Cuesta College – How to Drop Courses

1. Login to myCuesta using your Cuesta username and password
   Forgot username?- email support@my.cuesta.edu. Forgot password?- Change your password

2. Locate the Registration card, then select Register for Classes.

3. Select a term, then select Continue.

4. Use the Summary section to locate the class that you need to drop.
5. Use the **Action dropdown** menu next to the class that you want to drop and make a choice from the menu. Then, select **Submit**.

*Important note! The Action drop-down will provide different drop options depending on the date you drop within deadlines. For instance, drop/delete is the option if course dropped before class begins but drop withdrawn would be the option after the class begins past the drop without W deadline. Click on the course to view drop deadlines.*
