COLLEGE HISTORY

The original junior/community college in San Luis Obispo County was initiated as a postgraduate division of San Luis Obispo High School in 1916 and remained in operation until the United States entered into World War I. In 1936, the San Luis Obispo High School District again formed a junior college, which remained in operation until June 1959.

During the 1964-65 college year, the San Luis Obispo County Junior College District offered a limited evening division program with 463 students registering for the fall semester and 696 enrolling for the spring semester. Temporary quarters were established at Camp San Luis Obispo, a California National Guard facility located halfway between San Luis Obispo and Morro Bay. Classes and offices were situated in refurbished barracks, recreation rooms, and mess halls.

Despite the District's modest beginnings, 917 day students and 991 evening students were enrolled in classes by the fall of 1965. Evening division classes also were conducted at three other locations in the county - Arroyo Grande, Atascadero, and Paso Robles. On October 4, 1965, the Board of Trustees of the San Luis Obispo County Junior College District named the new college “Cuesta College.” In 1971, the “junior” college district was renamed to “community college.”

In 1970, ground was broken for the college’s first permanent buildings, located on the 150-acre campus west of Camp San Luis Obispo. During the following 40 years, classroom buildings, a library, observatory, student center, art and music lab building, art gallery, high tech learning center, children’s center, performing arts center, and office spaces were constructed on the San Luis Obispo Campus. In the fall of 2016, approximately 7,012 students were served on the San Luis Obispo Campus.

In the fall of 1998, the District opened the North County Campus on a 105-acre site in Paso Robles. The campus, built almost exclusively with private gift support, has grown from 1,200 students the first semester to 3,071 students in fall 2016. In the summer of 2005, the first permanent building opened to students: The Fox Family Building. This building houses Allied Health, Math, and Science. The college broke ground for a second permanent building in spring 2010: The North County Campus Learning Resource Center. The Learning Resource Center was completed in fall 2011 and began serving students in spring 2012. The building was named in honor of donors Dale and Mary Schwartz and dedicated on May 24, 2012.

The South County Center is an off-campus evening instructional site at Arroyo Grande High School, provided in cooperation with the Lucia Mar Unified School District. During the fall 2016 semester, 808 students were served at this site. In the spring of 2016, the college brought back its free Emeritus College non-credit courses for adults, providing a free source for lifelong learning, vocational education, and cultural development for adult community members.

In 2013, Cuesta College rolled out the Cuesta College Promise, a scholarship that today provides all newly graduated San Luis Obispo County high school students a fee-free first year (consecutive fall and spring semesters). In fall 2016, more than 700 local students entered Cuesta College on the Promise Scholarship. In 2016, Cuesta College launched the Cambria Promise, providing a fee-free second year to all Coast Unified School District high school grads. With the proven success of the Cambria Promise, the college recently announced efforts to add a second year of fee-free education to the Promise Scholarship.

On November 4, 2014, the voters of San Luis Obispo County passed Measure L, a $275 million general obligation bond to improve Cuesta College. Measure L addresses longstanding facility, infrastructure and technology needs. The first two bond-funded buildings (the San Luis Obispo Campus Instructional Building and the North County Campus Center) will be completed in fall 2017 and begin serving students in spring 2018.

Cuesta College maintains various official designations, including as a Hispanic Serving Institution, allowing the college to apply for grants that expand educational opportunities for Latino/a students, and as a Military Friendly® School, recognizing the college’s efforts to support military students.

STUDENT SUPPORT SERVICES AND SPECIAL PROGRAMS
STUDENT EQUITY AND ACHIEVEMENT PROGRAM

In September 2012, Governor Brown signed the Student Success Act of 2012 (Senate Bill 1456) into law. The Student Success and Support Program, now known as the Student Equity and Achievement Program, requires all California Community Colleges to provide students with core matriculation services. It is recommended that students meet regularly with an academic counselor and take advantage of college resources. In addition, students are directed to develop a comprehensive student education plan upon completion of 15 degree-applicable credits and to define their education goal and course of study. Students should also attend classes regularly and complete assigned coursework to maintain progress toward their educational goals. Students with an associate degree or higher may be exempt from some of these requirements.

MANDATORY CORE SERVICES

Evidence-based practices and research demonstrate that students who participate in orientation, placement, and academic advising benefit from a stronger foundation and are more likely to persist and flourish in college. All new non-exempt students entering Cuesta College are required to complete these core matriculation services: orientation, placement, and the development of a student education plan. Refer to the Cuesta College website and your student category for more information on these core services.

ENROLLMENT SERVICES (ADMISSIONS AND RECORDS)

Para información sobre Admisiones comuníquese con la Oficina de Admisiones de Cuesta College, (805) 546-3140 ó vea la pagina

Resources available online, for the convenience of our students including those attending via distance education, are available on the Enrollment Services (Admissions and Records) website. https://cuesta.edu/student/studentservices/admrreg/index.html

Eligibility

The college admits students who meet the following requirements and who are capable of benefitting from the instruction offered:

- Any person over the age of 18, or a person under the age of 18 possessing a high school diploma or its equivalent. A copy of the certification (California State Proficiency Exam or GED) is required if under 18 years of age.
- Students 18 years of age or older without a high school diploma, or equivalent, are eligible for provisional admission to Cuesta College.
- Applicants under the age of 18 who are currently enrolled in grades 9-12, are eligible to apply for admission to attend Cuesta College as “enrichment students,” with an approved Permit to Enroll in specified advanced scholastic or vocational coursework at Cuesta College. Dual Enrollment students are referred to as “Enrichment” students.
- International students who have met the International Admission Requirements and have been issued an F-1 or M-1 Visa.

An exception to the college admission policy may be made for a pupil currently enrolled in grades 6-8 who has been certified as “highly gifted” by their school district. “Highly gifted pupil” means a gifted and talented pupil who has achieved a measured intelligence quotient of 150 or more points on an assessment of intelligence administered by qualified personnel or has demonstrated extraordinary aptitude and achievement in language arts, mathematics, science, or other academic subjects, as evaluated and confirmed by both the pupil’s teacher and principal. Highly gifted pupils shall generally constitute not more than one percent of the K-12 pupil population. (Reference Administrative Procedure 5011)

Students under the age of 18 without a high school diploma, or equivalent, who are not currently enrolled in a secondary institution, are not eligible for admission to Cuesta College. A denied applicant may make an appeal to the Superintendent/President, or designee.

Application

All students must complete and sign an official Cuesta College Admission Application (online with electronic signature or in print) to be admitted to the college. All information provided by the applicant on the admission application must be true and accurate as required by law. Students who are enrolling at Cuesta College for the first-time and students returning after an absence of a semester or more (not including summer) must submit an application available online at https://home.cccapply.org.

Applications are available beginning:

- October 1 for Fall Semester
- April 1 for Summer Session
- October 1 for Spring Semester

Residency Requirements

Admission of each student includes the determination of California State residency based on California Education Code 68017 and Title 5, Sections 54000-54072. A student who believes that their residency status is incorrect may challenge the non-resident status by completing the Statement of Legal Residence form and submitting it to the Admissions Office for review.

Resident Student: A resident student is one who has been a legal resident in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll, and who demonstrates the intent to remain a permanent California resident.

Students determined to be California residents are charged the California State Enrollment fee as set by the California Community College Chancellor’s office. (Education Code 68017)

Programs with Additional Admission Requirements
Admission to impacted specialized programs may require the completion of a program admission application and Chancellor’s recommended and Board-approved admission requirements. Current program admission requirements are published by the respective program and made available on the Cuesta website. The Admission criteria, process and application for specialized programs are valid for the current application cycle only.

Dual Enrollment Students (Enrollment)
An eligible enrichment student must possess an approved Permit to Enroll to enroll in specified advanced scholastic or vocational courses. Cuesta College has defined advanced scholastic or vocational coursework as work that is transferable to a four-year institution and/or meets vocational degree or certificate requirements. The Permit to Enroll must be completed by the student’s current school Principal, or approved designee, identifying the specific course, or courses. The Permit to Enroll is approved by the student’s parent, or legal guardian, and by the student. The Permit to Enroll is then submitted to the Cuesta Registration Office for processing. Enrichment Students, grades 9-12, may enroll in Cuesta College courses on a space available basis and will be required to meet all of the following enrollment requirements:

• Demonstrate the ability to benefit from advanced scholastic or vocational coursework as determined by the student’s principal, or designee;

• Satisfactorily meet all course prerequisites;

• Meet the age requirement of any age-restricted courses, posted on the Cuesta web site, for which the student seeks to enroll, or successfully petition for authorization to enroll;

• Enrichment students are prohibited from auditing courses;
• Enrichment students are prohibited from enrolling in Kinesiology activity courses.

Cuesta College waives the enrollment and student representation fee for Enrichment students. Students classified as “non-residents” of California who meets all requirements of Administrative Procedures 5011, shall be exempt from paying nonresident tuition including the California resident enrollment fee. All other fees will be assessed. This exception does not apply to F1/M1 Student Visas. Students receiving this exemption do not receive resident status for the purpose of tuition or financial aid. Students should finalize their residency status in California.

Age Restricted Course Appeal Process:
An Enrichment student who does not meet the age requirement of an age restricted course may petition to enroll in the course. The petition must be completed by the student and submitted to the relevant division for approval. The instructor and division Chair signatures are required for approval. Denial of a petition is final.

International students must complete the International Admission Application, and the Cuesta College online admission application to receive a form I-20. A $100 processing fee must accompany the International Student Application. This fee is subject to change pending Board of Trustee’s approval.

ASSESSMENT/PLACEMENT

What is Placement?
English and math placement assists students with appropriate course selection and may be used to satisfy mandatory course prerequisites. First-time college students are expected to participate in the placement process prior to registering for courses. Final official high school transcripts should be submitted to the Cuesta College Records Office along with the transcripts from any other colleges attended.

AB 705 and AB 1805

Two new assembly bills relating to assessment and placement were recently passed. These bills, AB 705 and AB 1805, highlight evidence suggesting that community colleges are placing too many students into remediation and significantly more students would complete transfer requirements in English and math if enrolled directly in these courses. Because of this, students must be given access and informed of their rights to access transfer-level coursework in English and math. In addition, placement methods must include one or more of the following: high school coursework, high school grades, and high school grade point average (GPA). Cuesta College uses all of the above measures to place students.

Students who have a verified disability qualify for academic accommodations and services through the Disabled Student Program and Services (DSPS) department. Student participation in the DSPS program is voluntary. Academic accommodations and services are designed to support students that are enrolled in the achievement of their academic and vocational goals.    • If you do not choose an option, your funds will be delayed by at least three weeks.

FINANCIAL AID POLICIES

Congress has established policies and procedures that are used throughout the nation in determining a student’s ability to pay for college. The basis of these policies is the belief that students and their families have the primary responsibility for meeting educational costs. The amount of the contribution expected from students is determined by careful analysis of the family’s financial strength, taking into consideration a number of factors, including adjusted gross income, family size, the number of dependents attending college, allowable expenses, and assets.

DEPENDENCY STATUS

Dependent students are required to provide data for both themselves and their parents, while independent students are required to provide data for themselves and their spouses (if married).

In order to be considered an independent student, a student must:

   • Be at least 24 years old or turn 24 during the first portion of the academic year;
   • Be married on the day you file your FAFSA;
   • Be a parent and be able to financially support your child;
   • Have dependents other than your spouse who live with you and who receive more than half their support from you at the time you apply;
   • Be an orphan (both parents have deceased);
   • Be (or were until age 18) a ward or dependent of the court;
   • Be currently serving on active duty in the U.S. Armed Forces for purposes other than training;
   • Be a veteran of the U.S. Armed Forces;
   • Be a foster child or in foster home sometime after the age of 13;
   • Be an emancipated child as determined by a court judge; OR
   • Be homeless or at risk of homelessness as determined by the director of a HUD approved homeless shelter, transitional program, or high school liaison.

