requirements, contact the Cuesta College Registration Office at (805) 546-3100, Ext. 2325.

Nondiscrimination In-District

Unlawful Discrimination Procedures
The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to the benefits of or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of employment or student suspension or dismissal.

In so providing, the San Luis Obispo County Community College District hereby implements the provisions of California Government Code sections 11135 through 11139.5, the Sex Equity in Education Act (Ed. Code, § 66250 et seq.), Title VI of the Civil Rights Act of 1964 (42
How to File a Formal Discrimination Complaint
1. A FORMAL COMPLAINT MUST BE INITIATED BY FILLING OUT THE ATTACHED FORM APPROVED BY THE STATE CHANCELLOR’S OFFICE. That form is attached as the last page of Board Policy/Regulation 1565, and has the title heading of “Unlawful Discrimination Complaint Form.” YOU MUST SEND THAT COMPLETED FORM TO EITHER:
   - San Luis Obispo County Community College District, Attn: Executive Director Of Human Resources And Labor Relations, Administration Building, Room 8003, San Luis Obispo, CA 93403-8106; Or
   - Chancellor’s Office, California Community Colleges, 1102 Q Street, Sacramento, California 95814-8511, Attention: Legal Affairs Division
2. The complaint must allege unlawful discrimination prohibited under Title 5, section 59300.
3. The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.
4. In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
5. In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

What Happens When a Formal Discrimination Complaint is Filed?
The District will then complete an “Administrative Determination.” Within 90 days of receiving an unlawful discrimination complaint filed under Title 5, sections 59300 et seq., the District will complete the investigation and forward a copy of the investigative report (containing the administrative determination) to the State Chancellor, a copy or summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:
1. The determination as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
2. A description of actions taken, if any, to prevent similar problems from occurring in the future;
3. The proposed resolution of the complaint; and
4. The complainant’s right to appeal to the District Board of Trustees and the State Chancellor.

Remedial Course Work Limitation
A student who has completed 30 credits of remedial course work, but who has not attained full eligibility for college-level work, shall be referred for further remedial work to appropriate adult noncredit education services provided by a college, adult school, community-based organization, or other appropriate local provider.

Remedial course work refers to non-degree applicable basic skills courses, the purpose of which is to prepare students for successful completion of associate degrees, transfer, or certificate courses. These courses are specifically designed to meet the needs of underprepared students so that the quality and rigor of the associate degree curriculum is protected.

A waiver of the limitation on remedial course work may be provided to any student who shows significant measurable progress toward the development of skills appropriate to the student’s enrollment in college-level courses. Measurable progress is defined by transcripts, pre- and post-test measures, demonstrated progress toward an educational goal sustaining progress of education or social goals and objectives as documented in a Student Educational Plan (SEP). If a waiver is granted, its duration should not exceed one academic year and would normally be of one semester’s duration.
Students enrolled in one or more courses of English as a Second Language (ESL) or students identified by the district as having a learning disability are exempt from the 30-semester-credit limitation (Title 5 California Code of Regulations, Section 55035).

Academic Honors & Service Recognition

Academic Honor List
Students who enroll and complete 12 or more credits and earn a 3.25 grade point average with no grade lower than a “C” will be placed on the Academic Honor List. The student’s academic record at Cuesta College will be annotated to reflect this achievement. The achievement is posted under the qualifying semester on the student’s academic transcript.

Students in the Registered Nursing Program may make the Academic Honor List using the criteria listed above; however, due to the number of contact hours in this program, an R.N. student will be considered when enrolled in 11 or more credits.

Graduating With Honors
Students who meet the requirements for graduation with a cumulative grade point average of 3.5 to 3.74 qualify for honors recognition.

The graduation grade point average is based on all degree applicable coursework completed at all postsecondary institutions through the term degree requirements are completed. This acknowledgement is posted on the student’s diploma and on the academic transcript.

The GPA calculation for honors designation for commencement purposes only is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a green cord.

Graduating With High Honors
Students who meet the requirements for graduation with a cumulative grade point average of 3.75 to 4.0 qualify for high honors recognition. The graduation grade point average is based on all degree applicable coursework completed at all postsecondary institutions through the term degree requirements are completed. This acknowledgement is posted on the student’s diploma and on the academic transcript.

The GPA calculation for honors designation for commencement purpose only is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a white cord.

Alpha Gamma Sigma (AGS) Honor Society
Alpha Gamma Sigma (AGS) is a state-wide community college student honor society with the purpose of fostering, promoting, maintaining, and recognizing scholarship. In addition, AGS members develop character and civic responsibility through service to AGS, the college, and the community. The Gamma chapter at Cuesta College provides its membership scholarship opportunities, social activities, and leadership-building skills. Membership is based on grade point average. More information may be obtained from the Student Life and Leadership Office. Recognition of AGS membership is posted on Cuesta transcripts. Students with AGS membership are recognized at commencement with a gold cord.

ASCC Student Leaders Recognition
The ASCC Student Leaders are recognized for the service they perform in fulfilling their duties, including regional and state student senate participation. The requirement for student leadership official recognition is that students must hold office a “full semester” (excluding summer session), which is monitored by the Faculty Advisor of ASCC. More information may be obtained from the Student Life and Leadership Office. Recognition of ASCC Student Leaders is posted on the academic transcripts.

Service Animals
San Luis Obispo County Community College District Board Policy BP 3440 and Administrative Procedure AP 3440 states the District’s regulations regarding the use of service animals on District property. The purpose of this policy and administrative procedure is to prevent discrimination on the basis of disability, and to allow an individual with a disability to use a service animal or miniature horse in District facilities and on District campuses in compliance with state and federal law.

Sexual Assault
Cuesta College is committed to maintaining a safe campus, a campus free of violence and the threat of violence. All persons who come onto the campus or onto any facility maintained by the college are expected to treat others with respect and consideration.

Cuesta College will not tolerate any physical or sexual assault or threat of assault, including acquaintance rape, on its campus or at facilities maintained by the college. Where there is probable cause to believe that the college’s regulations prohibiting sexual assault have been violated, the college will pursue vigorous investigative action through its own channels. Disciplinary actions include the possibility of suspension or dismissal from the college.

A student or employee charged with sexual assault can be prosecuted under California penal code statutes and disciplined under the college’s Code of Student Conduct and board policy. Even if the criminal justice authorities choose not to prosecute, the college can pursue student disciplinary action.
Cuesta College is committed to doing everything within its power to prevent sexual assaults from occurring and disciplining assailants when rape or other assault occurs on campus property or at college-sponsored events, and to provide prompt and compassionate services to students, faculty and staff who are raped or otherwise sexually assaulted. The college is further committed to ensuring that students, faculty, and staff are not adversely affected for bringing forward a charge of rape or sexual assault.

In order to provide a safe environment for students, faculty, staff, and guests, the college has established a multifaceted program composed of response procedures, prevention and education guidelines, services for victims, and sanctions.

The Clery Act, passed in 1990, is basically a “student’s rights” document that contains more thorough information regarding sexual assaults, including how to report a crime, steps that can be taken to prevent sexual and physical assaults, what to do if you are sexually assaulted, available services, and other information relating to crime statistics for the college. The Campus Sexual Violence Elimination Act is a 2013 amendment to the federal Jeanne Clery Act. SaVE was designed by advocates along with victims/survivors and championed by a bi-partisan coalition in Congress as a companion to Title IX that will help bolster the response to and prevention of sexual violence in higher education. It seeks to address the violence men and women face on campuses. This legislation updated the Jeanne Clery Act and requires colleges and universities, both public and private to create: transparency, accountability, collaboration, guarantees victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community wide prevention educational programming. For more information on the SaVE Act, contact us at (805) 546-3205 or pick-up a booklet at the Campus Police (6600 Bldg).

To reach the Clery Act information, use the Cuesta College Police Department website at http://cuesta.edu/student/findingway/public_safety/clery_act.html and use the “Clery Act” link.

**Sexual Harassment**

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in this policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of contract.

**Definition**

“Sexual harassment” means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting, and includes but is not limited to:

1. Making unsolicited written, verbal, physical, and/or visual contacts with sexual overtones. (Examples of sexual harassment which appear in a written form include, but are not limited to: suggestive or obscene letters, notes, and invitations. Examples of verbal sexual harassment include, but are not limited to: leering, gestures, display of sexually aggressive objects or pictures, cartoons, or posters.)

2. Continuing to express sexual interest after being informed that the interest is unwelcomed.

3. Making reprisals, threats of reprisal, or implied threats of reprisal following a rebuff of harassing behavior. The following are examples of this type of sexual harassment within the work place: implying or actually withholding grades earned or deserved; suggesting that a poor performance evaluation will be written; or suggesting that a scholarship recommendation or college application will be denied.

4. Engaging in explicit or implicit coercive sexual behavior within the work environment which is used to control, influence, or affect the employee’s career, salary, and/or work environment.

5. Engaging in explicit or implicit coercive sexual behavior within the educational environment that is used to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.

6. Offering favors or educational or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications in exchange for sexual favors.

**Retaliation**

It is unlawful for anyone to retaliate against someone who files a sexual harassment or other unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

**Procedures**

Procedures for investigating complaints shall be the same as those outlined in Administrative Policy 3435 - Discrimination and Harassment Investigations

**Summary of Your Rights to Seek an Information Resolution**

(This is only a summary; please see Board Policy 3410, 3430 and Administrative Policy 3410, 3430 and 3435).

1. You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges. To start the informal resolution process, please contact the Executive Director of Human Resources and Labor Relations in the administration building, room 8003, or by phone at (805) 546-3129.

2. You do not need to participate in informal resolution;
3. You have the right to file a formal complaint (see below for the procedure in doing so);

4. You will not be required to confront or work out problems with the person accused of unlawful discrimination;

5. Students may file a non-employment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency’s jurisdiction.

If your complaint is employment-related, you may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency’s jurisdiction.

Purpose of the Information Resolution Process
The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal resolution process will be invoked when there is a simple misunderstanding or the complainant does not wish to file a formal complaint. An informal resolution may require nothing more than a clarification of the misunderstanding or an apology from the respondent and an assurance that the offending behavior will cease. You will be notified of the proposed informal resolution proposed by the District.

If you pursue the informal resolution process, you should note the following important points:

1. You will need to sign a document which indicates that you have selected the informal resolution process.

2. The District will complete its investigation within the time required by the District’s Regulation 1565 unless you voluntarily rescind your complaint prior to completion.

3. Selecting the informal resolution process does not prevent you from later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). For example, if you are not satisfied with the outcome of the informal resolution process (including the District’s proposed resolution), you may elect to file a formal complaint.

SMOKING / NON-SMOKING BP 2773
The Board of Trustees of the San Luis Obispo County Community College District is committed to promoting a tobacco-free environment. Effective January 1, 2004, the following regulations are applicable to employees, students, and the public; and shall be implemented on District sites.

1. Smoking any form of tobacco or non-tobacco products is permitted only in designated areas of District property. This includes the use of any form of electronic cigarette.

2. Designated areas shall be identified by prominent signage.

3. Smoking is prohibited in District vehicles.

4. The District shall make available to employees and students through the Human Resources Office and Student Health Services a referral list of treatment centers for smokers, and other information on smoking that may assist individuals who wish to stop using tobacco products.

5. Communication of this policy/regulation shall be by means of prominently displayed “No Smoking” signs, notices in the College catalog, web site, and distribution of the policy/ regulation to students and employees.

6. Enforcement of this policy/regulation shall be in accordance with established procedures for enforcement of other regulations.

SPEECH, TIME, PLACE, AND MANNER
Board Policy 6200, Speech, Time, Place, and Manner, is under review and pending approval.

Speech and Advocacy
• General Principle: Students and the general public have the right of free expression, advocacy, and action except to the extent that it interferes with, obstructs, interrupts, or detracts from the operation of the college or the promotion of its educational or community objectives.

• Time, Place, and Manner Regulations: The time, place, and manner of exercising speech and advocacy within the limits described in the General Statement shall be subject to prior approval by the Vice President of Student Services and College Centers or designee. To be approved, an activity will require orderly conduct, non-interference with college functions or activities, and identification of sponsoring groups or individuals, and shall provide for one or more open discussion areas. The Vice President of Student Services and College Centers or designee shall provide reasonable protection to persons on campus against practices that would make them involuntary audiences.

• Non-college Speakers: Registered student organizations may invite non-college speakers to address meetings on campus only upon prior notification and approval of the Superintendent/President or designee, who may deny the use of available college facilities if the meeting is deemed to be incompatible with the educational objectives and established policies of the college. Individual students or student groups which have not qualified as registered student organizations may not invite non-college speakers to address meetings on campus.

• Whenever the Vice President of Student Services and College Centers or designee considers it appropriate in furtherance of educational objectives and established policies, the following may be required:
  a. That the meeting be chaired by a person approved by the Vice President of Student Services and College Centers or designee; and/or
  b. That the speaker be subject to questions from the audience.
It shall be the intent of the Vice President of Student Services and College Centers or designee to assure opportunity for the expression of a variety of viewpoints, except those specified prohibited in Board Policy 7850, Use of College Facilities.

STUDENT CODE OF CONDUCT

Board Policy 5500

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in an acceptable manner compatible with the Student Code of Conduct and Academic Standards, and the Student Computer Technology Access Agreement. Specific rules and regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, sections 66300, 66301, 76030-76038), are provided in this section.

Each student has the responsibility to be aware of college regulations.

Scope of Application

The rules apply to all actions of students of the District on District property and at all activities sponsored by the District or registered student organizations, whether occurring on or off the campuses or other instructional sites. Pursuant to Education Code Section 76034, no student shall be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance. Student conduct occurring off campus and not part of a District activity will subject the student to the District’s jurisdiction, standards of student conduct and student discipline process if the student’s off-campus conduct is sufficiently related to college attendance, i.e., disruption of the work and discipline of the college has actually occurred from the student’s off-campus conduct, or facts exist that reasonably lead to a conclusion by District officials that disruption on campus will soon follow the student’s off-campus conduct. In addition, a student’s conduct off campus may in certain circumstances by outside the jurisdiction of the District for purposes of the District’s discipline process, yet results in adverse action within the student’s pre-professional academic program if such program has requirements imposed by law as condition to admission to the profession for which the academic program is preparing the student, e.g. nursing.

The following conduct shall constitute good cause for discipline, including, but not limited to, the removal, suspension or expulsion of a student:

1. Violation of District policies, procedures, or regulations.
2. Failure to comply with directions of District officials acting in the performance of their duties; disrupting, obstructing, or interfering with instructional, administrative, disciplinary, or other functions or activities of the District.
3. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.
4. Unauthorized use of a personal electronic device in an instructional or testing environment (such as smart watch, cell phone or tablet).
5. Dishonesty, forgery, alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
6. Causing, attempting to cause, or threatening to cause physical injury to another person.
7. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, which is concurred in by the college president.
8. Unlawful possession, use, sale, offer to sell or purchase, or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11014.5) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.
9. Committing or attempting to commit robbery or extortion.
10. Causing or attempting to cause damage to District property or to private property on campus.
11. Unauthorized possession or use of any personal property or equipment of the District.
12. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen District property or private property on campus.
13. Willful or persistent smoking (including electronic cigarette devices) in any area where smoking has been prohibited by law or by regulation of the college or the District.
14. Committing sexual harassment as defined by law or by District policies and procedures.
15. Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.
16. Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying; “bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:
   a. Placing a reasonable student or students in fear of harm to that student’s or students’ person or property;
b. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health;
c. Causing a reasonable student to experience substantial interference with his or her academic performance;
d. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the District.

17. Engaging in intimidating or bullying against District personnel through words or actions. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.

18. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.

19. Lewd, indecent, or obscene conduct on District-owned or controlled property or at District-sponsored or supervised functions.

20. Engaging in expression which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.

21. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

22. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

23. Unauthorized entry upon or use of District facilities.

24. Sexual Assault, defined as actual or attempted sexual contact with another person without that person’s consent, regardless of the victim’s affiliation with the community college, including, but not limited to the following:

a. Intentional touching of another person’s intimate parts without that person’s consent or other intentional sexual contact with another person without that person’s consent.
b. Coercing, forcing, or attempting to coerce or force a person to touch another person’s intimate parts without that person’s consent.
c. Rape, which includes penetration, no matter how slight, without the person’s consent of either of the following:

1. The vagina or anus of a person by any body part of another person or by an object.
2. The mouth of a person by the sex organ of another person.

25. Sexual exploitation, defined as a person taking sexual advantage of another person for the benefit of anyone other than that person without that person’s consent, regardless of the victim’s affiliation with the community college, including, but not limited to, any of the following:

a. Prostitution.
b. Recording images, including video or photograph, or audio of another person’s sexual activity, intimate body parts, or nakedness without that person’s consent.
c. Distributing images including video or photograph, or audio of another person’s sexual activity, intimate body parts, or nakedness, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to the disclosure and objected to the disclosure.
d. Viewing another person’s sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person’s consent, and for the purpose of arousing or gratifying sexual desire.

