Work Experience Verification Form

Applicants are required to have 1,000 hours of 9-1-1 field experience working in an EMS environment that will better prepare them to be a team leader in their career. This includes 9-1-1 ambulance and most fire agencies. Lifeguard, emergency room, hospital transport, wildland firefighter or other experience does not meet application requirements.

Please have your employer complete this form. Attach to your online application and submit with your online application.
