# Math Placement and Flowchart

New students **are placed into** a mathematics course **one** of the following ways:

- > Take the Cuesta College Math placement test and submit official (sealed) final copy of high school transcript
- Earn "Ready for CSU college-level math courses" status on the EAP exam\*
- > Pass the AP Calculus AB exam or AP Statistics exam with a score of 3 or above
- > Submit results from completed math assessment taken at another California public college or university\*
- Earn a "C" or better grade in a mathematics course taken at another college or university AND submit a copy of college/university transcript with a Prerequisite Form A
  - \* Within past 18 months.
  - \* Bringlsendlfax to the Assessment/Prerequisite Office. (805) 546-3951; Fax (805) 546-3113.
    Official transcripts must also be submitted to Cuesta's Records Office (P.O. Box 8106, SLO, CA 93403-8106).

# **APPLY FOR ADMISSIONS**

# When To Apply?

Admission applications are available online beginning:

- November 1 for Fall Term
- April 1 for Summer Term
- October 1 for Spring Term

There is no fee to apply to Cuesta, with the exception of International Students. Once applications are received and processed, all Cuesta students will have access in myCuesta.

Applicants are urged to provide their social security number when applying to Cuesta College. The social security number will be needed for <u>financial aid</u>, employment, <u>education tax</u> <u>credit</u>, and for many special programs that require California certification. All students will be assigned an alternative 9-digit number as a <u>Cuesta student ID number</u>.

# Who Needs to Apply?

**New Students:** Students who have never attended Cuesta College must submit an admission application.

**Returning Students:** Students who have attended Cuesta College in the past and have been absent two or more terms, excluding summer session.

<u>Special Part-time Students (Enrichment)</u>: Students in high school grades 9-12, who in the opinion of their school principal, would benefit from concurrent enrollment in "advanced scholastic" or "vocational" college coursework.

#### **Programs with Additional Admission Requirements:**

Admission to impacted specialized programs may require the completion of a program admission application and Chancellor's recommended and Board-approved admission requirements. The Admission criteria, process and application for specialized programs are valid for the current application cycle only.

- Special Part-time Students (Enrichment): Enrichment students must complete both the high school approval process and Cuesta's <u>Permit to Enroll</u> to qualify to register in degree applicable courses at Cuesta.
  - Admission and enrollment in courses of special part-time students may be restricted by age;
  - Admission and enrollment in courses of special part-time students may be restricted by grade level;
  - Admission and enrollment in courses of special part-time students may be restricted by demonstrated eligibility for instruction using assessment methods and procedures established pursuant to Chapter 2 of part 48 and regulations adopted by the Board of Governors of the California Community Colleges.
- International Students: International F-1 Visa students requesting an I-20 to attend Cuesta College must complete an International Student Application. A \$100 processing fee must accompany the International Student Application. This fee is subject to change pending Board of Trustee's

approval. Contact Admissions for more information. International Admissions Applications periods are:

- Spring Term: October 1 December 15
- Summer Session: April 1 May 15
- o Fall Term: April 1 July 15

# Who May Attend?

The college shall admit students who meet one of the following requirements and who are capable of benefiting from the instruction offered:

- Any person over the age of 18, or a person under the age of 18 possessing a high school diploma or equivalent. A copy of the certification (California State Proficiency Exam or GED) is required if under 18 years of age;
- Other persons who are over the age of 18 years, who have not received a high school diploma, or equivalent, and who, in the judgment of the Superintendent/President, or designee, are capable of benefiting from the instruction offered. Such persons shall be admitted as provisional students, and thereafter shall be required to comply with the District's rules and regulations regarding scholastic achievement and other standards to be met by provisional or probationary students as a condition to being readmitted in any succeeding term.
- Persons who are apprentices as defined in Section 3077 of the Labor Code.
- Pupils under the age of 18 who are currently enrolled in grades 9-12, who meet all admission, course, and enrollment requirements are eligible to attend Cuesta College during any term, or summer session, on a spaceavailable basis as a special part-time student for advanced scholastic or vocational courses.

# **Residency Requirements**

Any person enrolling at Cuesta College in credit or non-credit courses is subject to residency requirements as outlined by the California Education Code.

Resident Student: A resident student is one who has been a legal resident in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll, and who demonstrates the intent to remain a permanent California resident. Students determined to be California residents are charged the California State Enrollment fee as set by the California Community College Chancellor's Office. All other fees apply.

Non-Resident Student: A non-resident student is one who has not had a legal residence in California for more than one year and a day immediately preceding the beginning of the term in which the student plans to enroll. Students determined to be

non-residents are charged the non-resident tuition in addition to the resident enrollment fee.

Exemption to non-resident tuition exists when documentation is presented for any one of the following:

- Attended a California high school, or high school equivalent, for a minimum of three years and earned a California high school diploma, or equivalent;
- Full-time credentialed employee of a California public school enrolling in college for purposes of fulfilling credentialrelated requirements;
- Seasonal agricultural worker for at least a total of two months of each of the past two years;
- Full-time employee, or spouse, or dependent of a full-time employee of any of the following college/universities: California Community Colleges, California State University, University of California, or Maritime Academy.
- Applicants, under the age of 19, who have lived under the direct care and control of an adult, other than a parent for two years immediately preceding the resident determination date; and such adult has for the year immediately preceding the residence determination date, had California residence.

Contact the Cuesta College <u>Admissions Office</u> at (805) 546-3140 for additional information.

Una exención a la cuota de la matrícula de los no-residentes es posible al presentar confirmación de una de las siguientes cosas:

Haber atendido a una escuela secundaria de California, o el equivalente a la escuela secundaria, por un mínimo de tres años y haber recibido un diploma de la escuela secundaria, o el equivalente.

Ser empleado/a de tiempo completo con credenciales y que trabaja en un colegio público de California y que se matricula en la universidad con el propósito de realizar requisitos relacionados con su credencial.

Ser agricultor temporal por un mínimo de dos meses de cada uno de los últimos dos años.

Ser empleado/a de tiempo completo, o esposo/a, o dependiente de un empleado/a de tiempo completo, en uno de los/las siguientes colegios/universidades:

California Community College; California State University; University of California; o Maritime Academy.

Solicitantes menores de 19 años, que han vivido bajo el cuidado y control directo de un adulto que no sea su padre/madre, por dos años inmediatamente antes de la fecha determinante de residencia, y el adulto ha sido residente legal de California por el año completo antes de la fecha determinante de residencia.

Contacte a la <u>Oficina de Admisiones</u> de Cuesta College para más información, (805) 546-3140.

# Admisión e Inscripción

Para estudiar en Cuesta College, usted debe de tener18 años de edad ó mayor. Si es menor de 18 años, debe ser graduado

de la escuela secundaria, ó haber completado el equivalente a la escuela secundaria, ó asistir simultáneamente como estudiante de la escuela secundaria. Los pasos a seguir para inscripción en Cuesta College son:

- Completar la solicitud de admisión a través del internet en www.cccapply.org ó en persona si nunca ha estado en Cuesta, o si ha faltado más de un semestre.
- Los estudiantes de la escuela secundaria necesitan, además, completar el Permiso de Inscripción.
- Presentar sus notas de los colegios ó universidades atendidos previamente;
- Tomar el examen de evaluación de inglés, matemática, ó de Inglés como Segundo Idioma, en caso de que vaya a ser estudiante universitario por primera vez;
- Asistir a una sesión de orientación con un consejero académico:
- Las solicitudes de admisión se aceptan a partir del 1° de abril para el verano y otoño, y el 1° de octubre para la primavera a través del internet, ó en forma de papel, en las siguientes localidades:
- La Oficina de Admisiones y Servicios Estudiantíles de Cuesta College del Condado Norte, en el edificio N3000;
- La Oficina de Admisiones de Cuesta College en San Luis Obispo, en el edificio 3100, Centro de Servicio Estudiantil;
- El Centro de Arroyo Grande, localizado en la Escuela Secundaria de Arroyo Grande, Ala 900;

Favor de ver el Directorio de Servicios para las horas de trabajo de las Oficinas de Admisiones de Cuesta.

