## FEATURED INSTRUCTOR

**GAYLE RAPPAPORT-WEILAND** brings the same originality, enthusiasm, energy and heart to her paintings as she does to her life. Using rule-breaking techniques that set her apart from the crowd, she creates beautiful impressionistic works, using watercolor, acrylic and mixed media. Gayle recently became a certified Golden Artist Educator after participating in an intensive series of trainings on painting techniques, products and teaching tools. She is looking forward to bringing these Golden tips and tricks to the classroom this fall.

Coined the energizer bunny of the art world, Gayle relishes sharing her knowledge and passion for the limitless world of art with people of all ages. Her ability to express shades of mood and feeling through her work, coupled with her professionalism and contagious excitement, ensures that both her students and art clients receive a successful and positive art experience. Before moving to the Central Coast full time in 2016, Gayle was voted Best Visual Artist by the Sacramento News and Review and one of the "Favorite Visual Artists" by Sierra Style Magazine 7 years in a row.

Gayle will be teaching three classes this fall at Cuesta College Community Programs. Check them out!
