Welcome Back!

Cuesta Librarians are here for you and your students!

WE MAY NOT BE IN OUR ACTUAL LIBRARY BUILDINGS, BUT WE ARE READY FOR YOU VIRTUALLY.

Some things we can do for you, your class, individual students:

Ask a Librarian Chat

Our normal “open hours” have been switched to **virtual chat hours:**

Mon-Thurs, 8 am-8 pm; Fri 8 am-4 pm

<https://www.cuesta.edu/library/ask.html>

Two librarians are on duty during these hours. Zoom or chat with a librarian for help on using databases, finding resources for classes and research papers, accessing our streaming films service, citation help, and more. Encourage students to use this! For faculty as well.

Contact a Librarian Directly

Use direct campus email for any questions on library resources, free access to our databases and film service, how to find e-books and more. Email for Library staff:

<https://www.cuesta.edu/library/about/staff.html>

Embedded Librarians

For all ENG 201A sections; also, for all other courses.

A Cuesta Librarian can be added to your Canvas class to help students develop information literacy.

We can:

- provide customized library orientation sessions for your course to help you and your students access Cuesta library resources, from textbooks to streaming media
- facilitate discussion threads on research strategies, finding credible sources, detecting bias, avoiding plagiarism, and more
- conduct synchronous or asynchronous instructional sessions for your class on a full range of information literacy topics

Contact: laurie_buchholz@cuesta.edu

Attend our Cultural Events via Zoom

We have moved **cultural/literary events** from our buildings to an online format: Poetry Readings, a Virtual Book Club, Author events, Art to De-stress activities. Encourage your students to attend, participate, listen in; all are welcome.

***We can keep attendance status if you are giving extra credit.

What else? Just Ask Us!

What else can we do to help you and your students? Feel free to ask or suggest—we can probably make it work.