Por motivos de matrícula, los estudiantes se clasifican como residentes ó no-residentes del estado. Se considera un estudiante residente si ha vivido continuamente por más de un año como residente legal de California antes del primer día del semestre, y tiene la intención de permanecer en el estado. El estudiante no-residente es aquel que no ha vivido en el estado de California por más de un año antes del comienzo del semestre.

Para los interesados en Inglés como Segundo Idioma, favor de ver las instrucciones en las páginas 100 y 101.

#### **FINANCIAL AID**

1. Apply for your Federal PIN. Your PIN is used to access and correct your information and your parents' information online. Parents need a PIN if their information is required for the financial aid application. Go to

www.pin.ed.gov to request a PIN.

2. Go to www.fafsa.ed.gov complete the Free Application for Federal Student Aid (FAFSA) or complete the Renewal Application. Use this college code for Cuesta College: 001192. Enter this number on your FAFSA so that Cuesta College staff can access your FAFSA results electronically. If you are transferring mid-year or considering multiple colleges, enter the codes for all schools you are considering but enter first the code for the college you are most likely to attend.

Review your FAFSA Information. About one week after you submit your FAFSA, a Student Aid Report (SAR) will be sent to you via email by the Federal Processor. Review the information for accuracy and submit any changes requested online. If you do not provide an email address, correspondence will be by postal mail and will take longer.

#### **Important Tips:**

- a. Inform the Financial Aid Office of changes in family or financial circumstances.
- b. Keep your demographic information current with Student Services and the Federal Processor.
- **4.** Respond immediately to requests for information. You may be selected by the Federal Processor or the college for verification and be required to submit income documentation and a verification worksheet to the Financial Aid Office. All documentation must be received before the application can be processed.
- **5.** Email is the standard method of communication used by the Financial Aid Office at Cuesta College. We will contact you only through your myCuesta email address except for the first email regarding the results of your FAFSA. It is your responsibility to check your email.
- **6.** Check your Financial Aid Status frequently at https://my.cuesta.edu/cp/home/displaylogin and make sure you complete any unsatisfied requirements.
- 7. Check your eligibility for good standing on your

MyCuesta Portal and review our Satisfactory Academic Progress Policy found at http://cuesta.edu/student/aboutmoney/finaid/fa\_policies/S\_A\_P.html

- **8.** File Complete. After your file is complete, a review and determination of eligibility will be made. Files are reviewed in the order they are received. All students are notified of their eligibility via their myCuesta Portal.
- **9.** Your "MyCuesta Card" has been designed to provide you with disbursement options. You will want to activate your MyCuesta Card and select one of the following disbursement preferences:
  - choose to have your student account funds deposited to the OneAccount;
  - choose to have your funds transferred to your personal checking/savings account;
  - choose to have a paper check sent to you
- **10.** Cuesta College Scholarship: Visit http://cuesta.edu/student/aboutmoney/finaid/ for information regarding eligibility requirements and deadlines.
- **11.** Other outside scholarships: Check out any clubs, organizations, and businesses with which you or your parents may be affiliated. Search legitimate sources or visit our web at:

http://cuesta.edu/student/aboutmoney/finaid/ types\_of\_aid/Scholarship\_institutional\_source.html

**12.** Contact us if you have any questions: Telephone: (805) 546-3143 Email: FinAid@Cuesta.edu

#### **SUBMIT TRANSCRIPTS**

Official transcripts are required to satisfy course prerequisites, Student Education Plans, GE Certifications, and degree and certificate evaluations at Cuesta College. Official (sealed) copies of transcripts from colleges, universities and high schools attended should be submitted to:

Cuesta College Records Office PO Box 8106 San Luis Obispo, CA 93403-8106

Transcripts should be submitted ahead of registration, in time for academic advising and prerequisite clearance. Final official transcripts, showing all coursework and grades received, must

be received before GE certifications and degree and certificate evaluations may be completed. Transcripts are evaluated based on the <u>AACRAO</u> guidelines for regionally-accredited post-secondary institutions.

Transcripts submitted to Cuesta College become the property of Cuesta College and will not be released to students, other colleges, or agencies. Plan to request a personal copy from your former college or university if you need one for your records.

### steps to #4

#### **ASSESSMENT**

Assessment test placement results will assist students with appropriate course selection and may be used to satisfy mandatory course prerequisites. The math, English, and English as a second language (ESL) assessments are computerized and untimed. They are given free of cost.

Assessment tests for math and English are offered on a walk-in basis. Please visit our Assessment Services website to view available test dates and locations. Bring photo identification and your Cuesta student number with you on the day of the test. Prior to taking the assessment test, you must be a current Cuesta student or have submitted a Cuesta College admission application. Prepare for the assessment tests by viewing the resources and study materials on the Assessment Services website

First-Time College Student: First-time college students are expected to complete their English, ESL or math assessment tests prior to registering for courses. Placement levels are determined based upon assessment test results AND prior academic history. Final official high school transcripts should be submitted to the Cuesta College Records Office.

Disabled Student Accommodation: Special accommodations are given to students with verified disabilities according to California Education Code Title 5 regulations. Accommodations are made on an individual basis and must be made prior to testing through the Disabled Students Programs and Services Office. For more information, call Disabled Student Programs and Services (DSPS) at (805) 546-3148 (SLO campus) or (805) 591-6215 (NC campus) or visit the DSPS office on either campus. In order to receive examination accommodations for assessment testing as a qualified DSPS student, prior verification of disability is required.

Alternatives to Assessment Testing: Assessment is mandatory if results are required to meet a course prerequisite. You may be exempt from assessment testing if you meet one of the following exemptions or alternatives:

If you are not taking courses which require math or English prerequisites.

If you have already completed college coursework equal to our math and English course prerequisites and have submitted a prerequisite clearance request form A along with a transcript.

If you have already taken a placement test at another California Community College, UC or CSU campus and

submitted your scores (math assessment scores are only valid for 18 months).

If you want to register directly into our Academic Skills math courses (ACSK 075) or any of our Academic Skills English courses (ACSK 030A, 032, 050, 055) or College Success Studies courses (CSS 036, 058)

If you have met one of the following criteria and have submitted verification:

#### MATH

- 1. Earned "ready for CSU college-level math courses" status on the EAP exam;
- 2. Passed the AP Calculus AB exam or AP Statistics exam with a score of three or above

#### **ENGLISH**

- 1. Earned "ready for CSU college-level English courses" status on the EAP exam;
- 2. Passed the AP English Language or Literature Composition Exam with a score of three or above

Test scores may be faxed to (805) 546-3982 or mailed to the Cuesta College Assessment Office, PO Box 8106, San Luis Obispo, CA 93403-8106.

#### PREREQUISITES/COREQUISITES

Prerequisites, corequisites, and advisories are intended to enhance a student's chance of success in a desired course. If a student does not meet prerequisites or corequisites for a course, as listed in the class schedule, the student may not be allowed to enroll or remain enrolled in that course. Successful completion of a prerequisite or corequisite course is achieved by a final course grade of "C" or better.

Cuesta students enrolled in prerequisite courses at the time of registration for the upcoming term will be allowed to enroll in the next level course without knowing the final grade in their current course. A grade of "C" or better must be earned in the prerequisite course to meet the prerequisite requirement. Students that do not successfully complete prerequisite courses will be administratively dropped from the higher level course once grades are final and have been posted.

**Transfer Students:** In order to use prerequisite coursework completed at another college, students must submit a <a href="Prerequisite Clearance Request Form A">Prerequisite Clearance Request Form A</a> along with an official transcript prior to registering for classes. Prerequisite Clearance Request forms may be found at the Counseling Department or on the prerequisite website.

Submit forms in one of the following ways:

- Hand deliver: to the <u>Counseling Department</u> in the Student Services building (SLO Student Services Center, Building 3011 or NCC Building N3000, room N3011) or to the <u>Assessment/Prerequisite Office (SLO campus)</u>.
- FAX: to Prerequisite Specialists at (805) 546-3113.
- Mail to: Cuesta College Assessment Office Attention: Prerequisites, P.O. Box 8106, San Luis Obispo, CA 93403-8106.

