Use the icon on the left to drag elements into the desired position.

The screenshot displays a course management interface. On the left is a dark sidebar menu with a vertical scrollbar. The menu items are: Co-Contributor, Basic Course Information (with a green '7/7' badge), Credits and Hours, Cross-Listed Courses, Minimum Qualifications, Methods of Instruction, Student Learning Outcomes (with a green '1/1' badge), Objectives (with a green '1/1' badge), Topics and Scope (with a green '1/1' badge), Assignments, and Methods of Evaluation. The 'Objectives' item is highlighted. The main content area on the right is titled 'Objectives' in blue. It contains a paragraph: 'Please visit the Cuesta CurriQunet Meta Help Page for help, instructions, and https://www.cuesta.edu/meta/docs/Help_Documents.pdf'. Below this is another paragraph: 'The purpose of this section is to convey the exit skills expected of students. O link to your SLOs, but be more specific to the material than your SLOs. Please'. This is followed by a section header 'Objectives' with a hamburger menu icon. Below the header is a note: 'If an Objective cannot be deleted, make sure a Content-Review found in the C'. The main content area contains a list of three objectives, each with a move icon (two arrows) and a delete icon (an 'X' in a circle). The objectives are: Objective 3, Objective 1, and Objective 2. An orange circle highlights the move icon for Objective 3.