26. Any act which is defined as a felony, misdemeanor or infraction under the laws of the State of California.

Non-students or persons not affiliated with the college who interfere, obstruct, interrupt, or detract from the operation of the college or the promotion of its educational or community objectives are subject to criminal action under the State of California Penal Code, Section 602.10.

Cuesta College Campus Police Administrator or designee have the authority to withdraw of consent for all individuals to remain on any of the San Luis Obispo County Community College District campuses or District property under the State of California Penal Code, Section 626.4(a).

AUTHORITY OF INSTRUCTOR
The Board of Trustees shall establish rules and regulations for student conduct while on campus and/or engaged in any college-sponsored activity.

The Vice President of Student Services and College Centers or designee shall be responsible for enforcing rules and regulations and administering the disciplinary functions for all activities of students at times and places when students are under the District’s jurisdiction; however, an individual instructor is given the power to remove a student from his or her class for good cause for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the Vice President of Student Services and College Centers for appropriate action.

During the period of removal, a student shall not be
STUDENTS IN THE ASSOCIATE DEGREE NURSING PROGRAM CODE OF CONDUCT

The Board of Trustees determines that the following policies govern the participation of alcohol- or drug-impaired students in the Associate Degree Nursing Program.

1. The nursing program, in addition to offering an academic program, includes clinical course work. The safety of patients under the care of student nurses must be assured. The instructor and the Director of Nursing Programs may take immediate corrective action to remove a student impaired by alcoholism or drug abuse from the clinical program if the student demonstrates by his/her conduct and performance in the clinical setting that he/she is a danger to the health and safety of patients under his/her care.

2. After evaluation and due process, students considered by the Director of Nursing Programs to be impaired by drugs or alcohol will be allowed to continue their studies, including clinical course work, as long as they are adhering to the provisions of a contract between the college and the student for the student’s retention.

3. Information on the student’s condition is confidential and will not be disclosed except when necessary to protect the safety of patients under the care of student nurses.

4. An individual contract of retention will be developed by the student, rehabilitation therapist, and the Director of Nursing and shall specify:
   a. That the student must participate in an approved drug or alcohol treatment and rehabilitation program for the duration of his/her nursing program studies.
   b. That evidence of satisfactory attendance and progress will be provided to the college on a regularly scheduled basis.
   c. That the student will consent to periodic random drug screening as part of the treatment and rehabilitation program.
   d. That the impaired student will give all medications under direct supervision and that the student will not have access to keys to medications.
   e. That if the student fails to adhere to the conditions of the contract for retention, the same procedure will be followed as with any other student on probation; the circumstances of the violation will be reviewed by the nursing faculty as a whole; and recommendations for the retention or dismissal will be made to the Director of Nursing Programs, who will then make the decision after advising the Vice President of Student Services and College Centers.

5. Information on the student’s dismissal from the nursing program will be reported to the Board of Registered Nursing when such information is requested by the Board of Registered Nursing.

STUDENT DISCIPLINE

A. Types of Discipline

1. Warning: Notice to the student(s) that continuation or repetition of specified conduct may be cause for further disciplinary action.

2. Censure: Written reprimand for violation of specified regulation.

3. Disciplinary Probation: Exclusion from participation in privileges or extracurricular college activities as set forth in the notice of disciplinary probation for a specified period of time.

4. Restitution: Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair, replace, or otherwise compensate for damages.

5. Interim Suspension: Exclusion from classes and other privileges or activities as set forth in the notice of interim suspension, pending final determination of an alleged violation.

6. Suspension: Exclusion from classes and other privileges or activities as set forth in the notice of suspension for a definite period of time.

7. Dismissal: Termination of student status for an indefinite period. The student(s) may be readmitted to Cuesta College with the specific approval of the Superintendent/President’s or designee.

8. Expulsion: Permanent termination of student status without possibility of readmission.

B. Administration of Discipline:

1. A student(s) may be disciplined for improper conduct when such conduct is a part of any college activity.

2. The Vice President of Student Services and College Centers or designee may appoint faculty, student, individual, or committee advisors, to consider potential disciplinary action, but the Vice President of Student Services and College Centers has the final authority for administration of student discipline except that expulsion requires approval by the Superintendent/President of the college.

3. The Vice President of Student Services and College Centers or designee may impose any discipline provided herein when there is reason to believe that substantial grounds exist for such discipline.

4. During the term of any discipline which does not terminate student status, students continue to be subject to District policies, regulations, and procedures.

5. Pre-discipline conference/notice: Students charged with misconduct shall be provided with written notice to meet with the Vice President of Student Services and College Centers or designee regarding the basis for possible disciplinary action. The notice must be given at least twenty-four (24) hours prior to the scheduled appointment.
6. The meeting with the Vice President of Student Services and College Centers or designee should include:

- A written statement of charges to the student(s);
- A reasonable opportunity at the meeting for the student(s) to personally answer the charges;

Following the meeting, the student(s) shall either accept the disciplinary action, if any, or within forty-eight (48) hours (two school days) following receipt of the written notice of proposed disciplinary action, file at the office of the Vice President of Student Services and College Centers or designee a written notice of intent to appeal to the Student Conduct Appeals Committee.

C. Appeal

Level I

- The student(s) shall file with the Appeals Committee, within twenty-four (24) hours (one school day) following filing of a notice of intention to appeal, a specific written response to each of the charges. Any charge to which the student(s) does not respond shall be deemed to be true.

- The Appeals Committee shall include a hearing officer appointed by the Superintendent/President, administrator (Vice President of Student Services and College Centers may not serve), faculty member appointed by the Academic Senate, and a student representative appointed by the Associated Students of Cuesta College.

- A meeting of the Appeals Committee shall be convened not earlier than twenty-four (24) hours after submission of the student’s response to the charges, to hear the appeal and to make a decision in the case.

- The hearing before the Appeals Committee is not a judicial proceeding. The Appeals Committee recognizes the student’s right to a fair opportunity to hear the charges and evidence in support thereof, the right to present oral and documentary evidence on his/her behalf, the right to present a written argument on conclusion of the hearing, and the right to have an accurate copy of the minutes of the hearing furnished to the student.

- The Appeals Committee shall submit its decision to the student within ten (10) working days of the hearing.

Level II

- Within twenty-four (24) hours (one school day) after receiving the decision of the Appeals Committee, the student(s) may appeal the decision in writing to the Superintendent/President. Such appeal may be based only on the grounds that:
- Required procedures have not been followed and the student(s) has/have been demonstrably damaged;
- There is insufficient evidence to support the decision of the Appeals Committee;
- One or more members of the Appeals Committee have, prior to the hearing, formed an opinion as to whether the student(s) has/have or has/have not committed the acts with which charged; and must include all supportive evidence.
- The Superintendent/President will evaluate the evidence and submit findings in writing to the student within fifteen (15) working days after receiving the appeal.

Level III

- Every student has the final right of appeal to the Board of Trustees when dismissal or expulsion has been imposed.
- A final written appeal may be made to the Board of Trustees within thirty (30) working days of the written response of the Superintendent/President. The Board will evaluate the evidence and render its decision within thirty (30) days of the initial meeting of the Board at which the matter is discussed.

Students have the right to pursue their complaint after completing the above complaint process with the California Community Colleges Chancellor’s Office (CCCCO). CCCC0 provides students and others with a method and process outside of the institution that takes, investigates and responds to complaints regarding the institution. The link to the CCCC0 process and form is http://californiacommunitycolleges.cccco.edu/ComplaintsForm.aspx. CCCC0 has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, Sections 600.9 (b) (3) and 668.43(b).

STUDENT COMPLAINT PROCESS

STUDENT COMPLAINTS

Students wishing to file a complaint should follow the Student Complaint Process and initiate direct contact with the appropriate individual indicated on the Student Complaint Referral Grid. Please refer to myCuesta website for current referral grid: (http://www.cuesta.edu/aboutcc/planning/vpss/StudentComplaintProcess.html).

Academic complaints: the student should begin by first talking to the instructor about the academic matters including grades and curriculum to attempt resolution. If this is unsuccessful, the student may then proceed with the steps cited in the Student Complaint Referral Grid. The appropriate path is faculty member, Division/Department Chair, area Dean and finally, the Vice President Academic Affairs.

Non-academic complaints: the student should begin by first talking to the Vice President Student Services or designee about the appropriate steps to take, or the protocol to follow regarding a complaint.

While it is recognized that the grid represents the ideal sequence of opportunities for resolving student complaints, it is understood that when actual situations arise, the parties involved will use their best judgment regarding complaint resolution depending upon the availability of personnel and the immediacy of the problem. The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee, serve as a clearing-house for students dissatisfied with an experience on campus, who may not be knowledgeable about the appropriate steps to take, or the protocol to follow regarding a complaint.
The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center, or designee, may assist the student in following the Student Complaint Process or initiate a referral to the appropriate individual. The Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center, or designee, will contact the individual to whom the student is being referred to facilitate resolution.

The student complaint grid indicates the appropriate personnel sequence for whom students should contact for informally resolving student complaints. If a student, after completing the Student Complaint Referral Grid steps, is not satisfied with the solution posed through the Student Complaint process, the student has the option of making an appointment with the Resolution Coordinator or designee in the Vice President of Student Services and College Centers office on the San Luis Obispo Campus or the Dean of the North County Campus and South County Center on the North County Campus, to evaluate the next steps which may be the filing of a formal grievance.

A complaint is grievable if it is non-disciplinary and involves the process, application, or interaction of school policy—in other words, how something was done or processed. In general, a complaint is not grievable if it involves the content of existing policy. For specific information regarding the Student Grievance Procedure, refer to Cuesta College Board Policy 6205.

*When a student has a complaint which involves (1) sexual harassment, (2) civil rights discrimination on the basis of ethnicity, race, national origin, religious beliefs, age, gender, color, physical or mental disabilities, veteran status, sexual orientation or sexual identity, or marital status, or (3) retaliation for filing a sexual harassment or other unlawful discrimination complaint, referring a matter for investigation, participating in an investigation of a complaint, serving as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of the District’s unlawful discrimination policy (Policy 1565), then the matter is to be referred to the Executive Director of Human Resources and Labor Relations as such matters are to be handled pursuant to Policy 1565 (unlawful discrimination) and not as a student grievance.

Students have the right to pursue their complaint after completing the above complaint process with the California Community Colleges Chancellor’s Office (CCCCO). CCCCCO provides students and others with a method and process outside of the institution that takes, investigates, and responds to complaints regarding the institution. The link to the CCCCCO process and form is http://californiacommunitycolleges.cccco.edu/ComplaintsForm.aspx. CCCCCO has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, Sections 600.9 (b) (3) and 668.43(b).

STUDENT GRIEVANCE PROCEDURE

1. The next step beyond the complaint process may be the filing of a formal grievance depending upon the nature of the complaint.

2. A complaint is grievable if it is non-disciplinary and involves the process, application, or interaction of school policy—in other words, how something was done or processed. In general, a complaint is not grievable if it involves the content of existing policy.

3. For specific information regarding the Student Grievance Procedure, refer to Cuesta College Board Policy 6205.

A grievance shall mean a complaint that is non-disciplinary and is other than one dealing with civil rights discrimination,* which has been filed by a student or by a student’s designee on his/her behalf. The primary purpose of the following procedure is to secure at the earliest level possible an equitable solution to a complaint.

LEVEL 1.

The student should contact in person the Vice President of Student Services and College Centers, or designee, and present his/her grievances. If the grievance is not resolved, the student can submit to the Vice President of Student Services and College Centers, or designee, a written appeal for further consideration. (Time limit: ten calendar days from the date of appointment with the Vice President of Student Services and College Centers, or designee.)

LEVEL 2.

A Student Appeals Committee, made up of three faculty and three student members jointly appointed by the Vice President of Student Services and College Centers, or designee, and the ASCC President, then will be convened within ten calendar days after receiving the appeal and will submit its finding to the student in writing within an additional ten days. If the complaint is not resolved, a written appeal can be filed by the student to the President/Superintendent within ten calendar days. When a grievance involves the Vice President of Student Services and College Centers, or designee, (Level 1) and/or the Associated Students Cuesta College (ASCC) President and the Vice President of Student Services and College Centers, or designee, (Level 2), those responsibilities listed above for these two positions at Levels 1 and 2 shall be assumed by the Superintendent/President (or designee appointed by the Superintendent/President) of the District.

LEVEL 3.

The student will appeal in writing with all supportive evidence to the President/Superintendent (or designee) who will evaluate the evidence and submit his/her finding in writing to the student within ten calendar days after receiving the appeal.

LEVEL 4.

A final written appeal may be made to the Board of Trustees within thirty calendar days of the written response of the Superintendent/President (or designee). The decision of the Board will be given within thirty calendar days of the initial meeting at which the complaint is discussed.

*When a student has a complaint which involves (1) sexual harassment, (2) civil rights discrimination on the basis of ethnicity, race, national origin, religious beliefs, age, gender, color, physical or mental disabilities, veteran status, sexual orientation or sexual identity, or marital
status, or (3) retaliation for filing a sexual harassment or other unlawful discrimination complaint, referring a matter for investigation, participating in an investigation of a complaint, serving as an advocate for an alleged victim or alleged offender, or who otherwise further the principles of the District’s unlawful discrimination policy (Policy 1565) and the nondiscrimination in district college programs policy (Policy 1570), then the matter is to be referred to the Executive Director of Human Resources and Labor Relations as such matters are to be handled pursuant to Policy 1565 (unlawful discrimination) and Policy 1570 (nondiscrimination in district college programs) and not as a student grievance.

Student Organizations
1. Registration of Student Organizations: An organization in which active membership is limited to students and academic and administrative staff of the college may become a registered student organization by complying with the registration procedures established by the Associated Students of Cuesta College and the Vice President of Student Services and College Centers, which shall include the name of the organization, can include the name of Cuesta College, its purposes, its officers, and such other information as may be specified in campus regulations.

2. Standard of Conduct and Discipline: Student organizations are required to comply with college policies and campus regulations and are subject to revocation of registration or other discipline for violation of such policies or regulations.

3. Use of College Name: A student organization may use the name of Cuesta College, or abbreviations thereof, as a part of its own name approved in accordance with 1 above. A registered student organization may state that its membership is composed of students or students and staff of Cuesta College but shall not indicate or imply that it is acting on behalf of the college.

4. Use of College Facilities by Student Organizations: Registered student organizations may use college facilities for meetings and activities in accordance with Board Policy 7850 Use of College Facilities. The Vice President of Student Services and College Centers or designee may grant approval for fund raising, recruiting participants, posting and distributing literature. Registered student religious organizations shall be extended the same privileges as other registered organizations, except as limited by federal and state law.

5. Taking Positions on Issues: Registered student organizations may take and publish positions on issues, and shall make it clear in so doing that they are not representing the views of the college or of the student government or of the student association as a whole.

Student Success and Support Program
The Student Success and Support Program brings the student and the District into agreement regarding the student’s educational goal through the District’s established programs, policies, and requirements. The agreement is implemented by means of the student educational plan.

Student Rights and Responsibilities
Each non-exempt student, in entering into a student educational plan, will do all of the following:

- identify an education and career goal;
- identify a course of study;
- be assessed to determine appropriate course placement;
- complete orientation;
- participate in the development of a student educational plan;
- complete a student educational plan no later than the term after completing 15 semester units of degree applicable credit coursework;
- diligently attend class and complete assigned coursework; and
- complete courses and maintain progress toward an educational goal.

Exemptions
Students that have completed an associate degree or higher may be exempt from participation in orientation, assessment, counseling, advising, or student education plan development.

Students exempted from any of the matriculation components are notified in their myCuesta student portal; nonetheless, exempt students are encouraged to participate in these services.

Transcripts from Cuesta College
A written or electronic request by the student is required to release transcripts.

Transcripts ordered electronically will be mailed within 2-4 working days from the date of request in most cases. An electronic notification will inform the student of the status of their transcript order and notify them of any holds. The fee for the electronic transcript request is $6.00 per copy. Transcripts ordered in-person will be mailed within 2-3 weeks and cost $3 per copy after the first two free copies. Unofficial transcripts are available for viewing and printing through myCuesta on the Cuesta College website. Access to myCuesta requires the student username and password.

Transcripts will not be produced for students who have a hold on their records.

Voter Registration
Voter registration forms are available year-round at various campus locations, including the Student Services Building and ASCC Student Government Offices. Students can also register online on the California Secretary of State’s web site at http://registertovote.ca.gov/student.

With the passage of California Senate Bill No. 854-Chapter 481, state-funded higher education institutions - community colleges, California State University system and University
of California campuses - are required to allow students to request voter registration materials online through a link in their course registration system. As a result of this legislation, Cuesta students are able to link to the online voter registration application from the Get Started website at the same time they are applying to Cuesta. The direct link to the California Secretary of State Web site allows students to complete the voter registration process online as long as they possess a California driver license or identification card number.
ASSOCIATE DEGREES AND CERTIFICATES

Students wishing to receive an associate degree or certificate must complete the Cuesta College Associate Degree Application or Certificate Application in order for the Evaluations Office to perform an official final evaluation of the student with a counselor for verification. The applications are available on the Office of Admissions and Records’ website and in the Student Services Center at all campus locations.