If students would like to use official transcripts that were already sent to Cuesta, please note that it may take up to two weeks for official transcripts to be received and processed by Cuesta's Records office. For most immediate clearance, please include a copy of your transcript with your clearance request.

**FORM A – <u>Prerequisite Clearance Request</u>:** to be used to clear prerequisites with coursework completed at an institution other than Cuesta.

FORM B – <u>Prerequisite Challenge:</u> to be used to clear prerequisites that have been met through means other than course completion (previous knowledge, work experience, licensing). Student is responsible for providing evidence to support the claim and must get signatures from the appropriate department chair <u>before</u> prerequisite clearances

can be processed.

**FORM C – Prerequisite Clearance Request for Physics:** to be used for Physics prerequisites completed at an institution other than Cuesta. Student is responsible for attaining the appropriate signatures from the Physical Science department chairperson **before** prerequisite clearances can be processed.

#### **ORIENTATION/COUNSELING**

#### **Online Orientation**

Once an application for admission has been submitted and confirmation has been received, the online orientation is available to all Cuesta students at <a href="mailto:my.cuesta.edu">my.cuesta.edu</a>. Go to the Student tab and My Web Services channel to Registration Tools and select "Online Orientation."

The online orientation allows students to choose their goal (AA, CSU or UC) and proceed on the appropriate path to accomplish that goal.

#### myCuesta Orientation Workshop

The *my*Cuesta Orientation workshop is a mini-orientation facilitated by a Cuesta College counselor, after students have completed the on-line orientation. Sessions are offered directly after English and math assessment testing and fill quickly. Please call the Cuesta College Assessment Office at (805) 546-3951 for dates and to reserve a spot.

#### **Exemptions to Orientation**

Students may be exempt from participation in orientation if they have:

• earned an Associate or higher degree

#### Counseling

#### Student Educational Plan (SEP)

During a counseling appointment, students may identify
their educational goals and develop a long-term academic
plan. Prior to making an appointment with a counselor,
verify that all official academic transcripts have been
received by Cuesta.

#### Transfer Information (www.assist.org)

 ASSIST is an online course planning system developed for prospective community college transfer students. ASSIST provides information about the applicability of community college courses toward UC and CSU General Education and major preparation requirements.

Contact the Transfer Center at (805) 546-3162 for assistance concerning articulation or major requirements.

#### **ENGLISH AS A SECOND LANGUAGE (ESL)**

#### Application/Assessment/Orientation/Registration

New students in the English as a Second Language (ESL) Program must take the ESL assessment. Students will receive their assessment results and class recommendations immediately after taking the tests. Contact the ESL Office for assessment dates and locations as listed below.

#### **REGISTRATION**

#### **Enrollment Priority**

The California Community Colleges Board of Governors approved a regulation in September 2012 to establish systemwide enrollment priorities that will reward students who make progress toward their educational goals for job training, degree attainment, or transfer to a four-year college.

Effective Fall 2014 priority registration, new, returning (absent 2 or more primary terms), and transfer students who have completed assessment, orientation, and developed a Student Education Plan (SEP), will now have enrollment priority over students who do not meet these criteria. Continuing students who are placed on Academic or Progress Dismissal or who exceed 100 or more degree-applicable credits will lose priority at the next registration opportunity.

Priority to register online through <u>myCuesta</u> Banner Self-Service is given to continuing Cuesta College students by random alpha access dates and times, based on the number of credits completed at Cuesta College. A continuing student is defined as a student enrolled after the third week of, or received a grade, in the previous term. Students who withdraw from all classes by the drop without a "W" deadline in the prior term and Special Part-time Enrichment students are not considered continuing students and do not have priority to register. Credits completed at other colleges are not included in the priority calculation.

Visit the Cuesta website for registration information and review the <u>catalog</u> for more in-depth information regarding enrollment priority for all students.

Visit the Cuesta web site for priority registration dates.

#### **Enrollment Limitations**

A student's ability to enroll in a course may be limited or restricted. Refer to <u>Administrative Procedures 5075</u> -

**Continuing Students:** A continuing student will lose enrollment priority if he/she earns 100 or more credits at Cuesta College (not including non-degree applicable courses, basic skills and ESL) or if he/she are on academic or progress probation for two current consecutive primary terms. Students who lose their priority due to enrollment limitations will be able to register with Priority 8.

#### **Appeal Policy Procedures**

Students may petition to have their enrollment priority changed based on the following reasons:

- Extenuating Circumstances (verified cases of accidents, illnesses, or other circumstances beyond the control of the student)
- Students with disabilities who applied for but did not receive reasonable accommodations in a timely manner.
- Students who demonstrate significant satisfactory academic improvement by earning at least 2.50 GPA in at least 6 academic credits in a subsequent term, but whose term GPA is not high enough to move the student into good standing.
- Students who are in high credit programs and are following a current education plan.

#### **Course Add and Drop Policy**

It is the student's responsibility to add and drop courses by the deadlines posted on the Cuesta web site, in the online Class Finder, and the enrolled student's myCuesta Class Schedule/Receipt. Summer session classes are considered short term courses for add and drop deadlines. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.

#### **Adding Courses**

Students may add classes online by the add deadline, which is the day prior to the census date. The census date is the date course enrollment is reported to the State for apportionment funding. Once a course begins, only the instructor may authorize enrollment by issuing the student an add code if there are seats available in the course at the first class meeting. Add codes must be entered by the student online in <a href="mycuesta">mycuesta</a> within the add deadline to officially enroll in a course.

To add a course online, students login to <u>myCuesta</u> and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and enter the 5-digit CRN for the course by clicking "Submit Changes." The student may enter the 4-digit add code in the box provided and click "Validate" to register after the course begins within the add deadline. Students may also add classes in-person at a <u>registration center</u> and must provide photo identification.

- Full-term course add deadline: The day prior to the posted census date, which is the end of the 2nd week of the term.
- Short-term or Summer course add deadline: Within 20% of the course or the day prior to the posted census date.

**Readmit:** A students who was inadvertently dropped by an instructor may be allowed to be readmitted/re-added beyond the normal add deadline with instructor approval. The deadline to be readmitted is by the end of the 12th week of the term or within 60% of a short-term or Summer course. Readmit Cards are available at any registration center.

**Transfer:** Instructor or department-arranged transfers will be allowed beyond the normal add deadline for students transferring from one CRN to another of the exact same

course or to a lower or higher level class in established prerequisite levels of the same discipline. The deadline to be transferred is by the end of the 12th week of the term or within 60% of a short-term or summer course. Transfer Cards are available at any <u>registration center</u> and require both instructors' signatures of approval.

Registration fees for the original CRN to be dropped will be credited while fees associated for the course to be added will be assessed to the student's account.

#### **Dropping Courses**

Students may drop courses online within specified deadlines to receive a refund, to drop without a "W" for withdrawal symbol, or to drop with a "W" for withdrawal on their academic record. Students are <u>not</u> dropped by the college for non-payment of fees. Students will be held financially responsible for fees related to classes not dropped within the refund deadlines.

To drop a course online, students login to <u>myCuesta</u> and go to the Student tab and My Web Services channel. In the Registration folder, go to "Register Add/Drop Classes" and use the drop-down menu beside the course to select the drop option then click "Submit Changes." Students may also drop classes in-person at a <u>registration center</u> and must provide photo identification.

Dropping Course for a Full Refund: Students must drop a course by the Sunday before the start of the term or prior to the first class meeting of a short term or Summer course to receive a full refund of fees, less a \$10.00 processing fee. A written request for a refund must be submitted to the Cashier's Office by the end of the 4th week of the term or by the end of the following week after a short-term or Summer course ends. No notation (grade or symbol) will be posted on the student's academic record when a course is dropped within refund deadlines.

**Dropping Course for a Partial Refund:** The student will receive a partial refund for a course dropped on or after the first class meeting and within the last day to drop for a refund deadline. The last day to drop with a refund deadline is posted in the online <u>Class Finder</u> by clicking on the CRN and appears on an enrolled student's <u>myCuesta Class Schedule/Receipt</u>. The deadline is calculated as within 10% of a short-term or summer course or the end of the 2<sup>nd</sup> week (Sunday) for a full-term course.

