

2020-2021 CSU General Education Pattern

CSU GE CERTIFICATION

"Certification" means that Cuesta College has verified that a student has completed the lower-division general education (GE) requirements for the California State University system (CSU). In the CSU system, students will be required to complete 9 units of upper-division general education coursework after transfer.

Certification from a community college is important, because without it, students will be held to the specific CSU GE requirements at the CSU campus to which they are transferring. This typically involves additional lower-division coursework. Once a student is fully "certified" by Cuesta, however, a CSU campus will identify the student as having completed the necessary pattern of lower-division GE requirements, without further need to take additional lower division GE coursework that may be specific to an individual CSU. (Partial CSU GE Certification is also possible; see a counselor for details.)

Coursework from other United States regionally accredited institutions may be applied to Cuesta's CSU GE agreement. Coursework from outside of Cuesta College must first be evaluated by Cuesta to determine appropriate placement for CSU GE. **Courses for A1, A2, A3 and B4 must have a C- or higher.** Courses with a grade of D- or higher can be applied to the other CSU GE areas. (Consult a counselor for details.) A "Credit" or "Pass" that is defined by institutional policy as being equivalent to a grade of "C-" or higher may be applied to meet CSU GE requirements for Area A1, A2, A3 and B4. A "Credit" or "Pass" that is defined by institutional policy as being equivalent to a "D-" or higher may be applied to CSU GE requirements for Areas C, D and E.

It is the student's responsibility to request certification of CSU GE, with the exception of those students who are earning an Associate Degree for Transfer (AA-T or AS-T), in which case Certification is automatic because it is required as part of the degree.

Requests for certification are available from the Graduation Link in the student's MyCuesta Pathways Worksheet, or at: <https://www.cuesta.edu/student/studentservices/admrrreg/gradready/index.html>

APPLYING TO THE CSU

Applications to the CSU are available online at www.calstate.edu. Many campuses are at or approaching full capacity in a number of academic disciplines, so are likely to close to applications after the priority filing period. Campuses which are less impacted may accept applications past the priority filing period.

Students are encouraged to attend an application workshop during the months of October and November.

PRIORITY APPLICATION FILING PERIODS

Fall Term: October 1 – November 30. Spring Term: August 1-31st. Not all campuses accept applications for the Spring term. Consult a counselor for details.

Cal Poly San Luis Obispo is the only CSU campus on the quarter system. Applications are accepted for Fall quarter only during the Fall application filing period.