Degrees and certificates are awarded two to three months after the completion of the term in which requirements were met. Posting dates reflect the final date of the traditional semester or session in which the requirements were completed.

Degree candidates are encouraged to participate in the Cuesta College Commencement Ceremony which takes place each May on the San Luis Obispo campus. Commencement information is available on the Evaluations Office website, in the Commencement channel in myCuesta student portal or commencement website at http://bit.ly/cuestagrad

Catalog Rights
Catalog rights allow a student the ability to self-identify a particular catalog year which he or she will fulfill the published requirements for a particular degree or certificate. Catalog rights protect students from being unfairly disadvantaged when degree or certificate patterns change from one catalog year to the next. Thus, students may choose to graduate under catalog requirements in effect during the academic year they first enroll at Cuesta, or, during any preceding catalog year during the time of their continuous enrollment at Cuesta College. Continuous enrollment is defined as enrollment at Cuesta during at least one fall or spring term each academic year. Students who are not enrolled at Cuesta for two regular consecutive semesters (e.g. fall and spring) must follow degree and certificate requirements in effect at the time of their re-enrollment at Cuesta College. Students who are no longer enrolled at Cuesta College, but wish to obtain an active degree or certificate will need to fulfill the current degree/certificate requirements.

Residency credit requirements for degree, certificate, GE certification and application of alternative education credit
Residency credit does not refer to with whether or not a student is a resident of the State of California.

Residency credit is defined as credits earned while in residence at the campus granting the degree, certificate, general education certification, or application of alternative education credit.

Credit that does not satisfy the residency credit requirement:
• Advanced Placement

• Credit-by-Exam
• Military
• Other alternative education credit

Residency credit required for the awarding of Cuesta College degrees, certificates and general education certifications:
• DEGREES - Minimum of 12 semester credits
• CERTIFICATE OF ACHIEVEMENT - Minimum of two of the required courses
• CERTIFICATE OF COMPETENCY - Minimum of one of the required courses
• CERTIFICATE OF COMPLETION - Minimum of one of the required courses
• CERTIFICATE OF SPECIALIZATION - Minimum of one of the required courses
• CSU GENERAL EDUCATION CERTIFICATION - Minimum of one course (at least three semester credits)
• IGETC (Intersegmental General Education Transfer Curriculum) – Minimum of one course (at least three semester credits)

Residency credit required for the application of alternative education credit:
• CREDIT-BY-EXAM – Minimum 12 semester credits with “C” average work
• ADVANCED PLACEMENT – Minimum 12 semester credits
• MILITARY CREDIT - Minimum 12 semester credits of “C” average work

Requirements For the Associate Degree
Graduates from Cuesta College have conferred upon them the degree of Associate in Arts or Associate in Science. Requirements for graduation are prescribed by the Board of Governors of the California Community Colleges and the District Board of Trustees.

Designated Degree Requirements
• 60 semester degree applicable credits overall - lower division coursework only (use of upper division credits is subject to appeal)
• 18 credits of Cuesta general education coursework with a minimum overall GPA of 2.00
• Prescribed coursework in a specific major with grades of “C” or better
• Residency
• Health Education
• Diversity
• English Competency
• Math Competency
• 2.00 GPA overall
A.A., Liberal Arts Requirements

- 60 semester transferable credits overall (CSU or UC)
  - lower division coursework only (use of upper division credit is subject to appeal)
- Completion of the CSU GE with an overall minimum GPA of 2.0, or
- Completion of IGETC (minimum grade of “C” required in all coursework), or
- Completion of Cuesta AAGE with a minimum overall GPA of 2.0
- 18 semester credits of coursework in one of the following Areas of Emphasis with grades of “C” or better:
  - Arts and Humanities
  - Science
  - Social and Behavioral Sciences

For Depth, two courses must be from a single discipline
For Breadth, at least three disciplines must be selected.

Associate Degrees for Transfer (ADT)
A Degree with a Guarantee
Cuesta College offers Associate Degrees for Transfer to the CSU. This includes Associate in Arts (AA-T) and Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. Cuesta College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific or campuses, but can make you more competitive.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120 semester credits baccalaureate degree within 60 semester or 90 quarter credits.

To view the most current list of Cuesta College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements:

1. Completion of 60 semester credits or 90 quarter credits that are eligible for transfer to the California State University, including:
   - The California State University General Education Breadth Requirements (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC), and
2. A minimum of 18 semester credits or 27 quarter credits in a major or area of emphasis, as determined by the community college district.

(2) A minimum overall grade point average of 2.0.

(3) A “C” or better grade in all courses required for the major or area of emphasis. External exams such as Advanced Placement, etc. are not subject to this grade restriction.

Student pursuing the Associate Degree for Transfer are also required to complete a minimum of 12.0 credits in residence at Cuesta College.

Consult with the Cuesta College Transfer Center for mandatory application, evaluation and notification deadlines.

Important Information for Transfer-bound Students
Earning an associate degree may not guarantee transfer readiness into a particular CSU or UC campus or major. Consult with an academic counselor for details and a thorough evaluation of your transferable credits, grade point average, and lower division major preparation.

Required Records for Degree Evaluation
Cuesta College incorporates all associate degree applicable coursework from all regionally accredited institutions attended, into overall totals for the degree.

Official transcripts are required from all post secondary institutions attended. Incomplete or missing transcripts and other records will cause the degree to be denied.

Official documentation is required for Advanced Placement scores and other sources of alternative education.

Any foreign credentials must be independently evaluated and the official independent evaluation submitted to the Evaluations Office. Academic Credentials Evaluation Institute, Inc. (ACEI) is the preferred provider for independent evaluation of foreign credentials (http://www.acei1.com), and a “comprehensive” evaluation is required.

CUESTA GENERAL EDUCATION
General education is a cohesive pattern of courses intended to serve three purposes: to strengthen students’ essential intellectual skills; to broadly introduce students to the core concepts and methods of the major disciplines; and to prepare students to lead enriched lives in our multicultural society. General education courses are distinguished from those required for a major or allowed as freely chosen electives. Courses in the general education category are “general” in two senses: independently, they survey the core concepts and methods of the discipline in which they are included; and they point, where possible, to the influences and contributions of the discipline to other disciplines, culture, human history and our quest to understand our universe.

Through this program, students will acquire the ability to think and communicate clearly and effectively both orally and in writing; to use mathematics and other symbolic systems; to understand the modes of inquiry of the major disciplines; to appreciate the structures and processes of the natural environment; to be aware of other cultures and times; to achieve insights by thinking about ethical and
social problems; to understand and appreciate the history of U.S. culture and its governing institutions.

OVERARCHING GENERAL EDUCATION OUTCOMES
Upon completion of the general education course pattern, in addition to the area-specific outcomes, students should be able to:

• identify, explain, and analyze the core concepts and methods of the major discipline in which the course is included;
• identify, explain, and analyze the influences and contributions of the specific discipline to other disciplines, cultures, human history, and our quest to understand the universe.
• organize, integrate, and critically analyze information within the course, using these skills to generate and evaluate alternative perspectives; and
• prepare students to live enriched lives in our multicultural society.

AREA A: PHYSICAL AND LIFE SCIENCES
After successfully completing courses in this category, students will:

• demonstrate understanding of the scientific method and its role in research, analyze problems in a structured way, and develop and employ strategies for solutions using scientific principles.
• demonstrate understanding of the empirical bases for current scientific theories, how those theories develop and change, and how they explain the natural world.
• appreciate the influence of scientific knowledge on the development of civilization.

AREA B: SOCIAL AND BEHAVIORAL STUDIES
After successfully completing courses in this category, students will:

• demonstrate understanding of the theories and be able to employ and evaluate the methods of social science inquiry.
• analyze and critically assess ideas about the individual, social groups, institutions and society, as well as their interrelationships, structure and function.
• use this knowledge to develop a capacity for self-understanding and to understand contemporary issues, conflicts, problems and their origins.

AREA C: ARTS AND HUMANITIES
After successfully completing courses in this category, students will:

• recognize the value of the great works of the human imagination in a broad context and understand their contribution to human culture.
• analyze and appraise cultural/artistic achievements in verbal and/or non-verbal forms.

Since language acquisition is a door to understanding the arts and humanities of other cultures, students who acquire second language skills also fulfill the category C requirement.

AREA D: ENGLISH AND MATH COMPETENCY REQUIREMENT
Competency in reading, written expression, and mathematics must be demonstrated. The reading and written expression competency requirement is satisfied by completing English 201A, or an equivalent college level writing course with a grade of “C” or better, from a regionally accredited institution.

The mathematics competency requirement is satisfied by completing Math 126B or 127, or a higher college level mathematics course, with a grade of “C” or better. Equivalent college level mathematics courses completed at regionally accredited colleges and universities are also acceptable.

(Note: Students who have been in attendance at Cuesta or any regionally accredited institution prior to Fall 2009 should see a Cuesta counselor to establish catalog rights regarding competency requirements.)

AREA D1: COMMUNICATIONS IN ENGLISH
After successfully completing this category, students will be able to:

• read and write effective expository and argumentative prose with a focus on inquiry as well as persuasion.
• read critically in order to comprehend the central ideas and rhetorical techniques in the assigned texts.
• demonstrate an ethical use of various rhetorical techniques in their written work.

AREA D2: ANALYTICAL THINKING
After successfully completing this category, students will be able to:

• construct and analyze statements in a formal symbolic system, and understand the relationship between the symbolic system and its various applications in the real world.
• appreciate the strengths and limitations of the system, its logical structure, and its derivation.

AREA E: AMERICAN INSTITUTIONS
After successfully completing courses in this category, students will:

• demonstrate understanding of the impact of social, political, and economic forces in the historical development of the U.S.
• employ interpretative skills to analyze historical causes and effects.
• demonstrate an enhanced understanding of the inter-relationship among the branches of our government over time.
• develop an understanding of U.S. cultural and social diversity, and ethnic, gender, and class conflict.

DIVERSITY REQUIREMENT
After successfully completing the requirement, students will be able to:

• identify, assess, and challenge biased assumptions and behaviors of individuals and societal institutions.
• analyze inter-group relations within categories of identity, such as race, ethnicity, gender, religion, sexual orientation, class, ability, nationality, or age.

• examine struggles of non-dominant groups for power, justice, and access to resources.

HEALTH REQUIREMENT
After successfully completing this requirement, students will be able to apply a breadth and depth of knowledge that is inclusive of all the dimensions of health (e.g., spiritual, environmental, social, mental, emotional, and physical). The scope and content of the health education course work in this requirement provides the student with the knowledge and problem solving skills essential to evaluate health literature, analyze personal health risks and promote lifestyle choices. This preparation empowers the student to make relevant choices applicable to their genetic, environmental, and health risk factors that ultimately optimize mind/body/spirit health over a lifetime.

• Describe and discuss content of the major chronic diseases in the United States.

• Evaluate individual risk factors for chronic diseases from a genetic, environmental, and lifestyle perspective.

• Describe and discuss content about communicable diseases/infections (e.g., STI's, Hepatitis C) including symptoms and prevention.

• Analyze the influence of environmental and nutritional concepts on food choices.

• Relate diet, exercise, and stress management to prevention of diseases and psychological well being.

• Develop an appropriate physical fitness program that includes cardiovascular conditioning, muscle strength and endurance training, and flexibility.

• Examine the relationship between values and beliefs and mental health. Utilize this relationship to create effective interpersonal communication in relationships, coping, prevention of addictive behaviors and personal safety.

• Analyze and apply spiritual concepts to improve health and wellness.

CAREER AND VOCATIONAL PROGRAMS

In addition to programs that prepare students for University transfer, Cuesta also offers career and technical programs designed to prepare students for immediate employment in a specific technical or vocational area. These programs range in length from one semester to several years to complete, depending on the area of study. The curriculum for these specialized programs is monitored by an advisory committee, which includes business and industry leaders, as well as Cuesta faculty and staff from the specific occupation or profession. Cuesta’s programs are evaluated and reviewed on a regular basis to make certain that the curriculum is kept up to date with current industry and licensing standards, and to ensure that students are receiving the most relevant training and education available for their chosen field.

Cuesta College offers both Associate Degrees and Certificate Programs with career and vocational emphases:

Associate in Arts and Associate in Science Degrees
Cuesta offers a variety of Associate in Arts and Associate in Science degrees in Technical and vocational subjects. An Associate Degree requires completion of a minimum of 60 semester credits of degree-applicable course work, to include major related course work, general education, and Cuesta graduation requirements in Health Education and Diversity. A minimum 2.0 overall GPA is required, and all courses required for a major must be earned with “C” grades or better. See the “Associate Degrees and Certificates” section of this catalog for additional information.

Certificate of Specialization
A Certificate of Specialization is a course (or group of courses) designed to prepare a student for work in a specific field or profession. Unlike the Associate’s degrees, Certificates of Specialization do not require completion of general education or graduation requirements. Most Certificates of Specialization total 18 semester credits or less. They are awarded to students who have completed the Certificate requirements with a minimum of “C” grade in each course required for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Admissions and Records office.

Certificate of Achievement
A Certificate of Achievement is a group of courses designed to prepare a student for work in a specific field or profession. Unlike the Associate’s degrees, Certificates of Achievement do not require completion of general education or graduation requirements. Certificates of Achievement must total 18 credits or more, and the completed Certificate is posted to the student’s official transcript. They are awarded to students who have completed the Certificate requirements with a minimum of “C” grade in each course required for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Admissions and Records office.

Certificate of Competency
A Certificate of Competency is a course (or group of courses) designed to those students in a recognized career field articulated with degree applicable coursework, completion of an associate degree, or transfer to a baccalaureate institution. Unlike the Associate’s degrees, Certificates of Competency do not require completion of general education or graduation requirements. They are awarded to students who have completed the Certificate based on program requirements for the Certificate who have met Cuesta residency requirements, and who have applied for the Certificate through the Admissions and Records office.

Certificate of Completion
A Certificate of Completion are state-approved non-credit certificates programs of study. Unlike the Associate’s degrees, Certificates of Completion do not require completion of general education or graduation requirements. They are awarded to students who have completed the Certificate based on program requirements for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Admissions and Records office.

Often students who have obtained employment after earning a Certificate of Achievement, a Certificate of Specialization, a Certificate of Competency, or a Certificate of Completion will return to Cuesta to continue with additional requirements needed to earn an Associate in Arts or an Associate in Science degree. Counselors are available to assist students with this process.

EVALUATIONS, SUBSTITUTIONS, WAIVERS AND APPEALS

Degrees and certificates are awarded by the Evaluations Office after a student has applied for the degree or certificate, and after a formal review of the student’s records has been made. Students who are planning to earn a degree or certificate should schedule regular appointments with a counselor to make sure that they are taking the right courses to meet their desired educational goal.

In certain circumstances, students may initiate a Substitution or Waiver petition through Counseling Services to request use of other coursework to meet requirements for one of Cuesta’s degrees or certificates. These substitution and/or course waiver petitions must first be reviewed by a counselor, and then are forwarded to the division office for review and decision by the division chair and instructional dean. If approved, the approval form is scanned to retain a formal record of the decision.

In certain extenuating circumstances, students may submit an Evaluations Office “Policy Appeal for Extenuating Circumstances” to the Director of Admissions and Records when they have certain impediments that prevent them from completing all requirements for a degree or certificate, such as all general education course work, or all graduation requirements. The Director of Admissions has final say in the determination about whether to grant...
this appeal. Contact the Evaluations Office at (805) 546-3141 for further information.

**CREDIT FOR ALTERNATIVE EDUCATION**

Cuesta College affirms that there is merit in awarding college credit for other than the traditional classroom experiences. Therefore, Cuesta College awards credit according to the policies stated below.

**Advanced Placement Examination**
Cuesta College recognizes the completion of College Board Advanced Placement Exams (AP), authorized by the College Entrance Examination Board (CEEB). Credit is awarded based upon the criteria established by the college. Advanced placement scores may be ordered by calling the College Board at (888) 308-0013.

**Credit for Educational Training in the Military**
For currently enrolled students, in good standing, who have completed at least 12 semester credits of “C” average work at Cuesta College, the college may grant up to 12 elective semester credits in accordance with the recommendations of the American Council on Education (ACE) for educational training completed in the military service. Educational work completed through the United States Armed Forces Institute (USAFI) will also be accepted with no unit maximum. For more information contact the Veterans Resource Center.

**Credit by Examination (Challenge of Courses)**
Credit by Examination enables students to use their acquired knowledge, abilities and competencies to challenge certain existing courses for credit.

