Online Training and Resources for Faculty

Training is available on-campus or online. These resources are available to all faculty to help you gain new skills for teaching in our Learning Management System or improving your teaching skills in general.

Online Teacher Certification Courses:

12-week online facilitated course; offered every semester; the online course starts the second week of eachsemester.

Preregistration is required! Email cwilshus@cuesta.edu to register. [Complete the request form](#)

Prior to teaching online instructors are required to meet teaching qualifications according to [AP4105](#) and the [Collective Bargaining Agreement](#) (recommended to complete training two semesters prior to assignment).

Webinar Series:

Latest trends one hour online webinars. [View Webinar Archives.](#)
