New or Modified Flow Chart/Program Mapper Curriculum

Effective Date: Fall _____

Submit Date:

The Flow Chart/Program Mapper Curriculum update is needed to maintain accuracy of the Mapper (and consistency with the Catalog and Pathways) as Cuesta Curriculum changes annually. It is also essential to reflect accurate sequencing (i.e. fall/spring offerings) of courses for accurate Student Education Plans (SEP) and so students know which term a course will be offered. This information will be used to create/modify the flowchart/maps on our website.