Petitions for Credit by Examination must be submitted to the Admissions and Records office no later than the Friday of the fourth week of the fall or spring semester or the Thursday of the second week of summer session.

These requirements must be met in order to qualify for Credit by Examination:

- The course is listed in the current catalog and is included in the current list of courses that may be challenged (available on the Cuesta website).
- The student has completed all prerequisites for the course.
- The student is duly registered, in good standing, and has completed at least 12 semester credits of “C” average work at Cuesta College. The student may not be on academic probation/dismissal or progress/dismissal.

The following restrictions apply per Cuesta College Board Policy R6400:

- A course may be challenged for a letter grade or on a pass/no pass basis if the course has an either/or grade option code.
- A maximum of 15 semester credits may be challenged.
- A course may not be challenged more than once.

- Credits received through a challenge may not be used to satisfy eligibility requirements for athletics, financial aid or veterans benefits.
- For courses that involve a lab, the examination will include a lab portion, studio portfolio evaluation or a similar demonstration of ability.
- Credits received through challenge may not be used to satisfy residency requirements.

For more information, refer to the “Petition for Credit by Examination” form available in the Admissions and Records Office or on our website.

**Independent Studies**
The option of Independent Study at Cuesta College provides an opportunity for an in-depth study or practicum experience by an individual student in a selected topic under the direction of an instructor. In order to qualify, a student must be in good standing, must be enrolled in another class in addition to the independent study course, and must have completed the prerequisite and preparatory course work. A student may not earn more than two credits for an independent study course in any term. To initiate independent study, a student should confirm through the Admissions and Records Office eligibility to enroll in an independent study course and should contact the appropriate academic division.

Independent Studies follows all policies pertaining to credit classes.

**High School Career Education Articulation**
Local high school students may receive Cuesta College credit for approved technical and vocational courses, through the San Luis Obispo County Tech Prep Articulation Agreement process. A specialized “Credit by Examination” process allows high school students to challenge the content and/or skill proficiency of specific courses, provided a valid Tech Prep articulation agreement between the student’s high school and Cuesta College is maintained. Each student must fill out a Cuesta College admission application online at www.cccApply.org and a “Permit to Enroll” form, and submit a transcript to the Cuesta College Records Office.

For more information, contact the Tech Prep Office at 805-546-3100 ext 2533.

**Credits Not Accepted Toward Degrees/Certificates/Certifications**

**Continuing Education Units (CEU)**
Continuing education courses are designed for personal enrichment or job advancement and are not applicable to degrees or certificates.

**Non-Degree Applicable Credits**
Non-degree applicable college courses are not applied to degrees or certificates. Degree applicability is determined according to the catalog for the term in which course was taken.
Credits from Non-Accredited Institutions
Cuesta College only accepts course work from regionally accredited institutions.

Upper Division Course Work
Upper division courses may be applied to Cuesta College general education area or major and/or elective requirements based on content equivalency to general education area, major, or elective requirements.

Upper division courses in math or English composition may be used to satisfy competency requirements for the Associate degree.

Policy on the use of upper-division coursework on the IGETC and CSU GE is governed by the University of California and California State University system. Consult the IGETC Standards and CSU Executive Order 1100 for complete details.

Course Work from Religious-Affiliated Institutions
Course work taken from regionally accredited church or religious-affiliated institutions is accepted as long as the course is not specific to the application of a single doctrine.
TRANSFER TO THE CALIFORNIA STATE UNIVERSITY (CSU) SYSTEM

Cuesta College offers lower division (freshman and sophomore) courses to meet both major preparation and general education requirements for students planning to transfer to the California State University (CSU). Students are advised to check with Cuesta College Counseling Services for detailed information about specific campus, major, and general education requirements.

Minimum requirements for transfer as an upper division student to the CSU

- Complete 60 semester (90 quarter) transferable credits.
- Complete at least 30 semester (45 quarter) credits of general education courses with at least “C” grade or better including:
  - Oral Communication (Area A1 of the CSU GE-Breadth)
  - Written Communications (Area A2 of the CSU GE-Breadth)
  - Critical Thinking (Area A3 of the CSU GE Breadth)
  - Mathematics (Area B4 of the CSU GE-Breadth)
- Attain a grade point average of 2.0 or better (2.40 for non-California residents) in all transferable college units attempted. (Note that a higher GPA is required for most CSU campuses.)
- Stay in good academic standing at the last college or university attended prior to transfer (e.g. eligible to re-enroll at that college or university).

Completion of General Education (CSU GE-Breadth)
The CSU requires completion of 48 lower division credits of general education for graduation, 39 of which may be certified by Cuesta College. Courses taken to fulfill Areas A1, A2, A3, and B4 of the CSU GE pattern must be completed with grades of “C” or better, to meet minimum CSU admission requirements. It is strongly recommended that students complete all or most of their CSU GE as part of their minimum 60 credits required for transfer. Students who complete the CSU GE pattern prior to transfer will not be held to additional lower division GE requirements after transfer. The CSU also accepts the Intersegmental General Education Transfer Curriculum (IGETC) toward fulfillment of lower division general educations. Click here to view the most current CSU GE pattern:

http://www.cuesta.edu/student/documents/counseling/CSUGE.pdf

Preparing for a Major
In order to be best prepared for upper division coursework, students are also advised to complete as much lower division preparation for their major as possible prior to transfer. Depending on the student’s major, some pre-major courses may also be listed as options on the CSU GE pattern, and thus can be double-counted. Major preparation information can also be found on the California statewide articulation website at www.assist.org.

Supplementary admission criteria/impacted majors
In the CSU, an undergraduate major or campus is designated as impacted when it receives more eligible applicants than either the campus or the major can accommodate. In such instances, the CSU campuses have been authorized to use supplemental admission criteria to screen applicants to these majors and/or campuses. Supplemental admission criteria may involve requiring specific course preparation in the major prior to transfer, and/or the attainment of a specific transferable GPA. Students are encouraged to meet with a counselor early to be advised about specific admission and selection requirements for their intended CSU campus.

GENERAL EDUCATION CERTIFICATION
Students must request their CSU GE Certification from Cuesta College by completing an Application for Certification, available in the Admissions and Records Office. (CSU GE certification by Cuesta is not automatic upon completion of the coursework.) To be fully certified, students must complete 9 semester credits in each of areas A, B, C, and D, and 3 semester units in Area E. Courses taken from other institutions will be included in the Certification as long as the course was appropriate for CSU GE placement at the institution at which it was taken. Counselors can assist with the CSU GE placement of courses taken from outside institutions.
Alert! The Fall 2016 CSU GE pattern will be available after May 1, 2016.
See a counselor for the '16-'17 pattern.

CSU TRANSFER CREDITS REQUIRED

39 lower division General Education + 21 program preparation (required by many campuses), or CSU transferable electives =60 transferable credits (minimum)

Please Note:

- You may transfer up to a total of 70 credits from a Community College.
- 9 credits of upper division General Education will be required at the CSU.
- Areas A1, A2, A3, and B4 are considered the “Golden Four” and must be completed with grades of “C” or higher. Note: High credit programs (e.g. Engineering) may not need Area A3 “Critical Thinking” prior to transfer.

Specific Campus Requirements

- Foreign Language: Some campuses require foreign language for graduation. Certain programs may have a foreign language requirement. For specific requirements, consult university catalogs or a counselor.
- Multicultural/Ethnic Studies: Many CSU campuses require this for graduation. Some campuses require that the course be upper division.
- Additional campus specific requirements: See counselor.

GENERAL EDUCATION CERTIFICATION

Certification refers to official notification from a community college that a transfer student has completed courses fulfilling CSU lower-division general education requirements. Certification will ensure that a CSU campus accepts all your courses in the areas in which the coursework is certified.

Full Certification is given to students who have completed all sections of the CSU General Education Pattern. Students must satisfactorily complete at least 39 lower-division credits, distributed as follows:

AREA A: 9 CREDITS: One course from each group: A1, A2, A3

AREA B: 9 CREDITS: One course from B1, B2 and B4. One lab course required: B3 lab must be taken with or subsequent to corresponding course from B1 or B2

AREA C: 9 CREDITS: Three courses to include at least one course from Arts (C1) and one course from Humanities (C2)

AREA D: 9 CREDITS: Three courses must be selected from at least two different disciplines

AREA E: 3 CREDITS: One course Subject Area (partial) Certification can be granted for one or more completed area (A-E), as outlined above, if all sections of the CSU General Education Pattern have not been completed.

US History, Constitution and American Ideals Certification- All campuses require students to complete college-level coursework in US History, American and California Government. This requirement is met by completing History 207A or 207B and Political Science 202.

You must request certification from Admissions and Records Office during your last term at Cuesta.

T.Labrenz
TRANSFER TO THE UNIVERSITY OF CALIFORNIA (UC) SYSTEM

The University of California gives highest priority to transfer students from the California Community Colleges. Cuesta College students can become eligible for admission to the UC by meeting specific course and GPA requirements, and by meeting with a counselor early to be apprised of specific campus and major requirements and selection criteria.

The requirements described below represent the minimum academic standards students must attain to be eligible for admission to the University. Meeting the minimum requirements does not guarantee admission to the University, nor does it guarantee admission to a particular campus. Admission to the campus and program of choice often requires students to meet more demanding standards. See a counselor for more detail and information.

At UC, a transfer student is defined as a student who has enrolled in at least one regular term (fall, winter, or spring) at a college or university following the summer of his/her high school graduation. Students who meet the university’s definition of a transfer student are held to junior-level transfer admission requirements and not freshman admission requirements. A student who attends college in a summer term immediately following his/her high school graduation, and/or who has completed college work while in high school is still considered a freshman applicant.

Junior-level Transfer Admission Requirements

The vast majority of transfer students come to the University at the junior level from California community colleges. In order to meet minimum UC eligibility criteria as a junior level transfer, students must fulfill the following criteria:

1. Complete 60 semester (90 quarter) units of UC transferable college credit with a GPA of at least 2.40 (higher for non-residents).

2. Complete either the Intersegmental General Education Transfer Curricula (IGETC) pattern, or, complete the following 7-course pattern, earning a grade of C or better in each course:
   - Two UC transferable college courses (3 semester or 4-5 quarter units each) in English composition.
   - One UC transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning;
   - Four transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

Note that meeting minimum UC admission criteria is often not sufficient preparation to gain admission to most UC campuses.

Preparation for Transfer

1. Meet minimum eligibility for admission (see Admission Requirements listed above).

2. Prepare for upper-division study in the chosen major: transfer students should select a major and take courses that meet major requirements. In most cases, completing at least a portion of the major requirements is essential to gain admission to the major. Major preparation information is available at www.assist.org and Cuesta counselors are available to assist students in how to best prepare for their major.

3. Complete an appropriate set of general education course requirements and electives, as time allows.

Transfer students have two options for fulfilling GE preparation for the UC, depending on the campus and major selected:

- IGETC – accepted by both the UC and CSU, is most helpful for students who know they want to transfer but have not yet decided upon a particular institution, campus or major.

  or

- Campus-specific general education requirements of the college or campus they plan to attend. (see assist.org)

The UC Campuses are:

UC Berkeley
UC Davis
UC Irvine
UC Merced
UC Los Angeles
UC Riverside
UC San Diego
UC San Francisco (graduate only)
UC Santa Barbara
UC Santa Cruz

IGETC Certification

For the University of California (UC) and California State University (CSU)

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) with certification will permit a student to transfer to a UC or CSU campus without the need, after transfer, to take additional lower-division general education courses to satisfy campus-specific general education requirements. All courses taken for IGETC must be completed with a grade of “C” or better (or score of 3 or higher on AP tests). Grades of “C-” are not acceptable. The IGETC Certification must be
requested by the student; applications are available in the Admissions and Records office. Pre-major courses may also count towards IGETC; see a counselor for details. Cuesta College will “pass along” courses taken from other colleges and university into the IGETC pattern, as appropriate and based on the policies outlined in the IGETC Standards.

The IGETC is well suited for students planning majors in the Arts, Humanities, or Social and Behavioral Sciences. Students who intend to transfer into majors that require extensive lower-division major preparation, such as engineering and many of the physical and natural sciences, should concentrate on completing the pre-major prerequisites ahead of completion of the IGETC, to be most competitive for admission into these majors.
Alert! The Fall 2016 IGETC pattern will be available after May 1, 2016. See a counselor for the ‘16-’17 pattern.

**General Education Requirements And IGETC (Interssegmental General Education Transfer Curriculum)**

General Education courses are part of the requirements for a university degree. These are courses which are designed to give you an exposure to all major academic disciplines—natural sciences, physical sciences, social sciences, humanities, and the fine arts. Together, general education coursework and major coursework make up a baccalaureate degree. Each campus within the California State University (CSU) and the University of California (UC) has its own unique general education pattern. However, students preparing to transfer to a CSU or UC often do not know which system they will attend. In order to facilitate the transfer of students from the California Community Colleges to the CSU and UC system, the IGETC was developed in 1991.

By completing the IGETC at a California Community College, you can transfer to a CSU or UC campus without the need, after transfer, to take additional lower-division, general education courses. The IGETC is most useful for students who know that they want to transfer to a CSU or UC, but who have not yet decided upon a particular system, campus, or major. It is also generally the most appropriate pattern for students who are choosing majors in the humanities, arts, or social sciences, as these majors generally have fewer lower division major requirements than majors in the sciences and engineering.

**Is the IGETC required to gain admission to a CSU or a UC?**

No, the IGETC is not an admissions requirement to either system. The IGETC is a way for you to complete a general education pattern that is accepted by the CSU and UC, prior to transfer. Completing the IGETC does not guarantee admission to a particular campus or major. However, for certain colleges and majors, completion of IGETC can improve your chances of admission as a transfer student. Your counselor can help you determine if completing the IGETC is a good idea for you.

**The Importance of Major Preparation**

Major preparation requirements specify the courses you must take to prepare for advanced (upper division) study in your particular major. Completion of major preparation should generally take precedence over completion of general education. Because transfer applicants are evaluated for admission, in part, on the basis of their performance in major preparation coursework, it is important that you investigate the requirements for your intended major as soon as possible. If your major requires mathematics and science, it is especially important that you complete those prerequisites before you transfer.

Your counselor can advise you about the specific major preparation requirements for the program you select, or you may research them in the General Catalog of the campus you plan to attend. You can visit the public articulation website at www.assist.org for information about major preparation.

You should begin coursework in your major as soon as you have selected one. Lack of pre-major work may affect your eligibility for your major, particularly, if there are many applicants and a limited number of spaces.

**When is IGETC not a good choice?**

Students who intend to transfer into a major that requires extensive lower division preparation, such as majors in the sciences or engineering may not be well served by completing IGETC.

**Do all CSU and UC campuses accept the IGETC?**

While all CSU’s and most UC’s do accept IGETC, there are some majors on certain UC campuses which do not accept IGETC. A list of those Colleges can be found at: http://admission.universityofcalifornia.edu/counselors/files/transfer-admission-matrix.pdf

**Is there a GPA requirement for IGETC coursework?**

All courses applied to IGETC must be completed with a grade of “C” or higher. A grade of “Credit” or “Pass” may also be used if the community college’s policy states that it is equivalent to a grade of C or better.

**Can Advanced Placement Test Scores be applied to the IGETC?**

Yes, an acceptable score (“3” or higher) on the Advanced Placement (AP) test can be applied to the IGETC. See a counselor for details.

**Must all IGETC coursework be completed at the same college?**

No, courses taken at more than one community college, or from an accredited college outside of the California Community College system, may be used on IGETC, as determined by a counselor.

**Can a course be used to satisfy more than one IGETC subject area?**

No, courses may only be used once even if they are listed in more than one subject area.

**Can a course be used both for IGETC and to satisfy a major prerequisite?**

Yes. The University will allow courses to count toward both the IGETC and to also satisfy a lower division major requirement.

**Does the IGETC have to be fully completed prior to transfer?**

It is strongly recommended that you complete IGETC in its entirety prior to transfer. Completion of IGETC (or a campus-specific general education pattern) may be a part of the transfer admission process for certain campuses and majors. However, a Partial Certification of the IGETC is allowed. Partial certification is defined as completing all but two (2) courses on the IGETC pattern. (Keep in mind that in general, the English and Math portions of IGETC must be completed to meet minimum admission requirements to the university so a student who is missing these courses may not be eligible to a CSU or UC). It is your responsibility to request a partial certification from your community college. Your community college will send the Partial IGETC Certification to the UC or CSU that you have decided to attend. The CSU or UC will then instruct you as to how you can complete the remaining courses on your IGETC.

**Who certifies that a student has completed the IGETC?**

It is your responsibility to request an IGETC certification from your community college. Students who have completed coursework at more than one California Community College should have their coursework certified by the last college attended for a regular term (fall or spring) prior to transfer. You can request certification from a community college that is not your last school of attendance, but it is up to the discretion of that community college to certify.