A partial refund is the enrollment fee less a \$10 processing fee. The student is responsible for paying all other registration fees associated with a course. See the Fees section of the schedule for more information. A written request for a refund should be submitted to the <a href="Cashier's Office">Cashier's Office</a> by the end of the 4th week of the term or by the end of the following week after a short-term course ends (includes summer course.) No notation (grade or symbol) will be posted on the student's academic record when a course is dropped within refund deadlines.

**Dropping a Course without a W for Withdrawal:** No notation (grade or symbol) will be posted on a student's academic

record if a course is dropped by the last day to drop without a "W" which is the end of the second week of the term for a full-term course or within 20% of a short-term or Summer course. The last day to drop without a "W" deadline is posted in the online <u>Class Finder</u> by clicking on the CRN and appears on an enrolled student's <u>myCuesta Class Schedule/Receipt</u>.

- Students who drop <u>all</u> courses and receive no academic grade or symbol ("W") in a term will not be eligible for priority registration as a continuing student in the next term.
- Full-Time Status: Students who drop below 12 credits for the Fall/Spring term or below 9 credits for the Summer session are no longer considered full-time status which is a requirement for certain programs such as international students, athletics, or veteran's benefits. Contact program administrators for more information.

Dropping Courses with a W for Withdrawal: Students may drop or withdrawal from a course through the end of the 12th week (Sunday) for a full-term course or within 60% or a short term or Summer course and receive a "W" for withdrawal symbol on their academic record. The last day to drop with a "W" deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt.

- A student may earn a no more than a maximum of three (3) withdrawals ("W" symbol) in a non-repeatable course.
- A student is placed on <u>progress probation</u> if the total number of withdrawals, incomplete ("I" symbol) and/or no credit/no pass ("NC"/"NP") credits reach or exceed 50 percent of all attempted credits at Cuesta College. Three consecutive semesters on progress probation may result in dismissal from the college. See the <u>Cuesta College Catalog</u> section under Academic Probation and Dismissal for more information.
- Financial Aid students: A statutory schedule for all Title IV students who withdraw will be used to determine the amount of Title IV funds a student has earned as of the date he/she ceases attendance. A student who receives financial aid and earns all F's or a combination of F's and W's, under the Higher Education Amendments of 1998 may be required to repay some of the financial aid received. Contact the Financial Aid Office for more information or see the Return of Title IV Funds Policy section of the Schedule.

Administrative Withdrawal/Cancelled Classes: Students will be notified by phone and/or mail if administratively dropped or if a course has been cancelled by action of the college. It is the student's responsibility to submit a refund request form to the <u>Cashier's Office</u>.

#### **Petitions**

Certain circumstances may require an approved petition be submitted before the student will be allowed to enroll in a course. Refer to the <u>Cuesta College Catalog</u> for specific information on <u>Records and Grading Policy</u>. <u>Forms and petitions</u> are available online or at any <u>registration center</u>. All registration forms require the student's signature, identification, and may require additional approval from a

college official.

#### **Registration Centers**

Adds and drops by registered students will be processed at the locations below. The South County Center at Arroyo Grande High School is closed during the summer and term breaks.

#### **North County Campus Student Services**

#### **Student Rights under FERPA**

The <u>Family Education Rights and Privacy Act</u> (FERPA) affords a student certain rights with respect to their education records. These rights include:

- The right to inspect and review their own educational record.
- The right to seek to amend their own educational record.
- The student must make a written request to the Director of Admissions and Records at the San Luis Obispo Campus and provide the names of the records they wish to review or amend. The administrator will respond with the timeframe and location for the materials to be reviewed.
- The right to have some control over the disclosure of information from their educational records. One exception that permits disclosure without consent is the disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide service instead of using College employees or officials (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a students serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing her or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.
- The right to file a claim with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202-5920

#### **Directory Information**

At its discretion, Cuesta College may provide "directory information" in accordance with the provisions of the Family

Education Rights and Privacy Act of 1974 (FERPA).

Directory information is defined as that information which would not generally be considered harmful or an invasion of privacy if disclosed. Personal identifiers, such as student identification numbers or social security numbers, race/ethnicity, gender, religious preference grades and GPA are not directory information. Cuesta College has identified the following elements as directory information:

Name
Field of Study
Degrees and Certificates Earned
Dates of Attendance
Level of Enrollment (# of Credits)

Participation in officially recognized activities and sports

Contact a <u>registration center</u> for information about restricting the release of directory information.

#### **PAY FEES**

### Schedule of Fees Payable at Registration (per term)

Credit (enrollment) fees are subject to change by the California State Legislature. If fees are increased for this term, additional charges will be added to each student's account that must be paid before grades will be released. For tax purposes, students are responsible for retaining receipts as a record of fees paid.

Enrollment Fee
Non-Resident Tuition \$199.00 Note: Per credit, in addition to the \$46.00 enrollment fee.
Health Fee\$19.00 Note: North County Campus and San Luis Obispo Campus only.

Each additional automobile/van/truck\$30	0.00
Motorcycles/mopeds (per vehicle) \$15	5.00

Each additional motorcycle/moped .......\$15.00

Materials Fee......See course descriptions for specific amounts.

#### **Fee Descriptions**

**Enrollment Fee:** Enrollment fees are charged per unit of enrollment credit and are set by the State of California. These fees are subject to change. If you need help paying this fee, you may qualify for a Board of Governor's Fee Waiver (BOGW). An application is available in the Financial Aid Office. Completed BOGW applications and documents of income

sources should be submitted to the <u>Financial Aid Office</u> before your registration materials are submitted. Refer to the Financial Aid section for BOGW eligibility requirements. If you are a new applicant, fill out the BOGW application. You must reapply each academic year for consideration. See the forms section of this class schedule for the application.

**Non-Resident Tuition:** The cost of tuition for <u>international</u> and out-of-state students is in addition to the enrollment fee. If you have questions about residency status, please contact the <u>Admissions Office</u> for assistance.

**Health Fee:** In accordance with the California Education Code and District policy, Cuesta College has a mandatory health fee. Students, excluding those with the exceptions listed, are required to pay the Health fee each term regardless of the number of credits they are taking. This fee is nonrefundable once the term or session begins and is subject to change per local Board action. The health fee is <u>not</u> an eligible tax credit fee

Health Fee Exemptions: (Education Code Section 76355)

- Students enrolled in non-credit courses.
- Students who are taking classes only at the South County Center and off-campus sites.
- Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization to the Student Accounts/Cashier's Office.
- Any student who is attending Cuesta under an approved Apprenticeship Program.

ASCC Student ID Card Fee: The Student ID Card provides a college picture ID for use in campus labs, library, bookstore, and other locations on campus. The fee helps fund student jobs, student activities, critical campus programs and services, as well as providing discounts within the community. Visit the Student Life web site for information on ASCC Student ID Card benefits. This optional fee is nonrefundable/nonreversible once the term or session begins. The ASCC Student ID card is to be purchased/renewed each term, even if a student has already had her or his picture taken. The ASCC card fee is not an eligible tax credit fee.

If the ASCC Student ID card is lost, stolen, or mutilated, the student will be provided, free of charge, one replacement during the student's Cuesta career. For any additional cards there is a \$2 replacement fee. Contact the Student Life and Leadership Office at (805) 546-3289 for picture ID dates, times, and information.

Parking Permit Fee – Parking permits are required and must be property displayed on all vehicles parked on all campus property or roadways. Permits are valid for both San Luis Obispo and North County Campus sites.

Registered students may purchase semester parking permits

78 FALL 2014

on-line through <u>myCuesta/my Web Services</u>. Permits purchased two weeks prior to the start of the semester will be mailed to the address on the student record. All other online permit purchases must be picked up at the Campus Police Office. This fee is nonrefundable once the term or session begins. The parking permit fee is <u>not</u> an eligible tax credit fee.

Visit the Cuesta web site for a copy of the College <u>parking</u> regulations online or at either the San Luis Obispo Campus Public Safety Office in building 6600 or the North County Campus Public Safety Office in building N1035.