If none of the above criteria apply to the student, then the student is considered to be a dependent student—even if the student can claim themselves on their taxes.

In unusual circumstances—such as abandonment, parent’s incarceration, or an abusive family environment—the Financial Aid Office has the authority, through Section 480(d)(7) of the Higher Education Act, to change a student’s status from dependent to independent. If you feel your circumstances warrant a change in dependency status, please contact the Financial Aid Office for more information.

FAFSA

Cuesta recommends using one of the Free Application for Federal Student Aid (FAFSA). This single application allows aid administrators to determine your eligibility to receive the Board of Governor’s fee waiver, Pell Grant, Supplemental Educational Opportunity Grants, Federal Work Study, Cal Grants, Direct Loans, and many scholarships.

A separate FAFSA must be filled out for each academic year. The 2018-19 FAFSA is already available and the upcoming year’s application is made available online (www.fafsa.ed.gov) starting on October 1.

CALIFORNIA STUDENT AID PROGRAMS

The California College Promise Grant (CCPG)

The CCPG (formerly known as the “BOG Fee Waiver”) waives enrollment fees for California residents who are eligible under one of the following methods:

Method A

A student is eligible under Method A if they:

   • Received TANF, CalWORKs, SSI, or General Assistance payments in the last two years (2016 or 2017 for the academic year 2018-2019);
   • Are a dependent student and one of their parents received such assistance;
   • Are determined to be an unaccompanied youth who is homeless or at risk of being homeless;
In order to apply for a Cal Grant, students must complete the FAFSA or California Dream Act Application for the upcoming year by March 2.

California Chafee Grants for Foster Youth (https://www.chafee.csac.ca.gov)

Chafee grants provide up to $5,000 a year to youth who are or were in the foster care system.

To qualify, a student must be a current or former foster youth who has not reached his/her 22nd birthday as of July 1 of the award year. Additionally, the court must have established the student’s dependency status between the ages of 16 and 18.

To apply, complete both the FAFSA and the online California Chafee Grant Application available at https://www.chafee.csac.ca.gov.

AB-540 Students

Students who have AB-540 status are eligible for a number of financial aid programs that are ordinarily restricted to California residents:

- California College Promise Grant (CCPG)
- Cal Grant B Community College Transfer Entitlement Award
- Cal Grant C
- Extended Opportunities Programs and Services (EOPS)

To apply for these programs, students must complete the following:

- Submit the non-SSN GPA verification form to the California Student Aid Commission (if necessary) by March 2.
- Complete the EOPS application. (For application and deadline information, contact the EOPS office at 546-3144)

INSTITUTIONAL AID

In addition to government funding, Cuesta College offers two institutional sources of financial aid: the Cuesta College Scholarship program and the ASCC Book Loan program.

Cuesta College Scholarship Program (https://cuesta.academicworks.com/users/sign_in)

This program, made available through private donors, offers over 200 scholarships to current Cuesta students and incoming freshmen. Each scholarship has its own set of eligibility requirements, but students only have to fill out one application.

To apply for the Cuesta College Scholarships, please complete both the FAFSA and the online scholarship application prior to March 2 of the award year.

ASCC Emergency Book Loan

The Associated Students of Cuesta College created this program to assist students who have not yet received financial aid but need to purchase books. Vouchers are used in the bookstore to cover up to $300 of textbooks. This program opens the week prior to the Fall and Spring terms and closes at the end of the first week of classes.

In order to be eligible for an emergency book loan, a student must:

- Be enrolled in at least six units
- Submit a FAFSA
- Purchase an ASCC ID card for the current term
- Have the means to repay the loan without using financial aid to do so
To apply, please contact the Financial Aid office in the week prior to the Fall or Spring term.

**FEDERAL STUDENT AID PROGRAMS**

**General Eligibility Requirements**

In order to receive federal student aid under any of the programs listed below, a student MUST:

1. Be a U.S. citizen or an eligible noncitizen;
2. Have a valid Social Security Number;
3. Have a high school diploma or a General Education Development (GED) certificate (if you are a home school graduate, contact the financial aid office);
4. Enroll in an aid-eligible program as a regular student seeking an associate degree, transfer degree, or certificate;
5. Register with the Selective Service* (if male);
6. Make satisfactory academic progress (see our SAP policy below);
7. Not be in default or delinquency on federal education loans, or owe any federal grant money to any institution;
8. Not be ineligible due to convictions for any offense involving the possession or sale of illegal drugs while receiving Title IV federal aid;

*All male U.S. citizens (and eligible noncitizens) between the ages of 18 and 26 must register with the Selective Service.

**Federal Pell Grant**

The Federal Pell Grant program provides aid to eligible students with financial need to cover educational expenses. The amount that one receives is based primarily on the student’s expected family contribution and the number of units in which the student is enrolled. For the 2018-19 award year, the maximum annual Federal Pell Grant award is $5,920. Under the new “year-round Pell” initiative, additional funds may be available in summer on a case-by-case basis.

**Federal Work Study (FWS)**

Federal work study awards allow students to find jobs on campus and in the community that are paid out of a fund. Students must meet all of the eligibility requirements for federal student aid and be enrolled in at least six units (as locally required for student employment during primary terms by administrative procedure 7201.1).

**The William D. Ford Federal Direct Loan Program**

This government program offers low-interest loans to eligible students who are enrolled in at least six units. There are two types of student loans: subsidized and unsubsidized.

- **Subsidized Direct Loan**
  The federal government subsidizes (pays) any interest that student loans accrue while the students are still enrolled in school at least half-time.

- **Unsubsidized Direct Loan**
  Students are required to pay the interest while they are in school. Interest payments may be deferred while the student is in school, but the accrued interest will be capitalized.

Interest rates and loan origination fees are not published in this catalog as they are subject to change after the date the catalog will be published. Although the interest rate varies from year-to-year, the loan will be fixed at that rate once it has been originated. For the latest information on interest rates, visit this webpage: [https://studentaid.ed.gov/types/loans/interest-rates](https://studentaid.ed.gov/types/loans/interest-rates).

Repayment begins six months after students graduate, withdraw from school, or drop below half-time enrollment status.

New legislation limits eligibility for Direct Subsidized Loans to 150 percent of the length of the student’s academic program for new borrowers beginning on or after July 1, 2013. The 150 percent change means students in a two-year program will be eligible to receive subsidized student loans for the equivalent of three years. Note that the federal subsidy can be lost in some cases where a student moves from a longer academic program to a shorter academic program.

First-time borrowers are required to complete the online Student Loan Workshop as part of their entrance counseling.

**Federal Direct Parental Loans (PLUS)**

Parents of dependent students may apply for a Direct PLUS Loan to help pay their children’s education expenses as long as certain eligibility requirements are met.

For more information, please visit: [https://studentaid.ed.gov/types/loans/plus](https://studentaid.ed.gov/types/loans/plus)

**Satisfactory Academic Progress (SAP)**

Cuesta College has recently revised its Satisfactory Academic Progress (SAP) Policy to promote the academic planning and success of its students with financial need. In order to receive federal financial aid, students must make satisfactory academic progress as defined in this policy. The Financial Aid Office checks your progress using the standards detailed below at the end of each term. It is your responsibility to meet these standards.

Note: All periods of enrollment will be evaluated regardless of whether or not financial aid was received. Additionally, federal regulations require that any courses excluded from GPA by an academic renewal process must be included in the SAP review.

ATTEMPTED UNITS AND COMPLETION RATE
For the purposes of SAP calculations, attempted units include all units in which a student has enrolled regardless of whether or not they finished the class or received a grade for their work. Courses that are dropped prior to the census date will not be included, but any course that receives a grade of W or FW will be included in the calculation.

In order to retain eligibility for financial aid, a student must complete 67% of the units they attempt in a given term, as well as 67% of their overall attempted units.

Examples of how completion rate is calculated

Student A: Attended Fall semester. Attempted 12 units, completed 7 units. Completion rate is calculated as 7/12 = 58%, student did not meet the 67% requirement.

Student B: Attended Fall semester. Attempted 12 units, completed 9 units. Completion rate is calculated as 9/12 = 75%, student met the 67% requirement.

Student C: Attended Fall and Spring semesters for two years. Attempted 48 units, completed 34 units. Completion rate is calculated as 34/48 = 71%, student met the 67% requirement.

Student D: Attended Fall and Spring semesters for two years. Attempted 48 units, completed 31 units. Completion rate is calculated as 31/48 = 65%, student did not meet the 67% requirement.

GRADES
Grade symbols of A, B, C, D, or F received at Cuesta College will be used to calculate grade point average (GPA). Courses completed with CR, P, I, NC, NP, W, or WF will NOT be used in calculating a student’s GPA, but they will be used in the determination of the other SAP standards.

MAXIMUM TIME FRAME or EXCESSIVE UNITS
If a student attempts more than 150% of the units required to complete the educational goal (degree or certificate) that they have declared to the Enrollment Services (Admissions and Records) office, they are ineligible for federal student aid.

*Certain certificate programs (e.g. nursing) require more than 24 units to complete and this higher amount will be used to calculate eligibility in the SAP review process. In some cases, however, an appeal may still be requested in order to document eligibility.

DETERMINING SAP STATUS
The Financial Aid office evaluates SAP at the end of each term to determine students’ eligibility for financial aid. Based on their academic performance, a student is placed in one of the following statuses:

APPEAL PROCESS
If students have experienced extenuating circumstances that affected their academic performance, they may submit a SAP appeal to the Financial Aid office. Appeals are evaluated on a case-by-case basis by a team of financial aid professionals with the capacity for professional judgment. There is no guarantee that an appeal will result in financial aid being revised and/or reinstated. If a student wishes to contest a
decision made by the Financial Aid Office, they may appeal one more
time to the Director of Financial Aid. The determination of the Director
of Financial Aid is final.

Appeals may be filed in the following situations:

- Serious illness or accident, death in family, or other family
emergency
- Withdrawal for military service
- Other documentable extenuating circumstances

Appeal forms for the current academic year may be requested from
the Financial Aid Office in person or online (cuesta.verifymyfafsa.com).
Appeals may be submitted in-person or via e-mail from the student’s
Cuesta e-mail address.

To file a successful appeal, a student must:

1. Complete all of the steps indicated in the instructions for the
correct academic year and term;
2. Attach a personal statement that explains the reasons for the
student’s inability to meet SAP standards and how that situation
has been resolved;
3. Provide official documentation (third-party confirmation of
the situation, ideally from a professional source like a doctor,
counselor, instructor, etc.) of any circumstances mentioned in
the personal statement;
4. Attach a student attendance and progress report, if appeal is
submitted after certain points in the term (see instructions for
details).

Appeals that arrive after a term has been completed (“retroactive
appeals”) will be considered as late submissions for that term.
Students should base their appeal on the situation that existed before
the prior term. Students may not use any success during the prior term
as an after-the-fact justification for the appeal.

**SAP “RESET” POLICY**

Students who have changed their major or program of study are able
to have their SAP eligibility re-calculated solely on the basis of grades
and units that are applicable to their current program. A student may
receive such a "reset" only once during their time at Cuesta.

However, students that have been accepted into certain programs
may be eligible for an additional reset. In order to receive an additional
"reset", a student must file a SAP appeal and be enrolled in a program
that satisfies the following conditions:

1. The program has its own admissions process separate from
that used by Cuesta College at large.
2. Students in the program progress through a set of mandatory
coursework across multiple terms.

Examples of programs that would currently qualify for a “reset”:
Registered Nursing, Licensed Vocational Nursing, and Psychiatric
Technician.

Once an additional "reset" has been granted, no further resets will be
allowed.

**COURSE REPETITION**

For financial aid purposes, courses may be repeated consistent with
district academic standards, as identified in the college catalog.
However, all repeated units will count toward Maximum Time Frame.
Students may receive financial aid for repeat course work which they
have previously passed only once.

