

THE WARREN BALFOUR TRIBUTE WITH CUESTA JAZZ

SAT, OCT 21 AT 7:30PM

It would be difficult to overestimate the effect that Dr. Warren Balfour has had on music at Cuesta College and San Luis Obispo County since he arrived in 1972. A great educator and driving force of great music and good times, Warren has helped to create a vibrant music scene and enrich the lives of countless students across multiple disciplines. We will be honoring Warren in a special concert featuring both his former students and our current Cuesta Jazz Ensemble.

THE 25TH ANNUAL CUESTA VOCAL JAZZ FESTIVAL

FRI, NOV 3 AT 8PM

Celebrate the 25th Annual Cuesta Vocal Jazz Festival with us! What started as a one-day “workshop” has grown into a full two-day educational festival hosting up to 40 school vocal ensembles. It’s such an incredible opportunity for students and directors to learn and grow — and for students to grow into directors!

This year’s headliner is m-pact, one of the first headliners of this festival! Founded in 1995 and based in Los Angeles, the name “m-pact” is meant to signify an agreement (or “pact”) to always remain true to the musical and artistic vision of the group. They have many commercial recordings and have received numerous awards. M-pact brings their professional experience in the entertainment industry to classrooms, summer camps, and festivals around the world.
