

TechSmith Image & Video Capture Software

TechSmith screen capture software provides applications which allows you to easily create and share images and videos.

All Cuesta employees have free access to three TechSmith products that provide efficient and effective image and video creation opportunities, including: Camtasia, Knowmia, and Snagit. Employees can download Camtasia and Snagit on up to two devices per user. One at home and one at work, or two at either home or work.

To learn more about each product please refer to the tutorials below:

- Camtasia Tutorials: <https://www.techsmith.com/tutorial-camtasia.html>
- Snagit Tutorials: <https://www.techsmith.com/tutorial-snagit.html>
- Knowmia Tutorials: <https://www.techsmith.com/tutorial-knowmia.html>

If you are installing on a home/personal device, reach out to the Tech Trainer at techtrainer@cuesta.edu for more information on how to download.

If you would like to request an application to be added to a Cuesta device please email ITsupport@cuesta.edu to generate an IT work order request and an IT staff member will contact you to install the application.

For assistance with using the applications please send an email to ITsupport@cuesta.edu for technical assistance or de_facultysupport@cuesta.edu for faculty/instructional support.