ANTHROPOLOGY

DEGREES, CERTIFICATES & AWARDS
• Associate in Arts for Transfer (A.A.-T)

DESCRIPTION
Anthropology is an academic discipline that observes, describes and explains human biological and cultural variation. An undergraduate major in Anthropology prepares students for (a) graduate studies and an academic career in Anthropology, (b) graduate studies and an academic career in related disciplines within the humanities and life sciences (e.g., religious studies, biology, sociology), and (c) careers in Applied Anthropology (Contract Archaeology, Medical Anthropology, Forensic Anthropology).

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. ART

DEGREES, CERTIFICATES & AWARDS
• Associate in Arts for Transfer (A.A.-T)
• Associate in Arts (A.A.)
• Certificate of Specialization (C.S.)

DESCRIPTION
Fine Arts is an academic division focusing on the skills and knowledge for the studio practice and study of art. Art History, the study of visual art from prehistory to the present, places emphasis on the visual language, historical context, cultural values, and technological changes in art and architecture. Professional practices emphasize the curatorial, business, and installation aspects of exhibiting art. Studio courses include drawing, painting, photography, graphic design, printmaking, sculpture and ceramics. An emphasis on portfolio presentation, exhibition preparedness, and a progression of intermediate courses prepares students for vocational opportunities and successful junior level transfer to universities, colleges, and art academies.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

AUTOMOTIVE TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS
- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)

DESCRIPTION
The Cuesta College Automotive Technology Department (a NATEF Certified Program) has served students, the automotive service industry, and the community for over 40 years with course offerings in 22 specialized areas of concentration. Students enrolled in these courses have the opportunity to expand their knowledge relative to automotive technology and develop entry level skills required for employment in the automotive service industry. Successful completion of course requirements prepares students for the examinations required for voluntary certification as a professional technician offered by the National Institute for Automotive Service Excellence (ASE). The course offerings address the areas of concentration needed by a technician to become certified as a “Master Automobile Technician”, and “Advanced Level Specialist”.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must:
1. complete each major-specific course required for the degree with at least a “C” grade or better,
2. complete all Cuesta College general education, graduation and residency requirements,
3. achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and
4. submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must:
1. complete all courses required for the Certificate with an overall grade point average of 2.0, 2. earn at least 12 units in residency at Cuesta and 3. submit a Certificate Application to Admissions and Records.

CAREER OPPORTUNITIES
- Alignment Specialist
- Automotive Engineer
- Brake Specialist
- Electrical Engineer
- Electrical Specialist
- Engine Performance/Drivability Specialist
- General Technician
- Industrial Engineer
- Industrial Technology
- Quick Service Tech
- Service Management
- Service Writer
- Transmission Specialist
- Tune-up Technician

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:

CHEMISTRY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)

DESCRIPTION

The Cuesta College Chemistry Program provides interesting and challenging opportunities for students who seek to learn about the atoms and molecules that comprise the building blocks of our world. The study of chemistry leads to a greater understanding of materials, medicine, engineering, forensics, environmental science, geology, molecular biology, agriculture and other related fields. Popular topics include the chemistry of the environment, batteries, fuels, household substances, polymers, and how chemists make the molecules that we use on a daily basis. The Chemistry Program offers courses in Introductory Chemistry (Chem 210FL and Chem 211) for beginning science and nursing and allied health majors; General Chemistry (Chem 201A and 201B) for science and engineering majors; and Organic Chemistry (Chem 212 A and 212B) for science majors and students who intend to earn professional health degrees at medical, pharmacy or veterinary schools. Students can earn an A.S. degree in Chemistry at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

CAREER OPPORTUNITIES

- Chemical Equipment Operators and Tenders
- Chemical Plant and System Operators
- Chemical Laboratory Technicians
- Chemistry Teachers, Postsecondary
- Chemists
- Clinical Research Coordinators
- Environmental Science and Protection Technicians, Including Health
- Environmental Health and Safety
- Molecular Biologists
- Natural Sciences Managers
- Precision Agriculture Technicians
- Quality Control Analysts
- Remote Sensing Technicians
- Secondary School Chemistry and Physical Science Teachers
- Water Resource Specialists

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. COMMUNICATION STUDIES

DEGREES, CERTIFICATES & AWARDS
- Associate in Arts for Transfer (A.A.-T)

DESCRIPTION
The Communication Studies program compels students to explore the communication theories, strategies, and skills needed to succeed in our complex and diverse world. Courses focus on improving social, cultural, professional, and personal experiences through the understanding and applied practice of communication. Many studies cite “effective communication” as the number one skill in demand in today’s workplace. Through the study and practice of communication, students will become more competent communicators in their professional and personal lives. Our Communication Studies transfer degree prepares students for transfer to earn a baccalaureate degree in Communication Studies from a California State University and University of California.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

COMPUTER INFORMATION SYSTEMS

DEGREES, CERTIFICATES & AWARDS

• Associate in Science (A.S.)
• Certificate of Specialization (C.S.)

DESCRIPTION
Computer Information Systems encompasses the fields of Computer Science and Information Systems. Primary fields of study include software development, programming, and applications. Careers in today’s information systems require knowledge and hands-on experience in microcomputer applications as well as programming. Professionals in the computing field seek to advance the fundamental understanding of how information is processed, as well as the practical design of software and hardware to accomplish specific functions. The Associate in Science degree requirements are designed to satisfy core requirements for many Computer Science and Information Systems transfer patterns. However, students should consult a counselor and especially the catalog of the intended transfer institution for specific transfer requirements in the major. The program in Computer Information Systems offers students an opportunity to earn an associate’s degree as well as coursework in general CIS electives for students in other fields of study campus-wide. The program also offers certificates and courses for high-demand skill areas such as mobile device development.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

COMPUTER AND NETWORKING TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Specialization (C.S.)

DESCRIPTION

Computer and Network Technology program builds a solid foundation in computer and networking theory and applications. The training includes basic electronics, network cabling and infrastructure, computer and networking hardware, desktop and server operating systems, wireless configuration and administration and computer and network diagnostic tools. The goal of the degree is to provide broad training that will prepare a student to install, configure, troubleshoot and administrate all types of computer and network hardware and associated operating systems. Each course in the program is aligned with industry certifications including CompTIA A+, Cisco CCNA, Microsoft Desktop and Server Administration, FOA Copper and Fiber Cabling, and CWNA Wireless certifications. The curriculum is primarily designed for students who are seeking entry-level information and communication technology skills for positions such as network administrator, network engineer, network technician, computer technicians, network installer, and help desk technician.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. CRIMINAL JUSTICE

DEGREES, CERTIFICATES & AWARDS
• Associate in Science for Transfer (A.S.-T)
• Associate in Arts (A.A.)

DESCRIPTION
The Criminal Justice Program studies the activities and operations of law enforcement agencies, the courts and correctional agencies. The public and social policy implications associated with operating the criminal justice system are also explored. Criminal Justice careers offer individuals a rewarding opportunity to serve the public, safeguard constitutional rights and actively meet the needs of the community. Upon completion of the program, students will be prepared to work in a variety of fields, including law enforcement, investigations, courts, corrections, private security, law and juvenile justice.

EARLY CHILDHOOD EDUCATION

DEGREES, CERTIFICATES & AWARDS
- Associate in Science for Transfer (A.S.-T)
- Associate in Arts (A.A.)
- Certificate of Achievement (C.A.)

DESCRIPTION
Early Childhood Education Program course work is approved by the California Commission on Teacher Credentialing as meeting the requirements for the California Child Development Permit. Students completing the ECE AA or AS-T degrees are immediately eligible for the Child Development Permit at the Teacher level. The Early Childhood Education curriculum prepares students to work with children from infancy into middle childhood in a variety of learning environments.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

ECONOMICS

DEGREES, CERTIFICATES & AWARDS

• Associate in Arts for Transfer (A.A.-T)

DESCRIPTION
The study of economic theory and application allows students to develop their own perspective on causes and solutions to some of the pressing economic topics of society. The Economics Program at Cuesta College will provide students with a principle foundation from which to understand and improve decision-making processes in many aspects of life: as a consumer, an employee, an employer, a voter, a member of the global economy, and other roles.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. ELECTRONICS AND ELECTRICAL TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION

Cuesta College is an approved training provider as a general electrician certification training program. Students enrolled in an approved course may register with the Division of Apprenticeship Standards to be eligible to work as an electrician trainee and continue their employment if 150 classroom hours each year are completed until qualified for the certification exam. Students who complete all the mandatory courses are eligible to sit for the certification exam administered by the state of California. Passage of this exam in combination with specific work experience will complete the state electrician certification process.

There is additional paperwork required for the State Electrician Trainee Program. Please contact the Engineering Technology Department for more information at (805) 546-3264.

EMERGENCY MEDICAL SERVICES

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION
The Emergency Medical Services Program (EMS) trains students for Emergency Medical Technician (EMT) certification and for Paramedic licensure. EMT Refresher courses and Hazardous Materials courses are also offered. Students are taught the fundamental principles and skills required to provide emergency medical care for the sick and injured at the scene of an emergency and/or during transport to a healthcare facility. Our training program prepares the graduate to function as a beginning practitioner according to national standards. Hands-on clinical and field internship experience is part of the training.

**Paramedic Program**

**Admission Requirements**

The Paramedic Program prepares graduates to take the Paramedic National Registry Examination (NREMTP) leading to licensure as a Paramedic.

The Cuesta College Paramedic Program initially became accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) and earned approval by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) on July 25, 2008. Our program is due for accreditation renewal in 2018.

Students interested in applying to the Paramedic Program are strongly urged to consult an academic counselor prior to registering in prerequisite coursework.

All persons who meet Cuesta College’s admission requirements, additional pre-paramedic program admission criteria, and submit a paramedic program application are eligible for admission into the program.

Eligible applicants are admitted into the paramedic program by random selection from a pool of qualified applicants. The year long program starts once a year in the fall.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at http://academic.cuesta.edu/nursing.

2015 -2016 Paramedic Program Admission requirements include:

- Biology 212* (Human Biology, lab portion not required)
- English 156** (College Reading and Writing)**
- Math 123** (Elementary Algebra)**
- High School Diploma (transcript with date of completion posted) or GED
- Current County EMT certification
- Current Healthcare Provider or Professional Rescuer CPR certification
- EMT Work Experience - EMT experience must be current within two years of the program start date. A minimum of six months full-time or a minimum of 1000 hours part-time and/or volunteer EMT work experience with an emergency medical service provider. Applicants may use the Allan Hancock “EMS 1B (Advanced)” Academy, with Director’s approval, to satisfy a portion of the EMT work experience hours.

* Equivalent courses from other colleges and completion of higher level courses, such as BIO 205 (Anatomy) and BIO 206 (General Human Physiology) are accepted

** Equivalent courses and/or completion of higher level courses, such as English 201A (English Composition) and Math 127 (Intermediate Algebra) are accepted. Student may also choose to take an assessment test in lieu of course completion. English and math assessment test(s), with placement into a higher English or math course, will satisfy the above requirements. Contact Cuesta Assessment Services at 805/546-3951 for more information.

Additionally, admitted students are required to complete a background check, drug screen, physical exam, and provide documentation of immunizations, per current affiliate agency agreements.

ENGINEERING

DEGREES, CERTIFICATES & AWARDS

• Associate in Science (A.S.)

DESCRIPTION

Cuesta’s Engineering program provides a foundation of mathematics, chemistry and physics courses necessary to transfer to a four-year institution and complete a bachelor’s degree in engineering. Students should consult the institution to which they wish to transfer for specific lower division requirements.

People working in the field of engineering and related technical fields “bridge the gap” between scientific principles and the application of these principles to the needs of society. An engineer uses experience and judgment, as well as advanced training in engineering, science, and mathematics, to formulate ideas and designs, and to determine standards, specifications, work orders and schedules so that projects can be economically beneficial to mankind. Engineering offers diverse and exciting job opportunities for people with mathematical, scientific, and technical skills.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

CAREER OPPORTUNITIES

■ Drafters
■ Engineering Lab Technician
■ Mechanical Designers
■ Quality Control Technicians
■ Research Technicians
■ Surveyors

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

ENGLISH

DEGREES, CERTIFICATES & AWARDS
• Associate in Arts for Transfer (A.A.-T)

DESCRIPTION
English is a discipline that trains students to read carefully and imaginatively, ask probing questions about complex material, and then answer those questions in coherent, persuasive prose—a combination of skills vital to any number of careers. Composition courses in English will provide the necessary skills to complete reading and writing tasks for students headed for the job market and for students transferring to four-year institutions. Literature courses will equip students with the skills to engage the great works of the human imagination, reason complexly about those works, and respond in clear, organized, and compelling prose.

"P" (Pass) grade is acceptable for major coursework in the Associate Degrees for Transfer.

In addition to major preparation course work listed above, completion of the CSU GE or IGETC pattern is mandatory. Courses completed for the major can also be double counted towards GE, where appropriate. See a counselor for details.
ENGLISH AS A SECOND LANGUAGE

DEGREES, CERTIFICATES & AWARDS
- Certificate of Specialization (C.S.)

DESCRIPTION
English as a Second Language (ESL) is a discipline that focuses on language instruction for speakers of other languages in reading, writing, grammar, speaking and listening. Beginning level classes offer foundational instruction in English language skills, and the intermediate to advanced courses prepare students for degree-applicable English and other mainstream college coursework. The ESL program helps students develop and improve their English language skills so that they may achieve their academic, professional, and personal goals as well as participate more effectively in their communities. Students who successfully complete a designated sequence of courses within the program can be eligible for the Intermediate and/or the Advanced Certificate of Specialization in ESL.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

GEOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science for Transfer (A.S.-T)
- Associate in Science (A.S.)

DESCRIPTION

The Cuesta College Earth and Ocean Science Program involves the study of the solid earth, ocean and atmosphere. It is the branch of science that investigates diverse geologic processes, including rock and mineral formation, tectonic and volcanic processes, and landform and seafloor development. In addition, the examination of the origins and evolution of life through the study of fossils (paleontology) and the assessment of economically important mineral deposits, fossil fuels, and geologic hazards are integral to the discipline. The chemistry and physics of the ocean and atmosphere are examined for their impact on the distribution of marine sediments, ocean circulation, weather and global climate patterns. Specific course topics fulfill the lower division requirements for majors in geology, geophysics, civil engineering, construction management, and environmental science. Students can earn an A.S. degree in Geology at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

HISTORY

DEGREES, CERTIFICATES & AWARDS
- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)

DESCRIPTION
History is the study of all human experience. It examines the people, institutions, ideas, and events of the past. The study of history contributes to cultural literacy, global awareness, and develops critical thinking skills, while helping students understand the present. Historical study provides a solid, fundamental preparation for careers in education, government, and business. It also serves as excellent preparation for law school, the diplomatic service, international work, urban affairs, and library science. History is an academic discipline offering both breadth and focus. History graduates will find that their critical and analytical thinking skills prepare them for a wide variety of employment opportunities.

LEGAL STUDIES

DEGREES, CERTIFICATES & AWARDS

• Associate in Arts (A.A.)

DESCRIPTION

The Legal Studies Degree Program seeks to introduce the student to the field of legal studies along with its connection to and influence over closely related areas in the social sciences and business. The Legal Studies Degree Program emphasizes not only the nature of law and legal institutions, but the impact law and legal institutions have on politics, government, business, economics, different social groups, and society as a whole.

The Legal Studies Degree Program is designed to be an interdisciplinary program where the student, along with acquiring an introduction to the field of legal studies, may choose between the Legal Studies Business Emphasis Associate of Arts (AA) degree and the Legal Studies Social Science Emphasis Associate of Arts (AA) degree. Required and elective units in either the Business Emphasis path or the Social Science Emphasis path must be successfully completed along with the general education coursework required by Cuesta College in order to receive a Legal Studies AA degree from Cuesta College.

The Legal Studies Degree Program is designed for students wishing to transfer into four-year college degree programs by satisfying lower division requirements for transfer to baccalaureate programs in business administration, business economics, business law, management, managerial economics, pre-law, law and society, legal studies, or political science programs. A legal studies degree is also an excellent first step for students considering law school or other post-baccalaureate programs in the social sciences or business.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

CAREER OPPORTUNITIES

- Banking
- Corporate Legal Departments
- Finance
- Government
- Insurance
- Law Offices
- Other Legal Service Providers
- Politics
- Real Estate

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. LIBERAL ARTS

DEGREES, CERTIFICATES & AWARDS

• Associate in Arts (A.A.)

DESCRIPTION

The Associate of Arts in Liberal Arts Degree is designed for students who wish to obtain a broad knowledge of liberal arts and sciences plus additional coursework in an “Area of Emphasis.”

Students must complete all of the required courses for one of General Education patterns. Choose either Option I, II, or III listed below for the General Education Pattern related to your educational goal. CSUGE and IGETC patterns are required for students who intend to transfer to four-year universities. Students should consult with a counselor to determine which General Education pattern is best for them.

