

Cuesta College Dual Enrollment HIGH SCHOOL STUDENT GUIDE: APPLYING TO DUAL ENROLLMENT PROGRAMS

Are you a new Cuesta College student?

- ▶ Apply to Cuesta by scanning the QR Code.

Are continuing high school students required to reapply to Cuesta College?

- ▶ You will need to reapply if you have **not** been registered in Cuesta College courses for at least **two major terms**.
 - ▶ What is a "major term?"
 - ▶ Major terms are terms like our Fall and Spring Semesters. Our summer session does not count in this timeline.
- ▶ To verify if you need a new admissions application for the term you wish to take courses, scan or click on the QR code to verify your registration status.

Do I need to submit a Dual Enrollment Permit to Enroll (PTE)?

- ▶ If this is your first time taking classes as a high school student, then yes!
- ▶ If you have submitted a PTE for Enrichment or CCAP classes before, then you do not need to submit another PTE.
