C-ID Course Outline Submission and Review Login

For Articulation Officers - Log in using the username and password provided to your college articulation officer. Once logged in you will be able to submit course outlines for review against C-ID course descriptors. Please read the [AO Guide to Submitting Course Outlines](#) for C-ID Designation document. This document will guide you through the steps of submitting courses for C-ID designation as well as provide relevant policies and course review information. Please note that this document will be updated as technology improvements are made and/or to reflect any policy changes or additions. You can now access the most current training [PowerPoint](#) regarding submitting course outlines to C-ID.

Want to appeal a decision? Please read the [C-ID Appeals Process](#) document.

For Course Reviewers - Log in using your assigned username and password. Forgot this information? Email support@c-id.net and you will receive an email containing your username and password. Once logged in you will be able to view the list of courses you have been assigned to review by clicking on your username in the upper right corner of the website landing page. Click here to [View Reviewer Instructions](#) which will guide you through the course outline review process.

You can now view a list of our most [Frequently Asked Questions](#) (FAQ) from C-ID course reviewers (COREs).

For Primary Reviewers - Log in using your assigned username and password. Forgot this information? Email support@c-id.net and you will receive an email containing directions to change your password. Once logged in you will be able to view the list of courses you have been assigned and the ability to assign faculty reviewers to those courses. Click here to [View Instructions](#) to guide you with assigning reviewers and other important primary reviewer functions.

Resources for Course Reviewers and Primary Reviewers – Click here to review the [C-ID Norming and Training Resource for Course Outline of Record \(CoR\)](#) Primary Reviewers and Regular Faculty Reviewers. In addition, you may click here to access [a training PowerPoint](#) which will guide you through the online review process and the technical steps necessary to review courses. Primary Reviewers can access the most recent Primary Reviewer Training Webinar [here](#).