There is an exception for courses which require repeats. Students
taking a required repeat course should work with the Financial Aid
Office to ensure those credits are counted appropriately for financial
aid eligibility. Students may need to provide documentation regarding
the requirement to repeat.

**FINANCIAL AID ELIGIBILITY FOR REMEDIAL AND ESL
COURSEWORK**

Students are allowed to receive financial aid for remedial units if
the remedial classes are a prerequisite for entrance into a regular
college program. Financial aid cannot be received for more than 30
attempted units of remedial classes. Remedial units must be taken in
recommended sequence.

ESL coursework must be part of an eligible program of study to receive
financial aid. ESL coursework is not an approved program in itself. A
student enrolled in ESL classes, who is not in an eligible program of
study, is not eligible for federal student aid.

**TRANSFER CREDITS**

All transfer credits that Cuesta evaluators have determined will count
toward the student's current program will also be included in the
calculation of overall attempted and completed hours. They will not be
included in the calculation of overall GPA.

**FEDERAL RETURN OF TITLE IV FUNDS POLICY**

Title IV (federal student aid) recipients who withdraw completely
before completing 60% of the term for which the student has been
charged will be required to return a portion of the Title IV funds they
received. The return amount will be calculated using the number of
days the student attended in the given term and the total number of
days in the given term.

**RETURN OF OVERPAYMENT**

Title IV federal aid recipients who withdraw from all classes—or
are administratively withdrawn from all classes—may be required to
return a portion of the financial aid they received. The Financial Aid
office will calculate the percent of financial aid earned and unearned
for the given term. Title IV financial aid recipients who receive an
overpayment resulting from changes in enrollment, cost of attendance,
general eligibility, and additional financial aid award(s) will be required
to return funds in the amount necessary to eliminate the overpayment.
The student will be notified if they are required to return any Title IV
funds. Students that fail to return Title IV funds are ineligible for federal
student aid.

**ORDER OF RETURN OF TITLE IV FUNDS**

All returns will be distributed to the student financial assistance programs in the order below with the following exceptions: Title IV funds required to be returned by the student will not be distributed to a Federal Direct Loan Program and no returns shall be distributed to the Federal Work Study Program.

6. Other Title IV Programs
7. Other Federal and State Programs
8. Institutional or Agency Programs

The Dean of Student Services will make available the institutional accreditation documents and the Title IV participation agreement upon student request. The Title IV school code for Cuesta College is 001192.

**INSTITUTE FOR PROFESSIONAL DEVELOPMENT**

The Institute for Professional Development (IPD) addresses the Cuesta College mission to support workforce preparation and economic growth through assessment, training, coaching, consulting, and facilitation. IPD’s focus is to drive down costs, expand the talent pool in the local workforce, and help businesses adopt continuous improvement methods and processes. IPD offers training programs customized to the needs of each business or organization.

Training classes and services are offered at the client’s site or at one of several campus locations throughout the county. Class schedules are flexible and are based on the needs of the client. Training offerings can be short or long-term. IPD draws on highly qualified professionals and faculty with expertise in a wide range of fields.

IPD fees are competitively priced, and IPD also offers eligible employers the opportunity to access state training funds through the Employment Training Panel. This allows companies to stretch their precious training dollars further. For more information, contact the Institute for Professional Development, Cuesta College at (805) 546-3180.
LIBRARIES

Location: San Luis Obispo Campus, Building 3200, Room 3200, (805) 546-3155. North County Campus, Building N3100, Room N3113, (805) 591-6200, Ext. 4410.

The Cuesta College Libraries support the educational programs of the college. Books, periodical subscriptions and audiovisual materials are closely coordinated with curriculum offerings. Holdings include general education and career and technical education materials, and other resources for updating and increasing skills and knowledge.

Comparable services are provided to distance education students and students at off-site locations. The library's catalog and periodical databases are online, and accessible around the clock to all students with Internet access. An increasing portion of the library collections, including e-books, streaming videos, and virtually all journal content, is digital and available online.

To assist students and community residents with their informational and research needs, librarians are available at the Reference desk and via telephone, email, and live chat whenever the library is open. College librarians hold advanced degrees and as part of the college faculty teach research and information literacy skills and help students locate the best resources for their educational needs.

Library facilities include areas for studying, photocopying, computer use, viewing audiovisual materials, and library instruction. Comfortable surroundings invite collaborative and group study; browsing, reading and viewing materials; and provide a quiet place for contemplation and learning.

To borrow library materials, students must show identification. Community residents must show a current I.D. with local street address to use a courtesy library card.

Open computer labs on the San Luis Obispo and the North County campuses are provided for academic use. Workstations are equipped with most software taught at Cuesta so that students can work on class projects outside of scheduled lecture and lab times for their courses. There is a general use lab on the San Luis Obispo and North County campuses in each Library. Smaller and more specialized labs are also available on a more limited basis.

CONTINUING EDUCATION NONCREDIT COURSES (ADULT EDUCATION)

Cuesta College's Continuing Education Program offers students of all ages access to a variety of no cost noncredit courses and certificates that can assist them in reaching their educational, personal, and professional goals. Noncredit courses provide students with lifelong learning, basic skills, and college and career readiness.

To make the classes and programs more accessible, classes are offered throughout the district at all three campuses, as well as communities throughout the county.

The classes may vary in length and time to meet the needs of diverse students. Although some classes are tailored for a specific student constituency, all classes are open to the public. There are no repeatability restrictions on noncredit courses. No enrollment fees are charged for the noncredit classes. A materials fee may apply. Students who take classes on the San Luis Obispo or North County campus will be required to purchase a parking permit.

Noncredit courses and certificates of completion and competency are offered in Adult Basic Education, English as a Second Language, Vocational English as a Second Language, Career Technical Education and Workforce Preparation.

STUDENT SERVICES

However, enrollment in ESL and/or Adult Basic Education courses REQUIRES assessment and orientation prior to registration. For more information, contact (805) 591-6273.

Assessment

Basic Skills and ESL students must be assessed prior to enrollment. Placement testing is offered year-round. Multilingual assistance is available. For more information, contact (805) 591-6273.

Adult Basic Education students are assessed prior to enrolling in courses. Additional assessments are available for specific needs. Basic skills assessment services include testing for academic skills levels, learning strengths, and career goals. For more information, contact (805) 591-6273.

Orientation

Basic Skills, ESL, and Workforce Preparation students must attend an orientation session prior to registration.

There is no tuition for noncredit courses. However, all students who park on the Cuesta College campus must have a valid, current parking permit. Students parking permits may be purchased at the Public Safety Office. One-day parking permits may be purchased at various parking lots on campus. Books and supplies needed for a class are the responsibility of the student.

ONLINE SERVICES AND DISTANCE EDUCATION

Distance Education courses are those in which the instructor and student are separated and interact through the assistance of communication technology. They are offered as “fully online” (with no required on-campus sessions), “hybrid” (51% or more online) or “blended” (less than 51% online). The full definition of Distance Education, and the means by which the college verifies student identity in distance education courses, is contained in the district’s Administrative Procedure 4105 (https://www.boarddocs.com/ca/cuesta/Board.nsf/goto?open&id=A0LRG-96DE548.)

Courses offered through Cuesta College’s Distance Education program are equivalent to the classroom-based version in course content, textbooks, required assignments, exams, study time, etc. The only difference is the method in which the course is delivered.
Students in Distance Education courses are able to access support services such as counseling, tutoring, technology help desk, and library services remotely.

**PREREQUISITES/CO-REQUISITES**

Prerequisites, co-requisites, and advisories are intended to enhance a student's chance of success in a desired course. If a student does not meet prerequisites or co-requisites for a course, as listed in the class schedule, the student may not be allowed to enroll or remain enrolled in that course. Successful completion of a prerequisite or co-requisite course is achieved by a final course grade of “C” or better.

Current Cuesta Students

Cuesta students enrolled in prerequisite courses at the time of registration for the upcoming term will be allowed to enroll in the next level course without knowing the final grade in their current course. A grade of “C” or better must be earned in the prerequisite course to meet the prerequisite requirement. Students that do not successfully complete prerequisite courses will be administratively dropped from the higher level course once grades are final and have been posted.

Transfer Students

Coursework from another college must be completed and the student needs to have earned a grade of “C” or better before the course can be used to clear a prerequisite requirement. Students must submit a Prerequisite Clearance Form which can be found below. Official transcripts need to already be on file at Cuesta or submitted with your request.

**Prerequisite Clearance Forms:**

FORM A: Prerequisite Clearance and/or English, English as a Second Language, and/or Math Placement Request can be used to clear prerequisite requirements with coursework completed at an institution other than Cuesta.

FORM B: Prerequisite/Co-Requisite Course Challenge can be used to clear prerequisites that have been met through means other than course completion such as previous knowledge, work experience, or licensing. The student is responsible for providing evidence to support the claim and must get signatures from the appropriate department chair before prerequisite clearances can be processed.

Examples of when to submit FORM B:

- Student has knowledge or ability to succeed in the course despite not meeting the prerequisite such as assessment placement, knowledge, certification, licensing, work experience, or other criteria presented by the student that satisfy the prerequisite.
- The prerequisite is discriminatory or applied in a discriminatory manner.
- The Prerequisite approval is in violation of Title 5 regulations or Cuesta College District Policy.
- The prerequisite course has not been made "reasonably available" as defined by Cuesta College.

FORM C: Physics Prerequisite Evaluation Form can be used to determine if a physics course taken at another college meets a physics prerequisite requirement at Cuesta. Student is responsible for attaining the appropriate signatures from the Physical Science Department Chair before prerequisite clearances can be processed.

How to Submit Completed Prerequisite Forms:

- Scan and email to prerequisites@cuesta.edu
- Fax to Prerequisites Office at (805)546-3905
- Mail to Cuesta College Admissions & Records, P.O. Box 8106, San Luis Obispo, CA 93403-8106.
- Hand deliver to Admissions & Records Office in the Student Services Building on San Luis Obispo Campus (Building 3100) or the North County Campus (Building N3000).

The purpose of the Student Life & Leadership program is to assist the student population in the development of programs that serve and actively involve a wide range of students. Opportunities for personal growth are extended to students through leadership courses and programs, clubs and organizations, and campus events produced by the students themselves.

Student Life and Leadership coordinates campus programs and services which include:

• Housing Resource Information
• Student Photo ID
• ASCC Social Club
• Clubs and Organizations
• Cultural Center

Student Activities
Cuesta College’s student government develops a broad spectrum of activities, programs, and services for the student body. Its goals are to provide social contact, entertainment, and leadership opportunities for the campus community. Extracurricular activities foster a sense of unity among individuals, as well as among student groups pursuing specialized interests.

The complete planning and production of various events provide excellent experience for student leaders and enjoyable activities for all. Lectures, film series, forums, bands, community awareness programs, and seasonal and special events are all within the scope of student government sponsorship.

The broad array of student activities involves the educational experience of all members of the Associated Students of Cuesta College. Students plan and develop them and, by taking an active role, experience a personal satisfaction and growth beyond their academic pursuits.

An activities calendar may be found at: https://cuesta.edu/student/campuslife/studentlife/sllcalendar/index.html/?i=1

Associated Students of Cuesta College
The Associated Students of Cuesta College (ASCC) operates under regulations authorized in the California Education Code and in the policies of the Cuesta College Board of Trustees. The ASCC is the college’s official student government organization.

The ASCC is established to promote the general welfare of Cuesta College students; to guarantee equality of opportunity among students; to offer an experience in practice of the American democratic government; and to encourage student participation in, planning for, and involvement in a comprehensive program of student activities. It offers students opportunities to participate in social and cultural events, to share in governance activities, to interact with professionals, and to create and administer their own organizations and programs.

Student Organizations
The college and the ASCC grant recognition to campus organizations including honor societies, service and religious organizations, those with an ethnic/multicultural focus, and departmental and special interest groups. The varied types of clubs not only offer an opportunity for social life but also make a fine contribution to the development of student leadership. Membership and active participation in a reasonable number of these organizations are strongly recommended by the college.