Complete 18 credits in one “Area of Emphasis” from those outlined below. (Note: Where appropriate, courses in the “area of emphasis” may also be counted for a GE requirement) For ALL OPTIONS: complete necessary Cuesta College graduation and proficiency requirements. (Meet with a Cuesta College counselor) All classes listed below transfer to CSU and/or UC. Courses in BOLD are only transferable to CSU. Refer to www.ASSIST.org for transfer details.

OPTIONS:

I. Cuesta College General Education:

II. CSU GE: Students selecting this option must complete all of the required courses for CSU GE Certification.

III. IGETC: Students selecting this option must complete all of the required courses for IGETC Certification.

AREAS OF EMPHASIS:

For depth, include a minimum of two courses from a single discipline. For breadth, include at least three disciplines in your selection.

Complete Cuesta College graduation requirements

NOTE: Effective Fall 2009, a grade of a “C” or better is required for all courses taken in an area of emphasis, and a minimum overall GPA of 2.00 is required in general education coursework.

ELECTIVE CREDITS: Electives may be necessary to total 60 overall credits required for the degree and must be transferable if choosing the CSU GE or IGETC general education pattern.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

### Liberal Arts: Arts and Humanities – A.A. Degree

The AA in Liberal Arts with an Emphasis in Arts and Humanities is intended for students who are exploring majors or professions that require a broader understanding of the arts and humanities. Courses will be selected from arts and humanities disciplines that emphasize (a) the artistic expression or artistic technique of individuals and cultures, (b) philosophical investigations, (c) the historical contexts for art, literature, thought, and events, and (d) the study of languages.

The Associate of Arts in Liberal Arts Degree is designed for students who wish to obtain a broad knowledge of liberal arts and sciences plus additional coursework in an “Area of Emphasis.”

- Complete a minimum of 18 credits from the Area of Emphasis course work listed below.
- For depth, complete at least two courses from one single discipline.
- For breadth, complete courses from at least three different disciplines.
- Courses taken for breadth or depth must carry at least 3 semester credits.
- Complete one of the following General Education patterns: Cuesta College AA/AS GE; or CSU GE; or IGETC.
- Complete Cuesta College graduation requirements. (Meet with a Cuesta College counselor for details.)

### Notes:
- Courses listed below may double count towards GE when appropriate.
- Additional courses may be required to total 60 credits, as required for the degree.
- Effective Fall 2009 a grade of “C” or better is required for all courses taken in an Area of Emphasis.

**Total Credits** 18
The AA in Liberal Arts with Emphasis in Science is intended for students who are exploring majors or professions that require a broader understanding of the sciences. The degree requirements are fulfilled by completing courses from an approved list that examine the natural science of the physical universe and its life forms. The courses emphasize a) an understanding of the methods of acquisition and analysis of scientific data, b) quantitative reasoning skills (beyond intermediate algebra level), and c) the significance of scientific knowledge in our increasingly technological society.

A total of 60 credits is required including a minimum of 18 credits in the area of emphasis chosen from the courses approved for the CSU General Education Area B (Scientific Inquiry and Quantitative Reasoning). The area of emphasis includes math, depth, and breadth requirements that are described below. Within the 60 credits, students will also satisfy either the Cuesta College, CSU or IGETC General Education requirements. All mathematics, physical and life science courses approved for this major and categorized below are part of the CSU GE (Areas B1, B2, B4) and IGETC (Areas 2A, 5A, 5B) patterns with the exception of Math 229 and Math 231, which are not UC transferable. Elective credits may be necessary to earn the 60 credits required for the degree.

Math Requirement:
• One course will be selected from the Mathematics/ Quantitative Reasoning course list. Courses for this requirement have a minimum of 3 credits each.

Depth Requirement:
• Two courses will be selected from EITHER Physical Science OR from Life Science. The two courses must be from the same department (i.e., BIO, CHEM, PHYS, or EOS [EOS = GEOL, OCEN, METE]). Courses for this requirement have a minimum of 3 credits each.

Breadth Requirement:
• For the three courses required to meet the breadth requirement, one must be selected from Physical Science, one must be from Life Science, and one additional course will be selected from either Physical Science or Life Science. These courses are in addition to the math and depth requirement courses. Courses for this requirement have a minimum of 3 credits each.

Liberal Arts : Social and Behavioral Sciences – A.A. Degree

The AA in Liberal Arts with an emphasis in Social and Behavioral Sciences is intended for students who are exploring majors or professions that require a broad understanding of human behavior. Courses in this degree will emphasize one or more of the following: (a) methodologies characteristic of the social or behavioral sciences; (b) the beginnings of human culture; (c) the psychology of human beings; (d) the interaction of human beings in societies and social subgroups; (e) the history of human civilizations or nations; (f) the economic, political, or legal structures of human societies.

Complete a minimum of 18 credits from the Area of Emphasis course work listed below.
- For depth, complete at least two courses from one single discipline.
- For breadth, complete courses from at least three different disciplines.
- Courses taken for breadth or depth must carry at least 3 semester units.
- Complete one of the following General Education patterns: Cuesta College AA/AS GE; or CSU GE; or IGETC.
- Complete Cuesta College graduation requirements. (Meet with a Cuesta College counselor for details.)

Notes:
- Courses listed below may double count towards GE requirements when appropriate.
- Additional elective courses may be necessary to total 60 credits, as required for the degree.
- Effective Fall 2009, a grade of a “C” or better is required for all courses taken in an area of emphasis.

LIBRARY AND INFORMATION TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS
- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION
Cuesta College offers a robust program in Library/Information Technology that has been in existence for more than four decades. The program’s online classes draw students from throughout California. Every course is offered at least once a year, so full-time students can complete the required courses in two semesters, though four semesters is more typical.

This program is designed to train students to respond to the changing needs of information management in our society. Wherever there is information, there is a need to have someone available to assist in organizing it, managing it, and getting it into the hands of those who need to use the information.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

CAREER OPPORTUNITIES
- Archive Technician
- Audiovisual Materials Manager
- Bibliographic Support
- Public Library Technician
- Research Technician
- School Library Technician
- Website Information Management

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise, we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:

DEGREES, CERTIFICATES & AWARDS
- Associate in Science for Transfer (A.S.-T)
- Associate in Science (A.S.)

DESCRIPTION
The Mathematics Program offers a broad curriculum to serve a diverse student population in meeting their educational goals. For students who plan to transfer to four-year colleges or universities we offer a variety of courses including college algebra, pre-calculus algebra, trigonometry, statistics, mathematics for the humanities, business calculus, a university-level calculus sequence, and linear analysis with ordinary differential equations. We also offer courses from arithmetic through intermediate algebra for those students who want to improve their foundational skills and earn vocational certificates or associate degrees. The Mathematics Program is designed to give students the analytical and logical thinking skills necessary for solving problems in a variety of contexts such as science, business, computer programming, social science and engineering.

MEDICAL ASSISTING

DEGREES, CERTIFICATES & AWARDS
- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION
The Medical Assisting Program (MAST) prepares students for employment in medical offices and laboratories. Training is offered in front and back medical office management and in phlebotomy.

Medical Assisting training prepares the student for an entry-level position as a medical assistant. Students are taught basic and advanced clinical skills, verbal and written communication skills, medical office management techniques, and essential customer service skills required in professional employment settings. Hands-on externship experience is part of the training.

Phlebotomy training prepares students in skills required for essential blood specimen collection needed to fulfill state phlebotomy certificate requirements. The graduate is prepared for employment in hospitals, independent labs, physicians’ offices or public health clinics. Hands-on externship experience is part of the training.

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION

The Music Department at Cuesta College offers Associate degrees in Music Performance and Jazz Studies, and a Certificate in Audio Technology. Each of the degrees and the certificate offers students in-depth study, taught in state-of-the-art classroom, studio, and performance facilities. The Department offers a variety of performance ensembles, including classical and jazz ensembles in instrumental and choral areas. Private instruction is available for wind, brass, percussion, vocal, guitar, and piano students. In addition, a transferable set of music theory courses are an integral part of the Performance and Jazz Studies degrees, as well as courses in jazz improvisation, class piano and guitar, and music appreciation.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

NURSING ASSISTANT

DEGREES, CERTIFICATES & AWARDS
• Certificate of Specialization (C.S.)

DESCRIPTION
The Nursing Assistant Program (NAST) trains students to provide basic patient care such as taking vital signs, bathing, feeding, transferring, positioning, and bed making. The courses cover techniques of communication, understanding behavior and identification of ethical issues in patient care. Students apply principles of basic nursing care to patients and clients of all ages in skilled nursing and acute care facilities. Upon completion of this course students are eligible to take the test for CNA certification. Hands-on internship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

CAREER OPPORTUNITIES
- Assisted Living Facilities
- Home Health

LICENSED VOCATIONAL NURSING PROGRAM
ADMISSION REQUIREMENTS

The LVN Program prepares graduates to take the National Council Licensing Exam for Licensed Vocational Nursing (NCLEX-PN). Passing this exam is required to be employed as a licensed vocational nurse and must be taken at applicants' expense, upon completion of all program requirements.

Students interested in applying to the Licensed Vocational Nursing Program are strongly urged to consult with a counselor before they register for coursework in prerequisite classes.

All persons who meet Cuesta College's admission requirements, additional Pre-LVN Program admission criteria, and submit a LVN Program application are eligible for admission into the program.

Eligible applicants are admitted into the LVN program by random selection from a pool of qualified applicants. Students are admitted once per year into the 12 month program with minimal breaks. The LVN program is only offered on the North County Campus in Paso Robles, CA.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at http://academic.cuesta.edu/nursing/.

2015-2016 LVN Program Admission requirements include:

• Biology 212* (Human Biology, lab portion not required)
• English 156* (College Reading and Writing)
• Math 007* (Pre-Algebra)
• High School Diploma or GED
• Current Healthcare Provider or CPR certification
• Current California CNA certificate (must be submitted by the application due date)
• Pre-program requirements must be complete at the time of application.
• Prerequisite courses or equivalent courses must be completed with a grade of “C” or better.
• College courses must be taken to satisfy all of the prerequisite course requirements.
• Math and English Assessment test scores will NOT be accepted in place of coursework.

*Higher level courses may be used in lieu of the listed prerequisite courses. For example: BIO 205 (Anatomy) or BIO 206 (Human Physiology), ENG 201A (English Composition), and/or Math at a level higher than Pre-Algebra, such as Algebra, Pre-Calculus and above.

Additionally, admitted students are required to complete a background check, drug screen, physical exam, and provide proof of immunity.

REGISTERED NURSING PROGRAM
ADMISSION REQUIREMENTS

The Cuesta College Associate Degree Registered Nursing program prepares graduates to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN) leading to licensure as a Registered Nurse. The Registered Nursing program is approved by the California State Board of Registered Nursing (BRN). Four (4) preparation options are available.

Students interested in applying to the Registered Nursing Program are strongly urged to consult with a counselor regarding the associate degree nursing pathway before registering for course work.

Registered Nursing prerequisite coursework must be completed prior to applying to the program.

Students who have meet general college admission requirements and the additional Registered Nursing Program admission criteria will be eligible for admission to the Registered Nursing Program.

Eligible applicants are admitted into the Registered Nursing Program through a multi-criteria screening process. The two year program starts once a year in the fall.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at http://academic.cuesta.edu/nursing/.

Completed physical examination, proof of immunity, background check, drug screening and healthcare provider CPR certification are requirements for final acceptance into the program.

Four (4) registered nurse preparation options are available:

1. Registered Nursing Associate in Science Degree – earned by completing all required coursework in the nursing program, Board of Registered Nursing content coursework and college associate degree requirements.

2. Registered Nursing Associate in Science Degree - earned by advanced placement LVN to RN pathway. Currently Licensed Vocational Nurses enter into the 2nd semester of the RN program. All associate degree requirements and Board of Registered Nursing content must be met and only currently Licensed Vocational Nurses are eligible for admission. Admission is limited to a space available basis. Interested students must complete the LVN to RN application process.

3. Registered Nursing Certificate of Achievement – earned by completing all required coursework in the nursing program and Board of Registered Nursing content coursework. No associate degree is awarded and the RN license received has practice limitation. Prior consultation with the Nursing director is required in order to review the limitations.

4. Registered Nursing Certificate of Achievement, 30-unit option – earned by LVN’s entering into the 3rd semester of the RN program and completing the 3rd and 4th semester. No associate degree is awarded and the RN license received has practice limitation. Admission is limited to a space available basis. Prior consultation with the Nursing director is required in order to review the limitations.

NUTRITION

DEGREES, CERTIFICATES & AWARDS
• Associate in Science for Transfer (A.S.-T)
• Certificate of Specialization (C.S.)

DESCRIPTION
The Cuesta College Nutrition program offers students a variety of interesting and challenging courses for students to learn about chemicals and nutrients in food and their effects on the human body and the world. The study of nutritional science contributes to preparing students for careers as nutritionists, registered dietitians (RD), food scientists, or other dietetics professionals. The Associate in Science in Nutrition and Dietetics for Transfer degree (AS-T in Nutrition and Dietetics) prepares students for success in a baccalaureate degree in Nutrition and Dietetics with the lower-division coursework required to transfer into the CSU system. The Cuesta College Nutrition program provides a broad foundation in a practical and personally applicable exposure to a variety of scientific areas of nutrition such as chemistry, biochemistry, microbiology, anatomy, physiology, and biology. Popular topics include microbial pathogens, environmental contaminants, nutrigenomics, macronutrient balance, energy metabolism, obesity, global issues, biochemistry of exercise, and micronutrient and phytochemical utilization. Students in the program learn how the scientific method and process contributes to nutritional requirements and how nutrients function from a cellular to more practical level, and then apply this knowledge to their own health. The program ultimately helps students understand the role of nutrition in disease prevention throughout the lifecycle and as an impact on society as a whole. The Nutrition program offers courses that meet college requirements in GE, a Nutrition Certificate, and Diversity and offers courses in both face-to-face and Distance Education modalities.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0, 2) earn at least 12 units in residency at Cuesta and 3) submit a Certificate Application to Admissions and Records.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

PHYSICS

DEGREES, CERTIFICATES & AWARDS

• Associate in Science for Transfer (A.S.-T)
• Associate in Science (A.S.)

DESCRIPTION

The Cuesta College Physics Program engages students in the study of how the physical world works and why materials and objects behave the way they do. Physics students will learn to deduce the underlying principles and laws of nature, and apply those principles and laws to make estimations and predictions. The Cuesta College Physics Program offers two sequences of courses. Physics 205A and 205B are courses in a general, trigonometry-based physics series designed for students who intend to earn professional post-graduate health degrees at medical, pharmacy, or veterinary schools, in addition to students who enroll in architecture and construction technology undergraduate programs. Physics 208A, 208B and 208C are rigorous courses that utilize differential and integral calculus to prepare students for physics, geophysics, science, and engineering undergraduate major programs. Students can earn an A.S. degree in Physics at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

CAREER OPPORTUNITIES

- Natural Sciences Managers
- Nuclear Equipment Operation Technicians
- Nuclear Monitoring Technicians
- Nuclear Power Reactor Operators
- Physicists
- Physics Teachers, Postsecondary
- Secondary School Teachers, Except Special and Career/Technical Education

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

POLITICAL SCIENCE

DEGREES, CERTIFICATES & AWARDS
- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)

DESCRIPTION
Political Science is an academic and research discipline that deals with the theory and practice of politics, and the description and analysis of political systems/processes, political behavior and political actors. Political science is commonly divided into five distinct sub-disciplines which together constitute the field: political theory, comparative politics, public administration, international relations, and public law. The Political Science program provides students with a core curriculum that will prepare them with the knowledge and skills required to succeed in the study of political science. Students will develop skills for critical/analytical thinking, perceptive reading/observation and interpretation, statistics analysis, and civic awareness and participation.

PSYCHIATRIC TECHNICIAN

DEGREES, CERTIFICATES & AWARDS
- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)

DESCRIPTION
The Psychiatric Technician Program (PSYT) prepares students to utilize the nursing process in the provision of care and treatment to individuals with mental and/or intellectual impairment under the supervision of a physician, psychologist and/or registered nurse. Psychiatric Technicians participate in rehabilitation and treatment programs, assist patients with activities of daily living, and administer medications and treatments. Upon completion of the program students are eligible to take the Psychiatric Technician state licensure exam leading to licensure as a California Psychiatric Technician. The Cuesta Psychiatric Technician courses are taught at the training facilities of the Department of State Hospitals - Atascadero (DSH-A) in Atascadero, CA, located half way between Cuesta’s San Luis Obispo and Paso Robles campuses. Hands-on internship experience is part of the training.

Where are they employed:
- State Hospitals
- Day Treatment Centers
- Developmental Centers
- Correctional Facilities
- Psychiatric Hospitals & Clinics
- Psychiatric Technician Programs
- Geropsychiatric Centers
- Residential Care Facilities
- Vocational Training Centers
- Substance Abuse Treatment Programs

RECREATION ADMINISTRATION

DEGREES, CERTIFICATES & AWARDS
- Associate in Arts (A.A.)

