### COVID-19 Information for Fall 2020 Transfer Applicants

Dear Cuesta Student,

We know the current pandemic has brought about many changes in your education and lifestyle. The situation has prompted concerns about P/NP grading and the completion of coursework, especially for those planning to transfer to a university Fall 2020. We want to encourage students who are transferring Fall 2020 to complete the courses reported on your application. If you are unable to complete your spring courses or have questions regarding your university admission, please contact that university admissions office directly. If you have any questions after contacting your university admissions office, please do not hesitate to contact us.

Please check out the [Frequently Asked Questions \(/student/documents/transfer\\_center/FAQTransferCOVID.pdf\)](/student/documents/transfer_center/FAQTransferCOVID.pdf) page for more information related to CSU & UC transfer and COVID concerns.

Wishing you good health and a successful end to your spring semester.