Transfer/Career Center staff serve as liaisons to colleges and universities and advocate for students in the admission process. Center staff also coordinate university representative visits in which university outreach staff come to campus to meet with Cuesta College students individually.

Transfer Admission Guarantee (TAG programs) are commitments that selected colleges and universities make to Cuesta College students who meet specific credit, GPA, and course requirements. A TAG serves as a contract between the student and college or university. Students who have completed a TAG and have met contractual requirements are guaranteed admission.

Cuesta college now has transfer admission guarantees with the following universities:
- UC Santa Cruz
- UC Riverside
- UC Santa Barbara
- UC Davis
- UC Irvine
- UC Merced
- Arizona State University
- Columbia College
- Chapman University
- University of La Verne
- Sierra Nevada College

Associate Degrees for Transfer (ADT). Please see page 70 for information about ADTs.

Career Services
Career services are available to assist students in exploring and clarifying their career goals, researching occupational fields, and making their educational plans accordingly. Students may make arrangements with Transfer/Career Services to attend a Career Workshop and use the Eureka Career Information System to obtain information about specific occupations.

Transferring to California Polytechnic State University
Because admission to Cal Poly is highly competitive; it is strongly recommended that students work closely with a Cuesta College counselor to ensure they are well-prepared for Cal Poly’s transfer selection process. Cal Poly’s Transfer Selection Criteria vary by major and include completion of major-related and general education coursework, grades, and extracurricular activities and work experience. Students applying as upper-division transfers that have completed all required/desired coursework and have maintained a high GPA typically are more competitive in Cal Poly’s transfer selection process. The Cal Poly Admissions website provides comprehensive information on their transfer selection process.

ASSIST
ASSIST (Articulation Subsystem Stimulating Inter-institutional Student Transfer) is a student-transfer information system available at www.assistant.org. ASSIST displays reports describing how courses completed at a California community college will be applied to an undergraduate degree at a California State University or University of California campus. As the official repository of articulation for California’s public colleges and universities, ASSIST provides the most accurate and up-to-date information available about student transfer within the state of California. Students who are planning to transfer to a California State University or a University of California campus are encouraged to utilize ASSIST information (in consultation with a counselor) for important information about the transfer and articulation process.

Student Right To Know
In five decades of service to the community, Cuesta College has helped thousands of students reach a wide variety of educational goals, including improved foundational skills, transfer to a four-year institution, earned certificates or associate degrees and advancement in the work force.

In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Luis Obispo County Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2014, a cohort of all certificate, degree, and transfer seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cuesta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a completer is a student who attained a certificate or degree or became ‘transfer prepared’ during the three-year period from fall 2014 to spring 2017. The completion rate for Cuesta College’s 2014-2017 cohort is 32.69%

Based upon the cohort defined above, students who have completed 60 transferable units with a GPA of 2.0 or better are considered “transfer prepared.” Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming “transfer prepared” during a five-semester period from spring 2015 to spring 2017 are transfer students. The transfer rate for Cuesta College’s 2015-2017 cohort is 6.88%.

Montgomery G.I. Bill® Education Benefits
Cuesta College is approved by the Veterans Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant’s eligibility for educational assistance.

All persons receiving educational benefits must personally contact the Veterans Coordinator after enrollment every semester to continue benefits. In addition, a Student Educational Plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration
As our way of saying thanks for serving our country, Veterans
receive priority registration. New students to Cuesta College must meet the requirements of a new matriculated student as defined in the enrollment priority section. Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserve, for any academic term attended at one of the California State University, California Community College, or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

Military Credit
Veterans can receive credit up to 12 credits for education experience in the Armed Services. For more information please refer to this website: http://www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx or see the Veterans’ Resource Center.

Disabled Veterans
Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through Cuesta College Disabled Students Programs and Services.

Veterans’ Dependents – War Orphans – Missing In Action – Prisoners Of War
Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability
The veteran/dependent student assumes full liability for any overpayment of veterans education allowance benefits. The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant.

FAILURE TO TAKE THE PROPER CLASSES CAN RESULT IN THE REDUCTION OR TERMINATION OF BENEFITS.

Veteran/Dependent Student Academic Standing
Students will not be certified for enrollment if placed on Academic or Progress Dismissal status. If you have previously been placed on Academic Probation and have a grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Progress Probation and have 50% or more enrollment grades of “W”, “I”, or “NP” recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Tutorial Services
Tutorial services are available to all veterans who meet established VA criteria.

Transcripts
All official transcripts of prior college work and military schools must be on file in the Records Office before registering for classes. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veterans’ Resource Center for necessary forms.

Credits Required for Entitlement of Benefits
The following number of credits is required each semester to certify students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans’ Resource Center for more information.

Veterans Access, Choice, and Accountability Act of 2014
(Choice Act)
A student who is covered by the federal Veterans Access, Choice, and Accountability Act [Section 702 of the VACA Act [38 U.S.C. 3679(c)] as stated in parts 1-4 of this bulleted item shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students.

1. A Veteran who lives in California (regardless of his/her formal state of residence) and enrolls in Cuesta College within three years of discharge from a period of active duty service of 90 days or more.

2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor’s discharge from a period of active duty service of 90 days or more.

3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member’s death in the line of duty following a period of active duty service of 90 days or more.

4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain “covered individual” status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC §68075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be “covered individuals” per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California. Eligibility determination is subject to the “Certificate of Eligibility” (COE) of the veteran or eligible dependent (who is made eligible through the Transfer of Entitlement [TOE] to basic educational assistance under Chapters 30 and 33 of Title 38, U.S.C.). The DD214, Certificate of Release or Discharge from Active Duty, of the qualifying individual may also be of assistance in confirming “covered individual” status as it shows the effective date of the veteran’s discharge from active service.

Withdrawal/Change of Classes
Veterans are required to notify the campus Veterans’ Resource Center when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification and will be considered a fraud with the Department of Veterans Affairs.
Students are held individually responsible for the information contained in the Cuesta College Catalog and in the Student Code of Conduct. Failure to read and comply with college Policies, Rules, and Regulations will not exempt students from whatever penalties they may incur.

The college reserves the right to make changes, additions and/or deletions to the Policies, Rules, and Regulations during the school year when deemed necessary by action of the administration and/or Board of Trustees.

**Academic Probation and Dismissal**

Students who earn unsatisfactory grades may jeopardize their enrollment and registration priority at Cuesta College. Academic achievement is monitored during the fall/spring semesters. A student is placed on academic probation at the end of a semester if the student’s grade point average is less than 2.0, or “C average,” on a four-point scale.

A student who earns less than a 2.0 GPA for two consecutive semesters is subject to dismissal from the college. For the purpose of this section, semesters are considered consecutive on the basis of the student’s pattern of enrollment. For example, a student earning less than a 2.0 in fall 2017 and fall 2018 would be subject to dismissal if the student did not attend Cuesta during spring 2017. Dismissed students are not allowed to attend the subsequent semester.

Students are notified of their academic probation/dismissal status through their myCuesta e-mail account at the end of grade processing each semester.

Students on academic probation are required to participate in academic follow-up services designed to help students persist and succeed in their courses. Students on progress probation will be notified of required academic follow-up activities.

Students on progress dismissal must attend a Reinstatement Workshop and agree to their Reinstatement Contract to enroll or remain enrolled in their courses for the subsequent term.

Students who do not attend a reinstatement workshop will be blocked from enrolling and must “sit out” the following term. Dismissed students who are enrolled in the subsequent term, will be administratively dropped from their courses.

Reinstatement, or “sitting out” a semester, does not change the student’s academic standing. A student on progress dismissal shall be removed from probation/dismissal when the percentage of entries of “W”, “I”, and “NP” recorded drops below 50 percent.

Contact the Office of Enrollment Services (Admissions and Records) or Counseling Services for additional information.

**Academic Renewal without Course Repetition**

Previously recorded substandard academic work may be disregarded in the calculation of a student's grade point average if the work is not reflective of the student's present scholastic level of performance.

1. Academic renewal may be applied to two distinct semesters/ sessions of work and is a one-time irreversible option.
2. Academic renewal cannot be used to disregard prior academic credit or course work which has been applied toward an associate degree or certificate earned at Cuesta College.
3. For any semester/session in which course work is to be disregarded, substandard academic work in that semester/session will be disregarded, excluding satisfactory academic work.
4. If grade alleviation has already been applied two times for a course included in the requested semester/session to be disregarded, the course will not be eligible for academic renewal without repetition and will remain on the academic record. No more than two substandard grades may be alleviated from the calculation of the student’s grade point average for a course.
5. A period of at least one year must have elapsed since the completion of the work to be alleviated.
6. To alleviate course work, the student must have:
   a. Completed a minimum of 12 semester credits since the semester(s) to be alleviated with at least a 3.0 grade point average; or
   b. Completed 18 semester credits since the semester(s) to be alleviated with at least a 2.5 grade point average; or
   c. Completed 24 semester credits since the semester(s) to be alleviated with at least a 2.0 grade point average.
7. Recalculation of the grade point average will be used toward qualification for graduation with honors.
8. Academic standing for the semester/session(s) will be adjusted.
9. Permanent academic records will be annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic history.

The student initiates the request by filing a Petition for Academic Renewal and presenting the petition to the Office of the Registrar who will determine if academic renewal may be applied.
Renewal without Course Repetition in Counseling Services. The petition must be signed by the student and counselor.

- The student must submit official (sealed) transcripts from all accredited colleges or universities where course work was completed.
- The Director of Enrollment Services (Admissions and Records) will make the final determination for academic renewal without course repetition.
- If academic renewal requirements are met, eligible courses will be alleviated from the student's permanent record.
- Calculation of the student's grade point average begins following the end of the first term being alleviated under academic renewal. Alleviated course work will be annotated on the student's transcript with an "E" for exclusion with a notation of "Academic Renewal" and the substandard grade will be excluded from the student's grade point average calculation.

Attendance
Normal progress and successful completion of scholastic work depends upon regular attendance. Students are expected to attend all classes and laboratories for which they are registered. Instructors set an attendance policy for each class, and it is the student's responsibility to know and comply with each one. Instructors may drop a student from a class for infractions of the attendance policy. (To assure a seat in the class, students are advised to attend the first class session.)

It is the student's responsibility to officially withdraw from a course which the student is no longer attending. Failure to officially withdraw from a class may result in an "F" (failing) grade.

Open Enrollment
All courses of the District shall be open to enrollment in accordance with Board Policy 5052 and a priority system consistent with AP 5055 titled Enrollment Priorities. Enrollment may be limited to students meeting properly validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the college matriculation process or appropriate college division.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the District, except as provided for in AP 5055 titled Enrollment Priorities except courses under Nursing and Allied Health programs, Dual Enrollment - CCAP Program courses offered at a high school site and for classes offered to inmates in city and county jail, or state or federal correctional facility that restrict enrollment.

Students are not required to participate in any pre-registration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in AP 5055 titled Enrollment Priorities and where enrollment is restricted for Nursing and Allied Health programs, Dual Enrollment - CCAP Program courses offered at a high school site during regular school day, and for classes offered to inmates in city and county jail, or state or federal correctional facility.

A student may challenge an enrollment limitation on any of the following grounds:

- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The District is not following its enrollment procedures;
- The basis for the limitation does not in fact exist.
A student may challenge an enrollment limitation by following Administrative Procedure 5055.

Course Load
A full-time student is a student who is enrolled in a minimum of 12 credits per semester/session. Students enrolled in fewer than 12 credits are considered to be less than full-time. Students are limited to a maximum of 19 credits during the fall and spring semesters (nine credits during the summer session), including both day and evening classes. To take more than the maximum number of credits, a student must have an outstanding academic record and must obtain approval from a counselor before registering.

