CUESTA COLLEGE SUPERINTENDENT/PRESIDENT'S MESSAGE

Welcome to the San Luis Obispo County Community College District/Cuesta College. I am pleased to recognize the passion and commitment displayed by our students as they pursue their educational goals; and I am equally pleased to recognize the commitment to excellence and student success by our faculty, staff, and administrators.

Cuesta College is the starting point for those who are beginning their journey toward a degree/certificate; prepare for a transfer to a university, train for a new career path, or a waypoint for those desiring to improve career skills or looking to change direction. The opportunities are vast in a welcoming environment and location conducive to advanced learning and success.

The College has an internationally recognized Career Technical Education Program, and our transfer students consistently out-perform traditional junior-level students in the University of California and California State University systems. Since 2006, Cuesta College's Nursing Program graduates have consistently scored better than 90 percent on statewide licensing exams; one of only fourteen of the 147 California colleges and universities offering nursing programs to do so.

Browse our website and discover the opportunities that await you in our online catalog, or visit one of our campuses and discover how Cuesta College can help you pursue your dreams and achieve your goals.

Cuesta College – “Thousands of Success Stories.”

COLLEGE HISTORY

The original junior or community college in San Luis Obispo County was initiated as a postgraduate division of San Luis Obispo High School in 1916 and remained in operation until the United States entered into World War I. In 1936, the San Luis Obispo High School District again formed a junior college, which remained in operation until June 1959.

On April 16, 1963, San Luis Obispo County voters approved the formation of a countywide junior college district, serving seven public high school districts. The newly-formed San Luis Obispo County Junior College District served the Arroyo Grande Union High School District, Atascadero Union High School District, Coast Joint Union High School District, Paso Robles Joint Union High School District, San Luis Obispo Union High School District, Shandon Joint Union School District and Templeton Union High School District.

During the 1964-65 college year, the San Luis Obispo County Junior College District offered a limited evening division program with 463 students registering for the fall semester and 696 enrolling for the spring semester. Temporary quarters were established at Camp San Luis Obispo, a California National Guard facility located halfway between San Luis Obispo and Morro Bay. Classes and offices were situated in refurbished barracks, recreation rooms, and mess halls.

Despite the District's modest beginnings, 917 day students and 991 evening students were enrolled in classes by the fall of 1965. Evening division classes also were conducted at three other locations in the county - Arroyo Grande, Atascadero, and Paso Robles. On October 4, 1965, the Board of Trustees of the San Luis Obispo County Junior College District named the new college "Cuesta College." In 1971, the "junior" college district was renamed to "community college."

In 1970, ground was broken for the college's first permanent buildings, located on a 150-acre campus west of Camp San Luis Obispo. During the following 40 years, classroom buildings, a library, observatory, student center, art and music lab building, art gallery, high tech learning center, children's center, performing arts center, and office spaces were constructed on the San Luis Obispo campus.

Cuesta College has a long history, dating back to the late 1960s of teaching at off-campus sites. Through the years, Cuesta faculty have taught in Cambria, Morro Bay, Atascadero, Shandon, Paso Robles, Templeton, Arroyo Grande, and Nipomo.

In fall 1998, the District opened the North County Campus on the 105-acre site in Paso Robles. The campus, built almost exclusively with private gift support, has grown from 1,200 students the first semester to 2,400 day and evening students in fall 2013. The site began with modular buildings to be used until permanent buildings were approved by the state. In the summer of 2005, the first permanent building opened to students: The Fox Family Building. This building houses Allied Health, Math,

and Science. The college broke ground for a second permanent building in spring 2010: The North County Campus Learning Resource Center. The Learning Resource Center was completed in fall 2011 and began serving students in spring 2012. The building was named in honor of donors Dale and Mary Schwartz and dedicated on May 24, 2012.

The South County Center is an off-campus evening instructional site at Arroyo Grande High School, provided in cooperation with the Lucia Mar Unified School District. During the fall 2013 semester, nearly 300 evening students were served at this site.

Cuesta College now serves approximately 10,000 students at all college locations. By fall 2013, the student population on the San Luis Obispo Campus decreased to 6,613 students due to severe reductions in state funding. The college has become a center for community use by individuals, families, and community groups on an extended-day and year-round basis.

College Mission

Cuesta College is an inclusive institution that inspires a diverse student population to achieve their educational goals.

We effectively support students in their efforts to improve foundational skills, transfer to four-year institutions, earn certificates or associate degrees, and advance in the workforce.

Through dynamic and challenging learning opportunities, Cuesta College improves lives by promoting cultural, intellectual, and professional growth. We prepare students to become engaged citizens in our increasingly complex communities and world.

Vision

Cuesta College is dedicated to accessible, high-quality education for the support and enhancement of student success, professional development, and the community we serve.

STEPS TO STUDENT SUCCESS

STEPS TO SUCCESS

The following steps are outlined below to guide students in achieving their educational goal:

Step 1 - Apply For Admission

Step 2 - Financial Aid

Step 3 - Submit Transcripts

Step 4 - Assessment

Step 5 - Prerequisites/Corequisites

Step 6 - Orientation/Counseling

Step 7 - Registration

Step 8 - Pay Fees

Student Success and Support Program

In September 2012, Governor Brown signed the Student Success Act of 2012 (Senate Bill 1456) into law. Now known as the Student Success and Support Program, California Community Colleges are required to provide nonexempt students with core matriculation services. Beginning fall 2014, new students will receive enrollment priority based on the completion of key components: assessment, orientation, and an abbreviated student education plan. Students are also directed to develop a comprehensive student education plan upon completing 15 credits, as well as to define their education goal and course of study. Students with an associate degree or higher may be exempt from these components. These services are designed to help students successfully meet their college goals.

STEP 1 APPLY FOR ADMISSION

Para información sobre Admisiones comuníquese con la Oficina de Admisiones de Cuesta College, (805) 546-3140.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Apply for Admission, Who May Attend, Residency, International Students, Enrichment Students, Veterans, Allied Health Programs and Information in Spanish all can be found at: <http://www.cuesta.edu/apply>

Eligibility

The college admits students who meet the following requirements and who are capable of benefitting from the instruction offered:

- Any person over the age of 18, or a person under the age of 18 possessing a high school diploma or its equivalent. A copy of the certification (California State Proficiency Exam or GED) is required if under 18 years of age.

- Students 18 years of age or older without a high school diploma, or equivalent, are eligible for provisional admission to Cuesta College.

- Applicants under the age of 18 who are currently enrolled in grades 9-12, are eligible to apply for admission to attend Cuesta College as "special part-time students," with an approved Permit to Enroll in specified advanced scholastic or vocational coursework at Cuesta College. Special part-time students are referred to as "Enrichment" students.

- International students who have met the International Admission Requirements and have been issued an F-1 or M-1 Visa.

An exception to the college admission policy may be made for a pupil currently enrolled in grades 6-8 who has been certified as "highly gifted" by their school district. "Highly gifted pupil" means a gifted and talented pupil who has achieved a measured intelligence quotient of 150 or more points on an assessment of intelligence administered by qualified personnel or has demonstrated extraordinary aptitude and achievement in language arts, mathematics, science, or other academic subjects, as evaluated and confirmed by both the pupil's teacher and principal. Highly gifted pupils shall generally constitute not more than one percent of the K-12 pupil population.

Students under the age of 18 without a high school diploma, or equivalent, who are not currently enrolled in a secondary institution, are not eligible for admission to Cuesta College. A denied applicant may make an appeal to the Superintendent/President, or designee.

Application

All students must complete and sign an official Cuesta College Admission Application (online with electronic signature or in print) to be admitted to the college. All information provided by the applicant on the admission application must be true and accurate as required by law. Students who are enrolling at Cuesta College for the first-time and former students returning after an absence of a semester or more (not including summer) must submit an application available online at cuesta.edu/apply/.

Applications are available beginning:

- November 1 for Fall Semester
- April 1 for Summer Session
- October 1 for Spring Semester

Residency Requirements

Admission of each student includes the determination of California State residency based on California Education Code 68017 and Title 5, Sections 54000-54072. A student who believes that their residency status is incorrect may challenge the non-resident status by completing the Statement of Legal Residence form and submitting it to the Admissions Office for review.

Resident Student: A resident student is one who has been a legal resident in California for more than one year and a

day immediately preceding the beginning of the term in which the student plans to enroll, and who demonstrates the intent to remain a permanent California resident.

Students determined to be California residents are charged the California State Enrollment fee as set by the California Community College Chancellor's office. (Education Code 68017)

Non-Resident Student: A non-resident student is one who has not had a legal residence in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll. Students determined to be non-residents are charged the non-resident tuition in addition to the resident enrollment fee.

A non-resident student may be eligible for an approved non-resident tuition exemption when the appropriate documentation is presented to the Admissions staff. Exemption to non-resident tuition exists when documentation is presented for any one of the following:

- Attended a California high school, or high school equivalent, for a minimum of three years and earned a California high school diploma, or equivalent;
- Full-time credentialed employee of a California public school enrolling in college for purposes of fulfilling credential-related requirements;
- Seasonal agricultural worker for at least a total of two months of each of the past two years;
- Full-time employee, or spouse, or dependent of a fulltime employee of any of the following college/universities: California Community Colleges, California State University, University of California, or Maritime Academy.
- Applicants, under the age of 19, who have lived under the direct care and control of an adult, other than a parent for two years immediately preceding the resident determination date; and such adult has for the year immediately preceding the residence determination date, had California residence.

Programs with Additional Admission Requirements

Admission to impacted specialized programs may require the completion of a program admission application and Chancellor's recommended and Board-approved admission requirements. Current program admission requirements are published by the respective program and made available on the Cuesta website. The Admission criteria, process and application for specialized programs are valid for the current application cycle only.

Special Part-Time Students (Enrichment)

An eligible special part-time student must possess an approved Permit to Enroll to enroll in specified advanced scholastic or vocational courses. Cuesta College has defined advanced scholastic or vocational coursework as work that is transferable to a four-year institution and/or meets vocational degree or certificate requirements. The Permit to Enroll must be completed by the student's

current school Principal, or approved designee, identifying the specific course, or courses. The Permit to Enroll is approved by the student's parent, or legal guardian, and by the student. The Permit to Enroll is then submitted to the Cuesta Registration Office for processing. Special Part-time Students, grades 9-12, may enroll in Cuesta College courses on a space available basis and will be required to meet all of the following enrollment requirements:

- Demonstrate the ability to benefit from advanced scholastic or vocational coursework as determined by the student's principal, or designee;
- Satisfactorily meet all course prerequisites;
- Meet the age requirement of any age-restricted courses, posted on the Cuesta web site, for which the student seeks to enroll, or successfully petition for authorization to enroll;
- May enroll in up to a maximum of nine (9.0) approved semester credits during the fall and spring semesters and a maximum of five (5.0) approved semester credits during summer session;
- Special Part-time students are prohibited from auditing courses;
- Special Part-time students are prohibited from enrolling in Kinesiology activity courses.

Special part-time students, who are determined to be California residents, are eligible for an enrollment fee waiver. Students classified as "non-residents" of California are required to pay the non-resident tuition fee, but the California resident enrollment fee is still waived. All other fees will be assessed.

Age Restricted Course Appeal Process:

An Enrichment student who does not meet the age requirement of an age restricted course may petition to enroll in the course. The petition must be completed by the student and submitted to the relevant division for approval. The instructor and division Chair signatures are required for approval. Denial of a petition is final.

International Students

International students must complete the International Admission Application, available online at http://cuesta.edu/student/servs_classes/admreg/admissions_international_students/index.html, and the Cuesta College online admission application to receive a form I-20. A \$100 processing fee must accompany the International Student Application. This fee is subject to change pending Board of Trustee's approval.

The student may then apply to his or her embassy to obtain the F-1 visa to study at Cuesta College.

Applications periods are:

- Spring Term: October 1 – December 15
- Summer Session: April 1 – May 15
- Fall Term: April 1 – July 15

International students must meet the following requirements before an I-20 can be issued:

- Certificate of Financial Responsibility providing evidence of ability to pay ability to pay nonresident fees and has sufficient financial resources for physical maintenance, housing, and educational costs for the duration of their studies at Cuesta College to maintain a minimum of 12 credits a semester;
- Test of English as a Foreign Language (TOEFL) proof of passing with a score of 500 or higher.
- Transcripts of International Student Academic Records - Transcripts must be translated into English and must bear the school seal and be signed by the registrar or other appropriate official;
- Health Certification and Insurance which includes a certificate of a negative skin test or a chest X-ray for tuberculosis and certification of current health insurance coverage which covers accident or illness while in the U.S.;
- Attend the international student orientation prior to enrolling in courses.

F-1 students currently attending another accredited post secondary institution in the United States may apply to transfer their I-20 to Cuesta College. Transferring F-1 international students will be required to confirm their academic standing and eligibility to transfer prior to acceptance. Cuesta College reserves the right to deny admission to an international student who is not in good academic standing at their current institution.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Online Admission Application
- Statement of Legal Resident
- Smart Q&A
- F1 Student Application
- Special Part-time (Enrichment) Form

STEP 2 FINANCIAL AID

- Apply for your Federal PIN. Your PIN is used to access and correct your information and your parents' information online. Parents need a PIN if their information is required for the financial aid application. Go to www.pin.ed.gov to request a PIN.
- Complete the Free Application for Federal Student Aid (FAFSA) or complete the Renewal Application. Go to www.fafsa.ed.gov. Use this college code for Cuesta College: 001192. Enter this number on your FAFSA so that Cuesta College staff can access your FAFSA results electronically. If you are transferring mid-year or considering multiple colleges, enter the codes for all schools you are considering but enter first the code for the college you

are most likely to attend.

- Review your FAFSA Information. About one week after you submit your FAFSA, a Student Aid Report (SAR) will be sent to you via email by the Federal Processor. Review the information for accuracy and submit any changes requested online. If you do not provide an email address, correspondence will be by postal mail and will take longer.

Important Tips:

- a. Inform the Financial Aid Office of changes in family or financial circumstances.
 - b. Keep your demographic information current with Student Services and the Federal Processor.
- Respond immediately to requests for information. You may be selected by the Federal Processor or the college for verification and be required to submit income documentation and a verification worksheet to the Financial Aid Office. All documentation must be received before the application can be processed.
 - Check your Email: Email is the standard method of communication used by the Financial Aid Office at Cuesta College. We will contact you only through your myCuesta email address except for the first email regarding the results of your FAFSA. It is your responsibility to check your email.
 - Check your Financial Aid Status frequently at <https://my.cuesta.edu/cp/home/displaylogin> and make sure you complete any unsatisfied requirements.
 - Check your eligibility for good standing on your MyCuesta Portal and review our Satisfactory Academic Progress Policy found at http://cuesta.edu/student/aboutmoney/finaid/fa_policies/S_A_P.html
 - Complete Your File: After your file is complete, a review and determination of eligibility will be made. Files are reviewed in the order they are received. All students are notified of their eligibility via their myCuesta Portal.
 - Activate your "MyCuesta Card", which has been designed to provide you with disbursement options. Once you activate your MyCuesta Card, select one of the following disbursement preferences:
 - choose to have your student account funds deposited to the OneAccount;
 - choose to have your funds transferred to your personal checking/savings account;
 - choose to have a paper check sent to you
 - Apply for Cuesta College Scholarships: Visit <http://cuesta.edu/student/aboutmoney/finaid/> for information regarding eligibility requirements and deadlines.
 - Apply for other outside scholarships: Check out any clubs, organizations, and businesses with which you or your parents may be affiliated. Search legitimate sources or visit our web at: http://cuesta.edu/student/aboutmoney/finaid/types_of_aid/Scholarship_institutional_source.html

- Contact us if you have any questions:

Telephone: (805) 546-3143

Email: FinAid@Cuesta.edu

STEP 3 SUBMIT TRANSCRIPTS

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Submitting transcripts to Cuesta or how to order transcripts along with FAQs to help answer basic questions can be found at: <http://www.cuesta.edu/student/aboutacad/records/index.html>
- Academic policies relating to renewal, academic standing, adding courses, admissions, repeat, drop, FERPA, enrollment verification, Cal Grant GPA verification all can be found at: http://www.cuesta.edu/student/servs_classes/admrrreg/records/index.html

Official transcripts from all other institutions must be submitted to the Cuesta College Records Office prior to enrollment. Lower division (freshman/sophomore level) coursework from regionally-accredited colleges and universities will be evaluated and may be transferred to Cuesta College to meet certificate requirements, degree requirements, and requirements for transfer certification. If non-native credits are from a college or university on the quarter system, these credits will be converted to semester credits (quarter credits/1.5=semester credits).

Non-native coursework will be evaluated based on regional accreditation standards using the grades received at that institution. Cuesta College considers a grade of C- as substandard and eligible for repetition.

Official (sealed) copies of transcripts from colleges, universities and high schools attended should be submitted to:

Cuesta College Records Office
PO Box 8106
San Luis Obispo, CA 93403-8106

Transcripts should be submitted ahead of registration, in time for academic advising and prerequisite clearance. Final official transcripts, showing all coursework and grades received, must be received before GE certifications and degree and certificate evaluations may be completed. Transcripts are evaluated based on the AACRAO guidelines for regionally-accredited post-secondary institutions.

Upon application for the associate degree or transfer certification, non-native coursework credits will be included and reviewed with the Cuesta College student record. Applications for the associate degree and transfer certification are available in the Admissions and Records Office or website at http://cuesta.edu/student/serv_classes/admrrreg/.

Transcripts submitted to Cuesta College become the property of Cuesta College and will not be released to students, other colleges, or agencies. Plan to request a personal copy from your former college or university if you need one for your records.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- View your grades
- Unofficial transcripts in myCuesta student portal
- Official transcripts online ordering in myCuesta student portal

STEP 4 ASSESSMENT

Assessment test placement results will assist students with appropriate course selection and may be used to satisfy mandatory course prerequisites. The math, English, and English as a second language (ESL) assessments are computerized and untimed. They are given free of cost.

Assessment tests for math, English, and ESL are offered on a walk-in basis. Please visit our Assessment Services website to view available test dates and locations. Bring photo identification and your Cuesta student number with you on the day of the test. Prior to taking the assessment test, you must be a current Cuesta student or have submitted a Cuesta College admission application, and know your Cuesta student ID#. Prepare for the assessment tests by viewing the resources and study materials on the Assessment Services website.

First-Time College Student: First-time college students are expected to complete their English, ESL or math assessment tests prior to registering for courses. Placement levels are determined based upon assessment test results AND prior academic history. Final official high school transcripts should be submitted to the Cuesta College Records Office.

Disabled Student Accommodation: Special accommodations are given to students with verified disabilities according to California Education Code Title 5 regulations. Accommodations are made on an individual basis and must be made prior to testing through the Disabled Students Programs and Services Office. For more information, call Disabled Student Programs and Services (DSPS) at (805) 546-3148 (SLO campus) or (805) 591-6215 (NC campus) or visit the DSPS office on either campus. In order to receive examination accommodations for assessment testing as a qualified

DSPS student, prior verification of disability is required.

In addition, students may place into math, English or English as a Second Language courses in the following ways:

- If you have already completed college coursework equal to our math and English course prerequisites and have submitted a prerequisite clearance request form A along with a transcript.
- If you have already taken a placement test at another California Community College, UC or CSU campus and submitted your scores (math assessment scores are only valid for 18 months).
- If you have met one of the following criteria and have submitted verification:

MATH

1. Earned “ready for CSU college-level math courses” status on the EAP exam;
2. Passed the AP Calculus AB exam or AP Statistics exam with a score of three or above

ENGLISH

1. Earned “ready for CSU college-level English courses” status on the EAP exam;

2. Passed the AP English Language or Literature Composition Exam with a score of three or above

Test scores may be faxed to (805) 546-3982 or mailed to the Cuesta College Assessment Office, PO Box 8106, San Luis Obispo, CA 93403-8106.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Test preparation resources, including sample questions and tutorials, are available to all students on the Assessment Services web site: http://www.cuesta.edu/student/getstarted/assessment_testing/resources.html
- Students may also request to take the Cuesta College assessment test remotely. For more information, students should email assessment@cuesta.edu.

**STEP 5
PREREQUISITES/
COREQUISITES**

Prerequisites, corequisites, and advisories are intended to enhance a student’s chance of success in a desired course. If a student does not meet prerequisites or corequisites for a course, as listed in the class schedule, the student may not be allowed to enroll or remain enrolled in that course.

Prior Pre/Corequisite Clearance Required Before Enrolling in:

Course Discipline/Subject	
Biological Science Courses	BIO 201A, 201B, 202, 204, 206, 209C, 209D, 209S, 212L, 220L, 222L
Early Childhood Education Courses	ECE 209, 210
English Courses (Reading/Writing)	ENGL 099, 156, 201A, 201B, 201C
English Courses (Literature)	ENGL 205, 206, 207, 212A, 212B, 213, 215, 216, 217, 231, 242H, 244A, 244B, 246A, 246B
Library/Information Technology Courses	LIBT 201, 204, 205, 208, 209, 210, 214, 220
Licensed Vocational Nursing Courses	LVN 101, 101A, 101AL, 101B, 102, 102A, 102AL, 102B, 103, 103A, 103AL, 103B
Math Courses (non-transferable)	MATH 007, 021, 122, 123, 126A, 126B, 127, 128
Math Courses (transferable)	MATH 229, 230, 231, 232, 236, 242, 247, 255, 265A, 265B, 283, 287
Medical Assistant Courses	MAST 111, 111L
Paramedic Courses	EMS 107A, 107B, 107C, 210, 211, 211L, 212, 213A, 213B
Physical Science Courses	ASTR 210, 210L CHEM 201A, 201B, 210FL, 211, 212A, 212B GEOL 229A, 229B METE 212 OCEN 210, 210L PHYS 205A, 205B, 208A, 208B, 208C
Psychiatric Technician Courses	PSYT 110, 207, 208, 209
Registered Nursing [RN] Courses	NRAD 103G, 120, 201A, 201B, 201D, 202A, 202B, 202D, 203, 203A, 203B, 203D, 204, 204A, 204B, 204D, 219

Successful completion of a prerequisite or corequisite course is achieved by a final course grade of "C" or better.

Cuesta students enrolled in prerequisite courses at the time of registration for the upcoming term will be allowed to enroll in the next level course without knowing the final grade in their current course. A grade of "C" or better must be earned in the prerequisite course to meet the prerequisite requirement. Students that do not successfully complete prerequisite courses will be administratively dropped from the higher level course once grades are final and have been posted.

Transfer Students

In order to use prerequisite coursework completed at another college, students must submit a Prerequisite Clearance Request Form A along with an official transcript prior to registering for classes. Prerequisite Clearance Request forms can be found at the Counseling Department, or on the prerequisite website:

<http://www.cuesta.edu/student/getstarted/prerequisites>

Submit forms in one of the following ways:

- Hand deliver: to the Counseling Department in the Student Services building (SLO Student Services Center, Building 3100 or North County Campus Building N3000, room N3011).
- FAX: to Prerequisite Specialists at (805) 546-3113.
- Mail to: Cuesta College Assessment Office - Attention: Prerequisites, P.O. Box 8106, San Luis Obispo, CA 93403-8106. If students would like to use official transcripts that were already sent to Cuesta, please note that it may take up to two weeks for official transcripts to be received and processed by Cuesta's Records Office. For most immediate clearance, please include a copy of your transcript with your clearance request.

FORM A – Prerequisite Clearance Request: to be used to clear prerequisites with coursework completed at an institution other than Cuesta.

FORM B – Prerequisite Challenge: to be used to clear prerequisites that have been met through means other than course completion (previous knowledge, work experience, licensing). Student is responsible for providing evidence to support the claim and must get signatures from the appropriate department chair before prerequisite clearances can be processed.

A student may petition to challenge a prerequisite or co-requisite based on one or more of the following:

- Student has the knowledge or ability to succeed in the course despite not meeting the prerequisite (e.g. student has prior course work, assessment levels, certification, license or work experience that satisfied the prerequisite, or by other criteria presented by the student).
- The prerequisite is discriminatory or applied in a discriminatory manner.
- The prerequisite approval is in violation of Title 5 regulations or Cuesta College District Policy.
- The prerequisite course has not been made reasonably available ("reasonably available" as defined by the College).

FORM C – Prerequisite Clearance Request for Physics: to be used for Physics prerequisites completed at an institution other than Cuesta. Student is responsible for attaining the appropriate signatures from the Physical Science department chairperson before prerequisite clearances can be processed.

STEP 6 ORIENTATION/ COUNSELING

Counseling

Counselors are master's level professionals who are trained to provide personal, academic, and career counseling services. Counselors are available to meet with students by appointment or on a walk-in basis.

Counselors can help you with:

- Student Education Plan (SEP)
- Academic degree planning
- Transfer planning
- Information about programs offered at Cuesta College
- Assistance with Course Selection
- Schedule changes
- Graduation requirements
- College placement tests
- Academic probation and dismissal
- Test anxiety
- Study and note-taking strategies
- Time management
- Academic problems
- Strategies for managing stress, anxiety, and depression
- Crisis intervention
- Community referrals
- Career planning and exploration

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Website
- Smart Q&A
- Phone/email appointments
- Online counselor chat
- Online orientation
- myCuesta Counseling Channel Announcements

Walk-in counseling is limited to 15 minutes and is appropriate for:

- Referral to campus and community services
- Short-term academic planning
- Informational quick questions
- Emergency problem solving

Please note: Evaluation of transcripts from other college or Student Education Plans cannot be completed at walk-in.

Counseling Appointments:

- Come in or call the Counseling Office where you'd like to have your counseling appointment (San Luis Obispo Campus, North County Campus, or South County Centers)
- Appointments are available:
San Luis Obispo Campus, M-Th, 8:30am-6pm and F, 10:30am-3pm
North County Campus, M-Th, hours vary
South County Centers, T & W, 5pm-7pm when classes are in session
- Beginning the first working day of the week appointments are scheduled for the following week (ONLY ONE WEEK IN ADVANCE)
- By phone for distance education students

The best time to schedule an appointment is mid-semester (September/October for fall; February/March for spring)

San Luis Obispo Campus Counseling Services
Building 3100, Student Services Center
(805) 546-3138, (805) 546-3162; call between 9:00am-5:00 pm

South County Center
Arroyo Grande High School, (805) 474-2913
For appointments call San Luis Obispo Campus at (805) 546-3138 or the South County Center at (805) 474-3913, August through May

The Cuesta College new student orientation is designed to help students get off to a good start, learn about the requirements for a certificate, Associate Degree, and transfer, as well as policies and procedures of the college. Students may participate in a new student orientation by attending a myCuesta orientation at the Cuesta College Campus or by completing an online orientation.

myCuesta Orientation Workshop

The myCuesta Orientation Workshop is a mini-orientation facilitated by a Cuesta College counselor, after students have completed the online orientation. Sessions are offered directly after English and math assessment testing. Please call the Cuesta College Assessment Office at (805) 546-3951 for dates and to reserve a spot. Sessions fill quickly.

- Online Orientation: Once an application for admission has been submitted and confirmation has been received, the online orientation is available to all Cuesta College students by logging into my.cuesta.edu. The online orientation allows students to choose their goal (AA, CSU, or UC) and proceed on the appropriate path to accomplish their goal.
- myCuesta Orientation: Scheduled group orientation sessions on the Cuesta College Campus are offered immediately after the English and Math assessment session and are approximately two hours long. Students must submit an admission application at <http://www.cuesta.edu/apply>.

- Local High School Outreach: Cuesta counselor liaisons to high schools are provided to support the enrollment of local students at Cuesta College.

Specialized and Targeted Orientation and Counseling

Counselors also provide specialized and targeted counseling for the following groups of students:

- CalWORKS: Academic and personal counseling for qualified students
- Career Technical Education: Academic and personal counseling for qualified students
- Extended Opportunity Programs and Services (EOPS): Academic and personal counseling for qualified students
- Disabled Student Programs and Services (DSPS): Academic and personal counseling for qualified students
- International Students: Cuesta College enthusiastically welcomes international students from around the world. The international student counselor provides academic counseling and assists the student with paperwork required for change of status, practical training, extension of stay, reinstatement to student status, and transfer to other institutions of learning
- Reentry Students: The Reentry Program is designed to be a support system for students 25 and older, returning to school after an absence of five or more years
- Student Athletes: Academic and personal counseling for participating students
- AB540 Students: Academic and personal counseling for qualified students
- Foster Youth: Academic and personal counseling for qualified students
- Veterans: Academic and personal counseling for qualified students

Student Educational Plan (SEP)

During a counseling appointment, students may identify their educational goals and develop a long-term academic comprehensive plan. Prior to making an appointment with a counselor, verify that all official academic transcripts have been received by Cuesta.

Transfer Information (www.assist.org)

ASSIST is an online course planning system developed for prospective community college transfer students. ASSIST provides information about the applicability of community college courses toward UC and CSU General Education and major preparation requirements.

Contact the Transfer Center at (805) 546-3162 for assistance concerning articulation or major requirements

English as a Second Language (ESL)

Application/Evaluation/Orientation/Registration

New students in the English as a Second Language (ESL) program must take the ESL evaluation. Students will receive their evaluation results and class

recommendations immediately after taking the tests. Contact the ESL office for evaluation dates and locations as listed below:

Sign up for the San Luis Obispo Campus ESL Evaluation/Orientations in Building 3100, Room 3133B or call (805) 546-3941.

Sign up for the North County Campus ESL Evaluation/Orientations in Building N3000, Room N3030 or call (805) 591-6209.

STEP 7 REGISTRATION

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Our registration page helps the student login to the myCuesta web portal with instructions on how to complete the online orientation and steps on how to add/drop your classes. <http://www.cuesta.edu/student/getstarted/register>. The website describes how the waitlist works, what's new in registration where can you register, and what does the registration error mean. We also provide when online registration is available with other forms and policies to refer for assistance.
- Registration forms and explanations of each form can be found at this page: http://www.cuesta.edu/student/getstarted/register/reg_forms/index.html.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide priority registration for students on the basis of need are set forth in Administrative Procedures 5055 and listed under Enrollment Priority under the College Policies, Rules, and Regulations section of this catalog. Visit the Cuesta web site for priority registration dates at: <http://cuesta.edu/student/getstarted/register>.

Students add and drop classes online through myCuesta web portal at <https://my.cuesta.edu>. All students are assigned a myCuesta username and temporary password that is emailed from the Admissions Office once an admission application is processed. Login information can also be accessed at the "Student Username and Temporary Password" link on the myCuesta login page.

Course Add and Drop Policy

It is the student's responsibility to add and drop courses by the deadlines posted on the Cuesta web site, in the online Class Finder, and the enrolled student's myCuesta Class Schedule/Receipt. Summer session classes are considered short term courses for add and drop deadlines.

Adding Courses

Students may add classes online by the add deadline, which is the day prior to the census date. The census date is the date course enrollment is reported to the State for apportionment funding. Once a course begins, only the

instructor may authorize enrollment by issuing the student an add code if there are seats available in the course at the first class meeting. Add codes must be entered by the student online in myCuesta within the add deadline to officially enroll in a course.

To add a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and enter the 5-digit course reference number (CRN) for the course by clicking "Submit Changes." The student may enter the 4-digit add code in the box provided and click "Validate" to register after the course begins within the add deadline. Students may also add classes in-person at a registration center and must provide photo identification.

- Full-term course add deadline: The day prior to the posted census date, which is the end of the 2nd week of the term.
- Short-term or Summer course add deadline: Within 20% of the course or the day prior to the posted census date.

Readmit

A student who was inadvertently dropped by an instructor may be allowed to be readmitted/re-added beyond the normal add deadline with instructor approval. The deadline to be readmitted is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Readmit Cards are available at any registration center.

Transfer

Instructor or department-arranged transfers will be allowed beyond the normal add deadline for students transferring from one course reference number (CRN) to another of the exact same course or to a lower or higher level class in established prerequisite levels of the same discipline. The deadline to be transferred is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Transfer Cards are available at any registration center and require both instructors' signatures of approval.

Registration fees for the original CRN to be dropped will be credited while fees associated for the course to be added will be assessed to the student's account.

Dropping Courses

To drop a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and use the drop-down menu beside the course to select the drop option then click "Submit Changes." Students may also drop classes in-person at a registration center and must provide photo identification.

Dropping Course for a Full Refund

Students must drop a course by the Sunday before the start of the term or prior to the first class meeting of a short term or Summer course to receive a full refund

of fees, less a \$10.00 processing fee. A written request for a refund must be submitted to the Cashier's Office by the end of the 4th week of the term or by the end of the following week after a short-term or Summer course ends. No notation (grade or symbol) will be posted on the student's academic record when a course is dropped within refund deadlines. **Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.**

Dropping Course for a Partial Refund

The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt. The deadline is calculated as within 10% of a short-term course or the end of the 2nd week (Sunday) for a full-term course.

A partial refund is the enrollment fee, less a \$10.00 processing fee. The student is responsible for paying all other registration fees associated with a course. See the Fees section of the schedule for more information. A written request for a refund must be submitted to the Cashier's Office by the end of the 4th week of the term or by the end of the following week after a short-term course ends (includes summer course.) No notation (grade or symbol) will be posted on the student's academic record when a course is dropped within refund deadlines.

Dropping a Course without a W for Withdrawal

No notation (grade or symbol) will be posted on a student's academic record if a course is dropped by the last day to drop without a "W" which is the end of the second week of the term for a full-term course or within 20% of a short-term or Summer course. The last day to drop without a "W" deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt.

- Students who drop all courses and receive no academic grade or symbol ("W") in a term will not be eligible for priority registration as a continuing student in the next term.

Dropping Courses with a W for Withdrawal

Students may drop or withdrawal from a course through the end of the 12th week (Sunday) for a full-term course or within 60% of a short term or Summer course and receive a "W" for withdrawal symbol on their academic record. The last day to drop with a "W" deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt.

- A student may earn a no more than a maximum of three (3) withdrawals ("W" symbol) in a non-repeatable course.

Administrative Withdrawal/Cancelled Classes

Students will be notified by phone, myCuesta email and/or mail if administratively dropped or if a class has been cancelled by action of the college. It is the student's responsibility to submit a refund request form to the Cashier's Office.

Petitions

Certain circumstances may require an approved petition be submitted before the student will be allowed to enroll in a course. Forms and petitions are available online at http://cuesta.edu/student/getstarted/register/reg_forms/ or at any registration center. All registration forms require the student's signature, identification, and may require additional approval from a college official.

Pass/No Pass (P/NP) Grading Option

For courses identified as a grading option of GP in the online Class Finder or Cuesta College Catalog, the student may change the grading option from a letter grade to Pass/No Pass grading (P/NP) within the first 20 percent of the course. Refer to the course listing for the Pass/No Pass grading policy. Students are encouraged to consult Counseling staff if they have questions regarding graded courses for degree and transfer requirements.

Credit Overload

A Credit Overload petition is to receive permission to enroll in more than 19 credits in the fall or spring term or in more than 9 credits in the summer. Approval from a Cuesta counselor is required.

Schedule Conflict

Students obtain approve by petition if enrolling in two courses whose meeting times conflict. Course meeting times and days must be clearly noted on the petition. The instructor whose class time will be missed must document how they will monitor and oversee the time to be made up.

Student must provide justification or extenuating circumstances to allow enrollment in courses that conflict. A scheduling inconvenience is not an acceptable justification or extenuating circumstances.

Registration Centers

Adds and drops by registered students will be processed at the locations below. South County Center at Arroyo Grande High School is closed during the summer and term breaks.

North County Campus Student Services

Building N3000, (805) 591-6210

San Luis Obispo Campus Student Services

Building 3100, Student Service Center, (805) 546-3955

South County Center

Arroyo Grande High School, (805) 474-3913

Waitlist

When priority registration begins for a term, students will have the opportunity to enroll, via the myCuesta web portal, in an available waitlist seat for a closed class. Students must meet all registration requirements for the course, including prerequisites and corequisites, prior to registering for a waitlist seat. If a student drops and a seat opens, the first waitlisted student will be notified via their myCuesta Student email account and will have 24 hours to register for the class. If you do not register before the notification period expires, you will be removed from the

waitlist. Students should monitor their myCuesta student email twice daily, morning and evening. It is the student's responsibility to register once notified and pay applicable fees owed.

Waitlist Restrictions

Students will be blocked from enrolling in a waitlist seat under the following conditions:

- The student is enrolled in another section of the same course or enrolled in another waitlist seat for the same course.
- The class conflicts in time with other classes already on the student's schedule, which includes other wait-listed classes.
- The student has a hold.
- The student has not met prerequisite or co-requisite requirements. Courses with "Department Approval" such as PSYT, LVN, EMS that have special admission requirements.
- Cross-listed (CL) courses, such as mediated Math courses.
- The student has exceeded the repeat limits for the course. This includes work-in-progress which occurs if the student is already enrolled in the course in the prior term (spring for summer registration; summer for fall registration) and has not received a final grade.
- The class is not approved on a Permit to Enroll form for an Enrichment student.
- All waitlist seats are filled.

Auditing

Auditing is permitted in classes on a space-available basis only. Admission applications are not required. Enrichment students may not audit courses. Instructor approval is required. Students who audit earn no credits or grades. Audit Forms are available at any Cuesta campus in the Admissions and Records, Cashier or Student Services offices.

Audit fees are \$15 per credit plus any course fee listed in the class schedule. Students enrolled in 10 credits or more receive the first three audit credits free. Students wishing to audit must delay enrollment after second week for full-term courses or after 20% for short-term or summer session to add a class. Audit payments may be submitted to the Cashier's Office at the San Luis Obispo and North County campuses.

STEP 8 PAY FEES

Schedule of Fees Payable at Registration (per term)

Credit (enrollment) fees are subject to change by the California State Legislature. If fees are increased for this term, additional charges will be added to each student's account that must be paid before grades will be released. For tax purposes, students are responsible for retaining receipts as a record of fees paid.

Fee Descriptions

Enrollment Fee

Enrollment fees are charged per unit of enrollment credit and are set by the State of California. These fees are subject to change. If you need help paying this fee, you may qualify for a Board of Governor's Fee Waiver (BOGW). An application is available in the Financial Aid Office or you may complete the free application for Federal Student Aid (FAFSA) application online.

Completed BOGW applications and documents of income sources must be submitted to the Financial Aid Office before your registration materials are submitted. Refer to the Financial Aid section for BOGW eligibility requirements. If you are a new applicant, fill out the BOGW application. You must reapply each year for consideration. See the forms section of this class schedule for the application.

Non-Resident Tuition

The cost of tuition for international and out-of-state students is in addition to the enrollment fee. If you have questions about residency status, please contact the Admissions Office for assistance.

Health Fee

In accordance with the California Education Code and District policy, Cuesta College has a mandatory health fee. Students, excluding those with the exceptions listed, are required to pay the Health fee each term regardless of the number of credits they are taking. This fee is nonrefundable once the term or session begins and is subject to change per local Board action. The health fee is not an eligible tax credit fee.

Health Fee Exemptions: (Education Code Section 76355)

- Students enrolled in non-credit courses.
- Students who are taking classes only at the South County Centers (Arroyo Grande High School) and off-campus sites.
- Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization to the Student Accounts/Cashier's Office.
- Any student who is attending Cuesta under an approved Apprenticeship Program.

Student Center Fee

The Student Center fee is designated for the sole purpose of supporting the Student Center and is charged to all students taking classes at the San Luis Obispo Campus. The fee, which is not to exceed \$10.00 per academic year, is based upon the number of credits taken during this period at the rate of \$1.00 per credit. An academic year consists of fall and spring terms.

The following are examples of Student Center fee calculation for a student taking classes on the San Luis Obispo Campus and at another Cuesta College site for one academic year:

FALL TERM

7 credits at San Luis Obispo Campus	\$7.00*
3 credits at North County Campus	\$0.00
Total	\$7.00

SPRING TERM

3 credits at San Luis Obispo Campus	\$3.00**
4 credits at North County Campus.	\$0.00
Total	\$3.00

*\$7.00 paid in Fall + \$3.00 paid in Spring = \$10.00 fee paid in full for academic year.
 **Fee partially paid for year

This fee is nonrefundable unless the student drops the associated San Luis Obispo campus class on or before the Sunday prior to the start of the term/session for a full-term course or before the first class meeting for a short-term course.

Student Center Fee Exemptions

The Student Center fee shall not apply to:

- A student enrolled in non-credit courses.
- A student who is a recipient of the benefits under the TANF (Temporary Aid to Needy Families) program, the Supplemental Security Income/State Supplementary Program, or the General Assistance program. To have the fee waived, a student must provide documentation of participation in these programs through the Financial Aid Office prior to registration.
- Students enrolled in courses at North County or South County only.

Student Representation Fee

A vote of the students during the spring 2002 semester authorized the collection of a mandatory \$1.00 student representation fee from every credit student each semester. Monies collected are used by the student government to advocate and lobby for student legislative issues such as eliminating fee hikes, advocating for adequate childcare for student parents, and increasing state funding for community colleges. Other uses include leadership training, meeting with other student leaders and elected officials, and necessary supplies to support students in their advocacy and lobbying efforts.

The fee is charged during the registration process. A student may refuse to pay the fee for religious, political, financial, or moral reasons. Students must sign a waiver prior to registration. The fee is nonrefundable once the semester begins. The student representation fee is not an eligible tax credit fee. Forms are available in the Admissions and Records Office, Cashier's Office and at the Student Life and Leadership Office at all campus locations. The form is also available on the Web at www.cuesta.edu/student/documents/admissions_records/repfeewaiver.pdf for students to print and complete. The form may be submitted to the Admissions and Records Office or faxed to (805) 546-3975.

Associated Student Governments are allowed to implement the student representation fee according to Education Code 76060.5. This per-semester fee can be utilized by the ASCC to fund only those purposes listed above.

NOTE: The student representation fee may not be used to support individual candidates or campaigns.

For further information, please contact your ASCC Representative at the San Luis Obispo Campus Student Center, Building 5300.

ASCC Student ID Card Fee

The Student ID Card provides a college picture ID for use in campus labs, the library, the bookstore, and other locations on campus. The fee helps fund student jobs, student activities, critical campus programs and services, as well as providing discounts within the community. For more information on ASCC Student ID Card benefits, please visit our website <http://cuesta.edu/student/forstudents/studentlife/studentid.html>. This optional fee is nonrefundable/nonreversible once the term or session begins. The ASCC Student ID card is to be purchased/renewed each term, even if a student has already had her or his picture taken. The ASCC card fee is not an eligible tax credit fee.

If the ASCC Student ID card is lost, stolen, or mutilated, the student will be provided, free of charge, one replacement during the student's Cuesta career. For any additional cards there is a \$2 replacement fee. Contact the Student Life and Leadership Office at (805) 546-3289 for picture ID dates, times, and information.

Parking Fee

Parking permits required for all vehicles parked on all campus property or roadways.

Term permits per vehicle are:

Automobiles/vans/trucks \$30.00(Fall/Spring)
 \$15.00 (Summer)

Each additional automobile/van/truck \$30.00 (Fall/Spring)
 \$15.00 (Summer)

Motorcycles/mopeds \$15.00 (Fall/Spring)
 \$ 8.00 (Summer)

Each additional motorcycle/moped \$15.00 (Fall/Spring)
 \$ 8.00 (Summer)

Registered students may purchase parking permits on-line through myCuesta/my Web Services. Permits purchased two weeks prior to the start of the semester will be mailed to the address on the student record. All other online permit purchases may be picked up at the campus police office. This fee is nonrefundable once the term or session begins. The parking permit fee is not an eligible tax credit fee.

For a copy of the College parking regulations, contact the San Luis Obispo Campus Public Safety Office at (805) 546-3205, or the North County Campus Public Safety Office at (805) 591-6205, or go to http://www.cuesta.edu/student/findingway/public_safety.

Material Fees

Credit and noncredit courses with mandatory material fees are identified in the class schedule, class finder and college catalog. Materials fees are charged at the time of registration. Materials fees for classes dropped prior to the start of the term are automatically credited or reversed to student accounts. See the Cashier's Office for help with materials fees for classes dropped within the two-week drop deadlines for Spring/Fall terms and within the ten percent deadline for Summer Session.