DESCRIPTION
The Recreation Administration program at Cuesta College provides students with a solid foundation to continue their education at a four year university. Completion of an associate degree would provide students with the skills necessary to perform at an entry level position in public, commercial, private, or nonprofit settings. The successful students will attain theoretical as well as practical knowledge of recreational program planning, tourism, administration, leadership, sport and tournament planning, event planning, and therapeutic recreation.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS
An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

CAREER OPPORTUNITIES
- Event Planning
- Recreational Program Planning
- Sport And Tournament Planning
- Therapeutic Recreation
- Tourism

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

SOCIOLOGY

DEGREES, CERTIFICATES & AWARDS
- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)

DESCRIPTION
Sociology is the study of the human social behavior and its origins, development, organizations, and institutions. The study of human behavior in social context assists students to learn who we are, to get closer to the truth about the social world, and to become aware of ways to achieve desired social ends. Sociology and other liberal arts majors stress the ability to observe, organize and write clearly, as well as the development of skills in the analysis of data and in collaborating with others.

DEGREES, CERTIFICATES & AWARDS

• Associate in Arts for Transfer (A.A.-T)

DESCRIPTION

The Associate in Arts in Spanish for Transfer degree (AA-T in Spanish) will help individuals achieve their academic and career goals by providing a comprehensive foundation in the Spanish language in preparation for transfer to baccalaureate programs in the California State University system in Spanish or similar language programs. The Cuesta College AA-T in Spanish degree allows students to successfully complete a two-year degree program while completing the lower-division coursework required to transfer into the CSU system in a baccalaureate degree program in Spanish or a similar major.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective), and (4) submit an Associate’s Degree Application to Admissions and Records.

COURSES OF INSTRUCTION

In the following list of courses, the credit value of each course in semester credits is indicated by a number in parentheses after the course title.

Course descriptions followed by the notation (Transfer:...) indicate that the course is transferable to the California State University system, to the University of California system, or both. A student should contact a counselor to determine which courses are applicable to the student’s educational objective.

COURSE NUMBERING

000-099 Non-Degree Applicable and Non-Transferable
100-199 Degree Applicable and Non-Transferable
200-299 Degree Applicable and Transferable
500-599 Non-Credit Courses
700-799 Non-Credit ESL and Vocational ESL Courses

Special Topics (093/193) These are course offerings designed in specific disciplines to test new curriculum before adopting it as a part of an academic program. Course credit values range from 0.5 to 4.0 credits.

Independent Study (047/147/247) These courses are academic opportunities for students who are capable of independent work and demonstrate the need or desire for additional study, beyond the regular curriculum. These courses are not intended to replace existing courses in the discipline. In this course, students will have a written contract with their instructor for activities such as: preparing problem analysis, engaging in primary research, preparing reports, and meeting with the instructor at specific intervals.

PREREQUISITE, COREQUISITE, ADVISORIES AND LIMITATIONS ON ENROLLMENT

The San Luis Obispo Community College District has adopted a policy in order to provide for the establishing, reviewing and challenging of prerequisites, corequisites, and advisories.

Definitions:

Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Courses used to satisfy a prerequisite must be completed with a grade of “C” or better.

Corequisite means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

Advisory means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Limitations on Enrollment means a condition of enrollment which may include the following:

a. Auditions or tryouts for courses which include public performance and intercollegiate competition, such as a band, orchestra, theater, chorus, and intercollegiate athletics.

Repeatable Courses

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

COURSE FAMILY REPEATS (see chart on page 207)

Enrollment in active participatory courses in physical education, visual arts, or performing arts that are related in content (courses where individual study or group assignments are the means by which learning objectives are obtained) is limited to no more than four times maximum. This limitation applies even if a student receives a substandard grade or “W” during one or more of such a course or petitions for repetition due to extenuating circumstances.

Cuesta identifies the following active participatory course families where enrollment is limited to a maximum of four (4) times within the repeat family group under the following conditions:

• Equivalent courses are counted in the four (4) enrollment maximum.

Example: KINA 246 was formerly PEAC 286 (Yoga) so past earned grades and “W” for PEAC 286 count toward overall 4 enrollment maximum.

• A course that is completed with a passing grade of “C” or higher may not be repeated within the family group.

• A course where a substandard grade or “W” grade is earned may be repeated to earn a passing grade.

• A student will be blocked from enrolling for a third (3rd) attempt for a single course within a family repeat group if two (2) prior substandard grades are earned. The student will need to submit a Third Enrollment Agreement to be released to enroll for a third (3rd) attempt in the same course.

• Substandard Grade - a grade of “D+,” “D,” “D-,” “F,” “FW,” “NP,” or “NC.”

• A maximum of three (3) “W” symbols may be earned for a course. A student will be blocked from registering for a course where three prior “W” symbols have been earned for a single course within a family repeat group.

• In-progress courses without a final grade are counted in enrollment of family repeat group.

COURSE MATERIAL FEES

Credit and non-credit courses with mandatory material fees are identified in the college catalog, class schedule, and class finder. Material fees are charged at the time of registration. Materials fees for classes dropped prior to the start of the term are automatically credited or reversed to student accounts. See the Cashier’s Office for help with materials fees for classes dropped within the two-week drop deadlines.

ACSK 032  READING COMPREHENSION  1.00 to 2.00
1.00 - 2.00 hours per week: (1.00 - 2.00 lecture hours/0.00 - 0.00 lab hours)
Credit - Not Degree Applicable
Letter Grade or P/NP
Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken
Designed for students who have difficulty understanding and remembering what they read. Includes progressive instruction in sentence, paragraph, essay, and textbook chapter comprehension. An appointment with a Disabled Student Programs and Services faculty member prior to enrollment is strongly advised.

ACSK 050  WRITING FUNDAMENTALS  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Not Degree Applicable
Letter Grade or P/NP
Advisories: For speakers of languages other than English, completion of the English as a Second Language (ESL) sequence is highly recommended.
Focuses on the grammar, punctuation, sentence writing, and paragraph writing skills students need to succeed in basic English courses. Provides intensive practice, multi-sensory instruction, and individualized assistance to promote the written language development of students with diverse needs and backgrounds, including students with learning disabilities and speakers of other languages. Offered as a prerequisite to the basic English writing course for students who do not receive a qualifying score on the Assessment test or equivalent.

**BIO 202  GENERAL BOTANY**  
9.00 hours per week: (3.00 lecture hours/6.00 lab hours)  
Credit - Degree Applicable  
Letter Grade or P/NP  
Prerequisites: Completion of any 3-unit or more college level biology course with a lab with a C grade or better, or completion of high school AP biology with a C grade or better.  
Advisories: ENGL 156  
Presents a study of structure and function of roots, stems, leaves, flowers, fruits and seeds of the flowering plants. Includes the characteristics, life cycles, classification, evolution and ecology of cyanobacteria, fungi, algae and vascular plants.  
Transfer: CSU; UC

**BIO 205  HUMAN ANATOMY**  
8.00 hours per week: (2.00 lecture hours/6.00 lab hours)  
Credit - Degree Applicable  
Letter Grade Only  
Advisories: ENGL 156  
Introduces the structure and function of the human body. Introduces and integrates cytology, histology, embryology and pathology throughout each organ system. Includes gross and microscopic anatomy of the integumentary, skeletal, muscular, nervous, endocrine, sensory, circulatory, lymphatic, respiratory, digestive, urinary and reproductive organ systems. Lab includes study of preserved specimens, models and charts.

**BIO 209C  COASTAL BIOLOGY FIELD STUDIES**  
1.00  
3.00 hours per week: (0.00 lecture hours/3.00 lab hours)  
Credit - Degree Applicable  
Letter Grade or P/NP  
Prerequisites: Any 3 unit or greater college level biology course.  
Advisories: ENGL 156  
Emphasizes observations and techniques used to appreciate and evaluate California’s coastal biology. Emphasizes the natural healthy conditions and the mechanisms of disease. Includes the formation of the deserts and the ecological relationship of desert plants and animals. Practices field techniques used in data collection and analysis. Camping, food, and other expenses will be the responsibility of the students.

**BIO 210I  ISLAND BIOLOGY**  
2.00  
4.00 hours per week: (1.00 lecture hours/3.00 lab hours)  
Credit - Degree Applicable  
Letter Grade or P/NP  
Presents a lecture and field study course on the biology, ecology, and natural history of islands. Includes the study of their ecological and evolutionary history, including colonization and establishment of native plant and animal communities, human impacts, and preservation and conservation of island ecosystems. A field trip will reinforce...
and elaborate upon lecture material. Field techniques will also be taught on the field trip. Students will be required to maintain and turn in a standardized field notebook. Camping, food, transportation, and other expenses will be the responsibility of the students. Students should be prepared for camping in a coastal environment and for extensive hiking on and off trails over rugged terrain.

**BIO 212L HUMAN BIOLOGY LABORATORY**

3.00 hours per week: (0.00 lecture hours/3.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Prerequisites: BIO 212

Advisories: ENGL 156

Laboratory to accompany Human Biology (BIO 212), a general education course for non-biology majors and pre-health related fields. Provides an introduction to the biology of the human species, designed to create an awareness and understanding of the human body functions, human’s place in nature and the mechanics of human heredity. Provides direct participation in experiments, demonstrations, and discussions. Topics include elements of human anatomy and physiology, nutrition, disease, elements of human heredity and environmental adaptations, and interpretations of relevant current topics in biology.

**BIO 212M ENVIRONMENTAL AND APPLIED MICROBIOLOGY**

2.00

4.00 hours per week: (1.00 lecture hours/3.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Advisories: ENGL 156

Presents an examination of microorganisms in the environment including: occurrence, abundance, and distribution; processes of microbial interaction with the environment; importance to human and animal health and practices of applied environmental microbiology.

**BIO 212R NATURAL HISTORY OF THE COAST RANGES**

2.00

4.00 hours per week: (1.00 lecture hours/3.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Advisories: ENGL 156

Presents a lecture and field study course on the ecology and natural history of the coast ranges. Includes the study of their geological history, native plant and animal communities, human impacts, and the history and function of the preservation and conservation of ecosystems including the national forest, Bureau of Land Management, and California state parks. A field trip will reinforce and elaborate upon lecture material. Field techniques also will be taught on the field trip. Students will be required to maintain and turn in a standardized field notebook. Camping, food, transportation, and other expenses will be the responsibility of the students. Students should be prepared for camping in a moist, coastal environment and extensive hiking on and off trails from sea level to over 2000 feet over rugged terrain.

**BIO 213 GENETICS IN SOCIETY**

3.00

3.00 hours per week: (3.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Advisories: ENGL 156

Introduces basic principles of genetics and heredity. Emphasizes current advances in genetics, including stem cell research, cloning, cancer, and genetically modified crops. Investigates the social consequences and ethical implications of biotechnology in medicine and agriculture.

**BIO 216 PLANTS & PEOPLE**

4.00

6.00 hours per week: (3.00 lecture hours/3.00 lab hours)

Credit - Degree Applicable

Letter Grade Only

Designed for plant enthusiasts who do not have a strong science background. Includes the basic structure, physiology, reproduction, taxonomy, evolution, and ecology of plants. Discusses varied uses of plants by people of different cultures throughout history. Laboratory work includes setting up experiments, growing, and propagating plants. Students will also learn basic gardening techniques and how to design water-efficient sustainable gardens using California native plants.

**BIO 220 ENVIRONMENTAL BIOLOGY**

3.00

3.00 hours per week: (3.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Advisories: ENGL 156

Presents a study of biological concepts, processes, and organismal biology, including scientific methodology, me-
metabolism, genetics, evolution and ecology. These concepts are used to assess environmental issues including human population growth, biodiversity, biological conservation, pollution, and resource and energy use.

BUS 132  E-COMMERCE: INFORMATION PRODUCTS  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BUS 130 or BUS 243
Advisories: BUS 131
Builds upon the concepts learned in Social Media Marketing, BUS 131, in order to effectively develop a plan to sell digital goods, such as music, information, videos, software, etc., or services, such as consulting, online. Addresses legal issues such as copyrights, taxes, and guarantees, and customer relationship and retention strategies. Click for Course Student Learning Outcomes

BUS 133  E-COMMERCE: PHYSICAL PRODUCTS  3.00
3.00 hours per week: (3.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BUS 130 or BUS 243
Advisories: BUS 131
Builds upon the concepts learned in E-Commerce: Social Media Marketing, BUS 131, in order to effectively develop a plan to sell physical products, as well as to conduct business-to-business e-commerce via extranets. Includes order fulfillment, shipping, delivery, reverse logistics, and supply chain management issues. Click for Course Student Learning Outcomes

BUS 134  E-COMMERCE: ENTREPRENEURSHIP  4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: BUS 248 and either BUS 132 or BUS 133
Advisories: LIBT 207 AND CAAO 269.
Design, develop, test, and implement a virtual "store". Transfer brick and mortar small business management skills in business planning and operations to an online business. COMPUTER INFORMATION SYSTEMS

CIS 103 FUNDAMENTALS OF PROGRAMMING FOR THE INTERNET
2.00
3.00 hours per week: (1.50 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Practices concepts of writing computer programs for use on the Internet. Includes techniques for problem analysis, software design, implementation, and verification with particular reference to object-oriented programming.

CIS 106 SERVER-SIDE PROGRAMMING
4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: CIS 103 or 201
Emphasizes the creation of interactive internet applications using a server-side language. Topics include core features of the language, control structures, functions, arrays, form validation, regular expressions, and database-driven internet applications.

CIS 154 ESSENTIALS OF MS OUTLOOK
2.00
2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: CIS 210
Introduces the computer user to an electronic desktop information management (DIM) system; a central location from which to create, view, and organize all computer information. Simplifies organizational tasks, journal entries, working with Web addresses by allowing the storage, management and navigation to web sites.

CIS 156 TEST PREP FOR MICROSOFT OFFICE SPECIALIST(MOS) CERTIFICATION
0.50
0.50 hours per week: (0.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Provides students with the opportunity to become a Specialist in the Microsoft office programs (Word, Excel, PowerPoint, Access or Outlook.) Includes unlimited review and practice tests along with test-taking strategies. Upon completion of class, student will be prepared to take MOS certification exams.

**CNET 218  WIRELESS NETWORK COMMUNICATION AND ADMINISTRATION  4.00**

(Formerly ETCH218)

6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: EET 213

Includes topics related to wireless networking and communications that address the Certified Wireless Network Administrator (CWNA) certification. This is an introductory course with broad exposure to the wireless communication field. General coverage of wireless transmissions, wireless network administration, and wireless connectivity will be addressed.

**CNET 221  COMPUTER WORKSTATION ADMINISTRATION  3.00**

(Formerly CIS221)

5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only

Presents fundamental concepts for configuration of Windows based computers, devices, users, and associated network or security resources. The course covers windows desktop computers in a network based environment that IT support technicians typically work. Operating systems are configured in both domain-based and peer-to-peer network environments with access to the Internet and cloud services. Students learn concepts using both desktop and enterprise Virtualization to configure operating systems and access services.

(Formerly CIS235)

6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Advisories: CIS 221 or CIS 122

Conducts a comprehensive examination of the types of attacks launched against networks and computer system. Teaches students how to use network security products, operating system security features, and other hardware/software based tools to counter these threats.

(Formerly ETCH253)

5.00 hours per week: (2.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: EET 213

Introduces fundamental concepts involved with upgrading and repairing personal computers, basic server hardware and mobile computing devices. Includes topics on the “A+” computer service technician certification plus selected industry relevant topics. Lectures and labs will cover internal computer operation, operating systems, primary and secondary storage methods (system memory modules and disk drives), adapter cards, computer connectivity, and power supplies. Different components and subsystems will be compared and evaluated based on performance specifications and design considerations.

**CNET 255  COPPER AND FIBER OPTIC CABLING  4.00**

(Formerly ETCH255)

6.00 hours per week: (3.00 lecture hours/3.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Advisories: MATH 123

Addresses topics on industry standard network cabling certification tests. Presents basic concepts in both copper and fiber optic network cabling and its application to network infrastructure. Basic terminology, cable types, wiring structures, installation factors and techniques will be discussed. LAN topologies, wiring technology, management, and standards will be investigated and applied to lab practice.
Termination techniques for both multi-category twisted pair and fiber optic connectors will be studied and applied. Testing and troubleshooting of network cabling and terminations using wiremap, performance testers, optical test sets and optical time domain reflectometers will be explored. Certification testing at the end of the course will be offered.

The course COUN 254 assesses the student’s interests, skills, personality, values, and includes career research in a planning process. Applies assessment information to occupational possibilities and choice of college majors.

CJ 193, CRIMINAL JUSTICE SPECIAL TOPIC, examines a special topic in the field of study related to the discipline offering this course.