Material Fees: Credit and noncredit courses with mandatory material fees are identified in the class schedule and <u>class</u> <u>finder</u>. Fees are charged at the time of registration. This fee is nonrefundable unless the student drops the class on or before the Sunday prior to the start of the term/session for a full-term course or before the first class meeting for a short-term course. SEE CASHIER FOR ADDITIONAL INFORMATION.

#### **Fee Payments**

Students may pay fees, clear incurred debts (with the exception of library fines and parking citations), purchase parking permits or 31-day RTA passes, obtain and file refund forms, and handle other situations as they pertain to student accounts at the Cashier's Office. Credit card payments may only be made online through <a href="myCuesta">myCuesta</a> (Student tab → Direct Links to Registration Services → Pay Fees → View Account.) For tax purposes students are responsible for retaining receipts as a record of fees paid.

The Education Tax Credit benefit is available to Cuesta students who enrolled in credit courses for 2014 and were charged eligible fees. Eligible fees include:

- Enrollment Fee
- Student Center Fee
- Non-Resident Tuition
- Materials Fee

A Form 1098T will be produced for students who were charged eligible fees. A 1098T will not be produced for students whose eligible fees were waived. 1098T information is also available online through an enrolled student's myCuesta.

#### **Registration Fee Payment Policy**

Students will be held financially responsible for fees related to classes not dropped within the refund deadlines. Fees are due at the time of registration and may be paid by mail, in person at the Cashier's Office, or by credit card − online only (VISA, MasterCard, Discover, or American Express). See <a href="myCuesta">myCuesta</a> (Student tab → Direct links to registration for online payments.) Holds will be placed on all records and future transactions for unpaid fees. Students will NOT be dropped from classes for unpaid fees.

Credit card: payments may only be made online through myCuesta (Student tab → Direct Links to Registration Services → Pay Fees – View Account.) Payments of check, money order or cash may be submitted to the Cashier's Offices. Save fee payment receipts for your education tax credit filing.

Mail-in: payments should be addressed to the Cuesta Cashier's Office, PO Box 8106, San Luis Obispo, CA 93403-8106. Payment drop boxes are located outside of the Cashier's Offices for payments made after hours. A \$25.00 service charge will be charged for all checks returned for insufficient funds, stop payments, etc.

**In-Person:** payments by cash, check or money order can be made at the Cashier's Office at either

- San Luis Obispo Campus, Building 3100, Student Service Center, (805) 546-3949
- North County Campus, Building N3000, room N3041 (805) 591-6217

Any unpaid fees will result in a hold placed on the student's records blocking access to future registration, grades, transcripts, and will limit access to certain campus services. Students will NOT be dropped for unpaid fees.

To retain a seat in the class, students are strongly advised to attend the first class meeting. Students, who remain enrolled after the refund deadline, are financially responsible for payment of fees even if they drop the class or are dropped by the instructor after the refund deadline. It is the student's responsibility to drop and add classes. Not attending does not cancel unpaid class fees.

#### **Refunds for Dropped Courses**

Students must submit a written request for a refund to the Cashier. Students may request a form from the Cashier, print an online form, or submit a letter outlining the request. A \$10.00 processing fee is assessed on enrollment refunds initiated by students. A full refund includes enrollment, non-resident, health, ASCC Student ID Card, Student Center and Student Representation fee, material, and parking fees (parking permit must be returned in usable condition). Partial refunds include only enrollment and non-resident fees.

Requested refunds are processed by Higher One, a financial services company. Registered students should receive a Higher One myCuesta Card by mail and then activate the card online. Refunds are disbursed based on the Higher One activation.

Dropped class credits may also remain on the student's account for use toward future registration or other incurred fees.

Students are responsible for updating address information with Cuesta for timely receipt of refunds and other mailings.

**Full Refund:** Students must drop a course by the Sunday before the start of the term to receive a full refund of fees, (less a \$10.00 processing fee) or to cancel unpaid fees. A <u>written request for a refund</u> must be submitted to the Cashier's Office by the end of the fourth week of the term.

Partial Refund: The deadline for dropping courses for a partial refund of paid fees or to cancel unpaid enrollment fees is the second Saturday of the semester. The deadline to apply for a partial refund is the fourth Friday of the semester. Partial refunds include only the enrollment fee (per-unit fee). Students are financially responsible for all other incurred fees if courses are dropped after the semester starts. The last day to drop with a refund deadline is posted in the online Class Finder by clicking on the CRN and appears on an enrolled student's myCuesta Class Schedule/Receipt. A written request for a refund must be submitted to the Cashier's Office by the end of the fourth week of the term.

Military Withdrawal: Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. The student must verify such orders with registration staff at the time of the withdrawal. Copies of these orders must be submitted by the student to the Cashier with a written refund request. Students withdrawing under this college policy will receive a grade of "MW" for each course from which they withdraw and shall be entitled to a full refund of all enrollment fees paid to the college unless academic credit has been awarded.

Administrative Withdrawal/Cancelled Classes: Full refunds will be authorized for students who are withdrawn from courses by action of the College. If the class is cancelled, a written request for a refund must be submitted by the student to the Cashier. Automatic refunds will not be generated. Refund requests for cancelled classes must be submitted within 30 days of cancellation.

#### **Tax Credit**

Cuesta College, in compliance with the Taxpayer Relief Act (TRA) of 1997, Cuesta College will provide each student enrolled at Cuesta during the 2014 calendar year (spring, summer and fall) with a 1098T form. The 1098T form reports enrollment and fee information charged for the 2014 year and is provided to students who were charged eligible fees for credit courses at Cuesta. Form 1098T will not be sent to students whose eligible fees were waived, students who are not U.S. citizens, or students who did not incur eligible debt in 2014 (i.e. BOGW/FA recipients). In January 2015, the form will be sent to the student's permanent address on file with Cuesta at that time.

Students are encouraged to keep their registration receipts to confirm amount of fees paid during the 2014 calendar year, regardless of the term of enrollment. Eligible fees include: enrollment fee, non-resident tuition, student center fee, material fee.

If you have questions about the TRA's Hope Tax Credit and Lifelong Learning Credit:

- · Consult your tax preparer
- Review the information included with the 1098T form

- Access the Cuesta College website Tax Credit Information page
- Access the IRS web site.

#### **Parking Permits**

Visit Paso Express for route and times.

Transfers to the RTA and the Paso Express routes A and B may be made at the North County Transportation Center, located at 8th and Pine Streets, Paso Robles, and transfers to the Atascadero El Camino Shuttle may be made at the Templeton Park and Ride on Las Tablas Road.

#### **Campus Police**

The primary goal of the Campus Police Office is to provide a safe and secure learning and work environment for students, staff, and community.

Campus police officers provide law enforcement response to all reports of criminal activity, respond to medical emergencies for first aid treatment, provide building security, coordinate disaster planning, and enforce parking and traffic regulations.

Livescan Fingerprinting Services are offered Monday through Friday, 10:00 a.m. – 5:00 p.m. on the San Luis Obispo campus.

Free literature on security and safety is available at the Campus Police Office. Escort services are also available.

#### **Drug Free School and Communities Act**

In compliance with the Drug Free School and Communities Act of 1989, Cuesta College provides the following information to all students:

#### Section I

Standards of Conduct that clearly prohibit unlawful possession, use or distribution of drugs and alcohol by students at Cuesta College or at any sponsored activity are:

 Board Policy 6200 and R6200, Standards of Student Conduct.

#### Section II

These actions may be imposed for violations of the policies and procedures listed in Section I:

• Expulsion or suspension of student from campus

#### Section III

Legal sanctions including prosecution under local, state, and federal law are allowed for:

- · Unlawful possession
- Use or distribution of illicit drugs and alcohol

#### Section IV

Among conditions associated with use of illicit drugs and abuse of alcohol are:

- Neurological dysfunctions
- · Psychological dysfunctions
- AIDS
- Hepatitis
- Liver problems
- Cardiovascular system problems
- Behavioral disorders

#### Section V

Alcohol and other drug-related assistance programs are available through referral. For information, call the Student Health Center, (805) 546-3171.