Fee Payments

Students may pay fees, clear incurred debts (with the exception of library fines and parking citations), purchase parking permits or a Regional Transit Authority (RTA) 31-day bus pass, obtain and file refund forms, and handle other situations as they pertain to student accounts at the Cashier's Office.

Registration Fee Payment Policy

Fees are due at the time of registration and may be paid immediately by credit or debit card online. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines. Students will NOT be dropped from classes for unpaid fees. Fee payment receipts should be saved for education tax credit filing.

Online

Credit card and debit card payments (VISA, MasterCard, Discover or American Express) are only accepted online through student myCuesta accounts. A convenience fee of \$2 is charged for each credit/debit transaction.

Mail-in

Please include the student ID number with all mailed payments. Make checks payable to Cuesta College.

Address payments of check or money order to:

Cuesta Cashier's Office, PO Box 8106, San Luis Obispo, CA 93403.

A \$25.00 service fee is charged for all checks returned for insufficient funds, stop payments, etc.

In-Person

Payments by cash, check or money order can be made at the Cashier's Offices at either

- San Luis Obispo campus, Building 3100, Student Service Center, (805) 546-3949
- North County campus, Building N3000, room N3041, (805) 591-6217

Secure payment drop boxes are also available and located outside of the Cashier's Offices for payments made after office hours.

Any unpaid fees will result in a hold placed on the student's records blocking access to future registration, grades, transcripts, and will limit access to certain campus services. Students will NOT be dropped for unpaid fees.

To retain a seat in the class, students are strongly advised to attend the first class meeting. Students, who remain enrolled after the refund deadline, are financially responsible for payment of fees even if they drop the class or are dropped by the instructor after the refund deadline. It is the student's responsibility to drop and add classes.

Refunds for Dropped Courses

Students must submit a written request for a refund to the Cashier. Students may request a form from the Cashier, print an online form, or submit a letter outlining the request and postmarked by the appropriate date listed below. A \$10.00 processing fee is assessed on enrollment

refunds initiated by students. A full refund includes enrollment, non-resident, health, ASCC Student ID Card, Student Center and student representation fee, material, and parking fees (parking permit must be returned in usable condition). Partial refunds include only enrollment and non-resident fees.

Credit balances for dropped courses may remain on the student accounts to be applied to future balances or refunded. Credit enrolled students will receive a My Cuesta Card by mail. Students will need the My Cuesta Card to receive financial aid or dropped class refunds. Students need to be sure to keep their addresses updated through their online myCuesta account and watch the mail for the bright green My Cuesta Card envelope. See the Cuesta website for more information about the My Cuesta Card.

Full Refund

Students must drop a course by the Sunday before the start of the term to receive a full refund of fees, less a \$10.00 processing fee (only refunds which include the enrollment fee are charged the processing fee). A written request for a refund must be submitted to the Cashier's Office by the end of the second week of Summer Session and by the end of the fourth week for Fall/Spring terms.

Partial Refund

The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt. A written request for a refund must be submitted to the Cashier's Office by the end of the second week of Summer Session and by the end of the fourth week for the Fall/Spring terms.

Military Withdrawal

Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. The student must verify such orders with registration staff at the time of the withdrawal. Copies of these orders must be submitted by the student to the cashier with a written refund request. Students withdrawing under this college policy will receive a grade of "MW" for each course from which they withdraw and shall be entitled to a full refund of all enrollment fees paid to the college unless academic credit has been awarded.

Administrative Withdrawal/Cancelled Courses

Full refunds will be authorized for students who are withdrawn from courses by action of the College. If the course is cancelled, the associated course fees will be credited to the student's account. The credit will be applied to any other fees owed by the student. If there is credit balance on the student's account, the credit will remain on the student's account unless a written request for a refund is submitted by the student to the Cashier's Office. Automatic refunds will not be generated.

Overpayments (excess fee payments)

If a student overpays registration fees, the amount of the

overpayment will be credited to the student's account. The credit may be applied to any additional registration fees incurred.

NOTE: Dropped courses will not generate an overpayment refund. Please refer to "Refunds for Dropped Courses."

EDUCATION TAX CREDIT INFORMATION

An Education Tax Credit benefit is available to Cuesta students who enrolled in credit courses and were charged eligible fees. In compliance with the Taxpayer Relief Act (TRA) of 1997, Cuesta College will provide a 1098T form to eligible students enrolled in a given calendar year (spring, summer, and fall). The 1098T form reports eligible fees charged within the given calendar year.

Eligible fees include: Enrollment Fee, Student Center Fee, Non-Resident Fee, and Material Fee. A 1098T will not be produced for students whose eligible fees were waived or who received financial aid in an amount greater than eligible charges. Each January, 1098T forms are mailed to the students' permanent addresses on file with Cuesta at that time.

Students are encouraged to keep payment receipts to confirm the amount of fees paid during each calendar year, regardless of the term of enrollment.

If you have questions about the TRA's Hope Tax Credit and Lifelong Learning Credit:

- Consult your tax preparer
- Access the IRS website at www.irs.gov.

Financial aid programs are available to help students who might otherwise be unable to complete their education. Students may apply for financial aid in the form of grants, fee waivers, student loans, work study and scholarships.

Financial aid funds are administered in accordance with a nationally established policy of financial assistance for education. The basis of this policy is the belief that students and their families have the primary responsibility for meeting educational costs. The amount of the contribution expected from students is determined by careful analysis of the family financial strength, taking into consideration adjusted gross income, family size, number of dependents members attending college, allowable expenses and assets. Dependent students are required to provide data for both themselves and their parents, while independent students are required to provide data for themselves and their spouse (if married). Congress has established policy and procedures that are used in determining the student's ability to pay for college costs.

Financial Aid Programs

Cuesta College participates in federal, state, and local financial aid programs. Cuesta recommends use of the Free Application for Federal Student Aid (FAFSA). This application form is a tool for determining need for the BOGW, federal Pell, SEOG, FWS, and Direct Loans, as well as the Cal Grants. FAFSA applications are available in the Financial Aid Office beginning the January proceeding the academic year the student plans to attend. A student also can apply at <http://www.fafsa.ed.gov>

State Student Aid Programs

The Board of Governor's Fee Waiver (BOGW):

The BOGW waives enrollment fees for California residents who meet one of the following criteria:

Method A:

Students are eligible for any type of need-based financial aid and received in 2013 or 2012 TANF, Cal Works, SSI or General Assistance payments or if a dependent student, has a parent or Registered Domestic Partner (RDP) who receives this assistance; or has certification from the California Department of Veterans Affairs or the National Guard Adjutant General that the student is eligible for a dependent's fee waiver, is eligible as a recipient of the Congressional Medal of Honor or as a child of a recipient, or a dependent of a victim of the September 11, 2001 terrorist attack, is eligible as a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty, have a total family income within the income standards listed below or, if a dependent student, a parent's total income falls within these standards

Method B:

Eligibility is based on household size and total family income.

Family Income Standards for 2014-2015:

Family Size	2013 Income
1	\$17,235
2	\$23,265
3	\$29,295
4	\$35,325
5	\$41,355
6	\$47,385
7	\$53,415
8	\$59,445
Each Additional Family Member	\$6,030

Method C:

The 2014-2015 Free Application for Federal Student Aid (FAFSA) application is required to be completed and processed for Method C. A BOG C fee Waiver will be awarded to anyone with a financial need of \$1,104 or greater (financial need is determined by subtracting the estimated family contribution from the student's cost of attendance budget).

Cal Grants:

There are two state programs administered by the California Student Aid Commission Cal Grant B and Cal Grant C.

Cal Grant B provides a living allowance (and sometimes tuition/fee assistance) for low-income/disadvantaged students with high potential.

Cal Grant C assists vocational students with tuition and

training costs. Students must be enrolled in an eligible vocational program at Cuesta College from four to 24 months in length. Students can apply for these Cal Grants when completing the Free Application for Federal Student Aid (FAFSA) and GPA Verification Form. The initial Cal Grant deadline is March 2 each year.

California Chafee Grant for Foster Youth:

Youth who are or were in foster care may qualify for up to \$5,000 a year for college. To qualify, students must attend college at least half-time and their course of study must be at least one year long. Youth who have been in another state's foster care program and meet the Independent Living Program requirements are also eligible to apply. Students who were in foster care any time between their 16th and 18th birthdays but were later reunited with their parents still qualify for the California Chafee Grant. To apply, students must submit both the FAFSA and the California Chafee Grant Application, which is available online at <https://www.chafee.csac.ca.gov>

For more information on eligibility requirements for state aid visit www.csac.ca.gov

AB 540 Students

For more information about AB 540 Guidelines & Requirements for eligibility visit:

http://www.cuesta.edu/student/aboutmoney/finaid/resources/dream_act.html

For the 2014-2015 Academic Year, AB 540 students may qualify for:

1. Board of Governors fee waivers (BOGW) at California community colleges.
2. If you are attending a California Community College and plan to transfer to a 4-year institution in the fall of 2014 or later, you may qualify for a Community College Transfer Entitlement Cal Grant.
3. If you are enrolled or expect to enroll in a career technical program at your college, you may qualify for a Cal Grant C.
4. Extended Opportunities Programs and Services (EOPS), to apply please pick up an application at the EOPS office at either the San Luis Obispo or North County campus. For more information please call 805-546-3144.

To apply for BOGW, Cal Grant and EOP&S students must complete all three forms listed below by the given deadlines:

1. 2014-15 Online AB540 Dream Act Application (available after Jan 14, 2014), make sure to list our school code: 001192 - Deadline March 2, 2014.
2. 2014-15 Cal Grant GPA Verification Form for Dreamers - Deadline March 2, 2014.
3. 2014-15 EOP&S Application - contact our EOP&S Office for application and deadline.

Campus Scholarships:

In addition to government funding, Cuesta has a campus scholarship program. These funds, made available through private donors, are awarded annually by the

Financial Aid Committee. Requirements include an overall GPA of 2.0, the online essay and the submitted online application. The application deadline is March 2 each year.

Application: Financial aid funds come from appropriations made by the federal and state governments and through scholarship awards made by individuals and other public and private agencies and organizations. Hence, each of these funds MUST be administered according to different sets of policies, regulations and/or specific requirements.

To apply for campus scholarships, it is necessary to complete a separate application. The scholarship applications are also available in the Financial Aid Office and at http://cuesta.academicworks.com/users/sign_in.

Federal Student Aid Programs

Federal Pell Grant: The Pell Grant is the largest federal grant program and is intended to serve all needy students as determined by the FAFSA. Funds are disbursed directly to eligible students to cover educationally-related expenses.

Ability to Benefit (ATB) for 2014-15

- Students enrolling for the first time after July 1, 2012 must have a High School Diploma, GED or state equivalent to be eligible for any federal financial aid. Students will no longer have the option to pass an ATB test or to successfully complete six core/degree applicable units to gain eligibility for federal financial aid.

Decrease in the Maximum Lifetime Eligibility for a Pell Grant

The federal Department of Education recently established new regulations which reduce the duration of a student's eligibility to receive a federal Pell Grant to 12 full-time semesters (or its equivalent). This provision applies to all federal Pell Grant eligible students effective July 2012.

Federal Supplemental Educational Opportunity Grant (SEOG): A federal grant (limited funding) is awarded to students with the highest need who received Pell Grant.

Federal Work Study (FWS): Campus employment (limited funding) is awarded to students with the highest need. Students must maintain meet financial Aid Satisfactory Academic Progress Policy and be enrolled in a minimum of six credits.

The William D. Ford federal Direct Loan Program: it is a government loan commonly referred to as a guaranteed student loan. There are two types of Direct Student Loans:

Subsidized Direct Loan: The federal government pays the interest while students are in school

Unsubsidized Direct Loan: The students are responsible for paying all the interest on the loan (from the day the loan is first disbursed to when it is paid in full). Interest payments can be deferred while they are in school. If students choose to let this interest accrue, it will be capitalized at repayment.

Students must attend college at least half time to receive Federal Direct Loan funds. Generally, repayment begins six months after students graduate, withdraw from school

or enroll less than half time. Students with an accumulated a total subsidized and unsubsidized student loan debt of \$20,000 in may not be approved for additional student loans at the community college level.

Direct Loan Changes

Time Limitation on Direct Subsidized Loan Eligibility for First-time Borrowers on or after July 1, 2013.

As a result of legislation enacted in July 2012, eligibility for the Direct Loan interest subsidy will be limited for new borrowers on or after July 1, 2013. The law restricts the period of time for which a borrower may receive subsidized loans, in the aggregate, to 150% of the published length of the student's current educational program. Once the student reaches that limit and continues to be enrolled, he or she may borrow only unsubsidized loans, and interest begins to accrue on the student's outstanding subsidized loans.

Example: If you are a new borrower (on or after 7/1/2013) and received Direct Subsidized Loans for three years, you are no longer eligible to receive any more Direct Subsidized Loans in a two-year program at Cuesta College. However if you enroll in a four year program you may be eligible to receive three more years of Direct Subsidized Loans at a four-year college.

For new subsidized loans first disbursed on or after July 1, 2014 through June 30, 2015, the federal government will no longer subsidize (pay) the student loan interest during the six month grace period. The grace period is the time between when the student graduates or drops below half-time status and the time when the student must start repaying the loan. Students are encouraged to check with their Loan Servicer for any available options to assist with their loan repayment. Direct Loans disbursed on or after July 1, 2013, will have a fixed interest rate.

Federal Direct Parental Loans (PLUS):

Parents of dependent students may apply for a Direct PLUS Loan to help pay their children's education expenses as long as certain eligibility requirements are met.

For more information visit:

http://www.cuesta.edu/student/aboutmoney/finaid/types_of_aid/PLUS_Loan.html

Direct Loans disbursed on or after July 1, 2013, will have a fixed interest rate. Student Loan interest rates are not listed in this catalog as these may be changed. Check <http://studentaid.ed.gov/About/announcements/interest-rate> for future or current rates.

Satisfactory Academic Progress (SAP) Standards

Federal financial aid regulations mandate that a school establish satisfactory academic progress standards for students applying for, or receiving, financial aid. These regulations require that the financial aid office review all periods of a student's enrollment history, to determine if a student is making academic progress towards an educational goal. Your progress will be evaluated at the end of the fall, spring and summer semesters by the standards listed below. Special note: All periods of enrollment for all students will be evaluated regardless of

whether or not financial aid was received. Although some grades may be excluded by academic renewal, federal regulations require that all grades must be counted for federal satisfactory academic progress standards.

Failure to maintain ALL these standards may result in losing financial aid eligibility.

<i>Standard</i>	<i>Minimum Requirement</i>
Qualitative Standard	A minimum term AND a cumulative grade point average (GPA) of 2.0 in all coursework attempted
Quantitative Standard	A minimum term AND cumulative course completion rate of 80% of all coursework attempted.
Maximum Time Frame	Attempted units may not exceed 50% of the number of units required to complete your educational objective.

Grades

Grade symbols of A, B, C, D, or F received at Cuesta College will be used to calculate grade point average for S.A.P. purposes, a 2.0 GPA is required. Courses completed with CR, P, I, NC, NP or W will NOT be used in calculating a student's grade point. Be advised that symbols not used to determine grade point average will be used to determine the minimum unit requirement detailed in the next section.

Minimum Unit Requirement

A student must complete a minimum number of units per semester and overall cumulative number of units according to their enrollment status. Students enrolled full time, ½ time or ¾ time during the semester must complete 80% of the attempted* units. Students enrolled in less than ½ time, must complete ALL units attempted. For example, a student who is enrolled at full time status will be expected to complete at least ten units for the semester in order to satisfy this requirement (see table below).

<i>Enrollment Status (per semester)</i>	<i>80% Unit Completion Requirement</i>
Full Time (12+ units)	10 units per semester
¾ Time (9.0-11.5 units)	7.5-9.5 units per semester
½ Time (6.0-8.5 units)	5.0-7.0 units per semester
Less Than ½ time (0.5-5.5 units)	All Units Attempted

Maximum Time Frame

Federal regulations require that institutions establish a maximum unit total for a student to complete an educational goal (degree or certificate) if financial aid is received. Cuesta College students MUST complete the educational goal indicated in their admissions application by the time they have attempted 150% of the total units required for the degree or certificate (see table below). Maximum Time Frame is evaluated at the end of every semester.

Students must complete their educational goals within 150% of the program length. All course work appearing on your Cuesta College District academic transcript will count toward Maximum Time Frame.

Educational Goal	Units Required to Complete Goal (100%)	Maximum Unit Time Frame (150%)
Associate Degree	60 units	90 units
Transfer Requirements	60 units	90 units
Certificate	24 units	36 units

Multiple Degrees or Majors

Students seeking a second degree at the same level as first degree must complete the subsequent degree within the maximum time frame (or appeal). In the appeal the student will need to explain the rationale for the pursuit of a second degree. In addition, a student seeking multiple majors must complete the primary degree within the maximum time frame (or appeal). In the appeal the student will need to explain the rationale for the pursuit of multiple majors if this causes them to exceed the maximum time frame.

Evaluation

Academic progress will be evaluated at the end of each term to determine continued eligibility. Students who fail to meet academic progress will be placed on Warning (see Warning).

ESL Courses

ESL coursework must be part of an eligible program of study to receive financial aid. ESL coursework is not an approved program in itself. A student enrolled in ESL classes, who is not in an eligible program of study, is not eligible for financial aid funds. ESL coursework will count toward the 2.0 GPA term, cumulative GPA and 80% unit completion requirements (SAP Standard). ESL units will not count towards the maximum time frame limit and will be subtracted from the total when maximum time frame but will count toward the term, cumulative 2.0 GPA and 80% unit completion requirements.

Remedial Courses

Students are allowed to receive financial aid for remedial units if the remedial classes are a prerequisite for entrance into a regular college program. Financial aid cannot be received for more than 30 attempted units of remedial classes. Remedial units must be taken in recommended sequence.

Course Repetition

For financial aid purposes, courses may be repeated consistent with district academic standards, as identified in the college catalog. However, all repeated units will count toward Maximum Time Frame. Students may receive financial aid for repeat course work which they passed only once. Refer to repeating course policy below.

Warning

Students who fail to make satisfactory progress will be placed on Financial Aid Warning. Financial aid is available to students during a Warning period; however, satisfactory progress will be evaluated at the end of the academic term for which the warning period was established. Students will only receive ONE warning period for not meeting the progress standard.

Suspension of Eligibility

SAP standards are checked and verified each semester. Students who fail to meet satisfactory academic progress standards while on warning will be placed on Suspension and will no longer be eligible to receive financial aid. Generally, a student who is disqualified from financial aid must meet SAP standards by completing at least a successful semester without financial aid, and meet all SAP eligibility criteria to regain eligibility or successfully appealed the suspension status.

Reinstatement

A student suspended for failing to meet Satisfactory Academic Standards may regain eligibility by submitting an appeal form if extenuating circumstances occurred with supporting documents to the Financial Aid Office or by achieving SAP unit completion and GPA requirements during the semester(s) without financial aid eligibility. It is the students' responsibility to notify the Financial Aid Office in writing when they have met the standards for reinstatement.

Probation

Students whose appeal was approved will be placed on financial aid probation. Financial aid is available during this probation period; however, satisfactory progress will be evaluated at the end of the probationary term. During probation, students must complete 100% of all attempted units during this term, with a term GPA of 2.00 or better and must be following their approved Academic Plan.

Appeal Process

Students who have had their financial aid suspended have the right to appeal by submitting a Satisfactory Academic Progress Appeal Form. Appeal forms may be requested from the Financial Aid Office in person or online at http://cuesta.edu/student/aboutmoney/finaid/fa_policies/S_A_P.html. Appeal decisions are made on a case-by-case basis and may require the student to provide additional documentation for further review. The decision of the Financial Aid Appeals Committee is final. For more information visit http://www.cuesta.edu/student/aboutmoney/finaid/fa_policies/S_A_P.html

Repeating Courses Policy

Beginning July 1, 2011, a new federal regulation limits

the number of times a student may repeat a course and receive financial aid for that course. Students may only receive federal financial aid for one repetition of a previously passed course. There is an exception for courses which require repeats. Students taking a required repeat course should work with the Financial Aid Office to ensure those credits are counted appropriately for financial aid eligibility. Students may need to provide documentation regarding the requirement to repeat.

Federal Return of Title IV Funds Policy

Title IV recipients who withdraw completely before completing 60% of the term for which the student has been charged, will be required to return a portion of the Title IV funds they received. The return amount will be calculated using the number of days the student attended in the given term and the total number of days in the given term.

Return of Overpayment

Title IV financial aid recipients who withdraw from all classes, or who are administratively withdrawn from all classes may be required to return a portion of the financial aid they received. Calculations are done to determine the percent of financial aid earned and unearned for the given term. Title IV financial aid recipients who receive an overpayment resulting from changes in enrollment, cost of attendance, general eligibility, and additional financial aid award(s) will be required to return funds in the amount necessary to eliminate the overpayment. The student will be notified if a Return of Title IV funds is due. Failure to return Title IV funds will result in the loss of eligibility for financial aid.

Order of Return of Title IV funds

All returns will be distributed to the student financial assistance programs in the order below with the following exceptions. Title IV funds required to be returned by the student will not be distributed to a Federal Direct Loan Program and no returns shall be distributed to the Federal Work Study Program.

Federal Direct Unsubsidized Stafford Loan

Federal Direct Stafford Loan Federal Direct PLUS Loan

Federal PELL Grant Program Federal SEOG Program

Other Title IV Programs

Other Federal and State Programs

Institutional or Agency Programs

The Dean of Student Services will make available the institutional accreditation documents and the Title IV participation agreement upon student request. The Title IV Code for Cuesta College is 001192.

COUNSELING SERVICES

TRANSFER / CAREER SERVICES

Location: Library Building 3100, Room 3131, first floor, SLO campus; (805) 546-3162.

Transfer Services

The Transfer/Career Center has a wide variety of resources available to university bound students including college and university catalogs and information, college search materials, major and career books, and study abroad brochures and catalogs. The center maintains information about university transfer requirements, the university application process, articulation agreements and transfer admission guarantee programs. In addition, the center provides internet access with links to assist students completing online admissions applications and researching colleges.

Transfer counselors are available to help students identify their educational goals, research colleges and programs, determine university admission requirements, evaluate transcripts and develop Student Educational Plans (SEPs). Appointments to meet with a counselor can be made one week in advance beginning the first working day of the week and are available from 8:30 a.m. to 4:00 p.m. Monday through Thursday and from 10:30 a.m. to 4:00 p.m. on Friday.

Transfer/Career Center staff serve as liaisons to colleges and universities and advocate for students in the admission process. Center staff also coordinate university representative visits in which university outreach staff come to campus to meet with Cuesta College students individually.

Transfer Admission Guarantee (TAG programs) are commitments that selected colleges and universities make to Cuesta College students who meet specific credit, GPA, and course requirements. A TAG serves as a contract between the student and college or university. Students who have completed a TAG with a counselor and have met contractual requirements are guaranteed admission.

CUESTA COLLEGE NOW HAS TRANSFER ADMISSION GUARANTEES WITH THE FOLLOWING UNIVERSITIES:

- UC Santa Cruz
- UC Riverside
- UC Santa Barbara
- UC Davis
- UC Irvine
- UC Merced
- Columbia College
- Chapman University
- University of La Verne
- National University

Filing Dates for Transfer Students

Students should check with the Transfer/Career Center for information regarding application deadlines for transfer to UC, CSU or independent colleges and universities or see www.csumentor.edu; <http://admission.universityofcalifornia.edu>; www.californiacolleges.edu.

Career Services

Career services are available to assist students in exploring and clarifying their career goals, researching occupational fields, and making their educational plans accordingly. Students may make arrangements with Transfer/Career Services to attend a Career Workshop and use the Eureka Career Information System to obtain information about specific occupations.

Student wishing to do in-depth career assessment and planning are encouraged to take COUN 254, Career Exploration.

Transferring to California Polytechnic State University

California Polytechnic State University, San Luis Obispo (Cal Poly) is a part of the California State University (CSU) system. Because admission to Cal Poly is highly competitive, the university utilizes a comprehensive strategy to determine undergraduate admission selection. Candidates are screened and ranked by major. The competitive nature of each major is based on the number of applications received, compared to the number of openings available, and to each applicant's qualifications.

Applicants for a specific term are asked to submit, by a stated deadline, a Cal Poly application for admission (via the CSUMentor Internet site), which collects the necessary data to rank each applicant in the selection pool. Selection criteria include completion of specified coursework, grades in specified coursework and general education classes, and extracurricular activities and work experience.

The Cal Poly Admissions website provides comprehensive information on the admission selection process. Transfer students should pay special attention to the prerequisite coursework listed for their major on the Transfer Preparation Guide available on the Cal Poly Admissions website at <http://admissions.calpoly.edu/>.

Because of the special conditions of admission to Cal Poly, it is strongly recommended that students work closely with a Cuesta College counselor to prepare a Student Educational Plan. The course articulation (course equivalency) agreement between Cal Poly and Cuesta College maximizes the number of classes that will transfer for degree credit. In addition to major-specified prerequisite courses, Cal Poly will give preference for most majors to students who complete their General Education Breadth Certification or the Intersegmental General Education Transfer Curriculum (IGETC) prior to transfer. Students applying as upper-division transfer applicants to Cal Poly with all recommended prerequisite courses completed for their major traditionally have a higher rate of acceptance to the University.

ASSIST

ASSIST (Articulation Subsystem Stimulating Inter-institutional Student Transfer) is a student-transfer information system available at www.assist.org. ASSIST displays reports describing how courses completed at a California community college will be applied to an undergraduate degree when they are transferred to a California State University or University of California campus. As the official repository of articulation for California's public colleges and universities, ASSIST provides the most accurate and up-to-date information available about student transfer within the state of California. Students who are planning to transfer to a California State University or a University of California campus are encouraged to utilize ASSIST information (in consultation with a counselor) for important information about the transfer and articulation process.

Student Right To Know

In five decades of service to the community, Cuesta College has helped thousands of students reach a wide variety of educational goals, including improved foundational skills, transfer to a four-year institution, earned certificates or associate degrees and advancement in the work force.

In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Luis Obispo County Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2009, a cohort of all certificate, degree, and transfer seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cuesta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a completer is a student who attained a certificate or degree or became 'transfer prepared' during the three-year period from fall 2009 to spring 2012. The completion rate for Cuesta College's 2009-2012 cohort is 30.74%.

Based upon the cohort defined above, students who have completed 60 transferrable units with a GPA of 2.0 or better are considered "transfer prepared." Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming "transfer prepared" during a five-semester period from spring 2010 to spring 2012 are transfer students. The transfer rate for Cuesta College's 2009-2012 cohort is 19.98%.

DISABLED STUDENT PROGRAMS AND SERVICES (DSPS)

Location: Building 3300 (first floor), SLO campus; (805) 546-3148. Building N3200/3100, Room N3121 (first floor), North County campus; (805) 591-6215. South County Center at Arroyo Grande High School; (805) 546-3148

Note: South County or distance education students should contact the San Luis Obispo DSPS Office for assistance. Services are available by appointment at the South County Center and via phone or video conferencing for distance education students. Parking in handicapped parking spaces requires a state issued placard through the Department of Motor Vehicles.

Disabled Student Programs and Services (DSPS) helps to promote the full participation of students with disabilities at Cuesta College. DSPS advocates and facilitates equal educational opportunities through appropriate support services, curricula, instruction, policies, and funding allocations. DSPS works to eliminate discrimination against students with disabilities and to promote their independence, growth, productivity, and equality at all district sites, including distance education

Cuesta College provides support services and instruction to students with verified disabilities who can benefit from instruction. College facilities, courses, and programs district-wide are designed to accommodate the needs of students with disabilities and to be in compliance with the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, and California Education Code Title 5.

Students with verified disabilities who wish to request special accommodations through DSPS must complete an application for services and meet with a specialist to determine reasonable accommodations. A Student Educational Contract (SEC) is developed with each student, outlining the support services and/or instruction appropriate for the student. Students with disabilities who plan to or do attend Cuesta College must meet the following levels of independence:

- The ability to negotiate campus facilities independently or with the assistance of one's own attendant; and
- The ability to take care of personal needs unassisted or to provide one's own attendant.
- Disability categories served include:
 - Learning Disability
 - Physical Disability (visual or mobility)
 - Psychological Disability
 - Communication Disability (speech, language, or hearing/deafness)
 - Acquired Brain Impairment
 - Developmental Disability
 - Any Other Disability that may require support services or instruction.

Support services are specialized services available to students with disabilities and are in addition to the regular services provided to all students. Such services enable students to participate in activities, programs, and classes offered by the college. Services include, but may not be limited to:

- Academic Counseling/advising
- Adapted Equipment
- Adapted/Adjustable Furniture
- Adapted Physical Education
 - PEAD 200 - Adaptive Aquatics
 - PEAD 205 - Adaptive Fitness: Weight Training
- Alternative Media
- Assistive Listening Devices
- Assistive Technology
- Assistive Technology Training
- Disability Related Counseling
- Equipment Loan
- Extended Time on Quizzes, Tests, and Exams
- Learning Disabilities Assessment
- Liaison/Referral to Instructors, College, and Community Resources
- Note-taking Assistance
- Personal Counseling
- Personal Locker
- Priority Registration
- Reader
- Registration Assistance
- Scribe Services
- Sign Language Interpreter
- Special Classes

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)

Location: EOPS/CARE, Library Building, Room 3134, SLO campus; (805) 546-3144. Building N3000, Room N3024, North County campus; (805) 591-6214.

Extended Opportunity Programs and Services (EOPS) is a state-funded program that provides assistance, support, and encouragement to students who qualify economically as well as academically.

Cuesta College's EOPS targets two priority elements for student eligibility: financial need and need for academic support. The program offers an EOPS orientation; academic, career, and personal counseling; student success workshops; leadership training; priority registration; EOPS book grants; tutorial referrals; and related academic and social activities.

A student must meet the following qualifications to receive services in the program:

- Be a California resident or Dream Act student
- Be enrolled full-time at Cuesta College (12 credits);
- Have less than 70 degree-applicable credits;
- Complete the Free Application For Federal Student Aid FAFSA at www.fafsa.ed.gov and be BOGW "A" or "B" eligible;
- Display a need for academic support, as reflected in mathematics and English assessment scores or prior academic history or be educationally disadvantaged.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- EOPS Checklist
- Online EOPS Application

COOPERATIVE AGENCIES AND RESOURCES FOR EDUCATION (CARE)

Location: EOPS/CARE, Library Building, Room 3134, SLO campus; (805) 546-3144. Building N3000, Room N3024, North County campus; (805) 591-6214.

Cooperative Agencies and Resources for Education (CARE), administered by EOPS, helps single CalWORKs/Temporary Assistance for Needy Families (TANF) parents by providing support activities related to parenting and student success. Services include referrals to support services, a child care/ transportation grant, and workshops for single parents.

CALWORKS

Location: Career Connections, Student Center, Room 5310, SLO campus; (805) 546-3204. Estrella Career Center, N4000, North County campus.

CalWORKs at Cuesta College is a comprehensive program designed to provide fast-track curriculum options, employment services, academic and career counseling, and supportive services for the welfare-to-work student. Welfare-to-work students are those who are enrolled at Cuesta College and receive cash assistance from the Department of Social Services for themselves and their children.

Services include:

- Career education and job seeking skills including vocational assessments as well as resume and interview preparation;
- Integrated job training and education programs;
- Networking with other established Cuesta programs to provide support services;
- Placement of CalWORKs students in work activities that enable them to meet work requirements, gain practical work experience, and meet educational goals, i.e., work study positions, internships, and job placement on/off campus;
- Academic counseling and student development plans that work with welfare to work plans.
- Life management and assessment with supportive counseling and crisis intervention.

In partnership with community agencies such as, the Department of Social Services, One Stop Career Centers, as well as local employers, the goal of CalWORKs is to assist the TANF student's transition from welfare to employment and financial self-sufficiency.

VETERANS SERVICES

Location: Veterans Resource Center, Building 3100, Room 3174, SLO campus; (805) 546-3142. North County Campus, Building N3200/3100, Room 3121.

Montgomery G.I. Bill Education Benefits

Cuesta College is approved by the Veterans Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant's eligibility for educational assistance.

All persons receiving educational benefits must personally contact the Veterans Coordinator after enrollment every semester to continue benefits. In addition, a Student Educational plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration

As our way of saying thanks for serving our country, Veterans receive priority registration. New students to Cuesta College must meet the requirements of a new matriculated student as defined in the enrollment priority section. Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserved, for any academic term attended at one of the California State University, California Community College, or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

Military Credit

Veterans can receive credit up to 12 credits for education experience in the Armed Services. For more information please refer to this website: www.militaryguides.acenet.edu or see the Veterans' Resource Center.

Disabled Veterans

Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through Cuesta College Disabled Students Programs and Services.

Veterans' Dependents – War Orphans – Missing In Action – Prisoners Of War

Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability

The veteran/dependent student assumes full liability for any overpayment of veterans education allowance benefits. **The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant.** FAILURE TO TAKE THE PROPER CLASSES CAN RESULT IN THE REDUCTION OR TERMINATION OF BENEFITS.

Veteran/Dependent Student Academic Standing

Students will not be certified for enrollment if placed on Academic or Progress Dismissal status. If you have previously been placed on Academic Probation and have a grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Progress

Probation and have 50% or more enrollment grades of "W", "I", or "NP" recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Tutorial Services

Tutorial services are available to all veterans who meet established VA criteria.

Transcripts

All official transcripts of prior college work and military schools must be on file in the Records Office before registering for classes. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veterans' Resource Center for necessary forms.

Credits Required for Entitlement of Benefits

The following number of credits is required each semester to certify students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans' Resource Center for more information.

Withdrawal/Change of Classes

Veterans are required to notify the campus Veterans' Resource Center when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification and will be considered a fraud with the Department of Veterans Affairs.

STUDENT LIFE & LEADERSHIP

Location: Student Center, Building 5300, Room 5301, SLO campus; (805) 546-3289.

Resources available online, for the convenience of our students including those attending via distance education, are the following:

- Student Life and Leadership Activities Calendar
- Campus Tours
- Housing Resource Information
- ASCC Agendas and Minutes
- Student Life and Leadership may be found at <http://cuesta.edu/student/forstudents/studentlife>.

The purpose of the Student Life & Leadership program is to assist the student population in the development of programs that serve and actively involve a wide range of students. Opportunities for personal growth are extended to students through leadership courses and programs, clubs and organizations, and campus events produced by the students themselves.

Student Life and Leadership (located in the Student Center) coordinates campus programs and services which include:

- Associated Students of Cuesta College (Student Government)
- Campus Tours*
- Housing Resource Board
- Student Photo ID
- Free Legal Counseling (with valid Student ID Card)*
- ASCC Social Club*
- Clubs and Organizations
- Cultural Center*

*SLO campus only.

Student Activities

Cuesta College's student government develops a broad spectrum of activities, programs, and services for the student body. Its goals are to provide social contact, entertainment, and leadership opportunities for the campus community. Extracurricular activities foster a sense of unity among individuals, as well as among student groups pursuing specialized interests.

The complete planning and production of various events provide excellent experience for student leaders and enjoyable activities for all. Lectures, film series, forums, bands, community awareness programs, and seasonal and special events are all within the scope of student government sponsorship.

The broad array of student activities involves the educational experience of all members of the Associated Students of Cuesta College. Students plan and develop them and, by taking an active role, experience a personal satisfaction and growth beyond their academic pursuits.

Associated Students of Cuesta College

The Associated Students of Cuesta College (ASCC) operates under regulations authorized in the California Education Code and in the policies of the Cuesta College Board of Trustees. The ASCC is the college's official student government organization.

The ASCC is established to promote the general welfare of Cuesta College students; to guarantee equality of opportunity among students; to offer an experience in practice of the American democratic government; and to encourage student participation in, planning for, and involvement in a comprehensive program of student activities. It offers students opportunities to participate in social and cultural events, to share in governance activities, to interact with professionals, and to create and administer their own organizations and programs.

Student Organizations

The college and the ASCC grant recognition to campus organizations including honor societies, service and religious organizations, those with an ethnic/multicultural focus, and departmental and special interest groups.

The varied types of clubs not only offer an opportunity for social life but also make a fine contribution to the development of student leadership. Membership and active participation in a reasonable number of these organizations are strongly recommended by the college.

LIBRARIES

Location: San Luis Obispo Campus, Building 3100, Room 3100, (805) 546-3155. North County Campus, Building N3200/3100, Room N3113, (805) 591-6200, Ext. 4410.

The Cuesta College Libraries support the educational program of the college. Books, periodical subscriptions and audiovisual materials are closely coordinated with curriculum offerings. Holdings include general education and career and technical education materials, and other resources for updating and increasing skills and knowledge.

Comparable services are provided to distance education students and students at off-site locations. The library's catalog and periodical databases are online, and accessible around the clock to all students with Internet access. An increasing portion of the library collections, including nearly 13,000 e-books and virtually all journal content, is digital and available online. A proxy server enables secure remote access via a students' myCuesta login.

To assist students and community residents with their informational and research needs, librarians are available at the Reference desk and via telephone, email, and Internet chat whenever the library is open. College librarians hold advanced degrees and as part of the college faculty teach research and information literacy skills and help students locate the best resources for their educational needs.

Library facilities include areas for studying, photocopying, computer use, viewing audio/visual materials and library instruction. Comfortable surroundings invite leisurely browsing, reading and viewing, and provide a quiet place for contemplation and learning.

To borrow library materials, students must show photo identification. Community residents must show a current I.D. with local street address to use a courtesy library card.

Open computer labs on the San Luis Obispo and the North County campuses are provided for academic use. Workstations are equipped with most software taught at Cuesta so that students can work on class projects outside of scheduled lecture and lab times for their courses. One lab on each campus is adjacent to or in the Library. Smaller and more specialized labs are also available on the San Luis Campus on a more limited basis.

The Mission of the Cuesta College Department of Public Safety and Police Department is to assist the education process by providing a safe and secure learning environment for students, staff, faculty, and visiting members of the community.

We offer a wide range of everyday services in addition to law enforcement responsibilities. These services include escort services, stranded motorist assistance, medical aid, crime prevention information and fingerprint services.

In cases of emergency, we provide immediate responses as well as situational warnings and updates through the ALERT-U notification system. This service is for all students, staff, and the community. To sign up for the service, text *cuesta* to 253788 (*alertu*) and reply *Y* to the follow-up text. Standard text message rates do not apply. For more information and to sign up online, visit http://www.cuesta.edu/student/findingway/public_safety/alerts.html or the official "alertu" page at <https://www.alertu.org/cuesta>.

We provide Early Warning notices of any criminal assaults or other acts that could pose an immediate threat to anyone on campus. Additional information can be found on the MEGAN'S LAW website.

The Department of Public Safety and Police Department is here to serve the needs of Cuesta College. Please feel free to contact us for additional information or assistance by calling (805) 546-3205.

ONLINE SERVICES AND DISTANCE EDUCATION

Distance Education courses are those in which the instructor and student are separated and interact through the assistance of communication technology. They are offered as either "hybrid" courses (with limited required on-campus sessions) or "fully online" (with no required on-campus sessions.) The full definition of Distance Education, and the means by which the college verifies student identity in distance education courses, is contained in the district's Administrative Procedure 4105 (<http://academic.cuesta.org/president/BRDPOLREV08.HTM>.)

Courses offered through Cuesta College's Distance Education program are equivalent to the classroom-based version in course content, textbooks, required assignments, exams, study time, etc. The only difference is the method in which the course is delivered.

Students in Distance Education courses are able to access support services such as counseling, technology help desk, and library services remotely.

Additional resources and centers for students

ATHLETICS

Location: Building 1300, SLO campus; (805) 546-3207.

Cuesta College is a member of the Western State Conference. Other community college conference members include Allan Hancock, Antelope Valley, Bakersfield, Citrus, College of the Canyons, Glendale, Los Angeles Pierce, Los Angeles Valley, Moorpark, Oxnard, Santa Barbara, Santa Monica, Ventura and West Los Angeles.

Intercollegiate activities include:

SEASON	MEN	WOMEN
Fall	Cross Country	Cross Country
	Water Polo	Water Polo
	Wrestling	Volleyball
		Soccer
Fall/Spring	Basketball	Basketball
Spring	Baseball	Softball
	Swimming and Diving	Swimming and Diving
	Track & Field	Track & Field

Eligibility rules for intercollegiate competition are prescribed by the Constitution of the Community College League of California and its California Community College Athlete Association (CCCAA). In order to participate in intercollegiate sports, the student:

- Must be registered for classes including athletic course no later than one month after the beginning of the semester;
- Must be enrolled in and regularly attending 12 credits or more;
- After the first season of competition, must complete 24 semester credits or 36 quarter credits before the second season of competition in any one sport, including credits earned during the first season of competition;
- Once a student becomes an athlete, he/she must maintain a 2.0 GPA to be eligible for additional seasons of sports;
- Must have a Student Educational Plan (SEP) on file.

These regulations are subject to change by conference officials and by the Community College League of California.

Athletic eligibility is determined in the Admissions and Records Office. Questions may be referred to the Director of Admissions and Records or the Vice President of Student Services (or designee).

Cuesta College Athletics offers a Program Assisting

Student-Athlete Success (PASS), which provides confidential, professional, and voluntary assistance to support students in dealing with issues that may be adversely affecting their academic, athletic, or personal performance. Educational programs are provided to offer preventive information, to assist in identifying problems, and to promote the general well-being of student athletes. Appropriate referrals for assistance will be made to campus and community resources.

The PASS program consists of six components:

- Academic Advisement
- Academic Status
- Learning Assistance
- Student Athlete Success Class
- Scholarship Recognition
- Personal Development

Athletes who intend to transfer and compete at a four-year college or university should consult Counseling Services regarding eligibility, degree, and transfer requirements.

BOOKSTORE

Location: San Luis Obispo Campus, Building 5200, Room 5200, (805) 546-3206. North County Campus, Building N1000, Room N1002, (805) 591-6206.

Cuesta College operates a bookstore as a service to Cuesta College students and the community by making available books and instructional supplies required for course work. In addition, the store maintains a wide selection of college supplies, clothing, and other merchandise that contribute to the general educational experience of the student.

The Cuesta Bookstore is a self-service operation open at posted hours. Textbooks go on sale the first day of registration for the following term. Personal checks, VISA, Discover, or Mastercard are accepted for payment with photo identification. Books may be purchased on-line at <http://bookstore.cuesta.edu>.

Refunds and exchanges are limited to one week from the start of the fall and spring semester, and one week from the start of summer session. The store buys back used textbooks year round.

Other services include textbook rentals, school rings, nursing pins, graduation caps and gowns, and college insignia items.

BUSINESS & ENTREPRENEURSHIP CENTER

(Services to Business and Industry)

Location: Building 2800, SLO campus; (805) 546-3188.

The Business & Entrepreneurship Center (BEC) program works with private, public and nonprofit resources to build strong, sustainable and successful businesses. The result is wealth creation, job creation and retention and better economic health in California.

By partnering with local, well-respected business growth organizations and community colleges, the BEC and the entrepreneurs they serve can tap into an abundance of resources and the know how already in place, thereby enhancing the long-term growth and viability of these companies. The BEC program supports local economic development corporations, chambers of commerce, community-based business outreach centers and other community-based organizations whose primary mission is to assist small businesses.

The BEC Primary Objectives Include:

Conduct community research; create targeted special projects and services that address the unique needs of the region. The BEC will collect and analyze community data and evaluate the economic needs of the region.

Target existing business clients and/or industry sectors most likely to create economic impacts and retain jobs. Clients and/or industry sectors should also have the potential to achieve significant increases in sales investment, and to boost regional economic wealth.

The BEC will provide fee based-technical assistance (i.e. advanced business consulting services) to regional businesses, industry sectors, city & state agencies, and chambers of commerce thereby, to promote and support growth of the regional economy. Areas of expertise include:

- Marketing Strategies
- Marketing Research
- Strategic Planning
- Growth and Investment Strategies
- Access to Capital
- Financial Analysis
- Operations Analysis
- Operations Management & Improvement
- Customer Service
- E-Commerce
- Economic Research and Analysis
- Business and Contract Law
- International Trade

The Director of Business & Entrepreneurship Center at Cuesta also serves as the Deputy Sector Navigator (DSN) for the Small Business Sector in the South Central Region. The role of the DSN for the Small Business sector, is to create alignment around workforce training and career pathways and coordinate the delivery of training programs in their local area and throughout the region. As the regional liaison, the DSN for the Small Business Sector will communicate sector related best practices to the region, promote sector related careers to K-14, identify new courses in entrepreneurship and/or stackable credentials, and foster faculty professional development.