CJ 202, INTRODUCTION TO CRIMINAL JUSTICE, presents an overview of the history, theory, organization and practices of the criminal justice system and the interrelationship between the criminal justice system and society as a whole. Studies the origin, development and application of crime causation theories. Includes exploration and analysis of the roles, structure, and function of criminal justice agencies. Integrates an examination of the criminal justice system with a critical analysis of the system as an instrument of societal control and change.

CJ 204, PRINCIPLES AND PROCEDURES OF THE JUSTICE SYSTEM, examines and analyzes due process in criminal proceedings from investigation through trial, sentencing, and appeal. Includes a review of statutory law, and state and federal constitutional case law.

CJ 206, CONCEPTS OF CRIMINAL LAW, presents elements of the penal code and general laws about crimes against persons, property, standards of morality, and the state.

CJ 208, LEGAL ASPECTS OF EVIDENCE, presents kinds of evidence and principles of admissibility, witness competency, privileged communications, and hearsay. Includes the procedures to be followed in evidence collection and preservation.

CJ 210, PRINCIPLES OF INVESTIGATION, presents investigation fundamentals of crime scene search, collecting/ recording evidence, interviews and interrogation. Covers procedures used in investigating various kinds of criminal activity.

CJ 213, PATROL PROCEDURES, studies patrol operations, strategies, objectives, technologies and techniques. Explores effective communication, terrorism management, emergency response strategies and responses to calls for service.

CJ 224, COMMUNITY, DIVERSITY AND THE JUSTICE SYSTEM, explores the complex dynamic relationships between the community and the justice system. Examines the role that race, ethnicity, gender, sexual orientation, social class and culture play in the administration of justice. Presents the challenges of administering justice within a diverse and evolving multicultural population and imparts cultural com-
petence and facilitation of conflict resolution.

1.50 - 6.00 hours per week: (0.00 lecture hours/1.50 - 6.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: LIBT 201 and other preparatory course work in the field in which the study is to be undertaken.
Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of Library/Information Technology (more specialized than is covered in the curriculum) under the direction of an instructor.

**LICENSED VOCATIONAL NURSING**

**LVN 101  THEORY I: FUNDAMENTALS, MOTHER/BABY AND ACUTE ADULT**
7.00
7.00 hours per week: (7.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: Program admission
Corequisites: LVN 101A and LVN 101AL and LVN 101B
Prepares students to practice vocational nursing. The Caring Framework is used for the study of nursing fundamentals, nursing process, and standard nursing and medical care for a variety of common disease states. The course compares and contrasts nursing care systems and roles employed in health maintenance, acute illness, surgical care, rehabilitation nursing for adults and elderly, and perinatal nursing. Adapting standard nursing care to meet the needs of the elderly is a focus for the LVN role.

**LVN 101A  SKILLS THEORY I: ADULT, MOTHER/BABY, AND MEDICATION ADMINISTRATION**
7.00
7.00 hours per week: (7.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Corequisites: LVN 101 and LVN 101AL and LVN 101B
Apply theory to demonstration of basic nursing skills based on scientific principles: Use legal and LVN Scope to learn safe patient care and nursing skills. Apply relevant steps in the nursing process: assessment, planning, implementing, evaluation and documentation. Application of pharmacology and methods that foster safe medication administration are a major focus. Methods for basic nursing skills and care of the perinatal patient and newborn are introduced.

**LVN 102  THEORY II: PERIOPERATIVE, PEDIATRICS, CHRONIC DISEASE**
7.00
7.00 hours per week: (7.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Corequisites: LVN 101 and LVN 101A and LVN 101B
Prepares the licensed vocational student nurse to care for patients and integrate concepts of perioperative nursing, pediatric nursing, chronic disease and dependent care across the lifespan. Concepts fundamental to the leadership, supervision and delegation roles are presented.

**LVN 101B  CLINICAL I: MEDICATION ADMINISTRATION, BASIC CARE**
5.00
15.00 hours per week: (0.00 lecture hours/ 15.00 lab hours)
Credit - Degree Applicable
P/NP Only
Corequisites: LVN 101 and LVN 101A and LVN 101AL
Apply fundamental principles of theory and skills courses in the care of patients in long term-care, physical rehabilitation settings. Mental & spiritual health concepts and sociocultural aspects are explored as they apply to individually assigned patients.

**LVN 101AL  SKILLS LAB I: BASIC CARE, ADULT, MOTHER/BABY, MEDICATION ADMINISTRATION**
2.50
7.50 hours per week: (0.00 lecture hours/7.50 lab hours)
Credit - Degree Applicable
P/NP Only
Corequisites: LVN 101 and LVN 101A and LVN 101B
Provides opportunity for supervised practice of basic nursing skills in a simulated clinical setting. During their practice, students apply relationships between theory concepts and nursing skills relevant to steps in the nursing process: assessment, planning, implementing, evaluations and documentation. Emphasis is placed on meeting critical elements of hands-on skills, practicing a consistent method of medication administration, and practicing documentation and patient interactions. Students demonstrate competent skill performance in a simulated clinical setting. Provides opportunity for supervised practice of basic nursing skills in a simulated clinical setting. LVN 102A  SKILLS THEORY II: PERIOPERATIVE, PEDIATRICS, CHRONIC DISEASE 7.00
7.00 hours per week: (7.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: LVN 101B
Corequisites: LVN 102 and LVN 102AL and LVN 102B
Applies nursing concepts and skills through theory and demonstration to more complex clients based on scientific principles. Concepts from theory include chronic disease, perioperative problems, and pediatric assessment and skills. Planning and implementing patient care is relevant to steps in the nursing process: assessment, planning, implementing, evaluation and documentation.

7.50 hours per week: (0.00 lecture hours/7.50 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: LVN 101B
Corequisites: LVN 102 and LVN 102A and LVN 102B
Provides opportunity for supervised practice of specific nursing skills in a simulated clinical setting. During their practice, students apply relationships between theory concepts and nursing skills relevant to steps in the nursing process: assessment, planning, implementing, evaluations and documentation. Emphasis is placed on meeting critical elements of hands-on skills, adhering to a consistent method of medication administration, and practicing documentation and patient interactions for pediatric clients, clients with chronic illness, and dependent care clients. Tools for leadership and supervision are also practiced.

Credit - Degree Applicable
P/NP Only
Prerequisites: LVN 101B
Corequisites: LVN 102 and LVN 102A and LVN 102AL
Applies concepts and skills learned with integration to the care of the acute adult, the obstetric, neonate, and pediatric client. An emphasis on normal growth and development process in relationship to disease is emphasized. The family as a whole system of interactions for patient teaching and the administration of culturally sensitive care is applied to diverse clinical setting. Application of the critical elements for clinical skills performance.

2.00 hours per week: (2.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: LVN 102B
Corequisites: LVN 103A and LVN 103B
Applies nursing concepts through theory and demonstration of advanced vocational nursing skills based on scientific principles. Planning & implementing patient care for patients in the community and psychiatric setting. Emphasis is placed on the unique needs of the mental health and community based patient with multiple health care needs. NCLEX preparedness is also presented..

9.00 hours per week: (0.00 lecture hours/9.00 lab hours)
Credit - Degree Applicable
P/NP Only
Prerequisites: LVN 102B
Corequisites: LVN 103 and LVN 103A
Prepares students to make the transition from student vocational nurse to entry-level practice. The principles learned in co-requisites and previous theory and skills level courses are applied to care of patients in skilled nursing settings. Students are challenged with more complicated patients in a variety of settings, including caring for the patient with mental health priorities. This course also includes a 108 hour preceptorship component at the end of the semester.

LVN 104  BASIC INTRAVENOUS THERAPY, BLOOD ADMINISTRATION, AND PHLEBOTOMY 1.50
1.50 hours per week: (1.50 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: LVN 103B or May have current and active LVN license from the Board of Vocational Nursing and Psychiatric Technicians of the State of California.
Corequisites: LVN 104L
Prepares the Licensed Vocational Nurse who has successfully completed LVN 103B or its equivalent to initiate intravenous therapy, phlebotomy, and blood product transfusion. This course prepares the LVN for certification that meets standards of the California State Board of Vocational Nurses and Psychiatric Technicians.

### MATHEMATICS

#### MATH 003 ARITHMETIC 3.00

- **Credit - Not Degree Applicable**
- **P/NP Only**

Provides a review of the basic skills of arithmetic. Designed as a transitional course for students who have either not taken a mathematics course for a considerable period of time or who have been in a tutorial program. This course is organized in a regular classroom setting to prepare students for a pre-algebra course.

Click for Course Student Learning Outcomes

#### MATH 007 PREALGEBRA 4.00

- **Credit - Not Degree Applicable**
- **Letter Grade or P/NP**
- **Prerequisites: MATH 003**

Presents the mathematical concepts and arithmetic skills necessary for success in elementary algebra and for further work in mathematics. The concepts are applied to numerous practical problems in order to demonstrate their applicability to real life situations. Not open to students with credit in MATH 123 or its equivalent or any course for which MATH 123 is the prerequisite.

Click for Course Student Learning Outcomes

#### MATH 008 INTRODUCTION TO FACTORING 1.00

- **Credit - Not Degree Applicable**
- **P/NP Only**

Introduces the student to methods of factoring polynomials. Presents the topic from geometric, numeric and algebraic perspectives. Multi-sensory approaches will include manipulatives and graphing. Students should have proficiency in whole number arithmetic skills, including positives and negatives and knowledge of procedures for solving simple linear equations.

#### MATH 021 TWO-SEMESTER BEGINNING ALGEBRA: PART 1 5.00

- **Credit - Not Degree Applicable**
- **Letter Grade or P/NP**
- **Prerequisites: MATH 007**

Presents the first half of a two-semester course in beginning algebra for the student who has no algebraic background. This course enables students to complete the equivalent of Elementary Algebra (MATH 123) at a slower pace. Successful completion of MATH 021 or equivalent and MATH 122 is equivalent to MATH 123.

Click for Course Student Learning Outcomes

#### MATH 112 CONVERTING MEASUREMENTS 1.00

- **Credit - Not Degree Applicable**
- **P/NP Only**

Introduces the student to methods of converting from one measurement unit to another. Emphasis will be on basic applications from nutrition, nursing, chemistry, physical sciences and other disciplines.

Click for Course Student Learning Outcomes

#### MATH 114 WORD PROBLEMS 1.00

- **Credit - Not Degree Applicable**
- **P/NP Only**
- **Prerequisites: MATH 123 and MATH 127**

This course presents strategies for successfully solving word problems such as distance, mixture, work and others at the elementary and intermediate algebra level. This course is intended to help students with word problems in MATH 123 and MATH 127.

Click for Course Student Learning Outcomes

#### MATH 122 TWO-SEMESTER BEGINNING ALGEBRA: PART 2 5.00

- **Credit - Degree Applicable**
- **Letter Grade or P/NP**
- **Prerequisites: MATH 021 with a minimum grade of C or better**

Presents the second half of a two-semester course in beginning algebra for the student who has no algebraic background. This course enables the students to complete the equivalent of Elementary Algebra (MATH 123) at a slower pace. Successful completion of MATH 021 or equivalent and MATH 122 is equivalent to MATH 123.

Click for Course Student Learning Outcomes

#### MATH 123 ELEMENTARY ALGEBRA 5.00

- **Credit - Degree Applicable**
- **Letter Grade or P/NP**
- **Prerequisites: MATH 007**

Presents a first course in algebra for the student without any algebraic background. Topics include solving linear equations and inequalities, solving quadratic equations by factoring, polynomial expressions, factoring, graphing linear equations and inequalities in the variables, solving systems of two linear equations and radical expressions and equations.

Click for Course Student Learning Outcomes

#### MATH 126A TWO-SEMESTER INTERMEDIATE ALGEBRA- PART 1 5.00

- **Credit - Degree Applicable**
- **Letter Grade or P/NP**
- **Prerequisites: MATH 122 or MATH 123**

Presents the first half of a two-semester course in intermediate algebra. This course enables students to complete the equivalent of Intermediate Algebra (MATH 127) at a slower pace. Topics include factoring polynomial expressions, simplifying rational expressions, absolute value equations and inequalities, functions and relations, and solving systems of linear equations and inequalities.

MATH 126B TWO-SEMESTER INTERMEDIATE ALGEBRA - PART 2 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 126A
Presents the second half of a two-semester course in Intermediate Algebra. This course enables students to complete Intermediate Algebra (MATH 127) at a slower pace. Topics include functions and relations, quadratic equations, exponential and logarithmic functions, inverse functions, and sequences and series.

MATH 127 INTERMEDIATE ALGEBRA 5.00
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 123
Broadens and adds to the concepts of elementary algebra. Such additions include rational expressions, quadratic equations, functions, exponential and logarithmic functions, inverse of functions, solving systems of two or more linear equations, and sequences and series.

MATH 128 APPLIED BEGINNING AND INTERMEDIATE ALGEBRA 6.00
6.00 hours per week: (6.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade or P/NP
Prerequisites: MATH 007 with a minimum grade of C or better
Accelerated preparation for Introduction to Applied Statistics(MATH 236) or College Mathematics for the Humanities (MATH 230). Topics include calculations and error analysis on real number data, development of equations, formulas, and functions as mathematical models, exploratory data analysis, introduction to probability, and the development of statistical literacy. This course is designed for students who want an alternative to the Math 123/Math 127 sequence for meeting the math requirement of the Associates degree, or who intend to take Math 238, Math 232, or Math 230 to meet transfer requirements. Not intended for science, technology, engineering, math, or business majors

MATH 229 TRIGONOMETRY 4.00
4.00 hours per week: (4.00 lecture hours/0.00 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or MATH 126B and geometry or equivalent courses with a grade of C or better
Advisories: MATH 242
Presents trigonometry from a function approach using both right triangle and circular relationships. The relationships between the angles and coordinates of points on a circle are developed. The course is designed to prepare the student for further study in the mathematics required in the sciences and technical areas.

Credit - Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or MATH 126B or MATH 128 or equivalent with a minimum grade of C or better
Presents an introduction to the study of basic descriptive and inferential statistical methods, with an emphasis on applications, to prepare students for work in the disciplines of
MATH 242 PRECALCULUS ALGEBRA  
5.00  
5.00 hours per week: (5.00 lecture hours/0.00 lab hours)  
Credit - Degree Applicable  
Letter Grade Only  
Prerequisites: MATH 127 or MATH 126B or equivalent with a grade of C or better  

Presents a study of precalculus algebra and analytic geometry. Covers such topics as algebraic equations and inequalities, functions and graphs, zeros of functions, polynomial functions, rational functions, exponential and logarithmic functions, parametric equations, conic sections, systems of equations and inequalities, matrices, determinants, sequences and series. The course is designed to prepare the student for calculus.

MUS 204A MUSIC THEORY II 3.00
4.00 hours per week: (2.50 lecture hours/1.50 lab hours)
Credit - Degree Applicable
Letter Grade Only
Prerequisites: MUS 201 or placement test
Corequisites: MUS 205A
Advisories: Keyboard skills or Piano class.
Incorporates the concepts from Music Fundamentals (Music Theory I) and continues the four semester program. Some students with prior music training maybe able to test into this course. Through guided composition and analysis, the course will include: an introduction to two-part counterpoint; voice leading involving four-part chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation.

CUESTA COLLEGE FOUNDATION

Since 1973, the foundation has worked with generous donors to support student access and success at Cuesta College. Each year, the foundation raises millions of dollars on behalf of the college for programs, capital needs, scholarships and grants.

Because of our generous donors, over half a million dollars of scholarships are available for students for 2015-16, including the Cuesta College Promise, which provides the first year of college fee-free to new San Luis Obispo County high school graduates. For more information about applying for scholarships offered by the foundation, see the Financial Aid section of this catalog.

The foundation is led by a board of directors, representing volunteer community members from across San Luis Obispo County. Additional information about the foundation’s programs and ways to give can be found on the website: http://www.cuesta.edu/aboutcc/planning/foundation/ or by calling (805)546-3279.

MISSION
The Cuesta College Foundation ensures the greatest educational opportunities for student access and success by:

- Providing the highest level of support and philanthropic opportunities
- Serving as a liaison between the college and the community
- Enhancing the college’s visibility and stature
- Advocating for community colleges
- Fostering a creative and rewarding environment for students, faculty, staff and volunteers

On the Cover: Alex De Alba is a Business Administration major at Cuesta College.

Every industry needs people with strong business and management skills. From first-line supervisors to top executives, business administrators plan and direct an organization’s mission, establish strategy and communication channels, and evaluate the objectives that have been completed.

Students enrolled in Cuesta College’s popular Business Administration program receive an overview of the study of business and economics. The college offers an Associate Degree for Transfer (ADT) in Business Administration, and soon, students will have the opportunity to fully complete this degree-with-a-guarantee from the North County Campus. Beginning in the fall of 2016, a total of six transfer degrees will be rolled out exclusively for North County Campus students, including Agriculture Business, Administration of Justice, Psychology, Sociology and Communication. In total, the college is offering 24 transfer degrees in 2016, providing a seamless transition into the CSU system.
