

STUDENT SERVICES

Dear Students,

Exciting News! Starting this Spring 2019, you are eligible to register in transfer-level math and English classes regardless of any placement you have received in the past. View the Spring 2019 [class finder](#) on October 26, 2018.

If you have any questions about the classes that are right for you, please see a counselor or talk with your Math or English teacher. [View Counseling Hours and Locations](#)