The grant award is the result of an ongoing reorganization effort of the state's Workforce and Economic Development program titled "Doing What Matters for Jobs and the Economy."

The goals of the "Doing What Matters for Jobs and the Economy" program are to help close the state's "skills gap" by providing in-demand skills training for employers, creating relevant career pathways and stackable credential programs, promoting student success and ultimately helping more Californians find employment.

The Strategy of the Doing What MATTERS for jobs and the economy is a four-pronged framework to respond to the call of our nation, state, and regions to close the skills gap. The four prongs are:

- Give Priority for jobs and the economy
- Make Room for jobs and the economy
- Promote Student Success
- Innovate for jobs and the economy

Location: Career Connections, Student Center, Room 5310, SLO campus; (805) 546-3204. Estrella Career Center, N4000, North County campus, (805) 591-6273

Career Connections provides a centralized location where students can identify and receive information about available full and part-time jobs in the community as well as employment programs available at Cuesta College.

In collaboration with ASCC, Student Life and Leadership, Counseling, the Career Transfer Center, and others, Career Connections offers students access to practical workplace experience that relates to the educational goals and academic achievement of the Cuesta student.

Career Connections also provides a centralized location for local businesses to post job openings, conduct interviews, and meet with students on a formal or informal basis.

CHILDREN'S CENTERS

Location: Building 4000, SLO campus; (805) 546-3285. Building N4000, North County Campus, (805) 591-6292.

Cuesta College Children's centers are laboratory schools for Early Childhood Education Associate of Arts degree students to complete their teacher training courses. Cuesta has two children's lab programs, at the San Luis Obispo campus, and at the North County campus in Paso Robles. These programs are licensed, planned, facilitated, and operated by Early Childhood Education professional staff and administration.

Our children's enrichment programs are open Monday - Thursday, 7:30 am - 4:30 pm, and Fridays from 7:30 am - 12:30 pm. We follow the campus academic calendar, closed for national holidays, campus holidays, campus board holidays, and during semester breaks. We take children from 18 months to five years of age with priority for enrollment being student parents, Cuesta faculty & staff, and then community at large.

Each semester we start a new waiting list for the following semester. At the end of August we begin the wait list for spring semester, and in January we begin the wait list for summer and fall semesters. To inquire about the children's programs and waiting list for the San Luis Obispo campus, please call (805) 546-3285. For the North County campus, please call (805) 591-6292. You will find fees and more information about our programs at the Cuesta College web site, at the search window type in Children's Centers, and follow the links.

Cuesta College is a fee pay program (check the web site for fee plans). Many student families have been helped through the Community Action Partnership of San Luis Obispo (CAPSLO) Child Care Resource Connection. To find out if you qualify for help with child care fees, please call CCRC and ask about the subsidized child care program. (805) 541-2272.

In addition to the Children's Lab School, CAPSLO operates Head Start and Early Head Start Programs at the San Luis Obispo campus. To find out about hours of operation, eligibility and the waiting lists for these programs, please call CAPSLO at (805) 544-4355, or call these programs directly. For the Early Head Start program (805) 546-3100, extension 2642 and for Head Start (805) 546-3100, extension 2638.

COMMUNITY PROGRAMS

Location: Building 4700, SLO Campus, (805) 546-3132

Cuesta College Community Programs provides a comprehensive source for lifelong learning, career education, recreation opportunities, and cultural development in a friendly, accessible environment for people of all ages. For more information call (805) 546-3132, FAX (805) 546-3107, or visit <http://www.cuesta.edu/communityprograms>.

Cuesta's community education, special events, recreation programs, and aqua fitness classes serve four essential functions in the college district:

- To contribute to the cultural, intellectual, recreational, and social life of the residents of the District, and to offer training for workforce improvement.
- To develop leadership and provide educational services which utilize special skills, interests, and knowledge of college faculty and other professional community instructors.
- To be a center of community life by scheduling college facilities and services on an extended and year-round basis for individuals, families, and community groups.
- To collaborate with community groups, county organizations, and businesses in developing programs and educational services for comprehensive coverage of the district.

NON-CREDIT

Cuesta College offers a variety of non-credit classes in five areas:

- Short-term vocational classes designed for upgrading job skills;
- Wellness classes designed to enhance an individual's physical fitness;
- English as a Second Language classes designed for community members whose native language is not English;
- Citizenship classes designed for community members seeking to become U.S. citizens.

COOPERATIVE EDUCATION WORK EXPERIENCE

Cooperative Work Experience is a collaborative program between students, community employers, and Cuesta College. This course provides the opportunity to earn credits for working, either in a general capacity or toward a major/career path. Staff advisors guide students in accomplishing specific, measurable, and attainable job objectives, with the purpose of leading to successful outcomes. Students learn practical methods for improving communication, teambuilding, and goal-setting skills. For more information about Work Experience and program requirements, call (805) 546-3100, ext. 2522.

HEALTH SERVICES

Location: Student Health Center, Building, 3100, Room 3150, SLO campus; (805) 546-3171. Building N3000, Room N3025, North County campus, (805)591-6200 Ext. 4207.

The Student Health Center, in San Luis Obispo Campus Building 3100, Room 3150 is normally open during the

day when classes are in session and is open for limited evening hours. INSTITUTE FOR PROFESSIONAL DEVELOPMENT

The Institute for Professional Development (IPD) addresses the Cuesta College mission to support economic growth through assessment, training, coaching, consulting, and facilitation. Training and support services are offered either on or off campus, with flexible hours, no prerequisites and no grades. Business support is delivered through customized contract training for individual company needs, and one-on-one consulting. IPD a staff of

professionals, certified trainers, Cuesta College faculty, and industry specialists. IPD is a fee-based program. Training costs are highly competitive. For more information, contact the Institute for Professional Development, Cuesta College at (805) 546-3180, fax (805) 546-3107.

STUDENT SUCCESS CENTERS

Location: Building, 3300, SLO campus; (805) 546-3100 Ext. 2323. Building N3130, North County campus, (805) 591-6245.

The Cuesta College Student Success Centers strive to:

- Promote the academic skills, learning strategies, and attitudes necessary for student success in all disciplines.
- Create a responsive, accessible, and learner-centered space for students to attain independent learning and achieve their personal, educational, and vocational goals.
- Support the instructional objectives of faculty by advancing the Student Success Centers as curricular extensions of the classroom.
- Enhance collaboration with the college community regarding the short- and long-term goals of the Student Success Centers.

This mission is fulfilled by offering the following learning and teaching assistance to students and faculty and is supported by the Student Development and Success Division.

San Luis Obispo Campus

ACADEMIC SKILLS COURSES are offered in reading, grammar, spelling, math, test preparation, test and performance anxiety, word processing, study skills, and college success. These courses help students review, refresh, or refine academic skills and strategies needed for success in college and beyond. Refer to Class Finder on the web or to Academic Skills in the published class schedule for available classes each semester.

ACADEMIC SUCCESS WORKSHOPS are offered throughout the year. Sample workshops include test preparation,

memory techniques, time management, textbook reading strategies, and critical thinking. Workshops are open to all students free-of-charge. Topics and dates are posted in the Academic Support Center, Building 3300, and around campus.

ACADEMIC SUPPORT LAB is available to any Cuesta College student who wishes to improve his/her academic and learning skills. Students may come in for a comprehensive assessment of their learning needs, use particular instructional modules to supplement coursework, and/or improve their basic skills by enrolling in an open-entry computer and audio/video tutorial lab course. Students work independently on one or more of the following skills: grammar, writing, vocabulary, spelling, math, reading, critical thinking, study skills, mathematics, English as a Second Language, keyboarding, and word processing. The PLATO Integrated Learning System software is available in the lab. Students work on mastering individual skills, at the appropriate difficulty level, and at their own pace. Students may also earn .5 or 1.0 credit of credit by signing up for ACSK 005. Report to the lab, located in Building 3300, Monday through Thursday, 8:30 a.m. to 12:30 p.m., to arrange hours.

MATH TUTORING provides drop-in assistance to students needing help in MATH 003 through MATH 265B. Computer access is available for students to work on Mediated Math, Minitab, Geometer's Sketchpad, Derive, and other software. Located in Student Success Center, Building 3300, Room 3304, hours are posted on available online.

TUTORIAL SERVICES provides free individual, small group and drop-in tutoring in most academic subjects. Come to the Student Success Center in Building 3300 to sign up. Peer tutors are instructor recommended, have received a "B" or better in the courses they tutor, are paid on an hourly wage, and complete a tutor-training class during their first semester as a tutor. Tutors are trained to help students develop long-term learning strategies that facilitate independent learning. CUESTA COLLEGE

COLLEGE POLICIES, RULES AND REGULATIONS

Students are held individually responsible for the information contained in the Cuesta College Catalog and in the Student Code of Conduct. Failure to read and comply with college Policies, Rules, and Regulations will not exempt students from whatever penalties they may incur.

The college reserves the right to make changes, additions and/or deletions to the Policies, Rules, and Regulations during the school year when deemed necessary by action of the administration and/or Board of Trustees.

Academic Probation and Dismissal

Students who earn unsatisfactory grades may jeopardize their enrollment and registration priority at Cuesta College. Academic achievement is monitored during the fall and spring semesters excluding summer session. A student is placed on academic probation at the end of a semester if the student's semester grade point average is less than 2.0, or "C average," on a four-point scale.

A student who earns less than a 2.0 GPA for two consecutive semesters is subject to dismissal from the college. For the purpose of this section, semesters are considered consecutive on the basis of the student's pattern of enrollment. For example, a student earning less than a 2.0 in fall 2010 and fall 2011 would be subject to dismissal if the student did not attend Cuesta during spring 2011. Dismissed students are not allowed to attend the subsequent semester.

Students are notified of their academic progress/dismissal status through their myCuesta e-mail account at the end of grade processing each semester, excluding summer session. Students on academic dismissal may attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students, who do not attend a reinstatement workshop will be blocked from enrolling and must "sit out" the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses. Reinstatement, or "sitting out" a semester, does not change the student's academic standing. Once a student's semester GPA is 2.0 (C) or higher the student will be removed from Academic Dismissal.

Progress Probation and Dismissal

Students who fail to complete courses in which they enroll may jeopardize their ability to enroll and their registration priority at Cuesta College. Academic progress is monitored during the fall and spring semesters excluding summer session. A student enrolled in a total of 12 credits at Cuesta College is placed on progress probation at the end of a semester if the percentage of all Cuesta College credits in which a student has enrolled, for which entries of "W," "I," and "NP" are recorded, reaches or exceeds 50 percent.

A student placed on progress probation for the third consecutive semester is subject to dismissal from the college.

Students are notified of their progress probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester. Students on progress dismissal may attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students who do not attend a reinstatement workshop will be blocked from enrolling and must "sit out" the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses.

Reinstatement, or "sitting out" a semester, does not change the student's academic standing. A student on progress dismissal shall be removed from probation/dismissal when the percentage of entries of "W", "I", and "NP" recorded drops below 50 percent.

Contact the Office of the Director of Admissions and Records or Director of Counseling for additional information.

Academic Renewal without Course Repetition

Previously recorded substandard academic work may be disregarded in the calculation of a student's grade point average if the work is not reflective of the student's present scholastic level of performance.

1. Academic renewal may be applied to two distinct terms/sessions of work and is a one-time irreversible option.
2. Academic renewal cannot be used to disregard prior academic credit or course work which has been applied toward an associate degree or certificate earned at Cuesta College.
3. For any term/session in which course work is to be disregarded, substandard academic work in that term/session will be disregarded, excluding satisfactory academic work.
4. If grade alleviation has already been applied two times for a course included in the requested term/session to be disregarded, the course will not be eligible for academic renewal without repetition and will remain on the academic record. No more than two substandard grades may be alleviated from the calculation of the student's grade point average for a course.
5. A period of at least two years must have elapsed since the completion of the work to be alleviated.
6. To alleviate course work, the student must have:
 - a. Completed a minimum of 15 semester credits since the term(s) to be alleviated with at least a 3.0 grade point average; or
 - b. Completed 30 semester credits since the term(s) to be alleviated with at least a 2.5 grade point average; or
 - c. Completed 45 semester credits since the term(s) to be alleviated with at least a 2.0 grade point average.
7. Recalculation of the grade point average will be used toward qualification for graduation with honors.

8. Academic standing for the term/session(s) will be adjusted.

9. Permanent academic records will be annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic history.

The student initiates the request by filing a Petition for Academic Renewal without Course Repetition in Counseling Services. The petition must be signed by the student and counselor.

- The student must submit official (sealed) transcripts from all accredited colleges or universities where course work was completed.
- The Director of Counseling will make the final determination for academic renewal without course repetition.
- The petition is forwarded to the Admissions & Records Office for a college evaluator to review all evidence pertaining to the student's petition for academic renewal without course repetition.
- If academic renewal requirements are met, eligible courses will be alleviated from the student's permanent record.
- Calculation of the student's grade point average begins at the first term being alleviated under academic renewal.

Alleviated course work will be annotated on the student's transcript with an "E" for exclusion with a notation of "Academic Renewal" and the substandard grade will be excluded from the student's grade point average calculation.

Attendance

Normal progress and successful completion of scholastic work depends upon regular attendance. Students are expected to attend all classes and laboratories for which they are registered. Instructors set an attendance policy for each class, and it is the student's responsibility to know and comply with each one. Instructors may drop a student from a class for infractions of the attendance policy. (To assure a seat in the class, students are advised to attend the first class session.)

It is the student's responsibility to officially withdraw from a course which the student is no longer attending. Failure to officially withdraw from a class may result in an "F" or failing grade.

Authority of Instructor

The Board of Trustees shall establish rules and regulations for student conduct while on campus and/or engaged in any college-sponsored activity.

The Vice President of Student Services and College Centers or designee shall be responsible for enforcing rules and regulations and administering the disciplinary functions for all activities of students at times and places when students are under the District's jurisdiction; however, an individual instructor is given the power to remove a student from his or her class for good cause for

the day of the removal and the next class meeting. The instructor shall immediately report the removal to the Vice President of Student Services and College Centers for appropriate action.

During the period of removal, a student shall not be returned to the class from which he or she was removed without the concurrence of the instructor of the class.

Course Load

A full-time student is a student who is enrolled in a minimum of 12 credits per semester (four credits per summer session). Students enrolled in fewer than 12 credits are considered to be less than full-time. Students are limited to a maximum of 19 credits during the fall and spring semesters (nine credits during the summer session), including both day and evening classes. To take more than the maximum number of credits, a student must have an outstanding academic record and must obtain approval from a counselor before registering.

Course Repetition Policy

Repeatable Course

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

- The student may petition to enroll in two sections of the same repeatable course if the length of the course is such that a student may enroll in two or more sections of the same course during the same period without being enrolled in more than one section at any given time.
- A student may repeat a course designated as a repeatable course including variable credit open-entry/open-exit courses up to the maximum number of allowed repetitions for that course.
- No more than two substandard grades may be alleviated within the allowable repeat limits for a repeatable course. If a course is repeated two or more times, the first two substandard grades will be excluded in calculating the student's GPA.
- Course repetition will not be allowed in a repeatable activity course beyond the maximum number of allowed repetitions for the course, which may be no more than three (3) terms/sessions.

Non-Repeatable Course

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

- Substandard Grade - a grade of "D+," "D," "D-," "F," "FW," "NP," or "NC."
- A student will be permitted to retake a non-repeatable course in which a substandard grade or "W" was earned one time without a petition.
- If a student has earned a second substandard grade or "W" in a course, the student must agree and sign a Third Enrollment Agreement to be released to register for the third repetition of a course.
- Each non-repeatable course in which a substandard grade has been earned may be repeated two times only

for grade alleviation unless such repetition is provided by District policy. The repeated course must contain the equivalent credit value or higher. The previous grade and credit will be disregarded in calculation of the student's grade point average even if the previous grade was higher.

- Satisfactory Grade – a grade of “A,” “A-,” “B+,” “B,” “B-,” “C+,” “C,” “P,” or “CR.”
- A course in which a satisfactory grade was received may not be repeated unless such repetition is provided for in the official course description or by District policy.

Limitations on Withdrawal (“W” symbol)

Each non-repeatable course in which a “W” has been earned may be repeated for a maximum of two times. The student may earn no more than three (3) withdrawals in the same course.

- Military withdrawals (“MW”) do not count against the “W” withdrawal limit.
- A student who has previously earned a maximum of three (3) withdrawals for a course that has a petition approved to repeat may only earn a satisfactory or substandard grade for the course. The student may not earn an additional “W” symbol unless the student demonstrates extenuating circumstances to justify an additional withdrawal for the course.

Petition to Repeat

Students may submit a “Petition to Repeat a Course” under certain circumstances as provided by Title V, California Code of Regulations and Cuesta College Board Policy. Petition approvals are reviewed by the Director of Admissions & Records, the North County Campus Dean, or designee.

Significant Lapse in Time: A student may petition to repeat a course, one time, and if no less than 36 months have elapsed, where a satisfactory grade of “C” or better was earned if:

- The District has established a recency prerequisite for a course or program;
- Another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course. Repetition may be allowed where less than 36 months have elapsed if the student documents that repetition is necessary for the student's transfer to the institute of higher education.
- When a course is repeated pursuant to this section, the previous grade and credit will be disregarded in computing the student's grade point average.

Disabled Student Accommodation

A student may repeat a special class for students with disabilities any number of times as required as a disability-related accommodation under the following circumstances:

- When the student's continuing success in other general and/or special classes is dependent on additional repetitions of a specific special class; or

- When additional repetitions of a specific special class are essential to completing a student's preparation for enrollment into other regular or special classes; or
- When the student has a student educational plan which involves a goal other than completion of the special class in question and repetition of the course will further achieve that goal.
- The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Legally Mandated Training

A student may repeat a course any number of times as required to meet a legally mandated training requirement as a condition of continued paid or volunteer employment. The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Significant Changes of Industry or Licensure Standards

A student may repeat a course any number of times as a result of a significant change in industry or licensure standards such that repetition of the course is necessary for employment or licensure. The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Extenuating Circumstance – Prior Substandard Grades

A student may petition to repeat a course, one time, based on extenuating circumstances in a prior enrollment in which three (3) substandard grades have been earned. Extenuating circumstances are extreme cases of documented, verifiable circumstances beyond the student's control.

- The previous grade and credit will be disregarded in computing the student's grade point average if either a substandard or satisfactory grade is earned.

Extenuating Circumstance – Prior Satisfactory Grade

A student may petition to repeat a course, one time, based on extenuating circumstances in a prior enrollment in which a satisfactory grade has been earned. Extenuating circumstances are extreme cases of documented, verifiable circumstances beyond the student's control.

- The previous grade and credit will not be included in computing the student's grade point average each time the course is taken.

Enrollment Priorities

All courses of the District shall be open to enrollment to all eligible students, subject to an established enrollment priority. Enrollment also may be limited to students meeting properly validated prerequisites and co-requisites, or due to other, practical considerations.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide enrollment priority for students on the basis of need are established.

Annually, each program or group granting enrollment

priority will establish and publish a process to review and evaluate their program participant's "level of need" that grants program eligibility for enrollment priority.

Effective Fall 2014.

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to reward students who make progress toward their educational goals.

New students who have completed college orientation, assessment and developed education plans as well as continuing students in good academic standing who have not exceeded 100 credits (not including credits in non-degree applicable courses, basic skills and English as a Second Language) will now have priority over students who do not meet these criteria. Active military and veterans, current and former foster youth, CalWORKS, followed by students in Extended Opportunity Programs and Services (EOPS) and Disabled Students Programs and Services (DSPS) will continue to have first priority for registration if they meet the same criteria listed above.

The regulations, unanimously approved by the board of governors, will be implemented in the fall of 2014. We encourage students on probation to seek help to improve their academic standing. Students nearing 100 credits should carefully plan their remaining courses.

Enrollment Priority Groups are defined below. Students will continue to have access to register after their priority date.

- A **New Matriculated Student** is one who has completed orientation, assessment and developed a student education plan.
- A **Student in Good Academic Standing** is one who is not on academic or progress probation for two current consecutive primary terms.
- A **Student in High Credit Program** is a program that has more than 38 credits in the major coursework and following a current education plan.
- A **Continuing Student** is one who was enrolled during the immediately preceding semester and received at least one letter grade or "W." A student registered during the semester, who did not complete a course with a letter grade or "W" forfeits continuing student status.
- A **New First-time Student** is one who never attended Cuesta College prior to the application term.
- A **Returning Student** is one who attended Cuesta in the past, but was not enrolled in the term prior to the application term.
- A **Re-Entry Student** is one who is at least 25 years of age and has not attended a college or university within the past 5 years.
- A **New Transfer Student** is one who is enrolling at Cuesta for the first time after attending another post-secondary institution.

• A **Special Part-time Student (Enrichment Student)** is one who is under the age of 18, currently enrolled in grades 9-12, and eligible to attend Cuesta College. (BP 5055, BP 5010, AP 5011).

• **PRIORITY 1:** Continuing students in this group must be in good academic standing as defined with less than 100 Cuesta College degree applicable credits. New students in this group must meet the requirements of a new matriculated student as defined. Special Part-time Students are not eligible, except noted.

- Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or as an other than honorable discharge, and to any member or former member of the State Military Reserve, for any academic term attended at one of the California State University, California Community Colleges or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

- Foster youth and emancipated foster youth up to, and including, the age of 24 are eligible. This includes foster youth who are enrolled as special part-time students (Enrichment), as established by Education Code 66025.9.

- California Work Opportunity and Responsibility to Kids (CalWORKS), as established by Education Code 66025.92.

- Disabled Student Program & Services (DSPS)

- Extended Opportunity Programs and Services (EOPS)

• **PRIORITY 2:** Degree/Transfer applicants must be currently enrolled with 12 credits completed in residency; who will be completing their remaining AA, AS, Transfer (AA-T and AS-T) degree or transfer certification requirements within one semester at Cuesta. Students will need to apply for their priority according to deadlines established by Admissions and Records. Students will receive priority in this classification **one time**.

• **PRIORITY 3:** Graduating seniors from local (San Luis Obispo County Community College District) high schools who complete the admission application by the deadline established by the high school and Cuesta College and meet the definition of a New Matriculated Student. Special Part-time Students are not eligible. Fall Semester ONLY.

• **PRIORITY 4:** Continuing students in this group must be in good academic standing as defined, with less than 100 Cuesta College degree applicable credits. New students in this group must meet the requirements of a new matriculated student as defined. Special Part-time Students are not eligible.

Students must meet specific program eligibility criteria

as determined by each program.

- Intercollegiate Athletes (participating term),
- Disabled Student Program & Services (DSPS) Notetakers,
- Re-entry Program participants,
- Pre-nursing Program participants,
- Facilitated Assisted Learning (FAL) facilitators,
- Associated Students of Cuesta College Leaders,
- Student employees, staff, faculty, emeritus faculty and staff, and dependent children (with exception of special part-time students), spouses, and domestic partners of faculty or staff.

• **PRIORITY 5:** Continuing Cuesta College students in good academic standing with priority based on the total number of course credits completed at Cuesta College. Special Part-time Students are not eligible.

Credit increments:

- 5.1. Equal to or greater than 48.0 credits
- 5.2. Equal to or greater than 24.0 credits and less than 48 credits
- 5.3. Equal to or greater than 12.0 credits and less than 24.0 credits
- 5.4. Less than 12.0 credits

• **PRIORITY 6:** First-time, returning, and transfer students who apply and meet the requirements of a new matriculated student as defined. Special Part-time students are not eligible.

• **PRIORITY 7:** First-time, returning, and transfer students who apply for admission and are not eligible for priorities 1-6. Special Part-time Students are not eligible.

• **PRIORITY 8:** Special Part-Time Students (Enrichment) concurrently enrolled in grades 9-12, who have completed the admission application, permit to enroll, and have met all course prerequisites, are eligible to enroll during this time.

Enrollment Limitations

A student's ability to enroll in a course may be limited or restricted. Refer to Administrative Procedures 5075 - http://academic.cuesta.edu/president/2008BP/BP5000/AP%205075_Add-Drop.pdf

• **CONTINUING STUDENTS:** A continuing student will lose enrollment priority if he/she earns 100 or more credits at Cuesta College (not including non-degree applicable courses, basic skills and ESL) or if he/she are on academic or progress probation for two current consecutive primary terms. Students who lose their priority due to enrollment limitations will be able to register with Priority 8.

Appeal Policy Procedures

- Students may petition to have their enrollment priority changed based on the following reasons:
 - Extenuating Circumstances (verified cases of

accidents, illnesses, or other circumstances beyond the control of the student)

- Students with disabilities who applied for but did not receive reasonable accommodations in a timely manner.
- Students who demonstrate significant satisfactory academic improvement by earning at least 2.50 GPA in at least 6 academic credits in a subsequent term, but whose term GPA is not high enough to move the student into good standing.
- Students who are in high credit programs and are following a current education plan.

Enrollment Priority Appeal forms are available online, and at all Cuesta College sites. Appeals are to be submitted to the Director of Admissions & Records. Extenuating circumstances must be documented. Enrollment Priority students whose appeal is approved will be reinstated to their previous priority status for one semester.

Any student who is a member of an active or reserve military service and who receives orders compelling a withdrawal from courses will be reinstated to their previous priority status upon their return.

FERPA

Board Policy 5040, *Student Records, Directory Information, and Privacy* is under review and pending approval.

The Family Education Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. An "eligible student" under FERPA is a student who enters a postsecondary institution at any age.

Right to Inspect and Review Records

Section 99.10 of FERPA grants students the right to inspect and review their education records within 45 days after the day a request for access is submitted. A student should submit a written request to the Director of Admissions and Records that identifies the record(s) the student wishes to inspect. The Director of Admissions and Records will make arrangements for access and notify the student of the time and place where the records may be inspected. If the education records are not maintained by the Admissions and Records Office, the Director shall advise the student of the correct official to whom the request should be addressed.

Directory Information

FERPA provides students the right to provide written consent before the San Luis Obispo Community College District discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

In completing the admission application, students are provided the opportunity to request their directory information be maintained as confidential. Students may also submit a written request to the Admissions and Records Office at any time to become effective within 5 to 10 working days.

The District has designated the following information as directory information:

- Student's name
- Major Field of Study
- Dates of Attendance
- Grade Level
- Participation in official recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received

Disclosure of Education Records

FERPA permits the disclosure of Personally Identifiable Information from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student for the following conditions:

- To school officials with legitimate educational interests; A school official is a person employed by the San Luis Obispo Community College District in an administrative, supervisory, academic, research, or support staff position, including law enforcement unit personnel and health staff. A school official also may include a volunteer or contractor outside of the District who performs an institutional service or function for which the District would otherwise use its own employees and who is under the direct control of the District with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another District official in performing his or her tasks. A District official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the District. (§99.31(a)(1))
- To a person serving on the board of trustees;
- To a student serving on an official committee, such as a disciplinary or grievance committee. (§99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer. (§99.31(a)(2))
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the District's State-supported education programs. Disclosures under this provision may be made in connection with an audit or evaluation of Federal or State-supported education programs, or for the

enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the District, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency. (§99.31(a)(10))
- Information to the District has designated as "directory information." (§99.31(a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, if the District determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the District's rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))
- To parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the District, governing the use or possession of alcohol or a controlled substance if the District determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

Right to Request Amendment of Student Records

Students have the right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the District to amend a record should write the District official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the District decides not to amend the record as requested, the District will notify the student in writing of the decision and the student's rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a

hearing as provided by Education Code Section 73232.

Right to File a Complaint with the Department of Education

Cuesta College students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202
Phone (800) 872-5327

Final Examinations

Final examinations will be given in all courses at the end of each semester, short course, or summer session. Dates and times are listed in the schedule of classes and on the Cuesta College website.

Grading Policies

No notation ("W" or other) shall be made on the academic record of a student who withdraws during the first two weeks of a full semester course or within 20 percent of a short course, including a summer course.

Courses shall be graded using the grading symbols established by Title 5. Effective fall 2008, faculty may use the following evaluative letter-grading symbols:

<u>Symbol Definition</u>	<u>Grade Point (4-Point Scale)</u>
A	4.0 (Excellent)
A-	3.7
B+	3.3
B	3.0 (Good)
B-	2.7
C+	2.3
C	2.0 (Satisfactory)
D+	1.3 (Less than Satisfactory)
D	1.0
D-	0.7
F	0.0 (Failing)

P Passing (At least satisfactory C/2.0) – units awarded are not counted in GPA. "P" has the same meaning as "CR," as that symbol was defined prior to fall 2008.

NP No Pass (Less than satisfactory C/2.0) – units awarded are not counted in GPA. "NP" has the same meaning as "NC," as that symbol was defined prior to fall 2008.

I Incomplete – Incomplete academic work for unforeseeable, emergency, and justifiable reasons. Condition for removal of the "I" shall be stated by the

instructor in a written record with a copy to the student. The "I" must be made up before the end of the following regular semester or it will be considered as an "F" grade or "NP" if grading option selected. The "I" symbol shall not be used in calculating credits attempted nor for grade points.

IP In Progress – The "IP" symbol shall be used to denote that the class extends beyond the normal end of an academic term. "IP" shall not be used in calculating grade point average.

RD Report Delayed – This symbol is assigned by the Director of Admissions and Records only. It is used when there is a delay in reporting grades by the instructor. This is a temporary notation and is not used in calculating GPA.

W Withdrawal – The "W" symbol is assigned when a student officially withdraws from a full semester course between the beginning of the third week and up through the end of the twelfth week of instruction. For short courses that are less than 18 weeks in length, including summer courses, a "W" symbol is assigned when a student officially withdraws between 20 percent and within 60 percent of the course. The "W" symbol shall not be used in calculating grade point averages but shall be used in determining progress probation and dismissal academic standing.

MW Military Withdrawal – The "MW" symbol is assigned when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, an "MW" may be assigned at any time after the twelfth week deadline for dropping classes. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Grade Changes

After a grade has been issued, only the instructor has the authority to change the grade per California Education Code Section 76224. A student wishing to have a posted grade changed must submit appropriate documentation to the instructor who issued the grade and must request that the grade be changed. Based on an evaluation of the student's progress in the course and the documentation, the instructor may or may not change the grade. Grade changes must be delivered to the Office of the Director of Admissions and Records by the instructor.

There is a deadline of six months from the date that the grade is posted to initiate a grade change.

Course Grades

Grades are available for viewing within Cuesta College's student portal, myCuesta, four weeks after the last day of the term. Grades are not sent to students.

Pass/No Pass

A student may select "pass/no pass" (formerly credit/no credit) through the fourth week of instruction for 18-week courses or, if the course is less than 18 weeks in duration, within the first 20 percent of the course. Students may change back to a letter grade prior to the fourth week or

20 percent deadline. After the fourth week or 20 percent deadline, students may not reverse their pass/no pass grading decision.

- Some general education, degree and certificate course work must be taken for a grade. Consult a counselor or program description. No more than 12 credits of "pass/no pass" may be applied toward the Associate in Arts or Associate in Science degree.
- Courses listed in the schedule as "pass/no pass" grading option may be taken only once for "pass/no pass." The student may, however, repeat the course for a letter grade.
- Students shall receive a "P" (pass) if, at the end of the semester, a grade of "C" (2.0) or better is earned. The "P" shall, when recorded, add credits completed but shall have no effect on the grade point average.
- Students performing unsatisfactorily (at less than C/2.0) shall receive a "NP" (no pass) which, when recorded, will not increase credits completed and will not be used to calculate the grade point average. However, credits attempted for which an "NP" is recorded shall be considered in academic progress calculations to determine probation and dismissal status.
- Students may only select one course per semester on the "pass/no pass" option. Some courses are graded only on a "pass/no pass" basis. Enrollment in these courses will not affect the student's right to select one additional class within the guidelines listed above.
- Students repeating a course in which a substandard grade was earned may not request a repeat discount if the pass/no pass grading option was selected for the second attempt.

Library Fines

Cuesta College may withhold grades, transcripts, diplomas, and registration privileges from any student who fails to return books or materials to the library when due, has lost or damaged any books or materials or has not paid charges for late, lost or damaged materials.

Students shall have their records released when they:

- Return books or materials
- Pay charges for books or library materials.

Maintenance Allowance for Students

Students attending Cuesta College from Modoc and specific areas of Mono counties are eligible for a maintenance allowance if they maintain a permanent address in either county and all requirements are met. For information about eligibility requirements, contact the Cuesta College Registration Office at (805) 546-3100, Ext. 2325.

Nondiscrimination In-District

Unlawful Discrimination Procedures

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment in which no person shall be

unlawfully denied full and equal access to the benefits of or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of employment or student suspension or dismissal.

In so providing, the San Luis Obispo County Community College District hereby implements the provisions of California Government Code sections 11135 through 11139.5, the Sex Equity in Education Act (Ed. Code, § 66250 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq.) and the Age Discrimination Act (42 U.S.C. § 6101).

Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Academic Freedom

The San Luis Obispo County Community College District Board of Trustees reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause discomfort to some students. It is further recognized that academic freedom insures the faculty's right to teach and the student's right to learn. Finally, nothing in these policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific community college program, course or activity.

When investigating unlawful discrimination complaints containing issues of academic freedom, the San Luis Obispo County Community College District will consult with a faculty member appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

How to File a Formal Discrimination Complaint

1. A FORMAL COMPLAINT MUST BE INITIATED BY FILLING OUT THE ATTACHED FORM APPROVED BY THE STATE CHANCELLOR'S OFFICE. That form is attached as the last page of Board Policy/Regulation 1565, and has the title heading of "Unlawful Discrimination Complaint Form." YOU MUST SEND THAT COMPLETED FORM TO EITHER:

- San Luis Obispo County Community College District, Attn: Executive Director Of Human Resources And Labor Relations, Administration Building, Room 8003, San Luis Obispo, CA 93403-8106; Or
- Chancellor's Office, California Community Colleges, 1102 Q Street, Sacramento, California 95814-6511, Attention: Legal Affairs Division

2. The complaint must allege unlawful discrimination prohibited under Title 5, section 59300.
3. The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.
4. In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
5. In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

What Happens When a Formal Discrimination Complaint is Filed?

The District will then complete an "Administrative Determination." Within 90 days of receiving an unlawful discrimination complaint filed under Title 5, sections 59300 et seq., the District will complete the investigation and forward a copy of the investigative report (containing the administrative determination) to the State Chancellor, a copy or summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:

1. The determination as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
2. A description of actions taken, if any, to prevent similar problems from occurring in the future;
3. The proposed resolution of the complaint; and
4. The complainant's right to appeal to the District Board of Trustees and the State Chancellor.

Remedial Course Work Limitation

A student who has completed 30 credits of remedial course work, but who has not attained full eligibility for college-level work, shall be referred for further remedial work to appropriate adult noncredit education services provided by a college, adult school, community-based organization, or other appropriate local provider.

Remedial course work refers to non-degree applicable basic skills courses, the purpose of which is to prepare students for successful completion of associate degrees, transfer, or certificate courses. These courses are specifically designed to meet the needs of underprepared students so that the quality and rigor of the associate degree curriculum is protected.

A waiver of the limitation on remedial course work may be provided to any student who shows significant measurable progress toward the development of skills appropriate to the student's enrollment in college-level courses. Measurable progress is defined by transcripts, pre- and post-test measures, demonstrated progress toward an educational goal sustaining progress of education or social goals and objectives as documented in a Student Educational Plan (SEP). If a waiver is granted, its duration should not exceed one academic year and would normally be of one semester's duration.

Students enrolled in one or more courses of English as a Second Language (ESL) or students identified by the district as having a learning disability are exempt from the 30-semester-credit limitation (Title 5 California Code of Regulations, Section 55035).

Scholastic Honors

Academic Honor List

Students who enroll and complete 12 or more credits and earn a 3.25 grade point average with no grade lower than a "C" will be placed on the Academic Honor List. The student's academic record at Cuesta College will be annotated to reflect this achievement. The achievement is posted under the qualifying semester on the student's academic transcript.

Students in the Registered Nursing Program may make the Academic Honor List using the criteria listed above; however, due to the number of contact hours in this program, an R.N. student will be considered when enrolled in 11 or more credits.

Graduating With Honors

Students who meet the requirements for graduation with a cumulative grade point average of 3.5 to 3.74 qualify for honors recognition.

The graduation grade point average is based on all degree applicable coursework completed at all postsecondary institutions through the term degree requirements are completed. This acknowledgement is posted on the student's diploma and on the academic transcript.

The GPA calculation for honors designation *for commencement purposes only* is based on all coursework

taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a green cord.

Graduating With High Honors

Students who meet the requirements for graduation with a cumulative grade point average of 3.75 to 4.0 qualify for high honors recognition. The graduation grade point average is based on all degree applicable coursework completed at all postsecondary institutions through the term degree requirements are completed. This acknowledgement is posted on the student's diploma and on the academic transcript.

The GPA calculation for honors designation *for commencement purpose only* is based on all coursework taken at Cuesta College through fall. The Cuesta College Residency requirement must be satisfied in order to be considered for honors recognition (12.0 credits completed in residence at Cuesta College). Students receiving honors are recognized at commencement with a white cord.

Alpha Gamma Sigma (AGS) Honor Society

Alpha Gamma Sigma (AGS) is a state-wide community college student honor society with the purpose of fostering, promoting, maintaining, and recognizing scholarship. In addition, AGS members develop character and civic responsibility through service to AGS, the college, and the community. The Gamma chapter at Cuesta College provides its membership scholarship opportunities, social activities, and leadership- building skills. Membership is based on grade point average. More information may be obtained from the Student Life and Leadership Office. Recognition of AGS membership is posted on Cuesta transcripts. Students with AGS membership are recognized at commencement with a gold cord.

Service Animals

San Luis Obispo County Community College District Board Policy 3440 states the District's policy, and Administrative Procedure 3440 states the District's regulations regarding the use of service animals on District property. The purpose of this policy and administrative procedure is to prevent discrimination on the basis of disability, and to allow an individual with a disability to use a service animal or miniature horse on District facilities and on District campuses in compliance with state and federal law. For the complete Board Policy, see http://academic.cuesta.org/president/2008BP/BP3000/BP_3440_Service%20Animals.pdf. For the complete Administrative Procedure, see http://academic.cuesta.org/president/2008BP/BP3000/AP_3440_ServiceAnimals.pdf.

Sexual Assault

Cuesta College is committed to maintaining a safe campus, a campus free of violence and the threat of violence. All persons who come onto the campus or onto any facility maintained by the college are expected to treat others with respect and consideration.

Cuesta College will not tolerate any physical or sexual

assault or threat of assault, including acquaintance rape, on its campus or at facilities maintained by the college. Where there is probable cause to believe that the college's regulations prohibiting sexual assault have been violated, the college will pursue vigorous investigative action through its own channels. Disciplinary actions include the possibility of suspension or dismissal from the college.

A student or employee charged with sexual assault can be prosecuted under California penal code statutes and disciplined under the college's Code of Student Conduct and board policy. Even if the criminal justice authorities choose not to prosecute, the college can pursue student disciplinary action.

Cuesta College is committed to doing everything within its power to prevent sexual assaults from occurring and disciplining assailants when rape or other assault occurs on campus property or at college-sponsored events, and to provide prompt and compassionate services to students, faculty and staff who are raped or otherwise sexually assaulted. The college is further committed to ensuring that students, faculty, and staff are not adversely affected for bringing forward a charge of rape or sexual assault.

In order to provide a safe environment for students, faculty, staff, and guests, the college has established a multifaceted program composed of response procedures, prevention and education guidelines, services for victims, and sanctions.

Sexual Harassment

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in this policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of contract.

Definition

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting, and includes but is not limited to:

1. Making unsolicited written, verbal, physical, and/or visual contacts with sexual overtones. (Examples of sexual harassment which appear in a written form include, but are not limited to: suggestive or obscene letters, notes, and invitations. Examples of verbal sexual harassment include, but are not limited to: leering, gestures, display of sexually aggressive objects or pictures, cartoons, or posters.)
2. Continuing to express sexual interest after being informed that the interest is unwelcomed.
3. Making reprisals, threats of reprisal, or implied threats

of reprisal following a rebuff of harassing behavior. The following are examples of this type of sexual harassment within the work place: implying or actually withholding grades earned or deserved; suggesting that a poor performance evaluation will be written; or suggesting that a scholarship recommendation or college application will be denied.

4. Engaging in explicit or implicit coercive sexual behavior within the work environment which is used to control, influence, or affect the employee's career, salary, and/or work environment.

5. Engaging in explicit or implicit coercive sexual behavior within the educational environment that is used to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.

6. Offering favors or educational or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications in exchange for sexual favors.

Retaliation

It is unlawful for anyone to retaliate against someone who files a sexual harassment or other unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Procedures

Procedures for investigating complaints shall be the same as those outlined in Board Policy 1565 Unlawful Discrimination Grievance

Summary of Your Rights to Seek an Information Resolution

(This is only a summary; please see Board Policy 1565, 1570 and 1575)

1. You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges. To start the informal resolution process, please contact the Executive Director of Human Resources and Labor Relations in the administration building, room 8003, or by phone at (805) 546-3129.

2. You do not need to participate in informal resolution;

3. You have the right to file a formal complaint (see below for the procedure in doing so);

4. You will not be required to confront or work out problems with the person accused of unlawful discrimination;

5. Students may file a non-employment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency's jurisdiction.

If your complaint is employment-related, you may file a

complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency's jurisdiction.

Purpose of the Information Resolution Process

The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal resolution process will be invoked when there is a simple misunderstanding or the complainant does not wish to file a formal complaint. An informal resolution may require nothing more than a clarification of the misunderstanding or an apology from the respondent and an assurance that the offending behavior will cease. You will be notified of the proposed informal resolution proposed by the District.

If you pursue the informal resolution process, you should note the following important points:

1. You will need to sign a document which indicates that you have selected the informal resolution process.
2. The District will complete its investigation within the time required by the District's Regulation 1565 unless you voluntarily rescind your complaint prior to completion.
3. Selecting the informal resolution process does not prevent you from later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). For example, if you are not satisfied with the outcome of the informal resolution process (including the District's proposed resolution), you may elect to file a formal complaint.

SMOKING / NON-SMOKING

The Board of Trustees of the San Luis Obispo County Community College District is committed to promoting a tobacco-free environment. Effective January 1, 2004, the following regulations are applicable to employees, students, and the public; and shall be implemented on District sites.

1. Smoking any form of tobacco or non-tobacco products is permitted only in designated areas of District property.
2. Designated areas shall be identified by prominent signage.
3. Smoking is prohibited in District vehicles.
4. The District shall make available to employees and students through the District Health Services a referral list of treatment centers for smokers, and other information on smoking that may assist individuals who wish to stop using tobacco products.
5. Communication of this policy/regulation shall be by means of prominently displayed "No Smoking" signs, notices in the College schedule of classes, catalog, web site, and distribution of the policy/ regulation to students and employees.
6. Enforcement of this policy/regulation shall be in

accordance with established procedures for enforcement of other regulations.

SPEECH, TIME, PLACE, AND MANNER

Board Policy 6200, *Speech, Time, Place, and Manner*, is under review and pending approval.

Speech and Advocacy

- **General Principle:** Students and the general public have the right of free expression, advocacy, and action except to the extent that it interferes with, obstructs, interrupts, or detracts from the operation of the college or the promotion of its educational or community objectives.
- **Time, Place, and Manner Regulations:** The time, place, and manner of exercising speech and advocacy within the limits described in the General Statement shall be subject to prior approval by the Vice President of Student Services and College Centers or designee. To be approved, an activity will require orderly conduct, non-interference with college functions or activities, and identification of sponsoring groups or individuals, and shall provide for one or more open discussion areas. The Vice President of Student Services and College Centers or designee shall provide reasonable protection to persons on campus against practices that would make them involuntary audiences.
- **Non-college Speakers:** Registered student organizations may invite non-college speakers to address meetings on campus only upon prior notification and approval of the Superintendent/President or designee, who may deny the use of available college facilities if the meeting is deemed to be incompatible with the educational objectives and established policies of the college. Individual students or student groups which have not qualified as registered student organizations may not invite non-college speakers to address meetings on campus.
- **Whenever the Vice President of Student Services and College Centers or designee considers it appropriate in furtherance of educational objectives and established policies, the following may be required:**

a. That the meeting be chaired by a person approved by the Vice President of Student Services and College Centers or designee; and/or

b. That the speaker be subject to questions from the audience.

