

credit is subject to appeal)

- Completion of the CSU GE with an overall minimum GPA of 2.00, or
- Completion of IGETC (minimum grade of “C” required in all coursework), or
- Completion of Cuesta AAGE with a minimum overall GPA of 2.0
- 18 semester credits of coursework in one of the following Areas of Emphasis with grades of “C” or better:
 - Arts and Humanities
 - Science
 - Social and Behavioral Sciences

For Depth, two courses must be from a single discipline

For Breadth, at least three disciplines must be selected

Associate Degrees for Transfer (ADT)

A Degree with a Guarantee

Cuesta College offers Associate Degrees for Transfer to the CSU. This includes Associate in Arts (AA-T) and Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. Cuesta College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific or campuses, but can make you more competitive.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120 semester credits baccalaureate degree within 60 semester or 90 quarter credits.

To view the most current list of Cuesta College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements:

- (1) Completion of 60 semester credits or 90 quarter credits that are eligible for transfer to the California State University, including:
 - (A) The California State University General Education Breadth Requirements (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC), and
 - (B) A minimum of 18 semester credits or 27 quarter credits in a major or area of emphasis, as determined by the community college district.
- (2) A minimum overall grade point average of 2.0 in all CSU-transferable coursework.

- (3) A “C” or better grade or a “P” grade if the course is taken on a pass/no-pass basis, in all courses required for the major or area of emphasis. External exams such as Advanced Placement, etc. are not subject to this grade restriction.

Per SB 1440 guidelines, students earning Associate Degree for Transfer are exempt from having to satisfy Cuesta’s local general education/graduation requirements and local residency requirements.

Consult with the Cuesta College Transfer Center for mandatory application, evaluation and notification deadlines.

Important Information for Transfer-bound Students

Earning an associate degree may not guarantee transfer readiness into a particular CSU or UC campus or major. Consult with an academic counselor for details and a thorough evaluation of your transferable credits, grade point average, and lower division major preparation.

Required Records for Degree Evaluation

Cuesta College incorporates all associate degree applicable coursework from all regionally accredited institutions attended, into overall totals for the degree.

Official transcripts are required from all post secondary institutions attended. Incomplete or missing transcripts and other records will cause the degree to be denied.

Official documentation is required for Advanced Placement scores and other sources of alternative education.

Any foreign credentials must be independently evaluated and the official independent evaluation submitted to the Evaluations Office. Academic Credentials Evaluation Institute, Inc. (ACEI) is the preferred provider for independent evaluation of foreign credentials (<http://www.acei1.com>), and a “comprehensive” evaluation is required.

CUESTA GENERAL EDUCATION

General education is a cohesive pattern of courses intended to serve three purposes: to strengthen students’ essential intellectual skills; to broadly introduce students to the core concepts and methods of the major disciplines; and to prepare students to lead enriched lives in our multicultural society. General education courses are distinguished from those required for a major or allowed as freely chosen electives. Courses in the general education category are “general” in two senses: independently, they survey the core concepts and methods of the discipline in which they are included; and they point, where possible, to the influences and contributions of the discipline to other disciplines, culture, human history and our quest to understand our universe.

Through this program, students will acquire the ability to think and communicate clearly and effectively both orally and in writing; to use mathematics and other symbolic systems; to understand the modes of inquiry of the major disciplines; to appreciate the structures and processes of the natural environment; to be aware of other cultures and times; to achieve insights by thinking about ethical and
