Dear International Students,

Congratulations on making the decision to further your education. We thank you for your interest in Cuesta College and hope that you are looking forward to being with us as much as we are looking forward to having you here.

The faculty and staff of Cuesta College are committed to supporting student success. Last year Cuesta College had over 40 students from 16 different countries. Many other international students have graduated, improved their English and transferred to a university. The college is accredited by the Western Association of Schools and Colleges (WASC). Program courses to four-year college and university work are accepted by all WASC member institutions and other colleges and universities in the United States.

You are about to embark upon an exciting new adventure with the potential for great intellectual and personal growth. We hope that you are looking forward with enthusiasm to joining our campus life at Cuesta.

On behalf of the college and our campus we would like to welcome you to our website and the following pages specifically designed for International Students. We trust you will find this information helpful in introducing you to our different majors and student services at Cuesta College.