It shall be the intent of the Vice President of Student Services and College Centers or designee to assure opportunity for the expression of a variety of viewpoints, except those specified prohibited in Board Policy 7850, Use of College Facilities.

STUDENT CODE OF CONDUCT

Board Policy 5500

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in an acceptable manner compatible with the Student Code of Conduct and Academic Honesty Regulations, and the Student

Computer Technology Access Agreement. Specific rules and regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, sections 66300, 66301, 76030-76038), are provided in this section. Each student has the responsibility to be aware of college regulations.

Scope of Application

The rules apply to all actions of students of the District on District property and at all activities sponsored by the District or registered student organizations, whether occurring on or off the campuses or other instructional sites. Pursuant to Education Code Section 76034, no student shall be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance. Student conduct occurring off campus and not part of a District activity will subject the student to the District's jurisdiction, standards of student conduct, and student discipline process if the student's off-campus conduct is sufficiently related to college attendance, i.e., disruption of the work and discipline of the college has actually occurred from the student's off-campus conduct, or facts exist that reasonably lead to a conclusion by District officials that disruption on campus will soon follow the student's off-campus conduct. In addition, a student's conduct off campus may in certain circumstances be outside the jurisdiction of the District for purposes of the District's discipline process, yet results in adverse action within the student's pre-professional academic program if such program has requirements imposed by law as condition to admission to the profession for which the academic program is preparing the student, e.g. nursing.

The following conduct shall constitute good cause for discipline, including, but not limited to, the removal, suspension or expulsion of a student:

1. Violation of District policies, procedures, or regulations.
2. Failure to comply with directions of District officials acting in the performance of their duties; disrupting, obstructing, or interfering with the instructional, administrative, disciplinary, or other functions or activities of the District.
3. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.
4. Dishonesty, forgery, alteration, or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
5. Causing, attempting to cause, or threatening to cause physical injury to another person.
6. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, which is concurred in by the college president.
7. Unlawful possession, use, sale, offer to sell or purchase,

or furnishing, or being under the influence of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

8. Committing or attempting to commit robbery or extortion.

9. Causing or attempting to cause damage to District property or to private property on campus.

10. Unauthorized possession or use of any personal property or equipment of the District.

11. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen District property or private property on campus.

12. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the college or the District.

13. Committing sexual harassment as defined by law or by District policies and procedures.

14. Engaging in harassing or discriminatory behavior based on disability, gender, gender identify, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.

15. Engaging in intimidation conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and or cyberbullying. "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

- a. Placing a reasonable student or students in fear of harm to that student's or students' person or property;
- b. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health;
- c. Causing a reasonable student to experience substantial interference with his or her academic performance;
- d. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the District.

16. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.

17. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.

18. Unauthorized entry upon or use of District facilities.

19. Lewd, indecent, or obscene conduct on District-owned or controlled property or at District-sponsored or supervised functions.

20. Engaging in expression which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.

21. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

22. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

23. Any act which is defined as a felony, misdemeanor or infraction under the laws of the State of California.

Non-students or persons not affiliated with the college who interfere, obstruct, interrupt, or detract from the operation of the college or the promotion of its educational or community objectives are subject to criminal action under the State of California Penal Code, Section 602.10.

ACADEMIC HONESTY

Academic Honesty is essential to the academic community. Students expect that Cuesta College faculty be fair, truthful, and trustworthy. Faculty expect that Cuesta College students share these same values. Students who violate these principles by cheating, plagiarizing, or acting in other academically dishonest ways are subject to disciplinary procedures. Below are some examples of academically dishonest behavior. If you are unclear about a specific situation, ask your instructor.

Examples of Academic Dishonesty:

- Copying from another student's exam
- Giving answers during a test to another student
- Using notes or electronic devices during an exam when prohibited
- Taking a test for someone else
- Submitting another student's work as your own, e.g. copying a computer file that contains another student's own work
- Knowingly allowing another student to copy/use your computer file(s) as his or her own work

- Completing an assignment for another student
- Plagiarizing or “kidnapping” other people’s thoughts, words, speeches or artistic works by not acknowledging them through proper documentation

At the discretion of the instructor, students caught being academically dishonest may receive a failing grade on the assignments in question, be dropped from the class, or be failed in the course. Beyond this, the student may be subject to disciplinary action as determined by the Vice President of Student Services and College Centers or designee. An appeals process is available to the student through the office of the Vice President of Student Services and College Centers. It is recommended that the faculty member report any acts of academic dishonesty to the Vice President of Student Services and College Centers or designee.

STUDENT COMPUTER TECHNOLOGY ACCESS AGREEMENT

This is to communicate what other users, instructors, and the District expects of students when using college computer technology and facilities. Failure to conform to these stipulations can result in disciplinary action. Violations of regulations in the use of computer technology will be addressed in accordance with the college Academic Honesty and Student Code of Conduct Policies, available for reference in the college catalog or by requesting copies from Student Services.

Computer technology and facilities are provided for the purpose of completing academic requirements.

A. Students may use the technology and facilities to:

1. Complete course assignments;
2. Conduct academic research;
3. Communicate with faculty and students.

B. User Responsibilities include, but are not limited to:

1. Using only their own designated ID, passwords/PIN, and accounts, and keeping IDs, passwords/PIN, and account information confidential. It is recommended that users change their passwords/ PIN periodically;
2. Using software and electronic materials, including shareware, in accordance with copyright, trademark, and licensing agreements and restrictions;
3. Accurately identifying and representing themselves in electronic messages, files, and transactions;
4. Saving all work on removable storage media and not on the hard drive unless instructed to do so by the instructor;
5. Asking appropriate Cuesta College personnel for assistance if unfamiliar with the operating system.

C. Prohibitions include, but are not limited to:

1. Damaging equipment, data, software, software protection, encryption or restriction on applications and files; including, introducing invasive or destructive programs (such as viruses, worms, and Trojan horses);

2. Disrupting or unauthorized use of accounts, access codes, passwords, or identification numbers;
3. Impeding or disrupting the use of computer technology and communications resources by game playing, sending an excessive or unreasonable number of messages, sending messages of unreasonable size (with large attachments); making or printing excessive copies of documents, files, data, or programs;
4. Violating copyrights, trademarks, and/or license agreements;
5. Accessing, using or copying another user’s account, ID number, password, electronic files, data, or e-mail without prior authorization; or allowing such use by others;
6. Using District computer technology and communications resources in any unlawful manner including fraudulent, threatening, libelous, obscene, or harassing communications; procuring, or distributing obscene or pornographic material;
7. Circumventing or attempting to circumvent local, network, or remote security measures;
8. Altering or attempting to alter system software;
9. Altering or attempting to alter system hardware;
10. Modifying or attempting to crash or hack into computer technology or communications resources;
11. Accessing or attempting to access restricted portions of any operating system or security software unless authorized to do so;
12. Installing or removing software;
13. Using computer technology and/or communications resources for private commercial or other personal purposes;
14. Copying software that has not been placed in the public domain and distributed as freeware; inspecting, changing, altering, copying, or distributing proprietary data programs, files, disks, or software without authorization;
15. Falsely identifying and/or representing one’s self in the use of computer technology and communications resources.

The District may access, review, copy and disclose information entered or retained in computer technology and communications resources.

Students in the Associate Degree Nursing Program Code of Conduct

The Board of Trustees determines that the following policies govern the participation of alcohol- or drug-impaired students in the Associate Degree Nursing Program.

1. The nursing program, in addition to offering an academic program, includes clinical course work. The safety of patients under the care of student nurses must be assured. The instructor and the Director of Nursing

Programs may take immediate corrective action to remove a student impaired by alcoholism or drug abuse from the clinical program if the student demonstrates by his/her conduct and performance in the clinical setting that he/she is a danger to the health and safety of patients under his/her care.

2. After evaluation and due process, students considered by the Director of Nursing Programs to be impaired by drugs or alcohol will be allowed to continue their studies, including clinical course work, as long as they are adhering to the provisions of a contract between the college and the student for the student's retention.

3. Information on the student's condition is confidential and will not be disclosed except when necessary to protect the safety of patients under the care of student nurses.

4. An individual contract of retention will be developed by the student, rehabilitation therapist, and the Director of Nursing and shall specify:

a. That the student must participate in an approved drug or alcohol treatment and rehabilitation program for the duration of his/her nursing program studies.

b. That evidence of satisfactory attendance and progress will be provided to the college on a regularly scheduled basis.

c. That the student will consent to periodic random drug screening as part of the treatment and rehabilitation program.

d. That the impaired student will give all medications under direct supervision and that the student will not have access to keys to medications.

e. That if the student fails to adhere to the conditions of the contract for retention, the same procedure will be followed as with any other student on probation; the circumstances of the violation will be reviewed by the nursing faculty as a whole; and recommendations for the retention or dismissal will be made to the Director of Nursing Programs, who will then make the decision after advising the Vice President of Student Services and College Centers.

5. Information on the student's dismissal from the nursing program will be reported to the Board of Registered Nursing when such information is requested by the Board of Registered Nursing.

STUDENT DISCIPLINE

A. Types of Discipline

1. Warning: Notice to the student(s) that continuation or repetition of specified conduct may be cause for further disciplinary action.

2. Censure: Written reprimand for violation of specified regulation.

3. Disciplinary Probation: Exclusion from participation in privileges or extracurricular college activities as set forth in the notice of disciplinary probation for a specified period of time.

4. Restitution: Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair, replace, or otherwise compensate for damages.

5. Interim Suspension: Exclusion from classes and other privileges or activities as set forth in the notice of interim suspension, pending final determination of an alleged violation.

6. Suspension: Exclusion from classes and other privileges or activities as set forth in the notice of suspension for a definite period of time.

7. Dismissal: Termination of student status for an indefinite period. The student(s) may be readmitted to Cuesta College with the specific approval of the Superintendent/President's or designee.

8. Expulsion: Permanent termination of student status without possibility of readmission.

B. Administration of Discipline:

1. A student(s) may be disciplined for improper conduct when such conduct is a part of any college activity.

2. The Vice President of Student Services and College Centers or designee may appoint faculty, student, individual, or committee advisors, to consider potential disciplinary action, but the Vice President of Student Services and College Centers has the final authority for administration of student discipline except that expulsion requires approval by the Superintendent/President of the college.

3. The Vice President of Student Services and College Centers or designee may impose any discipline provided herein when there is reason to believe that substantial grounds exist for such discipline.

4. During the term of any discipline which does not terminate student status, students continue to be subject to District policies, regulations, and procedures.

5. Pre-discipline conference/notice: Students charged with misconduct shall be provided with written notice to meet with the Vice President of Student Services and College Centers or designee regarding the basis for possible disciplinary action. The notice must be given at least twenty-four (24) hours prior to the scheduled appointment.

6. The meeting with the Vice President of Student Services and College Centers or designee should include:

- A written statement of charges to the student(s);
- A reasonable opportunity at the meeting for the student(s) to personally answer the charges;

Following the meeting, the student(s) shall either accept the disciplinary action, if any, or within forty-eight (48) hours (two school days) following receipt of the written notice of proposed disciplinary action, file at the office of the Vice President of Student Services and College Centers or designee a written notice of intent to appeal to the Student Conduct Appeals Committee.

C. Appeal

Level I

- The student(s) shall file with the Appeals Committee, within twenty-four (24) hours (one school day) following filing of a notice of intention to appeal, a specific written response to each of the charges. Any charge to which the student(s) does not respond shall be deemed to be true.
- The Appeals Committee shall include a hearing officer appointed by the Superintendent/President, administrator (Vice President of Student Services and College Centers may not serve), faculty member appointed by the Academic Senate, and a student representative appointed by the Associated Students of Cuesta College.
- A meeting of the Appeals Committee shall be convened not earlier than twenty-four (24) hours after submission of the student's response to the charges, to hear the appeal and to make a decision in the case.
- The hearing before the Appeals Committee is not a judicial proceeding. The Appeals Committee recognizes the student's right to a fair opportunity to hear the charges and evidence in support thereof, the right to present oral and documentary evidence on his/ her behalf, the right to present a written argument on conclusion of the hearing, and the right to have an accurate copy of the minutes of the hearing furnished to the student.
- The Appeals Committee shall submit its decision to the student within ten (10) working days of the hearing.

Level II

- Within twenty-four (24) hours (one school day) after receiving the decision of the Appeals Committee, the student(s) may appeal the decision in writing to the Superintendent/President. Such appeal may be based only on the grounds that:
 - Required procedures have not been followed and the student(s) has/have been demonstrably damaged;
 - There is insufficient evidence to support the decision of the Appeals Committee;
 - One or more members of the Appeals Committee have, prior to the hearing, formed an opinion as to whether the student(s) has/ have or has/have not committed the acts with which charged; and must include all supportive evidence.
 - The Superintendent/President will evaluate the evidence and submit findings in writing to the student within fifteen (15) working days after receiving the appeal.

Level III

- Every student has the final right of appeal to the Board of Trustees when dismissal or expulsion has been imposed.
- A final written appeal may be made to the Board of Trustees within thirty (30) working days of the written response of the Superintendent/President. The Board will evaluate the evidence and render its decision within thirty (30) days of the initial meeting of the Board at which the matter is discussed.

Students have the right to pursue their complaint after completing the above complaint process with

the California Community Colleges Chancellor's Office (CCCCO). CCCCCO provides students and others with a method and process outside of the institution that takes, investigates and responds to complaints regarding the institution. The link to the CCCCCO process and form is <http://californiacommunitycolleges.cccco.edu/ComplaintsForm.aspx>. CCCCCO has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, Sections 600.9 (b) (3) and 668.43(b).

STUDENT COMPLAINT PROCESS

STUDENT COMPLAINTS

A student should initiate a complaint directly with the appropriate individual indicated on the Student Complaint Referral Grid. Please refer to myCuesta website for current referral grid: (http://academic.cuesta.edu/vpss/Student_Complaint_Grid.pdf). The student complaint grid indicates the sequence of opportunities for informally resolving student complaints. If a student is not satisfied with the solution posed through the Student Complaint Referral Grid, the student should make an appointment with the Resolution Specialist in the Vice President of Student Services and College Centers office or designee to evaluate the next steps which may be the filing of a formal grievance.

The Vice President of Student Services and College Centers or designee serve as a clearing-house for students dissatisfied with an experience on campus, who may not be knowledgeable about the appropriate steps to take, or the protocol to follow regarding a complaint. An initial meeting between the Vice President of Student Services and College Centers or designee and the student may result in a referral to the appropriate individual. The Vice President of Student Services and College Centers or designee will contact the individual to whom the student is being referred to facilitate resolution.

While it is recognized that the grid represents the ideal sequence of opportunities for resolving student complaints, it is understood that when actual situations arise, the parties involved will use their best judgment regarding complaint resolution depending upon the availability of personnel and the immediacy of the problem.

STUDENT GRIEVANCE PROCEDURE

1. The next step beyond the complaint process may be the filing of a formal grievance depending upon the nature of the complaint.
2. A complaint is grievable if it is non-disciplinary and involves the process, application, or interaction of school policy—in other words, how something was done or processed. In general, a complaint is not grievable if it involves the content of existing policy.
3. For specific information regarding the Student Grievance Procedure, refer to Cuesta College Board Policy 6205.

A grievance shall mean a complaint that is non-disciplinary and is other than one dealing with civil rights discrimination,* which has been filed by a student or by a

student's designee on his/her behalf. The primary purpose of the following procedure is to secure at the earliest level possible an equitable solution to a complaint.

LEVEL 1.

The student should contact in person the Vice President of Student Services and College Centers, or designee, and present his/her grievances. If the grievance is not resolved, the student can submit to the Vice President of Student Services and College Centers, or designee, a written appeal for further consideration. (Time limit: ten calendar days from the date of appointment with the Vice President of Student Services and College Centers, or designee.)

LEVEL 2.

A Student Appeals Committee, made up of three faculty and three student members jointly appointed by the Vice President of Student Services and College Centers, or designee, and the ASCC President, then will be convened within ten calendar days after receiving the appeal and will submit its finding to the student in writing within an additional ten days. If the complaint is not resolved, a written appeal can be filed by the student to the President/Superintendent within ten calendar days. When a grievance involves the Vice President of Student Services and College Centers, or designee, (Level 1) and/or the Associated Students Cuesta College (ASCC) President and the Vice President of Student Services and College Centers, or designee, (Level 2), those responsibilities listed above for these two positions at Levels 1 and 2 shall be assumed by the Superintendent/President (or designee appointed by the Superintendent/President) of the District.

LEVEL 3.

The student will appeal in writing with all supportive evidence to the President/Superintendent (or designee) who will evaluate the evidence and submit his/her finding in writing to the student within ten calendar days after receiving the appeal.

LEVEL 4.

A final written appeal may be made to the Board of Trustees within thirty calendar days of the written response of the Superintendent/President (or designee). The decision of the Board will be given within thirty calendar days of the initial meeting at which the complaint is discussed.

*When a student has a complaint which involves (1) sexual harassment, (2) civil rights discrimination on the basis of ethnicity, race, national origin, religious beliefs, age, gender, color, physical or mental disabilities, veteran status, sexual orientation or sexual identity, or marital status, or (3) retaliation for filing a sexual harassment or other unlawful discrimination complaint, referring a matter for investigation, participating in an investigation of a complaint, serving as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of the District's unlawful discrimination policy (Policy 1565) and the nondiscrimination in district college programs policy (Policy 1570), then the matter is to be referred to the Executive Director of Human Resources and Labor Relations as such matters are to be handled pursuant

to Policy 1565 (unlawful discrimination) and Policy 1570 (nondiscrimination in district college programs) and not as a student grievance.

Student Organizations

1. **Registration of Student Organizations:** An organization in which active membership is limited to students and academic and administrative staff of the college may become a registered student organization by complying with the registration procedures established by the Associated Students of Cuesta College and the Vice President of Student Services and College Centers, which shall include the name of the organization, can include the name of Cuesta College, its purposes, its officers, and such other information as may be specified in campus regulations.
2. **Standard of Conduct and Discipline:** Student organizations are required to comply with college policies and campus regulations and are subject to revocation of registration or other discipline for violation of such policies or regulations.
3. **Use of College Name:** A student organization may use the name of Cuesta College, or abbreviations thereof, as a part of its own name approved in accordance with 1 above. A registered student organization may state that its membership is composed of students or students and staff of Cuesta College but shall not indicate or imply that it is acting on behalf of the college.
4. **Use of College Facilities by Student Organizations:** Registered student organizations may use college facilities for meetings and activities in accordance with Board Policy 7850 Use of College Facilities. The Vice President of Student Services and College Centers or designee may grant approval for fund raising, recruiting participants, posting and distributing literature. Registered student religious organizations shall be extended the same privileges as other registered organizations, except as limited by federal and state law.
5. **Taking Positions on Issues:** Registered student organizations may take and publish positions on issues, and shall make it clear in so doing that they are not representing the views of the college or of the student government or of the student association as a whole.

Transcripts from Cuesta College

A written or electronic request by the student is required to release transcripts.

Transcripts ordered electronically will be mailed within 2-4 working days from the date of request in most cases. An electronic notification will inform the student of the status of their transcript order and notify them of any holds. The fee for the electronic transcript request is \$6.00 per copy. Transcripts ordered in-person will be mailed within 2-3 weeks and cost \$3 per copy after the first two free copies. Unofficial transcripts are available for viewing and printing

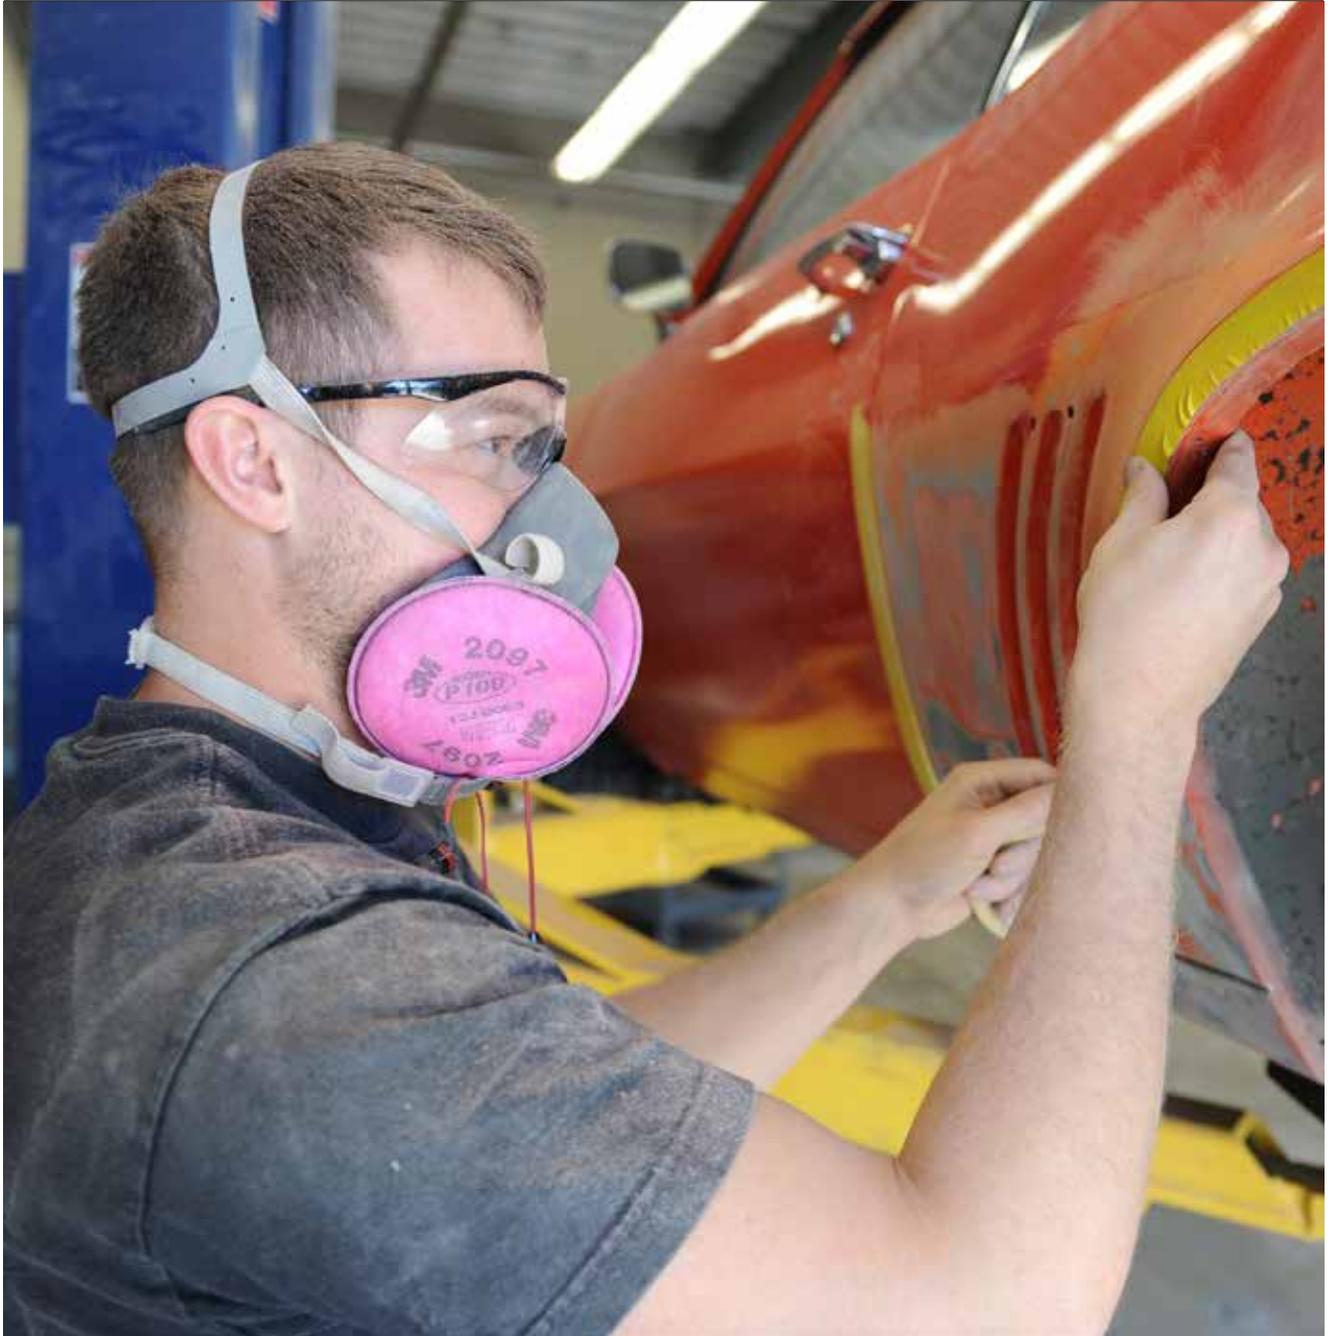

through myCuesta on the Cuesta College website. Access to myCuesta requires the student username and password.

Transcripts will not be produced for students who have a hold on their records.

CUESTA COLLEGE

DEGREES, CERTIFICATES AND TRANSFER PLANNING

ASSOCIATE DEGREES AND CERTIFICATES

Students wishing to receive an associate degree or certificate must complete the Cuesta College Associate Degree Application or Certificate Application in order for the Evaluations Office to perform an official final evaluation of the student's record for completion of requirements. Students must be within two terms of completing requirements before the application will be accepted, and should consult with a counselor for verification. The applications are available on the Office of Admissions and Records' website and in the Student Services Center at all campus locations. See "List of Degrees and Certificates".

Degrees and certificates are awarded two to three months after the completion of the term in which requirements were met. Posting dates reflect the final date of the traditional semester or session in which the requirements were completed.

Degree candidates are encouraged to participate in the Cuesta College Commencement Ceremony which takes place each May on the San Luis Obispo campus. Commencement information is available on the Evaluations Office website or in the Commencement channel in myCuesta.

Catalog Rights

A student who satisfies the following definition of attendance will follow the Cuesta College curriculum for degrees and certificates in effect:

- at the time the student began attendance at a California Community College, California State University, University of California, or other regionally accredited college or university; or
 - as outlined in a subsequent Cuesta College catalog
- "Attendance" means attendance in at least one semester or two quarters each academic year. A student who misses two consecutive semesters, or three quarters in an academic year, excluding summer school, will lose catalog rights. In that case, the student must follow (1) the Cuesta College catalog that coincides with the student's date of re-enrollment in a regionally accredited college or university or (2) a subsequent Cuesta College catalog. A total withdrawal in a semester does not constitute a one-semester break in enrollment when "Ws" are posted on the student record. Campus authorities may authorize or require substitutions for discontinued courses in certificate or degree programs.

Residency credit requirements for degree, certificate, GE certification and application of alternative education credit

Residency credit does *not* refer to with whether or not a student is a resident of the State of California.

Residency credit is defined as credits earned while in

residence at the campus granting the degree, certificate, general education certification, or application of alternative education credit.

Credit that does not satisfy the residency credit requirement:

- Advanced Placement
- Credit-by-Exam
- Military
- Other alternative education credit

Residency credit required for the awarding of Cuesta College degrees, certificates and general education certifications:

- **DEGREES** - Minimum of 12 semester credits
- **CERTIFICATE OF ACHIEVEMENT** - Minimum of two of the required courses
- **CERTIFICATE OF SPECIALIZATION** - Minimum of one of the required courses
- **CSU GENERAL EDUCATION CERTIFICATION** - Minimum of one course (at least three semester credits)
- **IGETC** (Intersegmental General Education Transfer Curriculum) – Minimum of one course (at least three semester credits)

Residency credit required for the application of alternative education credit:

- **CREDIT-BY-EXAM** – Minimum 12 semester credits with "C" average work
- **ADVANCED PLACEMENT** – Minimum 12 semester credits
- **MILITARY CREDIT** - Minimum 12 semester credits of "C" average work

Requirements For the Associate Degree

Graduates from Cuesta College have conferred upon them the degree of Associate in Arts or Associate in Science. Requirements for graduation are prescribed by the Board of Governors of the California Community Colleges and the District Board of Trustees.

Designated Degree Requirements

- 60 semester degree applicable credits overall - lower division coursework only (use of upper division credits is subject to appeal)
- 18 credits of Cuesta general education coursework with a minimum overall GPA of 2.00
- Prescribed coursework in a specific major with grades of "C" or better
- Residency
- Health Education
- Diversity

- English Competency
- Math Competency
- 2.00 GPA overall

A.A., Liberal Arts Requirements

- 60 semester transferable credits overall (CSU or UC) - lower division coursework only (use of upper division credit is subject to appeal)
- Completion of the CSU GE with an overall minimum GPA of 2.00, or
- Completion of IGETC (minimum grade of “C” required in all coursework), or
- Completion of Cuesta AAGE with a minimum overall GPA of 2.0
- 18 semester credits of coursework in one of the following Areas of Emphasis with grades of “C” or better:
 - Arts and Humanities
 - Science
 - Social and Behavioral Sciences

For Depth, two courses must be from a single discipline
For Breadth, at least three disciplines must be selected

A.A. for Transfer and A.S. for Transfer

California Community Colleges offer the Associate Degrees for Transfer to the CSU. This includes Associate in Arts (AA-T) and Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120 semester credits baccalaureate degree within 60 semester or 90 quarter credits.

To view the most current list of Cuesta College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements:

- (1) Completion of 60 semester credits or 90 quarter credits that are eligible for transfer to the California State University, including:
 - (A) The California State University General Education Breadth Requirements (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC), and

(B) A minimum of 18 semester credits or 27 quarter credits in a major or area of emphasis, as determined by the community college district.

(2) A minimum overall grade point average of 2.0.

(3) A “C” or better grade in all courses required for the major or area of emphasis. External exams such as Advanced Placement, etc. are not subject to this grade restriction.

Student pursuing the Associate Degree for Transfer are also required to complete a minimum of 12.0 credits in residence at Cuesta College.

Consult with the Cuesta College Transfer Center for mandatory application, evaluation and notification deadlines.

Important Information for Transfer-bound Students

Earning an associate degree may not guarantee transfer readiness into a particular CSU or UC campus or major. Consult with an academic counselor for details and a thorough evaluation of your transferable credits, grade point average, and lower division major preparation.

Required Records for Degree Evaluation

Cuesta College incorporates all associate degree applicable coursework from all regionally accredited institutions attended, into overall totals for the degree.

Official transcripts are required from all post secondary institutions attended. Incomplete or missing transcripts and other records will cause the degree to be denied.

Official documentation is required for Advanced Placement scores and other sources of alternative education.

Any foreign credentials must be independently evaluated and the official independent evaluation submitted to the Evaluations Office. Academic Credentials Evaluation Institute, Inc. (ACEI) is the preferred provider for independent evaluation of foreign credentials (<http://www.acei1.com>), and a “comprehensive” evaluation is required.

CUESTA GENERAL EDUCATION

General education is a cohesive pattern of courses intended to serve three purposes: to strengthen students’ essential intellectual skills; to broadly introduce students to the core concepts and methods of the major disciplines; and to prepare students to lead enriched lives in our multicultural society. General education courses are distinguished from those required for a major or allowed as freely chosen electives. Courses in the general education category are “general” in two senses: independently, they survey the core concepts and methods of the discipline in which they are included; and they point, where possible, to the influences and contributions of the discipline to other disciplines, culture, human history and our quest to understand our universe.

Through this program, students will acquire the ability to think and communicate clearly and effectively both orally and in writing; to use mathematics and other symbolic

systems; to understand the modes of inquiry of the major disciplines; to appreciate the structures and processes of the natural environment; to be aware of other cultures and times; to achieve insights by thinking about ethical and social problems; to understand and appreciate the history of U.S. culture and its governing institutions.

OVERARCHING GENERAL EDUCATION OUTCOMES

Upon completion of the general education course pattern, in addition to the area-specific outcomes, students should be able to:

- identify, explain, and analyze the core concepts and methods of the major discipline in which the course is included;
- identify, explain, and analyze the influences and contributions of the specific discipline to other disciplines, cultures, human history, and our quest to understand the universe.
- organize, integrate, and critically analyze information within the course, using these skills to generate and evaluate alternative perspectives; and
- prepare students to live enriched lives in our multicultural society.

AREA A: PHYSICAL AND LIFE SCIENCES

After successfully completing courses in this category, students will:

- demonstrate understanding of the scientific method and its role in research, analyze problems in a structured way, and develop and employ strategies for solutions using scientific principles.
- demonstrate understanding of the empirical bases for current scientific theories, how those theories develop and change, and how they explain the natural world.
- appreciate the influence of scientific knowledge on the development of civilization.

AREA B: SOCIAL AND BEHAVIORAL STUDIES

After successfully completing courses in this category, students will:

- demonstrate understanding of the theories and be able to employ and evaluate the methods of social science inquiry.
- analyze and critically assess ideas about the individual, social groups, institutions and society, as well as their interrelationships, structure and function.
- use this knowledge to develop a capacity for self-understanding and to understand contemporary issues, conflicts, problems and their origins.

AREA C: ARTS AND HUMANITIES

After successfully completing courses in this category, students will:

- recognize the value of the great works of the human imagination in a broad context and understand their contribution to human culture.
- analyze and appraise cultural/artistic achievements in verbal and/or non-verbal forms.

Since language acquisition is a door to understanding the arts and humanities of other cultures, students who acquire second language skills also fulfill the category C requirement.

AREA D: ENGLISH AND MATH COMPETENCY REQUIREMENT

Competency in reading, written expression, and mathematics must be demonstrated. The reading and written expression competency requirement is satisfied by completing English 201A, or an equivalent college level writing course with a grade of "C" or better, from a regionally accredited institution.

The mathematics competency requirement is satisfied by completing Math 126B or 127, or a higher college level mathematics course, with a grade of "C" or better. Equivalent college level mathematics courses completed at regionally accredited colleges and universities are also acceptable.

(Note: Students who have been in attendance at Cuesta or any regionally accredited institution prior to Fall 2009 should see a Cuesta counselor to establish catalog rights regarding competency requirements.)

AREA D1: COMMUNICATIONS IN ENGLISH

After successfully completing this category, students will be able to:

- read and write effective expository and argumentative prose with a focus on inquiry as well as persuasion.
- read critically in order to comprehend the central ideas and rhetorical techniques in the assigned texts.
- demonstrate an ethical use of various rhetorical techniques in their written work.

AREA D2: ANALYTICAL THINKING

After successfully completing this category, students will be able to:

- construct and analyze statements in a formal symbolic system, and understand the relationship between the symbolic system and its various applications in the real world.
- appreciate the strengths and limitations of the system, its logical structure, and its derivation.

AREA E: AMERICAN INSTITUTIONS

After successfully completing courses in this category, students will:

- demonstrate understanding of the impact of social, political, and economic forces in the historical development of the U.S.
- employ interpretative skills to analyze historical causes and effects.
- demonstrate an enhanced understanding of the interrelationship among the branches of our government over time.
- develop an understanding of U.S. cultural and social diversity, and ethnic, gender, and class conflict.

DIVERSITY REQUIREMENT

After successfully completing the requirement, students will be able to:

- identify, assess, and challenge biased assumptions and behaviors of individuals and societal institutions.
- analyze inter-group relations within categories of identity, such as race, ethnicity, gender, religion, sexual orientation, class, ability, nationality, or age.
- examine struggles of non-dominant groups for power, justice, and access to resources.

HEALTH REQUIREMENT

After successfully completing this requirement, students will be able to apply a breadth and depth of knowledge that is inclusive of all the dimensions of health (e.g., spiritual, environmental, social, mental, emotional, and physical). The scope and content of the health education course work in this requirement provides the student with the knowledge and problem solving skills essential to evaluate health literature, analyze personal health risks and promote lifestyle choices. This preparation empowers the student to make relevant choices applicable to their genetic, environmental, and health risk factors that ultimately optimize mind/body/spirit health over a lifetime.

- Describe and discuss content of the major chronic diseases in the United States.
- Evaluate individual risk factors for chronic diseases from a genetic, environmental, and lifestyle perspective.
- Describe and discuss content about communicable diseases/infections (e.g., STI's, Hepatitis C) including symptoms and prevention.
- Analyze the influence of environmental and nutritional concepts on food choices.
- Relate diet, exercise, and stress management to prevention of diseases and psychological well being.
- Develop an appropriate physical fitness program that includes cardiovascular conditioning, muscle strength and endurance training, and flexibility.
- Examine the relationship between values and beliefs and mental health. Utilize this relationship to create effective interpersonal communication in relationships, coping, prevention of addictive behaviors and personal safety.
- Analyze and apply spiritual concepts to improve health and wellness.

CAREER AND VOCATIONAL PROGRAMS

In addition to programs that prepare students for University transfer, Cuesta also offers career and technical programs designed to prepare students for immediate employment in a specific technical or vocational area. These programs range in length from one semester to several years to complete, depending on the area of study. The curriculum for these specialized programs is monitored by an advisory committee, which includes business and industry leaders, as well as Cuesta faculty and staff from the specific occupation or profession. Cuesta's programs are evaluated and reviewed on a regular basis to make certain that the curriculum is kept up to date with current industry and licensing standards, and to ensure that students are receiving the most relevant training and education available for their chosen field.

Cuesta College offers both Associate Degrees and Certificate Programs with career and vocational emphases:

Associate in Arts and Associate in Science Degrees

Cuesta offers a variety of Associate in Arts and Associate in Science degrees in Technical and vocational subjects. An Associate Degree requires completion of a minimum of 60 semester credits of degree-applicable course work, to include major related course work, general education, and Cuesta graduation requirements in Health Education and Diversity. A minimum 2.0 overall GPA is required, and all courses required for a major must be earned with "C" grades or better. See the "Associate Degrees and Certificates" section of this catalog for additional information.

Certificate of Specialization

A Certificate of Specialization is a course (or group of courses) designed to prepare a student for work in a specific field or profession. Unlike the Associate's degrees, Certificates of Specialization do not require completion of general education or graduation requirements. Most Certificates of Specialization total 18 semester credits or less. They are awarded to students who have completed the Certificate requirements with a minimum of "C" grade in each course required for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Admissions and Records office.

Certificate of Achievement

A Certificate of Achievement is a group of courses designed to prepare a student for work in a specific field or profession. Unlike the Associate's degrees, Certificates of Achievement do not require completion of general education or graduation requirements. Certificates of Achievement must total 18 credits or more, and the completed Certificate is posted to the student's official transcript. They are awarded to students who have completed the Certificate requirements with a minimum of "C" grade in each course required for the Certificate, who have met Cuesta residency requirements, and who have applied for the Certificate through the Admissions and Records office.

Often students who have obtained employment after earning a Certificate of Achievement or a Certificate of Specialization will return to Cuesta to continue with additional requirements needed to earn an Associate in Arts or an Associate in Science degree. Counselors are available to assist students with this process.

EVALUATIONS, SUBSTITUTIONS, WAIVERS AND APPEALS

Degrees and certificates are awarded by the Evaluations Office after a student has applied for the degree or certificate, and after a formal review of the student's records has been made. Students who are planning to earn a degree or certificate should schedule regular appointments with a counselor to make sure that they are taking the right courses to meet their desired educational goal.

In certain circumstances, students may initiate a Substitution or Waiver petition through Counseling Services to request use of other coursework to meet requirements for one of Cuesta's degrees or certificates. These substitution and/or course waiver petitions must first be reviewed by a counselor, and then are forwarded to the division office for review and decision by the division chair and instructional dean. If approved, the approval form is scanned to retain a formal record of the decision.

In certain extenuating circumstances, students may submit a "Policy Appeal for Extenuating Circumstances" to the Director of Admissions and Records when they have certain impediments that prevent them from completing all requirements for a degree or certificate, such as all general education course work, or all graduation requirements. The Director of Admissions has final say in the determination about whether to grant this appeal. Contact the Evaluations Office at (805) 546-3141 for further information.

CREDIT FOR ALTERNATIVE EDUCATION

Cuesta College affirms that there is merit in awarding college credit for other than the traditional classroom experiences. Therefore, Cuesta College awards credit according to the policies stated below.

Advanced Placement Examination

Cuesta College recognizes the completion of College Board Advanced Placement Exams (AP), authorized by the College Entrance Examination Board (CEEB). Credit is awarded based upon the criteria established by the college. Advanced placement scores may be ordered by calling the College Board at (888) 308-0013.

Credit for Educational Training in the Military

For currently enrolled students, in good standing, who have completed at least 12 semester credits of "C" average work at Cuesta College, the college may grant up to 12 elective semester credits in accordance with the recommendations of the American Council on Education (ACE) for educational training completed in the military service. Educational work completed through the United States Armed Forces Institute (USAFI) will also be

accepted with no unit maximum. For more information contact the Veterans Resource Center.

Credit by Examination (Challenge of Courses)

Credit by Examination enables students to use their acquired knowledge, abilities and competencies to challenge certain existing courses for credit.

Petitions for Credit by Examination must be submitted to the Admissions and Records Office no later than the Friday of the fourth week of the fall or spring semester or the Friday of the second week of summer session.

These requirements must be met in order to qualify for Credit by Examination:

- The course is listed in the current catalog and is included in the current list of courses that may be challenged (available on the Cuesta website).
- The student has completed all prerequisites for the course.
- The student is duly registered, in good standing, and has completed at least 12 semester credits of "C" average work at Cuesta College. The student may not be on academic probation/dismissal or progress/dismissal.

The following restrictions apply per Cuesta College Board Policy R6400:

- A course may be challenged for a letter grade or on a pass/no pass basis if the course has an either/or grade option code.
- A maximum of 15 semester credits may be challenged.
- A course may not be challenged more than once.
- Credits received through a challenge may not be used to satisfy eligibility requirements for athletics, financial aid or veterans benefits.
- For courses that involve a lab, the examination will include a lab portion, studio portfolio evaluation or a similar demonstration of ability.
- Credits received through challenge may not be used to satisfy residency requirements.

For more information, refer to the "Petition for Credit by Examination" form available in the Admissions and Records Office or on our website.

Independent Studies

The option of Independent Study at Cuesta College provides an opportunity for an in-depth study or practicum experience by an individual student in a selected topic under the direction of an instructor. In order to qualify, a student must be in good standing, must be enrolled in another class in addition to the independent study course, and must have completed the prerequisite and preparatory course work. A student may not earn more than two credits for an independent study course in any term. To initiate independent study, a student should confirm through the Admissions and Records Office eligibility to enroll in an independent study course and

should contact the appropriate academic division.

High School Career Education Articulation

Local high school students may receive Cuesta College credit for approved technical and vocational courses, through the San Luis Obispo County Tech Prep Articulation Agreement process. A specialized "Credit by Examination" process allows high school students to challenge the content and/or skill proficiency of specific courses, provided a valid Tech Prep articulation agreement between the student's high school and Cuesta College is maintained. Each student must fill out a Cuesta College admission application online at www.cccApply.org and a "Permit to Enroll" form, and submit a transcript to the Cuesta College Records Office.

For more information, contact the Tech Prep Office at 805-546-3100 ext 2533.

Credits Not Accepted Toward Degrees/ Certificates/Certifications

Continuing Education Units (CEU)

Continuing education courses are designed for personal enrichment or job advancement and are not applicable to degrees or certificates.

Non-Degree Applicable Credits

Non-degree applicable college courses are not applied to degrees or certificates. Degree applicability is determined according to the catalog for the term in which course was taken.

Credits from Non-Accredited Institutions

Cuesta College only accepts course work from regionally accredited institutions.

Upper Division Course Work

Course credit from colleges and universities at the upper division level is not used (certain exceptions apply).

