Student Education Plan (SEP)

A **Student Education Plan (SEP)** is a planning tool that you and your counselor create together based on your future academic and career goals.

*Effective Fall 2014 **Priority Registration** (/student/student-services/admrrreg/arpolicies/priority_reg.html) will be given to students who work with a counselor to develop a Student Education Plan, succeed in their classes and stay on track.

Abbreviated SEP: While completing the **Online Orientation** (/student/student-services/orientation/OnlineOrientation.html), students will participate in an interactive activity of planning their first semester classes.

Comprehensive SEP: Outlines a semester by semester plan of suggested course to take based on major, transfer plans and sequence of courses.

- **SEPs can only be completed during a scheduled counseling appointment**
- **Be sure to complete your SEP with a counselor during your first or second semester at Cuesta.**
- **The Comprehensive SEP is a participation requirement for the following programs:**
