Melissa Richerson

Tonya Leonard

Glenda Moscoso

Jan Romanazzi

Hunter Perry (CCCUE Rep)

Maria Escobedo (CCMS Rep)

Beth Johnson (CCFT Rep)

Rick Staley (CCFT Rep)

Presentation (10 minutes):

Student Health Services data over the last two academic years, is illustrating a significant increase in students exhibiting mental health, depression and other stressors impacting their ability to stay focused in the classroom. Please outline programs and services you would develop and implement and strategies you would employ to educate faculty, student services and other campus based groups on effective ways to support students dealing with these issues. The hiring committee will serve as your audience.