Course Repetition Policy
Repeatable Course
A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

- The student may petition to enroll in two sections of the same repeatable course if the length of the course is such that a student may enroll in two or more sections of the same course during the same period without being enrolled in more than one section at any given time.
- A student may repeat a course designated as a repeatable course including variable credit open-entry/open-exit courses up to the maximum number of allowed repetitions for that course.
- No more than two substandard grades may be alleviated within the allowable repeat limits for a repeatable course. If a course is repeated two or more times, the first two substandard grades will be excluded in calculating the student's GPA.
- Course repetition will not be allowed in a repeatable activity course beyond the maximum number of allowed repetitions for the course, which may be no more than three (3) semester/sessions.

Non-Repeatable Course
A non-repeatable course is a course in the college catalog that is not identified as repeatable.

- Substandard Grade - a grade of "D+," "D," "D-," "F," "NP," or "NC."
- A student will be permitted to retake a non-repeatable course in which a substandard grade or "W" was earned one time without a petition.
- If a student has earned a second substandard grade or "W" in a course, the student must agree and sign a Third Enrollment Agreement to be released to register for the third repetition of a course.
- Each non-repeatable course in which a substandard grade has been earned may be repeated two times only for grade alleviation unless such repetition is provided by District policy. The repeated course must contain the equivalent credit value or higher. The previous grade and credit will be disregarded in calculation of the student's grade point average even if the previous grade was higher.
- A course in which a satisfactory grade was received may not be repeated unless such repetition is provided for in the official course description or by District policy.
Limitations on Withdrawal ("W" symbol)
Each non-repeatable course in which a "W" has been earned may be repeated for a maximum of two times. The student may earn no more than three (3) withdrawals in the same course.

- Military withdrawals ("MW") do not count against the "W" withdrawal limit.
- A student who has previously earned a maximum of three (3) withdrawals for a course that has a petition approved to repeat may only earn a satisfactory or substandard grade for the course. The student may not earn an additional "W" symbol unless the student demonstrates extenuating circumstances to justify an additional withdrawal for the course.

Petition to Repeat
Students may submit a "Petition to Repeat a Course" under certain circumstances as provided by Title V, California Code of Regulations and Cuesta College Board Policy. Petition approvals are reviewed by the Office of Admissions & Records, the North County Campus Dean, or designee.

Significant Lapse in Time: A student may petition to repeat a course, one time, and if no less than 36 months have elapsed, where a satisfactory grade of "C" or better was earned if:

- The District has established a recency prerequisite for a course or program;
- Another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course. Repetition may be allowed where less than 36 months have elapsed if the student documents that repetition is necessary for the student's transfer to the institute of higher education.
- When a course is repeated pursuant to this section, the previous grade and credit will be disregarded in computing the student's grade point average.

Disabled Student Accommodation
A student may repeat a special class for students with disabilities any number of times as required as a disability-related accommodation under the following circumstances:

- When the student's continuing success in other general and/or special classes is dependent on additional repetitions of a specific special class;
- When additional repetitions of a specific special class are essential to completing a student's preparation for enrollment into other regular or special classes;
- When the student has a student educational plan which involves a goal other than completion of the special class in question and repetition of the course will further achieve that goal.
- The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Legally Mandated Training
A student may repeat a course any number of times as required to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

- The previous grade and credit will not be disregarded in computing the student's grade point average each time the course is taken.

Significant Changes of Industry or Licensure Standards
A student may repeat a course any number of times as a result of a significant change in industry or licensure standards such that repetition of the course is necessary for employment or licensure.

- The previous grade and credit will not be disregarded in computing the student’s grade point average each time the course is taken.

Extemporaneous Circumstance – Prior Substandard Grades
A student may petition to repeat a course, one time, based on extemporaneous circumstances in a prior enrollment in which three (3) substandard grades have been earned. Extemporaneous circumstances are cases of documented, verifiable circumstances beyond the student's control.

- The previous grade and credit will be disregarded in computing the student's grade point average if either a substandard or satisfactory grade is earned.

Extemporaneous Circumstance – Prior Satisfactory Grade
A student may petition to repeat a course, one time, based on extemporaneous circumstances in a prior enrollment in which a satisfactory grade has been earned. Extemporaneous circumstances are cases of documented, verifiable circumstances beyond the student's control.

- The previous grade and credit will not be included in computing the student's grade point average each time the course is taken.

Education Tax Credit Information
An Education Tax Credit benefit is available to Cuesta students who enrolled in credit courses and were charged eligible fees. In compliance with the Taxpayer Relief Act (TRA) of 1997, Cuesta College will provide a 1098T form to eligible students enrolled in a given calendar year (spring, summer, and fall). The 1098T form reports eligible fees charged within the given calendar year.

Eligible fees include: Enrollment Fee, Student Center Fee, Non-Resident Fee, and Material Fee. A 1098T will not be produced for students whose eligible fees were waived or who received financial aid in an amount greater than eligible charges. Each January, 1098T forms are mailed to the students’ permanent addresses on file with Cuesta at that time.

Students are encouraged to keep payment receipts to confirm the amount of fees paid during each calendar year, regardless of the term of enrollment.

If you have questions about the TRA's Hope Tax Credit and Lifelong Learning Credit:

- Consult your tax preparer

Enrollment Priorities
All courses of the District shall be open to enrollment to all eligible students, subject to an established enrollment priority. Enrollment also may be limited to students meeting properly validated prerequisites and co-requisites, or due to other, practical considerations.

To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide enrollment priority for students on the basis of need are established.

Annually, each program or group granting enrollment priority will establish and publish a process to review and evaluate their program participant's “level of need” that grants program eligibility for enrollment priority.

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed
to ensure classes are available for students seeking job training, degree attainment or transfer and to reward students who make progress toward their educational goals.

New students who have completed college orientation, assessment and developed education plans as well as continuing students in good academic standing who have not exceeded 100 credits (not including credits in non-degree applicable courses, basic skills and English as a Second Language) will now have priority over students who do not meet these criteria. Active military and veterans, current and former foster youth, CalWORKS or Tribal TANF recipients, followed by students in Extended Opportunity Programs and Services (EOPS) and Disabled Students Programs and Services (DSPS) continue to have first priority for registration if they meet the same criteria listed above.

The regulations, unanimously approved by the board of governors, was implemented in the fall of 2014. We encourage students on probation to seek help to improve their academic standing. Students nearing 100 credits should carefully plan their remaining courses with an academic counselor.

Enrollment Priority Groups are defined below. Students will continue to have access to register after their priority date.

**PRIORIT Y 1 (State Mandated CCCCO Programs):** Continuing students, with the exception of eligible Foster Youth, in this group must be in good academic standing as defined with less than 100 Cuesta College degree applicable credits. **Enrollment Limitations**

A student's ability to enroll in a course may be limited or restricted. Refer to Administrative Procedures 5075 - https://www.boarddocs.com/ca/cuesta/Board.nsf/Public#

- **CONTINUING/RETURNING STUDENTS:** A continuing or returning student will lose enrollment priority if he/she earns 100 or more credits at Cuesta College or if he/she are on academic or progress probation for two consecutive terms.

For purposes of this section a unit is earned when a student receives a grade of A, B, C, D or P as defined in BP and AP 4230 titled Grading and Academic Record Symbols. This 100-unit limit does not include units for non-degree applicable English as a Second Language or basic skills courses as defined by Academic Affairs, or students enrolled in high unit majors or programs as designated by the Curriculum Committee and Academic Affairs.

The District shall notify students who are placed on academic or progress probation, of the potential for loss of enrollment priority. The District shall notify the student that a second consecutive term on academic or progress probation will result in the loss of priority registration as long as the student remains on probation. The District shall notify students or who have earned 75 percent or more of the unit limit, that enrollment priority will be lost when the student reaches the unit limit.

Students who lose their priority due to enrollment limitations will be able to register after Priority 5.

**Appeal of Loss of Enrollment Priority Procedures**

- Students may petition to have their enrollment priority reinstated based on the following reasons:
  - Extenuating Circumstances (verified cases of accidents, illnesses, or other circumstances beyond the control of the student)
  - Students with disabilities who applied for but did not receive reasonable accommodations in a timely manner.
  - Students who demonstrate significant satisfactory academic improvement by earning at least 2.50 GPA in at least 6 academic credits in a subsequent term, but whose term GPA is not high enough to move the student into good standing.
  - Students who are in high credit programs and are following a current education plan.
  - Students in good standing (over 100 credits) and within 12 credits of completing their degree.

Enrollment Priority Appeal forms are available online, and at all Cuesta College sites. Appeals are to be submitted to the Office of Admissions & Records. Extenuating circumstances must be documented. Enrollment Priority students whose appeal is approved will be reinstated to their previous priority status for one semester.

Any student who is a member of an active or reserve military service and who receives orders compelling a withdrawal from courses may request to be reinstated to their previous priority status upon their return.

**Definition of student enrollment statuses:**

- **A New Matriculated Student** is one who has completed orientation, assessment and developed a student education plan (abbreviated or comprehensive).

### Fee Descriptions

#### Enrollment Fee
Enrollment fees are charged per unit of enrollment credit and are set by the State of California. These fees are subject to change. If you need help paying this fee, you may qualify for a Board of Governor’s Fee Waiver (BOGW). An application is available in the Financial Aid Office or you may complete the free application for Federal Student Aid (FAFSA) application online. Completed BOGW applications and documents of income sources must be submitted to the Financial Aid Office before you register for fall/spring semesters or summer session. Refer to the Financial Aid section for BOGW eligibility requirements. You must reapply each year for consideration.

#### Non-Resident Tuition
The cost of tuition for international and out-of-state students is in addition to the enrollment fee. If you have questions about residency status, please contact the Admissions Office for assistance.

#### Health Fee
In accordance with the California Education Code and District policy, Cuesta College has a mandatory health fee. Students, excluding those with the exceptions listed, are required to pay the Health fee each term regardless of the number of credits they are taking. This fee is nonrefundable once the semester or session begins and is subject to change per local Board action. The health fee is not an eligible tax credit fee.

Health Fee Exemptions: (Education Code Section 76355)

- Students enrolled in non-credit courses.
- Students who are taking classes only at the South County Center (Arroyo Grande High School) and off-campus sites.
- Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization to the Student Accounts/Cashier’s Office.

- Any student who is attending Cuesta under an approved Apprenticeship Program.

#### Student Center Fee
The Student Center fee is designated for the sole purpose of supporting the Student Center and is charged to all students taking classes at the San Luis Obispo Campus. The fee, which is not to exceed $10.00 per academic year, is based upon the number of credits taken during this period at the rate of $1.00 per credit. An academic year consists of fall and spring semesters.

The following are examples of Student Center fee calculation for a student taking classes on the San Luis Obispo Campus and at another Cuesta College site for one academic year:

- **FALL SEMESTER**  
  - 7 credits at San Luis Obispo Campus  
  - 3 credits at North County Campus  
  - Total $7.00

- **SPRING SEMESTER**  
  - 3 credits at San Luis Obispo Campus  
  - 4 credits at North County Campus  
  - Total $3.00

*$7.00 paid in Fall + $3.00 paid in Spring = $10.00 fee paid in full for academic year.  
**Fee partially paid for year*

This fee is nonrefundable unless the student drops the associated San Luis Obispo campus class on or before the Sunday prior to the start of the semester/session for a full-term course or before the first class meeting for a short-term course.

#### Student Center Fee Exemptions
The Student Center fee shall not apply to:

- A student enrolled in non-credit courses.
- A student who is a recipient of the benefits under the TANF (Temporary Aid to Needy Families) program, the Supplemental Security Income/State Supplementary Program, or the General Assistance program. To have the fee waived, a student must provide documentation of participation in these programs through the Financial Aid Office prior to registration.
- Students enrolled in courses at North County or South County only.

#### Student Representation Fee
A vote of the students during the spring 2002 semester authorized the collection of a mandatory $1.00 student representation fee from every credit student each semester. Cuesta College waives the Student Representation Fee for Enrichment students and non-credit courses. Monies collected are used by the student government to advocate and lobby for student legislative issues such as eliminating fee hikes, and increasing state funding for community colleges. Other uses include leadership training, meeting with other student leaders and elected officials, and necessary supplies to support students in their advocacy and lobbying efforts.

