- 8 Click "Include this course in outcome mapping."

The screenshot shows the Cuesta College curriculum management interface. At the top, there's a header with the college logo and two tabs: "Curriculum" and "Approvals" (with a notification badge showing "10"). Below the header, the main title is "New Degree/Certificate: Ethnic Studies for Educators". Underneath, it says "Status: Draft" and "Remaining Launch Requirement". On the left, there's a sidebar with a list of sections: "Basic Program Information" (with a green "3/3" badge), "Co-Contributor", "Narrative", "Course/Requirements List", "Course/Requirement Organization", "Program Learning Outcomes", and "Attach Files". The main content area is titled "Course" and contains a list of courses. The first course is "ETHN 213 - ETHNIC LITERATURE OF THE UNITED STATES - Active". Below it, there's a checkbox labeled "Include this course in outcome mapping." which is currently unchecked. Below the checkbox, there are two more courses: "ETHN 211 - CRITICAL WHITENESS STUDIES" and "ETHN 210 - ETHNIC STUDIES FOR EDUCATORS". An orange circle highlights the checkbox.

- 9 Repeat as necessary.

This screenshot shows the same Cuesta College curriculum management interface as the previous one, but with the checkbox "Include this course in outcome mapping." now checked. The course "ETHN 211 - CRITICAL WHITENESS STUDIES" is now highlighted with a blue background. The sidebar and header remain the same. An orange circle highlights the checked checkbox.

10

Click "Program Learning Outcomes" List one to six outcomes individually. For each outcome enter an example of an assessment. Map each PLO to the SLO for the courses that have been included in program requirements.