Course Work from Religious-Affiliated Institutions

Course work taken from regionally accredited church or religious-affiliated institutions is accepted as long as the course is not specific to the application of a single doctrine.

TRANSFER TO THE CALIFORNIA STATE UNIVERSITY (CSU) SYSTEM

Cuesta College offers lower division (freshman and sophomore) courses to meet both major preparation and general education requirements for students planning to transfer to the California State University (CSU). Students are advised to check with Cuesta College Counseling Services for detailed information about specific campus, major, and general education requirements.

Minimum requirements for transfer as an upper division student to the CSU

- Complete 60 semester (90 quarter) transferable credits.
- Complete at least 30 semester (45 quarter) credits of general education courses with at least “C” grade or better including:
 - Oral Communication (Area A1 of the CSU GE-Breadth)
 - Written Communications (Area A2 of the CSU GE-Breadth)
 - Critical Thinking (Area A3 of the CSU GE Breadth)
 - Mathematics (Area B4 of the CSU GE-Breadth)
- Attain a grade point average of 2.0 or better (2.40 for non-California residents) in all transferable college units attempted. (Note that a higher GPA is required for most CSU campuses.)
- Stay in good academic standing at the last college or university attended prior to transfer (e.g. eligible to re-enroll at that college or university).

Completion of General Education (CSU GE-Breadth)

The CSU requires completion of 48 lower division credits of general education for graduation, 39 of which may be certified by Cuesta College. Courses taken to fulfill Areas A1, A2, A3, and B4 of the CSU GE pattern must be completed with grades of “C” or better, to meet minimum CSU admission requirements. It is strongly recommended that students complete all or most of their CSU GE as part of their minimum 60 credits required for transfer. Students who complete the CSU GE pattern prior to transfer will not be held to additional lower division GE requirements after transfer. The CSU also accepts the Intersegmental General Education Transfer Curriculum (IGETC) toward fulfillment of lower division general educations

Prerequisites courses for the major

In order to be best prepared for upper division coursework, students are also advised to complete as much lower division preparation for their major as possible prior to transfer. Depending on the student’s major, some pre-major courses may also be listed as

options on the CSU GE pattern, and thus can be double-counted. Major preparation information can also be found on the California statewide articulation website at www.assist.org.

Supplementary admission criteria/impacted majors

In the CSU, an undergraduate major or campus is designated as impacted when it receives more eligible applicants than either the campus or the major can accommodate. In such instances, the CSU campuses have been authorized to use supplemental admission criteria to screen applicants to these majors and/or campuses. Supplemental admission criteria may involve requiring specific course preparation in the major prior to transfer, and/or the attainment of a specific transferable GPA. Students are encouraged to meet with a counselor early to be advised about specific admission and selection requirements for their intended CSU campus.

GENERAL EDUCATION CERTIFICATION

Students must request their CSU GE Certification from Cuesta College by completing an Application for Certification, available in the Admissions and Records Office. (CSU GE certification by Cuesta is not automatic upon completion of the coursework.) To be fully certified, students must complete 9 semester credits in each of areas A, B, C, and D, and 3 semester units in Area E. Courses taken from other institutions will be included in the Certification as long as the course was appropriate for CSU GE placement at the institution at which it was taken. Counselors can assist with the CSU GE placement of courses taken from outside institutions.

Fall 2013 CSU General Education Requirements

Courses approved for multiple areas may be applied to one GE area only.
The CSU GE pattern is updated annually. Meet with a counselor each semester to ensure appropriate placement of courses.

 by many campuses) or CSU
 transferable electives
 60 transferable credits (minimum)

Please Note:

- You may transfer up to a total of 70 credits from Community College.
- 9 credits of upper division General Education will be required at the CSU.
- Areas A1, A2, A3, and B4 are considered the “Golden Four” and must be completed with grades of “C” or higher. Note: High credit programs (i.e. Engineering) may not need Area A3 “Critical Thinking” prior to transfer.

CAMPUS REQUIREMENTS

- Foreign Language:** Some campuses require foreign language for graduation. Certain programs may have a foreign language requirement. For specific requirements, consult university catalogs or a counselor.
- Multicultural/Ethnic Studies:** Most CSU campuses have such a course requirement for graduation. Some campuses require that the course be upper division.
- Additional campus specific requirements:** See counselor.

GENERAL EDUCATION CERTIFICATION

Certification refers to official notification from a community college that a transfer student has completed courses fulfilling CSU lower-division general education requirements. Certification will ensure that a CSU campus accepts all your courses in the areas in which the coursework is certified.

Full Certification is given to students who have completed all sections of the CSU General Education Pattern. Students must satisfactorily complete 39 lower-division credits, distributed as follows:

AREA A: 9 CREDITS: One course from each group: A1, A2, A3

AREA B: 9 CREDITS: One course from B1, B2 and B4. One lab course required: B3 lab must be taken with or subsequent to corresponding course from B1 or B2

AREA C: 9 CREDITS: Three courses to include at least one course from Arts (C1) and one course from Humanities (C2)

AREA D: 9 CREDITS: Three courses must be selected from at least two different disciplines

AREA E: 3 CREDITS: One course **Subject Area (partial) Certification** can be granted for one or more completed area (A-E), as outlined above, if all sections of the CSU General Education Pattern have not been completed.

US History, Constitution and American Ideals Certification- All campuses require students to complete college-level coursework in US History, American and California Government. Most campuses allow double-counting of courses taken to meet G.E. and the American Institutions requirements for applicants who are either fully or partially certified. This requirement is met by completing History 207A or 207B and Political Science 202.

You must request certification from Admissions and Records Office during your last term at Cuesta.

TRANSFER TO THE UNIVERSITY OF CALIFORNIA (UC) SYSTEM

The University of California gives highest priority to transfer students from the California Community Colleges. Cuesta College students can become eligible for admission to the UC by meeting specific course and GPA requirements, and by meeting with a counselor early to be apprised of specific campus and major requirements and selection criteria.

The requirements described below represent the minimum academic standards students must attain to be eligible for admission to the University. Meeting the minimum requirements does not guarantee admission to the University, nor does it guarantee admission to a particular campus. Admission to the campus and program of choice often requires students to meet more demanding standards. See a counselor for more detail and information.

At UC, a transfer student is defined as a student who has enrolled in at least one regular term (fall, winter, or spring) at a college or university following the summer of his/her high school graduation. Students who meet the university's definition of a transfer student are held to junior-level transfer admission requirements and not freshmen admission requirements. A student who attends college in a summer term immediately following his/her high school graduation, and/or who has completed college work while in high school is still considered a freshman applicant.

Junior-level Transfer Admission Requirements

The vast majority of transfer students come to the University at the junior level from California community colleges. In order to meet minimum UC eligibility criteria as a junior level transfer, students must fulfill the following criteria:

1. Complete 60 semester (90 quarter) units of UC transferable college credit with a GPA of at least 2.40 (higher for non-residents).
2. Complete either the Intersegmental General Education Transfer Curricula (IGETC) pattern, or, complete the following 7-course pattern, earning a grade of C or better in each course:
 - Two UC transferable college courses (3 semester or 4-5 quarter units each) in English composition.
 - One UC transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning;
 - Four transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

Note that meeting minimum UC admission criteria is often not sufficient preparation to gain admission to most UC campuses.

Preparation for Transfer

1. Meet minimum eligibility for admission (see Admission Requirements listed above).
2. Prepare for upper-division study in the chosen major: transfer students should select a major and take courses that meet major requirements. In most cases, completing at least a portion of the major requirements is essential to gain admission to the major. Major preparation information is available at www.assist.org and Cuesta counselors are available to assist students in how to best prepare for their major.
3. Complete an appropriate set of general education course requirements and electives, as time allows.

Transfer students have two options for fulfilling GE preparation for the UC, depending on the campus and major selected:

- IGETC – accepted by both the UC and CSU, is most helpful for students who know they want to transfer but have not yet decided upon a particular institution, campus or major.
- or
- Campus-specific general education requirements of the college or campus they plan to attend. (see assist.org)

The UC Campuses are:

UC Berkeley
UC Davis
UC Irvine
UC Merced
UC Los Angeles
UC Riverside
UC San Diego
UC San Francisco (graduate only)
UC Santa Barbara
UC Santa Cruz

IGETC Certification

For the University of California (UC) and California State University (CSU)

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) with certification will permit a student to transfer to a UC or CSU campus without the need, after transfer, to take additional lower-division general education courses to satisfy campus-specific general education requirements. All courses taken for IGETC must be completed with a grade of "C" or better (or score of 3 or higher on AP tests). Grades of "C-" are not acceptable. The IGETC Certification must be

requested by the student; applications are available in the Admissions and Records office. Pre-major courses may also count towards IGETC; see a counselor for details. Cuesta College will "pass along" courses taken from other colleges and university into the IGETC pattern, as appropriate and based on the policies outlined in the IGETC Standards.

The IGETC is well suited for students planning majors in the Arts, Humanities, or Social and Behavioral Sciences. Students who intend to transfer into majors that require extensive lower-division major preparation, such as engineering and many of the physical and natural sciences, should concentrate on completing the pre-major prerequisites ahead of completion of the IGETC, to be most competitive for admission into these majors.

<p><u>General Education Requirements And IGETC (Intersegmental General Education Transfer Curriculum)</u></p> <p>General Education courses are part of the requirements for a university degree. These are courses which are designed to give you an exposure to all major academic disciplines—natural sciences, physical sciences, social sciences, humanities, and the fine arts. Together, general education coursework and major course work make up a baccalaureate degree. Each campus within the California State University (CSU) and the University of California (UC) has its own unique general education pattern. However, students preparing to transfer to a CSU or UC often do not know which system they will attend. In order to facilitate the transfer of students from the California Community Colleges to the CSU and UC system, the IGETC was developed in 1991.</p> <p>By completing the IGETC at a California Community College, you can transfer to a CSU or UC campus without the need, after transfer, to take additional lower-division, general education courses. The IGETC is most useful for students who know that they want to transfer to a CSU or UC, but who have not yet decided upon a particular system, campus, or major. It is also generally the most appropriate pattern for students who are choosing majors in the humanities, arts, or social sciences, as these majors generally have fewer lower division major requirements than majors in the sciences and engineering.</p> <p><u>Is the IGETC required to gain admission to a CSU or a UC?</u></p> <p>No, the IGETC is not an admissions requirement to either system. The IGETC is a way for you to complete a general education pattern that is accepted by the CSU and UC, prior to transfer. Completing the IGETC does not guarantee admission to a particular campus or major. However, for certain colleges and majors, completion of IGETC can improve your chances of admission as a transfer student. Your counselor can help you determine if completing the IGETC is a good idea for you.</p>	<p><u>The Importance of Major Preparation</u></p> <p>Major preparation requirements specify the courses you must take to prepare for advanced (upper division) study in your particular major. Completion of major preparation should generally take precedence over completion of general education. Because transfer applicants are evaluated for admission, in part, on the basis of their performance in major preparation coursework, it is important that you investigate the requirements for your intended major as soon as possible. If your major requires mathematics and science, it is especially important that you complete those prerequisites before you transfer.</p> <p>Your counselor can advise you about the specific major preparation requirements for the program you select, or you may research them in the General Catalog of the campus you plan to attend. You can visit the public articulation website at www.assist.org for information about major preparation.</p> <p>You should begin coursework in your major as soon as you have selected one. <u>Lack of pre-major work may affect your eligibility for your major, particularly, if there are many applicants and a limited number of spaces.</u></p> <p><u>When is IGETC not a good choice?</u></p> <p>Students who intend to transfer into a major that requires extensive lower division preparation, such as majors in the sciences or engineering may not be well served by completing IGETC.</p> <p><u>Do all CSU and UC campuses accept the IGETC?</u></p> <p>While all CSU's and most UC's do accept IGETC, there are some majors on certain UC campuses which do not accept IGETC. A list of those Colleges can be found at: www.universityofcalifornia.edu/educators/counselors/adminfo/transfer/advising/igetctc.html</p> <p><u>Is there a GPA requirement for IGETC coursework?</u></p> <p>All courses applied to IGETC must be completed with a grade of "C" or higher. A grade of "Credit" or "Pass" may also be used if the community college's policy states that it is equivalent to a grade of C or better.</p> <p><u>Can Advanced Placement Test Scores be applied to the IGETC?</u></p> <p>Yes, an acceptable score ("3" or higher) on the Advanced Placement (AP) test can be applied to the IGETC. See a counselor for details.</p>	<p><u>Must all IGETC coursework be completed at the same college?</u></p> <p>No, courses taken at more than one community college, or from an accredited college outside of the California Community College system, may be used on IGETC, as determined by a counselor.</p> <p><u>Can a course be used to satisfy more than one IGETC subject area?</u></p> <p>No, courses may only be used once even if they are listed in more than one subject area.</p> <p><u>Can a course be used both for IGETC and to satisfy a major prerequisite?</u></p> <p>Yes. The University will allow courses to count toward both the IGETC and to also satisfy a lower division major requirement.</p> <p><u>Does the IGETC have to be fully completed prior to transfer?</u></p> <p>It is strongly recommended that you complete IGETC in its entirety prior to transfer. Completion of IGETC (or a campus-specific general education pattern) may be a part of the transfer admission process for certain campuses and majors. However, a Partial Certification of the IGETC is allowed. Partial certification is defined as completing all but two (2) courses on the IGETC pattern. (Keep in mind that in general, the English and Math portions of IGETC must be completed to meet minimum admission requirements to the university so a student who is missing these courses may not be eligible to a CSU or UC). It is your responsibility to request a partial certification from your community college. Your community college will send the Partial IGETC Certification to the UC or CSU that you will be attending. The CSU or UC will then instruct you as to how you can complete the remaining courses on your IGETC.</p> <p><u>Who certifies that a student has completed the IGETC?</u></p> <p>It is your responsibility to request an IGETC certification from your community college. Students who have completed coursework at more than one California Community College should have their coursework certified by the last college attended for a regular term (fall or spring) prior to transfer. You can request certification from a community college that is not your last school of attendance, but it is up to the discretion of that community college to certify.</p>

ANTHROPOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)

DESCRIPTION

Anthropology is an academic discipline that observes, describes and explains human biological and cultural variation. An undergraduate major in Anthropology prepares students for (a) graduate studies and an academic career in Anthropology, (b) graduate studies and an academic career in related disciplines within the humanities and life sciences (e.g., religious studies, biology, sociology), and (c) careers in Applied Anthropology (Contract Archaeology, Medical Anthropology, Forensic Anthropology).

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

CAREER OPPORTUNITIES

- Contract Archaeology
- Medical Anthropology
- Forensic Anthropology

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: <http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html>

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. In addition to major preparation course work listed above, completion of the CSU GE or IGETC pattern is mandatory.

Courses completed for the major can also be double counted towards GE, where appropriate. See a counselor for details.

ARCHITECTURAL TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)

DESCRIPTION

The purpose of the Architecture Program is to prepare students to:

1. Employ fundamental principles of architectural design theory and practice.
2. Advance/articulate completed course work towards university transfer into 4 or 5 year Architecture programs or related majors.
3. Utilize the principles of design communication as they apply to architectural project delivery.

ART

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION

Fine Arts is an academic division focusing on the skills and knowledge for the studio practice and study of art. Art History, the study of visual art from prehistory to the present, places emphasis on the visual language, historical context, cultural values, and technological changes in art and architecture. Professional practices emphasize the curatorial, business, and installation aspects of exhibiting art. Studio courses include drawing, painting, photography, graphic design, printmaking, sculpture and ceramics. An emphasis on portfolio presentation, exhibition preparedness, and a progression of intermediate courses prepares students for vocational opportunities and successful junior level transfer to universities, colleges, and art academies.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

The Certificate Programs are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a "C" average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

AUTOMOTIVE TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)

DESCRIPTION

The Cuesta College Automotive Technology Department (a NATEF Certified Program) has served students, the automotive service industry, and the community for over 40 years with course offerings in 22 specialized areas of concentration. Students enrolled in these courses have the opportunity to expand their knowledge relative to automotive technology and develop entry level skills required for employment in the automotive service industry. Successful completion of course requirements prepares students for the examinations required for voluntary certification as a professional technician offered by the National Institute for Automotive Service Excellence (ASE). The course offerings address the areas of concentration needed by a technician to become certified as a “Master Automobile Technician”, and “Advanced Level Specialist”.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

The Certificate Programs are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a “C” average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

BUSINESS

DEGREES, CERTIFICATES & AWARDS

- Associate in Science for Transfer (A.S.-T)
- Associate in Arts (A.A.)
- Certificate of Achievement (C.A.)

DESCRIPTION

Business Administration is a broad area encompassing Accounting, Law, Economics, Global Trade, Financial Markets, Computer Information Systems, Business Communications and Marketing. Study in this area explores the theories, history, principles, practices, ethics and technologies governing contemporary issues in a global business environment. This program is designed to provide a basic overview of all subject matter and is preparatory lower division coursework for a bachelor's degree. The Associate in Arts in Business Administration for Transfer Degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree (AA-T) are guaranteed admission to the CSU system, but not necessarily to a particular campus.

The Career Path degree prepares students for the real world of Business by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields of their choosing. The fields of study include Management, Marketing, Accounting, Entrepreneurship, International Business, Economics, Legal Studies, Business Information Systems and E-Commerce. The Career Path degree allows students to create a personalized degree based upon core Business classes for all students but also permits optional coursework in a desired profession which will enhance the student's opportunity for employment or improve their chances of advancement in their current vocational field.

The Business Management degree allows students to develop a broad understanding and content knowledge of the field of Management and Human Relations plus the skills required to successfully manage human resources. It helps prepare students by offering courses that give them

CHEMISTRY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)

DESCRIPTION

The Cuesta College Chemistry Program provides interesting and challenging opportunities for students who seek to learn about the atoms and molecules that comprise the building blocks of our world. The study of chemistry leads to a greater understanding of materials, medicine, engineering, forensics, environmental science, geology, and other related fields. Popular topics include the chemistry of the environment, batteries, fuels, household substances, polymers, and how chemists make the molecules that we use on a daily basis. The Chemistry Program offers courses in Introductory Chemistry (Chem 210FL and Chem 211) for beginning science and nursing and allied health majors; General Chemistry (Chem 201A and 201B) for science and engineering majors; and Organic Chemistry (Chem 212 A and 212B) for science majors and students who intend to earn professional health degrees at medical, pharmacy or veterinary schools. Students can earn an A.S. degree in Chemistry at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The **Associate Degree** requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. COMMUNICATION STUDIES

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)

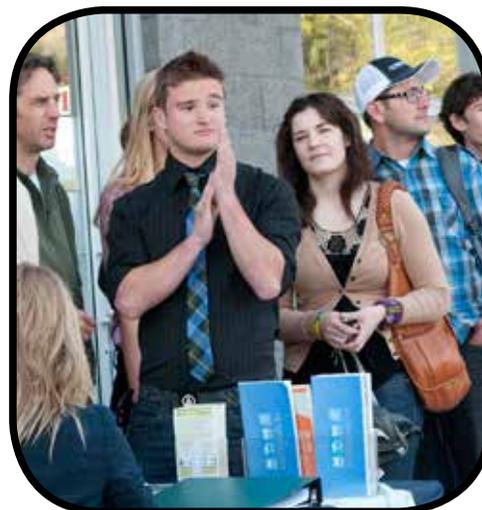

DESCRIPTION

The Communication Studies program compels students to explore the communication theories, strategies, and skills needed to succeed in our complex and diverse world. Courses focus on improving social, cultural, professional, and personal experiences through the understanding and applied practice of communication. Many studies cite “effective communication” as the number one skill in demand in today’s workplace. Through the study and practice of communication, students will become more competent communicators in both their professional and personal lives. Our Communication Studies transfer degree prepares students for transfer to earn a baccalaureate degree in Communication Studies from a California State University.

COMPUTER INFORMATION SYSTEMS

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Specialization (C.S.)

DESCRIPTION

Computer Information Systems encompasses the fields of Computer Science and Information Systems. Primary fields of study include software development, programming, and applications. Careers in today's information systems require knowledge and hands-on experience in microcomputer applications as well as programming. Professionals in the computing field seek to advance the fundamental understanding of how information is processed, as well as the practical design of software and hardware to accomplish specific functions. The Associate in Science degree requirements are designed to satisfy core requirements for many Computer Science and Information Systems transfer patterns. However, students should consult a counselor and especially the catalog of the intended transfer institution for specific transfer requirements in the major. The program in Computer Information Systems offers students an opportunity to earn an associate's degree as well as coursework in general CIS electives for students in other fields of study campus-wide. The program also offers courses for high-demand skill areas such as mobile device development.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The **Associate Degree** requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. DESCRIPTION

Computer and Network Technology program builds a solid foundation in computer and networking theory and applications. The training includes basic electronics, network cabling and infrastructure, computer and networking hardware, desktop and server operating systems, wireless configuration and administration and computer and network diagnostic tools. The goal of the degree is to provide broad training that will prepare a student to install, configure, troubleshoot and administrate all types of computer and network hardware and associated operating systems. Each course in the program is aligned with industry certifications including CompTIA A+, Cisco CCNA, Microsoft Desktop and Server Administration, FOA Copper and Fiber Cabling, and CWNA Wireless certifications. The curriculum is primarily designed for students who are seeking entry-level information and communication technology skills for positions such as network administrator, network engineer, network technician, computer technicians, network installer, and help desk technician.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

The Certificate Programs are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a "C" average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES

- Computer Repair Specialist
- Networking Technician
- Computer Technical Support
- Wireless Configuration Specialist

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. EMERGENCY MEDICAL SERVICES

DEGREES, CERTIFICATES & AWARDS

- Certificate of Achievement (C.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION

The Emergency Medical Services Program (EMS) trains students for Emergency Medical Technician (EMT) certification and for Paramedic licensure. EMT Refresher courses and Hazardous Materials, First Responder courses are also offered. Students are taught the fundamental principles and skills required to provide emergency medical care for the sick and injured at the scene of an emergency and/or during transport to a healthcare facility. Our training program prepares the paramedic graduate to function as a beginning practitioner according to national standards. Hands-on clinical and field internship experience is part of the training.

CERTIFICATE PROGRAMS

The **Certificate Programs** are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a “C” average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs – grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full- and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:

CAREER OPPORTUNITIES

EMT:

- Emergency Medical Technician on an ambulance
- Emergency Department Technician in a hospital
- Many other service oriented jobs often require EMT certification, such as: fire fighters, park rangers, life guards and public safety officers

Paramedic:

- Paramedic on an ambulance
- Fire Fighter, Paramedic
- Flight Medic
- Education - Instructor, Director, Administrator

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College, information for each certificate program can be found by following this link: <http://www.cuesta.edu/student/aboutmoney/finaid/gainfulemployment/index.html>

Paramedic Program

Admission Requirements

The Paramedic Program prepares graduates to take the Paramedic National Registry Licensure Examination (NREMT) leading to licensure as a California Paramedic.

The Central Coast Paramedic Program at Cuesta College initially became accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) and earned approval by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) on July 25, 2008. Our program is due for accreditation renewal in 2018.

Students interested in applying to the Paramedic Program are strongly urged to consult an academic counselor prior to registering in prerequisite coursework.

All persons who meet Cuesta College's admission requirements, additional pre-paramedic program admission criteria, and submit a paramedic program application are eligible for admission into the program.

Eligible applicants are admitted into the paramedic program by random selection from a pool of qualified applicants. The year long program starts once a year in the fall.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at <http://academic.cuesta.edu/nursing>.

2013 -2014 Paramedic Program Admission requirements include:

- Biology 212* (Human Biology, lab portion not required)
- English 156** (College Reading and Writing)**
- Math 123** (Elementary Algebra)**
- High School Diploma (transcript with date of completion posted) or GED
- Current County EMT certification
- Current Healthcare Provider or Professional Rescuer CPR certification
- EMT Work Experience - Can be satisfied in one of the following ways:
 - 6 months full-time Emergency Medical Technician experience with an Emergency Medical Service provider. OR
 - 1,000 hours of part-time and/or volunteer Emergency Medical Technician experience with an Emergency Medical Service provider. OR
 - Proof of completion of a Community College Emergency Medical Services Academy. Note: Only hours within the past 24 months will be counted towards work verification hours. Fire Academy does not meet this criterion.

* Equivalent courses from other colleges and completion of higher level courses, such as BIO 205 (Anatomy) and BIO 206 (General Human Physiology) are accepted

** Equivalent courses and/or completion of higher level courses, such as English 201A (English Composition) and Math 127 (Intermediate Algebra) are accepted. Student may also choose to take an assessment test in lieu of course completion. English and math assessment test(s), with placement into a higher English or math course, will satisfy the above requirements. Contact Cuesta Assessment Services at 805/546-3951 for more information.

Additionally, admitted students are required to complete a background check, drug screen, physical exam, and provide proof of immunity.

EMERGENCY MEDICAL SERVICES

CERTIFICATE PROGRAM

Paramedic - C.A. Certificate

Adherence to Cuesta College Paramedic Program Student Policies is required at all times for continued participation and progression in the program. All courses must be completed with a minimum grade of "C" to progress, complete the program, and receive the certificate required to take the NREMT-P licensure exam. Conviction of a felony or of any offense substantially related to the qualifications, functions and duties of a licensed paramedic may constitute grounds for denial of licensure.

ENGINEERING

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)

DESCRIPTION

Cuesta's Engineering program provides a foundation of mathematics, chemistry and physics courses necessary to transfer to a four-year institution and complete a bachelor's degree in engineering. Students should consult the institution to which they wish to transfer for specific lower division requirements.

People working in the field of engineering and related technical fields "bridge the gap" between scientific principles and the application of these principles to the needs of society. An engineer uses experience and judgment, as well as advanced training in engineering, science, and mathematics, to formulate ideas and designs, and to determine standards, specifications, work orders and schedules so that projects can be economically beneficial to mankind. Engineering offers diverse and exciting job opportunities for people with mathematical, scientific, and technical skills.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

ENGLISH

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)

DESCRIPTION

English is a discipline that trains students to read carefully and imaginatively, ask probing questions about complex material, and then answer those questions in coherent, persuasive prose—a combination of skills vital to any number of careers. Composition courses in English will provide the necessary skills to complete reading and writing tasks for students headed for the job market and for students transferring to four year institutions. Literature courses will equip students with the skills to engage the great works of the human imagination, reason complexly about those works, and respond in clear, organized, and compelling prose.

ENGLISH AS A SECOND LANGUAGE

DEGREES, CERTIFICATES & AWARDS

- Certificate of Specialization (C.S.)

DESCRIPTION

English as a Second Language (ESL) is a discipline that focuses on language instruction for speakers of other languages in reading, writing, grammar, speaking and listening. Beginning level classes offer foundational instruction in English language skills, and the intermediate to advanced courses prepare students for degree-applicable English and other mainstream college coursework. The ESL program helps students develop and improve their English language skills so that they may achieve their academic, professional, and personal goals as well as participate more effectively in their communities. Students who successfully complete a designated sequence of courses within the program can be eligible for the Intermediate and/or the Advanced Certificate of Specialization in ESL.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The **Certificate Programs** are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a "C" average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

FAMILY STUDIES/ HUMAN SERVICES

DEGREES, CERTIFICATES & AWARDS

Associate in Science (A.S.)

Certificate of Achievement (C.A.)

DESCRIPTION

The Family Studies/Human Services Department offers an interdisciplinary degree concentrating in psycho-social development across the life span, emphasizing personal identity and the family system. The degree is designed to benefit the student who wishes to pursue a career in the social and behavioral sciences field, such as social work, clinical psychology and crisis management; as well as benefit the student seeking to acquire a deeper understanding of human development and adjustment. Additionally, the Family Studies/Human Services Department offers an Addiction Studies Certification of Specialization designed to prepare students to serve as professionals in the growing career field of chemical and behavioral addiction counseling. Cuesta College is an accredited California Association for Alcohol/Drug Educators (CAADE) program. This credential will help students obtain jobs in social service agencies, treatment programs, recovery homes, schools, DEA, and law enforcement. Lastly, the Family Studies/Human Services course offerings prepare students for transfer to institutions providing higher degrees in the social and behavioral sciences.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. GEOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science for Transfer (A.S.-T)
- Associate in Science (A.S.)

DESCRIPTION

The Cuesta College Earth and Ocean Science Program involves the study of the solid earth, ocean and atmosphere. It is the branch of science that investigates diverse geologic processes, including rock and mineral formation, tectonic and volcanic processes, and landform and seafloor development. In addition, the examination of the origins and evolution of life through the study of fossils (paleontology) and the assessment of economically important mineral deposits, fossil fuels, and geologic hazards are integral to the discipline. The chemistry and physics of the ocean and atmosphere are examined for their impact on the distribution of marine sediments, ocean circulation, weather and global climate patterns. Specific course topics fulfill the lower division requirements for majors in geology, geophysics, civil engineering, construction management, and environmental science. Students can earn an A.S. degree in Geology at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The **Associate Degree** requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

CAREER OPPORTUNITIES

- Atmospheric, Earth, Marine, and Space Sciences Teachers, Postsecondary
- Geoscientists, Except Hydrologists and Geographers

HISTORY

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)
- Associate in Arts (A.A.)

DESCRIPTION

History is the study of all human experience. It examines the people, institutions, ideas, and events of the past. The study of history contributes to cultural literacy, global awareness, and develops critical thinking skills, while helping students understand the present. Historical study provides a solid, fundamental preparation for careers in education, government, and business. It also serves as excellent preparation for law school, the diplomatic service, international work, urban affairs, and library science. History is an academic discipline offering both breadth and focus. History graduates will find that their critical and analytical thinking skills prepare them for a wide variety of employment opportunities.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The **Associate Degree** requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

LEGAL STUDIES

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts (A.A.)

DESCRIPTION

The Legal Studies Degree Program seeks to introduce the student to the field of legal studies along with its connection to and influence over closely related areas in the social sciences and business. The Legal Studies Degree Program emphasizes not only the nature of law and legal institutions, but the impact law and legal institutions have on politics, government, business, economics, different social groups, and society as a whole.

The Legal Studies Degree Program is designed to be an interdisciplinary program where the student, along with acquiring an introduction to the field of legal studies, may choose between the Legal Studies Business Emphasis Associate of Arts (AA) degree and the Legal Studies Social Science Emphasis Associate of Arts (AA) degree. Required and elective units in either the Business Emphasis path or the Social Science Emphasis path must be successfully completed along with the general education coursework required by Cuesta College in order to receive a Legal Studies AA degree from Cuesta College.

The Legal Studies Degree Program is designed for students wishing to transfer into four-year college degree programs by satisfying lower division requirements for transfer to baccalaureate programs in business administration, business economics, business law, management, managerial economics, pre-law, law and society, legal studies, or political science programs. A legal studies degree is also an excellent first step for students considering law school or other post-baccalaureate programs in the social sciences or business.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The **Associate Degree** requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. DESCRIPTION

The Associate of Arts in Liberal Arts Degree is designed for students who wish to obtain a broad knowledge of liberal arts and sciences plus additional coursework in an "Area of Emphasis."

Students must complete all of the required courses for one of General Education patterns. Choose either Option I, II, or III listed below for the General Education Pattern related to your educational goal. CSUGE and IGETC patterns are required for students who intend to transfer to four-year universities. Students should consult with a counselor to determine which General Education pattern is best for them.

Complete 18 credits in one "Area of Emphasis" from those outlined below. (Note: Where appropriate, courses in the "area of emphasis" may also be counted for a GE requirement) For ALL OPTIONS: complete necessary Cuesta College graduation and proficiency requirements. (Meet with a Cuesta College counselor) All classes listed below transfer to CSU and/or UC. Courses in BOLD are only transferable to CSU. Refer to www.ASSIST.org for transfer details.

OPTIONS:

- I. Cuesta College General Education:
- II. CSU GE: Students selecting this option must complete all of the required courses for CSU GE Certification.
- III. IGETC: Students selecting this option must complete all of the required courses for IGETC Certification.

AREAS OF EMPHASIS:

For depth, include a minimum of two courses from a single discipline. For breadth, include at least three disciplines in your selection.

Complete Cuesta College graduation requirements

NOTE: Effective Fall 2009, a grade of a "C" or better is required for all courses taken in an area of emphasis, and a minimum overall GPA of 2.00 is required in general education coursework..

ELECTIVE CREDITS: Electives may be necessary to total 60 overall credits required for the degree and must be transferable if choosing the CSU GE or IGETC general education pattern.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

LIBRARY AND INFORMATION TECHNOLOGY

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Specialization (C.S.)

DESCRIPTION

Cuesta College offers a robust program in Library/Information Technology that has been in existence for four decades. The program's online classes draw students from throughout California, and occasionally beyond. Every course is offered at least once a year, so full-time students can complete the required courses in two semesters, though four semesters is more typical.

This program is designed to train students to respond to the changing needs of information management in our society. Wherever there is information there is a need to have someone available to assist in organizing it, managing it, and getting it into the hands of those who need to use the information.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

The Certificate Programs are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a "C" average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

NURSING ASSISTANT

DEGREES, CERTIFICATES & AWARDS

- Certificate of Specialization (C.S.)

DESCRIPTION

The Nursing Assistant Program (NAST) trains students to provide basic patient care such as taking vital signs, bathing, feeding, transferring, positioning, and bed making. The courses cover techniques of communication, understanding behavior and identification of ethical issues in patient care. Students apply principles of basic nursing care to patients and clients of all ages in skilled nursing and acute care facilities. Upon completion of this course students are eligible to take the test for CNA certification. Hands-on internship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Certificate Programs are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a "C" average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

LICENSED VOCATIONAL NURSING PROGRAM ADMISSION REQUIREMENTS

The LVN Program prepares graduates to take the National Council Licensing Exam for Licensed Vocational Nursing (NCLEX-PN). Passing this exam is required to be employed as a licensed vocational nurse and must be taken at applicants' expense, upon completion of all program requirements.

Students interested in applying to the Licensed Vocational Nursing Program are strongly urged to consult with a counselor before they register for coursework in prerequisite classes.

All persons who meet Cuesta College's admission requirements, additional Pre-LVN Program admission criteria, and submit a LVN Program application are eligible for admission into the program.

Eligible applicants are admitted into the LVN program by random selection from a pool of qualified applicants. Students are admitted once per year into the 12 month program with minimal breaks. The LVN program is only offered on the North County Campus in Paso Robles, CA.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at <http://academic.cuesta.edu/nursing/>.

2013 -2014 LVN Program Admission requirements include:

- Biology 212* (Human Biology, lab portion not required)
- English 156* (College Reading and Writing)
- Math 007* (Pre-Algebra)
- High School Diploma or GED
- Current Healthcare Provider or Professional Rescuer CPR certification
- Current California CNA certificate (must be submitted by the application due date)
- Pre-program requirements must be complete at the time of application.
- Prerequisite courses or equivalent courses must be completed with a grade of "C" or better.
- College courses must be taken to satisfy all of the prerequisite course requirements.
- Math and English Assessment test scores will NOT be accepted in place of coursework.

*Higher level courses may be used in lieu of the listed prerequisite courses. For example: BIO 205 (Anatomy) or BIO 206 (Human Physiology), ENG 201A (English Composition), and/or Math at a level higher than Pre-Algebra, such as Algebra, Pre-Calculus and above.

Additionally, admitted students are required to complete a background check, drug screen, physical exam, and provide proof of immunity.

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)

DESCRIPTION

The Registered Nursing Program (NRAD) prepares students for beginning practice level registered nursing in hospitals, health care facilities, and in homes. Registered nurses provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their family members. Upon completion of the program, graduates are eligible to take the National Registered Nursing Licensure examination (NCLEX). Hands-on internship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

The Certificate Programs are designed for students with personal or occupational goals who wish early employment, promotion or lateral transfer. To qualify for Certificate of Achievement or Certificate of Specialization, a student must satisfy the following requirements: (1) complete all courses listed for a particular Certificate, (2) achieve a "C" average (2.0 GPA) for all courses used to complete the Certificate and, (3) submit a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

REGISTERED NURSING PROGRAM ADMISSION REQUIREMENTS

The Cuesta College Associate Degree Registered Nursing program prepares graduates to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN) leading to licensure as a Registered Nurse. Four (4) preparation options are available.

Students interested in applying to the Registered Nursing Program are strongly urged to consult with a counselor regarding the associate degree nursing pathway before registering for course work.

Registered Nursing prerequisite coursework must be completed prior to applying to the program.

Students who have met general college admission requirements and the additional Registered Nursing Program admission criteria will be eligible for admission to the Registered Nursing Program.

Eligible applicants are admitted into the Registered Nursing Program through a multi-criteria screening process. The two year program starts once a year in the fall.

Entrance requirements are subject to change. For most current information please refer to the Nursing and Allied Health Division webpage at <http://academic.cuesta.edu/nursing/>.

Completed physical examination, proof of immunity, background check, drug screening and healthcare provider CPR certification are requirements for final acceptance into the program.

Four (4) registered nurse preparation options are available:

1. Registered Nursing Associate in Science Degree – earned by completing all required coursework in the nursing program, Board of Registered Nursing content coursework and college associate degree requirements.
2. Registered Nursing Associate in Science Degree - earned by advanced placement LVN to RN pathway. Currently Licensed Vocational Nurses enter into the 2nd semester of the RN program. All associate degree requirements and Board of Registered Nursing content must be met and only currently Licensed Vocational Nurses are eligible for admission. Admission is limited to a space available basis and interested students must complete the LVN to RN application process.
3. Registered Nursing Certificate of Achievement – earned by completing all required coursework in the nursing program and Board of Registered Nursing content coursework. No associate degree is awarded and the RN license received has practice limitation. Prior consultation with the Nursing director is required in order to review the limitations. Admission process is the same as Registered Nursing Associate Degree applicants.
4. Registered Nursing Certificate of Achievement, 30-unit option – earned by LVN's entering into the 3rd semester of the RN program and completing the 3rd and 4th semester.

No associate degree is awarded and the RN license received has practice limitation. Admission is limited to a space available basis. Prior consultation with the Nursing director is required in order to review the limitations.

NUTRITION

DEGREES, CERTIFICATES & AWARDS

- Certificate of Specialization (C.S.)

DESCRIPTION

The Cuesta College Nutrition program offers students a variety of interesting and challenging courses for students to learn about chemicals and nutrients in food and their effects on the human body and the world. The study of nutritional science contributes to preparing students for careers as nutritionists, registered dietitians (RD), food scientists, or other dietetics professionals. Cuesta College offers a Nutrition certificate that provides a broad foundation in a practical and personally applicable exposure to a variety of scientific areas of nutrition such as chemistry, biochemistry, microbiology, anatomy, physiology, and biology. Popular topics include microbial pathogens, environmental contaminants, nutrigenomics, macronutrient balance, energy metabolism, obesity, global issues, biochemistry of exercise, and micro-nutrient and phytochemical utilization. Students in the program learn how the scientific method and process contributes to nutritional requirements and how nutrients function from a cellular to more practical level, and then apply this knowledge to their own health. The program ultimately helps students understand the role of nutrition in disease prevention throughout the lifecycle and as an impact on society as a whole. The Nutrition program offers courses that meet college requirements in GE, Liberal Arts, and Diversity and offers courses in both face-to-face and Distance Education modalities.

PHILOSOPHY

DEGREES, CERTIFICATES & AWARDS

- Associate in Arts for Transfer (A.A.-T)

DESCRIPTION

Philosophy is an academic discipline that inquires into the nature, meaning, and value of the world and of human beings' place in the world. An undergraduate major in philosophy prepares a student for (a) graduate studies and an academic career in philosophy, (b) graduate studies and an academic career in related disciplines within the humanities (e.g., religious studies, literature, political science), and (c) law school and a career in law or politics.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

PHYSICS

DEGREES, CERTIFICATES & AWARDS

- Associate in Science for Transfer (A.S.-T)
- Associate in Science (A.S.)

DESCRIPTION

The Cuesta College Physics Program engages students in the study of how the physical world works and why materials and objects behave the way they do. Physics students will learn to deduce the underlying principles and laws of nature, and apply those principles and laws to make estimations and predictions. The Cuesta College Physics Program offers two sequences of courses. Physics 205A and 205B are courses in a general, trigonometry-based physics series designed for students who intend to earn professional post-graduate health degrees at medical, pharmacy, or veterinary schools, in addition to students who enroll in architecture and construction technology undergraduate programs. Physics 208A, 208B and 208C are rigorous courses that utilize differential and integral calculus to prepare students for physics, geophysics, science, and engineering undergraduate major programs. Students can earn an A.S. degree in Physics at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

DESCRIPTION

Sociology is the study of the human social behavior and its origins, development, organizations, and institutions. The study of human behavior in social context assists students to learn who we are, to get closer to the truth about the social world, and to become aware of ways to achieve desired social ends. Sociology and other liberal arts majors stress the ability to observe, organize and write clearly, as well as the development of skills in the analysis of data and in collaborating with others.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

The Associate Degree requires satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all district requirements for the associate degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition, students must maintain a minimum grade point average and meet the minimum grade requirements of their program.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

WELDING

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)
- Certificate of Achievement (C.A.)
- Certificate of Specialization (C.S.)

DESCRIPTION

The Cuesta College Welding Technology program has a strong history of preparing students for work in industry. Students are afforded the opportunity to obtain Certificates of Specialization, Certificates of Achievement and/or an Associative Science Degree in welding technology. The welding curriculum is well rounded with courses ranging from Basic Welding through Certification, as well as courses in Metallurgy, Blueprint Reading and Welding Power. The shop facility includes twenty multi-process welding stations with current power supply technology. There are a total of six part-time instructors and one full-time instructor. Two instructors are CWI's. Welder qualifications are offered in structural steel and pipe welding to AWS D1.1, ASME Sec IX and API 1104.

COURSES OF INSTRUCTION

COURSES OF INSTRUCTION

In the following list of courses, the credit value of each course in semester credits is indicated by a number in parentheses after the course title.

Course descriptions followed by the notation (Transfer:...) indicate that the course is transferable to the California State University system, to the University of California system, or both. A student should contact a counselor to determine which courses are applicable to the student's educational objective.

COURSE NUMBERING

- 000-099** Non-Degree Applicable and Non-Transferable
- 100-199** Degree Applicable and Non-Transferable
- 200-299** Degree Applicable and Transferable
- 500-599** Non-Credit Courses
- 700-799** Non-Credit ESL and Vocational ESL Courses

Special Topics (093/193) These are course offerings designed in specific disciplines to test new curriculum before adopting it as a part of an academic program. Course credit values range from 0.5 to 4.0 credits.

Independent Study (047/147/247) These courses are academic opportunities for students who are capable of independent work and demonstrate the need or desire for additional study, beyond the regular curriculum. These courses are not intended to replace existing courses in the discipline. In this course, students will have a written contract with their instructor for activities such as: preparing problem analysis, engaging in primary research, preparing reports, and meeting with the instructor at specific intervals.

PREREQUISITE, COREQUISITE, ADVISORIES AND LIMITATIONS ON ENROLLMENT

The San Luis Obispo Community College District has adopted a policy in order to provide for the establishing, reviewing and challenging of prerequisites, corequisites, and advisories.

Definitions:

Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. **Courses used to satisfy a prerequisite must be completed with a grade of "C" or better.**

Corequisite means a condition of enrollment consisting of a course that a student is **required** to simultaneously take in order to enroll in another course.

Advisory means a condition of enrollment that a student is **advised, but not required**, to meet before or in conjunction with enrollment in a course or educational program.

Limitations on Enrollment means a condition of enrollment which may include the following:

a. Auditions or tryouts for courses which include public performance and intercollegiate competition, such as a band, orchestra, theater, chorus, and intercollegiate athletics.

Repeatable Courses

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

COURSE FAMILY REPEATS (see chart on page 207)

Enrollment in active participatory courses in physical education, visual arts, or performing arts that are related in content (courses where individual study or group assignments are the means by which learning objectives are obtained) is limited to no more than four times maximum. This limitation applies even if a student receives a substandard grade or "W" during one or more of such a course or petitions for repetition due to extenuating circumstances.

Cuesta identifies the following active participatory course families where enrollment is limited to a maximum of four (4) times within the repeat family group under the following conditions:

- Equivalent courses are counted in the four (4) enrollment maximum.