The fee is charged during the registration process. A student may refuse to pay the fee for religious, political, financial, or moral reasons. Students must sign a waiver prior to registration. The fee is nonrefundable once the semester begins. The student representation fee is not an eligible tax credit fee. Forms are available in the Enrollment Services (Admissions and Records) Office, Cashier’s Office and at the Student Life and Leadership Office at all campus locations.
The form is also available on the Web at www.cuesta.edu/student/documents/admissions_records/refeewaiver.pdf for students to print and complete. The form may be submitted to the Student Accounts/Cashier Office.

Cuesta College waives the Student Representation fee for Enrichment students and Non-Credit courses.

Associated Student Governments are allowed to implement the student representation fee according to Education Code 76060.5. This per-semester fee can be utilized by the ASCC to fund only those purposes listed above.

NOTE: The student representation fee may not be used to support individual candidates or campaigns.

For further information, please contact your ASCC Representative at the San Luis Obispo Campus Student Center, Building 5300.

ASCC Student ID Card Fee
The Student ID Card provides a college picture ID for use in campus labs, the library, the bookstore, and other locations on campus. The fee helps fund student jobs, student activities, critical campus programs and services, as well as providing discounts within the community.

For more information on ASCC Student ID Card benefits, please visit our website http://cuesta.edu/student/campuslife/studentlife/studentid.html. This optional fee is nonrefundable/nonreversible once the semester or session begins. The ASCC Student ID card is to be purchased/renewed during the student's Cuesta career. If any additional cards are purchased, a $2 replacement fee is required. Contact the Student Life and Leadership Office at (805) 546-3289 for picture ID dates, times, and information.

Parking Fee
Parking permits required for all vehicles parked on all campus property or roadways. Daily permits are $2 each.

Semester permits per vehicle are:

- **Each additional automobile/van/truck**: $30.00 (Fall/Spring) $15.00 (Summer)
- **Motorcycles/mopeds**: $15.00 (Fall/Spring) $8.00 (Summer)
- **Each additional motorcycle/moped**: $15.00 (Fall/Spring) $8.00 (Summer)

To purchase a parking permit, this can be done at either campuses during registration or when the semester/session begins. This fee is nonrefundable once the semester or session begins. The parking permit fee is not an eligible tax credit fee.

For a copy of the College parking regulations, contact the San Luis Obispo Campus Public Safety Office at (805) 546-3205, or the North County Campus Public Safety Office at (805) 591-6205, or go to http://cuesta.edu/about/depts/publicsafety/index.html.

Material Fees
Credit and noncredit courses with mandatory material fees are identified in the class schedule, class finder and college catalog. Material fees are charged at the time of registration. Material fees for classes dropped prior to the start of the semester/session are automatically credited or reversed to student accounts. See the Cashier's Office for help with materials fees for classes dropped within the two-week drop deadlines for Spring/Fall semesters and within the ten percent deadline for Summer Session.

Fee Payments
Students may pay fees, clear incurred debts (with the exception of library fines and parking citations), purchase parking permits or a Regional Transit Authority (RTA) 31-day bus pass, obtain and file refund forms, and handle other situations as they pertain to student accounts at the Cashier's Office.

**Registration Fee Payment Policy**
Fees are due at the time of registration and may be paid immediately by credit or debit card online. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.

**Students will NOT be dropped from classes for unpaid fees.** Fee payment receipts should be saved for education tax credit filing.

Secure payment drop boxes are also available and located outside of the Cashier's Offices for payments made after office hours.

Any unpaid fees will result in a hold placed on the student's records blocking access to future registration, grades, transcripts, diplomas, and will limit access to certain campus services. **Students will NOT be dropped for unpaid fees.**

Students, who remain enrolled after the refund deadline, are financially responsible for payment of fees even if they drop the class or are dropped by the instructor after the refund deadline. **It is the student's responsibility to drop and add classes.**

**Refunds for Dropped Courses**
Students must submit a written request for a refund to the Cashier. Students may request a form from the Cashier, print an online form, or submit a letter outlining the request and postmarked by the appropriate date listed below. A $10.00 processing fee is assessed on enrollment refunds initiated by students. A full refund includes enrollment, non-
resident, health, ASCC Student ID Card, Student Center and student representation fee, material, and parking fees (parking permit must be returned in usable condition). Partial refunds include only enrollment and non-resident fees.

Credit balances for dropped courses may remain on the student accounts to be applied to future balances or refunded. Credit enrolled students will receive a myCuesta Card by mail. Students will need the myCuesta Card to receive financial aid or dropped class refunds. Students need to be sure to keep their addresses updated through their online myCuesta account and watch the mail for the bright green myCuesta Card envelope. See the Cuesta website for more information about the myCuesta Card.

Partial Refund
The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student’s myCuesta Class Schedule/Receipt. A written request for a refund must be submitted to the Cashier’s Office by the end of the second week of Summer Session and by the end of the fourth week for the Fall/Spring semesters.

Military Withdrawal
Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. The student must verify such orders with the Office of Enrollment Services (Admissions and Records) at the time of the withdrawal. Students withdrawing under this college policy will receive a grade of “MW” for each course from which they withdraw and shall be entitled to a full refund of all enrollment fees paid to the college unless academic credit has been awarded.

Administrative Withdrawal/Cancelled Courses
Full refunds will be authorized for students who are withdrawn from courses by action of the College. If the course is cancelled, the associated course fees will be credited to the student’s account. The credit will be applied to any other fees owed by the student. If there is credit balance on the student’s account, the credit will remain on the student’s account unless a written request for a refund is submitted by the student to the Cashier’s Office. Automatic refunds will not be generated.

Overpayments (excess fee payments)
If a student overpays registration fees, the amount of the overpayment will be credited to the student’s account. The credit may be applied to any additional registration fees incurred.

Grading Policies
Grades from a grading scale shall be averaged on the basis of the point equivalencies to determine a student’s grade point average using only the following evaluative symbols. The following evaluative and non-evaluative symbols shall be used to denote a student’s academic progress. Grade point averages will be determined on the basis of the evaluative grade point equivalencies (based on a 4.0-point scale) using the following evaluative symbols. Effective fall 2008, plus/minus grading was implemented. Per Title 5, C minus is not a valid Community College grade and cannot be used.

Non-Evaluative Symbols:

NOTE: A “D” grade is considered passing; however, some courses require grades of “C” or better to be a passing grade.

Non-Evaluative Symbols:

I Incomplete – Incomplete academic work for unforeseeable emergency and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. The “I” symbol shall not be used in calculating units attempted nor for grade points. The condition for removal of the “I” shall be stated by the instructor in a written incomplete contract. The incomplete contract shall contain the conditions for removal of the “I” and the grade assigned in lieu of its removal. A copy of the incomplete contract must be given to the student with a copy submitted to the Admissions & Records Office. The contract remains on file until the assigned work has been completed and evaluated, or until the time limit for completing the work has passed. The student must meet the conditions of the incomplete contract before the end of the following regular semester or it the “I” will be changed to an F (Failing) and posted as the final grade for the term. The student does not re-enroll in the course for the next semester/session and earns the grade for the term originally enrolled. Students may appeal for an extension of time due to extenuating circumstances to the instructor and the office of Enrollment Services (Admissions and Records).

IP In Progress – The “IP” symbol shall be used to denote that the class extends beyond the normal end of an academic term. “IP” shall not be used in calculating grade point average. The “IP” symbol shall remain on the student’s permanent record in order to satisfy enrollment documentation. Upon completion of the course, the appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student’s record for the term in which the course is completed. If a student enrolled in an open-entry open-exit course is assigned an “IP” at the end of the semester/session and does not re-enroll in that course during the subsequent term, the appropriate faculty will assign an evaluative symbol (grade).

W Withdrawal – The “W” symbol is assigned when a student officially withdraws after the census date and between the beginning of the third and end of the twelfth week of instruction for full-semester courses. For courses less than 18-weeks in length, withdrawal must be made during the first 60 percent of the course. Students who withdraw prior to the third week of instruction (census date) for full-semester courses or within 20 percent of a short course, shall have no notation (“W” or any other) on their record. The record of a student who remains in class beyond the twelfth week or 60 percent of a short-term course must reflect a symbol other than a “W”.

RD Report Delayed – This symbol is assigned by the Director of Enrollment Services (Admissions and Records) only. It is assigned when there is a delay in reporting grades due to circumstances beyond the control of the student. This is a temporary notation and is not used in calculating GPA.

MW Military Withdrawal – The “MW” symbol is assigned when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, an “MW” may be assigned at any time for dropping classes. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Noncredit Grading Indicators:

P Pass. Student has successfully mastered this course’s competencies and is ready to move onto the next level.

SP Satisfactory Progress. Student made some progress, but has not mastered the course competencies and is recommended to repeat the same level class again.

NP No Pass. Student has been enrolled long enough to be evaluated but has not been passing course objectives and is recommended to repeat the same level class again.

UG Ungradable. Student is a late enrollee or has not attended enough hours to be evaluated at this time.

Grade Changes

The instructor of the course shall determine the grade to be awarded to each student.

Misrepresentation of the student’s grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence on the part of the instructor.

Misrepresentation - may include, but is not limited to errors made by an instructor in calculating a student’s grade and clerical errors.

Fraud - may include, but is not limited to, inaccurate recording or change of a grade by any person who gains access to grade records without authorization.

Bad Faith - may include, but is not limited to, a lack of honesty and trust; intent to deceive.

Incompetence - may include, but is not limited to, the instructor not possessing and demonstrating the necessary ability and skill to fulfill the instructor’s duties and responsibilities set forth in job descriptions, course outlines, District policies, procedures, and regulations, and applicable laws.

The removal or change of an incorrect grade from a student’s record shall be done pursuant to Education Code Section 76224, 76232 and Board Policy 5530 Student Grievance Procedure.

In the case of fraud, bad faith, or incompetence, the final determination concerning removal or change of grade will be made by the Vice President of Student Services and College Centers or his/her designee.

In all cases, the instructor who first awarded the grade will be given
written notice of the change.

In the case of a change of grade decision, the Division Chair will consult with faculty within the discipline of the instructor who first awarded the grade to review student material and determine the final grade the student will earn.

Course Grades
Grades are available for viewing within Cuesta College’s student portal, myCuesta, two weeks after the last day of the fall/spring semesters and one week after the last day of summer session. Grades are not sent to students.

Pass/No Pass
A student may select “pass/no pass” (formerly credit/no credit) through the fourth week of instruction for 18-week courses or, if the course is less than 18 weeks in duration, within the first 20 percent of the course. Students may change back to a letter grade prior to the fourth week or 20 percent deadline. After the fourth week or 20 percent deadline, students may not reverse their pass/no pass grading decision.

• Some general education, degree and certificate course work must be taken for a grade. Consult a counselor or program description. No more than 12 credits of “pass/no pass” may be applied toward the Associate in Arts or Associate in Science degree or a Certificate unless indicated by Curriculum. For Associate in Transfer (ADT) degrees, P/NP is allowed.
• Courses listed in the schedule as “pass/no pass” grading option may be taken only once for “pass/no pass.” The student may, however, repeat the course for a letter grade.
• Students shall receive a “P” (pass) if, at the end of the semester, a grade of “C” (2.0) or better is earned. The “P” shall, when recorded, add credits completed but shall have no effect on the grade point average.
• Students performing unsatisfactorily (at less than C/2.0) shall receive a “NP” (no pass) which, when recorded, will not increase credits completed and will not be used to calculate the grade point average. However, credits attempted for which an “NP” is recorded shall be considered in academic progress calculations to determine probation and dismissal status.
• Students may only select one course per semester on the “pass/no pass” option. Some courses are graded only on a “pass/no pass” basis. Enrollment in these courses will not affect the student’s right to select one additional class within the guidelines listed above.
• Students repeating a course in which a substandard grade was earned may not request a repeat discount if the pass/no pass grading option was selected for the second attempt.

