

Counseling and Instructional Liaisons with Local Area High Schools

Evidence/Contacts 2012

Compiled by: Cande Munoz, Teri Sherman

Greetings Zach, Matt, Bobbi, Pam, Dawn, Monica, John, Gary, Ronald and Richard,

Thank you for your willingness to be part of our high school outreach team to Arroyo Grande High School. I have been in touch with Robyn Ramsay, the AGHS counselor that works with the senior class, to let her know that you are willing to visit the high school and bring information to the students about your program areas. She was very excited about the possibilities of this outreach.

I am planning to go to AGHS on January 8th or 9th, 2013 to set up a table at lunch time and present to seniors in the English classes, and I am anticipating I will be there from 10:00-3:00. If any of you are free to join me please let me know. If I hear of any other events at AGHS that would be appropriate for us to be involved in, for example a career day or college fair, then I will let you all know. Otherwise, it would be great if you would contact Robyn directly to speak with her about any other outreach possibilities.

Robyn Ramsay's contact information:

Phone- 474-3200 ext. 2295

Email- r Ramsay@lmusd.org

I look forward to meeting each of you and working together on this outreach.

Sincerely,

Kate Porter
Counselor, Cuesta College
Career Transfer Center

Subject: Outreach to local high schools

Hello Faculty: I am the liaison counselor to Morro Bay High School and it is my understanding that you will be representing your area in outreach efforts through this academic year.

Morro Bay High School had their "college night" where I represented Cuesta College in September. If they have a "career fair" in the spring semester I will let you know when that might be as soon as they inform me of a date. If they don't have a career fair I will consider setting up a time for Cuesta programs to be available in their career center for students to access. I will coordinate with each of you the times/days that work best for you. Be aware that the noon hour will probably be the best time for us to be there and reach the most students. Stay tuned for more information and please contact me if you have any questions.

Julie Smith

Counselor

Cuesta College

I just received another email from Gary Rubin. It appears that it has to do with the faculty visits to the high schools not just the Counseling liaison. I will be attending as needed.

Subject: Faculty Visits to Shandon

Hi Cindy,

I've asked several North County Campus faculty to participate in the outreach visits to Shandon High School. As they respond affirmatively, I will copy you on my reply to them. Please contact each faculty member who volunteers and give them more information about what is expected, as my explanation was fairly brief.

If it gets to where more than a handful volunteer, please let them know what other North County high schools you could use them at.

Thank you for your work on this.

Gary

Gary J. Rubin, J.D.

Executive Dean of the North County Campus
and South County Centers

This looks perfect! You guys will have the entire floor that night. One small change. :) We changed the date of this night to Wed April 10th so that it is scheduled prior to the assessment and orientation dates.

p.s Is there a Spanish speaking counselor who could join you guys to answer questions for any of our Spanish speaking parents?

Heidi Leal
Counselor (AVID and EL)

Heidi-

Attached are two presentations (both need to be updated with new information). The "Jr. College Nigh" presentation contains general Community College information. The "SLOHS Cuesta Presentation" was what we put together (very quickly) at Mr. Vegher's request last year. We'd be happy to present either or a combination. Let me know.

Also, did you find out which date worked better for your AVID class; either January 30th or February 6th? What time did you want us to be there, how long will we have, and what topics do you want us to cover?

Catherine
