

'Clery Act' Required Policy Statements and Compliance Measures

Daily Log Requirement: The Cuesta College Police Department maintains a Student Right To Know Daily Log that is available for public review. This log contains a record of all crimes reported to the department, and provides the nature of the initial complaint, the date and time reported, and the general location of the incident, the disposition of the incident and displays the identification number(s) assigned to the incident. The log is available for review at the Cuesta College Police Department from 08:30 AM to 5:00 PM, Monday through Friday.

Crime Reporting Procedures: All members of the campus community are encouraged to report crimes which occur on the campus to the Cuesta College Police Department; ideally as soon as possible following discovery of the offense. A phone report of a crime is initially received at the campus dispatch center by a Police Dispatcher. The dispatcher classifies and prioritizes each request for service following established criteria, and dispatches the appropriate resource. Remain calm and speak clearly when talking to the Dispatcher. The Dispatcher will ask questions to gain as much information as possible. It's important for the Dispatcher to determine; What happened? Where it happened? When it happened? Is/was a weapon involved? Is/was a vehicle involved? What did the suspect look like? Is the suspect still there? Was anyone injured?

In the case of a reported crime, a Cuesta College Police Officer will then respond, investigate and may complete a written report. He or she may completely investigate the incident, including the arrest of the responsible party, or may conduct an initial investigation and forward the case to detectives/investigators for further action. Criminal charges, if warranted, are either filed directly with the courts or through the District Attorney's Office.

Where to report any emergency: 3-9-1-1 is the on-campus emergency number to report any Police, Fire or Medical emergency, or to report any incident in progress involving real threat to life or property on the San Luis Obispo Campus.

4-9-1-1 is the on-campus emergency number to report any Police, Fire or Medical emergency, or to report any incident in progress involving real threat to life or property on the North County Campus.

Dialing 3-9-1-1 or 4-9-1-1 from any phone on campus, activating any call box emergency phone, or activating any elevator emergency phone on campus will reach the Police Dispatcher at the Cuesta College Police Department.

In an emergency you may also dial 911 from your cellular telephone and you will be routed to the San Luis Obispo Sheriff's Department who will direct and provide emergent law enforcement services to you.

Confidential Reports of Crimes: Persons who wish to make voluntary, confidential reports of crime may also do so by calling Crimestoppers at 805-549-STOP (549-7867), by accessing the Crimestoppers webpage at <http://sanluisobispocounty.crimestoppersweb.com>, or by texting "SLOTIPS (plus the message)" to CRIMES (274637).

Access to Campus Facilities: Campus facilities are provided primarily for the education-related needs of enrolled students. Persons without a lawful purpose may be removed from the campus per Penal Code section 626.6.

Security Considerations Used In Maintenance: Cuesta College takes appropriate precautions to provide security during maintenance of facilities. Routine maintenance of facilities is primarily by full-time Cuesta College employees.

All members of the campus community are encouraged to report maintenance needs such as burnt-out street or parking lot lights, landscaping that needs trimming for safety reasons, or any other deficiency directly to the campus Work Control Center at 546-3283. Facility Services staff, including custodial workers, landscapers and members of the building trades participate in a cooperative relationship with the campus community to promote and maintain a safe campus environment.

Enforcement and Arrest Authority of Campus Law Enforcement Officers: Officers of the Cuesta College Police Department are California Peace Officers per Penal Code Section 830.32. They possess the same authority and powers, including the authority to arrest, as do Police Officers and Deputy Sheriffs in other areas of the state. Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical and fire emergencies, traffic accidents, as well as other incidents that require police assistance. **Working Relationship with Other Law Enforcement Agencies:** Cuesta College Department enjoys an excellent rapport and effective relationship with allied law enforcement agencies. By agreement, should a major crime occur on campus that exhausts the resources of the Cuesta College Police, the San Luis Obispo Sheriff's Department shall be asked to assist with their resources. All other crimes are routinely investigated by members of the Cuesta College Department.

Alcohol and Other Drug Philosophy: Cuesta College is dedicated to providing the best academic and professional experience that can be offered to its students, faculty and staff. The use of illegal drugs and the abuse of alcohol are known to be at cross-purposes to this mission and are not tolerated on campus. Cuesta College is fully committed to achieving an Alcohol and Other Drug (AOD) free environment for its students and employees. Education and support for those who have questions or problems related to AOD are available and strongly encouraged. Academic, personal and professional success is Cuesta College's goal for all of its students, faculty, and staff. This goal cannot be achieved if AOD's are allowed to hinder each person's natural abilities. Use of alcohol at Cuesta College is strictly prohibited.

