

BIRDS OF CUESTA COLLEGE

& THEIR BEHAVIORS

FACULTY LECTURE SERIES

WITH RON RUPPERT

THURSDAY MARCH 19, 2020

NOON-12:50PM | SAN LUIS OBISPO CAMPUS ROOM 2204

JOIN US TO DISCOVER THE FASCINATING WORLD OF BIRDS ON CAMPUS!

In many places there is mature vegetation that supports a diversity of bird species. How many species are there? What are the common birds on the campus? What are they doing? We will attempt to answer some of these interesting questions.

ABOUT THE SPEAKER

Ron Ruppert is Division Chair of Biological Sciences. He has been teaching at Cuesta College since 1978. He is a past president of the local Audubon Society and a founding member of the Central Coast Biological Society founded in 1986. He has had a life-long passion for Natural History.
