We meet at the Steamer's Restaurant, a large waterfront building located at 160 Price St, Pismo; our meeting starts at 12:10 and starts with a short Rotary business meeting; then we break for lunch. After we are well into lunch and mostly finished, Dr. Stork will be introduced and then have about 20 minutes for his presentation.

Next, I obtained from the Tribune about 40 copies of the "Cuesta College Turns Fifty" tabloid, and will arrive early and have them at the meeting and distributed amongst the tables where our members will be seated.
