

SPRING 2021

# CBEST TEST PREPARATION WORKSHOP

**Are you interested in being a teacher or substitute teacher in California? Take advantage of our free virtual workshop!**

Join us to prepare for the California Basic Educational Skills Test—a test to demonstrate reading, writing, and mathematical skills. A passing score on the CBEST is good for a lifetime and covers the Basic Skills Requirement\* for teachers in California.

## The workshop will include:

- Information on the teacher credentialing process
- An overview of the test structure and demystifying the exam
- Review content and sample practice test questions for mathematics, reading, and writing
- Content experts to share test taking strategies and practice problems

## Support available

Cuesta College Teacher Pathways students will have access to:

- Subject-specific follow up sessions every Tuesday in February 2021 at 5:00pm
- Ongoing support from Cuesta College's Teacher Pathways Academic Success Coach and Academic Counselor
- Access to \$25 stipend for each CBEST Test Prep Workshop students attend

## Space is limited!