Example: KINA 246 was formerly PEAC 286 (Yoga) so past earned grades and "W" for PEAC 286 count toward overall 4 enrollment maximum.

- A course that is completed with a passing grade of "C" or higher may not be repeated within the family group.
- A course where a substandard grade or "W" grade is earned may be repeated to earn a passing grade.

- o A student will be blocked from enrolling for a third (3rd) attempt for a single course within a family repeat group if two (2) prior substandard grades are earned. The student will need to submit a Third Enrollment Agreement to be released to enroll for a third (3rd) attempt in the same course.

- o Substandard Grade - a grade of "D+," "D," "D-," "F," "FW," "NP," or "NC."

- A maximum of three (3) "W" symbols may be earned for a course. A student will be blocked from registering for a course where three prior "W" symbols have been earned for a single course within a family repeat group.

- In-progress courses without a final grade are counted in enrollment of family repeat group.

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ARCH 221 and Completion of or concurrent enrollment in ARCH 232.

Continuation and extension of the content and issues introduced in ARCH 221, plus the principles, concepts, methods and skills pertaining to the freehand, drafted and digital visualization and communication of quantitative and qualitative information to support analysis and conceptualization.

Transfer: CSU; UC (For UC, maximum of 18 units between ARCH 201, 213, 221, 222, 251 and 252).

230 ARCHITECTURAL COMPUTER AIDED DRAFTING AND DESIGN (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGR 125

Presents the use of computer aided drafting and design software as a tool for generating construction drawings, 3D modeling and design presentations. This course provides an introduction to the use of Architectural Desktop and 3D Studio VIS as it applies to architectural practice.

Transfer: CSU.

232 ARCHITECTURAL DESIGN & PRESENTATION COMPUTER GRAPHICS (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ARCH 221

Introduces computer design and presentation skills for architecture students including image editing, page layout, and 3D modeling.

Transfer: CSU.

242 INTRODUCTION TO ARCHITECTURAL PRACTICE(3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CTCH 250, ARCH 221, and completion of or concurrent enrollment in ARCH 230.

Introduces the concepts and methods associated with the

use and application of construction systems, processes and materials. Emphasis is placed on the standards and conventions used to detail and document light framed construction.

Transfer: CSU.

244 ARCHITECTURAL ENVIRONMENT CONTROL SYSTEMS (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: PHYS 205B

Advisories: Completion of or concurrent enrollment in ARCH 252.

Introduces the theory and application of climate, energy use and comfort as determinates of architectural form. Includes architectural methods of ventilating, cooling, heating, and lighting for envelope-load dominated buildings. Acceptable for credit, CSU, (credit based on portfolio review).

Transfer: CSU.

245 INTRODUCTION TO GREEN BUILDING AND LEED GREEN ASSOCIATE CREDENTIAL PREPARATION(1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: CTCH 250 or ID 276 or Equivalent professional experience.

Explores the environmental impacts of the built environment, principals of green building design and construction, available rating/certification systems for green building, with an in-depth review of the LEED Rating Systems and their applications, specifically the LEED Building Design and Construction (BD&C) Rating System. At the completion of the course, a review will be completed to support preparation to apply for the LEED Green Associate Credential Exam.

Transfer: CSU.

246 GREEN BUILDING AND LEED AP BD+C EXPERIENCE (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ARCH 245 and LEED Green Associate Credential Prep or equivalent professional experience.

Explores the environmental impacts of the built environment, principles of green building design and construction, available rating/certification systems for green building, with an in-depth review and exploration of the LEED Rating Systems and their applications, specifically the LEED Building Design and Construction (BD+C) Rating System. The course will be primarily focused on the partial documentation/certification of a project pursuing LEED certification. At the completion of the course, a review will be completed to support preparation to apply for the LEED AP BD+C Credential Exam.

Transfer: CSU.

Transfer: CSU.

287 BASEBALL DEFENSIVE STRATEGIES (1.00)

3.00 hours per week: (3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Presents the fundamental skills of team baseball and strategies for defense. Students will learn proper fundamentals and strategies for executing game situations, such as cut-offs and relays, run down, first and third defense, and bunt defense.

Repeatable 3 time(s).

Transfer: CSU; UC (UC credit limit of 4 semester credits total in PEAD, KINA, and ATHL courses).

288 BASEBALL OFFENSIVE STRATEGIES (1.00)

3.00 hours per week: (3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Presents the fundamental skills of team baseball and strategies for offense. Students will learn proper fundamentals and strategies for executing game situations, such as, situational hitting, situational bunting, situational running.

Repeatable 3 time(s).

Transfer: CSU; UC (UC credit limit of 4 semester credits total in PEAD, KINA, and ATHL courses).

291 INTERCOLLEGIATE SWIMMING AND DIVING (1.50 to 3.00)

(Formerly ATHL 232)

5.00 - 10.00 hours per week: (5.00 - 10.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Presents an opportunity for physically advanced students to further develop knowledge and skill in the sport of swimming and diving. Appropriate for students desiring the physical, mental and emotional challenges that are inherent in competition.

Repeatable 3 time(s).

Transfer: CSU; UC (UC credit limit of 4 semester credits total in PEAD, KINA, and ATHL courses).

293 SWIMMING & DIVING (0.50 to 1.00)

1.50 - 3.00 hours per week: (1.50 - 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Designed for the intercollegiate swimming and diving athletes off season training program. Techniques of all four competitive strokes and strategies of how to compete as an individual/team will be incorporated. Fundamentals of all dives on the 1Meter and 3Meter diving board will be incorporated also.

Repeatable 3 time(s).

Transfer: CSU; UC (UC credit limit of 4 semester credits total in PEAD, KINA, and ATHL courses).

294 ADVANCE SWIMMING & DIVING (0.50 to 1.00)

1.50 - 3.00 hours per week: (1.50 - 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Designed for the intercollegiate swimming and diving athletes off season training program. Advance techniques of all four competitive strokes and strategies of how to compete as an individual/team will be incorporated. Advance fundamentals of all competitive dives on the 1Meter and 3Meter diving board will be incorporated also.

Repeatable 3 time(s).

Transfer: CSU; UC (UC credit limit of 4 semester credits total in PEAD, KINA, and ATHL courses).

298 SKILL AND TRAINING DEVELOPMENT (0.50)

1.50 hours per week: (1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Provides skills and strategy to prepare students for athletic competition.

Repeatable 3 time(s).

Transfer: CSU.

299 ADVANCED SKILL AND TRAINING DEVELOPMENT (0.50 to 1.00)

1.50 - 3.00 hours per week: (1.50 - 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Students must possess advanced intercollegiate athletics skills and knowledge to participate, which will be determined by the instructor.

Provides advanced skills and strategy to prepare students for athletic competition.

Repeatable 3 time(s).

Transfer: CSU; UC (UC credit limit of 4 semester credits total in PEAD, KINA, and ATHL courses).

AUTOMOTIVE TECHNOLOGY [ATCH]

109 INTRODUCTION TO AUTOMOTIVE COMPUTERS (2.50)

4.00 hours per week: (2.00 lecture hours, 2.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Covers the theory, operation, and basic test procedures for on-board computers found on domestic and imported vehicles. Designed for entry level automotive study.

120 AUTOMOTIVE IGNITION SYSTEMS (2.00)

4.00 hours per week: (1.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Covers modern vehicle ignition system theory, diagnosis, and repair. Includes IT, EI, and Coil-On-Plug systems.

125 ENGINE PERFORMANCE (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ATCH 109, ATCH 120, ATCH 152, or one year in the automotive trade.

Studies automotive engine performance theory and operation including fuel, electrical, emission, and computer systems. Emphasizes tune-up, pollution control, and driveability diagnostic techniques.

127 ENHANCED CLEAN AIR CAR COURSE (1.00)

2.00 hours per week: (1.00 lecture hours, 1.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Completion of or concurrent enrollment in ATCH 164.

Provides training as required by the California Bureau of Automotive Repair to meet Advanced Emission Specialist Technician license requirements. Includes training on Smog Check failure analysis and operation of the Bar-97 dynamometer testing system.

147 INDEPENDENT STUDIES: AUTOMOTIVE TECHNOLOGY (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the technical field in which the study is to be undertaken.

Provides an opportunity for in-depth study or practicum experience by an individual student in a selected topic in the automotive technology area with support and direction from an instructor.

152 INTERNAL COMBUSTION ENGINES (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents the principles of internal combustion engines encompassing design, construction, and application of engine components, including the ignition, cooling, lubricating, fuel systems, and engine tests and measurements.

153 ENGINE OVERHAUL PROCEDURES (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ATCH 152

Presents a lecture and laboratory course covering theory and manipulative skills required for entry-level employment as an Engine Service Technician. Covers information needed to pass A.S.E. Automotive Technician Certification Test for Engine Service Specialist. Covers diagnosis removal, teardown, inspection, machining, reassembly, installation, and break-in of automotive engines.

158 AUTOMOTIVE ELECTRICITY AND ELECTRONICS(4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Studies basic electrical theory, transistors and other semiconductors, as well as batteries, charging systems, cranking systems, lighting, vehicle wiring, and accessory systems.

160 AUTOMOTIVE ELECTRICAL ACCESSORIES (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents electrical and electronic testing, troubleshooting, and repair procedures on the modern vehicle. Covers body and accessory circuits, power options, instrumentation, and interfacing between engine and body control computers.

164 BASIC AREA CLEAN AIR CAR COURSE (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Minimum one year of trade experience in emissions/tune-up or 180 hours (9 semester credits) of accredited training in tune-up, fuel and electrical courses.

Covers the rules and regulations governing the Smog Check Program, inspection procedures using the BAR97 Emissions Inspection System (EIS), and an overview of Onboard Diagnostics II (OBDII). Successful completion of ATCH 164 meets a portion of the requirements for technicians seeking an Emission Basic (EB) or Emission Advanced (EA) Smog Check Technician License.

166 AUTOMOTIVE MAINTENANCE AND LIGHT REPAIR (2.00)

3.00 hours per week: (1.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents theory and practical application of safety inspections, battery service, oil and lubrication, cooling system, ignition system, brake inspection, wheel bearings and minor repairs.

168 AUTOMOTIVE REPAIR BUSINESS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces the many facets of operating an automotive repair business, including entrepreneurship, franchising, market analysis, physical facilities, financing, organization, taxes, insurance, bookkeeping, legal aspects. Material is covered from both the employee's and the employer's point of view.

170 AUTO BODY REPAIR I (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents the fundamentals of automotive body repair. Includes instruction in body construction, welding, metalworking methods and equipment used in the auto body repair industry. Emphasis is placed on developing the knowledge and manipulative skill necessary for gainful employment in the auto body repair industry.

171 ADVANCED AUTO BODY (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ATCH 170

Presents an advanced course in automotive body and fender repair which combines laboratory work on campus and on-site research in a commercial repair facility. This course covers estimating damage, frame alignment, trim work, upholstery removal and installation, shop management, and major collision damage repair. Emphasis is placed on developing the knowledge and manipulative

skill necessary for gainful employment in the automotive collision repair industry.

175 AUTOMOTIVE PAINTING (5.00)

9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Covers surface preparation, selection and application of undercoats, topcoats and other types of refinishing materials and equipment which are compliant with current Air Pollution Control District rulings and laws governing commercial automotive refinishing operations. Addresses health, safety, and environmental concerns relative to the automotive painting industry. Emphasizes development of the knowledge and manipulative skills necessary for gainful employment in the automotive painting industry.

177 ADVANCED AUTOMOTIVE PAINTING (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ATCH 170 and ATCH 175

Advisories: ENGL 156

Presents complete vehicle refinishing, color matching techniques, color theory and custom painting as well as vehicle detailing. Prepares students for employment as an automotive painter.

182 AUTOMATIC TRANSMISSIONS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces fundamental operations, rebuilding procedures, and service of torque converters and automotive automatic transmissions. Provides preparation for Automotive Service Excellence Certification.

186 CHASSIS AND SUSPENSION SYSTEMS (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents suspension geometry and design, wheel alignment, active suspension systems, wheel balancing, tires, and steering systems. Provides training toward Automotive Service Excellence Certification.

187 AUTOMOTIVE FUEL INJECTION AND TURBOCHARGERS (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents both mechanical and electrical fuel injection systems for auto- motive gasoline and diesel fuel engines as well as automotive and light truck turbochargers.

188 AUTOMOTIVE HEATING AND AIR CONDITIONING (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Provides theory and practical application of the function and repair of heating and air conditioning systems as applied to domestic and imported automobiles. Provides training toward Automotive Service Excellence Certification.

193 AUTOMOTIVE TECHNOLOGY SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

195 TECHNICAL CAREER PREPARATION IN AUTOMOTIVE (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Overview of automotive careers with focus on preparing for the job market. Includes discussion of career opportunities in the automotive industry, both union and non-union. Focus on providing the tools necessary to target and obtain a position in the automotive industry.

263 AUTOMOTIVE FUEL SYSTEMS: CARBURETION (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Studies automotive fuel systems including filters, tanks, lines, safety equipment, pumps, carburetors, and computer controlled carburetors.

Transfer: CSU.

269 AUTOMOTIVE TECHNOLOGY INTERNSHIP (3.00)

6.00 hours per week: (1.50 lecture hours, 4.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Successful completion of 12 semester credits of ATCH courses with a 3.0 GPA.

Presents lecture and lab instruction centering around the working environment in the automotive repair industry. Students are assigned to a commercial automotive repair facility for their laboratory experience. Lectures cover such topics as work habits, resumes, interviewing, attitude, safety, labor laws, record keeping, and rules and regulations pertinent to the automotive repair industry.

Transfer: CSU.

280 MANUAL DRIVETRAINS (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents the fundamental operation, service, diagnosis, and repair of clutch assemblies, manual transmissions and transaxles, rear wheel drive (RWD) drive shafts and universal joints, front wheel drive (FWD) half- shafts and constant velocity joints, rear axle assemblies and differentials, and drive axle wheel bearings as applied to automobiles and light duty trucks.

Transfer: CSU.

281 MANUAL TRANSMISSIONS (3.00)
6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: ATCH 109, ATCH 182, ATCH 186, and ENGL 156

Presents the operation, diagnosis, repair, and overhaul of rear wheel drive manual transmissions, front wheel drive manual transaxles, and rear wheel drive axles as applied to automobiles and light duty trucks both foreign and domestic.

Transfer: CSU.

284 BRAKING SYSTEMS (4.00)
6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: ATCH 109 and ENGL 156

Presents automotive braking systems including conventional drum type brakes, disc brakes, vacuum and hydraulic boosters, and anti-lock brake systems. Provides training for licensing by the Bureau of Automotive Repair and by Automotive Service Excellence Certification.

Transfer: CSU.

BIOLOGY [BIO]

193 BIOLOGY SPECIAL TOPIC (0.50 to 4.00)
0.00 hours per week: (0.00 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201A BIOLOGY (5.00)
9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Prerequisites: MATH 127 or equivalent with a grade of C or better and CHEM 210FL or high school chemistry with a grade of C or better
Advisories: ENGL 156

Presents the principles of life and life processes with an emphasis on cellular structure, cellular chemistry, genetics, and life's origins and diversity.

Transfer: CSU; UC.

201B BIOLOGY (5.00)
9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Prerequisites: BIO 201A
Continues BIO 201A with emphasis on plant and animal structure and physiology, evolution, and ecology.
Transfer: CSU; UC.

202 GENERAL BOTANY (5.00)
9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: ENGL 156

Presents a study of structure and function of roots, stems,

leaves, flowers, fruits and seeds of the flowering plants. Includes the characteristics, life cycles, classification, evolution and ecology of cyanobacteria, fungi, algae and vascular plants.

Transfer: CSU; UC.

204 MICROBIOLOGY (5.00)
9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Prerequisites: CHEM 210 or equivalent with a grade of C or better
Advisories: ENGL 156 and BIO 201A

Presents the general facts regarding bacteria and other microbial forms, particularly those that affect general health. Laboratory work includes culture techniques, animal host techniques, and identification of microbes.

Transfer: CSU; UC.

205 HUMAN ANATOMY (4.00)
8.00 hours per week: (2.00 lecture hours, 6.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Advisories: ENGL 156

Studies human anatomy with models and selected preserved material to demonstrate the anatomical systems. Utilizes an audio-tutorial approach to instruction.

Transfer: CSU; UC.

206 GENERAL HUMAN PHYSIOLOGY (5.00)
7.00 hours per week: (4.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Prerequisites: CHEM 210FL or equivalent with a grade of "C" or better, and BIO 205.
Advisories: BIO 201A

Presents the physiology of human body systems with emphasis upon functions of growth, fitness, motion and sensitivity. Lecture and laboratory contents are appropriate for students of biology, nursing, pre-medical and exercise sciences.

Transfer: CSU; UC.

209C COASTAL BIOLOGY FIELD STUDIES (1.00)
3.00 hours per week: (3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Prerequisites: Any 3 unit or greater college level biology course.

Emphasizes observations and techniques used to appreciate and evaluate California's coastal ecosystems. Camping, food, and other expenses will be the responsibility of the students.

Transfer: CSU; UC.

209D DESERT BIOLOGY FIELD STUDIES (1.00)
3.00 hours per week: (3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Presents a field study course on the California deserts. Includes the formation of the deserts and the ecological relationship of desert plants and animals. Practices field techniques used in data collection and analysis. Camping, food, and other expenses will be shared by the students.

UC credit contingent upon UC review.

Transfer: CSU; UC.

209S SIERRA BIOLOGY FIELD STUDIES (1.00)

3.00 hours per week: (3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Any 3 unit or greater college level biology course.

Advisories: ENGL 156

Studies Sierra ecosystems with emphasis on riparian and meadow habitats, Alpine and coniferous forest ecology and grandeur. Practices field study observations and techniques. Camping, food, and other expenses will be the responsibility of students.

Transfer: CSU; UC.

210I ISLAND BIOLOGY (2.00)

4.00 hours per week: (1.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Presents a lecture and field study course on the biology, ecology, and natural history of islands. Includes the study of their ecological and evolutionary history, including colonization and establishment of native plant and animal communities, human impacts, and preservation and conservation of island ecosystems. A field trip will reinforce and elaborate upon lecture material. Field techniques will also be taught on the field trip. Students will be required to maintain and turn in a standardized field notebook. Camping, food, transportation, and other expenses will be the responsibility of the students. Students should be prepared for camping in a coastal environment and for extensive hiking on and off trails over rugged terrain.

Transfer: CSU; UC.

210M ENVIRONMENTAL AND APPLIED MICROBIOLOGY (2.00)

4.00 hours per week: (1.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 201A with a minimum grade of C or better

Presents an examination of microorganisms in the environment including: occurrence, abundance, and distribution; processes of microbial interaction with the environment; importance to human and animal health and practices of applied environmental microbiology.

Transfer: CSU.

210R NATURAL HISTORY OF THE COAST RANGES (2.00)

4.00 hours per week: (1.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 201A

Presents a lecture and field study course on the ecology and natural history of the coast ranges. Includes the study of their geological history, native plant and animal communities, human impacts, and the history and function of the preservation and conservation of ecosystems including the national forest, Bureau of Land Management, and California state parks. A field trip will reinforce and elaborate upon lecture material. Field techniques also will be taught on the field trip. Students will be required

to maintain and turn in a standardized field notebook.

Camping, food, transportation, and other expenses will be the responsibility of the students. Students should be prepared for camping in a moist, coastal environment and extensive hiking on and off trails from sea level to over 2000 feet over rugged terrain.

Transfer: CSU; UC.

211 LIFE SCIENCE (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces the non-biology major to the organization and evolution of life and the structure and function of living systems from cells to biomes. Utilizes the lecture and laboratory approach to instruction.

Transfer: CSU; UC (For UC, no credit if taken after BIO 201A, 201B, or 202).

212 HUMAN BIOLOGY (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces fundamental structural and functional concepts of the human body systems, and their disorders and therapies. Designed for non-science majors and provides an appreciation for popular interests such as fitness, immunity, inheritance, and common medical terminology.

Transfer: CSU; UC.

212L HUMAN BIOLOGY LABORATORY (1.00)

3.00 hours per week: (3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Completion of or concurrent enrollment in BIO 212.

Advisories: ENGL 156

Laboratory to accompany Human Biology (BIO 212), a general education course for non-biology majors and pre-health related fields. Provides an introduction to the biology of the human species, designed to create an awareness and understanding of the human body functions, human's place in nature and the mechanics of human heredity. Provides direct participation in experiments, demonstrations, and discussions. Topics include elements of human anatomy and physiology, nutrition, disease, elements of human heredity and environmental adaptations, and interpretations of relevant current topics in biology.

Transfer: CSU; UC.

213 GENETICS IN SOCIETY (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces basic principles of genetics and heredity. Emphasizes current advances in genetics, including stem cell research, cloning, cancer, and genetically modified crops. Investigates the social consequences and ethical implications of biotechnology in medicine and agriculture.

Transfer: CSU; UC.

216 PLANTS & PEOPLE (4.00)
6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade Only

Designed for plant enthusiasts who do not have a strong science background. Includes the basic structure, physiology, reproduction, taxonomy, evolution, and ecology of plants. Discusses varied uses of plants by people of different cultures throughout history. Laboratory work includes setting up experiments, growing, and propagating plants. Students will also learn basic gardening techniques and how to design water-efficient sustainable gardens using California native plants.

Transfer: CSU; UC.

220 ENVIRONMENTAL BIOLOGY (3.00)
3.00 hours per week: (3.00 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: ENGL 201A

Presents a study of biological concepts, processes, and organismal biology, including scientific methodology, metabolism, genetics, evolution and ecology. These concepts are used to assess environmental issues including human population growth, biodiversity, biological conservation, pollution, and resource and energy use.

Transfer: CSU; UC.

220L ENVIRONMENTAL BIOLOGY LAB (1.00)
3.00 hours per week: (3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Prerequisites: Completion of or concurrent enrollment in BIO 220.
Advisories: ENGL 201A

Presents an optional laboratory course designed to complement BIO 220, Environmental Science. Applies and expands knowledge gained in BIO 220 through field trips, laboratory investigations, and special projects.

Transfer: CSU; UC.

221 GENERAL ECOLOGY (4.00)
6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)
Advisories: ENGL 156 and MATH 007

Studies plant and animal communities emphasizing the interrelationships of living organisms and their living and non-living environment. The emphasis in lecture is on major principles describing these interrelationships including evolution, energy flow and nutrient cycling via food webs, competition, and predation. The emphasis in the laboratory is on the gathering and interpretation of ecological data in lab and field.

Transfer: CSU; UC.

222 MARINE BIOLOGY (3.00)
3.00 hours per week: (3.00 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Presents and integrates aspects of marine processes, organisms, and ecology. Provides a general overview of marine biology, research, and human impacts on marine environments.

Transfer: CSU; UC.

222L MARINE BIOLOGY LABORATORY (1.00)
3.00 hours per week: (3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Prerequisites: Completion of or concurrent enrollment in BIO 222.

Presents an applied, optional course designed to augment BIO 222, through laboratory and field investigations.

Transfer: CSU; UC.

224 PRINCIPLES OF NATURAL HISTORY (3.00)
5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: ENGL 156

Presents an ecological approach to the natural history of terrestrial plants and animals in California. Emphasizes classification, relationships to environment, interrelationships, problems of life, economic importance, and field biology techniques.

Transfer: CSU; UC.

247 INDEPENDENT STUDIES: BIOLOGY (0.50 to 2.00)
1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of biology under the direction of an instructor.

Transfer: CSU.

BROADCAST COMMUNICATIONS [BCST]

193 BROADCAST COMMUNICATIONS SPECIAL TOPIC (0.50 to 4.00)
0.00 hours per week: (0.00 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

221 INTRODUCTION TO ELECTRONIC MEDIA (3.00)
3.00 hours per week: (3.00 lecture hours)
Associate Degree Applicable
Letter Grade Only
Advisories: ENGL 156

Presents a survey of electronic media including radio, television, film and digital media and their impact on culture and society in context with preexisting models; includes history, economics, technological development, programming, ratings, legal aspects, and social aspects of broadcasting in America with cross-cultural and international comparisons.

Transfer: CSU.

223 VIDEO OPERATIONS (3.00)
3.00 hours per week: (3.00 lecture hours)
Associate Degree Applicable
Letter Grade Only

Advisories: ENGL 156

Presents the theory and demonstration of video control room and studio equipment. Offers beginning students a comprehensive overview of video studio and field operations, technical fundamentals, and basic program production.

Transfer: CSU.

224A AUDIO PRODUCTION (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents the theory and practice of audio techniques in radio, television, film, and multimedia, including acoustics, audio language and terms, signal flow, use of microphones, use of mixers and related production equipment, and the aesthetic aspects of sound mixing. Students will apply their knowledge to create audio productions in class and on the college radio station, KGUR 105.3 FM.(FT)

Transfer: CSU.

225A VIDEO STUDIO PRODUCTION (3.00)

7.00 hours per week: (1.00 lecture hours, 6.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Completion of or concurrent enrollment in BCST 223.

Provides an introduction to the theory, terminology, signal flow and operations within a multicamera television studio and control room; includes TV history, TV aesthetics directing, the operation of broadcast quality video cameras, audio equipment, switchers, the fundamentals of lighting, computer generated graphics, video control and recording.

Transfer: CSU.

225B FIELD VIDEO PRODUCTION AND EDITING (3.00)

CHEMISTRY [CHEM]

193 CHEMISTRY SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201A GENERAL COLLEGE CHEMISTRY I (5.00)

7.00 hours per week: (4.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127 or its equivalent with a grade of C or better and CHEM 210FL, High School Chemistry or

equivalent with a grade of C or better

Presents the first semester of a one-year course in the fundamental principles of chemistry. Topics intended primarily for science and engineering majors in the fundamental principles of chemistry. Topics covered include kinetic-molecular treatment of gases, atomic structure and the periodic law, thermochemistry, chemical bonding, correlation of structure with properties, quantitative relationships in chemical reactions, chemical formulas and equations. Laboratory work includes a study of precision and accuracy, standard methods of gravimetric and volumetric analysis, and computer acquisition and analysis of data.

Transfer: CSU; UC.

201B GENERAL COLLEGE CHEMISTRY II (5.00)

7.00 hours per week: (4.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CHEM 201A

Presents advanced general chemistry topics as a continuation of Chemistry 201A. Topics covered include chemical kinetics, thermodynamics, aqueous equilibria, free energy, entropy, electrochemistry, coordination chemistry, nuclear, and organic chemistry. Laboratory work includes quantitative and qualitative analysis with computer acquisition and analysis of data.

Transfer: CSU; UC.

201X APPLIED PROBLEMS FOR GENERAL CHEMISTRY (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Corequisites: CHEM 201A

Supplements Chem 201A to further develop general chemistry skills and conceptual understanding. Provides the opportunity for additional assistance in developing and mastering problem-solving abilities.

Transfer: CSU.

210FL INTRODUCTORY CHEMISTRY WITH FACILITATOR ASSISTED LEARNING (4.00)

7.00 hours per week: (3.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 123 or equivalent

Presents an introduction to chemistry and chemical laboratory techniques and methods, including a survey of important chemical principles and a description of the elements and their compounds. One lab hour per week will utilize Facilitator Assisted Learning to practice problem solving.

Transfer: CSU; UC (For UC, no credit if taken after CHEM 201A).

211 INTRODUCTORY ORGANIC/BIOCHEMISTRY (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CHEM 210FL or equivalent

Presents a semester course of organic and biochemistry. The classification, structure, reactions, bioenergetics, biosynthesis, and chemical communication of organic

compounds are studied. In the laboratory, techniques and types of reactions are studied.

Transfer: CSU; UC (For UC, maximum credit of once course between CHEM 211 and CHEM 212A).

212A ORGANIC CHEMISTRY (5.00)

9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CHEM 201B

Presents the first semester of a one-year course in organic chemistry. The structure and physical properties of the aliphatic, alicyclic and aromatic compounds are correlated with attention to nomenclature and reaction mechanisms. The concepts of stereochemistry, nucleophilic substitution, electrophilic addition and spectroscopy will be introduced. In the laboratory, separation techniques and synthesis reactions will be performed.

Transfer: CSU; UC (For UC, maximum credit of once course between CHEM 211 and CHEM 212A).

212B ORGANIC CHEMISTRY (5.00)

9.00 hours per week: (3.00 lecture hours, 6.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CHEM 212A

Presents the second semester of a one-year course in organic chemistry. The study of reaction types and mechanisms will be correlated with structures. In addition, carbohydrates, fats, proteins and nucleic acids will be studied in conjunction with certain cellular processes. Organic synthesis, structural features, and literature materials will be studied.

Transfer: CSU; UC.

245A INTRODUCTION TO CHEMISTRY FACILITATOR ASSISTED LEARNING (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Advisories: CHEM 210FL or CHEM 201A

Prepares students to facilitate Introductory Chemistry by developing interpersonal skills, understanding of the learning process, and effectiveness as a facilitator. Introduces practical applications of facilitator assisted learning (FAL) in small groups of chemistry students.

Transfer: CSU.

245B ADVANCED CHEMISTRY FACILITATOR ASSISTED LEARNING (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Examines advanced approaches to facilitating Introductory Chemistry using interpersonal skills and knowledge of learning processes to increase effectiveness as a facilitator. Analyzes and implements facilitator assisted learning (FAL) techniques as applied to small groups of chemistry students.

Transfer: CSU.

245C CHEMISTRY FACILITATOR ASSISTED LEARNING MENTOR (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: CHEM 245B

Analyzes facilitator assisted learning (FAL) techniques by acting as a mentor to beginning facilitators. Advanced approaches to facilitating Introductory Chemistry will be applied to small groups of Introductory Chemistry students.

Transfer: CSU.

COLLEGE SUCCESS STUDIES [CSS]

005 COLLEGE SUCCESS STUDIES

LABORATORY (0.50 to 1.00)

(Formerly ACSK 005)

1.50 - 3.00 hours per week: (1.50 - 3.00 lab hours)

Associate Degree Non-Applicable

Pass/No Pass Only

Provides students with specialized programs designed to improve basic skills in reading, spelling, grammar, vocabulary, mathematics, study skills, and English as a Second Language. Students work independently and at their own pace using computers, audio-tutorial tapes, and supplemental materials. Laboratory time is arranged with the instructor.

036 READING ESSENTIALS (3.00)

(Formerly ACSK 036)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Promotes understanding and retention of textbook information. Explores myths and misconceptions of the reading process and facilitates increased reading efficiency. Promotes interpretive and application skills of comprehension and develops vocabulary through the integration of content area materials.

058 GRAMMAR ESSENTIALS (2.00)

(Formerly ACSK 058)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Focuses on the basic grammar, punctuation, and usage skills essential for effective writing. Provides extensive practice to apply and reinforce written language skills with an emphasis on identifying and correcting common sentence errors.

099 NON-CREDIT SUPERVISED TUTORING (0)

(Formerly ACSK 099)

4.00 hours per week: (4.00 lab hours)

Associate Degree Non-Applicable

Non-Credit/Non-Graded

Prerequisites: Enrollment in a Cuesta College credit course and referral by a counselor and/or instructor.

Provides non-credit basic skills and all other content area courses supervised tutoring for students one-to-one and in small groups. Includes assessment of study skills, exam reviews and study sessions.

Repeatable.

120 LEARNING ESSENTIALS FOR COLLEGE SURVIVAL (1.50)

(Formerly ACSK 120)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Presents essential study methods that promote college success. Including, but not limited to; managing and maximizing learning and study time; critical thinking; levels of comprehension; understanding textbooks and other written material; active listening and notetaking strategies; test preparation: synthesizing and reviewing course content; test taking strategies; and campus resources.

121 STRATEGIC TEXTBOOK STUDY (0.50)

(Formerly ACSK 121)

0.50 hours per week: (0.50 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Enhances effective reading strategies necessary for comprehension and retention of college textbook information. Focuses on self-regulating learning strategies for metacognition, active reading, note-taking, rate flexibility, vocabulary development, and inferential and critical reading.

168 TUTOR TRAINING: SELECTED TOPICS (0.50 to 1.00)

(Formerly ACSK 168)

0.50 - 1.00 hours per week: (0.50 - 1.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Provides specialized information and guided practice in designated topics or projects. Tutors gain expertise in subject areas not offered in other tutor training courses. An appointment with the Tutorial Services Coordinator prior to enrollment is strongly advised.

225 COLLEGE SUCCESS (3.00)

(Formerly ACSK 225)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

A comprehensive course that integrates personal growth and values, academic study strategies, and critical and creative thinking proficiency. This survey course focuses on life management, learning styles, personal and educational values, time management, instructor-student relations, maintaining health, memory and concentration, lecture note-taking, textbook studying, subject-specific studying, test taking, using the library, critical analysis, problem solving, and creative thinking. Emphasis is on the attainment of life-long success in academic, professional and personal development.

Transfer: CSU; UC.

227 TEST AND PERFORMANCE ANXIETY (1.50)

(Formerly ACSK 227)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Explores the relationship between the physiological, psychological, and emotional responses to test and performance anxiety. Course investigates the theories of stress and anxiety and offers guided practice in the cognitive, meditative, and biofeedback-aided techniques to manage anxiety while taking a test, succeeding in math, giving a speech, and/or competing in a sports event.

Transfer: CSU.

COMMUNICATION STUDIES [COMM]

193 COMMUNICATION STUDIES SPECIAL TOPIC (0.50 to 4.00)

0.00 - 0.00 hours per week: (0.00 - 0.00 lecture hours, 0.00 - 0.00 lab hours)

Associate Degree Applicable

Examines a special topic in the field of study related to the discipline offering this course.

201A PUBLIC ADDRESS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces public speaking with an emphasis on clear, logical organization and effective delivery of expository and persuasive speeches.

Transfer: CSU; UC.

210 SMALL GROUP COMMUNICATION (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Explores the theories, techniques, and methods of small group communication. Develops participation and leadership skills of effective communicators within the small group setting by focusing on problem-solving, decision making, conflict resolution, dimensions of diversity, responsibilities of group members, and managing the group process. Provides applied practice through group activities, group presentations, and project group work. Involves regular outside of class group meetings.

Transfer: CSU.

212 INTERCULTURAL COMMUNICATION (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Focuses on the importance of culture and its effect on communication. Examines interactive patterns of communication across various cultural contexts (international, ethnic, gender, and class) and assess different methods and techniques of adapting communication to enhance and overcome the difficulties of intercultural communication. Analyzes how cultures adapt, borrow, communicate verbally and non-verbally, and are represented in a diverse world.

Transfer: CSU; UC.

215 ARGUMENTATION AND DEBATE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Building, defending, and refuting arguments in formal and informal settings. Evaluation and use of evidence, reasoning, and sources. Emphasis on oral advocacy and debate skills such as organization, refutation, cross examination, and audience adaptation. Students will debate and communicate arguments orally.

Transfer: CSU; UC.

247 INDEPENDENT STUDIES: SPEECH (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of speech under the direction of an instructor.

Transfer: CSU.

COMPUTER APPL/OFFICE ADM [CAOA]

120A BEGINNING COMPUTER KEYBOARDING AND DOCUMENT PROCESSING (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Designed for all students whose keyboarding skill will be primary and/or secondary to their vocation and/or personal use. Provides basic keyboarding skills by touch, using a microcomputer with a 10-key pad. Includes basic formatting instructions for letters, tables, and reports.

120B INTERMEDIATE COMPUTER KEYBOARDING AND DOCUMENT PROCESSING (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CAOA 246 or CAOA 251A, CAOA 251B and CAOA 251C

Designed for all students whose keyboarding skill will be primary and/or secondary to their vocation and/or personal use. Provides the primary purposes of building speed and accuracy and arranging letters, memos, reports, business forms and tables in proper format.

129 COMPUTER APPLICATIONS/OFFICE ADMINISTRATION INTERNSHIP (3.00)

8.00 hours per week: (0.50 lecture hours, 7.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Provides students an opportunity to experience the responsibilities of an office employee in a business setting.

162 INTRODUCTION TO BEGINNING COMPUTER KEYBOARDING (1.00)
1.50 hours per week: (0.75 lecture hours, 0.75 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Introduces typing fundamentals, machine functions, keyboard use, and speed and accuracy drills. Designed to develop a minimum typing speed of 20 words a minute.

266 INTRODUCTION TO COMPUTER BASICS (1.00)
1.50 hours per week: (1.00 lecture hours, 0.50 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Covers the basics of the computer's Windows operating system. Includes working with folders and files, customizing the operating system environment, using a browser to explore and search the World Wide Web.

Transfer: CSU.

520A BEGINNING COMPUTER KEYBOARDING AND DOCUMENT PROCESSING (0)
5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)
Associate Degree Non-Applicable
Non-Credit/Non-Graded
Advisories: ENGL 156

Designed for all students whose keyboarding skill will be primary and/or secondary to their vocation and/or for personal use. Provides basic keyboarding skills by touch, using a microcomputer with a 10-key pad. Includes basic formatting instructions for letters, tables, and reports.

Repeatable.

520B INTERMEDIATE COMPUTER KEYBOARDING AND DOCUMENT PROCESSING (0)
5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)
Associate Degree Non-Applicable
Non-Credit/Non-Graded

Advisories: CAO A 251A, CAO A 251B and CAO A 251C or CAO A 120A, CAO A 520A, CAO A 246 or ability to type 30 words per minute

Designed for all students whose keyboarding skill will be primary and/or secondary to their vocation and/or personal use. Provides the primary purposes of building speed and accuracy and arranging letters, memos, reports, business forms and tables in proper format.

Repeatable.

520S SPEED AND ACCURACY COMPUTER KEYBOARDING (0)
4.00 hours per week: (1.00 lecture hours, 3.00 lab hours)
Associate Degree Non-Applicable
Non-Credit/Non-Graded

Advisories: Ability to type 20 words per minute or successful completion of CAO A 120A.

Increases skills in typing speed and accuracy. Emphasizes keyboarding basics through keystoking analysis and corrective drills.

Repeatable.

562 INTRODUCTION TO BEGINNING COMPUTER KEYBOARDING (0)
1.50 hours per week: (0.75 lecture hours, 0.75 lab hours)
Associate Degree Non-Applicable
Non-Credit/Non-Graded

Introduces typing fundamentals, machine functions, keyboard use, and speed and accuracy drills. Designed to develop a minimum typing speed of 20 words a minute.
Repeatable.

COMPUTER INFORMATION SYSTEMS [CIS]

103 FUNDAMENTALS OF PROGRAMMING FOR THE INTERNET (2.00)
3.00 hours per week: (1.50 lecture hours, 1.50 lab hours)
Associate Degree Applicable
Letter Grade Only

Presents concepts of writing computer programs for use on the Internet. Includes techniques for problem analysis, software design, implementation, and verification with particular reference to object-oriented programming.

106 SERVER-SIDE PROGRAMMING (4.00)
4.00 hours per week: (4.00 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: CIS 103 or CIS 201

Emphasizes the creation of interactive internet applications using a server-side language. Topics include core features of the language, control structures, functions, arrays, form validation, regular expressions, and database-driven internet applications.

154 ESSENTIALS OF MS OUTLOOK (2.00)
(Formerly CAO A 154)
2.00 hours per week: (2.00 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: CIS 210

Introduces the computer user to an electronic desktop information management (DIM) system; a central location from which to create, view, and organize all computer information. Simplifies organizational tasks, journal entries, works with Web addresses by allowing the storage, management and navigation to web sites.

156 TEST PREP FOR MICROSOFT OFFICE SPECIALIST (MOS) CERTIFICATION (0.50)
(Formerly CAO A 156)
0.50 hours per week: (0.50 lecture hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Provides students with the opportunity to become a Specialist in the Microsoft office programs (Word, Excel, Powerpoint, Access or Outlook.) Includes unlimited review and practice tests along with test-taking strategies. Upon completion of class, student will be prepared to take MOS certification exams.

173 ADOBE ACROBAT (1.50)
(Formerly CAO A 173)
2.00 hours per week: (1.25 lecture hours, 0.75 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass

Presents primary instruction in the use of Adobe Acrobat Professional. Students learn how to create Adobe PDF files from: Microsoft Office programs, popular author-

ing programs, image files and Web pages. In addition, students will learn reviewing and commenting on existing PDF files; customizing output quality by compressing and reducing file sizes; adding signatures and security to documents, converting paper forms to interactive online forms; creating multi-media presentations that include sound files. Course also teaches using Adobe Live Cycle Designer to create interactive forms from scratch.

193 COMPUTER INFORMATION SYSTEMS SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

193H COMPUTER GAME DESIGN AND DEVELOPMENT (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides students with insights and experience with game design and development.

193I TECHNOLOGY PROJECT (2.00)

3.00 hours per week: (1.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Develop a complete project for release. Includes specification and implementation of the project. Workshops on entrepreneurial skills to bring the project to market.

201 INTRODUCTION TO COMPUTER SCIENCE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Solving problems using computers. Introduces computer programming and algorithmic thinking.

Transfer: CSU; UC.

203 IOS DEVELOPMENT I (3.00)

0 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides the basics in mobile development for the iOS (iPhone, iPad, iPod, et al) platform. Covers the fundamentals of iOS development, standard development tools and resources, and an introduction to the Objective C language.

Transfer: CSU.

204 IOS DEVELOPMENT II (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: CIS 203

Provides in-depth material on intermediate facets of mobile development for the iOS (iPhone, iPad, iPod, et al) platform. Covers the enhanced methods of iOS development, development tools and resources, and additional features of Objective C language. Prepares students to release professional quality applications.

Transfer: CSU.

207 ANDROID DEVELOPMENT I (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides the basics in mobile development for the Android platform. Covers the fundamentals of Android development, standard development tools and resources, and an introduction to the Java language.

Transfer: CSU.

208 ANDROID DEVELOPMENT II (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: CIS 207

Provides in-depth material on intermediate facets of mobile development for the Android platform. Covers the enhanced methods of Android development, development tools and resources, and additional features of the Java language. Prepares students to release professional quality applications.

Transfer: CSU.

210 INTRODUCTION TO COMPUTER APPLICATIONS(4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces computer terminology, relationship between hardware and software, computer operating systems and application software such as word processing, spreadsheet, database management programs, Web features, and linking between application programs.

Transfer: CSU; UC.

215 ADVANCED BUSINESS APPLICATIONS (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CIS 210

Integrate advanced skills and problem solving abilities using word processing, spreadsheet and database applications to complete business projects.

Transfer: CSU.

217 "C" PROGRAMMING LANGUAGE (3.00)

4.00 hours per week: (3.00 lecture hours, 1.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Presents a course in programming computers using the ANSI "C" programming language. Includes techniques for analyzing problems and devising algorithms for the computer solution of problems requiring the use of elementary algebraic concepts.

Transfer: CSU; UC.

231 FUNDAMENTALS OF COMPUTER SCIENCE I (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: CIS 201

Presents the fundamentals of an engineering approach to software development. Includes techniques for problem

analysis and software design, implementation and verification. Includes algorithmic problem solving using basic procedural constructs and solving computational problems requiring an understanding of intermediate algebraic concepts. Introduction to object oriented programs, graphical user interfaces and software engineering.

Transfer: CSU; UC.

232 FUNDAMENTALS OF COMPUTER SCIENCE II (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Continues the fundamentals of algorithmic problem solving and applications in the engineering of modern computer software using procedural and object-based methods and object oriented programming languages. Presents the principles of abstract data types, including the specification and implementation of simple abstractions such as tables, stacks, queues and lists. Includes basic searching and sorting algorithms and introduces the analysis of algorithms and recursion.

Transfer: CSU; UC (For UC, both CIS 232 and 233 must be completed in order to receive transfer credits).

233 FUNDAMENTALS OF COMPUTER SCIENCE III (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces advanced concepts including: theory, generic programming implementation, applications, and analysis of associated algorithms including lists, stacks, queues, hash tables, trees, and graphs, recursion, iteration, searching, and sorting algorithms and analysis.

Transfer: CSU; UC (For UC, both CIS 232 and 233 must be completed in order to receive transfer credits).

240 MICROCOMPUTER ARCHITECTURE & PROGRAMMING (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGR 219

Presents basic microprocessor concepts including internal architecture, memory, addressing, and control through the use of assembly language. Students will write a variety of assembly language programs to perform logic functions and high speed hardware control operations. The use of assemblers, linkers, and debugging tools will be explored.