#### **Parking Regulations**

Parking permits are required and must be properly displayed on all vehicles parked on campus property or roadways (CC001). The Cuesta College Police Department also enforces all California Vehicle and Penal Codes. Speeding, failure to stop at stop signs, and other vehicle code violations may result in a court traffic citation and/or a student misconduct report. Enforcement of parking in red zones, handicapped zones, loading zones and 20 minute zones is in effect at all times.

The Cuesta College Board of Trustees has established Rules and Regulations to control traffic and parking on the college campus, as prescribed under Section 21113 of the California Vehicle Code.

#### **Parking Regulations**

- Parking permits are required and must be properly displayed on all vehicles parked anywhere on campus property or roadways, Monday through Saturday when classes are in session. (CC001 Penalty \$39)
- Vehicles are prohibited from backing into parking spaces, taking two spaces, parking over the lines/taking two space, blocking the flow of traffic, or obstructing walkways. (CC008)
- All vehicles must park in the direction of traffic on roadways. (CC006)
- Motorcycles must park in designated area only, and may not park in regular parking zones or on the roadways. (CC006)
- Student parking is not allowed in any portion of the inner campus. (CC006)
- 6. Parking Zones:
  - b) Staff Zones [Green] No student parking allowed. (CC006)
  - Loading Zones [Yellow] Limited to commercial parking, 30 min. max.
  - d) Handicapped Zones [Blue] for Handicapped Parking only with authorized DMV permit and Cuesta parking permit (22507.8 CVC Penalty).
  - e) Red Zones [Red] No parking allowed (CC003).
  - f) 20 Minute Zones [Green] for 20 minutes only (CC003).
  - g) Bus Zone [White] For buses only (CC003).
- No vehicles shall be parked on campus for more than 24 consecutive hours, without prior permission from the

- Cuesta College Police Department. Violating this policy may result in your vehicle being towed at your expense. (CC007)
- Any forgery, tampering, or defacing of parking permits shall invalidate that permit and the permit may be seized (CC002).
- All vehicles with five (5) or more unpaid parking violations that are more than 30 days past due may have an "Auto Boot" installed by Campus Police. In addition, a hold may be placed on a student's transcripts and DMV vehicle registration for nonpayment.

### Transfer/Career Counseling Services Student Completion and Transfer Rates

In five decades of service to the community, Cuesta College has helped thousands of students reach a wide variety of educational goals, including improved foundational skills, transfer to a four-year institution, earned certificates or associate degrees and advancement in the work force.

In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Luis Obispo County Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2009, a cohort of all certificate, degree, and transfer seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cuesta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a completer is a student who attained a certificate or degree or became 'transfer

prepared' during the three-year period from fall 2009 to spring 2012. The completion rate for Cuesta College's 2009-2012 cohort is 30.74%.

Based upon the cohort defined above, students who have completed 60 transferrable units with a GPA of 2.0 or better are considered "transfer prepared." Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming "transfer prepared" during a five-semester period from spring 2010 to spring 2012 are transfer students. The transfer rate for Cuesta College's 2009-2012 cohort is 19.98%.

#### **Guaranteed Admission to a Four-Year University**

Cuesta College has transfer agreements with the following universities:

**UC Davis** 

**UC Irvine** 

**UC** Merced

UC Riverside

UC Santa Barbara

**UC Santa Cruz** 

**Brandman University** 

Columbia College

University of La Verne

To receive guaranteed admission to a university you must:

- Complete a designated number of credits
- Complete a specified set of courses
- Maintain a certain grade point average

Contact the Cuesta College Counseling Office at (805) 546-3138 or the Transfer Center at (805) 546-3162 for more information.

### Career Connections Center/Employment Resources Center

Career Connections provides a centralized location for students to identify and receive information about employment opportunities. The center offers students access to job placement resources including job listings, assistance with resume preparation, interviewing, and other job search strategies and internet resources. Career Connections offers links to practical workplace experience that relates to the educational goals and academic achievement of the Cuesta student. For more information, please call (805) 546-3204.

#### **General Education**

General education is a cohesive pattern of courses intended to serve three purposes: to strengthen students' essential intellectual skills; to broadly introduce students to the core concepts and methods of the major disciplines; and to prepare students to lead enriched lives in our multicultural society. General education courses are distinguished from those required for a major or allowed as freely-chosen electives. Courses in the general education category are "general" in two senses: independently, they survey the core concepts and methods of the discipline in which they are included; and they point, where possible, to the influences and contributions of the discipline to other disciplines, culture, human history, and our quest to understand our universe.

Through this program, students will acquire the ability to think and communicate clearly and effectively, both orally and in writing; to use mathematics and other symbolic systems; to understand the modes of inquiry of the major disciplines; to appreciate the structures and processes of the natural environment; to be aware of other cultures and times; to achieve insights by thinking about ethical and social problems; to understand and appreciate the history of the United States culture and its governing institutions.

#### **Criteria for General Education Courses**

Upon completion of the general education course pattern, in addition to the area-specific outcomes, students should be able to:

- Identify, explain, and analyze the core concepts and methods of the major discipline in which the course is included;
- Identify, explain, and analyze the influences and contributions of the specific discipline to other disciplines, culture, human history, and our quest to understand the universe;
- Organize, integrate, and critically analyze information within the course, using these skills to generate and evaluate alternative perspectives; and
- Lead enriched lives in today's multicultural society.

#### **General Education Categories and Requirements**

#### A. Physical and Life Sciences

After successfully completing courses in this category, students will understand the scientific method and its role in research, analyze problems in a structured way, and develop and employ strategies for solutions using scientific principles. Students will understand the empirical bases for current scientific theories, how those theories develop and change, and how they explain the natural world. Students also will appreciate the influence of scientific knowledge on the development of civilization.

#### **B. Social and Behavioral Studies**

After successfully completing courses in this category, students will understand the theories and be able to employ and evaluate the methods of social science inquiry. Students will be able to analyze and critically assess ideas about the individual, social groups, institutions and society, as well as their interrelationships, structure, and function. Students will

be able to use this knowledge to develop a capacity for selfunderstanding and to understand contemporary issues, conflicts, problems, and their origins.

#### C. Arts and Humanities

After successfully completing courses in this category, students will recognize the value of the great works of the human imagination in a broad context and understand their contribution to human culture. They will be able to analyze and appraise cultural/artistic achievements in verbal and/or non-verbal forms. Since language acquisition is a door to understanding the arts and humanities of other cultures, students who acquire second language skills also fulfill the Category C requirement.

#### D1. Communication in English

After successfully completing courses in this category, students will write or orally deliver effective expository and argumentative discourse with a focus on inquiry as well as persuasion. Students will be able to read and listen critically in order to comprehend and communicate their understanding of the central ideas and rhetorical techniques in the assigned texts. They also will be able to demonstrate an ethical use of various rhetorical techniques in their written and/or spoken work.

#### D2. Analytical Thinking

After successfully completing courses in this category, students will be able to construct and analyze statements in a formal symbolic system, and understand the relationship between the symbolic system and its various applications in the real world. Students will also appreciate the strengths and limitations of the system, its logical structure, and its derivation.

#### E. American Institutions

After successfully completing courses in this category, students will understand the impact of social, political, and economic forces in the historical development of the U.S. Students will be able to employ interpretative skills to analyze historical causes and effects. Students will have an enhanced understanding of the interrelationship among the branches of our government over time. Students will also develop an understanding of U.S. cultural and social diversity, and ethnic, gender, and class conflict.

#### **Diversity Requirement**

After successfully completing the requirement, students will be able to identify, assess, and challenge biased assumptions and behaviors of individuals and societal institutions; analyze inter-group relations within categories of identity, such as race, ethnicity, gender, religion, sexual orientation, class, ability, nationality, or age; and examine struggles of non-dominant groups for power, justice, and access to resources.

#### **Health Requirement**

After successfully completing this requirement, students will

be able to apply a breadth and depth of knowledge that is inclusive of all the dimensions of health (e.g., spiritual, environmental, social, mental and emotional, and physical). The scope and content of the health education course work in this requirement provides the student with the knowledge and problem solving skills essential to evaluate health literature, analyze personal health risks and promote lifestyle choices. This preparation empowers the student to make relevant choices applicable to their genetic, environmental, and health risk factors that ultimately optimize mind/body/spirit health over a lifetime.

