

ONE CONVERSATION CAN

# change your life

## You're invited! Join the Human Library®

free event | campus & community welcome

The Human Library® project is a safe space for personal conversations designed to challenge prejudice, stigma and stereotypes. This event will provide a space for dialogue, where people who would otherwise never talk find room for conversation.

Join us – *unjudge* someone.

Volunteer to share your story, listen to a story, or simply attend the event.