Transfer: CSU; UC.

241 DISCRETE STRUCTURES (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduction to structures of computer science: numbers, sets, relations, functions and trees. This course includes propositional and predicate logic, applications of predicate logic: preconditions, postconditions, invariants, guards; inductive proofs; applications to verification of algorithms; introduction to complexity of algorithms.

Transfer: CSU; UC.

247 INDEPENDENT STUDIES: COMPUTER & INFORMATIONAL SCIENCE (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of computer and information science under the direction of an instructor

Transfer: CSU.

271 COMPUTER GAME DESIGN (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides students with insights and experience with game design and development.

Transfer: CSU.

COMPUTER AND NETWORKING TECH [CNET]

100 CERTIFICATION PREPARATION AND TESTING (0.50)

1.50 hours per week: (1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides students with tools to prepare for and complete popular certification tests such as CompTIA A+, Server+, Net+ and Cisco CCNA as well as others. Test Vouchers may become available through certification providers and testing will be scheduled in-class.

121 INTRODUCTION TO COMPUTER OPERATIONS (2.50)

3.50 hours per week: (2.00 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces basic computer and operating system functions and operation. Includes overview of PC hardware components, interface devices, operating system purpose and uses. Provides hands on training in graphical user interface and command window operation, software installation and configuration.

218 WIRELESS NETWORK COMMUNICATION AND ADMINISTRATION (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: EET 213

Includes topics related to wireless networking and communications that address the Certified Wireless Network Administrator (CWNA) certification. This is an introductory course with broad exposure to the wireless communication field. General coverage of wireless transmissions, wireless network administration, and wireless connectivity will be addressed.

Transfer: CSU.

220 MICROCOMPUTER ARCHITECTURE AND PROGRAMMING (2.00)

4.00 hours per week: (1.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: CIS 214 and EET 216

Presents basic microprocessor concepts including internal architecture, memory, addressing, and control through the use of assembly language. Students will write a variety of assembly language programs to perform logic functions and hardware control operations. The use of assemblers, linkers, and debugging tools will be explored.

Transfer: CSU.

221 COMPUTER WORKSTATION ADMINISTRATION (3.00)
5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade Only

Presents the fundamental structure and functions of computer operating systems: file systems, memory management, networked communications, resource scheduling, information sharing and security. By using the Windows operating system as our principle example, students are prepared to take the Microsoft Certified Technical Specialist (MCTS) Exam: Installing, Configuring, and Administering Windows.

Transfer: CSU.

235 COMPUTER SYSTEM SECURITY (4.00)
6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Advisories: CNET 221 or CNET 122

Conducts a comprehensive examination of the types of attacks launched against networks and computer system. Teaches students how to use network security products, operating system security features, and other hardware/software based tools to counter these threats.

Transfer: CSU.

253 MICROCOMPUTER FUNDAMENTALS FOR TECHNICIANS (3.00)
5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade Only
Advisories: EET 213

Introduces fundamental concepts involved with upgrading and repairing personal computer systems. Includes topics on the "A+" computer service technician certification. Lectures and labs will cover internal microcomputer operation, operating systems, primary and secondary storage methods (system memory modules and disk drives), adapter cards, serial and parallel ports, and power supplies. Different components and subsystems will be compared and evaluated based on performance specifications and design considerations.

Transfer: CSU.

254 SERVER MAINTENANCE AND ADMINISTRATION (4.00)
6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: CNET 253 and CNET 221

Prepares the student for the Microsoft Server Administration certification in a VMware virtualization environment.

The course builds on concepts taught in the Microcomputer Fundamentals and Operating System Concepts courses. Topics include server architecture, RAID controller configuration, server virtualization and server operating system administration, iSCSI SAN configuration for VMware Cold Migration backups, vMotion and High Availability.

Transfer: CSU.

255 COPPER AND FIBER OPTIC CABLING (4.00)
6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)
Associate Degree Applicable
Letter Grade or Pass/No Pass
Advisories: MATH 123

Addresses topics on industry standard network cabling certification tests. Presents basic concepts in both copper and fiber optic network cabling and its application to network infrastructure. Basic terminology, cable types, wiring structures, installation factors and techniques will be discussed. LAN topologies, wiring technology, management, and standards will be investigated and applied to lab practice. Termination techniques for both multi-category twisted pair and fiber optic connectors will be studied and applied. Testing and troubleshooting of network cabling and terminations using wiremap, performance testers, optical test sets and optical time domain reflectometers will be explored. Certification testing at the end of the course will be offered..

Transfer: CSU.

260 NETWORKING FUNDAMENTALS (2.50)
3.50 hours per week: (2.00 lecture hours, 1.50 lab hours)
Associate Degree Applicable
Letter Grade Only
Advisories: CNET 253

Introduces students to the TCP/IP networking protocols, network topologies and media, and internetworking devices. Students will use sophisticated network design, configuration, and analysis CAD tools to select different networking media types, implement cabling and wiring connections, and develop IP addressing and subnetting schemes.

Transfer: CSU.

261 ROUTER THEORY AND TECHNOLOGY (2.50)
3.50 hours per week: (2.00 lecture hours, 1.50 lab hours)
Associate Degree Applicable
Letter Grade Only
Advisories: CNET 260

Introduces students to dynamic routing and packet switching concepts, routing tables and interface configuration, IPv4 and IPv6 addressing schemes, and network security (IPSec) protocols. Configuration and troubleshooting activities will focus on IPSec (data encryption and security), OSPF (Open Shortest Path First), and EIGRP (Enhanced Interior Gateway Routing Protocol).

Transfer: CSU.

262 LOCAL AREA NETWORKS (2.50)
3.50 hours per week: (2.00 lecture hours, 1.50 lab hours)
Associate Degree Applicable
Letter Grade Only
Advisories: CNET 260

Presents Local Area Network architecture and design,

including the Spanning-Tree Protocol and Virtual LANs, integration of switched and wireless technology, and wireless security concepts and configuration. This course continues preparation for the Cisco Certified Network Associate (CCNA) Exam.

Transfer: CSU.

263 WIDE AREA NETWORKS (2.50)

3.50 hours per week: (2.00 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: CNET 260

Presents the technology, concepts, and protocols used for interconnecting networks and users through the wide area telecommunications infrastructure. Topics include the Point-to-Point Protocol (PPP), DSL and cable modem connections, Frame Relay, Virtual Private Networks (VPNs), as well as wide area network addressing and security solutions (IPv6 and IPSec) This course completes preparation for the Cisco Certified Network Associate (CCNA) Exam.

Transfer: CSU.

CONSTRUCTION TECHNOLOGY [CTCH]

100 WORKPLACE SAFETY (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces safety topics that address the OSHA 10 and 30 hour training requirements. Topics including OSHA safety and health standards, common violations, OSHA regulations, whistle blower rights, record keeping rules, fall protection, fire protection, electrical safety, hazard communications, personal protective equipment and emergency planning.

163 CONSTRUCTION MANAGEMENT (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents the principles and practices of construction management for small firms, with emphasis on marketing, cost accounting, job costing, ownership structure, financing, legal requirements, and construction bonding.

164 BLUEPRINT READING (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156 and CTCH 250

Introduces basic skills in interpreting blueprints used in construction and interpreting requirements of a plan check. Covers architectural working drawings of residential, light construction, and commercial buildings. Provides an overview of building code provisions in a plan check.

168 RESIDENTIAL PLUMBING (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces basic residential plumbing theory, installation techniques, plan reading and estimating methods.

169 RESIDENTIAL WIRING (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 250

Introduces basic residential wiring skills. Includes basic electrical theory, installation techniques, basic plan reading, estimating and wiring methods.

171 HOMEBUILDING - LAYOUT AND CONCRETE I (3.00)

(Formerly CTCH 171A)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 250

Provides basic instruction in the skills required for employment in building construction. Includes instruction in tool, equipment, and construction site safety, surveying, blueprint reading, concrete formwork, backhoe operations, and concrete flatwork.

172 HOMEBUILDING - FLOOR AND WALL FRAMING I (3.00)

(Formerly CTCH 172A)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 250

Provides basic instruction in the skills required for employment in building construction. Includes instruction in rough carpentry, floor systems, wall framing, ceiling joists, exterior siding, shear walls, trusses, windows and roof sheathing, and fireplaces.

173 HOMEBUILDING - ROOF FRAMING I (3.00)

(Formerly CTCH 173A)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 250

Introduces types of roof and stair systems, roofing, estimating live and dead loads, and specialized structural systems.

174 HOMEBUILDING - FINISH CARPENTRY I (3.00)

(Formerly CTCH 174A)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 250

Provides basic instruction in the skills required to install interior and exterior doors, cabinet systems, interior and exterior trim, including stair cases, wainscot, decks and railings. Also covers basic millwork and machine use for making special moldings.

175 BASIC HEATING, REFRIGERATION AND AIR CONDITIONING (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduces residential gas heating, commercial refrigeration, and residential air conditioning. Includes demonstrations and systematic problem solving of electrical and mechanical malfunction .

176 BASIC WATER TREATMENT (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: MATH 123

Prepares the student to become a Water Treatment Plant Operator, Grade 1 or Grade 2. Includes the study of plant operation, water sources and treatment, reservoir management, coagulation and flocculation, sedimentation, filtration, disinfection, taste and odor control, and corrosion control.

177 WATER DISTRIBUTION SYSTEMS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: MATH 123

Prepares the student to be an operator for water storage and distribution systems. Provides an understanding of the basic operational and maintenance concepts of water distribution systems. Develops the ability to analyze and solve problems such as tastes and odors, corrosion damage, and system failures when they occur.

180A BUILDING CODE I, ARCHITECTURAL DESIGN PROVISIONS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 250 and eligibility for ENGL 156.

Introduction to the Building Code, concentrating on the permit process and fundamental architectural design requirements involving occupancies, maximum allowable area, type of construction, proximity to property lines, exiting, fire protection, disabled access, elevators, and construction safety. This course is the first in a series of two which will familiarize the student with building code provisions relating to the design and construction of residential and commercial structures. The emphasis will be on requirements which limit or specify the building space to be created.

180B BUILDING CODE II, STRUCTURAL DESIGN AND MATERIAL PROVISIONS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Application of the Building Code, concentrating on basic structural requirements for wood, concrete, steel, and masonry construction. The course will cover code provisions for site preparation, foundations, roofing, and interior/ exterior finish materials. This course is the second in a series of two which will familiarize the student with building code provisions relating to the design and construction of residential and commercial structures. The emphasis will be on requirements relating to the structural design of the building and the materials used to create the building space.

181 NATIONAL ELECTRICAL CODE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CTCH 169 and ENGL 156

Introduces the use of the National Electrical Code. Promotes an understanding of the electrical code necessary to the installation of such systems and the need to safeguard the public through uniformity and safety in building laws.

183 COMMERCIAL AND INDUSTRIAL WIRING SYSTEMS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: CTCH 169 and EET 213

Presents planning, construction, and testing of a typical commercial electrical installation including: plans and specifications, applicable codes, load calculations, wire sizing, conduit fill analysis and bending, branch circuits, feeders, grounding practices, transient surge suppression, uninterruptable power supply selection and installation techniques. Additionally studies the responsibilities and knowledge required for professional industrial and commercial electricians working under current state certification requirements including: industrial electrical service power and lighting, feeder bus systems, panel boards, hazardous locations, power factor, ballasts, transformers, switching systems, grounding and bonding, installation techniques, and applying code requirements to all aspects of commercial and industrial wiring systems. Course developed in conjunction with the California Apprenticeship Council's standards for the State Electrical Certification Examination. Same course as EET 183.

183A COMMERCIAL WIRING AND ELECTRICAL SYSTEMS (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CTCH 169 or 2 years experience in the electrical field.

Presents planning, construction, and testing of a typical commercial electrical installation including: plans and specifications, applicable codes, load calculations, wire sizing, conduit fill analysis and bending, branch circuits, feeders, grounding practices, transient surge suppression, uninterruptable power supply selection and installation techniques. Course developed in conjunction with the California Apprenticeship Council's standards for the State Electrical Certification Examination.

183B INDUSTRIAL WIRING AND ELECTRICAL SYSTEMS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CTCH 169 or 183A or 2 years experience in the electrical field.

Studies the responsibilities and knowledge required for professional industrial electricians working under current state certification requirements including: the industrial electrical service, power and lighting, feeder bus systems,

panelboards, fiber optics and other high bandwidth data cabling systems, harmonics and filtering, hazardous locations, power factor, ballasts, transformers, switching systems, grounding and bonding, installation techniques, and applying code requirements to all aspects of industrial wiring systems. Course developed in conjunction with the California Apprenticeship Council's standards for the State Electrical Certification Examination.

193 CONSTRUCTION TECHNOLOGY SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201 PLANE SURVEYING (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 229 or equivalent

Introduces the principles and practices of surveying, including the use of the engineer's tape, level, transit, and the use of an EDM (Electronic Distance Measurement). This equipment will be used to perform computations for horizontal and vertical distances, profiles, azimuths and bearings, traverse closures, topographic mapping, earthwork and land grading, and horizontal and vertical curves. Maps and land description also will be discussed.

Transfer: CSU; UC.

247 INDEPENDENT STUDIES: CONSTRUCTION TECHNOLOGY (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the technical field in which the study is to be undertaken.

Provides an opportunity for in-depth study or practicum experience by an individual student in a selected topic in the construction technology area with support and direction from an instructor.

Transfer: CSU.

250 MATERIALS OF CONSTRUCTION (3.00)

4.00 hours per week: (2.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents the use and application of construction processes and materials for residential, commercial, heavy and highway construction. Covers topics such as elements of city planning, contracting, designing, construction finance, and real estate principals.

Transfer: CSU.

284 INTRODUCTION TO SOLAR TECHNOLOGY (3.5)

5.50 hours per week: (2.50 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisite: EET 213

Introduces basic concepts in solar energy including: the

photovoltaic industry, solar radiation and electrical power, site surveying and planning, components of solar systems, cells modules and arrays, batteries, charge controllers and inverters. Addresses topics on the NABCEP PV entry level certification exam.

Transfer: CSU.

285 SOLAR TECHNOLOGY DESIGN AND CONSTRUCTION (3.5)

5.50 hours per week: (2.50 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisite: EET 284

Builds on basic concepts from introduction to solar technology (EET 284), expanded topics include: solar system sizing, mechanical and electrical integration, utility interconnection, permitting and inspection, commissioning, maintenance, troubleshooting and economical analysis. Addresses topics on the NABCEP PV entry level certification exam.

Transfer: CSU.

287 INTRODUCTION TO GREEN TECHNOLOGY (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces students to Green Building technologies. Investigates environmental trades impact on society, conservation fundamentals, energy management concepts, basics of retrofits, energy efficient building techniques and solar and wind energy principles.

Transfer: CSU.

COUNSELING [COUN]

156 STUDENT SUCCESS (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Advisories: ENGL 156

Prepares students for a successful college experience. College skills will include the understanding of campus/community diversity, communication, financial planning for college, utilizing campus/community resources, setting educational priorities to include looking at major and certificate programs, and understanding of college rules, regulations, and policies.

254 CAREER EXPLORATION (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Assesses the student's interests, skills, personality, values, and includes career research in a planning process. Applies assessment information to occupational possibilities and choice of college majors.

Transfer: CSU.

CRIMINAL JUSTICE [CJ]

193 CRIMINAL JUSTICE SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

202 INTRODUCTION TO CRIMINAL JUSTICE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents an overview of the history, theory, organization and practices of the criminal justice system and the interrelationship between the criminal justice system and society as a whole. Studies the origin, development and application of crime causation theories. Includes exploration and analysis of the roles, structure, and function of criminal justice agencies. Integrates an examination of the criminal justice system with a critical analysis of the system as an instrument of societal control and change.

Transfer: CSU; UC.

204 PRINCIPLES AND PROCEDURES OF THE JUSTICE SYSTEM (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Examine and analyze due process in criminal proceedings from investigation through trial, sentencing, and appeal. Includes a review of statutory law, and state and federal constitutional case law.

Transfer: CSU.

206 CONCEPTS OF CRIMINAL LAW (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents elements of the penal code and general laws about crimes against persons, property, standards of morality, and the state.

Transfer: CSU; UC.

208 LEGAL ASPECTS OF EVIDENCE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents kinds of evidence and principles of admissibility, witness competency, privileged communications, and hearsay. Includes the procedures to be followed in evidence collection and preservation.

Transfer: CSU.

210 PRINCIPLES OF INVESTIGATION (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents investigation fundamentals of crime scene

search, collecting/ recording evidence, interviews and interrogation. Covers procedures used in investigating various kinds of criminal activity.

Transfer: CSU.

213 CONCEPTS OF ENFORCEMENT SERVICES (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents concepts, responsibilities, and techniques of police patrol in handling ordinary police occurrences, including public service responsibilities.

Transfer: CSU.

224 COMMUNITY, DIVERSITY AND THE JUSTICE SYSTEM (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Explores the complex dynamic relationships between the community and the justice system. Examines the role that race, ethnicity, gender, sexual orientation, social class and culture play in the administration of justice. Presents the challenges of administering justice within a diverse and evolving multicultural population and imparts cultural competence and facilitation of conflict resolution.

Transfer: CSU; UC.

226 INVESTIGATIVE REPORT WRITING (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Develops proper investigative report writing skills. Provides practice in drafting investigative reports that are used in the administration of justice. Emphasis is on proper use of terminology, attention to detail, clarity, organization, and accuracy in report writing.

Transfer: CSU.

228 INTRODUCTION TO CORRECTIONS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents the history, operation, management, and procedures of the adult and juvenile correctional systems, including probation and parole. Examines the general operation of correctional institutions and the associated legal issues. Includes an examination of correctional policy and its impact on society.

Transfer: CSU; UC.

DISTANCE ED [DIST]

101 INTRODUCTION TO ONLINE COURSES (0.50)

1.50 hours per week: (1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Introduces students to the different types of technologies utilized in a distance education course. Students will

determine if distance education is right for them and learn academic and technological skills for success in distance education and technology mediated courses.

DRAMA [DRA]

193 DRAMA SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

200 ACTING I (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Explores basic acting theory to performance and develops the skills of interpretation of drama through acting. Special attention is paid to skills for performance: memorization, stage movement, vocal production, and interpretation of text.

Transfer: CSU; UC.

201 ACTING II (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: DRA 200

Continues the exploration of theories and techniques used in preparation for the interpretation of drama through acting. The emphasis will be placed on deepening the understanding of the acting process through character analysis, monologues, and scenes with special emphasis on styles and forms of acting. Students may perform in an Acting Showcase at semester's end.

Transfer: CSU; UC.

207 INTRODUCTION TO THEATRE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Focuses on the relationship of theatre to various cultures throughout history, and on the contributions of significant individual artists. This course introduces students to elements of the production process including playwriting, acting, directing, design, and criticism. Students will also survey different periods, styles and genres of theatre through play reading, discussion, films and viewing and critiquing live theatre, including required attendance of theatre productions.

Transfer: CSU; UC (For UC, maximum credit one course between DRA 206 and 207).

209 INTRODUCTION TO THEATRE DESIGN (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Introduces the student to the theories and practices of theatrical design as it applies to scenery, properties, lighting, sound, costumes, and make-up. Includes an overview of

theatrical equipment and construction techniques necessary to realize the design.

Transfer: CSU; UC.

211 STAGECRAFT (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces the student to the theories and practices of stagecraft. This comprehensive course covers the principles and safe execution of scenery construction, scenic art, properties, stage lighting, and audio through lecture and practical lab experience. Topics also include: design process, professionalism, and theatre performance spaces.

Transfer: CSU; UC.

211B ADVANCED STAGECRAFT (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Continues the study of theatre shop equipment and basic construction techniques needed for design, fabrication, and finishing of stage scenery and props.

Transfer: CSU; UC.

236 INTRODUCTION TO THEATRICAL COSTUME CONSTRUCTION (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Explores the basic areas of costume construction. Topics include fabrics, color, patterns, sewing techniques, costume pieces, and accessories. Period styles, costume analysis, and basic design are also covered. It offers experience in constructing costumes for theatrical productions. Field trips may be required.

Transfer: CSU.

240 TECHNICAL THEATRE PRACTICUM (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Offers skill building lab opportunities in lighting, sound, scenery construction, props, and scenic art. Lab sessions are tailored to students' current area of study. This course may be taken four times for credit.

Transfer: CSU.

247 INDEPENDENT STUDIES: DRAMA (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or practicum experience by an individual student in a selected topic of drama, under the direction of an instructor.

Transfer: CSU.

248 REHEARSAL AND PERFORMANCE IN PRODUCTION (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Instructor's consent through audition.

This course provides instruction and supervised participation in rehearsal and performance of a play production.

Transfer: CSU; UC.

EARLY CHILDHOOD EDUCATION [ECE]

135 STRATEGIES FOR CHALLENGING BEHAVIORS IN THE ECE CLASSROOM (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Introduces the biological and environmental risks associated with prenatal, perinatal, and postnatal brain development and the behavioral, psychological and cognitive implications for Early Childhood Education teachers.

Presents strategies for dealing with challenging behaviors in the Early Childhood Classroom that result from cultural differences and/or difficulties with self-regulation, motivation, and sensory processing.

193 EARLY CHILDHOOD EDUCATION SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201 CHILD GROWTH AND DEVELOPMENT (3.00)

3.00 hours per week: (3.00 lecture hours, 0.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ENGL 156

Presents a study of human development, and major milestones, from conception to adolescence; including cognitive (language), physical, social and emotional development, both typical and atypical, in order to foster an understanding of human behavior. In the process of studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages.

Transfer: CSU; UC.

202 CHILD, FAMILY AND COMMUNITY (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ENGL 156

Examines the developing child in a societal context focusing on the interrelationship of family, school and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families.

Transfer: CSU; UC.

203 CURRICULUM FOR YOUNG CHILDREN (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Presents an overview of knowledge and skills related to providing appropriate curriculum and environments for young children from birth to age 6. Students will examine a teacher's role in supporting development and fostering the joy of learning for all young children using observation and assessment strategies emphasizing the essential role of play. An overview of content areas will include but not be limited to: Language and literacy, social and emotional learning, sensory learning, art and creativity, math and science.

Transfer: CSU.

204 HEALTH, SAFETY, AND NUTRITION (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: ENGL 156

Introduction to the Title 22 Community Care Licensing laws, regulations, standards, center specific sun exposure and poison control policies and procedures, Red Cross and Playground Safety policies, and environmental rating scales for early childhood and infant/toddler programs and curriculum related to child health safety and nutrition. The key components that ensure physical health, mental health and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. Focus on integrating the concepts into everyday planning and program development for all children.

Transfer: CSU.

205 INTRODUCTION TO EARLY CHILDHOOD EDUCATION: PRINCIPLES AND PRACTICES (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: Concurrent enrollment in ECE 206 is highly recommended

Provides an overview of Early Childhood Education, educational requirements, compensation for teachers in California, and developmentally appropriate curriculum planning and teaching methods. This course reviews the historical roots of early childhood programs and the evolution of the practices promoting advocacy, professional ethics and identity.

Transfer: CSU.

206 OBSERVATION, RECORDING TECHNIQUES AND ASSESSMENT (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: Concurrent enrollment in ECE 205 is highly recommended

Explores techniques in observing, documenting and assessing the development and behavior of children. Anecdotal records, checklists, rating systems, portfolios and multiple assessment strategies will be explored.

Transfer: CSU.

209 GUIDANCE, CURRICULUM AND ENVIRONMENTS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ECE 203 and ECE 205

Corequisites: ECE 210

Advisories: ENGL 156

Presents the principles of behavior and development that inform effective guidance, classroom management, curriculum, and learning environments. Analyzes the sources of curriculum and methodologies used in planning, presenting and assessing learning experiences and classroom ecologies. Meets Title XXII requirements: DS 3.

Transfer: CSU.

210 PRACTICUM: FIELD EXPERIENCE (3.00)

7.00 hours per week: (1.00 lecture hours, 6.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ECE 201, 202, 203, 205 and 206.

Department of Social Services Title XXII, Section 101215B requires current TB clearance

Corequisites: ECE 209

Advisories: ENGL 156

Demonstrate developmentally appropriate early childhood teaching competencies under guided supervision. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment; and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children.

Transfer: CSU.

211 MUSIC AND MOVEMENT ACTIVITIES FOR YOUNG CHILDREN (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Presents techniques and guidelines for teaching movement exploration, physical education, and music to the preschool through third grade child. Examines the child's need for effective movement skills and musical experiences. Meets Title XXII requirements: DS 3, DS 5.

Transfer: CSU.

215 TEACHING IN A DIVERSE SOCIETY (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ENGL 156

Explores the issues of diversity and social justice and applies these concepts to early education programs. Self examination and reflection contribute to a deepening understanding of how to best support children as they gain a sense of identity and become respectful and confident members of our complex, diverse society. Various classroom strategies will be explored, emphasizing a culturally and linguistically appropriate anti-bias approach to creating a multicultural classrooms.

Transfer: CSU.

220 ART FOR CHILDREN (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Presents the study of the developmental sequence of children's art and the teaching implications for children from age two through age eight with an emphasis on creative expression, aesthetic development, cultural and art heritage. Includes a variety of media including drawing, painting, collage, printmaking, clay, assemblage, mask and puppet making. Meets Title XXII requirements: DS 3, DS 5.

Transfer: CSU.

234 CHILDREN'S LITERATURE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ENGL 201A

Presents a survey of literature for children from infancy through elementary school with an emphasis on a diversity perspective. Introduces the genre: picture books, traditional literature, fantasy, poetry, historical fiction, realistic fiction, biography and informational books. Emphasizes understanding, analysis, appreciation and application through an in-depth examination of a variety of children's books. Meets Title XXII requirements: DS3, DS5.

Transfer: CSU.

236 UNDERSTANDING THE CHILD WITH SPECIAL NEEDS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines the characteristics of children with special needs and how to effectively meet their individual needs. Presents the identification, educational needs, behavior management, family relationships, children's rights and community resources of/for the child with special needs.

Transfer: CSU.

242 INFANT-TODDLER CAREGIVING (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Presents theories, techniques, and guidelines for the appropriate care, nurturing and guidance of infants and toddlers. Examines the materials, equipment and activities appropriate for children from infancy through age three. Examines the special needs of infants and toddlers with regard to health and safety, nutrition, rest and toileting. Meets Title XXII requirements: DS 4.

Transfer: CSU.

244 SUPERVISION AND ADMINISTRATION OF PARENT PROGRAMS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ECE 205 or one year of Early Childhood Education teaching experience

Explores the interdependent relationship between the teacher and the parent(s) of a young child. Investigates the wide range of activities in parent involvement, parent participation, and parent education in early childhood

education. Presents techniques for working with parent(s), including: development of long-range plans, interview and guidance skills, and the ability to work with small and large groups. Meets Title XXII requirements: DS 6 Basic.

Transfer: CSU.

245 ADULT SUPERVISION, EVALUATION AND STAFF RELATIONS IN ECE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: ECE 207 or one year of Early Childhood Education teaching experience

Presents principles and practices in staff relations and the supervision and evaluation of staff in early childhood programs. Includes the study of the method of clinical supervision and performance evaluation, leadership styles, group dynamics, conflict resolution, staff development, staff diversity, staff roles and responsibilities. Meets Title XXII requirements: DS 6 Advanced: DS 6 Advanced

Transfer: CSU.

246 ADMINISTRATION AND SUPERVISION OF EARLY CHILDHOOD SCHOOLS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ECE 244 or ECE 245

Presents principles and practices in supervision and management of preschools, child care centers, and other programs. Includes the study of program planning, organizing, budgeting requirements, developing personnel policy, doing record keeping, following legal requirements and establishing relationships with community, parents, and regulatory agencies. Meets Title XXII requirements: DS 6 Advanced.

Transfer: CSU.

ECONOMICS [ECON]

193 ECONOMICS SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201A PRINCIPLES OF ECONOMICS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 123 or equivalent

Advisories: ENGL 156

Introduces the concepts and tools of macroeconomic analysis, especially as they apply to the United States economy. Includes the economizing problem; resource allocation between the private and public sectors; national income determination; fiscal and monetary policies as they relate to business cycles; and alternative views of Keynesians, Monetarists and supply-siders as they relate to solving economic problems.

Transfer: CSU; UC.

201B PRINCIPLES OF ECONOMICS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 123

Advisories: MATH 127

Presents introductory concepts pertaining to choices of individual economic decision-makers. Topics include scarcity, specialization and trade, market equilibrium, consumer demand, elasticity, production and cost theory, market structures, factor markets, market failure, and international trade.

Transfer: CSU; UC.

247 INDEPENDENT STUDIES: ECONOMICS (0.50 to 2.00)

1.50 - 6.00 hours per week: (0.00 lecture hours, 1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of Economics under the direction of an instructor.

Transfer: CSU.

ELECTRONICS & ELECTRICAL TECH [EET]

119 STATE ELECTRICIAN TRAINEE TOPICS (2.00)

3.00 hours per week: (1.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Presents topics related to job-site safety, OSHA requirements for safely working on energized circuits, reading blueprints, schematics, wiring & ladder diagrams. Network cabling topics including high bandwidth cable theory, applications and testing. Low voltage alarm system topics. Introduction to HVAC operational theory, general system testing and troubleshooting.

183 COMMERCIAL AND INDUSTRIAL WIRING SYSTEMS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: CTCH 169 and EET 213

Presents planning, construction, and testing of a typical commercial electrical installation including: plans and specifications, applicable codes, load calculations, wire sizing, conduit fill analysis and bending, branch circuits, feeders, grounding practices, transient surge suppression, uninterruptible power supply selection and installation techniques. Additionally studies the responsibilities and knowledge required for professional industrial and commercial electricians working under current state certification requirements including: industrial electrical service power and lighting, feeder bus systems, panel boards, hazardous locations, power factor, ballasts, transformers, switching systems, grounding and bonding, installation techniques, and applying code requirements to all aspects of commercial and

industrial wiring systems. Course developed in conjunction with the California Apprenticeship Council's standards for the State Electrical Certification Examination. Same course as CTCH 183.

213 ELECTRONICS FUNDAMENTALS (6.00)

8.00 hours per week: (5.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Completion of or concurrent enrollment in MATH 123 or MATH 127

Introduces a broad range of topics in electricity and electronics. Fundamentals of DC, AC, transistors, and digital logic are all addressed with heavy emphasis on basic concepts. Circuit analysis methods and troubleshooting will be studied using a hands-on approach.

Transfer: CSU.

224 INDUSTRIAL ELECTRONICS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: EET 113 and EET 111 or EET 213

Advisories: EET 216

Course includes basic topics related to industrial electronics. A brief review of analog circuits is expanded upon to develop more advanced circuit concepts. Topics include FET's, SCR's, basic components involved in motor control, DC and AC motors, and their controller circuits will be covered. Operational amplifiers will be covered, and their applications to sensor instrumentation. Transducers and applications to various sensors for heat, flow, force, etc. will be developed. Troubleshooting techniques for the above topics will be incorporated with each section.

Transfer: CSU.

227 FLUID AND PNEUMATIC TECHNOLOGY (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Presents basic topics related to fluid and pneumatic systems and devices. Basic physics relating to fluid hydraulics and pneumatics will lead into applied topics such as tanks, pumps, pump filters, accumulators, actuators, valves, compressors, and pressure regulators. Some advanced topics such as physical locomotion as related to horsepower and torque calculations. In depth applications of accumulator circuits, directional control valves, sequencers, pilots and solenoid controlled valves. Application of relay and PLC circuits address in laboratory and field environment.

Transfer: CSU.

228 PLC AUTOMATION AND SOLAR MONITORING (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: EET 213

Presents basic topics related to Programmable Logic Controllers (PLC) and SCADA data acquisition systems. Topics include a discussion of the PLC's purpose, basic operation, functions, and applications. PLC architecture and hardware will be investigated, including I/O structures and configu-

rations, central processing unit, and power supplies. PLC programming basics including: relay ladder logic, extended relay instructions, timers and counters, math functions, data and bit manipulation will be studied. Programs will be written and debugged, in a laboratory environment, that interface to electromechanical, hydraulic, pneumatic and Solar monitoring equipment. PLC peripherals and accessories will also be studied as well as SCADA software configuration.

257 COMPUTER INSTRUMENTATION AND CONTROL (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: EET 224

Course includes topics related to basic process instrumentation and control developed in conjunction with Pacific Gas and Electric's (PG&E's) I&C technician training program. A brief review of industrial electronics is expanded upon to develop more advanced process instrumentation and control concepts. Topics include advanced applications of components used in both DC and AC motor control, recorders, control valves and actuators, temperature sensors, pressure sensors, level sensors, flow sensors and instrumentation maintenance techniques.

Transfer: CSU.

267 POWER SYSTEMS AND ROTATING ELECTRICAL MACHINERY (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: EET 224

Course includes topics related to fundamental industrial electrical maintenance training developed in conjunction with Pacific Gas and Electric's (PG&E's) Electrical Maintenance Training Program. A brief review of electrical theory and practical troubleshooting is expanded upon to develop comprehensive electrical power system concepts. Topics include power drawings and circuit diagrams, grounding-cabling and conduit, meters, power transformers, circuit protection, relays, rotating electrical machinery, electrical testing equipment, bolting practices, controllers, safety and fire protection.

EMERGENCY MEDICAL SERVICES [EMS]

102 EMERGENCY MEDICAL TECHNICIAN-REFRESHER (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Current CA Emergency Medical Technician certificate or a CA EMT/county EMT certificate that has not been expired for more than 2 years.

Reviews and updates knowledge and skills required to qualify for the State of California Emergency Medical Technician certification. Current CA EMT certification will need to be

received in the Nursing/Allied Health Department office in order to register for this course.

Repeatable.

102T EMERGENCY MEDICAL TECHNICIAN-TRANSITION (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Student must show proof of completion of ICS-100, ICS-700 and HAZMAT First Responder Awareness level training (or the equivalent to these courses). This may be taken as a pre-req or concurrently.

Designed for NREMT EMT-Basic to retain their National Registry status at the new Emergency Medical Technician level under the new EMS education standards. If you are an NREMT EMT-Basic who has an expiration date of March 31, 2011, you must complete a transition course by March 31, 2015. If your expiration date is March 31, 2012, then you must complete a transition course by March 31, 2016. To transition to the EMT level, the NREMT-Basic is not required to complete a National EMS certification examination. Completion of a transition course is not necessary to maintain California EMT certification. This transition course is for maintaining NREMT only. Student must show proof of completion of ICS-100, ICS-700 and HAZMAT First Responder Awareness level training (or the equivalent to these courses) to receive a transition course completion certificate from Cuesta. Instructions for submitting proof of completion will be provided by your instructor.

Repeatable 1 time(s).

103 HAZARDOUS MATERIALS FIRST RESPONDER OPERATIONAL (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Focus is safety in hazardous materials response as an emergency responder. After successful completion of this course, the student will receive a California State certificate for Hazardous Materials First Responder "Operational" level. The CA Certification meets the requirements of Title 8 CCR Sec. 5192 (q) and is required by emergency providers. A certification fee is required prior to completion of the course.

Repeatable 3 time(s).

105 PARAMEDIC PREPARATORY (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Introduces the student who may be interested in paramedicine to pre-hospital concepts. Emphasis is on a strong base of EMT skills prior to considering a career in paramedicine. The course is designed to prepare the student for the paramedic training. Topics include anatomy and physiology review, patient assessment, electrocardiology, basic pharmacology and study habits as it applies to paramedic-level training.

Repeatable 1 time(s).

105L PARAMEDIC PREPARATORY LAB (0.50)

0 hours per week: (1.80 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Current county EMT certificate; American Heart Association Healthcare Provider CPR or Red Cross Professional Rescuer card; Must be at least 18 years of age on the first day of class.

Corequisites: EMS 105

Introduces the student to a ride-a-long experience exposing them to a working Paramedic on 911 systems in the field of EMS. The purpose is to watch how paramedics work with patients, Fire Departments, Police Departments, hospital staff, families and bystanders on scene, and nurses in the convalescent homes and other settings. Also, focuses on observation of how paramedics interact and work while on a call.

107A ADVANCED CARDIAC LIFE SUPPORT (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Current CPR for Health Care Providers Certificate and NRAD 204D or must be a licensed MD, RN, Physician Assistant or Paramedic with prior ECG knowledge.

Teaches Advanced Cardiac Life Support knowledge and skills necessary to provide the appropriate early treatment for cardiopulmonary arrest. Based on current American Heart Association guidelines.

107B PEDIATRIC ADVANCE LIFE SUPPORT (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Current CPR for Health Care Providers Certificate and NRAD 204D or must be a licensed MD, RN, Physician Assistant or Paramedic with prior ECG knowledge.

Teaches Pediatric Advanced Life Support knowledge and skills necessary to provide the appropriate early treatment for pediatric emergencies. Based on current American Heart Association guidelines.

107C PREHOSPITAL TRAUMA LIFE SUPPORT (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Must be a licensed Emergency Medical Responder, EMT, Paramedic, RN, Physician Assistant, or Physician. Military healthcare providers are also welcome.

Provides knowledge and skills taught to provide pre-hospital trauma life support appropriate for the care of the trauma patient. National Association of Emergency Medical Technicians based course.

193 EMERGENCY MEDICAL SERVICES SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201 EMERGENCY MEDICAL TECHNICIAN (8.50)

9.50 hours per week: (8.00 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Student must be 18 years of age by the first

class meeting. Have a current Healthcare Provider or Professional Rescuer CPR card
Advisories: NRAD 222 and ENGL 156

Meets the U.S. Department of Transportation Emergency Medical Technician (EMT) National Standard Curriculum for students desiring eligibility for certification. State certification for an EMT is mandated as the minimal level of emergency medical training required to work on any ambulance and in most fire departments. Student must be 18 years of age by the first class meeting and is required to bring a valid CA driver's license to show proof of age and a copy of current AHA issued Healthcare Provider or ARC issued CPR for the Professional Rescuer to first class meeting. Student is required to complete a drug screen and background check. Proof of immunizations will be needed prior to clinical. Uniform and other related materials will be required.

Transfer: CSU.

210 PARAMEDIC THEORY I (17.00)

18.00 hours per week: (16.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Admission into Paramedic Program

Apply knowledge of anatomy and physiology relevant to paramedic advanced life support training for emergency medical services. This includes cardiovascular, respiratory, pediatric, OB/GYN, and other emergency medical service training. Providing professional, non-discriminatory care for all people in their time of crisis. Perform as an EMS public servant Paramedic showing competency, ethical, confident entry-level healthcare. This course meets the minimum hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.

Transfer: CSU.

211 PARAMEDIC THEORY II (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: EMS 210

Corequisites: EMS 211L, EMS 212, EMS 213A

Apply knowledge of anatomy and physiology relevant to paramedic advanced life support training for emergency medical services. The study of medical disease and traumatic related injuries for Paramedic training which meets the requirements of the National Standard Curriculum. Includes ACLS, PALS, and PHTLS training and certification. Providing professional, non-discriminatory care for all people in their time of crisis. Perform as an EMS public servant Paramedic showing competency, ethical, confident entry-level healthcare. This course meets the minimum hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.

Transfer: CSU.

211L PARAMEDIC SKILLS (1.50)

4.50 hours per week: (4.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Corequisites: EMS 211, EMS 212, EMS 213A

Apply knowledge of anatomy and physiology relevant to paramedic advanced life support training for emergency medical services. This includes cardiovascular, respiratory, traumatic injuries, pediatric, OB/GYN, and other emergency medical service training. This lab portion provides supervised application of cognitive knowledge and skills in acute patient care.

Transfer: CSU.

212 PARAMEDIC CLINICAL (3.50)

10.50 hours per week: (0.00 lecture hours, 10.50 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Corequisites: EMS 211, EMS 211L, EMS 213A

Provide clinical application of advanced life support concepts in acute patient care for the Paramedic Student. Opportunities for increasing skill performance in the clinical (hospital) setting. This course meets the minimum hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.

Transfer: CSU.

213A PARAMEDIC INTERNSHIP I (2.00)

6.00 hours per week: (6.00 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Corequisites: EMS 211, 211L, EMS 212

Apply the internship phase of paramedic training, which allows the student to be assigned to an emergency response vehicle with a field preceptor to establish advanced life support patient care responsibilities. This includes cardiovascular, respiratory, traumatic injuries, pediatric, OB/GYN, and other emergency medical service training. This portion of paramedic training provides supervised application of cognitive knowledge and skills in acute patient care. EMS 213A and EMS 213B meet the minimum hours for required to complete paramedic internship training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code or regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.

Transfer: CSU.

213B PARAMEDIC INTERNSHIP II (7.00)

21.00 hours per week: (21.00 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: EMS 213A

Apply the last internship phase of paramedic training, which allows the student to be assigned to an emergency response vehicle with a field preceptor to establish advanced life support patient care responsibilities. This includes cardiovascular, respiratory, traumatic injuries, pediatric, OB/GYN, and other emergency medical service training. This portion of paramedic training provides

supervised application of cognitive knowledge and skills in acute patient care. EMS 213A and EMS 213B meet the minimum internship hours required to complete paramedic training in the state of California. Course content based on the guidelines and authority of the Title 22, Division 9, of the California Code of regulations and the US Department of Transportation Emergency Medical Technician-Paramedic Standard National Curriculum.

ENGINEERING [ENGR]

125 AUTOCAD (1.00)

2.00 hours per week: (1.33 lecture hours, 0.67 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: CIS 210 or basic knowledge of a Windows operating environment

Introduction to AutoCAD. Topics include all basic drawing commands, layers, dimensioning, and editing objects. Intended for those students wanting to learn the software and not necessarily how to draw. Ideal for professional engineers and architects or students in architecture or interior design. This course is exactly the same material as the first six weeks of ENGR 226 (18 week course).

193 ENGINEERING SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

210 COMPUTATIONAL METHODS FOR ENGINEERS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Completion of or concurrent enrollment in MATH 265A

Advisories: PHYS 205A or 208A.

Methodology and techniques for solving engineering/science problems using numerical-analysis computer-application programs MATLAB and EXCEL. Technical computing and visualization of problems in mechanics, electrical circuits, thermal systems, fluid systems and other branches of engineering.

Transfer: CSU; UC.

217 INTRODUCTION TO ELECTRONIC CIRCUIT ANALYSIS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: PHYS 208B

Presents an integrated transient and steady-state analysis of linear DC and AC circuits by use of the mesh and node approach. Examines network theorems, phasors, complex-frequency concepts, and computer circuit analysis.

Transfer: CSU; UC.

219 DIGITAL DESIGN (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: CIS 217 or CIS 231

Presents standard material on binary arithmetic, Boolean algebra, Combinational and sequential logic circuits, and finite state machines, for computer and electrical engineers. Hardware Description Language (HDL) is used to synthesize digital logic circuits in Programmable Logic Devices (PLDs).

Transfer: CSU.

226 ENGINEERING DRAWING I (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Introduction to engineering drawing using AutoCAD. Topics include geometric construction, orthographic projection, isometrics, sectionals, auxiliaries, descriptive geometry, dimensioning, and working drawings. The first six weeks of this course are the same as ENGR 125.

Transfer: CSU; UC.

246 MATERIALS ENGINEERING (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: CHEM 201A and MATH 265A

Corequisites: ENGR 246L

Presents the fundamentals of the structure of matter. Introduces physical and mechanical properties of materials including metals, alloys, ceramics, semi-conductors, and polymers. Provides a study of heat treatments, materials selection, corrosion phenomena, and equilibrium diagrams.

Transfer: CSU; UC.

246L ENGINEERING MATERIALS LAB (1.00)

3.00 hours per week: (3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Corequisites: ENGR 246

Presents laboratory experiments on the heat treatment and resulting properties of metals, effects of cold deformation of metals, brittle-ductile fracture behavior, equilibrium phase relationships, corrosion, mechanical behavior of polymers, as well as properties of semiconductor devices.

Transfer: CSU; UC.

247 INDEPENDENT STUDIES: ENGINEERING (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the technical field in which the study is to be undertaken.