- Descriptive and discussion content of the major chronic diseases in the United States.
- Evaluation of individual risk factors for chronic diseases from a genetic, environmental, and lifestyle perspective.
- Descriptive and discussion content about communicable diseases/infections (e.g., STI's, Hepatitis C) including symptoms and prevention.
- Analyzing the influence of environmental and nutritional concepts on food choices.
- Relating diet, exercise, and stress management to prevention of diseases and psychological well being.
- Developing an appropriate physical fitness program that includes cardiovascular conditioning, muscle strength and endurance training, and flexibility.
- Examining the relationship between values and beliefs and mental health. Utilize this relationship to create effective interpersonal communication in relationships, coping, prevention of addictive behaviors and personal safety.
- Analyze and apply spiritual concepts to improve health and wellness.

#### **SMOKING/NON-SMOKING POLICY**

The Board of Trustees of the San Luis Obispo County Community College District is committed to promoting a tobacco-free environment. Effective January 1, 2004, the following regulations (Board Policy 2773) are applicable to employees, students, and the public, and shall be implemented on District sites.

- Smoking any form of tobacco or non-tobacco projects is permitted only in designated areas of District property.
- 2. Designated areas shall be identified by prominent signage.
- 3. Smoking is prohibited in District vehicles.
- 4. The District shall make available to employees and students through the District Health Services a referral list of treatment centers for smokers, and other information on smoking that may assist individuals who wish to stop using tobacco products.
- Communication of this policy/regulation shall be by means of prominently-displayed "No Smoking" signs,

- notices in the College schedule of classes, catalog, web site, and distribution of the policy/regulation to students and employees.
- Enforcement of this policy/regulation shall be in accordance with established procedures for enforcement or other regulations.

#### STUDENT CODE OF CONDUCT

**Board Policy 5500** 

All students attending San Luis Obispo County Community College District at any campus site and when representing Cuesta College in any off-campus activity, assume an obligation to conduct themselves in an acceptable manner compatible with the Student Code of Conduct and Academic Honesty Regulations, and the Student Computer Technology Access Agreement. Specific rules and regulations, and applicable penalties for violation of the Student Code of Conduct (California Education Code Title V, sections 66300, 66301, 76030-76038), are provided in this section. Each student has the responsibility to be aware of college regulations.

#### Scope of Application

The rules apply to all actions of students of the District on District property and at all activities sponsored by the District or registered student organizations, whether occurring on or off the campuses or other instructional sites. Pursuant to Education Code Section 76034, no student shall be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance. Student conduct occurring off campus and not part of a District activity will subject the student to the District's jurisdiction, standards of student conduct, and student discipline process if the student's off-campus conduct is sufficiently related to college attendance, i.e., disruption of the work and discipline of the college has actually occurred from the student's off-campus conduct, or facts exist that reasonably lead to a conclusion by District officials that disruption on campus will soon follow the student's offcampus conduct. In addition, a student's conduct off campus may in certain circumstances by outside the jurisdiction of the District for purposes of the District's discipline process, yet results in adverse action within the student's pre-professional academic program if such program has requirements imposed by law as condition to admission to the profession for which the academic program is preparing the student, e.g. nursing.

The following conduct shall constitute good cause for discipline, including, but not limited to, the removal, suspension or expulsion of a student:

- 1. Violation of District policies, procedures, or regulations.
- 2. Failure to comply with directions of District officials acting in the performance of their duties; disrupting, obstructing, or interfering with the instructional, administrative, disciplinary, or other functions or activities of the District.
- 3. Cheating, plagiarism (including plagiarism in a student

publication), or engaging in other academic dishonesty.

- 4. Dishonesty, forgery, alteration, or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
- 5. Causing, attempting to cause, or threatening to cause physical injury to another person.
- 6. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, which is concurred in by the college president.
- 7. Unlawful possession, use, sale, offer to sell or purchase, or furnishing, or being under the influence of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.
- 8. Committing or attempting to commit robbery or extortion.
- 9. Causing or attempting to cause damage to District property or to private property on campus.
- 10. Unauthorized possession or use of any personal property or equipment of the District.
- 11. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen District property or private property on campus.
- 12. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the college or the District.
- 13. Committing sexual harassment as defined by law or by District policies and procedures.
- 14. Engaging in harassing or discriminatory behavior based on disability, gender, gender identify, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.
- 15. Engaging in intimidation conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and or cyberbullying. "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:
  - a. Placing a reasonable student or students in fear of harm to that student's or students' person or property;
  - b. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health;

- c. Causing a reasonable student to experience substantial interference with his or her academic performance;
- d. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the District.
- 16. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.
- 17. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.
- 18. Unauthorized entry upon or use of District facilities.
- 19. Lewd, indecent, or obscene conduct on District-owned or controlled property or at District-sponsored or supervised functions.
- 20. Engaging in expression which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.
- 21. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
- 22. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.
- 23. Any act which is defined as a felony, misdemeanor or infraction under the laws of the State of California.

Non-students or persons not affiliated with the college who interfere, obstruct, interrupt, or detract from the operation of the college or the promotion of its educational or community objectives are subject to criminal action under the State of California Penal Code, Section 602.10.

#### **Academic Honesty**

Academic Honesty is essential to the academic community. Students expect that Cuesta College faculty be fair, truthful, and trustworthy. Faculty expect that Cuesta College students share these same values. Students who violate these principles by cheating, plagiarizing, or acting in other academically dishonest ways are subject to disciplinary procedures. Below are some examples of academically dishonest behavior. If you are unclear about a specific situation, ask your instructor.

Examples of Academic Dishonesty:

- Copying from another student's exam
- Giving answers during a test to another student
- Using notes or electronic devices during an exam when

- prohibited
- Taking a test for someone else
- Submitting another student's work as your own, e.g. copying a computer file that contains another student's own work
- Knowingly allowing another student to copy/use your computer file(s) as his or her own work
- Completing an assignment for another student
- Plagiarizing or "kidnapping" other people's thoughts, words, speeches or artistic works by not acknowledging them through proper documentation

At the discretion of the instructor, students caught being academically dishonest may receive a failing grade on the assignments in question, be dropped from the class, or be failed in the course. Beyond this, the student may be subject to disciplinary action as determined by the Vice President of Student Services and College Centers or designee. An appeals process is available to the student through the office of the Vice President of Student Services and College Centers. It is recommended that the faculty member report any acts of academic dishonesty to the Vice President of Student Services and College Centers or designee.

#### **GRADUATION REQUIREMENTS:**

#### **Health Education Requirement:**

Cuesta College catalog.

After successfully completing this requirement, students will be able to apply a breadth and depth of knowledge that is inclusive of all the dimensions of health, e.g., spiritual, environmental, social, mental and emotional, and physical. The scope and content of the health education course work this requirement provides the student with the knowledge and problem solving skills essential to evaluate health literature, analyze personal health risks and promote lifestyle choices. This preparation empowers the student to make relevant choices applicable to their genetic, environmental, and health risk factors that ultimately optimize mind/body/spirit health over a lifetime.

- Descriptive and discussion content of the major chronic diseases in the United States.
- · Evaluation of individual risk factors for chronic diseases from a genetic, environmental, and lifestyle perspective.
- Descriptive and discussion content about communicable diseases/infections (e.g., STI's, Hepatitis C) including symptoms and prevention.
- Analyzing the influence of environmental and nutritional concepts on food choices.
- · Relating diet, exercise, and stress management to prevention of diseases and psychological well being.
- Developing an appropriate physical fitness program that includes cardiovascular conditioning, muscle strength and endurance training, and flexibility.
- Examining the relationship between values and beliefs and mental health. Utilize this relationship to create effective interpersonal communication in relationships, coping, prevention of addictive behaviors and personal safety.

