### COLLEGE COUNCIL

**Description:** College Council is a central committee that acts as an advisory group to the Superintendent/President for Board policies, administrative procedures and district goals, plans and priorities. It is a communication vehicle for recommendations and proposals that come through the participatory governance system and serves as a clearinghouse for college-wide information. College Council is responsible for approving new college-wide committees and revisions to existing college-wide committees, acknowledging and reviewing initiatives and end-of-the-year assessments from specified content committees, conducting and analyzing the faculty hiring prioritization process, providing new program development recommendations to Planning and Budget and the Academic Senate, providing new restrictive fund faculty recommendations to Planning and Budget and reviewing proposals and making recommendations for program revitalization, suspension, and/or discontinuance.

**Composition:** *The appropriate committee members will select the committee chair or co-chairs. For example, faculty on the committee will select who the faculty chair or co-chair will be, and the same for administrators and classified. The only exception is if a stakeholder group leader has appointed the chair or co-chairs, or the committee chair or co-chair responsibility is one of the job requirements of a committee member.*