Provides an opportunity for in-depth study or practicum experience by an individual student in a selected topic in the engineering area with support and direction from an instructor.

Transfer: CSU.

248 INTRODUCTION TO ENGINEERING (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Advisories: ENGL 156

Broad overview of the field of engineering, including professional societies and their student chapters, professional licensing and registration, professional codes of ethics, the

elements of engineering design, and the scope of analysis and design activities undertaken by private and public sector civil design professionals.

Transfer: CSU; UC.

250 ENGINEERING STATICS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: PHYS 208A

Analyzes forces on structures in equilibrium, properties of forces, moments, couples and resultant, conditions for equilibrium, friction, centroids, and area moments of inertia. Introduces mathematical modeling and problem-solving utilizing vector mathematics.

Transfer: CSU; UC.

251 ENGINEERING DYNAMICS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Analyzes the dynamics associated with motion of rigid bodies and particles, including velocity, acceleration, relative motion, energy, work, momentum, and impulse. Utilizes vector mathematics.

Transfer: CSU; UC.

252A STRENGTH OF MATERIALS I (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ENGR 250

Study of stresses, strains, and deformations associated with axial, torsional, and flexural loading of bars, shafts, and beams. Includes analysis of elementary determinate and indeterminate mechanical and structural systems.

Transfer: CSU; UC (For UC, both ENGR 252A and 252B must be completed in order to receive transfer credit).

252B STRENGTH OF MATERIALS II (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: 252A

Study of stress and strain transformations, analysis of beam deflection and rotation, indeterminate beams, and column buckling.

Transfer: CSU; UC (For UC, both ENGR 252A and 252B must be completed in order to receive transfer credit).

ENGLISH [ENGL]

099 BASIC READING AND WRITING (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Prerequisites: ACSK 036 with a minimum grade of C or better ACSK 050 with a minimum grade of C or better and ESL 054 with a minimum grade of C or better or ESL 045 with a minimum grade of C or better and ENGL 156 or higher

Introduces students to the language arts through intensive reading, writing, and critical thinking. Emphasizes the process approach to reading and writing. Provides a basic course in sentence and paragraph construction, with limited introduction to the essay.

156 COLLEGE READING AND WRITING (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: Placement Exam or ENGL 099 or ENGL 099E with a minimum grade of C or better.

Provides a basic course in college reading and writing with individual attention to sentence structure, paragraph and essay structure, grammar, and critical thinking skills.

193 ENGLISH SPECIAL TOPICS (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

201A ENGLISH COMPOSITION (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Placement Exam or ENGL 156 with a grade of C or better, or equivalent.

Provides a study of and practice in the use of language and writing of argumentative/analytical essays and research papers.

Transfer: CSU; UC.

201B COMPOSITION: INTRODUCTION TO LITERATURE/ CRITICAL THINKING (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: ENGL 201A

Provides an introduction to the study of literature with an emphasis in both literary composition and critical thinking. This course develops critical thinking and writing skills through the close study of major genres of literature: poetry, fiction, and drama. Students receive instruction in analytical and argumentative writing by studying literature and criticism and by identifying sound and fallacious methods of reasoning in assessments of literature.

Transfer: CSU; UC.

201C ENGLISH COMPOSITION: CRITICAL THINKING (4.00)*4.00 hours per week: (4.00 lecture hours)**Associate Degree Applicable**Letter Grade Only**Prerequisites: ENGL 201A*

Presents an advanced composition course beyond ENGL 201A which emphasizes critical thinking, including reasoning, rhetoric, reading, and information fluency in order to develop argumentative skills for diverse contexts and audiences.

*Transfer: CSU; UC.***205 INTRODUCTION TO POETRY (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade or Pass/No Pass**Prerequisites: ENGL 201A*

Introduces students to the formal and stylistic elements of poetry, providing them with a shared vocabulary for recognizing and analyzing different literary forms, and developing their reading, writing, and critical discussion skills by analyzing exemplary texts from a variety of historical periods, genres, and cultures.

*Transfer: CSU; UC.***206 INTRODUCTION TO THE NOVEL (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade or Pass/No Pass**Prerequisites: ENGL 201A**Advisories: ENGL 201B*

Introduces the study of the novel with emphasis on understanding, analysis, and appreciation of the novel through an in-depth examination of a variety of literary works.

*Transfer: CSU; UC.***212A AMERICAN LITERATURE (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade Only**Prerequisites: ENGL 201A*

Presents a survey of American literature from the pre-colonial period to the Civil War. Introduces the study of major American writers against their historical backgrounds.

Such writers as Bradstreet, Paine, Franklin, Jefferson, Poe, Cooper, Irving, Bryant, Melville, Hawthorne, Longfellow, Emerson, Thoreau, Whitman, and Dickinson are studied.

*Transfer: CSU; UC.***212B AMERICAN LITERATURE (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade Only**Prerequisites: ENGL 201A*

The study of major American writers from the Civil War up through contemporary times. Includes writers such as Twain, Howells, Crane, London, Hemingway, Steinbeck, Faulkner, Wright, Dos Passos, Frost, Pound, Eliot, Stevens, Cummings, O'Neill, Tennessee Williams, Arthur Miller, O'Connor, Alice Walker, Berryman, Lowell, Sexton and Plath.

*Transfer: CSU; UC.***213 MULTICULTURAL VOICES IN AMERICAN LITERATURE (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade Only**Prerequisites: ENGL 201A*

Introduces current literary study which focuses upon issues of race, gender, class, sexual orientation, and ethnicity in American literature. Surveys American history and culture in the context of its multicultural literary tradition from the early Native American tradition to present day. Emphasizes the formation of minority discourse against and within American mainstream culture and its literary tradition. Uses poems, novels, short stories, and essays for study.

*Transfer: CSU; UC.***215 SHAKESPEARE (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade Only**Prerequisites: ENGL 201A*

Introduces Shakespeare's works with emphasis on analysis of character and structured scene and requires preparation of critical papers based on analytical reading and investigation.

*Transfer: CSU; UC.***216 LITERATURE AND FILM (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade or Pass/No Pass**Prerequisites: ENGL 201A*

Presents the techniques of literary criticism to analyze films and the literary works that inspired them. Examines narrative in film and the criteria for evaluating films and literature emphasizing objective analysis and comparison and contrast.

*Transfer: CSU; UC.***217 LITERATURE BY WOMEN (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade or Pass/No Pass**Prerequisites: ENGL 201A*

Presents a survey of literature by women of English-speaking countries from the Middle Ages to the 21st century, with an emphasis on comparing historically oppressed women writers (including African-American and lesbian writers) to those in the mainstream. 1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of English under the direction of an instructor.

Transfer: CSU.

ENGLISH SECOND LANGUAGE [ESL]

001 READING, WRITING, GRAMMAR AND CONVERSATION (6.00)

6.00 hours per week: (6.00 lecture hours)

Associate Degree Non-Applicable

Pass/No Pass Only

Advisories: ESL Placement Test

Focuses on building English language skills for speakers of other languages with an emphasis on reading, writing, grammar, listening and speaking at the beginning level.

May be taken concurrently with ESL 015, ESL 025, or ESL 035.

002 ESL READING, WRITING, AND GRAMMAR, LEVEL 2(6.00)

Associate Degree Non-Applicable

Pass/No Pass Only

6.00 hours per week: (6.00 lecture hours)

Advisories: High-beginning score on the ESL placement test or successful completion of ESL 001 with a grade of Pass

Focuses on building English language skills for speakers of other languages with an emphasis on reading, writing, grammar, listening and speaking at the high-beginning level. May be taken concurrently with ESL 015, ESL 025 or ESL 035.

015A BEGINNING LEVEL CONVERSATION (2.00 to 3.00)

2.00 - 3.00 hours per week: (2.00 - 3.00 lecture hours)

Associate Degree Non-Applicable

Pass/No Pass Only

Advisories: Beginning-level score on the oral component of the ESL placement test

Letter Grade or Pass/No Pass

Explores the literature and electronic resources essential for library technicians to work effectively with adolescents in the information age. Issues of materials selection, evaluation and youth programming will be related to teenage trends, popular culture, multiculturalism and other contemporary subjects of importance to adolescents.

Transfer: CSU.

220 FUNDAMENTALS OF CASCADING STYLE SHEETS (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: LIBT 207 or CAO A 269

Introduces the fundamentals of CSS for the Web Page Developer. The essential elements such as selectors, positioning, floating, and vertical alignment, tables, and other topics will be explored.

Transfer: CSU.

247 INDEPENDENT STUDIES: LIBRARY/ INFORMATION TECHNOLOGY (0.50 to 2.00)

1.50 - 6.00 hours per week: (1.50 - 6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: LIBT 201 and other preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of Library/Information Technology (more specialized than is covered in the curriculum) under the direction of an instructor.

Transfer: CSU.

LICENSED VOCATIONAL NURSING [LVN]

101 THEORY I: FUNDAMENTALS, MOTHER/BABY AND ACUTE ADULT (7.00)

7.00 hours per week: (7.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Program admission

Corequisites: LVN 101A and LVN 101AL and LVN 101B

Prepares students to practice vocational nursing. The Caring Framework is used for the study of nursing fundamentals,

nursing process, and standard nursing and medical care for a variety of common disease states. The course compares and contrasts nursing care systems and roles employed in health maintenance, acute illness, surgical care, rehabilitation nursing for adults and elderly, and perinatal nursing. Adapting standard nursing care to meet the needs of the elderly is a focus for the LVN role.

Repeatable 1 time(s).

101A SKILLS THEORY I: ADULT, MOTHER/BABY AND MEDICATION ADMINISTRATION (7.00)

7.00 hours per week: (7.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Corequisites: LVN 101 and LVN 101AL and LVN 101B

Apply theory and demonstration of basic nursing skills based on scientific principles: Use legal and LVN Scope to learn safe patient care and nursing skills. Apply relevant steps in the nursing process: assessment, planning, implementing, evaluation and documentation. Application of pharmacology and methods that foster safe medication administration are a major focus. Methods for basic nursing skills and care of the perinatal patient and newborn are introduced.

Repeatable 1 time(s).

101AL SKILLS LAB I: BASIC CARE, ADULT, MOTHER/BABY, MEDICATION ADMINISTRATION (2.50)

7.50 hours per week: (7.50 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Corequisites: LVN 101 and LVN 101A and LVN 101B

Provides opportunity for supervised practice of basic nursing skills in a simulated clinical setting. During their practice, students apply relationships between theory concepts and nursing skills relevant to steps in the nursing process: assessment, planning, implementing, evaluations and documentation. Emphasis is placed on meeting critical elements of hands-on skills, practicing and consistent method of medication administration, and practicing documentation and patient interactions. Students demonstrate competent skill performance in a simulated clinical setting.

Repeatable 1 time(s).

101B CLINICAL I: MEDICATION ADMINISTRATION, BASIC CARE (5.00)

15.00 hours per week: (15.00 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Corequisites: LVN 101 and LVN 101A and LVN 101AL

Apply fundamental principles of theory and skills courses in the care of patients in long term-care, physical rehabilitation settings. Mental & spiritual health concepts and socio-cultural aspects are explored as they apply to individually assigned patients.

Repeatable 1 time(s).

102 THEORY II: PERIOPERATIVE, PEDIATRICS, CHRONIC DISEASE (7.00)

7.00 hours per week: (7.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: LVN 101B

Corequisites: LVN 102A and LVN 102AL and LVN 102B

Prepares the licensed vocational student nurse to care for patients and integrate concepts of perioperative nursing, pediatric nursing, chronic disease and dependent care across the lifespan. Concepts fundamentals to the leadership, supervision and delegation roles are presented.

Repeatable 1 time(s).

102A SKILLS THEORY II: PERIOPERATIVE, PEDIATRICS, CHRONIC DISEASE (7.00)

7.00 hours per week: (7.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: LVN 101B

Corequisites: LVN 102 and LVN 102AL and LVN 102B

Applies nursing concepts and skills through theory and demonstration to more complex clients based on scientific principles. Concepts from theory include chronic disease, perioperative problems, and pediatric assessment and skills. Planning and implementing patient care is relevant to steps in the nursing process: assessment, planning, implementing, evaluation and documentation.

Repeatable 1 time(s).

102AL SKILLS LAB II: PERIOPERATIVE, PEDIATRICS CHRONIC DISEASE (2.50)

7.50 hours per week: (7.50 lab hours)

Associate Degree Applicable

Pass/No/Pass Only

Prerequisites: LVN 101B

Corequisites: LVN 102 and LVN 102A and LVN 102B

Provide opportunities for supervised practice of specific nursing skills in a simulated clinical setting. During their practice, students apply relationships between theory concepts and nursing skills relevant to steps in the nursing process: assessment, planning, implementing, evaluations and documentation. Emphasis is placed on meeting critical elements of hands-on skills, adhering to a consistent method of medication administration, and practicing documentation and patient interactions for pediatric clients, clients with chronic illness, and dependent care clients. Tools for leadership and supervision are also practiced.

Repeatable 1 time(s).

102B CLINICAL II: ADULT ACUTE, MOTHER/BABY, PEDIATRIC CARE (5.00)

15.00 hours per week: (15.00 lab hours)

Associate Degree Applicable

Pass/No/Pass Only

Prerequisites: LVN 101B

Corequisites: LVN 102 and LVN 102A and LVN 102AL

Applies concepts and skills learned with integration to the care of the acute adult, the obstetric, neonate, and pediatric client. An emphasis on normal growth and development process in relationship to disease is emphasized. The family as a whole system of interactions for patient teaching and the administration of culturally sensitive care is applied to diverse clinical setting. Application of the critical elements for clinical skills performance.

Repeatable 1 time(s).

103 THEORY III: COMMUNITY AND MENTAL HEALTH NURSING (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: LVN 102B

Corequisites: LVN 103A and LVN 103B

Prepares student in community health and mental health nursing. Also prepares student for NCLEX exam success.

Repeatable 1 time(s).

103A SKILLS THEORY III: COMMUNITY AND AND MENTAL HEALTH NURSING (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: LVN 102B

Corequisites: LVN 103 and LVN 103B

Applies nursing concepts through theory and demonstration of advanced vocational nursing skills based on scientific principles. Planning & implementing patient care for patients in the community and psychiatric setting. Emphasis is placed on the unique needs of the mental health and community based patient with multiple health care needs. NCLEX preparedness is also presented.

Repeatable 1 time(s).

103B CLINICAL III: MENTAL HEALTH, TEAM LEADING, PRECEPTORSHIP (3.00)

16.50 hours per week: (16.50 lab hours)

Associate Degree Applicable

Pass/No/Pass Only

Prerequisites: LVN 102B

Corequisites: LVN 103 and LVN 103A

Prepares students to make the transition from student vocational nurse to entry-level practice. The principles learned in co-requisites and previous theory and skills level courses are applied to care of patients in skilled nursing settings. Students are challenged with more complicated patients in a variety of settings, including caring for the patient with mental health priorities. This course also includes a 108 hour preceptorship component at the end of the semester.

Repeatable 1 time(s).

104 BASIC INTRAVENOUS THERAPY, BLOOD ADMINISTRATION, AND PHLEBOTOMY (1.50)

1.50 hours per week: (1.50 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No/Pass

Prerequisites: LVN 103B or May have current and active LVN license from the Board of Vocational Nursing and Psychiatric Technicians of the State of California.

Corequisites: LVN 104L

Prepares the Licenced Vocational Nurse who has successfully completed LVN 103B or its equivalent to initiate intravenous therapy, phlebotomy, and blood product transfusion. This course prepares the LVN for certification that meets standards of the California State Board of Vocational Nurses and Psychiatric Technicians.

104L BASIC INTRAVENOUS THERAPY, BLOOD ADMINISTRATION, AND PHLEBOTOMY LAB (0.50)

1.50 hours per week: (1.50 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No/Pass

Prerequisites: LVN 103B or May have current and active LVN license from the Board of Vocational Nursing and Psychiatric Technicians of the State of California.

Corequisites: LVN 104

Prepares students to perform venipuncture and initiate and monitor administration of IV fluid, blood and blood products, and withdraw venous blood for diagnostic purposes. (Formerly part of LVN 004 as one class)

193 LVN SPECIAL TOPICS (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

MATHEMATICS [MATH]

003 ARITHMETIC (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Non-Applicable

Pass/No Pass Only

Provides a review of the basic skills of arithmetic. Designed as a transitional course for students who have either not taken a mathematics course for a considerable period of time or who have been in a tutorial program. This course is organized in a regular classroom setting to prepare students for a pre-algebra course.

007 PREALGEBRA (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 003

Presents the mathematical concepts and arithmetic skills necessary for success in elementary algebra and for further work in mathematics. The concepts are applied to numerous practical problems in order to demonstrate their applicability to real life situations. Not open to students with credit in MATH 123 or its equivalent or any course for which MATH 123 is the prerequisite.

008 INTRODUCTION TO FACTORING (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Pass/No Pass Only

Introduces the student to methods of factoring polynomials. Presents the topic from geometric, numeric and algebraic perspectives. Multi-sensory approaches will include manipulatives and graphing. Students should have proficiency in whole number arithmetic skills, including positives and negatives and knowledge of procedures for solving simple linear equations.

021 TWO-SEMESTER BEGINNING ALGEBRA: PART 1 (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 007

Presents the first half of a two-semester course in beginning algebra for the student who has no algebraic background.

This course enables students to complete the equivalent of Elementary Algebra, (MATH 123) at a slower pace. Successful completion of MATH 021 or equivalent and MATH 122 is equivalent to MATH 123.

112 CONVERTING MEASUREMENTS (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Introduces the student to methods of converting from one measurement unit to another. Emphasis will be on basic applications from nutrition, nursing, chemistry, physical sciences and other disciplines.

114 WORD PROBLEMS (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

This course presents strategies for successfully solving word problems such as distance, mixture, work and others at the elementary and intermediate algebra level. This course is intended to help students with word problems in MATH 123 and MATH 127.

122 TWO-SEMESTER BEGINNING ALGEBRA: PART 2 (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 021 with a minimum grade of C or better

Presents the second half of a two-semester course in beginning algebra for the student who has no algebraic background. This course enables the students to complete the equivalent of Elementary Algebra (MATH 123) at a slower pace. Successful completion of MATH 021 or equivalent and MATH 122 is equivalent to MATH 123.

123 ELEMENTARY ALGEBRA (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 007

Presents a first course in algebra for the student without any algebraic background. Topics include solving linear equations and inequalities, solving quadratic equations by factoring, polynomial expressions, factoring, graphing linear equations and inequalities in the variables, solving systems of two linear equations and radical expressions and equations.

126A TWO-SEMESTER INTERMEDIATE ALGEBRA-PART 1 (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 122 or MATH 123

Presents the first half of a two-semester course in intermediate algebra. This course enables students to complete the equivalent of Intermediate Algebra (MATH 127) at a slower pace. Topics include factoring polynomial expressions, simplifying rational expressions, absolute value equations and inequalities, functions and relations, and solving systems of linear equations and inequalities.

126B TWO-SEMESTER INTERMEDIATE ALGEBRA-PART 2 (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 126A

Presents the second half of a two-semester course in Intermediate Algebra. This course enables students to complete Intermediate Algebra (MATH 127) at a slower pace. Topics include functions and relations, quadratic equations, exponential and logarithmic functions, inverse functions, and sequences and series.

127 INTERMEDIATE ALGEBRA (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 123

Broadens and adds to the concepts of elementary algebra. Such additions include rational expressions, quadratic equations, functions, exponential and logarithmic functions, inverse of functions, solving systems of two or more linear equations, and sequences and series.

128 APPLIED BEGINNING AND INTERMEDIATE ALGEBRA (6.00)

6.00 hours per week: (6.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 007 with a minimum grade of C or better

Accelerated preparation for Introduction to Applied Statistics (Math 236) or College Mathematics for the Humanities (Math 230). Topics include calculations and error analysis on real number data, development of equations, formulas, and functions as mathematical models, exploratory data analysis, introduction to probability, and the development of statistical literacy. This course is designed for students who want an alternative to the Math 123/Math 127 sequence for meeting the math requirement of the Associates degree, or who intend to take Math 236, MATH 232 or Math 230 to meet transfer requirements. Not intended for science, technology, engineering, math, or business majors.

193 MATH SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

229 TRIGONOMETRY (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127 or MATH 126B and geometry or equivalent courses with a grade of C or better

Advisories: MATH 242

Presents trigonometry from a function approach using both right triangle and circular relationships. The relationships between the angles and sides of triangles and relationships between central angles and the coordinates of points on a circle are developed. The course is designed to prepare the

student for further study in the mathematics required in the sciences and technical areas.

Transfer: CSU.

230 COLLEGE MATHEMATICS FOR THE HUMANITIES (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127

Presents applications of intermediate algebra and critical thinking to solving contemporary problems in mathematics. Topics include mathematical reasoning with four additional topics selected from number systems, number theory, finance, computer applications, probability, statistics and mathematical modeling.

Transfer: CSU; UC.

231 TRIGONOMETRY WITH GEOMETRIC FOUNDATIONS (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127

Presents the entire content of MATH 229 Trigonometry with topics from geometry. Topics include trigonometric functions, equations, graphs, identities, and solution of triangles. Also includes geometric congruence, properties of polygons, parallel lines, similarity, areas, and volumes.

Transfer: CSU.

232 COLLEGE ALGEBRA (3.00)

3.00 hours per week: (3.00 lecture hours, 0.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127 or MATH 126B or equivalent with a grade of C or better

Presents a study of college algebra and analytic geometry with an emphasis on mathematical modeling. Covers such topics as algebraic equations and inequalities, functions and graphs, zeros of functions rational functions, exponential and logarithmic functions, conic sections, systems of equations, matrices and determinants.

Transfer: CSU; UC (For UC, maximum credit of one course between MATH 232 and MATH 242).

236 INTRODUCTION TO APPLIED STATISTICS (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127 or MATH 126B or equivalent with a grade of C or better

Presents an introduction to the study of basic descriptive and inferential statistical methods, with an emphasis on applications, to prepare students for work in the disciplines of psychology, sociology, education, life sciences, and applied science.

Transfer: CSU; UC (For UC, 4 credit maximum between MATH 236 and 247).

242 PRECALCULUS ALGEBRA (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127

Presents a study of precalculus algebra and analytic geometry. Covers such topics as algebraic equations and inequalities, functions and graphs, zeros of functions, polynomial functions, rational functions, exponential and logarithmic functions, parametric equations, conic sections, systems of equations and inequalities, matrices, determinants, sequences and series, and probability. The course is designed to prepare the student for calculus.

Transfer: CSU; UC (For UC, maximum credit of one course between MATH 232 and MATH 242).

247 INTRODUCTION TO STATISTICS (4.00)

4.00 hours per week: (4.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 127

Presents a study of basic descriptive and inferential statistics designed to prepare students for work in the fields of economics, business, psychology, education, mathematics and applied science.

Transfer: CSU; UC (For UC, 4 credit maximum between MATH 236 and 247).

255 CALCULUS FOR BUSINESS AND MANAGEMENT (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 242 with a minimum grade of C or better

Presents a study of the techniques of calculus with emphasis placed on the application of these concepts to business and management related problems. The applications of derivatives and integrals of functions including polynomials, rational, exponential and logarithmic functions are studied.

Transfer: CSU; UC (For UC, maximum credit of one course between MATH 255 and 265A).

265A CALCULUS I (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 229 or MATH 231 and MATH 242

Presents a study of analytic geometry, limits, continuity, the calculus of algebraic, trigonometric, exponential and logarithmic functions as well as applications of the derivative and integral. Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC (For UC, maximum credit of one course between MATH 255 and 265A).

265B CALCULUS II (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 265A

Presents a continuing study on integration, some first and second order differential equations, infinite sequences and series, Taylor series, parameterized curves, polar curves, vectors, and their applications. Every topic will be taught geometrically, numerically and algebraically.

Transfer: CSU; UC.

283 CALCULUS III: MULTIVARIABLE CALCULUS (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 265B

Presents a study of vectors, differentiation and integration of multiple variable functions, parametric curves in two and three dimensions, optimization, line integrals, and the calculus of vector fields. Specific topics include vector functions, partial derivatives, surfaces, parametric equations, multiple integrals (with rectangular, polar, cylindrical, and spherical coordinates), and vector calculus (including line integrals, flux integrals, Greens Theorem, the Divergence Theorem, and Stokes Theorem). Every topic will be taught geometrically, numerically, and algebraically.

Transfer: CSU; UC.

287 LINEAR ANALYSIS (5.00)

5.00 hours per week: (5.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 265B

Presents a study of separable and linear ordinary differential equations with selected applications; numerical and analytical solutions; second order differential equations; Laplace transforms. Delves into Linear Algebra with a study of vectors in n-space, matrices, linear transformations, eigenvalues, eigenvectors, diagonalization; applies linear algebra in the study of systems of linear differential equation.

Transfer: CSU; UC.

MEDICAL ASSISTING [MAST]**109 PHLEBOTOMY (2.50)**

2.78 hours per week: (2.78 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: Student must be 18 years of age by the first class meeting. Proof of high school or equivalent education.

Corequisites: MAST 109L and Health Care Provider CPR

Advisories: NRAD 222

Designed to prepare the student in essential blood specimen collecting skills to fulfill CA State phlebotomy certificate requirements. Student is required to bring a valid CA driver's license or CA photo ID card to the first class meeting to show proof of age. Must be 18 years or older to be certified.

Repeatable 1 time(s).

109L PHLEBOTOMY EXTERNSHIP (1.00)

3.00 hours per week: (3.00 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Student must be 18 years of age by the first class meeting.

Corequisites: MAST 109

Advisories: NRAD 222

Provide students the opportunity of an externship to apply knowledge and skills to an acute and/or ambulatory care laboratory setting.

Repeatable 1 time(s).

110 MEDICAL ASSISTING BASICS (2.00)

2.00 hours per week: (2.00 lecture hours)

Associate Degree Applicable

Letter Grade Only

Introduces the medical assisting role and responsibilities, professionalism, and medical terminology. Concepts of anatomy, physiology, and computer basics are presented to facilitate entry level medical assisting practice.

111 MEDICAL ASSISTING FAST TRACK (11.00)

11.33 hours per week: (11.33 lecture hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MAST 110 with a minimum grade of C or better or Concurrent enrollment in MAST 110; Student must be 18 years of age by the first class meeting

Corequisites: MAST 111L and Current Health Care Provider CPR and Standard First Aid

Advisories: NRAD 222

Prepares the student for entry level employment as a medical assistant and eligibility for approved state or national certification exam. Must be 18 years or older to be certified.

111L MEDICAL ASSISTING FAST TRACK LAB (1.00)

3.78 hours per week: (3.78 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Prerequisites: Student must be 18 yrs of age by the first class meeting.

Corequisites: MAST 111 and Current Health Care Provider CPR and Standard First Aid

Provides the opportunity to apply theory during skills lab practice and externship. Placement in a community front and back office site helps the student perform various skills, communications techniques and professionalism under the direction of a preceptor. This experience provides marketability for employment as a medical assistant and eligibility for approved state or national certification exam. Must be 18 years or older to be certified.

193 MEDICAL ASSISTING SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

METEOROLOGY [METE]**212 INTRODUCTION TO METEOROLOGY (3.00)**

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: MATH 123 or equivalent

Advisories: ENGL 156

Introduces the fundamentals of meteorology, including the nature and origin of the atmosphere. Topics include atmospheric circulation, humidity, cloud formation, precipitation, storm growth, cyclone development, climates of the earth, and global climate change.

Transfer: CSU; UC.

MUSIC [MUS]

193 MUSIC SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

193E CHORAL ENSEMBLE TOUR (3.00)

9.00 hours per week: (9.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Studies, rehearses, and performs jazz and vocal chamber literature of French and American cultures. Nine performances in France, and two local performances (pre-tour and post-tour) will be a large part of the class.

201 FUNDAMENTALS OF MUSIC (MUSIC THEORY I)(3.00)

(Formerly MUS 239)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: No previous musical experience necessary

Provides an introduction and builds a foundation to the notation and primary elements of tonal music. Incorporates the following concepts: staff notation in treble and bass clefs, rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; and diatonic chords.

Transfer: CSU; UC.

204A MUSIC THEORY II (3.00)

4.00 hours per week: (2.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MUS 201 or placement test

Corequisites: MUS 205A

Advisories: Keyboard skills or Piano class.

Incorporates the concepts from Music Fundamentals (Music Theory I) and continues the four semester program. Some students with prior music training maybe able to test into this course. Through guided composition and analysis, the course will include: an introduction to two-part counterpoint; voice leading involving four-part chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation.

Transfer: CSU; UC.

204B MUSIC THEORY III (3.00)

4.00 hours per week: (2.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MUS 204A

Corequisites: MUS 205B

Incorporates the concepts from Music Theory II and continues the four semester program. Through writing and analysis, the course will include: introduction to chromatic harmony; secondary/applied chords; modulation; borrowed chords; introduction to Neapolitan and augmented-sixth chords. Required of all music majors.

Transfer: CSU; UC.

204C MUSIC THEORY IV (3.00)

4.00 hours per week: (2.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MUS 204B

Corequisites: MUS 205C

Incorporates the concepts from Music Theory III. Through writing and analysis, the course will include: post-Romantic techniques such as borrowed chords and modal mixture, chromatic mediants, Neapolitan and augmented-sixth chords, 9th, 11th and 13th chords, altered chords and dominants; and 20th century techniques such as: Impressionism, tone rows, set theory, pandiatonicism and polytonalism, meter and rhythm.

Transfer: CSU; UC.

205A MUSICIANSHIP II (1.00)

2.00 hours per week: (0.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Corequisites: MUS 204A

Applies and develops the rhythmic, melodic, and harmonic materials of Music Theory II through ear training, sight singing, analysis, and dictation.

Transfer: CSU; UC.

205B MUSICIANSHIP III (1.00)

2.00 hours per week: (0.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MUS 205A

Corequisites: MUS 204B

Applies and develops the rhythmic, melodic, and harmonic materials of Music Theory III through ear training, sight singing, analysis, and dictation.

Transfer: CSU; UC.

205C MUSICIANSHIP IV (1.00)

2.00 hours per week: (0.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MUS 205B

Corequisites: MUS 204C

Applies and develops the rhythmic, melodic, and harmonic materials of Music Theory IV through ear training, sight singing, analysis, and dictation.

Transfer: CSU; UC.

212 APPLIED MUSIC (PRIVATE LESSONS) (2.00)

7.00 hours per week: (7.00 lab hours)

Associate Degree Applicable

Corequisites: One of the following: MUS 201 or, MUS 204A and 205A or, MUS 204B and 205B or, MUS 204C and 205C AND one of the following: MUS 223 or, MUS 225 or, MUS 227 or, MUS 228 or, MUS 229 or, MUS 231 or, MUS 245

PHYSICS [PHYS]

193 PHYSICS SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

193C FIELD STUDIES IN PHYSICS (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Explores the principles of nuclear physics at the particle accelerator in CERN, Switzerland.

205A GENERAL PHYSICS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 229 or MATH 231 or equivalent

Presents the principles of statics and dynamics of particles and rigid bodies, harmonic motion, fluid mechanics, heat, thermodynamics, wave motion and sound using trigonometry.

Transfer: CSU; UC (For UC, credit for one series only between PHYS 205A-205B and PHYS 208A-208B-208C).

205B GENERAL PHYSICS (4.00)

6.00 hours per week: (3.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: PHYS 205A or equivalent

Presents the principles of geometric optics, physical optics, static and dynamic electricity and magnetism, introductory DC and AC circuit theory, modern physics topics (relativity, particles and waves, atomic structure, radioactivity and nuclear reactions) using trigonometry.

Transfer: CSU; UC (For UC, credit for one series only between PHYS 205A-205B and PHYS 208A-208B-208C).

208A PRINCIPLES OF PHYSICS 1 (5.00)

7.00 hours per week: (4.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: MATH 265A or equivalent

Presents the principles of statics and dynamics of particles and rigid bodies, fluids, harmonic motion, heat and thermodynamics using calculus.

Transfer: CSU; UC (For UC, credit for one series only between PHYS 205A-205B and PHYS 208A-208B-208C).

208B PRINCIPLES OF PHYSICS 2 (5.00)

7.00 hours per week: (4.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: PHYS 208A and MATH 265B

Presents the principles of wave motion, sound, geometric and physical optics, static and dynamic electricity and magnetism, D.C. and A.C. circuit theory and electromagnetic waves using calculus.

Transfer: CSU; UC (For UC, credit for one series only between PHYS 205A-205B and PHYS 208A-208B-208C).

208C MODERN PHYSICS (4.00)*4.00 hours per week: (3.00 lecture hours, 3 lab hours)**Associate Degree Applicable**Letter Grade Only**Prerequisites: PHYS 208B*

Presents the principles of relativity, waves and particles, Bohr theory, quantum mechanics and Schrodinger's equation, elementary atomic structure, nuclear structure and radioactivity using calculus and vector algebra.

Transfer: CSU; UC (For UC, credit for one series only between PHYS 205A-205B and PHYS 208A-208B-208C).

218 APPLIED PROBLEMS FOR CALCULUS-BASED PHYSICS (1.00)*1.00 hours per week: (1.00 lecture hours)**Associate Degree Applicable**Pass/No Pass Only**Corequisites: PHYS 208A or PHYS 208B*

Develops problem-solving skills that directly assist student mastery of concepts presented in PHYS 208 classes.

Transfer: CSU.

POLITICAL SCIENCE [POLS]**201 INTRODUCTION TO POLITICAL SCIENCE (3.00)***3.00 hours per week: (3.00 lecture hours)**Associate Degree Applicable**Letter Grade or Pass/No Pass**Advisories: ENGL 156*

Focuses on work-related conversation, reading, and writing for the non-native speaker at the beginning level. No English is required.

Repeatable.

702 WORK-RELATED CONVERSATIONAL SKILLS, LEVEL 2 (0)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Non-Applicable

Non-Credit/Non-Graded

Advisories: VESL 701 or equivalent.

Presents a continuation of VESL 701, focusing on work-related reading, conversation, and writing for the non-native speaker.

Repeatable.

715 COMMUNICATION SKILLS FOR WORKPLACE (0)

2.00 hours per week: (0.50 lecture hours, 1.50 lab hours)

Associate Degree Non-Applicable

Non-Credit/Non-Graded

Focuses on the basic verbal communication skills and cultural knowledge needed in job readiness and job search in the United States.

Repeatable.

WELDING [WELD]

175 BLUEPRINT READING AND MATERIALS PROCESSING (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: WELD 270A

Advisories: MATH 123

Provides students with instruction and experience with structural, architectural and shop blueprints commonly utilized in the welding industry. Interpretation, drawing, and application of skills will be applied to determining job cost, material acquisition and project construction.

176 WELDING POWER (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Applies principles of selection, maintenance, diagnostics and repair of various welding power supplies and external drive mechanisms. Includes instruction and hands on experiences in electrical principles as they pertain to machine selection, installation, operation and maintenance. Manual, semiautomatic and automatic equipment will be included as focus topics for this course.

193 WELDING TECHNOLOGY SPECIAL TOPIC (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Examines a special topic in the field of study related to the discipline offering this course.

247 INDEPENDENT STUDIES: METALS TECHNOLOGY (2.00)

6.00 hours per week: (6.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the technical field in which the study is to be undertaken.

Provides an opportunity for in-depth study or practicum experience by an individual student in a selected topic in the Welding Technology area with support and direction from an instructor.

Transfer: CSU.

270A BASIC WELDING (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Provides for basic instruction in oxyacetylene and shielded metal arc welding. Begins with the fundamentals and quickly progresses through intermediate skills for welding steel. Includes information on cutting, braze welding, metallurgy, vertical arc welding and non-ferrous welding. An emphasis is placed on developing good manipulative welding skills for joining steel in the flat and horizontal positions.

Transfer: CSU.

270B ADVANCED WELDING (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: WELD 270A

Continues WELD 270A with emphasis placed on vertical and overhead welding with the shielded metal arc processes. Includes instruction on air carbon arc gouging, flux core arc welding, and development of welding procedures and techniques.

Transfer: CSU.

270C WELDING: GMAW & GTAW (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Prerequisites: WELD 270A

Presents advanced welding with Gas Tungsten Arc (Heliarc) Welding, Gas Metal Arc (Wire Feed) Welding and Flux Core Arc Welding processes on ferrous and nonferrous materials.

Transfer: CSU.

273 METALLURGY (3.00)

5.00 hours per week: (2.00 lecture hours, 3.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Emphasizes the mechanical and physical properties of ferrous and non-ferrous metals. Includes preparation and inspection of metal samples and manufacturing and forming processes.

Transfer: CSU.

277 METAL FABRICATION (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: WELD 270A

Provides an opportunity to design and construct major projects from metal. Manufacturing processes and production techniques are included in planning and developing projects.

Transfer: CSU.

280A STRUCTURAL STEEL WELDING CERTIFICATION(3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Advisories: Completion of or concurrent enrollment in WELD 270B.

Continues WELD 270B. Prepares the student to meet industry standards in shielded metal arc welding on plate steel. Includes performance and procedure qualification, workmanship, techniques, inspection. Provides opportunity for certification to the American Welding Society D1.1 Structural Welding Code.

Transfer: CSU.

280B PIPE WELDING CERTIFICATION (3.00)

6.00 hours per week: (2.00 lecture hours, 4.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Advisories: WELD 270B

Prepares the student to meet industry standards in Shielded Metal Arc Welding (SMAW) on plate and pipe, as well as introduces Gas Tungsten Arc Welding (GTAW) on pipe. Includes workmanship and pipe fitting techniques, providing opportunity for certification to the American Society of Mechanical Engineers (ASME) Section IX Boiler and Pressure Vessel code.

Transfer: CSU.

WELLNESS [WELL]**000 ADULT FITNESS (0)**

3.00 hours per week: (3.00 lab hours)

Associate Degree Non-Applicable

Non-Credit/Non-Graded

Presents an opportunity to begin or continue a lifetime fitness program. Students will participate in activities developing flexibility, muscular endurance, muscular strength, cardiovascular and general conditioning. Group or individual activities may include weight training, aerobics, step training, running, walking, water exercise, resistance workout, use of exercise equipment, etc.

Repeatable.

001 ADAPTED AQUATICS (0)

3.00 hours per week: (3.00 lab hours)

Associate Degree Non-Applicable

Non-Credit/Non-Graded

Provides an individualized aquatic exercise program for students with a disability. Improves flexibility, strength, and endurance using the water as a source of buoyancy and resistance.

Repeatable.

WORK EXPERIENCE [WEXP]**012 LIFE SKILLS FOR SUCCESS A: WHO AM I? (1.00)**

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to personal identity, values and goals, and self-esteem and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

013 LIFE SKILLS FOR SUCCESS B: HOW DO I DECIDE? (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to decision-making, dealing with change, time and energy management through reality-based readings, discussions and activities fostering the skills needed to live and thrive in our society.

014 LIFE SKILLS FOR SUCCESS C: HOW MUCH DO I NEED? (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to financial literacy, personal budgeting and planning, and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

015 LIFE SKILLS FOR SUCCESS D: STAYING HEALTHY (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to establishing a healthy lifestyle in the areas of physical, mental and sexual health, and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

016 LIFE SKILLS FOR SUCCESS E: FINDING YOUR FUTURE (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to planning one's future including identifying career interests and motivation, career paths, related educational opportunities, job market trends, basic elements of a job search portfolio; and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

017 LIFE SKILLS FOR SUCCESS F: COMMUNITY LIVING A (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses

on issues related to getting along in the community such as housing, transportation, and public services; and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

018 LIFE SKILLS FOR SUCCESS Q: COMMUNITY LIVING B (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to developing a sense of community and participating in the community; and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

019 LIFE SKILLS FOR SUCCESS R: LIVING HEALTHY RELATIONSHIPS (1.00)

1.00 hours per week: (1.00 lecture hours)

Associate Degree Non-Applicable

Letter Grade or Pass/No Pass

Provides individuals with skills to function effectively in the workplace, school and the community. This course focuses on issues related to building and maintaining healthy relationships; and through reality-based readings, discussions and activities fosters the skills needed to live and thrive in our society.

030 WELLNESS ARTS (2.00)

3.00 hours per week: (1.50 lecture hours, 1.50 lab hours)

Associate Degree Non-Applicable

Pass/No Pass Only

Advisories: Consult with Wellness Arts Coordinator

Presents art as a tool for processing, expressing and managing mental health issues as they relate to succeeding in a college environment. Examines internal and external factors that affect wellness in the college setting and strategies for managing them. Provides skills for establishing and assessing educational goals. Creates an atmosphere for team-building and self-discovery. Designed for students who struggle with levels of anxiety, sadness, intrusive thoughts, and social phobia that may make attending and succeeding in college difficult.

110 CAREER PLANNING: COMPREHENSIVE (3.00)

3.00 hours per week: (3.00 lecture hours)

Associate Degree Applicable

Pass/No Pass Only

Advisories: ENGL 156

Introduces a decision-making process that will help students envision and plan for a future that is productive, achievable, and stimulating. The culmination of this process is the development of an online career and education 10-year plan that can be used for advisory and academic coaching purposes and updated as students grow, change, or face transitions. The personalized 10-year plan provides the focus and intrinsic motivation to succeed in college, at work, and in life.

147 INDEPENDENT STUDIES: WORK EXPERIENCE (0.50 to 2.00)

0.00 hours per week: (0.00 lecture hours)

Associate Degree Applicable

Letter Grade or Pass/No Pass

Prerequisites: The student must have completed preparatory course work in the field in which the study is to be undertaken.

Provides an opportunity for an in-depth study or a practicum experience by an individual student in a selected topic of Work Experience under the direction of an instructor.

151L COOPERATIVE WORK EXPERIENCE LAB – GENERAL (0.50 to 2.50)

15.00 hours per week: (3.00 - 15.00 lab hours)

Associate Degree Applicable

Letter Grade Only

Corequisites: Choose one of the following courses: BUS 170, BUS 171, BUS 172, BUS 173, BUS 174, BUS 175, BUS 176, BUS 177, BUS 178, BUS 179, BUS 180, BUS 181, BUS 182, BUS 183, or WEXP 151 and must be working a minimum of 5 hours per week.

Examines and provides information on work-related topics. Students enrolling in this class must have a job, working a minimum of 5 hours per week. For Summer, students must be enrolled in one other credit course, and be working a minimum of 7.5 hours per week.

Repeatable 3 time(s).

193 WORK EXPERIENCE SPECIAL TOPICS (0.50 to 4.00)

0.00 hours per week: (0.00 lecture hours)

Letter Grade Only

Associate Degree Applicable

Examines a special topic in the field of study related to the discipline offering this course.

1930 SURVEY OF AUTOMOTIVE TECHNOLOGY (1.00)

2.00 hours per week: (0.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Presents a basic overview of the automotive service industry, with an emphasis on the foundational knowledge and skills required for a basic entry level technician.

193P SURVEY OF AUTOMOTIVE BODY REPAIR (1.00)

2.00 hours per week: (0.50 lecture hours, 1.50 lab hours)

Associate Degree Applicable

Pass/No Pass Only

Presents a basic overview of the auto body repair industry, with an emphasis on the foundational knowledge and skills required for a basic entry level position.

193Q SURVEY OF MOTION PICTURE AND TELEVISION PRODUCTION (1.00)

CUESTA COLLEGE FOUNDATION

Since 1973, the foundation has worked with generous donors to support student success at Cuesta College. The foundation provides essential support for college programs, services, scholarships and capital needs and has become one of the top community college foundations in the nation.

Over half a million dollars of local scholarships are available for students for 2014-15. **The Cuesta College Promise, a new scholarship program, provides a first semester fee-free to SLO County high school graduates every year.**

The foundation is led by a board of directors including volunteer community members from across the San Luis Obispo County (listed below). Additional information about the foundation's programs and ways to give can be found on the website: <http://academic.cuesta.edu/foundation> or by calling (805)546-3279.

MISSION

The Cuesta College Foundation ensures the greatest educational opportunities for student access and success by:

- Providing the highest level of support and philanthropic opportunities
- Serving as a liaison between the college and the community
- Enhancing the college's visibility and stature
- Advocating for community colleges
- Fostering a creative and rewarding environment for students, faculty, staff and volunteers