Academic Honesty
Academic Honesty is essential to the academic community. Students expect that Cuesta College faculty be fair, truthful, and trustworthy. Faculty expect that Cuesta College students share these same values. Students who violate these principles by cheating, plagiarizing, or acting in other academically dishonest ways are subject to disciplinary procedures. Below are some examples of academically dishonest behavior. If you are unclear about a specific situation, ask your instructor.

Examples of Academic Dishonesty:
• Copying from another student’s exam
• Giving answers during a test to another student
• Using notes or electronic devices during an exam when prohibited

At the discretion of the instructor, students caught being academically dishonest may receive a failing grade on the assignments in question, be dropped from the class, or be failed in the course. If the student wishes to contest the instructor’s consequential actions for Academic Dishonesty, it is recommended that the student follow the Academic Student Complaint Process: (https://www.cuesta.edu/about/leadership/vpss/StudentComplaintProcess.html). Beyond this, the student may be subject to disciplinary action as determined by the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee. It is recommended that the faculty member report any acts of academic dishonesty to the Vice President of Student Services and College Centers, the Dean of the North County Campus and South County Center on the North County Campus, or designee.

Nondiscrimination In-District
Unlawful Discrimination Procedures

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to the benefits of or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of employment or student suspension or dismissal.

Retaliation
It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Academic Freedom
The San Luis Obispo County Community College District Board of Trustees reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause discomfort to some students. It is further recognized that academic freedom insures the faculty's right to teach and the student's right to learn. Finally, nothing in these policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific
community college program, course or activity.

How to File a Formal Discrimination Complaint
1. A FORMAL COMPLAINT MUST BE INITIATED BY FILLING OUT THE ATTACHED FORM APPROVED BY THE STATE CHANCELLOR’S OFFICE. That form is attached as the last page of Board Policy/Regulation 1565, and has the title heading of “Unlawful Discrimination Complaint Form.” YOU MUST SEND THAT COMPLETED FORM TO EITHER:
   • San Luis Obispo County Community College District, Attn: Vice President Of Human Resources and Labor Relations, Administration Building, Room 8003, San Luis Obispo, CA 93403-8106; Or
   • Chancellor’s Office, California Community Colleges, 1102 Q Street, Sacramento, California 95814-6511, Attention: Legal Affairs Division
2. The complaint must allege unlawful discrimination prohibited under Title 5, section 59300.
3. The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.
4. In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
5. In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

What Happens When a Formal Discrimination Complaint is Filed?
The District will then complete an “Administrative Determination.” Within 90 days of receiving an unlawful discrimination complaint filed under Title 5, sections 59300 et seq., the District will complete the investigation and forward a copy of the investigative report (containing the administrative determination) to the State Chancellor, a copy or summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:
1. The determination as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
2. A description of actions taken, if any, to prevent similar problems from occurring in the future;
3. The proposed resolution of the complaint; and
4. The complainant’s right to appeal to the District Board of Trustees and the State Chancellor.

REGISTRATION POLICY
To comply with legislative mandates, regulate the availability of limited class space, provide for fairness, and facilitate the registration process, procedures to provide priority registration for students on the basis of need are set forth in Administrative Procedures 5055 and listed under Enrollment Priority under the College Policies, Rules, and Regulations section of this catalog. Visit the Cuesta web site for priority registration dates.

Students add and drop classes online through myCuesta web portal at https://my.cuesta.edu. All students are assigned a myCuesta username and temporary password that is emailed to your personal email account from the Admissions Office once an admission application is processed. Login information can also be accessed at the “Student Username and Temporary Password” link on the myCuesta login page.

Course Add and Drop Policy
It is the student’s responsibility to add and drop courses by the deadlines posted on the Cuesta web site, in the online Class Finder, and the student’s myCuesta Class Schedule/Receipt. Summer session classes are considered short term courses for add and drop deadlines.

Adding Courses
Students may add classes online by the add deadline, which is the day prior to the census date. The census date is the date course enrollment is reported to the State for apportionment funding. Once a course begins, only the instructor may authorize enrollment by issuing the student an add code if there are seats available in the course at the first class meeting. Add codes must be entered by the student online in myCuesta within the add deadline to officially enroll in a course.

To add a course online, students login to myCuesta at my.cuesta.edu and go to the Student tab and My Web Services channel. In the Registration folder, go to “Register Add/Drop Classes” and enter the 5-digit course reference number (CRN) for the course by clicking “Submit Changes.” The student may enter the 6-character add code in the box provided and click “Validate” to register after the course begins within the add deadline. Students may also add classes in-person at a registration center and must provide photo identification.

The deadline to be readmitted is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Readmit Cards are available at any registration center.

Transfer
Instructor or department-arranged transfers will be allowed beyond the normal add deadline for students transferring from one course reference number (CRN) to another of the exact same scheduled course or to a lower or higher level class in established prerequisite levels of the same discipline. The deadline to be transferred is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.

Dropping Course for a Partial Refund
The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on the student's myCuesta Class Schedule/Receipt. The deadline is calculated as within 10% of a short-term course or the end of the 2nd week (Sunday) for a full-term course.

A partial refund is the enrollment fee, less a $10.00 processing fee. The student is responsible for paying all other registration fees associated with a course. See the Fees section of the schedule for more information. A written request for a refund must be submitted to the Cashier's Office by the end of the 4th week of the semester or by the end of the following week after a short-term course ends (includes summer course.) Petitions
Forms and petitions are available online or at any registration center.

All registration forms require the student's signature, identification, and may require additional approval from a college official before the student is allowed to enroll.

Pass/No Pass (P/NP) Grading Option
For courses identified as a grading option of GP in the online Class Finder or Cuesta College Catalog, the student may change the grading option from a letter grade to Pass/No Pass grading (P/NP) within the first 20 percent of the course. Refer to the course listing for the Pass/No Pass grading policy. Students are encouraged to consult Counseling staff if they have questions regarding graded courses for degree and transfer requirements.

A Credit Overload petition is to receive permission to enroll in more than 19 credits in the fall or spring semester or in more than 9 credits in the summer. Approval from a Cuesta counselor is required. Dual Enrollment students are excluded.

Schedule Conflict
A student may not enroll in two or more sections of the same credit course during the same semester/session unless the length of the course provides that the student is not enrolled in more than one section at any given time.

A student may not enroll in two or more courses where the meeting times for the courses overlap, unless:

- The student petitions to enroll in two overlapping sections upon approval by both instructors.
- The student provides a sound justification, other than scheduling convenience, of the need for an overlapping schedule.
- An appropriate district official, Academic Affairs Dean and Office of Admissions & Records, approves the schedule.
- The student makes up the overlapping hours at some other time during the same week under the supervision of the instructor of the course. Appropriate supervision by the instructor of the course is documented describing how the student will make up missed hours at some other time during the same week.
- Students needing additional instruction in the subject matter while enrolled in a course may be referred for individualized tutoring pursuant to section 58170 or supplemental learning assistance pursuant to sections 58172 and 58164.

When priority registration begins for a semester/session, students will have the opportunity to enroll, via the myCuesta web portal, in an available waitlist seat for a closed class. Students must meet all registration requirements for the course, including prerequisites and
corequisites, prior to registering for a waitlist seat. If a student drops and a seat opens, the first waitlisted student will be notified via their myCuesta Student email account and will have 24 hours to register for the class. If you do not register before the notification period expires, you will be removed from the waitlist. Students should monitor their myCuesta student email twice daily, morning and evening. It is the student's responsibility to register once notified and pay applicable fees owed.

**Waitlist Restrictions**
Students will be blocked from enrolling in a waitlist seat under the following conditions:

- The student is enrolled in another section of the same course or enrolled in another waitlist seat for the same course.
- The class conflicts in time with other classes already on the student's schedule, which includes other waitlisted classes.

A student who has completed 30 credits of remedial course work, but who has not attained full eligibility for college-level work, shall be referred for further remedial work to appropriate adult noncredit education services provided by a college, adult school, community-based organization, or other appropriate local provider.

Remedial course work refers to non-degree applicable basic skills courses, the purpose of which is to prepare students for successful completion of associate degrees, transfer, or certificate courses. These courses are specifically designed to meet the needs of underprepared students so that the quality and rigor of the associate degree curriculum is protected.

Students enrolled in one or more courses of English as a Second Language (ESL) or students identified by the district as having a learning disability are exempt from the 30-semester-credit limitation (Title 5 California Code of Regulations, Section 55035).

**Academic Honors & Service Recognition**

Students who enroll and complete 12 or more credits and earn a 3.25 grade point average with no grade lower than a "C" will be placed on the Academic Honor List. The student's academic record at Cuesta College will be annotated to reflect this achievement. The achievement is posted under the qualifying semester on the student's academic transcript.

Students in the Registered Nursing Program may make the Academic Honor List using the criteria listed above; however, due to the number of contact hours in this program, an R.N. student will be considered when enrolled in 11 or more credits.

San Luis Obispo County Community College District Board Policy BP 3440 and Administrative Procedure AP 3440 states the District’s regulations regarding the use of service animals on District property. Sexual Assault
Cuesta College is committed to maintaining a safe campus, a campus free of violence and the threat of violence. All persons who come onto the campus or onto any facility maintained by the college are expected to treat others with respect and consideration.

Cuesta College will not tolerate any physical or sexual assault or threat of assault, including acquaintance rape, on its campus or at facilities maintained by the college. Where there is probable cause to believe that the college’s regulations prohibiting sexual assault have been violated, the college will pursue vigorous investigative action through its own channels. Disciplinary actions include the possibility of suspension or dismissal from the college.

A student or employee charged with sexual assault can be prosecuted under California penal code statutes and disciplined under the college’s Code of Student Conduct and board policy. Even if the criminal justice authorities choose not to prosecute, the college can pursue student disciplinary action.

Cuesta College is committed to doing everything within its power to prevent sexual assaults from occurring and disciplining assailants when rape or other assault occurs on campus property or at college-sponsored events, and to provide prompt and compassionate services to students, faculty and staff who are raped or otherwise sexually assaulted. The college is further committed to ensuring that students, faculty, and staff are not adversely affected for bringing forward a charge of rape or sexual assault.

In order to provide a safe environment for students, faculty, staff, and guests, the college has established a multifaceted program composed of response procedures, prevention and education guidelines, services for victims, and sanctions.

The Clery Act, passed in 1990, is basically a “student’s rights” document that contains more thorough information regarding sexual assaults, including how to report a crime, steps that can be taken to prevent sexual and physical assaults, what to do if you are sexually assaulted, available services, and other information relating to crime statistics for the college. The Campus Sexual Violence Elimination Act is a 2013 amendment to the federal Jeanne Clery Act. SaVE was designed by advocates along with victims/survivors and championed by a bi-partisan coalition in Congress as a companion to Title IX that will help bolster the response to and prevention of sexual violence in higher education. It seeks to address the violence men and women face on campuses. This legislation updated the Jeanne Clery Act and requires colleges and universities, both public and private to create: transparency, accountability, collaboration, guarantees victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community wide prevention educational programming. For more information on the SaVE Act, contact us at (805) 546-3205 or pick-up a booklet at the Campus Police (6600 Bldg).

To reach the Clery Act information, use the Cuesta College Police Department website at https://www.cuesta.edu/about/depts/publicsafety/clerysave.html and use the “Clery Act” link.

The policy of the San Luis Obispo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, verbal or physical conduct or communications constituting sexual harassment, all forms of sexual intimidation and exploitation, including acts of sexual violence. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in this policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of contract.

Examples of verbal sexual harassment include, but are not limited to: leering, gestures, display of sexually aggressive objects or pictures, cartoons, or posters.)

