Why do we have ASCC Officers?

ASCC Officers are tasked with representing the student voice on campus so that administrators, faculty and staff better understand the needs and concerns of the student body. They are members of campus-wide committees, attend [conferences \(/student/images/ascc-images/events/2016CCCSAA.jpg\)](#) to refine their advocacy and leadership skills, plan events and hold meetings every week in which they discuss issues that are relevant to student life.

They need student feedback! Our current student officers and their contact information is listed below. You can also attend one of their [meetings \(/student/campuslife/stugovernment/index.html\)](#), come by the Student Life and Leadership Office (building 5300) during their office hours or give feedback anonymously through an ASCC Suggestion Box.

ASCC suggestion boxes are in the following locations:

- Just inside the electric cafeteria doors
- The Student Success Center lobby
- In the library next to the printers.

Suggestion boxes are emptied on a weekly basis and all feedback will be read by the ASCC President and ASCC Advisor, Dr. Anthony Gutierrez.