Standards of Conduct: Cuesta College employees and students are expected to comply with campus rules and regulations at all times, including student-sponsored social activities, professional meetings attended by employees, and school-sponsored off campus activities. Cuesta College expressly prohibits the manufacture, use, sale, purchase, transfer, or possession of dangerous drugs or narcotics, as those terms are used in California statutes, except when lawfully prescribed for medical or dental care, or when lawfully permitted for purposes of research, instruction or analysis. This includes marijuana, cocaine, heroin, and morphine, as well as barbiturates and amphetamines. In addition, campus regulations prohibit students or employees from being under the influence of any legal or illegal drug while on campus, with the exception of legally prescribed medications which do not adversely affect the student's or employee's work ability, job performance, or the safety of that individual or others.

Where to Obtain Information About Registered Sex Offenders Who May Be Present On Campus: Convicted sex offenders are required by law to register with the law enforcement agency having jurisdiction where the offender lives. Convicted sex offenders are also required to register with the Cuesta College Police Department if they are enrolled as a student of the College, employed by the College (either full-time or part time, including paid employees or volunteers), or working or carrying on a vocation at the College (e.g. contractors) for more than fourteen days or for an aggregate period exceeding thirty days in a calendar year. In addition, Megan's Law makes information on "serious" and "high-risk" sex offenders in their local community available to adults and organizations.

The information available regarding a registered sex offender includes:

- name and known aliases;
- age and sex;
- physical description, including scars, marks and tattoos;
- photograph, if available;
- crimes resulting in registration;
- county of residence;
- zip code (based on last registration).

The Cuesta College Police Department does not maintain a public database of registrants at Cuesta College. Information regarding registered sex offenders on campus may be obtained by viewing the Megan's Law web site: www.meganslaw.ca.gov. An offender's campus involvement will be listed as a secondary registration location.

Legal Sanctions: All criminal cases will be forwarded to the Cuesta College Police Department for investigation. When appropriate, cases shall be referred to the District Attorney's Office or the San Luis Obispo Superior Court for criminal prosecution.

Crimes at Related Off-Campus Locations/Organizations: Crimes reported as occurring at locations outside the physical boundaries of the College are generally investigated by the agency having enforcement jurisdiction over the location. Statistics for non-campus buildings or property are requested by the College, and are published when available. Other Police agencies are not required to provide the requested information.

Campus Sexual Assault Policies: Cuesta College, as an institution, recognizes the serious issues concerning sexual assault on members of the campus community. It is College policy that, with the consent of the survivor, all reported instances of sexual assault will be investigated and appropriate disciplinary, criminal and/or legal action taken. (Survivor refers to the survivor of a sexual assault, whether male or female. Survivor is used rather than victim to denote the positive, potentially healing strength of the individual who was assaulted.)

Cuesta College remains committed to empowering the survivors of sexual assault by providing ample supportive services, and encouraging their exercise of choice of action. Cuesta College will endeavor to support all survivors of sexual assault, regardless of their decisions to seek criminal prosecution of offender(s) or disciplinary action on campus. If requested by the survivor, College personnel will assist the survivor in notifying the appropriate law enforcement authorities.

Cuesta College is bound by the State statute to uphold the right to confidentiality of any survivor who contacts the College to report an incident of sexual assault. The College will not take any action without the survivor's consent, prior knowledge, and/or permission. Any violation of the California Code of Regulations, Title 5, Section 41301, by a student or recognized student organization, and any violation of faculty or other employee codes of conduct concerning sexual assault will be investigated for possible disciplinary and/or legal action. Legal Precedence, Definition and Classification of Sexual Assault: Effective January 1, 1991, Assembly Bill 3098 (Chapter 423, Statutes of 1990) added language to the Donahue Higher Education Act requiring

postsecondary institutions in California to adopt specific procedures and protocols to provide treatment and information to survivors of sexual assault on campus or in campus-affiliated locations. California Penal Code Sections 220, 243.4, 261, 264.1, 286, 288 and 289 define sexual assault as any sexual act or attempted sexual act in which a person is threatened, coerced, or forced to comply against his or her will, or he or she is incapable of giving consent or is unconscious of the nature of the act. Additional descriptions of sexual assault (excerpted from the California Penal Code) are defined as: Sexual battery is any unwanted touching of intimate body parts. Rape is forced sexual intercourse that is perpetrated against the will of the survivor or when she/he is unable to or incapable of giving consent (e.g., unconscious, asleep, or under the influence of alcohol or drugs) and may involve physical violence, coercion, or the threat of harm to the individual; Rape is complete at the point of penetration no matter how slight that penetration. Acquaintance rape involves rape by a non-stranger which could include a friend, acquaintance, family member, neighbor, or co-worker; Date Rape involves rape by someone with whom the survivor has been or is a voluntary companion. Gang rape is rape by more than one person; Acquaintance gang rape involves rape by more than one person, at least one of whom is known to the survivor;

* The Campus Security Act was amended in 1998. Any marked increase across years or in the revised statistics from previous years can be accounted for by the fact that the geographic boundaries for reporting were greatly expanded in 1998, and reporting of drug, alcohol, and weapons violations has also been broadened to include not only arrests, but also disciplinary referrals.
