

ASSOCIATE DEGREES AND CERTIFICATES

To apply for an associate degree or certificate, complete the Cuesta College Associate Degree Application or the Cuesta College Certificate Application. An official evaluation of your records will be completed to determine if you have met your stated degree or certificate requirements. You may be automatically awarded degrees and/or certificates for which you have met the requirements but have not yet applied. You will be notified when your records have been evaluated.

Degree candidates are encouraged to participate in the Cuesta College Commencement Ceremony which takes place each May on the San Luis Obispo campus. Commencement information is available on the Evaluations Office website, in the Commencement channel in myCuesta student portal or commencement website at <http://bit.ly/cuestagrad>

Catalog Rights

Catalog rights allow a student the ability to self-identify a particular catalog year which he or she will fulfill the published requirements for a particular degree or certificate. Catalog rights protect students from being unfairly disadvantaged when degree or certificate patterns change from one catalog year to the next. Thus, students may choose to graduate under catalog requirements in effect during the academic year they first enroll at Cuesta, or, during any preceding catalog year during the time of their continuous enrollment at Cuesta College. Continuous enrollment is defined as enrollment at Cuesta during at least one fall or spring term each academic year. Students who are not enrolled at Cuesta for two regular consecutive semesters (e.g. fall and spring) must follow degree and certificate requirements in effect at the time of their re-enrollment at Cuesta College. Students who are no longer enrolled at Cuesta College, but wish to obtain an active degree or certificate will need to fulfill the current degree/certificate requirements.

Associate Degrees for Transfer (ADT)

A Degree with a Guarantee

Cuesta College offers Associate Degrees for Transfer to the CSU. This includes Associate in Arts (AA-T) and Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. Cuesta College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific or campuses, but can make you more competitive.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120 semester credits baccalaureate degree within 60 semester or 90 quarter credits.

To view the most current list of Cuesta College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements:

- (1) Completion of 60 semester credits or 90 quarter credits that are eligible for transfer to the California State University, including:
 - (A) The California State University General Education Breadth Requirements (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC), and
 - (B) A minimum of 18 semester credits or 27 quarter credits in a major or area of emphasis, as determined by the community college district.
- (2) A minimum overall grade point average of 2.0 in all CSU-transferable coursework.

- (3) A “C” or better grade or a “P” grade if the course is taken on a pass/no-pass basis, in all courses required for the major or area of emphasis. External exams such as Advanced Placement, etc. are not subject to this grade restriction.

Per SB 1440 guidelines, students earning Associate Degree for Transfer are exempt from having to satisfy Cuesta’s local general education/graduation requirements and local residency requirements.

Consult with the Cuesta College Transfer Center for mandatory application, evaluation and notification deadlines.

Important Information for Transfer-bound Students

Earning an associate degree may not guarantee transfer readiness into a particular CSU or UC campus or major. Consult with an academic counselor for details and a thorough evaluation of your transferable credits, grade point average, and lower division major preparation.

Required Records for Degree Evaluation

Cuesta College incorporates all associate degree applicable coursework from all regionally accredited institutions attended, into overall totals for the degree.

Official transcripts are required from all post secondary institutions attended. Incomplete or missing transcripts and other records will cause the degree to be denied.

Official documentation is required for Advanced Placement scores and other sources of alternative education.

Any foreign credentials must be independently evaluated and the official independent evaluation submitted to the Evaluations Office. Academic Credentials Evaluation Institute, Inc. (ACEI) is the preferred provider for independent evaluation of foreign credentials (<http://www.acei1.com>), and a “comprehensive” evaluation is required.

CUESTA GENERAL EDUCATION

General education is a cohesive pattern of courses intended to serve three purposes: to strengthen students’ essential intellectual skills; to broadly introduce students to the core concepts and methods of the major disciplines; and to prepare students to lead enriched lives in our multicultural society. General education courses are distinguished from those required for a major or allowed as freely chosen electives. Courses in the general education category are “general” in two senses: independently, they survey the core concepts and methods of the discipline in which they are included; and they point, where possible, to the influences and contributions of the discipline to other disciplines, culture, human history and our quest to understand our universe.

Through this program, students will acquire the ability to think and communicate clearly and effectively both orally and in writing; to use mathematics and other symbolic systems; to understand the modes of inquiry of the major disciplines; to appreciate the structures and processes of the natural environment; to be aware of other cultures and times; to achieve insights by thinking about ethical and
