

# Connecting to Eduroam Wi-Fi for Androids

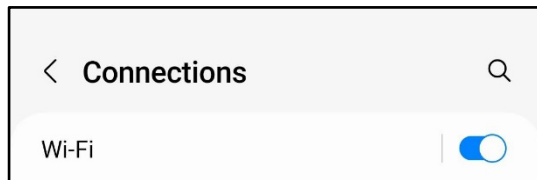

1. Locate your **settings** icon.

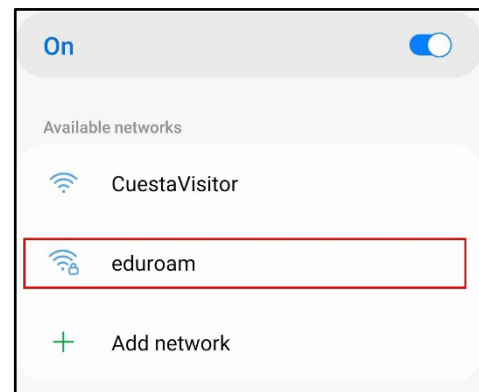

2. Select **connections** to connect to Wi-Fi.

3. Select **Wi-Fi**.

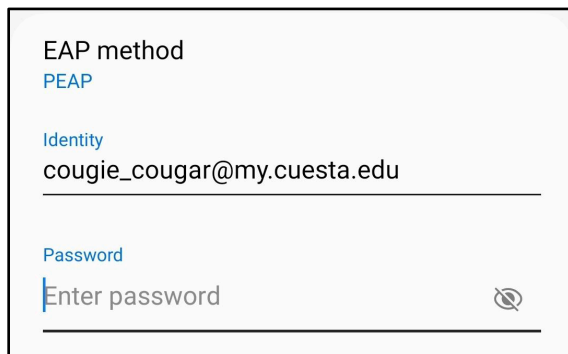

4. Select **eduroam** from the list.

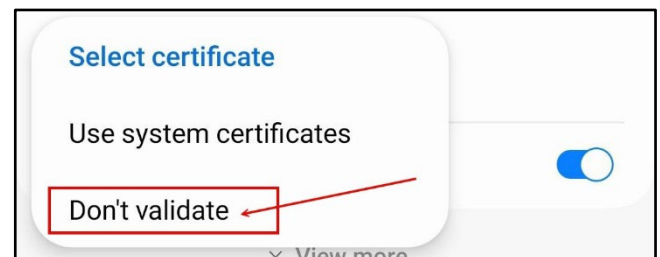

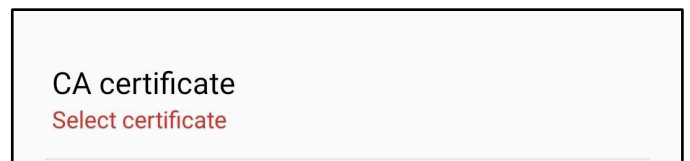

5. Under **identity**, enter your myCuesta email.

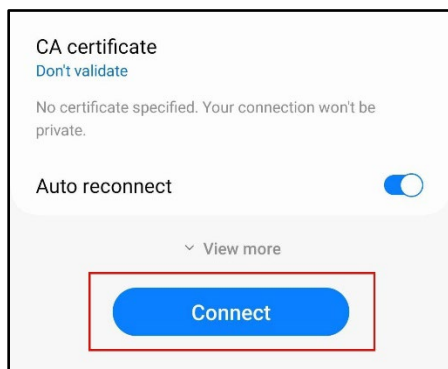

*(Your myCuesta email is typically your **first name\_last name @my.cuesta.edu**. Then enter your **password**, which is your myCuesta portal password.)*

6. Under **CA certificate** make sure you select **don't validate**.

7. Select **Connect** & your network will now be connected to **eduroam**.