#### **CSU TRANSFER CREDITS REQUIRED**

39 lower division *General Education* + 21 *program preparation* (required

by many campuses) or CSU transferable electives

60 transferable credits (minimum)

#### Please Note:

- ☐ You may transfer up to a total of 70 credits from Community College.
- 9 credits of upper division General Education will be required at the CSU.
- □ Areas A1, A2, A3, and B4 are considered the "Golden Four" and must be completed with grades of "C" or higher. Note: High credit programs (i.e. Engineering) may not need Area A3 "Critical Thinking" prior to transfer.

#### CAMPUS REQUIREMENTS

- ☐ Foreign Language: Some campuses require foreign language for graduation. Certain programs may have a foreign language requirement. For specific requirements, consult university catalogs or a counselor.
- ☐ Multicultural/Ethnic Studies: Most CSU campuses have such a course requirement for graduation. Some campuses require that the course be upper division.
- Additional campus specific requirements: See counselor.

#### **GENERAL EDUCATION CERTIFICATION**

Certification refers to official notification from a community college that a transfer student has completed courses fulfilling CSU lower-division general education requirements. Certification will ensure that a CSU campus accepts all your courses in the areas in which the coursework is certified.

Full Certification is given to students who have completed all sections of the CSU General Education Pattern. Students must satisfactorily complete 39 lower-division credits, distributed as follows:

**AREA A: 9 CREDITS:** One course from each group: A1, A2, A3

AREA B: 9 CREDITS: One course from B1, B2 and B4. One lab course required: B3 lab must be taken with or subsequent to corresponding course from B1 or B2

AREA C: 9 CREDITS: Three courses to include at least one course from Arts (C1) and one course from Humanities (C2)

AREA D: 9 CREDITS: Three courses must be selected from at least two different disciplines

AREA E: 3 CREDITS: One course Subject Area (partial) Certification can be granted for one or more completed area (A-E), as outlined above, if all sections of the CSU General Education Pattern have not been completed.

US History, Constitution and American Ideals Certification- All campuses require students to complete college-level coursework in US History, American and California Government. Most campuses allow double-counting of courses taken to meet G.E. and the American Institutions requirements for applicants who are either fully or partially certified. This requirement is met by completing History 207A or 207B and Political Science 202.

You must request certification from Admissions and Records Office during your last term at Cuesta.

## General Education Requirements And IGETC (Intersegmental General Education Transfer Curriculum)

General Education courses are part of the requirements for a university degree. These are courses which are designed to give you an exposure to all major academic disciplines—natural sciences, physical sciences, social sciences, humanities, and the fine arts. Together, general education coursework and major course work make up a baccalaureate degree. Each campus within the California State University (CSU) and the University of California (UC) has its own unique general education pattern. However, students preparing to transfer to a CSU or UC often do not know which system they will attend. In order to facilitate the transfer of students from the California Community Colleges to the CSU and UC system, the IGETC was developed in 1991.

By completing the IGETC at a California Community College, you can transfer to a CSU or UC campus without the need, after transfer, to take additional lower-division, general education courses. The IGETC is most useful for students who know that they want to transfer to a CSU or UC. but who have not yet decided upon a particular system, campus, or major. It is also generally the most appropriate pattern for students who are choosing majors in the humanities, arts, or social sciences, as these majors generally have fewer lower division major requirements than majors in the sciences and engineering.

### Is the IGETC required to gain admission to a CSU or a UC?

No, the IGETC is not an admissions requirement to either system. The IGETC is a way for you to complete a general education pattern that is accepted by the CSU and UC, prior to transfer. Completing the IGETC does not guarantee admission to a particular campus or major. However, for certain colleges and majors, completion of IGETC can improve your chances of admission as a transfer student. Your counselor can help you determine if completing the IGETC is a good idea for you.

#### The Importance of Major Preparation

Major preparation requirements specify the courses you must take to prepare for advanced (upper division) study in your particular major. Completion of major preparation should generally take precedence over completion of general education. Because transfer applicants are evaluated for admission, in part, on the basis of their performance in major preparation coursework, it is important that you investigate the requirements for vour intended major as soon as possible. If your major requires mathematics and science, it is especially important that you complete those prerequisites before you transfer.

Your counselor can advise you about the specific major preparation requirements for the program you select, or you may research them in the General Catalog of the campus you plan to attend. You can visit the public articulation website at <a href="https://www.assist.org">www.assist.org</a> for information about major preparation.

You should begin coursework in your major as soon as you have selected one. Lack of pre-major work may affect your eligibility for your major, particularly, if there are many applicants and a limited number of spaces.

#### When is IGETC not a good choice?

Students who intend to transfer into a major that requires extensive lower division preparation, such as majors in the sciences or engineering may not be well served by completing IGETC.

#### <u>Do all CSU and UC campuses accept</u> the IGETC?

While all CSU's and most UC's do accept IGETC, there are some majors on certain UC campuses which do not accept IGETC. A list of those Colleges can be found at:

www.universityofcalifornia.edu/educators /counselors/adminfo/transfer/advising/ige tc.html

### Is there a GPA requirement for IGETC coursework?

All courses applied to IGETC must be completed with a grade of "C" or higher. A grade of "Credit" or "Pass" may also be used if the community college's policy states that it is equivalent to a grade of C or better.

#### <u>Can Advanced Placement Test Scores</u> be applied to the IGETC?

Yes, an acceptable score ("3" or higher) on the Advanced Placement (AP) test can be applied to the IGETC. See a counselor for details.

### Must all IGETC coursework be completed at the same college?

No, courses taken at more than one community college, or from an accredited college outside of the California Community College system, may be used on IGETC, as determined by a counselor.

### Can a course be used to satisfy more than one IGETC subject area?

No, courses may only be used once even if they are listed in more than one subject area

### Can a course be used both for IGETC and to satisfy a major prerequisite?

Yes. The University will allow courses to count toward both the IGETC and to also satisfy a lower division major requirement.

### <u>Does the IGETC have to be fully completed prior to transfer?</u>

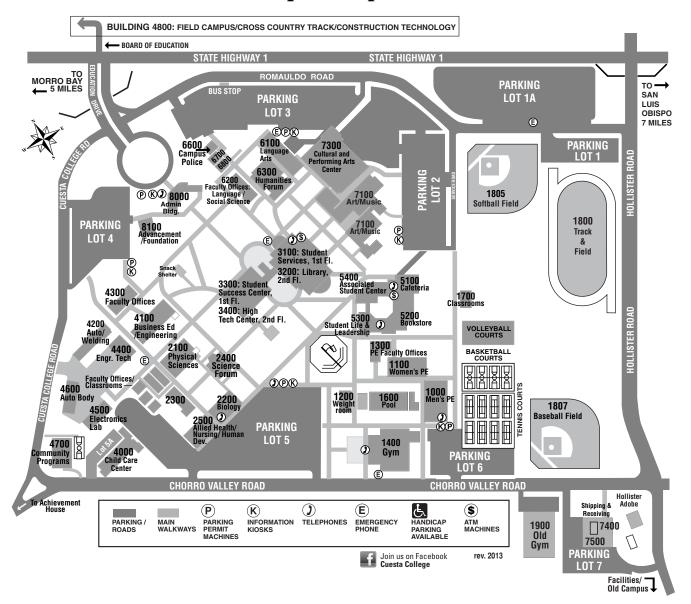

It is strongly recommended that you complete IGETC in its entirety prior to transfer. Completion of IGETC (or a campus-specific general education pattern) may be a part of the transfer admission process for certain campuses and majors. However, a Partial Certification of the IGETC is allowed. Partial certification is defined as completing all but two (2) courses on the IGETC pattern. (Keep in mind that in general, the English and Math portions of IGETC must be completed to meet minimum admission requirements to the university so a student who is missing these courses may not be eligible to a CSU or UC). It is your responsibility to request a partial certification from your community college. Your community college will send the Partial IGETC Certification to the UC or CSU that you will be attending. The CSU or UC will then instruct you as to how you can complete the remaining courses on your IGETC.

### Who certifies that a student has completed the IGETC?

It is your responsibility to request an IGETC certification from your community college. Students who have completed coursework at more than one California Community College should have their coursework certified by the last college attended for a regular term (fall or spring) prior to transfer. You can request certification from a community college that is not your last school of attendance, but it is up to the discretion of that community college to certify.