2. Continuing to express sexual interest after being informed that the interest is unwelcomed.

3. Making reprisals, threats of reprisal, or implied threats of reprisal following a rebutt of harassing behavior. The following are examples of this type of sexual harassment within the workplace: implying or actually withholding grades earned or deserved; suggesting that a poor performance evaluation will be written; or suggesting that a scholarship recommendation or college application will be denied.

4. Engaging in explicit or implicit coercive sexual behavior within the work environment which is used to control, influence, or affect the employee’s career, salary, and/or work environment.

Procedures
Procedures for investigating complaints shall be the same as those outlined in Administrative Policy 3435 - Discrimination and Harassment Investigations

Summary of Your Rights to Seek an Information Resolution
(This is only a summary; please see Board Policy 3410, 3430 and Administrative Policy 3410, 3430 and 3435).

1. You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges. To start the informal resolution process, please contact the Executive Director of Human Resources and Labor Relations in the administration building, room 8003, or by phone at (805) 546-3129.

2. You do not need to participate in informal resolution;

3. You have the right to file a formal complaint (see below for the procedure in doing so);

4. You will not be required to confront or work out problems with the person accused of unlawful discrimination;

5. Students may file a non-employment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency’s jurisdiction.

If your complaint is employment-related, you may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency’s jurisdiction.

Purpose of the Information Resolution Process
The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal resolution process will be invoked when there is a simple misunderstanding or the complainant does not wish to file a formal complaint. An informal resolution may require nothing more than a clarification of the misunderstanding or an apology from the respondent and an assurance that the offending behavior will cease. You will be notified of the proposed informal resolution proposed by the District.

If you pursue the informal resolution process, you should note the following important points:

1. You will need to sign a document which indicates that you have selected the informal resolution process.

2. The District will complete its investigation within the time required by the District’s Regulation 1565 unless you voluntarily rescind your complaint prior to completion.

3. Selecting the informal resolution process does not prevent you from later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). For example, if you are not satisfied with the outcome of the informal resolution process (including the District’s proposed resolution), you may elect to file a formal complaint.

BP 3570 SMOKING AND TOBACCO USE ON CAMPUS

Reference: Gov Code Section 7597.1

The San Luis Obispo County Community College District (District) is committed to providing a safe and healthy learning and working environment. To support this commitment, the District prohibits smoking and the use of any form of tobacco product on all District property and locations where the District provides services.

To enforce smoking and tobacco control procedures, the District authorizes the Superintendent/President to:

• Set enforcement standards for all District sites and campuses.

• Direct the posting of signs stating its tobacco use policy on campus.

• Inform employees and students of the tobacco use policy and enforcement measures.

AP 3570 SMOKING AND TOBACCO USE

I. Introduction

The San Luis Obispo Community College District (District) recognizes the overwhelming scientific evidence assembled by the U.S. Surgeon General, Centers for Disease Control, Environmental Protection Agency, and World Health Organization, which demonstrates that
tobacco is a profound agent of deadly diseases, responsible for millions of deaths worldwide each year, both to tobacco users and non-users. Tobacco use is inconsistent with a culture of wellness. While acknowledging the hazards of smoking, the District has, more importantly, dedicated itself to providing safe, healthy, comfortable, and productive learning environments throughout its campuses for visitors, employees and students. Accordingly, pursuant to Board Policy 3570, Smoking and Tobacco Use, the District issues this Smoking- and Tobacco-Free Policy, effective January 1, 2019.

The success of this policy will depend on the thoughtfulness, consideration, and cooperation of tobacco users and non-tobacco users. It is the responsibility of all members of the District community to comply with this policy as well as all other District policies. Members of our various campus communities are empowered and expected to professionally and respectfully inform others about the policy in an ongoing effort to enhance awareness and encourage compliance. Furthermore, employees and student leaders are expected to serve as role models for the entire campus community. Violations of this policy will be handled in a manner that is consistent with all District policies and procedures. Smoking waste management products, such as ashtrays, shall be removed from all campus premises within a reasonable time frame.

**Hearing Panel Chair** – The Superintendent/President or designee
shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

Conduct of the Hearing:
The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins, as well as any other supporting documentation previously provided to the student.

The facts supporting the accusation shall be presented by a college representative who shall be the Assistant Superintendent/Vice President Student Services and College Centers or designee.

The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unable to be physically present, thus unavailable to testify. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. Hearsay evidence may be considered by the panel, and given the weight to which it is entitled. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.

The student may represent himself/herself, and may also have the right to be represented by a person of his/her choice. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. Hearings shall be closed and confidential.

In a closed hearing, witnesses, with the exception of the accused student and the college representative, shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. The hearing shall be recorded by the District. The official recording shall be the only recording made. No witness who refuses to be recorded may be permitted to give oral or written testimony. A witness who refuses to be recorded is not considered to be unavailable, and may not be permitted to give written testimony. In the event the recording is by audio recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. If the District requests that the audio recording is to be transcribed, the student shall be provided with a copy of the transcription.

Within 15 days following the close of the hearing, the hearing panel shall prepare and send to the Superintendent/ President, or designee, a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

Superintendent/President’s Decision:

Long-term Suspension – Within 10 days following receipt of the hearing panel’s recommended decision, the Superintendent/ President or designee shall render a final written decision. The Superintendent/President or designee may accept, modify or reject the findings, decisions and recommendations of the hearing panel. The Superintendent/ President or designee’s decision shall be forwarded to the Board of Trustees.

Board of Trustees Decision: The Board of Trustees shall consider any recommendation from the Superintendent/President or designee for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures (Education Code Section 72122).

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board’s meeting. The student may, within forty-eight hours after receipt of the notice, request a copy of the disciplinary hearing recording. If the recording was an audio recording, the District will request that the recording be professionally transcribed and the student shall be provided with a copy of the transcription.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the Superintendent/President or designee or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.
The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

STUDENT GRIEVANCE PROCEDURE

Board Policy 5530

A grievance shall mean a complaint, other than one dealing with discrimination or harassment* which has been filed by a student or by a student’s designee on his/her behalf. The primary purpose of the following procedure is to secure at the earliest level possible an equitable solution to a complaint. Students must file a concern or complaint within 90 days of the last day of the semester.

LEVEL 1. In order to provide the opportunity for an immediate solution, the student should contact the Instructor (Academic) or Supervisor of the Program/Department (Non-Academic) to explain the purpose of the concern/complaint. This initial contact will provide the opportunity for the Instructor or Supervisor to gather details on the concern/complaint and offer a resolution (if there is justification for a concern/complaint). This process for direct dialog will occur prior to the student completing an official concern/complaint form.

LEVEL 2. In the event the student does not feel the concern/complaint was addressed by the Instructor or Supervisor, the student will then file a concern/complaint form. The concern/complaint form will require the student to outline the concern/complaint and submit the form electronically. Upon electronic submission, a ping will notify the Instructor or Supervisor of a concern/complaint. The Instructor or Supervisor will then have the opportunity to add their details to the concern/complaint. Once fully completed, the concern or complaint will then notify (electronically), the Division Chair or Supervising Manager of the area for review. The Division Chair or Supervising Manager will make a decision on the concern/complaint and notify the student of their decision in writing.

LEVEL 3. If the student feels the concern/complaint has not been addressed by the Division Chair or Supervising Manager, the student may schedule a meeting with the Dean of the discipline/area. The Dean of the discipline/area will review all of the information outlined in the concern/complaint documentation and make a decision on the validity of the concern/complaint. The Dean will provide a written response to the student once the documentation review is complete.

LEVEL 4. If the student feels the concern/complaint has not been addressed by the Dean of the discipline/area, student’s may request a final documentation review by the Assistant Superintendent/Vice-President of Academic Affairs (Academic) or Assistant Superintendent/Vice-President of Student Services (Non-Academic). Upon completion of documentation review by the Assistant Superintendents/ Vice-Presidents, they will provide a written response to the student. All decisions rendered at this point are final.

*When a student has a complaint which involves (1) sexual harassment, (2) civil rights discrimination on the basis of ethnicity, race,
national origin, religious beliefs, age, gender, color, physical or mental disabilities, veteran status, sexual orientation or sexual identity, or marital status, or (3) retaliation for filing a sexual harassment or other unlawful discrimination complaint, referring a matter for investigation, participating in an investigation of a complaint, serving as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of the District’s unlawful discrimination policy (Policy 1565), then the matter is to be referred to the Vice-President of Human Resources and Labor Relations as such matters are to be handled pursuant to Policy 1565 (unlawful discrimination) and not as a student grievance.

STUDENT EQUITY AND ACHIEVEMENT PROGRAM

The Student Equity and Achievement Program brings the student and the District into agreement regarding the student's educational goal through the District's established programs, policies, and requirements. The agreement is implemented by means of the student educational plan.

Student Rights and Responsibilities

Each non-exempt student, in entering into a student educational plan, will do all of the following:

• identify an education and career goal;
• identify a course of study;
• participate in the placement process to determine appropriate course recommendations;
• complete orientation;
• participate in the development of a student educational plan;
• complete a student educational plan no later than the term after completing 15 semester credits of degree applicable credit coursework;
• diligently attend class and complete assigned coursework;
• complete courses and maintain progress toward an educational goal.

Exemptions

Students that have completed an associate degree or higher may be exempt from participation in orientation, placement, counseling, advising, or student education plan development. Students exempted from any of the matriculation components are notified in their myCuesta student portal; nonetheless, exempt students are encouraged to participate in these services.

Transcripts to Cuesta College

Official transcripts from all other institutions must be submitted to the Cuesta College Records Office prior to enrollment. Lower division (freshman/sophomore level) coursework from regionally-accredited colleges and universities will be evaluated and may be transferred to Cuesta College to meet certificate requirements, degree requirements, and requirements for transfer certification. If non-native credits are from a college or university on the quarter system, these credits will be converted to semester credits (quarter credits/1.5=semester credits). Non-native coursework will be evaluated based on regional accreditation standards using the grades received at that institution. Cuesta College considers a grade of C- as substandard and eligible for repetition.

Official (sealed) copies of transcripts from colleges, universities and high schools attended should be submitted to:

Cuesta College Records Office
PO Box 8106
San Luis Obispo, CA 93403-8106

Transcripts should be submitted ahead of registration, in time for academic advising and prerequisite clearance. Final official transcripts, showing all coursework and grades received, must be received before GE certifications and degree and certificate evaluations may be completed. Transcripts are evaluated based on the AACRAO guidelines for regionally-accredited post-secondary institutions.

Upon application for the associate degree or transfer certification, non-native coursework credits will be included and reviewed with the Cuesta College student record. Applications for the associate degree and transfer certification are available in the Enrollment Services (Admissions and Records) Office or website.

Transcripts submitted to Cuesta College become the property of Cuesta College and will not be released to students, other colleges, or agencies. Plan to request a personal copy from your former college or university if you need one for your records.

Transcripts from Cuesta College

A written or electronic request by the student is required to release transcripts.

Transcripts ordered electronically will be mailed within 2-4 working days from the date of request in most cases. An electronic notification will inform the student of the status of their transcript order and notify them of any holds. The fee for the electronic transcript request is $6.50 per copy. Transcripts ordered in-person will be mailed within 2-3 weeks and cost $3 per copy after the first two free copies. Unofficial transcripts are available for viewing and printing through myCuesta on the Cuesta College website. Access to myCuesta requires the student username and password.

Transcripts will not be produced for students who have a hold on their records.

Voter Registration

Voter registration forms are available year-round at various campus locations, including the Student Services Building and ASCC Student Government Offices. Students can also register online on the California Secretary of State’s web site at http://registertovote.ca.gov/student.

With the passage of California Senate Bill No. 854-Chapter 481, state-funded higher education institutions - community colleges, California State University system and University of California campuses - are required to allow students to request voter registration materials online through a link in their course registration system. As a result of this legislation, Cuesta students are able to link to the online voter registration application from the myCuesta student portal in the Steps to Success channel. The direct link to the California Secretary of State Web site allows students to complete the voter registration process online as long as they possess a California driver license or identification card number.
